**Filter::** Match All Condition(s)**Grouped By:**

No Grouping Applied.

Q15. Do you consider any of the following to be safety concerns for pedestrians walking along or crossing South End Ave and West Thames St? (select all that apply and provide additional comments if necessary)

Sr.No.	Response No :	Response Text
1	3	Other (Please specify) : The same issues exist at South End and Rector Park. No pedestrian street crossings
2	7	Other (Please specify) : i dont have any concerns
3	8	Other (Please specify) : need a light for increased traffic flow
4	11	Other (Please specify) : Citi Bikes on sidewalks, too many folks on Citi Bikes and do not know the rules of the road
5	12	Other (Please specify) : staircase on walk bridge of rector pl crossing
6	14	Other (Please specify) : n/a
7	17	Other (Please specify) : tourists seem to need more signage and crossings
8	18	Other (Please specify) : no
9	23	Other (Please specify) : Car speeding down South End Avenue
10	27	Other (Please specify) : Stop signs universally are ignored. We need traffic lights.
11	38	Other (Please specify) : Many cars speed down the street and not stopping at Stop Sign
12	43	Other (Please specify) : None
13	44	Other (Please specify) : none
14	46	Other (Please specify) :
15	47	Other (Please specify) : Lack of Traffic light and Pedestrian light
16	49	Other (Please specify) : Street widths and under defined vehicle traffic paths sometimes make street crossing a cause for concern
17	51	Other (Please specify) : CITI BIKE LOCATION IS DANGEROUS
18	55	Other (Please specify) : None
19	56	Other (Please specify) : Christmas trees obstructing area
20	71	Other (Please specify) : Way too many dogs peeing and pooping on the side walks--dirty and poor odor
21	74	Other (Please specify) : Crossing West Thames by the Battery Tunnel is difficult.
22	77	Other (Please specify) : obstructed street crossings/curb cuts, becuz of taxis, trucks, puddles, ice
23	78	Other (Please specify) : Road to wide. Fast Traffic. New tree just planted in front of stop sign on road median.

24	92	Other (Please specify) : Cars are going too fast on South End.. Further, stop signs are BADLY needed at South End and Rector.
25	96	Other (Please specify) : The streets are wide and encourage speeding. Please narrow the street and slow the traffic down!
26	97	Other (Please specify) : lack of signage - confusion
27	104	Other (Please specify) : none
28	105	Other (Please specify) : No real concerns. I love the wide open boulevards in BPC and would really hate to see it obstructed the way its in in the north part of BPC is.
29	114	Other (Please specify) : Most dangerous aspect is BPCA motor vehicles driving on sidewalk. At least one child has been struck and significantly injured.
30	117	Other (Please specify) : Bike delivery people
31	119	Other (Please specify) : The lack of attention by vehicles to stop signs is a serious safety problem.
32	120	Other (Please specify) : The street is really wide and many pedestrians are crossing into traffic. Maybe some more islands will help.
33	121	Other (Please specify) : The constant construction in lower BPC is a problem.
34	124	Other (Please specify) : PLEASE a stop sign at 3rd and Battery Place. Very hazzardous crossing , especially for children from school on Battery Place.
35	127	Other (Please specify) : motorized bikes and bikes and motorized scooters (RECREATIONAL) on the sidewalks
36	131	Other (Please specify) : speeding cars, difficult crossing at Rector Place circle
37	154	Other (Please specify) : Cobblestones which are a hazard for walking to curbs, especially when I'm wearing 5 in heels, and dog walkers who use the colonnade area as bathroom space for dogs. In addition, bikers who have a sense of entitlement for the entire roadway and pay little attention to rules. Black cars that consistently park in the oval area in front of my building with active ignitions spewing hydrocarbons into what should be a pleasant waking area.
38	155	Other (Please specify) : Cars parking waiting for parking space to free up. Speeding on south-end avenue!
39	159	Other (Please specify) : with all of the tourists and the new workers downtown plus new buildings and more residents on the east side of west street, the sidewalks along south end avenue and west thames street are more and more crowded. do not remove the arcades. if you do, the TINY sidewalk that would remain would not be wide enough to accommodate all of the people. removing the arcades would also cause safety problems. it should be mentioned that the arcades are architectural and aesthetic gems. DO NOT REMOVE THEM OR CHANGE THEM IN ANY WAY -- IT WOULD BE A STUPID, STUPID, IDIOTIC MOVE.
40	168	Other (Please specify) : The new security people on bikes are violating every bike rule in NYC. They go up one way streets and ride on side walks. I've seen them almost create more than one accident in the last two weeks. They are not trained and dangerous.
41	169	Other (Please specify) : none
42	171	Other (Please specify) : everyone speeds
43	178	Other (Please specify) : also Moving Trucks no where for these people to park
44	179	Other (Please specify) : Too many vehicles do not stop at the stop signs at W. Thames St. & SE Ave.
45	180	Other (Please specify) : Taxis running stop signs
46	182	Other (Please specify) : N / A
47	183	Other (Please specify) : street vendors
48	188	Other (Please specify) : None
49	193	Other (Please specify) : no issues
50	197	Other (Please specify) : None
51	199	Other (Please specify) : Pedestrians should always have right of way @ cross walks and minimum miles per hour should be adhered to.
52	200	Other (Please specify) : 300 Albany retail space in the area under the arcades looks bad
53	203	Other (Please specify) : (1) Ped x-ing SEA @ Rector is ill defined. Vehicles along SEA often speed. They need to stop. (2) The garage on W. Thames blocking the sidewalk is a nuisance. (3) Obstructions in the arcade area between Rector and Albany i.e., the cafe tables not only severely restrict pedestrian traffic, they also block the ability to move between the arcade and sidewalk. We all appreciate that supplying the two Gristedes is to some extent a necessary inconvenience but the competition for space leaves the workers from the Gateways store aggressively aiming their hand trucks at pedestrians. Also, the storage of skids on the sidewalk by both stores is unsightly. The garbage pick up schedule for them and the restaurants is abysmal. (4) Who decided the parking of tour buses in active busstops is allowed? Elderly folks, those with young children and others are forced to go into the street so the bus sees them. Also having to let people off out in the street on the far side of these miscreants is potentially disasterous.
54	204	Other (Please specify) : City buses are frequently noted at speeds far in excess of the limit. Concerned that pedestrians are at serious risk of injury.
55	206	Other (Please specify) : May need designated pedestrian lanes e.g. crossing on Rector Pl and South End
56	211	Other (Please specify) : NO SAFETY CONCERNS FOR PEDESTRIANS
57	214	Other (Please specify) : none of above

58	216	Other (Please specify) : None of these are issues
59	218	Other (Please specify) : No
60	222	Other (Please specify) : Public safety officers not doing their jobs, i.e. enforcing traffic regulations.
61	227	Other (Please specify) : Bike Storage is very overcrowded and should be cleaned up and moved away from the building entrances
62	231	Other (Please specify) : Wide car lanes
63	234	Other (Please specify) : Cars coasting for parking spots
64	237	Other (Please specify) : bikers going through red lights without looking for pedestrians. Cars making turns too quickly without looking for pedestrians with the right of way
65	239	Other (Please specify) : Bike riders
66	240	Other (Please specify) : no issues really
67	241	Other (Please specify) : No
68	243	Other (Please specify) : turning vehicles -- no turn arrows
69	244	Other (Please specify) : nonsensical stop lights
70	245	Other (Please specify) : Homeless people sitting by on the side walk. They are harmless, but its necessary to provide them a better place and make our late night walks more safe.
71	247	Other (Please specify) : The streets are wide there, but there's not enough traffic to constitute a real problem.
72	255	Other (Please specify) : The trucks parking in the middle of the street (on the divider ) are a huge risk. I almost died on my motorcycle when a taxi popped a u turn and i didnt see it until it was a foot away. thank god i missed it by an inch.
73	260	Other (Please specify) : Only concerns are on Battery Place crossings. South End Avenue is fine!!
74	261	Other (Please specify) : SEVERAL CURBS ARE IN NEED OF REPAIR AND RESURFACING
75	264	Other (Please specify) : speeding cars
76	266	Other (Please specify) : I feel safe walking most of the time.
77	269	Other (Please specify) : The way business doors open into the sidewalk
78	271	Other (Please specify) : The amount of u-turns made in the middle of South End Ave is obscene and so dangerous.
79	290	Other (Please specify) : In south end ave, rector street crossing, inspire of a lot of pedestrians walking by, there are no pedestrian marks on the road while crossing south end ave.
80	294	Other (Please specify) : Intersection at Liberty is very busy since a left turn at Albany was recently prohibited from West St northbound.
81	299	Other (Please specify) : street should be wider to accomodate all the pedestrians
82	305	Other (Please specify) : DOG SHIT ALL OVER THE SIDEWALKS AND STREETS
83	308	Other (Please specify) : BICYCLES & DELIVERY MEN ON BICYCLES. OMG. THEY'RE A NIGHTMARE.
84	310	Other (Please specify) : STREET LIGHTING, Rector Place footbridge, west, stairs
85	315	Other (Please specify) :
86	330	Other (Please specify) : LIGHTS! We need more traffic lights!
87	335	Other (Please specify) : no
88	340	Other (Please specify) : None
89	342	Other (Please specify) : speeding, especially where there are no stop signs but pedestrians have the right of way
90	343	Other (Please specify) : Dogs
91	344	Other (Please specify) : too many dogs in the neighborhood leaves the sidewalks looking like a dog urinal
92	345	Other (Please specify) : Dog urine/feces so bad I avoid sidewalks
93	350	Other (Please specify) : Too many tourists on bikes that do not know the area or the traffic rules, etc. There is a school nearby and there aren't any speed bumps to control speed of delivery trucks, taxi's, cars, tour buses, etc. Too many tourists crowding sidewalks, too many dogs urinating on the sidewalks and building facades and poop that isn't picked up.
94	358	Other (Please specify) : Speed limits near Rector Place
95	359	Other (Please specify) : Dog feces EVERYWHERE
96	361	Other (Please specify) : Crosswalk at south west side of liberty and west
97	362	Other (Please specify) : no specific safety concerns, but South End avenue looks ugly as it is now
98	374	Other (Please specify) : Garbage
99	380	Other (Please specify) : No
100	382	Other (Please specify) : irresposnsible dog owners not cleaning up their dogs's poops
101	384	Other (Please specify) : The street is wide enough and needs designated bike paths
102	390	Other (Please specify) : NA
103	399	Other (Please specify) : Speeding cars esp. on South End Ave

