Information set forth on the cover and inside cover pages hereof, included by specific reference, and in the Appendices hereto is part of this Official Statement.

Authorization

The Series 2019D Junior Bonds are being issued under the authority conferred by the Battery Park City Authority Act, Title 12 of Article 8 of the Public Authorities Law (constituting Chapter 43-a of the Consolidated Laws of New York) as added by Chapter 343 of Laws of New York, 1968, as amended (the “Act”). The Series 2019D Junior Bonds are being issued under and pursuant to the General Bond Resolution, adopted by the Authority on September 9, 2003 (the “General Resolution”), as supplemented by the Series 2019D Junior Bonds Resolution adopted by the Authority on May 21, 2019 (the “Series 2019D Junior Bonds Resolution”), by a related Series Certificate (the “Series Certificate”) and by an authorizing resolution adopted by the Authority on May 21, 2019. The Series 2019E Junior Bonds are being issued under and pursuant to the General Resolution as supplemented by the Series 2019E Junior Bonds Resolution (the “Series 2019E Junior Bonds Resolution”) and by an authorizing resolution adopted by the Authority on May 21, 2019. The Series 2019 Senior Bonds are being issued under and pursuant to the General Resolution as supplemented by, the Series 2019A Senior Bonds Resolution, the Series 2019B Senior Bonds Resolution and the Series 2019C Senior Bonds Resolution, each adopted by the Authority on May 21, 2019 (collectively with the Series 2019D Junior Bonds Resolution and the Series 2019E Junior Bonds Resolution, the “Series 2019 Resolutions”; the General Resolution and the Series 2019 Resolutions are collectively defined as the “Resolution”), and by the authorizing resolution adopted by the Authority on May 21, 2019. Unless otherwise specified herein, references to unit and square footage in respect of Battery Park City means the New York City assessor’s unit and square footage.

Battery Park City Authority

The Authority is a New York State public benefit corporation whose mission is to plan, create, coordinate, and sustain a balanced community of commercial, residential, retail, and park space within Battery Park City. In accordance with its mission the Authority owns certain real property, generally known as Battery Park City, located in The City of New York (the “City”) and the State of New York (the “State”) on an approximately 92-acre site on the southwestern tip of Manhattan fronting the Hudson River (“Battery Park City”). The phased development of Battery Park City was completed in 2011. Battery Park City is a richly diversified mixed-use community providing residential and commercial space, with related amenities such as parks, open spaces, plazas, recreational areas, marinas, memorials, museums and a waterfront esplanade.

A map of Battery Park City indicating building addresses, streets and public spaces is included on an inside cover page of this Official Statement. For a more detailed description of

Battery Park City and for a description of certain infrastructure therein, see “BATTERY PARK CITY” referenced in “INCLUSION BY SPECIFIC REFERENCE.”

Security

The Series 2019D Junior Bonds are special obligations of the Authority and are payable from Pledged Funds (excluding the Reserve Fund), which includes Pledged Sublease Revenues, Swap Receipts, Condemnation Proceeds, all monies in the Pledged Funds, the investments thereof and the proceeds of such investments pledged by the General Resolution (collectively, the “Collateral”) (see “SECURITY FOR THE SERIES 2019D JUNIOR BONDS” and “PLEDGED REVENUES FROM SPECIFIED SUBLEASES” referenced in “INCLUSION BY SPECIFIC REFERENCE”). The Authority has no obligation to supplement such amounts or to provide additional security in the event that the Collateral is inadequate to pay debt service on the Series 2019D Junior Bonds.

The Series 2019D Junior Bonds will constitute Junior Bonds, secured by the Collateral on a basis junior to all Senior Bonds and on a parity with all other Junior Bonds now or hereafter secured under the General Resolution, except with respect to the Reserve Fund securing certain outstanding Senior Bonds, and senior to all Subordinate Payments. For a further description of the security for the Series 2019D Junior Bonds under the Resolution, see “SECURITY FOR THE SERIES 2019D BONDS” referenced in “INCLUSION BY SPECIFIC REFERENCE.” After giving effect to the issuance of the Series 2019 Junior Bonds and the Refunding described herein, the Series 2019 Junior Bonds will be the only Junior Bonds outstanding.

Concurrently with the issuance of the Series 2019 Junior Bonds, the Authority will issue its Series 2019 Senior Bonds. The Series 2019 Senior Bonds are being offered by the Senior Official Statement, a separate official statement. Portions of the Senior Official Statement are included herein by specific reference. See “INCLUSION BY SPECIFIC REFERENCE” herein.

The Authority has no taxing power. The Series 2019D Junior Bonds are not debts or liabilities of the State or the City, and neither the State nor the City is liable thereon. Neither the faith and credit nor the taxing power of the State or the City is pledged to the payment of the principal of or interest on the Series 2019D Junior Bonds, nor are the Series 2019D Junior Bonds “moral obligation” bonds secured by a debt service or other reserve fund for which statutory provision for the appropriation of funds has been made.

Revenues

The Authority obtains its revenues principally from the leasing and subleasing of individual parcels in Battery Park City pursuant to long-term net ground leases and subleases (collectively, the “Subleases”). A portion of the rent (“Pledged Sublease Revenues”) payable to the Authority from certain Subleases (“Specified Subleases”) relating to parcels in Battery Park City has been pledged by the Authority as Collateral under the Resolution. For a discussion of the Pledged Sublease Revenues that comprise a portion of the Collateral, see “SECURITY FOR THE BONDS” and “SPECIFIED SUBLEASES – Selected Excerpts of Real Estate Consultant’s Report” referenced in “INCLUSION BY SPECIFIC REFERENCE.” For a description of the Specified

Subleases, see “APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents” referenced in “INCLUSION BY SPECIFIC REFERENCE.”

Although real property owned by Battery Park City is exempt from real property taxes, commercial and residential ground leases and subleases between Battery Park City and lessees and sublessees generally require the payment of rent a portion of which constitutes payments in lieu of real property taxes (“PILOT”). A substantial component of rental payments comprising a portion of Pledged Sublease Revenues consists of PILOT, which constitutes the largest component of the revenues available to the Authority. The amount of PILOT is generally based upon (i) the billable assessed value of the leased premises, as determined by the City, (ii) any tax abatement provided by the City for the leased premises and (iii) the real property tax rate levied by the City. PILOT received under Specified Subleases is subject to change from year to year due to changes in the foregoing components of PILOT. For the fiscal year period from 2019 to 2049, PILOT payments payable under Specified Subleases relating to executed leases as of the date of this Official Statement are projected by CBRE, Inc. (“CBRE”), the Authority’s real estate consultant, to comprise approximately 83.2% of the total revenues available to the Authority. See “CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES – PILOT,” “SPECIFIED SUBLEASES – Selected Excerpts of Real Estate Consultant’s Report” and “APPENDIX A – Authority Financial Statements” referenced in “INCLUSION BY SPECIFIC REFERENCE.”

Real Estate Consultant’s Report

The Authority has engaged CBRE as its real estate consultant to prepare a report (the “Real Estate Consultant’s Report”) for the fiscal years ended October 31, 2019 through October 31, 2049, on certain revenues to be derived from the Specified Subleases. The Real Estate Consultant’s Report is available at <https://emma.msrb.org/ES1281499-ES1003100-ES1404589.pdf> and certain excerpts from which are included under the subheading “SPECIFIED SUBLEASES – Selected Excerpts of Real Estate Consultant’s Report” referenced in “INCLUSION BY SPECIFIC REFERENCE” below. The opinions and professional judgments of CBRE set forth in the Real Estate Consultant’s Report, which should be read in its entirety, include forecasts that are based upon assumptions and conditions concerning future events and circumstances. Such assumptions and conditions are based upon present circumstances and currently available information and may be affected favorably or unfavorably by future events (including, for example, changes in the assessed values of the respective parcels subject to the Specified Subleases, changes in the City or State laws or practices with respect to real property tax rates or assessments that would directly affect the amount of PILOT received under the Specified Subleases, the bankruptcy of, or defaults by, tenants under the Specified Subleases and changes in general economic conditions). Therefore, the actual results achieved during the forecast period may vary from the forecasts. The scope of engagement of CBRE did not include a valuation of the realty. In addition, neither CBRE nor the Authority has reviewed the financial position or analyzed the creditworthiness of any tenant under any Specified Sublease or any sublessee of any tenant under any Specified Sublease.

PLAN OF FINANCE

General

The proceeds of the Series 2019D Junior Bonds, together with other moneys of the Authority (collectively, the “Series 2019D Junior Bonds Available Funds”), will be used for the following purposes: (1) to refund all or a portion of the Authority’s outstanding (i) Junior Revenue Bonds, Series 2013C, (ii) Junior Revenue Bonds, Series 2013D and (iii) Junior Revenue Bonds, Series 2013E; and (2) to pay costs of issuance of the Series 2019D Junior Bonds.

The proposed refunding is subject to market conditions, bond structure and other factors at the time of pricing as well as the delivery of the Series 2019D Junior Bonds. While it is the current intention of the Authority to refinance all of the Refunded Bonds, the Authority may determine to refinance less than all, or none, of the Refunded Bonds. To the extent that the Authority does not refinance any or any portion of the Refunded Bonds with a portion of the proceeds of the Series 2019D Junior Bonds, the Authority may issue additional bonds at a later date to complete the proposed refunding.

The Authority currently has six interest rate swap agreements with a total notional amount of \$342,125,000 hedging a portion of the Authority’s Junior Revenue Bonds, Series 2013C, Series 2013D, and Series 2013E. Under each of these swap agreements, the Authority pays a fixed rate of 3.452% and receives a floating rate of 65% of 1-Month LIBOR. Prior to or upon the issuance of the Series 2019 Junior Bonds, the Authority expects to convert the floating rate index to SIFMA for a period of up to five years in order to better align with interest payments on the Series 2019 Junior Bonds. The Authority is targeting a new fixed rate to maturity of approximately 3.50% on each converted swap. The number of swap agreements modified, if any, and tenor of the floating rate conversions are subject to market conditions.

Bonds to Be Redeemed

A portion of the Series 2019D Junior Bonds Available Funds will be used to refund all or a portion of the Authority’s outstanding (i) Junior Revenue Bonds, Series 2013C, (ii) Junior Revenue Bonds, Series 2013D and (iii) Junior Revenue Bonds, Series 2013E (collectively, the “Refunded Bonds”).

DESCRIPTION OF THE SERIES 2019D JUNIOR BONDS

General

The Series 2019D Junior Bonds bearing interest at a Daily Rate, a Two-Day Rate or a Weekly Rate shall be fully registered bonds in the denomination of \$100,000 or any integral multiple of \$5,000 in excess thereof (“Authorized Denominations”). The Series 2019D Junior Bonds shall bear interest from their date of issuance as described on the cover page and inside cover page hereof and as described in “APPENDIX B — Multi-Modal Bonds.” The rate of interest for any Rate Period shall be determined as provided in the Series 2019D Junior Bonds Resolution and the General Resolution and each determination of rate or period shall be conclusive and binding upon the Authority, the Trustee and the Bondholders. The Series 2019D Junior Bonds will bear interest initially at the Weekly Rate. The initial Weekly Rate for the Series 2019D Junior Bonds will be determined by Morgan Stanley & Co. LLC as underwriter (the “Underwriter”)

effective on the date of issuance of the Series 2019D Junior Bonds through Wednesday, August 14, 2019 and thereafter the Weekly Rate shall be determined by Morgan Stanley & Co. LLC as initial Remarketing Agent for the Subseries 2019D-1 Junior Bonds and by TD Securities (USA) LLC as initial Remarketing Agent for the Subseries 2019D-2 Junior Bonds. Terms used in this Official Statement and not defined herein are defined in “APPENDIX A — Definitions.”

The Series 2019D Junior Bonds are subject to optional and mandatory tender under the circumstances described herein. Payment of the Purchase Price of the Series 2019D Junior Bonds tendered for purchase as described herein and not successfully remarketed or with respect to which remarketing proceeds are not timely received by The Bank of New York Mellon, as tender agent (the “Tender Agent”), will be made pursuant and subject to the terms of two separate Standby Bond Purchase Agreements with respect to each subseries of Series 2019D Junior Bonds, each dated as of August 1, 2019 (each, a “Liquidity Facility” and, collectively, the “Liquidity Facilities”), between the Authority and TD Bank, N.A. (the “Bank”), the Liquidity Provider for the Series 2019D Junior Bonds. Each Liquidity Facility is scheduled to terminate on August 6, 2024, unless, in each case, extended or terminated earlier pursuant to its terms. See “— Liquidity Facilities.” **Each Liquidity Facility is subject to immediate termination or suspension without notice upon the occurrence of certain events, as described herein.** See “— Liquidity Facilities.”

Each subseries of the Series 2019D Junior Bonds may be converted between the Daily Rate Mode, Two-Day Rate Mode or Weekly Rate Mode as described in “APPENDIX B — Multi-Modal Bonds — Conversion to an Alternate Rate Mode.” Each subseries of the Series 2019D Junior Bonds may also be converted to bear interest at a Term Rate, Fixed Rate, Commercial Paper Rate, Index Rate, Stepped Coupon Rate or Auction Rate, which would result in a mandatory tender of the Series 2019D Junior Bonds being so converted. This Official Statement only describes the Series 2019D Junior Bonds bearing interest at a Daily Rate, a Two-Day Rate or a Weekly Rate. It is currently anticipated that, should any Series 2019D Junior Bonds be converted to a Term Rate, Fixed Rate, Commercial Paper Rate, Index Rate, Stepped Coupon Rate or Auction Rate, a remarketing official statement will be distributed describing, among other things, such Term Rate, Fixed Rate, Commercial Paper Rate, Index Rate, Stepped Coupon Rate or Auction Rate. For a summary of the terms of the Adjustable Rate Bonds, including optional and mandatory tender provisions, see the inside cover page, “APPENDIX A — Definitions” and “APPENDIX B — Multi-Modal Bonds.”

Liquidity Facilities

General. The following summary of the Liquidity Facilities does not purport to be comprehensive or definitive and is subject to all of the terms and provisions of the Liquidity Facilities to which reference is made hereby. Investors should obtain and review a copy of the Liquidity Facilities in order to understand all of the terms of each such document. A redacted copy of the Liquidity Facilities will be available on the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access System (emma.msrb.org) or may be obtained from the Remarketing Agents.

The Liquidity Facilities contain various provisions, covenants, agreements and conditions, certain of which are summarized below. Various words or terms used in the following summary

are defined in this Official Statement, the Liquidity Facilities, the General Resolution or the Series 2019D Junior Bonds Resolution, and reference thereto is made for full understanding of their import. Capitalized terms used in this “Liquidity Facilities” section that are not otherwise defined in this Official Statement are defined in the applicable Liquidity Facility as the context requires.

