

BATTERY PARK CITY

2018 RAINING POETRY MAP

RAINING POETRY

Designed to bring poetry into the public sphere, Raining Poetry was developed by Mass Poetry and the City of Boston. It's now spreading poetry serendipitously on sidewalks and paths, rainy weather permitting, in more than a dozen public spaces across Battery Park City!

Featured poets and poems include works by local students and recommendations graciously provided by Poets House and Glucksman Ireland House, New York University.