104	403	Other (Please specify) : skateboards and scooters
105	408	Other (Please specify) : The stop sign at the NW corner of South End and Thames is hidden behind trees which prevents drivers traveling south on South End from seeing it and slowing/stopping.
106	412	Other (Please specify) :
107	417	Other (Please specify) : Pet urine and feces along foundations of buildings and on sidewalks; food delivery people on bicycles
108	418	Other (Please specify) : None
109	426	Other (Please specify) : Bikes on promenade walkway
110	427	Other (Please specify) : Taxi stand should be for Taxis; Uber cars do not take you without a smart phone, or if you want to pay cash. Have to step into street to board yellow taxis with limos hogging the taxi stand
111	428	Other (Please specify) : albany and so end bad corner to cross because cars going north speed to make right hand turn very bad visibility for them to see pedestrians; no cars use directionals no cars stop a stop signs at most 50%; dimmest street lights i ever saw and many are out at a time; walkway between Albany and Liberty between 7am and 8pm is bad: scooters, dogs, baby carriages 2 abreast, joggers. Liberty Court parking garage under Icon as opposed to what took place under Central Parking - Icon freely uses pedestrian sidewalks to place cars; people let their dogs walk on one side of the sidewalk and they on the other with leash right across the right of way
112	429	Other (Please specify) : sidewalk in front of Gateway is narrow - all the business doors open into the sidewalk. Filthy from dog urine
113	433	Other (Please specify) : Crossing can be hazardous where there are no lights or pedestrian walkways
114	434	Other (Please specify) : exhaust system over theChase Bank blowing onto the sidewalk
115	444	Other (Please specify) : Too many bike riders
116	447	Other (Please specify) : Lack of stop signs or traffic lights.
117	449	Other (Please specify) : bikers are taking over the pedestrian crossings without obeying the traffic rules
118	458	Other (Please specify) : No
119	467	Other (Please specify) : particularly yellow cabs not stopping at stop signs and speeding
120	471	Other (Please specify) : Bicycles running on sidewalks and not following traffic rules; they and skateboarders dangerous on promenade by the river.
121	475	Other (Please specify) : Food Vendors who have recently moved in are dirty, insightly and make our home feel like a tourist trap
122	479	Other (Please specify) : Traffic light at south end and Liberty
123	481	Other (Please specify) : fast cyclists coming out of nowhere
124	482	Other (Please specify) : Too many construction projects already in neighborhood
125	486	Other (Please specify) : Dirty sidewalks west side of South End Ave by Liberty.
126	489	Other (Please specify) : None
127	494	Other (Please specify) : I have never encountered a problem
128	496	Other (Please specify) : dog leashes and giant baby strollers force people into the street
129	497	Other (Please specify) : none
130	498	Other (Please specify) :
131	501	Other (Please specify) : street parking always full, probably condo workers , should be metered
132	505	Other (Please specify) : Trucks and Busses loading and unloading in the center isle of So End Ave. Hazzardous to cross street.
133	512	Other (Please specify) : Dogs that are not curbed by owners
134	513	Other (Please specify) : cyclists using the sidewalk. cyclists not adhering to traffic rules. skateboarders disregarding pedestrians.
135	519	Other (Please specify) : We desperately need a crosswalk at the corner of Rector Place and South End Ave for those of us crossing to go to West Thames Park. It also makes sense to have a pedestrian crossing on South End Avenue in front of Gateway where the public busses drop off elderly people and children. Right now everyone just jaywalks across to enter the Gateway complex. Would love to get rid of the fruit vendor who parks on the corner of Liberty and Albany in front of Southwest restaurant. It's a busy area without extra room for a cart. I'd say the same about the hot dog vendor between who is often in front of Battery Park Pharmacy and the Chase bank. They don't add anything of value to the neighborhood, they just crowd the area.
136	523	Other (Please specify) : None of the above
137	530	Other (Please specify) : 1. Dog Urine: the density of domestic pets in extremely high. Most owners allow their dogs to urinate on the pavement immediately outside their apartment building. The stench of dog urine in the summer is foul and unhygienic. Outside the Gateway complex it is particularly bad. Is there a solution to this via enhanced street cleaning or designated dog urination areas. It is extremely unpleasant for local residents. 2. Heavy goods vehicles regularly unload at local restaurants late at night or collect trash. They usually reverse down the length of the street with their reversing hazard warning sounding. It is an extremely loud noise and disturbs residents sleep. 3. Bicycle traffic on pavements and boardwalk is extremely dangerous. Now that the main cycle route on the westside highway is fully open there should be no need for cyclists to cycle on the board walk next to the river. It is too crowded in summer and unsafe.

138	533	Other (Please specify) : The intersection in fine - no safety concerns.
139	534	Other (Please specify) : None
140	537	Other (Please specify) : Cars entering and leaving 395 South End garage
141	539	Other (Please specify) : Bike deliveries not adhering to traffic rules
142	540	Other (Please specify) : Non-pedestrians on sidewalks, e.g. scooters, hoverboards, bikes, motorized bikes (take-out delivery)
143	544	Other (Please specify) : Not enough walkways over highway
144	551	Other (Please specify) : None
145	552	Other (Please specify) : appreciate the new crosswalk compared to before, but would prefer traffic lights
146	562	Other (Please specify) : I don't think there are any issues. Nannies taking the entire sidewalk but that's just rude.
147	563	Other (Please specify) : Lack of crossing at Rector & South End; 'Black cars' idling/blocking crosswalks
148	565	Other (Please specify) : Trash piles on the sidewalks

**Q20. What types of bike trips do you make?**

Sr.No.	Response No :	Response Text
1	125	Other (Please specify) : Mostly recreational, and hope to increase use in 2016.
2	463	Other (Please specify) :

**Q22. Do you consider any of the following to be safety concerns for bikers traveling along South End Ave and West Thames St? (select all that apply and provide additional comments if necessary)**

Sr.No.	Response No :	Response Text
1	7	Other (Please specify) : i dont have any concerns
2	11	Other (Please specify) : people don't knowing how and where to ride the bicycles
3	17	Other (Please specify) : Now that bike path is complete - it works well except for pedestrians walking on the bike path
4	38	Other (Please specify) : Delivervy bikes riding on sidewalks with fast speed
5	41	Other (Please specify) : obstructed or unclear stop signs specifcally at the north west corner of south end and west thames
6	71	Other (Please specify) : none
7	91	Other (Please specify) : Construction
8	97	Other (Please specify) : confusing where would be safest area on street to bike given lack of signage for bike
9	105	Other (Please specify) : Pedestrians that do not look before they cross. Seriously, its a safety concern for everyone on the road and it happens a lot in BPC.
10	114	Other (Please specify) : Comingling of bikes and pedestrians on esplanade is potentially dangerous.
11	121	Other (Please specify) : Pedestrians rerouted to bike lanes during construction
12	124	Other (Please specify) : Tour buses are parking in no parking area. Can you keep them off local streets?
13	148	Other (Please specify) : Uber & other "black car services" idling EVERYWHERE
14	159	Other (Please specify) : if you remove the arcades, pedestrians will walk in the street like everywhere else in manhattan. this would create safety concerns for bikers traveling along south end avenue and west thames street. DO NOT REMOVE THE ARCADES OR CHANGE THEM IN ANY WAY -- IT WOULD BE A STUPID, STUPID, IDIOTIC MOVE.
15	168	Other (Please specify) : The new security people on bikes are violating every bike rule in NYC. They go up one way streets and ride on side walks. I've seen them almost create more than one accident in the last two weeks. They are not trained and dangerous.
16	182	Other (Please specify) : N / A
17	193	Other (Please specify) : no issues
18	240	Other (Please specify) : no issues really
19	255	Other (Please specify) : NYPD have sometimes special enforcement operations in battery park city against bicycle riders. poor asian tourist on a city bike, poor delivery man working in the snow even - should not be a target. shame on them.
20	256	Other (Please specify) : Pedestrians walking in bike lanes.
21	266	Other (Please specify) : Sometimes taxis will park in bike lanes around south end and albany in order to grab food or coffee from the food cart or from Hudson Produce. It can get dicey with doors opening and bike lanes blocked. I was hit by a taxi door last summer trying to avoid a taxi parked in a bike lane. Thanks!
22	281	Other (Please specify) : Tourists walking along bike path rather than pedestrian path along West St
23	305	Other (Please specify) : DOG SHIT IN THE BIKE AREAS. DOGS PEE ALL OVER THE BIKES IN THE STATIONS.
24	313	Other (Please specify) : Bikers whizzing along, not obeying rules.
25	338	Other (Please specify) : vehicles cutting off biking riders or not observing bike riders. I was almost hit by a truck on

		Murray St. because the truck did not look at the mirror and pulled out
26	349	Other (Please specify) : Bikers not using bike lanes
27	350	Other (Please specify) : The location of Citi Bike Station is dangerous and takes up too much room on street which isn't big enough for the amount of traffic that uses this intersection on a daily continual basis. How dare the Mayor make a station in the middle of a street that mostly tourists use/rent while the local residents who commute by bus, taxi or car have to be subjected to persons who have no idea of the traffic laws and are unfamiliar with the area. Very poor choice of a Bike Station.
28	362	Other (Please specify) : no specific safety concerns, but South End avenue looks ugly as it is now
29	387	Other (Please specify) : Thanks to the promenade and other bike paths, riders can avoid south end ave
30	390	Other (Please specify) : NA
31	393	Other (Please specify) : Pedestrians not paying attention or yelling at bikers for no good reasons
32	399	Other (Please specify) : Speeding cars, esp. on South End Ave.
33	407	Other (Please specify) : Pedestrians walking in the bike lanes and not paying attention to cyclists when crossing roads and bike lanes.
34	412	Other (Please specify) :
35	419	Other (Please specify) : Bikers not adhering to traffic rules
36	458	Other (Please specify) : No
37	467	Other (Please specify) : particularly yellow cabs not stopping at stop signs and speeding
38	469	Other (Please specify) : no dedicated bike paths from Citi Bike stations to bike path along W Side Hwy
39	487	Other (Please specify) : None
40	513	Other (Please specify) : other cyclists not adhering to traffic rules -- I have been hit from behind when i stopped at a red light
41	517	Other (Please specify) : Motorized bicycles, often used by food delivery people.
42	518	Other (Please specify) : people walking in bike lanes
43	530	Other (Please specify) : Bikes on pavements and boardwalk
44	533	Other (Please specify) : None of the listed items are concerns
45	534	Other (Please specify) : none
46	563	Other (Please specify) : 'Black cars' idling/blocking bike lanes