Upon compliance with the terms and conditions of the Liquidity Facilities, and subject to the terms and conditions set forth therein, the Bank is obligated to purchase, during the Purchase Period (as defined in the applicable Liquidity Facility), at the applicable Purchase Price (as defined in the applicable Liquidity Facility), the Series 2019D Junior Bonds bearing interest at an Eligible Rate (as defined in the Liquidity Facilities) that are properly tendered from time to time pursuant to an optional or mandatory tender by owners thereof in accordance with the applicable subseries of the Series 2019D Junior Bonds, the Series Certificate and the Series 2019D Junior Bonds Resolution, in each case, to the extent such subseries of Series 2019D Junior Bonds are not successfully remarketed by the applicable Remarketing Agent or remarketing proceeds with respect to the Series 2019D Junior Bonds are not timely received by the Tender Agent. Under the Liquidity Facilities, the Bank is initially obligated to make available an amount equal to the then outstanding aggregate principal amount of the applicable subseries of the Series 2019D Junior Bonds plus 35 days’ interest thereon at the rate of 9% per annum (together, the “Available Commitment”). To the extent that the Bank purchases the applicable Bonds under a Liquidity Facility, the Available Commitment under such Liquidity Facility will be reduced by the principal amount of and accrued interest on the applicable Bonds so purchased, subject to reinstatement upon remarketing of such purchased Bonds in accordance with the provisions of such Liquidity Facility. Each of the Liquidity Facilities is scheduled to terminate on August 6, 2024 (the “Scheduled Termination Date”), unless extended or terminated earlier pursuant to its terms.

Under the terms of the Liquidity Facilities, the Authority is obligated to reimburse the Bank for any amounts paid by the Bank in accordance with the terms of the Liquidity Facilities, and to pay to the Bank any fees and other obligations due and owing to the Bank under the Liquidity Facilities and the applicable fee agreement with the Bank.

Under certain circumstances described below, the obligation of the Bank to purchase the Series 2019D Junior Bonds tendered or deemed tendered by the owners thereof pursuant to an optional or mandatory tender may be automatically and immediately suspended or terminated, in each case, without notice to the bondholders. In such event, sufficient funds may not be available to purchase the Series 2019D Junior Bonds tendered or deemed tendered by the owner thereof pursuant to an optional or mandatory tender. In addition, the Liquidity Facilities do not provide support or security for the payment of principal of, premium, if any, or interest on the Series 2019D Junior Bonds.

Purchase of Tendered Series 2019D Junior Bonds by the Bank. The Bank will, on the terms and subject to the conditions contained in each of the applicable Liquidity Facilities, during the applicable Purchase Period, purchase at the applicable Purchase Price, the applicable subseries of the Series 2019D Junior Bonds bearing interest at a Daily Rate, a Two-Day Rate or a Weekly Rate that are properly tendered in accordance with the provisions of such Series 2019D Junior Bonds and the Series 2019D Junior Bonds Resolution and that are not remarketed from time to time, or for which the Tender Agent has not timely received remarketing proceeds from time to time, pursuant to the Series 2019D Junior Bonds Resolution.

The aggregate principal amount of applicable subseries of the Series 2019D Junior Bonds purchased by the Bank on any Purchase Date (as defined in the Liquidity Facilities) will not exceed the Available Principal Commitment (as defined in each of the Liquidity Facility) on such date, and the aggregate amount of the Purchase Price comprising interest on applicable subseries of the Series 2019D Junior Bonds purchased by the Bank on any Purchase Date shall not exceed the lesser of (1) the Available Interest Commitment (as defined in the applicable Liquidity Facility) and (2) the actual amount of interest accrued and unpaid on such Series 2019D Junior Bonds to but excluding such date; provided, however, that if the applicable Purchase Date is an Interest Payment Date the amount described in clause (2) shall not include the amount of interest payable on each such Bond on such Interest Payment Date. To the extent the Purchase Date shall coincide with an Interest Payment Date, the Bank is not required to make a payment with respect to the accrued interest, which payment is to be paid by the Authority.

Events of Default and Remedies. The Liquidity Facilities include events of default as described below under “*Events of Default Constituting Immediate Termination Events.*” “*Default Constituting a Suspension Event*” and “*Events of Default Not Constituting an Immediate Termination Event.*” Certain of such events of default will result in immediate termination or suspension of the Bank’s obligation under the applicable Liquidity Facility to purchase the applicable subseries of the Series 2019D Junior Bonds, and other events of default may result in a mandatory tender of the applicable subseries of the Series 2019D Junior Bonds, as described below under “*Remedies for Events of Default Constituting Immediate Termination Events,*” “*Remedies for a Suspension Event*” and “*Remedies for Events of Default Not Constituting an Immediate Termination Event.*” Reference is made to the Liquidity Facilities for a complete description of all events of default and remedies thereunder.

Events of Default Constituting Immediate Termination Events. Each of the following constitutes both an “Event of Default” and an “Immediate Termination Event” under each of the Liquidity Facilities:

(a) The Authority shall fail to pay the principal of or interest on any Series 2019D Junior Bond (including any Purchased Bond) when due; provided that a failure to so pay resulting from the acceleration of the payment of any Purchased Bond due solely to the occurrence of an Event of Default under the applicable Liquidity Facility other than nonpayment as described in this paragraph shall not constitute an Immediate Termination Event;

(b) The Authority shall (i) have entered involuntarily against it an order for relief under the United States Bankruptcy Code, (ii) become insolvent or shall not pay, or be unable to pay, or admit in writing its inability to pay, its debts generally as they become due, (iii) make an assignment for the benefit of creditors, (iv) apply for, seek, consent to, or acquiesce in, the appointment of a receiver, custodian, trustee, examiner, liquidator or similar official for it or any substantial part of its Property, (v) institute any proceeding seeking to have entered against it an order for relief under the United States Bankruptcy Code, as amended, to adjudicate it insolvent, or seeking dissolution, winding up, liquidation, reorganization, arrangement, marshalling of assets, adjustment or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief

of debtors or fail to file an answer or other pleading denying the material allegations of any such proceeding filed against it, (vi) take any corporate action in furtherance of any matter described in parts (i) through (v) above, or (vii) fail to contest in good faith any appointment or proceeding described in paragraph (c) below;

(c) A custodian, receiver, trustee, examiner, liquidator or similar official shall be appointed for the Authority or any substantial part of its Property, or a proceeding described in clause (v) of paragraph (b) above shall be instituted against the Authority and such proceeding continues undischarged, undismissed or unstayed for a period of sixty (60) or more days;

(d) A debt moratorium, debt restructuring, debt adjustment or comparable restriction is imposed on the repayment when due and payable of the principal of or interest on any Modified Parity Debt (as defined in the applicable Liquidity Facility) or all Debt (as defined in the applicable Liquidity Facility) of the Authority by the Authority or any Governmental Authority with appropriate jurisdiction;

(e) The Authority shall default on the payment of the principal of or interest on any Modified Parity Debt beyond the period of grace, if any, provided in the instrument or agreement under which such Modified Parity Debt was created or incurred; *provided, however*, that a failure to so pay resulting from the acceleration of the payment of any Modified Parity Debt by a holder thereof due solely to a reason other than the failure to pay the principal thereof or interest thereon when due shall not constitute an Immediate Termination Event under this paragraph (e);

(f) (i) The applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or any Related Document (other than the applicable Fee Agreement (as defined in the applicable Liquidity Facility), the applicable Remarketing Agreement, the applicable Bond Purchase Agreement or the Offering Document) or any material provision of applicable Liquidity Facility or any other Related Document (other than the applicable Fee Agreement, the applicable Remarketing Agreement, the applicable Bond Purchase Agreement or the Offering Document) with respect to the payment of principal of or interest on the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or with respect to the Collateral (A) shall at any time for any reason cease to be valid and binding on the Authority as a result of any legislative or administrative action by a Governmental Authority with competent jurisdiction or (B) shall be declared in a final non-appealable judgment by any court with competent jurisdiction to be null and void, invalid, or unenforceable or (ii) the validity or enforceability of the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or any Related Document (other than the applicable Fee Agreement, the applicable Remarketing Agreement, the applicable Bond Purchase Agreement or the Offering Document) or any material provision of applicable Liquidity Facility or any other Related Document (other than the applicable Fee Agreement, the applicable Remarketing Agreement, the applicable Bond Purchase Agreement or the Offering Document) with respect to the payment of principal of or interest on the applicable subseries of Series 2019D Junior Bonds (including Purchased

Bonds) or with respect to the Collateral shall be contested by the Authority or any Governmental Authority of competent jurisdiction;

(g) Any final, unappealable judgment or judgments or any similar process or processes, which are not covered in full by insurance, with written acknowledgement of such coverage having been provided by the provider of such insurance coverage to the Bank in an aggregate amount not less than \$25,000,000 shall be entered or filed against the Authority or against any of its Property (as defined in the applicable Liquidity Facility) and remain unpaid, unvacated, unbonded or unstayed for a period of sixty (60) days;

(h) The long-term rating assigned to the applicable subseries of Series 2019D Junior Bonds or any Parity Debt as defined in the applicable Liquidity Facility) by each of Moody's, S&P and Fitch (in each case, without regard to bond insurance or other credit enhancement and only to the extent that such Rating Agency assigns such rating to the applicable subseries of Series 2019D Junior Bonds or any Parity Debt at the request or direction of the Authority) shall be suspended, withdrawn or reduced below Investment Grade for a credit-related reason; or

(i) The Authority shall dissolve for any reason if an appropriate Governmental Authority does not, on or prior to or contemporaneously with the dissolution of the Authority, assume the obligations of the Authority under the applicable Liquidity Facility and the Related Documents (other than the applicable Fee Agreement, the applicable Remarketing Agreement, the applicable Bond Purchase Agreement or the Offering Document) to which the Authority is a party related to the payment of principal of or interest on the applicable subseries of Series 2019D Junior Bonds, the Purchased Bonds, all Parity Debt and all Senior Debt.

Remedies for Events of Default Constituting Immediate Termination Events. If any Immediate Termination Event shall have occurred:

(a) The Available Commitment and the obligation of the Bank to purchase the applicable subseries of Series 2019D Junior Bonds shall immediately terminate without prior notice or demand, and thereafter the Bank shall be under no obligation to purchase the applicable subseries of Series 2019D Junior Bonds. Promptly after the Bank receives notice or otherwise becomes aware of the occurrence of an Immediate Termination Event, the Bank shall give written notice of the same to the Authority, the Tender Agent, the Trustee and the applicable Remarketing Agent; *provided*, that the Bank shall incur no liability or responsibility whatsoever by reason of its failure to receive or give such notice and such failure shall in no way affect the termination of the Bank's Available Commitment and of its obligation to purchase the applicable subseries of Series 2019D Junior Bonds pursuant to the applicable Liquidity Facility.

(b) In addition to any rights set forth in paragraph (a) above, upon the election of the Bank, the Bank shall have all the rights and remedies available to it under the applicable Liquidity Facility, the Related Documents, or otherwise pursuant to law or equity

Default Constituting a Suspension Event. Any Default with respect to any of the following events shall constitute a “Suspension Event” under each of the Liquidity Facilities:

(a) Any judgment that is appealable or not final but is otherwise described in clause (i)(B) of paragraph (f) under subheading “Events of Default Constituting Immediate Termination Events” above (such judgment a “Nonfinal Invalidity Judgment”) shall be issued, if such Nonfinal Invalidity Judgment has not been overturned or stayed upon appeal within 30 days after issuance thereof.

Remedies for a Suspension Event. (a) Upon the occurrence and during the continuance of a Suspension Event described under the subheading “Default Constituting a Suspension Event” above, the Available Commitment and the obligation of the Bank to purchase the applicable subseries of Series 2019D Junior Bonds under the applicable Liquidity Facility shall be immediately and automatically suspended, without notice, and the Bank shall be under no further obligation under the applicable Liquidity Facility to purchase the applicable subseries of Series 2019D Junior Bonds until such obligation is reinstated as specified below. The Bank’s obligation to purchase Bonds following the stay of any Nonfinal Invalidity Judgment shall be suspended immediately (without the lapse of another thirty day time period) if such stay is lifted pursuant to a subsequent Nonfinal Invalidity Judgment. Following any suspension pursuant to applicable Liquidity Facility, the Available Commitment and the obligation of the Bank to purchase the applicable subseries of Series 2019D Junior Bonds under the applicable Liquidity Facility each immediately shall terminate and the Bank shall be under no further obligation to purchase the applicable subseries of Series 2019D Junior Bonds under the applicable Liquidity Facility (i) from the date on which a court of competent jurisdiction shall enter a final, nonappealable judgment that the applicable subseries of Series 2019D Junior Bonds or any provision of the applicable Liquidity Facility or of Related Document relating to the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or any material provision of the applicable Liquidity Facility or any other Related Document with respect to the payment of principal of or interest on the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or with respect to the Collateral, shall cease for any reason to be valid and binding and (ii) from the date that is the earlier to occur of the Scheduled Termination Date and the date that is three years after the date of issuance of the relevant Nonfinal Invalidity Judgment, if on such date the relevant litigation is still pending and a final and nonappealable judgment related thereto has not been obtained. The Available Commitment and the obligation of the Bank to purchase the applicable subseries of Series 2019D Junior Bonds under the applicable Liquidity Facility immediately shall be reinstated and the terms of such Liquidity Facility will continue in full force and effect (unless the applicable Liquidity Facility shall otherwise have terminated as provided therein) as if there had been no such suspension on the date on which a court of competent jurisdiction shall issue a judgment that the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or any material provision of the applicable Liquidity Facility or any other Related Document with respect to the payment of principal of or interest on the applicable subseries of Series 2019D Junior Bonds (including Purchased Bonds) or with respect to the Collateral is valid and binding.

(b) Promptly after the Bank receives notice or otherwise becomes aware of the occurrence of a Suspension Event, the Bank shall give written notice of the same to the Authority,

the Tender Agent, the Trustee and the applicable Remarketing Agent; *provided*, that the Bank shall incur no liability or responsibility whatsoever by reason of its failure to receive or give such notice and such failure shall in no way affect the suspension of the Available Commitment and of its obligation to purchase the applicable subseries of Series 2019D Junior Bonds pursuant to the applicable Liquidity Facility. In addition to any rights described under the subheading ‘Remedies for a Suspension Event’, upon the election of the Bank, the Bank shall have all the rights and remedies available to it under the applicable Liquidity Facility, the Related Documents, or otherwise pursuant to law or equity.