**Q26. Do you consider any of the following to be safety concerns for drivers traveling along South End Ave and West Thames St? (select all that apply and provide additional comments if necessary)**

Sr.No.	Response No :	Response Text
1	3	Other (Please specify) : Lack of pedestrian crosswalks
2	7	Other (Please specify) : i dont have any concerns
3	8	Other (Please specify) : drivers looking ofr parking are distracted drivers
4	12	Other (Please specify) : Street construction on Albany
5	17	Other (Please specify) : Need sidewalks open on all of the area
6	22	Other (Please specify) : Cars parked too close to end of blocks
7	71	Other (Please specify) : no
8	74	Other (Please specify) :
9	78	Other (Please specify) : Tree planted in front of stop sign.
10	114	Other (Please specify) : Many of the stop signs are hidden or otherwise not readily visible, e.g., West Thames at Battery Place. Cars often do not stop. Pedestrians often cross the street on the phone or otherwise not looking. Parking spaces are extremely limited causing drivers to circle endlessly and perhaps take attention from other vehicles and pedestrians (consider issuing/requiring resident parking permits in some locations). PS276 doesn't have a reliable crossing guard, she is only there occasionally, and I fear for the safety of those children crossing the street (and also on the sidewalk as some BPCA vehicles ride on the sidewalk).
11	120	Other (Please specify) : The main issue here is the street is really wide and people are crossing all over the place. Islands would help along with some lights.
12	143	Other (Please specify) : There should be a crosswalk at West Thames St where the path crosses over so you don't have to walk up to the next one, which no one does...
13	154	Other (Please specify) : Drivers who will run over anything or anyone to get spaces they want for alternate side parking.
14	160	Other (Please specify) : there are several pot holes that are perpetually on South End Ave They get repaired then they sink again. This has been the cycle for 13 years
15	161	Other (Please specify) : I have lived in BPC since 1993. This neighborhood experiences the worst driving in the city.
16	163	Other (Please specify) : none
17	164	Other (Please specify) : There are inadequate pedestrian crosswalks and most people can't drive constantly rolling

		through stop signs.
18	169	Other (Please specify) : none
19	180	Other (Please specify) : Taxis not observing traffic rules, running stop signs and speeding
20	181	Other (Please specify) : We LIKE the wide streets in BPC (in fact we purchased here BECAUSE of the wide streets); there is very little double parking, particularly from Trucks BECAUSE there is room in the center of the street for these delivery trucks; street signs are often obstructed by trees and 'no parking' signage is not clear
21	182	Other (Please specify) : N / A
22	187	Other (Please specify) : Pedestrians need more crosswalks to be able to stay on them!
23	193	Other (Please specify) : no issues
24	203	Other (Please specify) : As above; Tour bus parking & double parking, those bikers for whom rules don't exist, etc.
25	204	Other (Please specify) : There is no option to choose none of these answers!! i.e., no safety concerns.
26	211	Other (Please specify) : NO SAFETY CONCERNS FOR DRIVERS
27	212	Other (Please specify) : no
28	229	Other (Please specify) : Roads are in disrepair
29	236	Other (Please specify) : bikers, both cite-bikes and delivery bikes do not follow traffic rules.
30	255	Other (Please specify) : Friends, we pay insane amount of rent, and the supermarkets are outrageously expensive so we pay a lot of taxes (3 dollars for a red pepper is an example, 3600 dollars for a 1br apartment is another). A parking garage is no less than 550 dollars a month! furthermore, more parking spots were taken away by the city. You guys need to help us here and produce at least 100 more parking spots. across from the ritz carlton on battery place you have a whole side (where the jewish museum is ) that has no spots. In the turn arounds, closer to ends of streets, on west thames between battery place and south end there is on one side ONE parking spot. We pay so much money to live here, we do not need to support and provide the local parking garages. Please help.
31	262	Other (Please specify) : Car service (not taxi) vehicles double park on Albany St.
32	287	Other (Please specify) : Pedestrians ignoring traffic lights.
33	290	Other (Please specify) : There are no resident permit only parking in bpc
34	302	Other (Please specify) : Too many stop signs that don't make sense for location and poor street parking. We should have neighborhood parking passes for the street for evening hours.
35	305	Other (Please specify) : THE LIGHTING IS INADEQUATE. IT WOULD BE EASY TO STRIKE A PEDESTRIAN (they all seem to wear all black and you can hardly see them)
36	314	Other (Please specify) : speeding taxis
37	325	Other (Please specify) : Could use a traffic light at this corner. Trucks block sight by being in center safety island especially when there are double parked cars.
38	350	Other (Please specify) : Citi Bike Station is an obstruction and distraction for motorists and pedestrians.
39	361	Other (Please specify) : Crosswalk at north west side of west and Liberty is hazard for cars turning from west to liberty st. Also crosswalk going over west st should be on south side of street not north.
40	370	Other (Please specify) : Parked cars block sight lines if driver is obeying the stop signs and associated lines on the road for stopping at stop signs
41	387	Other (Please specify) : the only safety concern is to my wallet due to the high price of paid parking
42	392	Other (Please specify) : Not enough street parking for residents.
43	399	Other (Please specify) : Nonw
44	410	Other (Please specify) : I am satisfied. The wide streets with central parking for trucks is excellent.
45	415	Other (Please specify) : I think there MUST be speed bumps on the approach to PS276!!!
46	420	Other (Please specify) : NONE was not a choice
47	421	Other (Please specify) : none
48	429	Other (Please specify) : coming out of Gateway onto South End is very hazardous for walkers & drivers
49	430	Other (Please specify) : No
50	436	Other (Please specify) : None
51	438	Other (Please specify) : no
52	450	Other (Please specify) : Lack of parking
53	465	Other (Please specify) : Other vehicles not adhering to traffic rules
54	467	Other (Please specify) : particularly yellow cabs not stopping at stop signs and speeding
55	482	Other (Please specify) : Construction, construction, construction; weekend events, which force us to reroute in and out of BPC, if we can
56	487	Other (Please specify) : None
57	495	Other (Please specify) : cars don't adhere to stop signs
58	496	Other (Please specify) : I do not drive there.
59	501	Other (Please specify) : free street parking always full, need to be metered weekdays,

60	507	Other (Please specify) :
61	517	Other (Please specify) : Pedestrians walking on bike paths (often several people across). Motorized bicycles, often used by food delivery people.
62	526	Other (Please specify) : streets are dark at night
63	534	Other (Please specify) : none
64	544	Other (Please specify) : N/a
65	548	Other (Please specify) : No safety concerns
66	552	Other (Please specify) : appears that the bike lane painting has not been completed. Also people cross south end at rector place even though no crosswalks. Real crosswalk would be great here

**Q27. Which of the following retail offerings along South End Ave and West Thames St do you use regularly? (select all that apply)**

Sr.No.	Response No :	Response Text
1	22	Other (Please specify) : Now use Le District/Whole Foods..that block is a disgrace with old dirty looking stores
2	24	Other (Please specify) : Dry Cleaner
3	41	Other (Please specify) : chase bank
4	43	Other (Please specify) : None
5	79	Other (Please specify) : Day Care Centers along Southend avenue
6	86	Other (Please specify) : Chase Bank
7	88	Other (Please specify) : Battery Park Nursery
8	110	Other (Please specify) : Only dry cleaner's pick-up service. We just go to Brookfield b/c the amenities are much newer.
9	114	Other (Please specify) : bank branch
10	129	Other (Please specify) : preschool nursery
11	136	Other (Please specify) : dry cleaner, liquor/wine store
12	152	Other (Please specify) : bank
13	154	Other (Please specify) : The quality of the street restaurants is abysmal.
14	155	Other (Please specify) : Chase Bank
15	181	Other (Please specify) : NEED FEWER stores; Want FEWER food related stores; we already have too many which causes problems with rats
16	206	Other (Please specify) : I dogsit all the time (the dog is like a nephew)
17	207	Other (Please specify) :
18	228	Other (Please specify) : Laundry/dry cleaning services
19	234	Other (Please specify) : Bank
20	241	Other (Please specify) : None because they're expensive and the service or quality isn't worth it
21	243	Other (Please specify) : dry cleaner
22	247	Other (Please specify) : I go to the restaurants facing South Cove (Miramar and Malaysian Kitchen) but they are NOT at South End Ave. and West Thames St. They're one block further south.
23	255	Other (Please specify) : not much guys. We need more restaurants, bars things to do around here . It's dead, especially in the winter.
24	262	Other (Please specify) : Bank
25	269	Other (Please specify) : There are no pet friendly restaurants and which there were
26	275	Other (Please specify) : Bank
27	277	Other (Please specify) : None. It's all terrible.
28	299	Other (Please specify) : would love a jewish delcatessen
29	310	Other (Please specify) : coffee cart
30	344	Other (Please specify) : I rarely visit any of the stores that exist now. gristedes is horribly overpriced and filthy. I would go to a better grocery store all the time if it existed. Wish it were a Whole Foods. Wish there was a Westville on South End Avenue.
31	345	Other (Please specify) : Leave area whenever possible to avoid dog waste filth/stench
32	356	Other (Please specify) : Dry cleaners
33	362	Other (Please specify) : None. I WOULD use grocery but the Gristede's stores are terrible.
34	367	Other (Please specify) : Bank, liquor store, Picaso's Pizza
35	375	Other (Please specify) :
36	383	Other (Please specify) : pharmacy
37	387	Other (Please specify) : there aren't any pet friendly restaurants - as you should know

38	396	Other (Please specify) : pharmacy
39	397	Other (Please specify) : health club
40	401	Other (Please specify) : Bank
41	405	Other (Please specify) : dry cleaners
42	408	Other (Please specify) : Chase Bank
43	410	Other (Please specify) : Don't need additional food stores and restaurants. Causes problems with rats.
44	421	Other (Please specify) : dry cleaner
45	427	Other (Please specify) : The fruit vendor and South End at Albany - now gone
46	428	Other (Please specify) : outdoor dining should be free from passing dogs; free from dogs sitting on chairs and free of dogs sitting on table (Brookfield Place)
47	477	Other (Please specify) : theres nothing there
48	485	Other (Please specify) : nothing
49	491	Other (Please specify) : dry cleaner
50	497	Other (Please specify) : none
51	519	Other (Please specify) : corner store/deli/cafes
52	521	Other (Please specify) : Chase Bank
53	523	Other (Please specify) : Bars
54	552	Other (Please specify) : I'd like to use grocery, but avoid because Gristedes is terrible.
55	555	Other (Please specify) : Dry cleaners
56	561	Other (Please specify) : None used regularly
57	564	Other (Please specify) : Bank
58	568	Other (Please specify) : I walk pass these businesses to go to Whole Foods & Rite Aid.

**Q30. What types of retail services would you like to see more of or improved in the neighborhood? (select all that apply)**

Sr.No.	Response No :	Response Text
1	7	Other (Please specify) : maybe a 24 duane reade or cvs type store
2	8	Other (Please specify) : the restaurants and food stores we have are mostly horrible
3	11	Other (Please specify) : better casual dining for families with kids, like a real diner
4	12	Other (Please specify) : hardware store; more dining options generally - especially late night
5	17	Other (Please specify) : Big open grass area where dogs can run and play.
6	18	Other (Please specify) : bars
7	22	Other (Please specify) : Would like a decent grocery store in addition to LeDistrict & WF
8	23	Other (Please specify) : Better Grocery stores, both Grestedes are poor quality
9	25	Other (Please specify) : Better places to pick up quick breakfast, lunch or dinner (but not "fast food" like chain restaurants)
10	27	Other (Please specify) : Hardware store
11	44	Other (Please specify) : None
12	49	Other (Please specify) : Improved density of choice would be wonderful; 2 smaller restaurants or casual dining venues is preferred over one. It provides choices. Shoe repair would be nice. Coffee shop would also be great. Think density and choices of UWS
13	53	Other (Please specify) : Gristedes being open 24/7 would be nice. A late night Halal food cart would also be welcome!
14	56	Other (Please specify) : Grocery stores are not good. Bad selection or expired goods. Poor quality or overpriced
15	61	Other (Please specify) : Hardware store, home goods store
16	62	Other (Please specify) : Nothing -- between the existent retail services and the opening of Brookfield Place, I am concerned about too many retail services that would draw more pedestrian traffic and tourists. I value the quiet residential feel of this BPC.
17	65	Other (Please specify) : na
18	70	Other (Please specify) : Would be nice if one of the Gristedes was a different Grocery vendor
19	72	Other (Please specify) : Affordable options that didn't cater to the Hermes wearing crowd
20	74	Other (Please specify) : Pharmacy
21	76	Other (Please specify) : There is only 1 Bank Chase
22	77	Other (Please specify) : A simple Greek diner or old style coffee shop for inexpensive basic food; Bed Bath store, again cheap basics!
23	79	Other (Please specify) : Bring back affordable clothing/retail to BPC. The stores and restaurants in Brookfield Place are

nice enough but are too expensive for people earning less than \$500,000 a year. The character of Brookfield place went down from an iconic space, to a non-descript mall with expensive retail and over-priced food options. The character of the place (marble flooring, etc) has been replaced with generic, dull color scheme, reducing property values in the neighborhood. The character is gone. Flirt(frozen yogurt) bring in Boston Market.

24	81	Other (Please specify) : Need a good grocery store. Gristedes is the worst.
25	88	Other (Please specify) : None come to mind.
26	92	Other (Please specify) : Frozen Yogurt
27	94	Other (Please specify) : Kids afterschool activities
28	97	Other (Please specify) : coffee shops
29	102	Other (Please specify) : nothing
30	103	Other (Please specify) : local shops
31	104	Other (Please specify) : nice coffe shop, flower shop, cobbler
32	105	Other (Please specify) : There should be less dry cleaners.
33	106	Other (Please specify) : Child-friendly cafes with books and toys so parents can relax
34	107	Other (Please specify) : HARDWARE STORE!!!!
35	110	Other (Please specify) : The Gristedes markets have to go.
36	114	Other (Please specify) : hardware store, toy store, clothing stores, sports facility, e.g., batting cage
37	116	Other (Please specify) : a bookstore, more stores, indoor kid activities
38	119	Other (Please specify) : The aesthetic character of retail frontage is pretty awful. With few exceptions the restaurants are terrible. And Gristedes is an inexcusable affront...both stores.
39	120	Other (Please specify) : Options are really limited. Would be nice to have an outdoor cafe and something that stays open later.
40	121	Other (Please specify) : Pediatrician and general practitioners specifically, cafe/coffee shop, banks
41	122	Other (Please specify) : Health food store or upscale grocer
42	124	Other (Please specify) : Educational opportunities eg 92nd st Y classes.
43	125	Other (Please specify) : Coffee place and a Kinkos/Fedex/ mail box/ printing type of store
44	126	Other (Please specify) : Would love to see a national chain pharmacy open during the weekend
45	128	Other (Please specify) : Better grocery options; more retail (boutiques)
46	129	Other (Please specify) : reasonably priced clothing stores & gift shops, unique "mom & pop" stores instead of corporate chains
47	130	Other (Please specify) : Every restaurant has poor quality, lack of delivery and overpriced
48	131	Other (Please specify) : specialty stores with mid-range pricing
49	132	Other (Please specify) : Grocery stores are small and expensive. I usually end up walking up to Whole Foods.
50	133	Other (Please specify) : none
51	134	Other (Please specify) : All the current places are too expensive. Need some chain restaurants to provide competition like a Subway restaurant, Duane Reade, other not-so-expensive places.
52	136	Other (Please specify) : public boating / north cove marina
53	137	Other (Please specify) : Pharmacy
54	142	Other (Please specify) : Everyday not gourmet focused establishments
55	145	Other (Please specify) : None
56	148	Other (Please specify) : Nightlife
57	151	Other (Please specify) : modern retail; decent local restaurants
58	154	Other (Please specify) : Decent food shopping. Gristedes is terrible and overpriced. Whole foods is the only option. It would be nice t have one or two restaurants that don't cater to tourists. Another bank branch besides Chase would be a good idea.
59	155	Other (Please specify) : Improve quality in supermarkets
60	159	Other (Please specify) : gristedes should be replaced with something like a whole foods. and put the dry cleaners out of sight. they significantly detract from the aesthetics of the streetscape. the four seasons dry cleaner in particular (in the regatta) should be evicted. it's not only an eyesore and a sweatshop that's clearly visible from the street, but their machines make so much pounding noise that it can be heard in the building lobby and all the way up to the fourth floor inside the residents' actual apartments -- and they won't do anything about it. EVICT THE FOUR SEASONS DRY CLEANERS ASAP.
61	160	Other (Please specify) : the entire community has too many restaurants that are under the same hospitality groups this limits keep the completion and variety. The BPCA often spends money foolishly such as the repeated ground work on West Street playground, and the lights embedded the road at the end of W Thames St. Just because there is all to this ground rent money doesn't mean that it needs to be spent. Best to help build affordable housing as is the supposed purpose.
62	161	Other (Please specify) : This neighborhood has the potential to be "cool" like other lower Manhattan neighborhoods. In

		my time here, it has gone from uncool/corporate to uncool/crummy. Brookfield is an exception to this.
63	163	Other (Please specify) : coffee shop/diner
64	169	Other (Please specify) : Retail, better grocery
65	170	Other (Please specify) : more food choice
66	171	Other (Please specify) : chipotle grill is vile
67	174	Other (Please specify) : An affordable clean grocery store such as a Trader Joe's.
68	175	Other (Please specify) : non e leave us alone no more retail
69	176	Other (Please specify) :
70	179	Other (Please specify) : Hardware store, diner
71	181	Other (Please specify) : NONE - do NOT want more; want fewer; the neighborhood is starting to look awful and messy; we moved here because it DID NOT look like all the other dirty messy neighborhoods
72	184	Other (Please specify) : The grocery stores are terrible and I wish the restaurants weren't abysmal chains (Chipotle and pick-a-bagel being my biggest complaints)
73	187	Other (Please specify) : Gristedes has to go and be replaced with an Amish or Battery place market type place. And NO more dry cleaners, too many! We could use a Citibank, closest is in Tribeca and FiDi. And now that Chipotle is here, the rest on the South End strip between Liberty and Albany looks very tired. Make it a cute main street, with lamp posts, awnings etc. And make sure all doors open inwards so as not to whack unsuspecting pedestrians!
74	188	Other (Please specify) : None
75	191	Other (Please specify) : Retail clothing stores
76	193	Other (Please specify) : Improve Gristides - overpriced and crummy
77	197	Other (Please specify) : Coffee places, CVS
78	200	Other (Please specify) : do not need more
79	201	Other (Please specify) : Pharmacy
80	204	Other (Please specify) : Dry cleaners (just kidding)
81	209	Other (Please specify) : we desperately need reasonable, clean grocery store.
82	211	Other (Please specify) : CARD SHOP/HARDWARE STORE
83	212	Other (Please specify) : Please remove the Gristedes and allow Trader Joe's to come in. Gristdes is disgusting and over priced!!!
84	213	Other (Please specify) : Whole foods, Fairway or Trader Joes
85	220	Other (Please specify) : Better street lighting, more safety patrols
86	226	Other (Please specify) : Better restaurants
87	227	Other (Please specify) : With the 1000's of famiies, the area is in need of a large grocery store, not some small over priced Gristede's
88	230	Other (Please specify) : A good wine shop!
89	234	Other (Please specify) : Less monopolized business - nail salons owned by the same owner - Gristedes owned by the same owner
90	237	Other (Please specify) : chinese food, indian food, thai food, and hardware store, liquor/wine stores that stay open longer
91	238	Other (Please specify) : Bars/Pubs
92	241	Other (Please specify) : Atms
93	243	Other (Please specify) : supermarket NOT two Gristedes
94	245	Other (Please specify) : we would like to see more affordable retail and grocery places
95	247	Other (Please specify) : Gristedes is an inadequate grocery store. I would like something with a better selection and better prices.
96	252	Other (Please specify) : Affordable groceries with decent selection
97	254	Other (Please specify) : We NEED restaurants. Neighborhood restaurants. Also need a good clean Grocery Store, presently we just have Gristedes, which is small, unclean, old, etc.
98	255	Other (Please specify) : Grocery stores (gristidies and hudson produce) are insanely expensive with a really bad variety. I need to do my shopping in Brooklyn because of that. Example (Gristidies has one type of body wash and it costs \$9.40)
99	256	Other (Please specify) : Live music/art offerings, nightlife and entertainment
100	259	Other (Please specify) : Ice Cream store!
101	260	Other (Please specify) : its not lack of restaurants/groceries but rather the poor quality of the ones we do have like gristedes! its terrible
102	262	Other (Please specify) : More ice cream shops, frozen yogurt shop and coffee shops
103	264	Other (Please specify) : Upscale, high end grocery store and prepared food shop. Gourmet wine, cheese, charcuterie, etc.
104	266	Other (Please specify) : Pet friendly restaurants would be amazing additions. I'd also love a more traditional/less fancy bar but I'll take what I can get..