Events of Default Not Constituting an Immediate Termination Event. In addition to the Events of Default set forth under the subheadings “Events of Default Constituting Immediate Termination Events” and “Default Constituting a Suspension Event” above, the occurrence of any of the following events shall also constitute an “Event of Default” under each of the Liquidity Facilities but shall not constitute an “Immediate Termination Event” or a “Suspension Event” under each of the Liquidity Facilities:

(a) The Authority shall fail to pay any Obligation (not referred to in paragraph (a) under the subheading “Events of Default Constituting Immediate Termination Events” above) and such failure shall continue for ten (10) days;

(b) Any representation or warranty made by or on behalf of the Authority in the applicable Liquidity Facility or in any other Related Document or in any certificate or statement delivered under the applicable Liquidity Facility or under any other Related Document shall be incorrect or untrue in any material respect when made or deemed to have been made or delivered;

(c) The Authority shall default in the due performance or observance of any of certain covenants set forth in the applicable Liquidity Facility;

(d) The Authority shall default in the due performance or observance of any other term, covenant or agreement contained in applicable Liquidity Facility or any other Related Document and such default shall remain unremedied for a period of thirty (30) days after the occurrence thereof;

(e) Any material provision of applicable Liquidity Facility or any other Related Document not otherwise described in paragraph (f) under the subheading “Events of Default Constituting Immediate Termination Events” shall at any time for any reason cease to be valid and binding on the Authority as a result of any legislative or administrative action by a Governmental Authority with competent jurisdiction or shall be declared in a final non-appealable judgment by any court with competent jurisdiction to be null and void, invalid, or unenforceable, or the validity or enforceability thereof shall be publicly contested by the Authority;

(f) The Authority shall (i) default on the payment of the principal of or interest on any Parity Debt or Senior Debt (as defined in the applicable Liquidity Facility) not constituting Modified Parity Debt beyond the period of grace, if any, provided in the

instrument or agreement under which such Parity Debt or Senior Debt was created or incurred; or (ii) default in the observance or performance of any agreement or condition relating to any Parity Debt or Senior Debt or contained in any instrument or agreement evidencing, securing or relating thereto, or any other default, event of default or similar event shall occur or condition exist, the effect of which default, event of default or similar event or condition is to permit (determined without regard to whether any notice is required) or cause remedial action to be taken against the Authority pursuant to the terms of such Parity Debt or Senior Debt or instrument or agreement evidencing, securing or relating thereto;

(g) The Authority shall (i) default on the payment of the principal of or interest on any Subordinate Debt (as defined in the applicable Liquidity Facility) aggregating in excess of \$25,000,000, beyond the period of grace, if any, provided in the instrument or agreement under which such Subordinate Debt was created or incurred; or (ii) default in the observance or performance of any agreement or condition relating to any Subordinate Debt aggregating in excess of \$25,000,000, or contained in any instrument or agreement evidencing, securing or relating thereto, or any other default, event of default or similar event shall occur or condition exist, the effect of which default, event of default or similar event or condition is to permit (determined without regard to whether any notice is required) or cause remedial action to be taken against the Authority pursuant to the terms of such Subordinated Debt or instrument or agreement evidencing, securing or relating thereto;

(h) Any “event of default” under any Related Document (as defined respectively therein);

(i) Any of Fitch, Moody’s and S&P shall have downgraded its long-term rating of any Parity Debt or Senior Debt of the Authority (in each case, without regard to bond insurance or other credit enhancement and only to the extent that such Rating Agency assigns such rating to such Parity Debt or Senior Debt at the request or direction of the Authority) to below “A” (or its equivalent), “A2” (or its equivalent), or “A” (or its equivalent), respectively, or suspended or withdrawn its rating of the same for a credit-related reason; or

(j) The Act shall be amended or otherwise modified to limit the rights vested by the Act in the Authority (i) to acquire, lease, mortgage or dispose of real or personal property or any interest therein or construct, improve, enlarge, operate and maintain the Project, (ii) to fix, establish and collect the rates, rentals, fees and other charges referred to in the Act and to fulfill the terms of any agreements made with holders of bonds issued pursuant to the General Resolution, or (iii) in any way impair the rights, interests, remedies of any such holder.

Remedies for Events of Default Not Constituting an Immediate Termination Event.
If any Event of Default shall have occurred and be continuing:

(a) In the case of an Event of Default set forth under the subheading “Events of Default Not Constituting Immediate Termination Events” above, the Bank may terminate the Available Commitment by giving notice in the form set forth in the applicable Liquidity Facility (a “Notice of Termination”) to the Authority, the applicable Remarketing Agent, the Tender Agent and the Trustee, specifying the date on which the Available Commitment shall terminate (the “Termination Date”), which shall be not less than thirty (30) days from the date of receipt of such notice by the Tender Agent, and on and after the Termination Date the Bank shall be under no further obligation to purchase the applicable subseries of Series 2019D Junior Bonds under the applicable Liquidity Facility.

(b) In addition to the rights and remedies set forth in paragraph (a) above, hereof, in the case of any Event of Default specified under the subheading “Events of Default Not Constituting Immediate Termination Events” above, upon the election of the Bank, the Bank shall have all the rights and remedies available to it under the applicable Liquidity Facility, the Related Documents, or otherwise pursuant to law or equity.

Other Remedies. Upon the occurrence and during the continuance of an Event of Default specified under the subheading “Events of Default Constituting Immediate Termination Events” above and under the subheading “Events of Default Not Constituting Immediate Termination Events” above, interest on the Purchased Bonds and all other payment obligations under the applicable Liquidity Facility and under the related Fee Agreement shall increase to the Default Rate. Additionally, upon the occurrence of an Event of Default specified under the subheading “Events of Default Constituting Immediate Termination Events” above and under the subheading “Events of Default Not Constituting Immediate Termination Events” above, the Bank may exercise all available remedies under the Related Documents or otherwise available at law or in equity.

Liquidity Provider

For information concerning the Bank, see “APPENDIX D — Information Relating to TD Bank, N.A.”. Neither the Authority nor the Underwriter is responsible for the accuracy of the information contained herein describing the Bank.

Special Considerations Relating to the Series 2019D Junior Bonds

The Remarketing Agents are Paid by the Authority. The responsibilities of the Remarketing Agents include determining the interest rate from time to time and remarketing the applicable subseries of the Series 2019D Junior Bonds that are optionally or mandatorily tendered by the owners thereof (subject, in each case, to the terms of the General Resolution, the Series 2019D Junior Bonds Resolution and the Remarketing Agreements), all as further described in this Official Statement. The Remarketing Agents are appointed by the Authority and are paid by the Authority for their services. As a result, the interests of the Remarketing Agents may differ from those of existing bondholders and potential purchasers of Series 2019D Junior Bonds.

The Remarketing Agents Routinely Purchase Variable Rate Demand Obligations for their Own Respective Accounts. The Remarketing Agents act as remarketing agents for a variety of variable rate demand obligations and, in their sole discretion, routinely purchase such obligations

for their own accounts. The Remarketing Agents are permitted, but not obligated, to purchase applicable tendered Series 2019D Junior Bonds for their own accounts and, in their sole discretion, may routinely acquire such tendered Series 2019D Junior Bonds in order to achieve a successful remarketing of such Series 2019D Junior Bonds (i.e., because there otherwise are not enough buyers to purchase the Series 2019D Junior Bonds) or for other reasons. However, the Remarketing Agents are not obligated to purchase Series 2019D Junior Bonds, and may cease doing so at any time without notice. The Remarketing Agents may also make a market in the Series 2019D Junior Bonds by routinely purchasing and selling such Series 2019D Junior Bonds other than in connection with an optional or mandatory tender and remarketing. Such purchases and sales may be at or below par. However, the Remarketing Agents are not required to make a market in the Series 2019D Junior Bonds. The Remarketing Agents may also sell any Series 2019D Junior Bonds each has purchased to one or more affiliated investment vehicles for collective ownership or enter into derivative arrangements with affiliates or others in order to reduce their exposure to such Series 2019D Junior Bonds. The purchase of the Series 2019D Junior Bonds by the Remarketing Agents may create the appearance that there is greater third party demand for the Series 2019D Junior Bonds in the market than is actually the case. The practices described above also may result in fewer Series 2019D Junior Bonds being tendered in a remarketing.

Series 2019D Junior Bonds May Be Offered at Different Prices on Any Date Including an Interest Rate Determination Date. Pursuant to the General Resolution, the Series 2019D Junior Bonds Resolution and the Remarketing Agreements, the Remarketing Agents are required to determine the applicable rate of interest that, in such Remarketing Agents' judgment, is the lowest rate that would permit the sale of the Series 2019D Junior Bonds they remarket at par plus accrued interest, if any, on the applicable interest rate determination date. The interest rate will reflect, among other factors, the level of market demand for the Series 2019D Junior Bonds (including whether the Remarketing Agents are willing to purchase Series 2019D Junior Bonds for their own account). There may or may not be Series 2019D Junior Bonds tendered and remarketed on an interest rate determination date, the Remarketing Agents may or may not be able to remarket any Series 2019D Junior Bonds tendered for purchase on such date at par and the Remarketing Agents may sell Series 2019D Junior Bonds outside the tender process at varying prices to different investors on such date or any other date. The Remarketing Agents are not obligated to advise purchasers in a remarketing if they do not have third party buyers for all of the Series 2019D Junior Bonds they remarket at the remarketing price. In the event a Remarketing Agent owns any Series 2019D Junior Bonds for their own account, they may, in their sole discretion in a secondary market transaction outside the tender process, offer such Series 2019D Junior Bonds on any date, including an interest rate determination date, at a discount to par to some investors.

The Ability to Sell the Series 2019D Junior Bonds Other Than Through the Tender Process May Be Limited. The Remarketing Agents may buy and sell Series 2019D Junior Bonds other than through the tender process. However, they are not obligated to do so and may cease doing so at any time without notice and may require Holders that wish to tender their Series 2019D Junior Bonds to do so through the Tender Agent with appropriate notice. Thus, investors who purchase the Series 2019D Junior Bonds, whether in a remarketing or otherwise, should not assume that they will be able to sell their Series 2019D Junior Bonds other than by tendering the Series 2019D Junior Bonds in accordance with the tender process.

Optional Redemption

The Series 2019D Junior Bonds of each Subseries bearing interest at Daily, Two-Day or Weekly Rates are subject to redemption prior to maturity, or purchase in lieu thereof as permitted by the General Resolution, at the option of the Authority, in whole or in part by lot, on any Business Day and on 30 days' notice by mail to the Holders of the Series 2019D Junior Bonds to be redeemed, at the principal amount thereof plus any interest accrued and unpaid thereon. Subject to the terms of the General Resolution, the Authority may select the Subseries and amounts of the Series 2019D Junior Bonds to be redeemed in its sole discretion.

Mandatory Redemption

TAX MATTERS

General

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Series 2019D Junior Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Series 2019D Junior Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed for taxable years beginning prior to January 1, 2018. In rendering such opinion, Hawkins Delafield & Wood LLP has relied on certain representations, certifications of fact, and statements of reasonable expectations made by, as applicable, the Authority and others, and Bond Counsel has assumed compliance by, as applicable, the Authority and others with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Series 2019D Junior Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, interest on the Series 2019D Junior Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel expresses no opinion as to any other federal, state or local tax consequences arising with respect to the Series 2019D Junior Bonds, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Series 2019D Junior Bonds.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Series 2019D Junior Bonds in order that interest on the Series 2019D Junior Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Series 2019D Junior Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Series 2019D Junior Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Authority and others, as applicable, have covenanted to comply with

certain applicable requirements of the Code to assure the exclusion of interest on the Series 2019D Junior Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Series 2019D Junior Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Series 2019D Junior Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Series 2019D Junior Bonds.

Prospective owners of the Series 2019D Junior Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Series 2019D Junior Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Information Reporting and Backup Withholding

Information reporting requirements apply to interest (including OID) paid on tax-exempt obligations, including the Series 2019D Junior Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, "Request for Taxpayer Identification Number and Certification," or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to "backup withholding," which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a "payor" generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Series 2019D Junior Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Series 2019D Junior Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner's Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Series

2019D Junior Bonds under Federal or state law or otherwise prevent beneficial owners of the Series 2019D Junior Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Series 2019D Junior Bonds.

Prospective purchasers of the Series 2019D Junior Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Series 2019D Junior Bonds is set forth in Appendix C hereto.

APPENDIX B

Multi-Modal Bonds

The Multi-Modal Bonds are subject to the provisions summarized below. Capitalized terms used in this “APPENDIX B — Multi-Modal Bonds” which are not otherwise defined in this Official Statement are defined in “APPENDIX A — Definitions.”

General

The Multi-Modal Bonds are subject to mandatory tender for purchase as described under “Mandatory Tender for Purchase” and, if such Bonds are in a Daily Rate Mode, Two-Day Mode or Weekly Rate Mode, are subject to optional tender for purchase as described under “Optional Tender for Purchase.” The Multi-Modal Bonds of a Subseries will continue in a Rate Mode until converted to another Rate Mode and will bear interest at a rate determined in accordance with the procedures for determining the interest rate during such Rate Mode. See “Conversion to an Alternate Rate Mode” and “Interest Rates and Reset Dates” below.

During any Initial Period for the Liquidity Enhanced Bonds, a Daily Rate Period, a Two-Day Rate Period or a Weekly Rate Period, interest will be computed on the basis of a 365-day or 366-day year for the actual number of days elapsed.

Interest on the Multi-Modal Bonds will be the interest accruing and unpaid through and including the day preceding the Interest Payment Date and will be payable on each Interest Payment Date to the registered owner thereof as shown on the registration books kept by the Trustee at the close of business on the applicable Record Date.

Conversion to an Alternate Rate Mode

Subject to the conditions in the Resolution, the Authority may convert all or a portion of the Multi-Modal Bonds in one Rate Mode to a different Rate Mode by delivering a Conversion Notice to, as applicable, the applicable Remarketing Agent, the applicable Standby Purchaser, DTC, the Trustee and the Tender Agent specifying the Subseries of Multi-Modal Bonds to be converted, the Conversion Date and the Rate Mode that will be effective on the Conversion Date. The Authority must deliver such Conversion Notice not less than 15 days prior to the Conversion Date.