105	270	Other (Please specify) : traffic control and management
106	271	Other (Please specify) : PLEASE GET BOTH GRISTEDES OUT OF OUR NEIGHBORHOOD. They are a disgusting chain with old products that are all bad in addition to being overpriced. We need a real grocery store like Trader Joes or even a nicer Key Foods Market. It would be good to have more quick deli or other quick eating places too like take-out Chinese or a diner.. no fast food chains like McDonald's, please..
107	272	Other (Please specify) : Froyo
108	274	Other (Please specify) : Healthy food alternatives...Like raw food..healthy juice...organic food
109	276	Other (Please specify) : Grist edges is terrible. A much better grocery and pharmacy would be at the top of the list.
110	278	Other (Please specify) : a good diner, better quality inexpensive fast food
111	285	Other (Please specify) : Shoe Store; Electronic Store; locksmith/hardware; mid level retail
112	294	Other (Please specify) : Good fast inexpensive take out restaurant.
113	296	Other (Please specify) : bars, boutiques
114	298	Other (Please specify) : better grocery, affordable hair salon, good bakery, a decent diner
115	302	Other (Please specify) : A bar that is not designated primarily for eating. Something like we used to have prior to Southwest Restaurant taking over the corner. Blackhound is highend. We need average priced location to have drinks with friends of the neighborhood.
116	304	Other (Please specify) : Better quality grocery stores, better quality restaurants & cafes, no chains please.
117	307	Other (Please specify) : Fairway, Trader Joe's
118	308	Other (Please specify) : well priced options; more owner variety
119	309	Other (Please specify) : starbucks, fairway
120	310	Other (Please specify) : hardware store
121	312	Other (Please specify) : Retail shopping (card store, florist, etc.)
122	315	Other (Please specify) : Appropriate food and eating options
123	316	Other (Please specify) : Chinese Food, Late night food options,
124	318	Other (Please specify) : Pet friendly restaurants is a disgusting idea
125	325	Other (Please specify) : a different competing grocer.
126	326	Other (Please specify) : Fish store, butcher, bakery
127	329	Other (Please specify) : Breakfast restaurant
128	330	Other (Please specify) : Hardware! A hardware store, please!
129	331	Other (Please specify) : I'd like to see the bodegas improved.
130	332	Other (Please specify) : A clean and not overpriced grocery store. An affordable gym.
131	333	Other (Please specify) : Vegetarian/Vegan restaurant or one with decent options
132	337	Other (Please specify) : hardware store fruit and vegetaBLE TRUCK
133	338	Other (Please specify) : personality
134	342	Other (Please specify) : Spa services are lacking; the nail places are sub-par and there are no massage services
135	343	Other (Please specify) : Trader Joe's
136	347	Other (Please specify) : Restaurant offerings are dismal. A decent grocery store please! Also a yoga studio would be great. Also a bookstore.
137	351	Other (Please specify) : QUALITY of existing needs improvement
138	352	Other (Please specify) : Bars
139	353	Other (Please specify) : A fruit stand, and more affordable groceries
140	358	Other (Please specify) : We need a quality grocer, Fairway type. Gristedes is a dump and the new Le District grocer lacks assortment .
141	359	Other (Please specify) : On health and personal, I'm specifically thinking of fitness and boutique retail shops (can be for kids, women, children...anyone)
142	369	Other (Please specify) : Sports clubs that are not run by incompetent owners, such as Brookfield. We lost one of the best sailing clubs in the country.
143	373	Other (Please specify) : a competitive supermarket - two by same owner is a monopoly and takes away any incentive for competitive pricing
144	375	Other (Please specify) : The pet population should not be encouraged. Too much soiling of walkways with urine, etc.
145	377	Other (Please specify) : affordable clothing store
146	383	Other (Please specify) : hardware store
147	387	Other (Please specify) : Mom and pop restaurants - please no more chains
148	388	Other (Please specify) : large grocery story
149	392	Other (Please specify) : Very poor restaurant quality. Way too many dry cleaners. Grocery options are awful.
150	396	Other (Please specify) : TRADER JOES

151	397	Other (Please specify) : affordable clothing, shoes, other more interesting, unique retail. There isn't enough store-level retail for BPC residents. Brookfield's luxury mall is boring, over-priced, and even when I do want to buy luxury goods, there are so many better places to find them. It looks like a duty free area in an airport. It's not for the residents, and I doubt it will even stay in business with the tourist/worker traffic it's getting with the exception of the food/restaurants.
152	399	Other (Please specify) : Competition to Gristede's, Bull & Bear. Reasonably priced groceries.
153	401	Other (Please specify) : Bake shop; hardware store; better grocery stores
154	403	Other (Please specify) : a citibank
155	407	Other (Please specify) : affordable casual dining (Chipotle seems to be the only option), more affordable - non-franchise retail
156	408	Other (Please specify) : We need a casual breakfast/lunch place. Something like Gee Wiz (Tribeca) or George's (Greenwich/Rector St) with wait service.
157	410	Other (Please specify) : None.
158	414	Other (Please specify) : Coffee/cafe
159	415	Other (Please specify) : I'm happy with current options.
160	417	Other (Please specify) : A high-quality and more affordable grocery store such as Trader Joe's
161	419	Other (Please specify) : Better grocery options
162	420	Other (Please specify) : None
163	421	Other (Please specify) : None
164	423	Other (Please specify) : none
165	425	Other (Please specify) : reasonably priced establishments. we do most of our bulk purchases outside of BPC
166	426	Other (Please specify) : Nightlife
167	427	Other (Please specify) : Two Gristedes in two blocks - is bad for consumer choice.
168	428	Other (Please specify) : JCrew is it - no Gap no Banana Rep = i did all Christmas shopping out of the neighborhood; Rite Aid has become less neighborhood friendly; restaurants like Miramar and Southwest (they have controlled outdoor seating esp Southwest. who wants a dog relieving themselves near ur table while u eat
169	429	Other (Please specify) : prefer single-site businesses - not corp. chains. Affordable gift shops
170	431	Other (Please specify) : More outdoor activities
171	432	Other (Please specify) : small business in Brookfield plaza
172	433	Other (Please specify) : Hardware store
173	437	Other (Please specify) : Grocery store not named Gristides
174	447	Other (Please specify) : Gym/fitness options; more schools.
175	458	Other (Please specify) : Gristedes is not good, better reasonably priced grocery would be better
176	462	Other (Please specify) : A 24 hour deli with reasonable prices and polite staff. RIP JJ Fresh.
177	463	Other (Please specify) : supermarkets other than terrible dirty Gristedes
178	467	Other (Please specify) : stores catering to the neighborhood living like shoe repair, etc.
179	469	Other (Please specify) : Hardware store. Get rid of Gristle's monopoly.
180	470	Other (Please specify) : Clothing
181	471	Other (Please specify) : Bakery
182	476	Other (Please specify) : Hardware Store
183	481	Other (Please specify) : I'd like to see better quality and value. In addition, it amazes me that a waterfront community has not one "destination" restaurant. We always leave the neighborhood to eat out. Same with grocery shopping.
184	482	Other (Please specify) : A grocer that compete with Gristede's
185	486	Other (Please specify) : Nothing
186	489	Other (Please specify) : Bring better and more quality food gristides have to go
187	490	Other (Please specify) : A good family diner- a place to get pancakes and coffee or a bite with your family
188	491	Other (Please specify) : shoe repair
189	493	Other (Please specify) : Trader Joes, Ethnic Restaurants
190	494	Other (Please specify) : Hardware store, trader joes, healthier food grocery store type store, shoe maker, for shoe repair
191	499	Other (Please specify) : We need gristedes to clean up (store is dirty and run down)and stop gouging residents
192	500	Other (Please specify) : Much more organic food
193	503	Other (Please specify) : decent and affordable grocery store like Trader's Joe or Fairway
194	505	Other (Please specify) : Handicapped Parking Availability
195	510	Other (Please specify) : Bakeries
196	513	Other (Please specify) : I'd like to see one of the two Gristedes replaced with a Trader Joe's, Whole Foods or Fairway. There is no need for two supermarkets run by the same company so near to each other.