The Tender Agent, no later than one Business Day after receipt of the Conversion Notice, is to give Written Notice to the Holders of the Bonds to be converted, which notice must state (i) the Conversion Date; (ii) that the Rate Mode will not be converted unless the Authority receives on the Conversion Date a Favorable Opinion of Bond Counsel; (iii) the name and address of the principal corporate trust offices of the Trustee and Tender Agent; (iv) whether the Bonds to be Converted will be subject to mandatory tender for purchase on the Conversion Date; and (v) that upon the Conversion, if the Bonds to be Converted are subject to mandatory tender for purchase on the Conversion Date and there is on deposit with the Tender Agent on the Conversion Date an amount sufficient to pay the Purchase Price of the Bonds to be so tendered and Converted, such Bonds not delivered to the Tender Agent on the Conversion Date will be deemed to have been properly tendered for purchase and will cease to represent a right on behalf of the Holder thereof to the payment of principal of or interest thereon and shall represent only the right to payment of

the Purchase Price on deposit with the Tender Agent, without interest accruing thereon from and after the Conversion Date.

If less than all of the Multi-Modal Bonds of a Subseries then subject to a particular Rate Mode are to be converted to a new Rate Mode, the particular Multi-Modal Bonds which are to be converted to a new Rate Mode will be selected by the Trustee (or, if the Authority so elects, the Authority) subject to the provisions of the Resolution regarding Authorized Denominations.

If a Favorable Opinion of Bond Counsel cannot be obtained, or if the election to convert was withdrawn by the Authority, or if the applicable Remarketing Agent has notified the Trustee, the Authority and the applicable Standby Purchaser that it has been unable to remarket the Bonds on the Conversion Date, the affected Multi-Modal Bonds will bear interest in the Rate Mode previously in effect or, with a Favorable Opinion of Bond Counsel, any other Rate Mode selected by the Authority to which such Bonds are duly converted.

Interest Rates and Reset Dates

General. The rate at which the will bear interest during any Rate Period will be the rate of interest that, if borne by the Bonds for such Rate Period, in the judgment of the applicable Remarketing Agent, having due regard for the prevailing financial market conditions for bonds or other securities which are comparable as to federal income tax treatment, credit and maturity or tender dates with the federal income tax treatment, credit and maturity or tender dates of the Bonds, would be the lowest interest rate that would enable the Bonds to be sold at a price equal to the principal amount thereof, plus accrued interest thereon, if any. No Rate Period for Liquidity Enhanced Bonds of a Subseries will extend beyond the scheduled Expiration Date of the Standby Agreement then in effect.

Maximum Rate. The Bonds may not bear interest at a rate greater than the Maximum Rate.

Daily Rate. The Daily Rate for any Business Day is to be determined by the applicable Remarketing Agent and announced by 10:00 a.m., New York City time, on such Business Day. For any day which is not a Business Day, the Daily Rate will be the Daily Rate for the immediately preceding Business Day.

If (i) a Daily Rate for a Daily Rate Period has not been determined by the applicable Remarketing Agent, (ii) no Remarketing Agent is serving under the Resolution, (iii) the Daily Rate so established is held to be invalid or unenforceable with respect to a Daily Rate Period, or (iv) pursuant to the applicable Remarketing Agreement the applicable Remarketing Agent is not then required to establish a Daily Rate, then the Daily Rate for such Daily Rate Period shall continue in effect for two weeks, and thereafter such Bonds shall bear interest at the Maximum Rate until a Rate has been duly established by the applicable Remarketing Agent.

Two-Day Rate. When interest on a Subseries of Bonds is payable at a Two-Day Rate, the applicable Remarketing Agent will set a Two-Day Rate on or before 10:00 a.m., New York City time, on the first day of a period during which such Bonds bear interest at a Two-Day Rate and on each Monday, Wednesday and Friday thereafter so long as interest on such Bonds is to be payable at a Two-Day Rate or, if any Monday, Wednesday or Friday is not a Business Day, on the next Monday, Wednesday or Friday that is a Business Day. The Two-Day Rate set on any Business

Day will be effective as of such Business Day and will remain in effect until the next day on which a Two-Day Rate is required to be set in accordance with the preceding sentence.

If (i) a Two-Day Rate for a Two-Day Rate Period has not been determined by the applicable Remarketing Agent, (ii) no Remarketing Agent is serving under the Resolution, (iii) the Two-Day Rate determined by the applicable Remarketing Agent is held to be invalid or unenforceable or (iv) pursuant to the applicable Remarketing Agreement the applicable Remarketing Agent is not then required to establish a Two-Day Rate, then the Two-Day Rate for such Two-Day Rate Period shall continue in effect for two weeks, and thereafter such Bonds shall bear interest at the Maximum Rate until a Rate has been duly established by the applicable Remarketing Agent.

Weekly Rate. Unless otherwise provided by the Authority pursuant to the Resolution, the Weekly Rate is to be determined by the applicable Remarketing Agent and announced by 10:00 a.m., New York City time, on the first day of the Weekly Rate Period. The Weekly Rate Period means a period commencing on a Thursday (unless otherwise specified by the Authority) and extending to and including the next Wednesday.

If (i) a Weekly Rate has not been determined by the applicable Remarketing Agent, (ii) no Remarketing Agent is serving under the Resolution, (iii) the Weekly Rate determined by the applicable Remarketing Agent is held to be invalid or unenforceable with respect to a Weekly Rate Period, or (iv) pursuant to the applicable Remarketing Agreement, the applicable Remarketing Agent is not then required to establish a Weekly Rate, then the Weekly Rate for such Weekly Rate Period shall continue in effect for two weeks, and thereafter such Bonds will bear interest at the Maximum Rate until a Rate has been duly established by the applicable Remarketing Agent.

Optional Tender for Purchase

If a Subseries of Bonds is supported by a Liquidity Facility and no Liquidity Condition is in effect, a Bond of such Subseries or any portion thereof equal to an Authorized Denomination may be tendered for purchase, at the Purchase Price, at the option of its registered owner on any Business Day during a Daily Rate Mode, Two-Day Mode or Weekly Rate Mode upon giving notice of the registered owner's election to tender in the manner and at the times described below. Notice of an election to tender a Bond registered in the name of DTC is to be given by the Direct Participant on behalf of the Beneficial Owner of the Bond and will not be given by DTC. Notice of the election to tender for purchase a Bond registered in any other name is to be given by the registered owner of such Bond or its attorney-in-fact.

A Direct Participant or the registered owner of a Bond must give written notice of its irrevocable election to tender such Bond or a portion thereof for purchase at its option to the Tender Agent with a copy to the applicable Remarketing Agent at their respective principal offices, in the case of Bonds bearing interest in a Daily Rate Mode, by no later than 10:30 a.m. on the Optional Tender Date, in the case of Bonds bearing interest in a Two-Day Mode, not later than 3:00 p.m. on a Business Day at least two Business Days prior to the Optional Tender Date, and in the case of Bonds bearing interest in a Weekly Rate Mode, by no later than 5:00 p.m., New York City time, on a Business Day at least seven days prior to the Optional Tender Date. In addition, the registered owner of a Bond is required to deliver such Bond to the Tender Agent at its principal corporate trust office at or prior to 1:00 p.m., New York City time, on such Optional Tender Date.

Mandatory Tender for Purchase

If Bonds of a Subseries are supported by a Liquidity Facility and there is no existing Liquidity Condition, the Bonds which are affected by the following actions are subject to mandatory tender and purchase at the Purchase Price on the following dates (each, a “Mandatory Tender Date”):

- (a) on each Conversion Date except a Conversion of all (but not less than all) of a Subseries between Daily Rates, Two-Day Rates and Weekly Rates;
- (b) on a Business Day specified by the Tender Agent, at the direction of the Authority, which shall be not less than one Business Day prior to the substitution of a Standby Agreement (including assignments) or the Expiration Date of any Standby Agreement prior to the maturity of the related Bonds (which Standby Agreement will be drawn upon to pay the Purchase Price of unremarketed Tendered Bonds), unless a substitution is occurring and Rating Confirmation has been received from each Rating Agency; and
- (c) on a Business Day that is not less than one Business Day prior to the Termination Date of a Standby Agreement relating to a Subseries of Bonds specified in a Default Notice delivered in accordance with the Standby Agreement.

The Bonds of a Subseries are also subject to mandatory tender for purchase on any Optional Redemption Date, upon 10 days’ notice to Holders of such Bonds, if the Authority has provided a source of payment therefor in accordance with the Resolution and the Act; under such circumstances the Purchase Price is not payable by the applicable Liquidity Facility.

Whenever Bonds are to be tendered for purchase in accordance with (a) above, the Tender Agent is to give notice to the Holders of such Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The failure of any Holder of any portion of Bonds to receive such notice will not affect the validity of such Conversion to a new Rate Mode.

Whenever Bonds are to be tendered for purchase in accordance with (b) or (c) above, the Tender Agent is to give notice to the Holders of such Bonds indicating that such Bonds are subject to mandatory tender for purchase on the date specified in such notice. The Tender Agent is to give such notice by first-class mail and not less than five calendar days prior to the Expiration Date or Termination Date. The failure of any Holder of any portion of such Bonds to receive such notice will not affect the validity of the proceedings in connection with the effectiveness of the affected Standby Agreement.

Bonds Deemed Purchased

The Bonds or portions thereof required to be purchased upon a tender at the option of the registered owner thereof or upon a mandatory tender will be deemed to have been tendered and purchased for all purposes of the Resolution, irrespective of whether such Bonds have been presented and surrendered to the Tender Agent, if on the Tender Date money sufficient to pay the Purchase Price thereof is held by the Tender Agent. The former registered owner of a Tendered

Bond or a Bond deemed to have been tendered and purchased will have no claim thereunder or under the Resolution or otherwise for payment of any amount other than the Purchase Price.

Purchase Price and Payment

On each Tender Date, a Tendered Bond will be purchased at the applicable Purchase Price. The Purchase Price of a Tendered Bond is the principal amount of the Bond to be tendered or the amount payable to the registered owner of a Bank Bond following receipt by such owner of a purchase notice from the applicable Remarketing Agent, plus accrued and unpaid interest from the immediately preceding Interest Payment Date.

The Purchase Price of a Tendered Bond held in a book-entry-only system will be paid, in same-day funds, to DTC in accordance with DTC's standard procedures for effecting same-day payments, as described herein under the heading "Book-Entry Only System." Payment will be made without presentation and surrender of the Tendered Bonds to the Tender Agent and DTC will be responsible for effecting payment of the Purchase Price to the DTC Participants.

The Purchase Price of any other Bond will be paid, in same-day funds, only after presentation and surrender of the Bond to the Tender Agent at its designated office. Payment will be made by 3:00 p.m., New York City time, on the Tender Date on which a Bond is presented and surrendered to the Tender Agent.

The Purchase Price is payable solely from, and in the following order of priority, the proceeds of the remarketing of Bonds tendered for purchase, money made available by the Standby Purchaser under the Standby Agreement then in effect, and money furnished by or on behalf of the Authority (which has no obligation to do so).

No Extinguishment

Bonds held by any Standby Purchaser or by a Fiduciary for the account of any Standby Purchaser following payment of the Purchase Price of such Bonds by the Fiduciary with money provided by any Standby Purchaser shall not be deemed to be retired, extinguished or paid and shall for all purposes remain outstanding.

Liquidity Conditions

Upon the occurrence of a suspension event, as specified in a Liquidity Facility, the Standby Purchaser's obligations to purchase the related Bonds shall immediately be suspended (but not terminated) without notice or demand to any person and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase) unless and until the Standby Purchaser's commitment is reinstated pursuant to the related Liquidity Facility. Promptly upon the occurrence of such suspension condition, the Standby Purchaser shall notify the Authority, the Tender Agent and the applicable Remarketing Agent of such suspension in writing and the Tender Agent shall promptly relay such notice to the affected Bondholders upon receipt; but the Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the suspension of its obligation to purchase such Bonds. If the suspension condition shall be cured as described in the related Liquidity Facility, the obligations of the Standby

Purchaser under such Liquidity Facility shall be reinstated (unless the Standby Purchaser's obligations shall have expired or shall otherwise have been terminated or suspended as provided in such Liquidity Facility).

Upon the occurrence of an event of immediate termination, as specified in a Liquidity Facility, the Standby Purchaser's obligation under such Liquidity Facility to purchase the related Bonds shall immediately terminate without notice or demand to any person, and thereafter the Standby Purchaser shall be under no obligation to purchase such Bonds (nor shall such Bonds be subject to optional or mandatory tender for purchase). Promptly upon the occurrence of such event the affected Standby Purchaser shall give written notice of the same to the Authority, the Tender Agent and the applicable Remarketing Agent, and the Tender Agent shall promptly relay such notice to the affected Bondholders upon receipt; but the affected Standby Purchaser shall incur no liability or responsibility whatsoever by reason of its failure to give such notice and such failure shall in no way affect the termination of its obligation to purchase such Bonds.

Inadequate Funds for Tender

If the funds available for purchase of Tendered Bonds are inadequate for the purchase of all such Bonds tendered on any Tender Date, or a Liquidity Condition shall exist under a Liquidity Facility, then the affected Holders shall not have the right to require the Authority or other persons to repurchase such Bonds and the Tender Agent shall give written notice to all affected Bondholders. However, such Holders may submit their Bonds for remarketing pursuant to the procedures described herein and in the Resolution and Remarketing Agreements. Any such Bonds that cannot be remarketed shall immediately be returned to the owners thereof and shall bear interest from such Tender Date at the Maximum Rate payable on the first Business Day of each month. Under a Credit Facility, or a Liquidity Facility as long as no Liquidity Condition exists, the obligation to deposit funds in sufficient amounts to purchase such Bonds pursuant to the applicable Standby Agreement shall remain enforceable, and shall only be discharged at such time as funds are deposited with the Tender Agent in an amount sufficient, together with the proceeds of remarketing, to purchase all such Bonds that were required to be purchased on such Tender Date, together with any interest which has accrued to the subsequent purchase date.

Remarketing of Bonds Upon Tender

Pursuant to each Remarketing Agreement, each Remarketing Agent is required to use its best efforts to remarket a Tendered Bond on its Tender Date at a price equal to the Purchase Price. The Remarketing Agreements set forth, among other things, certain conditions to the Remarketing Agents' obligation to remarket Tendered Bonds.

On each Tender Date, the applicable Remarketing Agent is to give notice by Electronic Means to the related Liquidity Provider, the Trustee, the Tender Agent and the Authority specifying the principal amount of Tendered Bonds for which it has arranged a remarketing, along with the principal amount of Tendered Bonds, if any, for which it has not arranged a remarketing, and shall transfer to the Tender Agent the proceeds of the remarketing of the Tendered Bonds. The Tender Agent is, on such Tender Date, to obtain funds under the applicable Standby Agreement in accordance with its terms in an amount equal to the difference between the Purchase Price of the Tendered Bonds subject to purchase and the remarketing proceeds available to the Tender Agent.