197	514	Other (Please specify) : BPC has NO retail strategy, Way to may dry cleaners, coffee shop like Dunkin Donuts would be nice, need a mid scale wine liquor merchant (what we have is OK but snarly and bad selection, MUCH better grocer, Gristedies sucks.
198	515	Other (Please specify) : Options other than Gristedes, there used to be many more places to eat and it seems all that's replaced them are myriad dry cleaners and pre school
199	519	Other (Please specify) : We desperately need a decent grocery store. Gristede's is old, run down, and far too expensive. You wouldn't want to buy meat there. The only real option for people is Fresh Direct or Whole Foods in Tribeca. We need a Trader Joe's or similar. We used to get a farmer's market on the corner of South End and Liberty on Brookfield's property near where the entrance to Time Inc is now. That was a boon for residents but it disappeared. Produce at Gristedes is half rotten and more expensive than Whole Foods. Brookfield kicked out a few of the stores we used in favor of more upscale offerings but there is a real need for shops like Anne Taylor and H&M especially places that offer affordable kids clothing stores like H&M and Old Navy. I still go to Soho for clothing shopping like most parents here because Diane von Furstenberg is not realistic as every day wear when you have kids. Also we are seriously lacking in mid price restaurants. We have middling pizza, bad Chinese food, and Chipotle.
200	520	Other (Please specify) : Better quality supermarket
201	521	Other (Please specify) : dry cleaner to replace the one that moved out lose to pharmacy. Also, woyuldn't mind if you replaced Gristede's with a better food store.
202	523	Other (Please specify) : Coffee shop
203	526	Other (Please specify) : restaurants that are good and reasonably priced
204	533	Other (Please specify) : None. It's fine the way it is. If I wanted more retail, I would have either moved to Times Square or the upper west side.
205	541	Other (Please specify) : hardware store
206	542	Other (Please specify) : Hardware store,
207	544	Other (Please specify) : Services better because of world financial center
208	552	Other (Please specify) : want better grocery and food selections.
209	560	Other (Please specify) : A healthier grocery store option
210	561	Other (Please specify) : Good diner, trader joe's
211	562	Other (Please specify) : I am not thrilled with how Brookfield has changed the vibe.
212	563	Other (Please specify) : The base of, formerly, 1 WFC should have been left as restaurant/retail
213	565	Other (Please specify) : home store like Basics
214	566	Other (Please specify) : sit down coffee store like Joe or Fika
215	568	Other (Please specify) : There are 2 restaurants at The Regatta which look awful. Would like better restaurants at this location.

## Q32. If yes, where?

Sr.No.	Response No :	Response Text
1	2	All of
2	3	
3	4	
4	5	
5	6	Rector Park
6	7	love the grass and park areas on rector
7	8	the restaurants and end of south end are perfectly located and are dreadful in dining experience
8	9	
9	10	at the two ends of the S END AVE.
10	11	
11	12	
12	13	
13	14	Near brookfield, along the water, seating areas off of south end
14	15	
15	16	All the way at the end of South End Avenue in the promenade area
16	17	The river
17	18	
18	19	
19	20	
20	21	Rector park, pavilion on Albany, bpc promenade

21	22	At the end near the park on way to Jewish Museum
22	23	Southwest
23	24	
24	25	Rector Park
25	26	South West Restaurant
26	27	Few places with seating - more seating, more spots become attractive to sit, relax, etc.
27	28	
28	29	
29	30	Courtyard leading to water access
30	31	Southwest
31	32	Near the river on West Thames
32	33	Rector Park
33	34	southwest
34	35	
35	36	Innateso
36	37	The waterfront
37	38	
38	39	
39	40	
40	41	
41	42	
42	43	The south most part of South End Ave.
43	44	Malaysian kitchen, Pier A
44	45	
45	46	by the river/park
46	47	
47	48	
48	49	
49	50	Black Hound
50	51	
51	52	Southwest NY
52	53	South West NY
53	54	
54	55	Waterfront
55	56	
56	57	The whole lawn next to the playground
57	58	South West
58	59	
59	60	
60	61	
61	62	At the far end of S End Ave, where the park begins
62	63	
63	64	
64	65	
65	66	
66	67	Southwest
67	68	
68	69	
69	70	Definitely along south end! I love both of the parks on rector
70	71	
71	72	
72	73	riverfront marina
73	74	

74	75	Miramar
75	76	
76	77	Rector park; otherwise, not really ON the street.
77	78	
78	79	We socialize under the shelter of the arcades along Southend Avenue.
79	80	
80	81	lots of benches everywhere
81	82	
82	83	
83	84	The small parks at SEA and Rector Place, the Esplanade, Southwest Restaurant
84	85	
85	86	
86	87	
87	88	Southwest NY, Benvenuti
88	89	
89	90	
90	91	
91	92	
92	93	
93	94	south end of South End Ave
94	95	
95	96	southwest ny patio
96	97	
97	98	
98	99	Benches by the water
99	100	Benvenuti, Hudson Produce.
100	101	Any of the blocks along the water
101	102	water
102	103	Along the water
103	104	
104	105	
105	106	In the corner by the river
106	107	
107	108	Waterfront
108	109	
109	110	The parks by South End Avenue.
110	111	the little lawn area in the corner
111	112	
112	113	
113	114	Rector Park, South Cove, Circle Lawn near World Financial Center
114	115	Southwest Grill
115	116	rector park, all along the river
116	117	Rector Park & South Cove marina
117	118	
118	119	
119	120	
120	121	
121	122	Rector park
122	123	
123	124	
124	125	Rector Park; SouthWest NY
125	126	Southwest NY looks nice but food looks bad. Malaysian place on South Cove is great
126	127	

127	128	Rector Park; the walkway along Little West Street;I also use the playground when my grandson visits.
128	129	
129	130	Brookfield Place
130	131	
131	132	
132	133	
133	134	
134	135	Southwest restaurant
135	136	the collonades (shelter from Sun, rain, Snow and especially wind), Southwest, Miramir
136	137	The red overhang near the grass park
137	138	Brookfield Place
138	139	Brookfield place
139	140	
140	141	Rector circle
141	142	
142	143	
143	144	Brookfield place
144	145	There is the walkway along Little West and the walk along the Hudson
145	146	near MIRAMAR AND MALAYSIAN
146	147	
147	148	
148	149	Brookefield Place
149	150	
150	151	
151	152	
152	153	
153	154	
154	155	
155	156	Rector Park
156	157	
157	158	Rector Park, West Thames Park
158	159	rector street parks, south cove, dog run, kids playground. street seating isn't at all necessary!!!!
159	160	the parks on the side streets and the park at the end of South End Avenue.
160	161	
161	162	
162	163	South West, Black Hound
163	164	The park at the end of south end.
164	165	The Arcades are great year round, but especially during winter months, to socialize with neighbors
165	166	Rector Park, West Thames Park, South Cove Park
166	167	Southwest
167	168	
168	169	
169	170	
170	171	miramar and malaysian kitchen
171	172	
172	173	
173	174	Outside the 24-hour grocery store
174	175	
175	176	
176	177	
177	178	
178	179	Southwest
179	180	

180	181	Lots of PARK space; DO NOT want more spots for sitting, that only invites vagrants and garbage
181	182	CHAIRS & TABLES NEXT TO MARKET / SOUTHWEST CORNER OF SOUTH END AVE. & WEST THAMES
182	183	Southwest Restaurant
183	184	I like the grassy park lawn outside of Battery Pointe, I just wish dogs were allowed on the grass.
184	185	
185	186	
186	187	Rector park, south cove marina
187	188	Parks
188	189	Green spaces along rector place
189	190	By South Cove
190	191	Southwest, Black Hound, Pick a Bagel, Benvenuti, Rector Park, Brookfield Place, Chipotle
191	192	Rector Place Park, Pumphouse Park
192	193	
193	194	
194	195	
195	196	All along South End Avenue
196	197	
197	198	
198	199	Southwest
199	200	rector park
200	201	
201	202	
202	203	Rector Park away from the dung encrusted benches.
203	204	The Italian cafe between Rector and Albany, the Miramar.
204	205	South west cafe
205	206	
206	207	
207	208	
208	209	Southwest restaurant
209	210	
210	211	RECTOR PARK/BOTH SIDES OF SOUTH END - UNDER THE BUILDING ARCADES
211	212	
212	213	At the very end of South End Avenue a block past Thames
213	214	battery field
214	215	
215	216	
216	217	
217	218	
218	219	
219	220	
220	221	Along the water on the promenade
221	222	
222	223	
223	224	Only near the river area or in Battery Park. Otherwise I go to Brookfield Place
224	225	
225	226	
226	227	
227	228	Green space at South End Ave and Rector Place
228	229	All along South End Ave
229	230	The riverfront area near Rector Place
230	231	
231	232	very siuth end of south end ave - at end of cul de sac. where trees are located.

232	233	
233	234	
234	235	
235	236	
236	237	along the water
237	238	
238	239	
239	240	near the waterfront
240	241	
241	242	
242	243	
243	244	
244	245	
245	246	Southwest has a nice outdoor patio, and the benches within Battery Park are nice.
246	247	As mentioned above, I go to the restaurants facing South Cove -- Miramar and Malaysian Kitchen.
247	248	
248	249	
249	250	
250	251	
251	252	
252	253	
253	254	the Winter Garden Area and the walk along the Hudson
254	255	
255	256	Brookfield Plaza, park along water
256	257	along rector place
257	258	
258	259	Between Albany & Rector, Albany & Brookfield, etc.
259	260	end of south end at south cove marina but sadly the 2 restaurants there are very poor quaility
260	261	
261	262	
262	263	
263	264	
264	265	
265	266	I like Southwest, the outdoor seating is nice. If it was dog friendly it would be wonderful.
266	267	
267	268	
268	269	
269	270	
270	271	Southwest NY, Merchants or anywhere that has a view of the water..!
271	272	
272	273	Liberty and south end is totally lacking any urban design for community. Circle park is heaven!
273	274	
274	275	
275	276	Where the Roman columns and tables are
276	277	
277	278	esplanade
278	279	
279	280	
280	281	
281	282	
282	283	Le district
283	284	

284	285	on the esplanade; rector park; west thames park (Tire Swing); SouthWest
285	286	
286	287	
287	288	
288	289	
289	290	Near Hudson
290	291	
291	292	South West, Black Hound
292	293	Merchants
293	294	There used to be an Au Bon Pain and restaurant bar in the World Financial Center. This was a loss
294	295	By Rector Place
295	296	
296	297	
297	298	
298	299	rector park
299	300	Parks, restaurants
300	301	
301	302	
302	303	
303	304	South Cove. The restaurant offerings could be better quality and more inviting in appearance.
304	305	
305	306	MIRAMAR RESTAURANT
306	307	
307	308	
308	309	by the world financial center
309	310	
310	311	Southwest NY, chipotle,
311	312	
312	313	
313	314	
314	315	
315	316	
316	317	
317	318	
318	319	Esplanade and rector place parks
319	320	Blue light waterfront area
320	321	
321	322	Brookline center
322	323	
323	324	
324	325	
325	326	
326	327	Esplanade and public spaces
327	328	Around the marina area
328	329	Park
329	330	Southwest
330	331	
331	332	
332	333	
333	334	
334	335	malaysian kitchen (former liberty view), southwest ny, brookfield mall
335	336	SouthWest
336	337	

337	338	love to go to the river
338	339	
339	340	
340	341	Rector park west Thames park
341	342	
342	343	
343	344	
344	345	
345	346	
346	347	
347	348	At both ends of South End Avenue - by the World Financial Center and by the Esplanade
348	349	
349	350	
350	351	
351	352	Promenade
352	353	
353	354	The ends of the street close to the parks
354	355	
355	356	
356	357	
357	358	
358	359	
359	360	
360	361	Rector park
361	362	
362	363	Along the river
363	364	
364	365	
365	366	SouthWest Restaurant's outdoor seating
366	367	
367	368	The park
368	369	
369	370	Rector Park
370	371	
371	372	Rector Park
372	373	at the south cove cul-de-sac
373	374	Along the water or all around the Brookfield Place.
374	375	
375	376	Pump House Park
376	377	
377	378	
378	379	Le District, North End Ave/Goldman Tower
379	380	Their intersection
380	381	Southwest NY
381	382	
382	383	
383	384	End of South End. You should consider closing off S. End street block south W. Thames
384	385	Rector Place parks
385	386	
386	387	In the summer, the deli at the corner of albany and south end; Miramar restaurant
387	388	
388	389	Rector Park

389	390	several
390	391	
391	392	South side of South End Ave
392	393	
393	394	
394	395	
395	396	
396	397	
397	398	Along the river.
398	399	All of the street ends, turnarounds near the water.
399	400	
400	401	Park; esplanade
401	402	
402	403	Southwest restaurant; bus stop with shelter; arcade
403	404	
404	405	
405	406	at Southwest restaurant
406	407	The shell structure on Albany street at the esplanade, roof terrace at Gateway Plaza
407	408	The Black Hound, and Southwest restaurant. Also, the Miromar Restaurant is lovely.
408	409	
409	410	Small area parks, e.g. Rector Place.
410	411	At rector pl, south end eve near regatta building
411	412	
412	413	
413	414	Rector Street median
414	415	current street cafes in summer
415	416	Brookfield place
416	417	
417	418	The parks in the median on rector street
418	419	Near the dog run on West Thames and the West Thames park
419	420	Rector Street parks, arcades
420	421	Arcades
421	422	
422	423	Tire swing park, rector street park, arcades
423	424	Rector place
424	425	south west
425	426	
426	427	East side of South End Ave - can to stand / chat. West side of ave is full of dog urine and waste
427	428	miramar and southwest-
428	429	Hudson Produce & Benvenuti. Other not needed - who wants to sit on street when you have esplanade!
429	430	
430	431	
431	432	south cove
432	433	
433	434	
434	435	All along the waterfront
435	436	
436	437	
437	438	off south end on albany, towards the water.
438	439	
439	440	The waterfront walkway/park
440	441	
441	442	

442	443	
443	444	
444	445	rector and south end park
445	446	Everywhere
446	447	
447	448	Southwest Mexican
448	449	
449	450	
450	451	the green area on rector place east and west of south end avenue is nice and welcoming.
451	452	
452	453	Brookside, South West resty
453	454	South Cove Park
454	455	
455	456	
456	457	
457	458	
458	459	Pumphouse Park
459	460	
460	461	
461	462	The small parks along Rector Street.
462	463	
463	464	Brookfield
464	465	Southwest
465	466	
466	467	The parks
467	468	
468	469	South West patio is really the only place. Also the grassy circle between Liberty St and marina
469	470	
470	471	
471	472	
472	473	
473	474	Rector park
474	475	many
475	476	
476	477	just by the water
477	478	
478	479	
479	480	Down the bottom with view of the Liberty statue
480	481	Rector Park
481	482	
482	483	
483	484	
484	485	by the water
485	486	Park area adjacent to West St only
486	487	World financial
487	488	Rector park.
488	489	Park
489	490	
490	491	
491	492	battery park
492	493	
493	494	The entire area is new, play grounds , covered seating dog park
494	495	the green, open park areas along rector street

495	496	
496	497	Rector Park, Rector playground, Liberty Community Gardens
497	498	
498	499	
499	500	
500	501	
501	502	
502	503	
503	504	
504	505	
505	506	
506	507	
507	508	
508	509	
509	510

**Q35. What is your overall perception of the arcades? (select all that apply)**

Sr.No.	Response No :	Response Text
1	3	Other (Please specify) : decreases property value because it's dated and not current
2	8	Other (Please specify) : as a long time resident i resent trying to change the side walk. they are used extensively every day for various activities which i could describe with more room
3	11	Other (Please specify) : Need to retail that better supports the neighborhood.
4	25	Other (Please specify) : I REALLY appreciate having the covered sidewalks when walking my dog in the rain/snow/etc. I would never want to get rid of those.
5	42	Other (Please specify) : I understand that it creates issues for businesses, but I find it makes residential life more pleasant.
6	49	Other (Please specify) : Very useful in inclement weather or for wind protection during winter months. Negative is that it tends to be dark and uninviting and creates a visual barrier to the street level activities.
7	55	Other (Please specify) : Never really thought about it
8	68	Other (Please specify) : good shade and shelter from rain
9	78	Other (Please specify) : Whats the difference, they're already built. Good shelter for the homeless population. Also, the arcades are required under the Zoning Resolution.
10	95	Other (Please specify) : Safety for walking
11	97	Other (Please specify) : Although part of the design intent, these arcades homogenize the street front. If the outside area in front of each retail or building does not belong to that particular business, but rather to a larger BPCA entity, there could be a common utilization of these spaces. These could be new lighting, sitting areas (that enliven the street pedestrian usage) and other potential programmatic assignments to foster community interaction. They are indeed quite beautiful and clean spaces, but are underutilized given their potential and primary sheltering characteristic.
12	99	Other (Please specify) : I wish there were more of these around Manhattan
13	104	Other (Please specify) : also find space on east side of street a vast wasteland. very wide expanse but nothing there
14	110	Other (Please specify) : Very unattractive and dated. Also, because the area is sheltered, the dog poo that no one picks up doesn't wash away.
15	114	Other (Please specify) : The arcades provide good shelter from the near constant winds off the harbor and rain, and provide nice space for pedestrians (the sidewalks would be far too narrow without that space). The space could certainly be used better, perhaps providing seating that would encourage greater use of the shops as well.
16	116	Other (Please specify) : more space to walk on sidewalks but it makes the street seem empty and deserted
17	119	Other (Please specify) : Incredibly ugly and poorly conceptualized.
18	120	Other (Please specify) : Ugly and dark
19	121	Other (Please specify) : Would prefer they be replaced wishing something more open that lets in more light, but the last thing we need down here is more construction
20	124	Other (Please specify) : Unattractive use of space

21	125	Other (Please specify) : The arcades are essential and a key pedestrian feature. Generally, all store front facades could be improved by better signage. maybe uniform signage, and lighting. Ground space under arcades could be made more beautiful and yet retain easy access and overhead coverage for customers and pedestrians.
22	129	Other (Please specify) : nice wide sidewalks instead of in front of Gateway where it is too narrow to walk! DO NOT CHANGE!!!!
23	131	Other (Please specify) : No reason to change them; as to above question - no reason to have seating on South End Ave when you have the Esplanade
24	136	Other (Please specify) : also: negaitves of removal: Construction, crowded sidewalks, lost merchants
25	137	Other (Please specify) : Kind of ugly
26	154	Other (Please specify) : Provides too many places for dog owners to allow their pets to urinate on the columns. The lighting is quite poor and lately there have been too many older teenagers looking for trouble in packs in the mid-late evening
27	156	Other (Please specify) : Used more by pets than by humans, cleanliness is an issue
28	158	Other (Please specify) : I would like to see more restaurants with outdoor seating
29	159	Other (Please specify) : with all of the tourists and the new workers downtown plus new buildings and more residents on the east side of west street, the sidewalks along south end avenue and west thames street are more and more crowded. do not remove the arcades. if you do, the TINY sidewalk that would remain would not be wide enough to accommodate all of the people. removing the arcades would also cause safety problems (e.g., people would walk in the street). it should be mentioned that the arcades are architectural and aesthetic gems. DO NOT REMOVE THEM OR CHANGE THEM IN ANY WAY -- IT WOULD BE A STUPID, STUPID, IDIOTIC AND EVEN CRIMINAL MOVE.
30	160	Other (Please specify) : The area that NEEDS attention is below W Thames to the Battery. The neighborhood and school children more areas to play. The entire area is one BIG weedy, dog poop. We need to clean up that area so the community can use it and stop keeping it a stinky deserted oasis in an otherwise beautiful community.
31	164	Other (Please specify) : They are amazing to walk under when there is inclement or windy weather.
32	168	Other (Please specify) : The new security people on bikes are violating every bike rule in NYC. They go up one way streets and ride on side walks. I've seen them almost create more than one accident in the last two weeks. They are not trained and dangerous.
33	171	Other (Please specify) : id rather get rid of them and have a free parking space
34	175	Other (Please specify) : kids on skateboards use this as a runway
35	177	Other (Please specify) : The arcade between Rector and Albany always seems dirty. It could use a good scrub!
36	179	Other (Please specify) : Provides protection in inclement weather, sidewalk & arcade btw. Albany & Rector are always filthy
37	181	Other (Please specify) : We moved here BECAUSE of the arcades and neighborhood look; it is a clean look with very little garbage around; we love the tree lined sidewalks and the arcades; an important feature of this area; we would probably sell and move elsewhere if this changes; KEEP the arcades!!!! The storefronts need to maintain certain decor; they look clean; we DO NOT want to look like a messy neighborhood with garbage storefronts
38	183	Other (Please specify) : they work well with the neighborhood and should remain
39	187	Other (Please specify) : LOVE these! Essential in bad weather when have kids, packages etc. They are building on in front of Saks at Brookfield aren't they? If the Saks Shoppers deserve one, us neighborhood residents certainly do!! If anyone ever messed with the arcades leading to ps276 or Brookfield, i'd be the first one to rally and start a petition. We saved the Brookfield staircase and brought in stop signs, we can do it again!
40	191	Other (Please specify) : Arcades are important and I wouldn't want to live in the area without them
41	197	Other (Please specify) : People should not be allowed to smoke or skateboard there. In general there should be more NO SMOKING signage around the neighborhood/on the esplanade.
42	200	Other (Please specify) : they need to be kept clean. We need it for walking the kids in the rain and snow
43	203	Other (Please specify) : They make xcellent dog runs. I especially enjoy the stench of dog urine and the property damage it causes.
44	204	Other (Please specify) : An unusual and desirable architectural feature that distinguishes our neighborhood.
45	206	Other (Please specify) : Makes the paths a bit darker than it should be.
46	213	Other (Please specify) : business storefronts do not detract from the residential quality of the neighborhood with this design.
47	234	Other (Please specify) : dog owners load them up with dog pee and poop - but for avoiding rain they're great
48	243	Other (Please specify) : adds a certain grace and style
49	247	Other (Please specify) : PLEASE don't touch the arcades. They provide needed protection from snow, ice, wind and rain in winter and needed shade in summer.
50	260	Other (Please specify) : Very Strongly Against Removing facades for all of us who walk to and from school everyday 2x it is much needed shelter!! Also could provide good cover for outdoor restaurants. Does not detract from stores just need better stores!
51	284	Other (Please specify) : Space could be much better utilized as an amenity
52	285	Other (Please specify) : There are only 2 areas of this in the neighborhood so it is hard to utilize it to its fullest benefit.
53	286	Other (Please specify) : These spaces become outdoor toilets for dogs with owners who cannot be bothered to clean up