Defeasance

For the purpose of determining whether Multi-Modal Bonds shall be deemed to have been defeased, the interest to come due on such Multi-Modal Bonds shall be calculated at the Maximum Rate; and if, as a result of such Multi-Modal Bonds having borne interest at less than the Maximum Rate for any period, the total amount on deposit for the payment of interest on such Multi-Modal Bonds exceeds the total amount required, the balance shall be paid to the Authority. In addition, Multi-Modal Bonds shall be deemed defeased only if there shall have been deposited in trust money in an amount sufficient for the timely payment of the maximum Purchase Price that could become payable to the Bondholders upon the exercise of any applicable optional or mandatory tender for purchase.

Liquidity Facility

For Bonds that are not defeased and are subject to optional or mandatory tender for purchase, the Authority shall keep in effect one or more Standby Agreements for the benefit of the Bondholders, which shall require a financially responsible party or parties other than the Authority to purchase all or any portion of such Bonds duly tendered by the holders thereof for repurchase prior to the maturity of such Bonds. A financially responsible party or parties, for the purposes of this paragraph, shall mean a person or persons determined by the Directors of the Authority to have sufficient net worth and liquidity to purchase and pay for on a timely basis all of the Bonds which may be tendered for repurchase by the holders thereof.

Each owner of a Bond bearing interest at a Daily, Two-Day or Weekly Rate will be entitled to the benefits and subject to the terms of the Liquidity Facility for such Bond. Under such Liquidity Facility, the Bank agrees to make available to the Tender Agent, upon receipt of an appropriate demand for payment, the Purchase Price of the Bonds.

Mandatory purchase by a Bank of Bonds shall occur under the circumstances provided therefor, including, so long as no Liquidity Condition exists, failure to extend or replace the Liquidity Facility relating to such Bonds, and (at the option of the Bank) other events, including without limitation breaches of covenants, defaults on other bonds of the Authority or other entities, and events of insolvency. Notwithstanding the other provisions of the Bonds and the Resolution, upon the purchase of a Bond by a Bank, all interest accruing thereon from the last date for which interest was paid shall accrue for the benefit of and be payable to such Bank.

The Authority shall give Written Notice to each affected Bondholder (a) at least 10 days prior to the effective date of (i) an amendment to the Liquidity Conditions in a Liquidity Facility or (ii) the substitution of a Liquidity Facility and (b) not later than 10 days after the execution of an extension of a Liquidity Facility.

The obligation of the Bank to purchase Bonds pursuant and subject to the terms and conditions of the Liquidity Facility for such Bonds is effective so long as a Liquidity Facility is provided and there exists no Liquidity Condition. The obligation of the Authority to repay amounts advanced by the Bank in respect of such Bank's purchase of Bonds shall be evidenced by the Bonds so purchased by such Bank.

The preceding is a summary of certain provisions expected to be included in the initial Liquidity Facilities provided by TD Bank, N.A., and proceedings under which the Multi-Modal Bonds are to be offered, and is subject in all respects to the underlying documents, copies of which will be available for inspection during business hours at the office of the Trustee. Information regarding the Bank is included herein as “APPENDIX D — Information Relating to TD Bank, N.A.” Neither the Authority nor the Underwriter makes any representation with respect to the information in “APPENDIX D — Information Relating to TD Bank, N.A.”

APPENDIX C
Form of Opinion of Bond Counsel

[THIS PAGE INTENTIONALLY LEFT BLANK]

_____, 2019

Battery Park City Authority
New York, New York

Ladies and Gentlemen:

As Bond Counsel to the Battery Park City Authority (the “Authority”), we have examined the Constitution and laws of the State of New York (the “State”) and a record of proceedings relating to the issuance by the Authority of \$150,000,000 aggregate principal amount of Junior Revenue Bonds, Series 2019D-1 (Adjustable Rate Bonds) (“2019D-1 Bonds”) and \$150,000,000 aggregate principal amount of Junior Revenue Bonds, Series 2019D-2 (Adjustable Rate Bonds) (“2019D-2 Bonds”). The Authority is a body corporate and politic, constituting a public benefit corporation, created by the Battery Park City Authority Act, Title 12 of Article 8 of the Public Authorities Law (constituting Chapter 43-a of the Consolidated Laws of the State of New York), as added by Chapter 343 of the Laws of New York, 1968, as amended (the “Act”), and existing pursuant to the Act and the laws of the State.

In such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with originals of all documents submitted to us as copies thereof.

The 2019D-1 Bonds and the 2019D-2 Bonds (collectively, the “2019D Bonds”) are authorized to be issued pursuant to the Act and pursuant to the 2003 General Bond Resolution adopted by the Authority on September 9, 2003 (the “General Resolution”), as supplemented by a Series Resolution adopted by the Authority on May 21, 2019 (the “2019D Series Resolution”), by a related Series Certificate (the “Series Certificate”) and by an authorizing resolution adopted by the Authority on May 21, 2019. The General Resolution and the 2019D Series Resolution are collectively referred to herein as the “Resolution.”

Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the Resolution.

The 2019D Bonds are dated, mature, are payable, bear interest and are subject to redemption or purchase as provided in the Resolution and the Series Certificate. The Authority has reserved the right to issue additional Bonds on the terms and conditions stated in the Resolution.

Our services did not include financial or other non-legal advice. We undertake no responsibility for the accuracy, completeness or fairness of any Official Statement or other offering material relating to the 2019D Bonds and we express no opinion with respect thereto.

Subject to the foregoing, we are of the following opinion:

1. Under the Constitution and the laws of the State, the Authority has been duly created and validly exists as a body corporate and politic, constituting a public benefit corporation, with good right and lawful authority, among other things, to issue the 2019D

Bonds, to pledge the Collateral as security for the 2019D Bonds, and to perform its obligations under the Resolution.

2. The Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and valid and binding upon the Authority, and is enforceable against the Authority in accordance with its terms. The Series Certificate has been duly executed and delivered by an Authorized Officer of the Authority.

3. The 2019D Bonds have been authorized and issued by the Authority in accordance with the Resolution and the laws of the State, including the Act.

4. The 2019D Bonds are valid and binding special obligations of the Authority, payable solely from the Collateral pledged therefor pursuant to the Resolution, and are enforceable in accordance with their terms and the terms of the Resolution.

5. The 2019D Bonds are Junior Bonds, secured by a pledge in the manner and to the extent provided in the Resolution. The Resolution creates the valid pledge of the Collateral that it purports to create, subject only to the provisions of the Resolution permitting the withdrawal, payment or setting apart thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

6. Pursuant to the Act, the 2019D Bonds are not a debt of the State, and the State is not liable with respect to the 2019D Bonds. The 2019D Bonds are not payable out of any funds other than those pledged by the Authority for the payment thereof.

7. Under existing statutes and court decisions, (i) interest on the 2019D Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the 2019D Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code.

8. Under existing statutes, interest on the 2019D Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

In rendering the opinion in paragraph 7 above, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Authority and others in connection with the 2019D Bonds and we have assumed compliance by the Authority and others with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2019D Bonds from gross income under Section 103 of the Code. Under the Code, failure to comply with such requirements may cause the interest on the 2019D Bonds to be included in gross income for Federal income tax purposes, retroactive to the date of issuance of the 2019D Bonds, irrespective of the date on which such noncompliance occurs or is ascertained.

We express no opinion as to any Federal, state or local tax consequences arising with respect to the 2019D Bonds, or the ownership or disposition thereof, other than as stated in paragraphs 7 and 8 above. We render our opinion under existing statutes and court decisions as of

the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding Federal, state or local tax matters, including, without limitation, exclusion from gross income for Federal income tax purposes of interest on the 2019D Bonds.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2019D Bonds and the Resolution may be limited by bankruptcy, insolvency, and other laws affecting creditors' rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2019D-1 Bond and an executed 2019D-2 Bond and, in our opinion, the forms thereof and their execution are regular and proper.

Very truly yours,

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Series 2019A Senior Bonds and the Series 2019B Senior Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Series 2019A Senior Bonds and the Series 2019B Senior Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code. Bond Counsel also is of the opinion that interest on the Series 2019C Senior Bonds is included in gross income for Federal income tax purposes pursuant to the Code. In addition, Bond Counsel is of the opinion that under existing statutes, interest on the Series 2019 Senior Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York). All summaries or descriptions herein of particular documents, laws and agreements do not purport to be complete and are qualified in their entirety by reference to such particular documents, laws and agreements (and the provisions with respect thereto included in the aforesaid documents and agreements), copies of which are available for inspection at the offices of the Authority at 200 Liberty Street, 24th Floor, New York, NY 10281, and will be provided without charge to any prospective purchaser requesting the same. Information set forth on the cover and inside cover pages hereof and in the Appendices hereto is part of this Official Statement. Unless otherwise specified herein, references to unit and square footage in respect of Battery Park City mean the City of New York Department of Finance Assessor’s unit and square footage.

Authorization

The Series 2019 Senior Bonds are being issued under the authority conferred by the Battery Park City Authority Act, Title 12 of Article 8 of the Public Authorities Law (constituting Chapter 43-a of the Consolidated Laws of New York) as added by Chapter 343 of Laws of New York, 1968, as amended (the “Act”). The Series 2019 Senior Bonds are being issued under and pursuant to the General Bond Resolution, adopted by the Authority on September 9, 2003 (the “General Resolution”), as supplemented by the Series 2019A Bonds Resolution, the Series 2019B Bonds Resolution and the Series 2019C Bonds Resolution, each adopted by the Authority on May 21, 2019 (collectively, the “Series 2019 Resolutions”; the General Resolution and the Series 2019 Resolutions are collectively defined as the “Resolution”), and by the authorizing resolution adopted by the Authority on May 21, 2019.

Battery Park City Authority

The Authority is a New York State public benefit corporation whose mission is to plan, create, coordinate, and sustain a balanced community of commercial, residential, retail, and park space within Battery Park City. In accordance with its mission, the Authority owns certain real property, generally known as Battery Park City, located in The City of New York (the “City”) and the State of New York (the “State”) on an approximately 92-acre site on the southwestern tip of Manhattan fronting the Hudson River (“Battery Park City”). The phased development of Battery Park City was largely completed in 2011. Battery Park City is a richly diversified mixed-use community providing residential and commercial space, with related amenities such as parks, open spaces, plazas, recreational areas, marinas, memorials, museums and a waterfront esplanade.

A map of Battery Park City indicating building locations, streets and public spaces is included on an inside cover page of this Official Statement. For a more detailed description of Battery Park City and for a description of certain infrastructure therein, see “BATTERY PARK CITY” below.

Security

The Bonds are special obligations of the Authority and are payable from Pledged Funds (excluding, in regard to the Series 2019 Senior Bonds and the Series 2019 Junior Bonds, the Reserve Fund), which include Pledged Sublease Revenues, Swap Receipts, Condemnation Proceeds, all monies in the Pledged Funds, the investments thereof and the proceeds of such investments pledged by the General Resolution (collectively, the “Collateral”) (see “SECURITY FOR THE BONDS” and “PLEDGED REVENUES FROM SPECIFIED SUBLEASES”). The Authority has no obligation to supplement such amounts or to provide additional security in the event that the Collateral is inadequate to pay debt service on the Bonds.

The Series 2019 Senior Bonds will constitute Senior Bonds, secured by the Collateral on a basis senior to all Junior Bonds and Subordinated Payments and on a parity with all other Senior Bonds now or hereafter secured under the General Resolution except with respect to the Reserve Fund securing the Authority’s Senior Revenue Bonds, Series 2013A (Tax-Exempt Bonds), currently outstanding in the amount of \$256,620,000 (the “Series 2013A Senior Bonds”). For a further description of the security for the Series 2019 Senior Bonds under the Resolution, see “SECURITY FOR THE BONDS.” After giving effect to the issuance of the Series 2019 Senior Bonds and the refunding described herein, there will be four Series of Senior Bonds outstanding with an aggregate principal amount of \$479,465,000 consisting of the Series 2013A Senior Bonds and the three series of Series 2019 Senior Bonds.

The Series 2019 Senior Bonds will not be secured by the Reserve Fund.

Concurrently with the issuance of the Series 2019 Senior Bonds, the Authority will issue its \$450,000,000 aggregate principal amount of Series 2019 Junior Bonds to provide a portion of the funds necessary to, among other things, refund certain outstanding Junior Bonds. After giving effect to the issuance of the Series 2019 Junior Bonds and the refunding of the Refunded Bonds, the Series 2019 Junior Bonds will be the only Junior Bonds outstanding. The Series 2019D Junior Bonds will be offered under a separate official statement and the Series 2019E Junior Bonds will not be publicly offered. **The Series 2019 Junior Bonds will not be secured by the Reserve Fund.**

The Authority has no taxing power. The Bonds are not debts or liabilities of the State or the City, and neither the State nor the City is liable thereon. Neither the faith and credit nor the taxing power of the State or the City is pledged to the payment of the principal or of interest on the Bonds, nor are the Bonds “moral obligation” bonds secured by a debt service or other reserve fund for which statutory provision for the appropriation of funds has been made.

Revenues

The Authority obtains its revenues principally from the leasing and subleasing of individual parcels in Battery Park City pursuant to long-term net ground leases and subleases (collectively,

the “Subleases”). A portion of the rent (“Pledged Sublease Revenues”) payable to the Authority from certain Subleases (“Specified Subleases”) relating to parcels in Battery Park City has been pledged by the Authority as Collateral under the Resolution. For a discussion of the Pledged Sublease Revenues that comprise a portion of the Collateral, see “SECURITY FOR THE BONDS” and “PLEDGED REVENUES FROM SPECIFIED SUBLEASES – Selected Excerpts of the Real Estate Consultant’s Report.” For a description of the Specified Subleases, see “APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents.”

Although real property owned by Battery Park City is exempt from real property taxes, commercial and residential ground leases and subleases between Battery Park City and lessees and sublessees generally require the payment of rent, a portion of which constitutes payments in lieu of real property taxes (“PILOT”). A substantial component of rental payments comprising a portion of Pledged Sublease Revenues consists of PILOT, which constitutes the largest component of the revenues available to the Authority. The amount of PILOT is generally based upon (i) the billable assessed value of the leased premises, as determined by the City, (ii) any tax abatement provided by the City for the leased premises and (iii) the real property tax rate levied by the City. PILOT received under Specified Subleases is subject to change from year to year due to changes in the foregoing components of PILOT. For the period from 2019 to 2049, PILOT payments payable under Specified Subleases relating to executed leases as of the date of this Official Statement are projected by CBRE, Inc. (“CBRE”), the Authority’s real estate consultant, to comprise approximately 83.2% of the total revenues available to the Authority. See “CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES – PILOT,” “PLEDGED REVENUES FROM SPECIFIED SUBLEASES – Selected Excerpts of the Real Estate Consultant’s Report” and “APPENDIX A – Authority Financial Statements.”

Real Estate Consultant’s Report

The Authority engaged CBRE as its real estate consultant to prepare a report (the “Real Estate Consultant’s Report”) for the fiscal years ended October 31, 2019 through October 31, 2049, on certain revenues to be derived from the Specified Subleases. The Real Estate Consultant’s Report dated June 18, 2019 is available at <https://emma.msrb.org/ES1281499-ES1003100-ES1404589.pdf>; certain excerpts of the Real Estate Consultant’s Report are included under the subheading “PLEDGED REVENUES FROM SPECIFIED SUBLEASES – Selected Excerpts of the Real Estate Consultant’s Report” below. The Real Estate Consultant’s Report in its entirety is hereby incorporated into, and made a part of, this Official Statement.

The opinions and professional judgments of CBRE set forth in the Real Estate Consultant’s Report, which should be read in its entirety, include forecasts that are based upon assumptions and conditions concerning future events and circumstances. Such assumptions and conditions are based upon present circumstances and currently available information and may be affected favorably or unfavorably by future events (including, for example, changes in the assessed values of the respective parcels subject to the Specified Subleases, changes in the City or State laws or practices with respect to real property tax rates or assessments that would directly affect the amount of PILOT received under the Specified Subleases, the bankruptcy of, or defaults by, tenants under the Specified Subleases and changes in general economic conditions). Therefore, the actual results achieved during the forecast period may vary from the forecasts. The scope of engagement of

CBRE did not include a valuation of the realty. In addition, neither CBRE nor the Authority has reviewed the financial position or analyzed the creditworthiness of any tenant under any Specified Sublease or any sublessee of any tenant under any Specified Sublease.

BATTERY PARK CITY

The Site

Battery Park City, a 92-acre mixed-use residential and commercial community, is located on the southwestern tip of Manhattan. A map of Battery Park City indicating building locations, streets and public spaces is included on an inside cover page of this Official Statement. See “PLEDGED REVENUES FROM SPECIFIED SUBLEASES – Selected Excerpts of the Real Estate Consultant’s Report.” Battery Park City overlooks the New York Harbor and the Statue of Liberty to the south, the Hudson River and the New York and New Jersey shorelines to the west and north, and the skyline of Lower Manhattan to the east.

Battery Park City is part of downtown New York City, an area that has undergone significant economic diversification in recent years. The eastern boundary of Battery Park City is adjacent to the state-of-the-art World Trade Center Transportation Hub (the “Oculus”), completed in 2016, which serves approximately 250,000 passengers daily and, at approximately 800,000 square feet, is the third largest transportation center in the City. The Oculus is part of the World Trade Center complex together with the Westfield World Trade Center which, with 125 retail spaces, is the largest shopping complex in Manhattan. Also adjacent to the eastern boundary of Battery Park City is the National September 11 Memorial and Museum and the redeveloped World Trade Center, which contains a significant amount of rentable office space. Within a reasonable distance from Battery Park City are many of New York City’s well-known neighborhoods including, but not limited to, Greenwich Village, Chinatown, Little Italy, SoHo, Tribeca, Wall Street and the South Street Seaport. City Hall and a large concentration of state and federal offices and courthouses are also only a few blocks northeast of Battery Park City. Battery Park City is also easily accessible to Jersey City and Hoboken, New Jersey via PATH rail and ferry service, as well as being accessible to other boroughs of the City via subway, bus and ferry service.

Certain agreements entered into by the Authority provide that the City has the right to acquire, at any time, Battery Park City (the “City Repurchase Right”) for a nominal consideration after: (a) all notes, bonds and other indebtedness incurred by the Authority (including the Bonds), or for which the Authority’s revenues have been pledged, have been repaid or defeased; and (b) satisfaction or provision for payment of its contractual obligations and other contingent liabilities. Subject to the foregoing, the City may, upon furnishing such funds, require the Authority to redeem all outstanding Bonds in accordance with the terms described under “DESCRIPTION OF THE SERIES 2019 SENIOR BONDS – Redemption of Series 2019 Senior Bonds – *Optional Redemption*,” below. To date, the City has not expressed its intent regarding its right to exercise the City Repurchase Right. However, no assurances can be given that the City will not choose to exercise the City Repurchase Right in the future.

The Master Lease and Development Plan

The project area containing Battery Park City was originally leased to the Authority by the City pursuant to a lease, dated November 24, 1969 (as supplemented, restated and amended, the

“Master Lease”), which expires on June 18, 2069. In June 1980, the fee interest in Battery Park City was condemned by the Urban Development Corporation and assigned to the Battery Park City Development Corporation (“Development Corporation”), in accordance with certain agreements with the City. In December 1982, the Authority acquired the fee interest in Battery Park City from the Development Corporation for a nominal consideration; notwithstanding this, the Master Lease remains in effect and the Authority is the landlord and tenant thereunder.

Battery Park City has been developed in accordance with a Master Development Plan as modified from time to time (the “Master Development Plan”), a copy of which is annexed to the Master Lease. In accordance with the Master Development Plan, the Authority has caused the staged development of Battery Park City in individual parcels where deteriorating piers once stood in the Hudson River, creating a model for community renewal. Battery Park City now contains 10.7 million square feet of office space, retail space, a marina, two hotels, a multiplex cinema, and approximately 8,300 rental and condominium residential units. See “SPECIFIED SUBLEASES” and “PLEDGED REVENUES FROM SPECIFIED SUBLEASES” herein and “APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents” hereto for additional information regarding the makeup and development of Battery Park City.

Battery Park City was specifically designed to provide wide ranging social benefits for New York City residents including 36 acres of parks and public open space, six museums and memorials (Irish Hunger Memorial, Museum of Jewish Heritage, Skyscraper Museum, New York City Police Memorial, Berlin Wall Segment, and the Eleven Tears Memorial), public art, five schools including elementary, middle and high schools, a public library and a national poetry library and literary center. Approximately 15,900 people reside and approximately 35,000 people work in Battery Park City. Pursuant to the Master Development Plan, Battery Park City has and continues to utilize adaptable and sustainable design.

Sustainability Program

The Authority has a long history of commitment to sustainability. For example, the Authority has implemented sustainable horticultural and maintenance practices throughout its parks system for decades, and, in the early 2000s, issued its “Green Guidelines” for new residential and commercial construction. Today, the Board and management of the Authority remain firmly committed to encouraging and pursuing sustainability and place such matters among its highest priorities.

The Authority's Sustainability Program is comprised of the Resiliency Projects (defined below) and the Social/Environmental Projects described herein and to be funded under the Capital Plan as described under "PLAN OF FINANCE – Capital Program." The Resiliency Projects along with projects designed to create and preserve open and recreational space, enhance safe pedestrian and cycling accessibility and improve energy efficiency will promote the Authority's sustainability goals. The Resiliency Projects, and the Social/Environmental Projects are referred to herein as the "Authority's Sustainability Program" or the "Authority's Sustainability Program Projects."

Resiliency Projects. In October 2012, Superstorm Sandy caused millions of dollars of damage to Pier A Harbor House on Battery Park City's southern boundary, as well as to the Battery Park City Ball Fields and the Asphalt Green (the "Community Center") in the north as storm surge waters flowed in from West Street on Battery Park City's eastern boundary. As described herein, and in conjunction with its sustainability initiatives, the Authority is taking necessary steps to adapt to and combat climate change and through these efforts the Authority seeks to protect Battery Park City from future climate related damage.

In 2015, the Authority contracted with a group of engineering and consulting firms with expertise in landscape and streetscape assessment, transportation, storm drainage and other facilities, environmental engineering, and data analysis to create a comprehensive Infrastructure and Resiliency Study (the "2015 Study"). The 2015 Study assessed the vulnerability of Authority assets in future potential storm events as well as anticipated sea level rise, and proposed actions to protect Battery Park City's residents and assets.

In addition to undertaking the 2015 Study, the Authority has also actively participated in and collaborated with the City's Lower Manhattan Coastal Resiliency project ("LMCR"). On March 14, 2019, the City released the Lower Manhattan Climate Resilience Study (the "LMCR Study"), a comprehensive study of current and future climate risks and impacts which is available as of the date hereof at https://www.nycedc.com/sites/default/files/filemanager/Projects/LMCR/Final_Image/Lower_Manhattan_Climate_Resilience_March_2019.pdf. *The LMCR Study is not a part of this Official Statement and shall not be deemed to be incorporated by this reference.* The LMCR Study assessed the risks of sea level rise, groundwater rise, and total inundation in the context of storm surge and extreme precipitation. The LMCR Study found that by 2050, 37 percent of the properties in Lower Manhattan will be at risk from storm surge. The LMCR Study also found that by 2100, with over six feet of projected sea level rise, almost 50 percent of properties in Lower Manhattan will be at risk of storm surge. In concert with its participation with the LMCR, the Authority has developed its own resiliency initiatives aimed at addressing the specific vulnerabilities of Battery Park City. The Authority's resiliency initiatives are designed to function independently of other Lower Manhattan resiliency measures while also allowing for future interconnection with the LMCR.

Given its waterfront location and vulnerabilities to storm-related flood damage and sea level rise, resiliency design and infrastructure investment projects are immediate priorities of the Authority. In addition to a number of completed resiliency and recovery initiatives undertaken by the Authority in the years following Superstorm Sandy, the Authority has created a resiliency plan pursuant to which it will undertake four interrelated resiliency projects (each a "Resiliency Project" and collectively, the "Resiliency Projects") to protect Battery Park City from the threats of storm surge and sea level rise: (A) the South Battery Park City Resiliency Project which contemplates

the creation of a continuous flood barrier from the Museum of Jewish Heritage, through portions of Wagner Park, across Pier A Plaza, and along the northern border of Historic Battery Park; (B) the North Battery Park City Resiliency Project which will cover Battery Park City's North Esplanade contemplates a deployable barrier crossing West Street / Route 9A which the Authority expects will extend toward West Broadway; (C) the Battery Park City Western Perimeter Resiliency Project which the Authority expects will incorporate, among other features, garden/park walls to create a new line of flood protection along the waterside western perimeter; and (D) the Battery Park City Ball Fields Resiliency Project where the Authority intends to incorporate the construction of a flood barrier system along the eastern, northern and southern boundaries of the Battery Park City Ball Fields. It is anticipated that a portion of the Resiliency Projects will be financed as a part of the Authority's Phase 1 Capital Plan as described herein.

Source: The Authority and the Federal Emergency Management Agency.

While the Resiliency Projects are intended to decrease vulnerability from storm inundation and flooding, no assurances can be given that future flooding or other natural disasters will not materially and adversely impact Battery Park City or the financial and operating results of the Authority.

Social/Environmental Projects. In addition to undertaking the Resiliency Projects, the Authority's capital plan includes new infrastructure as well as improvements to existing buildings, facilities and infrastructure that promote social and environmental benefits such as open space enhancement, pedestrian safety, energy efficiency, public art, and improvements to LEED certified buildings, and community playgrounds (the "Social/Environmental Projects").

A further description of the funding of the Authority's Sustainability Program Projects under the Phase 1 Capital Plan and information regarding the designation of the Series 2019A Senior Bonds and Series 2019C Senior Bonds as Sustainability Bonds can be found under the

subheading “PLAN OF FINANCE – BPCA Sustainability Bond Framework; Designation of Series 2019A Senior Bonds and Series 2019C Senior Bonds as Sustainability Bonds” below.

SPECIFIED SUBLEASES

General

The Authority owns the project area containing Battery Park City and acts as landlord and tenant under the Master Lease. The Authority leases and subleases individual parcels in Battery Park City pursuant to long-term net ground leases and subleases. All such ground leases and subleases expire on June 17, 2069, except for the Gateway Plaza Sublease which expires on June 30, 2040 but can be extended by the lessee until 2069. The Specified Subleases consist of a mix of Office, Residential and Hotel leases as described in more detail below and in “APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents” hereto.

As described in more detail in the Real Estate Consultant’s Report, the estimated breakdown of Pledged Revenues from Specified Subleases between Office, Residential and Hotel use for the fiscal year ending October 31, 2019 is:

Office Leases

Office leases at Battery Park City relate to three distinct office developments: Brookfield Place (formerly known as the World Financial Center), 300 Vesey Street and 200 West Street, each of which is described below. In addition, information relating to major space tenants at each of the office developments is provided below.

Brookfield Place. Brookfield Place is comprised of 200 Liberty Street, 225 Liberty Street, 200 Vesey Street and 250 Vesey Street. In 1981, the Authority and Olympia & York Battery Park Company entered into a lease for the construction of four separate office buildings that are now collectively known as Brookfield Place. These office towers consist of approximately 8 million

square feet of first-class office and related retail space in four towers, ranging in height from 33 to 51 stories, and two nine-story buildings. This office space is leased pursuant to four separate leases (the “Office Tower Leases”), each executed on June 15, 1983 by various entities affiliated with Brookfield Financial Properties (“BFP”) and, in the case of a portion of 200 Vesey Street, the American Express Company and its affiliate.

300 Vesey. In May 1995, the Authority signed a sublease with the New York Mercantile Exchange (“NYMEX”) for the development of a new 502,000 square-foot futures and options exchange trading facility and office building complex located at 300 Vesey Street, which was completed and occupied as of July 1997. While the majority of the space at 300 Vesey is occupied by NYMEX and its affiliates, a portion has been subleased to various third-party tenants, consisting primarily of trading firms. In 2008, NYMEX’s parent company was acquired by CME Group Inc. In 2013, NYMEX sold its leasehold interest in 300 Vesey to BFP and entered into a partial leaseback of the building.

200 West Street. In August 2005, the Authority signed a lease with Goldman Sachs Headquarters LLC relating to 200 West Street. 200 West Street consists of a 2,152,863 square-foot office building, which is being used primarily for the international headquarters of The Goldman Sachs Group, Inc. Occupancy of the lower floors of the building commenced in late 2009, and the building is now fully occupied. The lease with Goldman Sachs Headquarters LLC relating to 200 West Street required that a \$161 million lump sum rent payment be deposited with an escrow agent and, on October 31, 2010, the Authority received \$169.3 million, which included interest accrued on the escrowed amount, from the escrow agent as the building was completed and the City fulfilled all of its obligations in relation to the site. No other non-PILOT Revenues are due or included in Pledged Sublease Revenues with respect to 200 West Street.