		after their pets. Along with traps for garbage not cleaned up frequently enough by shop owners.
54	294	Other (Please specify) : It could be better used and made more attractive between Albany and Rector.
55	330	Other (Please specify) : We will like them more as the weather changes
56	331	Other (Please specify) : They're filled with pet urine.
57	333	Other (Please specify) : Provide additional places to walk when sidewalks are crowded. I actually feel safer walking in the arcades at night than on the sidewalks.
58	338	Other (Please specify) : Benvenuti is a wonderful, friendly, Italian eatery, they have outside tables and make the arcade interesting. Outside of Benvenuti, the arcade is not appealing
59	343	Other (Please specify) : leave them alone
60	347	Other (Please specify) : Generally I like the idea of them, but they are poorly lit and look a shabby. They should be updated. The arcade between Albany St and Rector Place looks particularly bad.
61	349	Other (Please specify) : Provides additional sidewalk space especially with all the strollers in the neighborhood
62	351	Other (Please specify) : holds urine odor from dogs
63	357	Other (Please specify) : Restricted walking space when a store uses the sidewalk for a seating area. Would not mind, but the columns take up needed space and the alternative is walking on grates, which is not ideal when walking dogs.
64	367	Other (Please specify) : Unattractive, useless, darkens the area
65	370	Other (Please specify) : There is extreme hypocrisy in BPCA thinking of changing the arcades - which were part of the 'neighborhood look' when residents purchased their property - and BPCA's refusal to permit the buildings to change the look of their buildings because it would 'detract from the look of the neighborhood'. If the BPCA REALLY wants to improve the South neighborhood, they should go back to the way the parks on the Esplanade and Rector Place were maintained 10 years ago.
66	374	Other (Please specify) : During fierce winter months, these arcades are essential to foot traffic, dog walking, children going to and coming home from school, shopping, etc.
67	381	Other (Please specify) : Garbage accumulation
68	384	Other (Please specify) : sidewalk space should be utilized for sitting or cafes but not removed
69	387	Other (Please specify) : They provide shelter from heavy winds and rain - keep as they are!
70	392	Other (Please specify) : Wide sidewalks make pleasant pedestrian experience along with shelter
71	396	Other (Please specify) : iT IS WHAT IT IS
72	397	Other (Please specify) : The way you've written this question shows a bias already in this study. Since only one Battery Park City Authority board member lives in BPC, the others should be aware of the fierce winds and precipitation we get down here vs. other parts of Manhattan. Those arcades make it livable during those times.
73	399	Other (Please specify) : DO NOT REMOVE THEM. The offset from the street is critical.
74	401	Other (Please specify) : Need to get rid of the ugly bike stands on the streets; it is sometimes hard getting out of car at curb with these bikes all over the sidewalk/curb! They add a sloppy, ugly site to the neighborhood! You do not see these ugly bike stands in other nice nyc neighborhoods! Also, the smell of dog urine on South End Avenue, especially outside Gateway is disgusting!
75	408	Other (Please specify) : Reminiscent of the Paris Rue de Rivoli promenade. I love the arcades.
76	410	Other (Please specify) : We moved here due to arcades, wide streets and small parks. We will consider moving if these features are changed or removed.
77	415	Other (Please specify) : Should not that be to the individual building condo boards to decide? I will be sad/mad to see arcades disappear.
78	419	Other (Please specify) : Removing the arcades would be a huge negative to the community especially for those with disabilities. The arcades allow room for pedestrian congestion especially for people with disabilities whom find it extremely difficult to navigate along South End Avenue on the blocks without arcades and are often hit by the doors of the storefronts opening into the sidewalks. Also, where there are no arcades stores/restaurants put signs out in the sidewalk taking up already limited space. The arcades provide shelter from rain and the sun and offer better lighting than street lighting and are often covered by security cameras. Additionally, all retail space is already occupied so it would make no sense to force out long existing businesses to fill in the arcade space. Instead of focusing on the arcades, you should be more concerned with pedestrian safety at street crossings. Double parked cars and trucks are a major problem and vehicles and bikes disregarding existing traffic rules make the street crossings dangerous.
79	420	Other (Please specify) : Makes sidewalks larger and protected for pedestrians. Particularly older and disabled residents. Safer sidewalks for kids. I find this question very biased and does not list the numerous benefits
80	421	Other (Please specify) : Reduces pedestrian over-crowding. Where there are not arcades doors swing open onto sidewalk injuring people. I walk my disabled granddaughter and have a tough time in the area where there are no arcades. I would not make sidewalks any narrower. It would be a huge disservice and discriminate against the disabled and elderly.
81	423	Other (Please specify) : I think that they add to safety. Otherwise sidewalks would be too narrow and you'd be forced to walk in the street. Cooler in summer/warmer in winter. Good protection from weather. I feel safer under the arcades
82	427	Other (Please specify) : Would be better if dog owners stopped using them as a pet toilet
83	428	Other (Please specify) : sunday and monday were windy and rainy. wind is a reality here the arcades are vital to navigate. also were vital the last 2 years wit the snow and ice; for the number of pedestrians 7am to 8pm provides the right amount of sidewalk vs Albany to Liberty; i find them well lighted and if not that is easily remedied

84	429	Other (Please specify) : nice wide sidewalks where I can walk without being pushed into a store or other people
85	446	Other (Please specify) : Takes up sidewalk space
86	460	Other (Please specify) : It is very nice to have more walking space in addition to traditional sidewalks
87	463	Other (Please specify) : they are the best characteristic of Southend Ave, more attention should be given to keeping the sidewalk clean by chase bank/gristedes/ chiptole /southwest !
88	467	Other (Please specify) : Great during snow days
89	469	Other (Please specify) : Moved here for the marina. Now that's been stolen from us. Stop worrying about the arcades. Bring back the Sailing club. No more Hermes and Ferragamo,
90	475	Other (Please specify) : Not sure how I feel about it. I have both positive and negative (good cover from rain- but feels like you are under a bridge/unsafe)
91	482	Other (Please specify) : Whatever you do don't start another construction project, beyond maintenance
92	493	Other (Please specify) : If they are not needed for structural integrity, better to remove and have a more open feel
93	494	Other (Please specify) : They are a structural part of the buildings. I am not interested in paying to remove them
94	495	Other (Please specify) : could use benches or other amenities
95	499	Other (Please specify) : Good for keeping us dry from the rain but bad for potential safety violations/crime
96	500	Other (Please specify) : Ugly, but convenient in bad weather
97	510	Other (Please specify) : Not a wide choice of different retailers
98	514	Other (Please specify) : It is part of the neighborhood and the cover is great in inclement weather; if change would mean developing a retail strategy and bring better retail to the area then it might be a good idea; is same old thing would continue no.....
99	515	Other (Please specify) : The arcades are a unique architectural element of and add character to the neighborhood. The space could be used even more effectively with some thoughtful and novel lighting design elements, sidewalk material within the arcade, and improved storefront treatment. This could be done cost effectively with positive result rather than wholesale reconstruction.
100	519	Other (Please specify) : Every day I walk in them I am grateful. What a lovely way for my child to walk with others from the neighborhood to PS 276, well protected from the elements and set back far from the street for maximum safety. I think the protection from the elements also must be a boon for retailers who are in a prime spot where families walk every day. All new building should be designed this way. If they were, Manhattan would be a better place.
101	523	Other (Please specify) : Great for rainy days!
102	525	Other (Please specify) : there should be signage for the businesses on the outer wall of the arcade. To fill in the arcades would be a huge mistake and I would fight it along with many other residents.
103	526	Other (Please specify) : shelter is most important in BPC
104	533	Other (Please specify) : It makes the neighborhood cozy. In my opinion, this survey is a colossal waste of the BPCAs resources. If people wanted a different, more commercial area, they would not come to BPC but would go to Times Square. I would not be surprised if this survey was commissioned by some bloated bureaucrat with a personal connection to Stantec Consulting Services.
105	539	Other (Please specify) : Storefronts don't look as nice
106	543	Other (Please specify) : I would like to see the return of park ranger security also we would like to see resident only parking. Lastly I would like to help out on a committee for the BPCA. Feel free to contact me. Also is it possible to put a work order in to fix the gates at the Sirius Dog Run? Thanks!!
107	552	Other (Please specify) : feel free to add subtle but noticeable signage to the outside of arcades, akin to Chipotle sign on South End
108	555	Other (Please specify) : I love the covered walkways. They are especially welcome when it rains or snows.
109	563	Other (Please specify) : They maintain the residential character, but could draw more attention to stores
110	564	Other (Please specify) : reminds me of small towns in Italy that have the same covered walk ways
111	565	Other (Please specify) : it is more residential with the arcades limiting view of retail. I like that.
112	568	Other (Please specify) : Need to be updated, need to appear cleaner, all the SIDEWALKS on the commercial side of South End need to be redone.