According to information furnished to the Authority from BFP, the major space tenants of the Office Lease properties, and the currently scheduled expiration dates for their subleases, are:

Termination Rights. The leases for 200 Liberty Street, 225 Liberty Street, 200 Vesey Street, 250 Vesey Street, 300 Vesey Street and 200 West Street each provide that upon an event of default by the ground lessee thereunder, the Authority shall have the right to terminate said lease. This termination right is subject to notice and cure rights of leasehold mortgagees secured by such leases and, upon termination of any such lease, the Authority is required, upon request of a leasehold mortgagee and upon payment by such leasehold mortgagee of all unpaid amounts due under the defaulted lease, to enter into a new lease with such leasehold mortgagee. If the Authority terminates a Specified Sublease and no mortgagee exercises its cure rights, the lien of such leasehold mortgagee's mortgage may be extinguished, whereupon the Authority would have the right to recover possession of the premises demised under such Specified Sublease.

Residential Leases

In 1980, the Authority entered into a lease with a limited profit housing company that constructed an apartment complex consisting of 1,712 rental apartment units. In total, the Authority has entered into 30 leases of residential buildings consisting of 8,275 units containing 3,750 condominium and 4,525 rental units, including 115 condominium units in a mixed-use building containing a museum and The Wagner Hotel. The allocation of residential space between condominiums and rental units and aggregate square footage relating to such categories of

residential space are subject to change to the extent that condominium projects are converted to rental projects and vice versa. In addition, the number of condominium or rental units may vary to the extent that individual condominium or rental units are combined into larger units. Residential Leases include:

PLEDGED REVENUES FROM SPECIFIED SUBLEASES

Pledged Sublease Revenues

The principal components of Pledged Sublease Revenues derive from PILOT and non-PILOT base rent payments. PILOT payable to the Authority is generally calculated based upon three variables: (i) the billable assessed value of the leased premises, as determined by the City, (ii) any tax abatement provided for the leased premises and (iii) the real property tax rate levied by the City, as described below. Non-PILOT based Pledged Sublease Revenues includes, with respect to office leases, Base Rent and Additional Base Rent. Non-PILOT based Pledged Sublease Revenues includes, with respect to hotel leases, Base Rent and, for The Wagner, Supplemental Hotel Base Rent. Non-PILOT based Pledged Sublease Revenues, with respect to residential properties, includes Base Rent and Supplemental Rent and, for the Gateway Sublease, Land Rent. As to residential properties containing retail space, Percentage Rent is payable, and for residential condominium developments, Transaction Payments (each as defined in each Sublease), based on the sales price of condominium units, are also payable, but these elements of sublease revenues for residential properties are not included in Pledged Sublease Revenues. See “SECURITY FOR THE BONDS – Pledge of the General Resolution – *Pledged Sublease Revenues*.” For additional information relating to PILOT and non-PILOT based Pledged Sublease Revenues see “APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents.”

Assessed Values, Tax Abatements and Tax Rates

PILOT is primarily dependent upon assessed values, tax abatements and tax rates of the properties located in Battery Park City. As of the date hereof, the respective aggregate billable assessed values of 200 Liberty Street, 225 Liberty Street, 200 Vesey Street, 250 Vesey Street, 300 Vesey, 200 West Street, the residential buildings and hotel buildings for each City tax year (ended June 30) during the period July 1, 2013 through June 30, 2018 were as follows:

Assessed Value. The assessed valuation for any parcel located in Battery Park City may be reduced as a result of administrative appeals and court challenges, which its ground lessees or, in certain cases, major space tenants may prosecute. Pending challenges are set forth in the following paragraph. The Authority expects that for future tax years there will be administrative appeals and court challenges that may result in reductions in the assessed valuations of the aforementioned buildings. Any such reductions would result in decreased PILOT payments under Specified Subleases. In addition, future assessments by the City of New York Department of Finance may be greater or less than historical assessments. See the Real Estate Consultant's Report for a discussion of prior reductions of assessed valuations of 200 Liberty Street, 225 Liberty Street, 200 Vesey Street, 250 Vesey Street, 300 Vesey Street and certain residential buildings as a result of administrative appeals or court challenges and for a discussion regarding the potential for reductions in assessed valuations underlying CBRE's projections contained in such report.

The owners of 200 Liberty Street have court challenges pending for tax years 2010-11 and 2013-14 through 2018-19, filed an administrative challenge for tax year 2019-20, which has not settled, and are anticipated to file a court challenge for tax year 2019-20. The owners of 225 Liberty Street have court challenges pending for tax years 2013-14 through 2018-19, filed an administrative challenge for tax year 2019-20, which has not settled, and are anticipated to file a court challenge for tax year 2019-20. The owners of 200 Vesey Street have accepted an offer of reduction from the Tax Commission of the City of New York reducing the tentative assessed value from \$245,501,000 to \$235,000,000 and, as part of the settlement, have agreed not to file an Article 7 proceeding for tax year 2019-20. The owners of 250 Vesey Street have court challenges pending for tax years 2013-14 through 2018-19, filed an administrative challenge for tax year 2019-20, which has not settled, and are anticipated to file a court challenge for tax year 2019-20. The owners of 200 West Street have court challenges pending for tax years 2013-14 through 2018-19, filed an administrative challenge for tax year 2019-20, which has not settled, and are anticipated

to file a court challenge for tax year 2019–20. The owners of 300 Vesey Street have court challenges pending for tax years 2013–14 through 2018–19. The deadline to file a court challenge to the tax year 2019–20 assessment is October 24, 2019.

Tax Abatements. During the five fiscal years ended October 31, 2018, the respective rates of annual change in PILOT were affected by tax abatements granted pursuant to Specified Subleases. Abatements for non-residential properties vary from parcel to parcel and are negotiated on a case by case basis. Abatements for residential properties are consistent with City as-of-right abatements provided to residential properties located in Lower Manhattan, except in the case of Gateway Plaza. Gateway Plaza is obligated under its sublease to make a PILOT payment equal to 10% of the total rents less the net costs of providing utilities to dwelling units therein. The sublease was modified in 2009 to provide for the 10% structure to continue through February 15, 2016. Thereafter, the PILOT payments will be increased by 20% of the difference between the 10% structure and the taxes determined by the City every year until February 16, 2020 when PILOT payments will be equal to the taxes that would otherwise be payable, unless an agreement is reached regarding an extension of tax abatements. For a further discussion of the tax abatements applicable to the Specified Subleases, see the Real Estate Consultant’s Report.

Tax Rate. The City real property tax rate is another factor affecting PILOT over the five-year period described below in Table 2 herein. The respective City real property tax rates for each tax year (ended June 30) during the period July 1, 2013 through June 30, 2019 are set forth in Table 2 below. These rates are effective from July 1 to June 30 of the years indicated.

Expenses

Amounts deposited into the Project Operating Fund (as defined in the General Resolution) in a fiscal year, together with money retained in such fund from the prior fiscal year, are applied to the payment of actual Operating Expenses (as defined in the General Resolution) in accordance with the General Resolution. For a description of deposits to and disbursements from the Project Operating Fund, see “SECURITY FOR THE BONDS – Application of Revenues” and “APPENDIX B – Definitions and Summary of Certain Provisions of the General Resolution – Establishment of Funds and Accounts, and Application Thereof.”

During the five-year period ended October 31, 2018, the Authority consistently achieved Operating Expenses commensurate with or below its annual budgeted amounts. The Authority

has budgeted approximately \$28.7 million for Operating Expenses for its fiscal year ending October 31, 2019. The Authority currently anticipates that budgeted amounts for Operating Expenses in future fiscal years may increase on average by 3% per annum, compounded annually. However, historical Operating Expenses of the Authority are not meant to illustrate trends or projections of the Authority's Operating Expenses in future years and the Authority gives no assurance that its actual Operating Expenses will not increase at a higher rate or that its Operating Expenses will not have an adverse effect on the Authority's operating results.

Description of Pledged Revenues from Specified Subleases

Table 3 below contains certain historical information regarding Pledged Sublease Revenues received during the five years ended October 31, 2014 through October 31, 2018. The following table is not included herein to illustrate trends or projections of revenues to be realized in future years. Pledged Sublease Revenues are determined on a cash basis pursuant to the General Resolution. Amounts set forth in this table are determined on a cash basis and may not agree with amounts set forth in the financial statements of the Authority contained in "APPENDIX A – Authority Financial Statements," which are determined on an accrual basis.

(2) See "APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents" for the definition of certain terms used in this table, the related footnotes and the discussion of revenues and expenses below.

(3) Includes all PILOT rental payments with respect to the 200 Liberty Street, 225 Liberty Street, 200 Vesey Street, 250 Vesey Street, 300 Vesey Street and 200 West Street Leases.

(4) Includes non-PILOT Pledged Sublease Revenues with respect to the 200 Liberty Street, 225 Liberty Street, 200 Vesey Street, 250 Vesey Street and 300 Vesey Street Leases. Goldman Sachs (200 West Street) prepaid all non-PILOT amounts in 2010. No non-PILOT Revenues are due or included in Pledged Sublease Revenues with respect to 200 West Street.

(5) Includes PILOT rental payments for the residential portion of the Hotel/Residential Lease. Table 3 shows Residential PILOT revenues net of abatements available under Section 467-a of the New York Real Property Law.

(6) Includes non-PILOT rental payments for the residential portion of the Hotel/Residential Lease.

Additional Information

For a further description of the Master Lease, the Specified Subleases and certain ancillary and other agreements, see "APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents."

Agreements with the City Relating to Disposition of Revenue

The Authority has entered into a settlement agreement dated as of June 6, 1980 (as amended, the “Settlement Agreement”) with the City that provides, in effect, that: (i) all PILOT received by the Authority from its tenants remaining after payment of operating, administrative and maintenance expenses, debt service on the Authority’s indebtedness, certain site development costs and any agreed-upon commitments, will be remitted to the City; and (ii) all other rent payments and other revenue received by the Authority remaining after payment of the aforementioned items will be retained by the Authority and spent in such manner and for such purposes as the Authority and the City shall jointly determine (the “Joint Purpose Funds”).

The Authority retains a portion of the estimated excess revenues at year-end as corporate funds to be spent in a manner and for such purposes as the Authority and the City shall jointly decide. In January 2010, the City and the Authority signed an agreement (the “2010 Agreement”) to distribute \$861 million of excess revenues from the Joint Purpose Funds. The City and the State were each allocated \$200 million on a *pari passu* basis. After meeting that \$400 million obligation, an additional amount of up to \$200 million was distributed by the Authority to a City 421-A affordable housing fund followed by \$261 million distribution to a City pay-as-you-go capital fund. All such obligations are to be paid as available, and there is no time limit on the payments or minimum amount that needs to be paid or accrued over time. As of October 31, 2018, the Authority’s most recent fiscal year end, all payments under the 2010 Agreement have been made other than \$87.8 million remaining due to the City pay-as-you-go capital fund. For further details, see “APPENDIX A – Authority Financial Statements.”

Selected Excerpts of the Real Estate Consultant’s Report

The content under this subheading consists of certain selected excerpts from the Real Estate Consultant’s Report which is available in full at <https://emma.msrb.org/ES1281499-ES1003100-ES1404589.pdf> and is incorporated herein by this reference. **THE REAL ESTATE CONSULTANT’S REPORT SHOULD BE READ IN ITS ENTIRETY, INCLUDING THE NOTES AND ASSUMPTIONS SET FORTH THEREIN.**

CBRE has been retained by the Authority as its real estate consultant to prepare the Real Estate Consultant’s Report and forecast certain revenues to be derived by the Authority from the Specified Subleases for the 30-year period from the fiscal year ending October 31, 2019 through fiscal year ending October 31, 2049. The Specified Subleases include three property use types:

- Six office buildings: the four office towers at Brookfield Place (200 Liberty Street, 225 Liberty Street, 200 Vesey Street and 250 Vesey Street), 300 Vesey Street (formerly, the New York Mercantile Exchange building) and 200 West Street (the Goldman Sachs tower);
- Two hotel properties: The Conrad and The Wagner (formerly the Ritz-Carlton), and
- 30 residential apartment rental and condominium properties, including the residential condominiums in a mixed-use building containing a museum and The Wagner.

The Authority has directed CBRE to include projects completed and operating as of the date of the Real Estate Consultant's Report in the forecast of the Pledged Sublease Revenues. No other revenues to the Authority have been included in such forecast. CBRE performed a similar forecast in connection with the Authority's 2003, 2009 and 2013 bond offerings. The Authority has made available to CBRE the Specified Subleases, which are summarized in this Official Statement, and which summaries are consistent with CBRE's understanding.

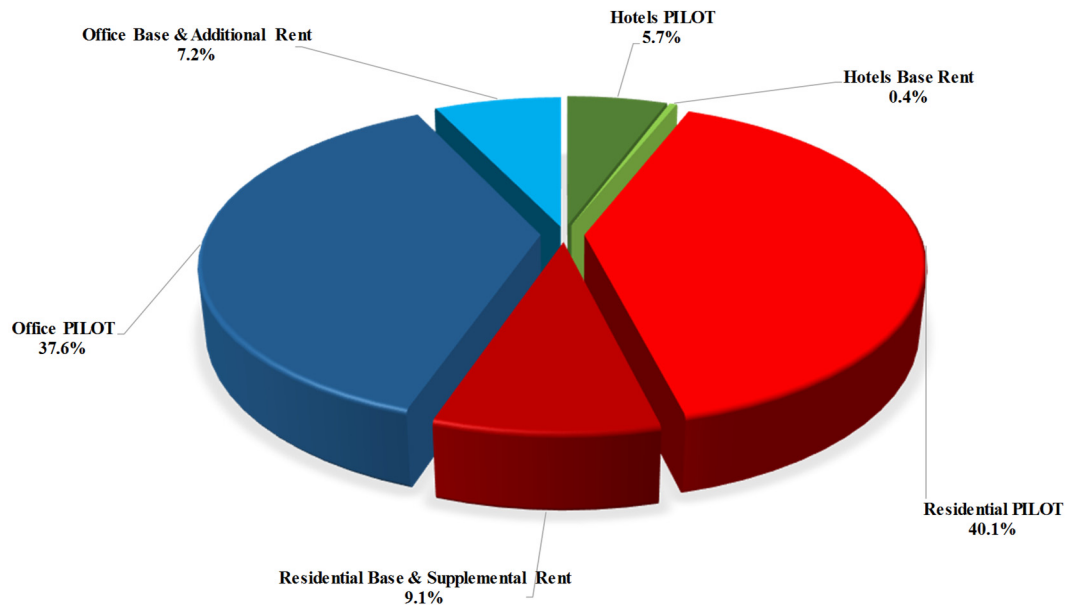

The Authority has further requested CBRE to project only certain revenue components derived from the Specified Subleases. The table below shows the designated pledged revenue components for each property type for the Specified Subleases included in the scope of the Real Estate Consultant's Report:

Office Leases	1. Base and Additional Rent 2. PILOT
Residential Leases	1. Base and Supplemental Rent 2. PILOT
Hotel Leases	1. Base Rent 2. PILOT

Each of these pledged revenue components is more fully discussed in the Real Estate Consultant's Report. All other revenues to the Authority derived from the Specified Subleases are excluded from the scope of the Real Estate Consultant's Report.

For the Real Estate Consultant's Report, CBRE made pledged revenue projections for each combination of property type and revenue component identified in the table above. For example, separate projections were made for Office Base and Additional Rent, Office PILOT, Residential Base and Supplemental Rent and so forth. Those projections were then summed to produce the forecast of total pledged revenue from the Specified Subleases. The resulting composition of projected pledged revenue for the fiscal year ended October 31, 2019, the base forecast year, is illustrated graphically below:

PROJECTED PLEDGED REVENUES BY PROPERTY TYPE AND BY SOURCE FYE 2019

CBRE's forecast of the Pledged Sublease Revenues should neither be construed as an indication of market value of any property or all properties nor used in a determination of such value. CBRE has assumed the continuation and observance of the terms and conditions of the Specified Subleases as of the date of the Real Estate Consultant's Report throughout the forecast period. All references in the Real Estate Consultant's Report to historical revenues are based on information provided to CBRE by the Authority.

In making the pledged revenue projections described above, CBRE considered a number of factors, which directly, indirectly or in conjunction with other factors could affect more broadly real estate market conditions in Battery Park City and Lower Manhattan. Such factors include, without limitation:

- Current real estate market conditions and trends in Manhattan and the Downtown submarket;
- National and regional economic conditions and trends;
- Regional employment trends and their expected effect on office rent levels and occupancy;
- New York City fiscal policy as it may affect property tax and assessment policy;
- Recent changes in New York State and New York City environmental and housing law as it may affect real property values;
- Population trends in the City and the Metropolitan New York region; and
- Public and private investment affecting development in Lower Manhattan.

As the forecast covers a 30-year period, such factors tend to increase variability and the probability that actual results may deviate from the forecast.

Accordingly, in consideration of the factors that may affect the projections throughout the forecast period covered by the Real Estate Consultant's Report and the degree of uncertainty they introduce, CBRE has made assumptions regarding the variables underlying the projections. The main assumptions underlying the pledged revenue forecast are summarized in the section in the Real Estate Consultant's Report entitled Pledged Revenue Forecast Assumptions. The Real Estate Consultant's Report is available at <https://emma.msrb.org/ES1281499-ES1003100-ES1404589.pdf>.

CBRE has also made certain underlying assumptions regarding the management, maintenance, and operations of the properties, and the reliability of the information provided to CBRE as real estate consultant in forecasting the pledged revenues. Such assumptions and conditions are based upon present circumstances and currently available information and may be affected favorably or unfavorably by future events. These assumptions are contained in Exhibit A of the Real Estate Consultant's Report available at <https://emma.msrb.org/ES1281499-ES1003100-ES1404589.pdf>. **All assumptions should be read in their entirety and in conjunction with the text of the Real Estate Consultant's Report, including the tables and other information presented therein, and this Official Statement.**

As discussed in more detail in the Real Estate Consultant's Report, the projections are based on the generally positive conditions and trends in the commercial and residential market that affect Battery Park City. CBRE has made reasonable adjustments for the potentially adverse effects of predictable events such as future sublease expiration dates of major tenants at Brookfield Place and applied conservative assumptions in consideration of less predictable events such as economic downturns.

The total annual pledged revenue from Specified Subleases are broken out by property type and pledged revenue component as illustrated in the following graph:

FORECAST OF PLEDGED SUBLEASE REVENUES

Following an initial period of higher growth, total pledged revenues are projected to grow at a stable rate for the remainder of the forecast period. The higher rate of growth during the first five years of the period is driven by the PILOT revenue, given the phase-in of the significant increases in the assessments of the residential buildings in 2019/20 as well as in the prior four years, and, to a lesser extent, of the office buildings. The assessment increases reflect the dramatic appreciation in market value of property in Manhattan in the last five years. The increase in market value is then captured in the real property tax assessment determined by the New York City Department of Finance.

Growth rate in Office PILOT revenue stabilizes over the forecast period, after the initial increase due to the phase-in of the most recent higher property assessments. Given these significant increases, CBRE adopted a conservative approach in its growth projections. Office Base Rent is generally flat for the forecast period. Base Rent for the four towers at Brookfield Place is a flat, fixed annual amount. Base Rent for 200 West Street has been paid in full in advance. The Base Rent at 300 Vesey Street is held flat during the forecast period.

Hotel Base Rent reflects escalations in the early years of the forecast period, largely driven by The Conrad. Scheduled increases in Base Rent in 2035 and 2038 for The Conrad and The Wagner, respectively, result in another bump in forecast pledged revenue. Hotel PILOT revenue is projected to fluctuate in the initial years as variations in prior year assessments are phased-in.

Residential Base Rent is projected to grow at a steady rate over the forecast period. Under the leases, Base Rent may be adjusted to an amount based on an appraisal of the land underlying each leasehold or to a minimum rent either equal to or, in most leases, a stipulated percentage increase over the prior year's rent. The Authority may also agree to a negotiated Base Rent. There is potential for higher incremental growth in Base Rent due to the Appraisal Dates ("reset dates") scheduled to occur during the forecast period. CBRE has taken a conservative stance and assumed only the contractual minimum Base Rent which yields the stable growth depicted in the chart. Residential PILOT reverts to a stable, steady growth rate after the boost produced by the significant increase in assessments in 2019/20 is phased out over the first five years. The Authority has informed CBRE that some lessees are in discussions with the Authority regarding an extension of their PILOT abatement in exchange for the provision of affordable housing in Battery Park City.

Over the forecast period, total annual pledged revenue is projected to increase from \$297.08 million projected in FYE 2019 to \$543.4 million in FYE 2049. Total pledged revenue increases at an annual rate of 2.02% over the forecast period. As shown in the following chart, the majority of the growth is attributable to pledged revenue from the residential leases, which increase from \$146.7 million to \$309.8 million and from 49.3% to 57.0% of total pledged revenue over the forecast period.

CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES

Economic Circumstances

General economic circumstances, which cannot be predicted, may adversely affect the financial condition of occupants of Battery Park City and, consequently, the ability of a ground lessee under a Specified Sublease to make required payments to the Authority. Neither the Authority nor CBRE has reviewed the financial position or analyzed the creditworthiness of any ground lessee under the Specified Subleases, any space tenants of any such ground lessees or, in the case of the residential condominium units, the individual unit owners.

The Authority is unable to predict how ground lessees, space tenants or residential condominium unit owners will be affected by outside economic factors, or provide any assurance that its ground lessees will continue to pay rent at the rates, and subject to the increases, set forth in their respective leases or subleases. Moreover, the Authority cannot predict whether ground lessees under Specified Subleases will seek modification of their future lease obligations based on an economic disturbance or otherwise. For a description of such restructuring, see “SPECIFIED SUBLEASES – Residential Leases.”

In addition, general economic circumstances could have an effect on City tax policy and assessments as they relate to Specified Subleases, which could adversely affect the amounts of Pledged Sublease Revenues to be received by the Authority. The Authority is under no obligation to supplement Pledged Sublease Revenues in the event that such revenues are not sufficient to provide amounts adequate to pay debt service on the Bonds.

PILOT

A substantial component of Pledged Sublease Revenues consists of PILOT. Each PILOT component (assessed value, abatement and tax rate) is subject to change, and accordingly the amount of PILOT payable under Specified Subleases is subject to change. In addition, the assessed valuation for any building in Battery Park City may be reduced as a result of administrative appeals

or court challenges prosecuted or appealed by ground lessees or major space tenants. Increased tax abatements, reduction in City tax rates, and/or reductions in assessed valuation due to legal or administrative proceedings, damage, destruction or otherwise, may reduce PILOT payments paid under Specified Subleases and accordingly reduce Pledged Sublease Revenues available to pay debt service on the Bonds. See “PLEDGED REVENUES FROM SPECIFIED SUBLEASES – Selected Excerpts of the Real Estate Consultant’s Report” for certain of CBRE’s projections of the future assessed values of the parcels subject to the Specified Subleases.

In May 2018, the City announced the formation of the New York City Advisory Commission on Property Tax Reform (the “Advisory Tax Commission”). The Advisory Tax Commission is tasked with evaluating all aspects of the current property tax system in the City and recommending reforms to make it fairer, simpler, and more transparent, while ensuring that there is no reduction in revenue used to fund City services. No assurances can be given at this time as to what impact, if any, recommendations from the Advisory Tax Commission, if enacted, will have on PILOT revenues.

In April of this year, the City adopted certain amendments to the City charter and the City administrative code (collectively, the “Building Emissions Law”) that, among other things, establish phased-in limits on carbon emissions for buildings with over 25,000 square feet, subject to certain permitted credits, exceptions and variances. Retrofitting buildings to comply with the Building Emissions Law may result in an increase to operating expenses for the Specified Subleases that could, in turn, result in lower valuations. No assurances can be given at this time as to what impact, if any, the Building Emissions Law will have on PILOT revenues.

Further, on June 14, 2019, the State enacted the Stability and Tenant Protections Act of 2019 which made the State’s rent stabilization program permanent and introduced significant changes to strengthen protections for tenants and further limit landlords’ ability to raise rents. No assurances can be given at this time as to what impact, if any, the Stability and Tenant Protections Act of 2019 will have on PILOT revenues.

For a discussion of certain factors underlying prior assessment reductions, see the Real Estate Consultant’s Report.

Amendments or Modifications of Specified Subleases

The amounts of Pledged Sublease Revenues described herein reflect the terms of Specified Subleases as currently in effect. Except for restrictions relating to the Authority’s disposition of parcels in Battery Park City, there are no restrictions in the Resolution with respect to the ability of the Authority to amend the Specified Subleases, and all such amendments are solely within the operational discretion of the Authority. Pursuant to the foregoing, the Authority has in the past modified and may in the future modify the terms of Specified Subleases. Such modifications could have an adverse effect on Pledged Sublease Revenues. See “SECURITY FOR THE BONDS – Other Security Provisions – *Amendment of Master Lease and Specified Subleases.*”

Lease Expirations Under Office Tower Leases and 300 Vesey Street

A significant portion of the revenues available to pay debt service on the Bonds will depend on the ability of the ground lessees under the Office Tower Leases and 300 Vesey Street to sublease

space to office tenants on economically favorable terms. Upon expiration or earlier termination of space leases under the Office Tower Leases and at 300 Vesey Street, the ground lessees may be unable to renew such space leases or re-let such premises, or the terms of renewal or re-letting (including the cost of leasing commissions, required renovations or concessions to subtenants) may be less favorable to the ground lessee than current space lease terms.

All space leases under the Office Tower Leases and at 300 Vesey Street will expire during the stated term of the Series 2019 Senior Bonds. If a ground lessee under an Office Tower Lease were unable to promptly renew a space lease, re-let office space for a substantial portion of an Office Tower Lease or if the rental rates upon such renewal or re-letting were significantly lower than expected, there could be an adverse impact on the financial condition of such ground lessee, which could, in turn, adversely affect (i) such ground lessee's ability to pay rent under such Office Tower Lease or at 300 Vesey Street and (ii) Pledged Sublease Revenues available to pay debt service on the Series 2019 Senior Bonds. Furthermore, the inability of a ground lessee to lease, re-let office space or renew an existing space lease under any of the Office Tower Leases or at 300 Vesey Street on favorable terms could result in a reduction in the assessed value of such building. Such reduction could adversely affect PILOT payable under such Office Tower Lease or at 300 Vesey Street.

Ground lessees may be affected by various circumstances over which the Authority has no control, such as general economic conditions, increases in operating expenses, or a decline in demand due to economic or physical decline of the surrounding area, physical damage to the buildings, increased competition due to the construction, renovation or expansion of other nearby office space or otherwise. See the Real Estate Consultant's Report for a more detailed discussion of the City's economy, the Lower Manhattan office market and other factors affecting PILOT, and the impact of the foregoing on the revenues expected to be derived by the Authority from the Office Tower Leases and 300 Vesey Street.

Defaults and Terminations

Office Specified Subleases. As described under the subheading "SPECIFIED SUBLEASES – Office Leases – *Termination Rights*," the Office Specified Subleases each provide that upon an event of default by the ground lessee thereunder, the Authority shall have the right to terminate said lease. This termination right is subject to notice and cure rights of leasehold mortgagees secured by such leases. If the Authority terminates a Specified Sublease and no mortgagee exercises its cure rights, the lien of such leasehold mortgagee's mortgage may be extinguished, whereupon the Authority would have the right to recover possession of the premises demised under such Specified Sublease.

No assurance can be given that the termination by the Authority of a Specified Sublease will occur expeditiously. A defaulting ground lessee may commence proceedings to enjoin such termination or may assert affirmative defenses to delay the termination. Furthermore, no assurance can be given that a leasehold mortgagee will cure a ground lessee's default or execute a replacement lease with the Authority or, if a leasehold mortgagee does cure or execute a replacement lease, that such cure or execution will be undertaken in a timely manner. In the event of a significant delay between a default, termination and re-letting, loss of Pledged Sublease

Revenues to the Authority could be significant and could adversely affect the Authority's ability to pay debt service on the Bonds.

Residential Condominium Specified Subleases. Eighteen of the residential Specified Subleases are subject to residential condominium regimes. If, by reason of a residential condominium unit owner's default, the board of managers of the condominium fails to pay the rental in full under a Specified Sublease, the Authority has agreed to give up its right to terminate the whole of such Specified Sublease related solely to such unit owner's default. In such event, the condominium board is only obligated to pay to the Authority rentals actually collected from the unit owners, and generally the Authority's redress for the related uncollected rent is limited to the defaulting residential condominium unit owner. Accordingly, the Authority's rights and remedies are limited with respect to residential Specified Sublease defaults resulting from defaulting residential condominium unit owners.

As to eleven of the residential Specified Subleases, the Authority's rights are also constrained by N.Y. Real Prop. Law §339-z, which provides that a first mortgagee's lien on unpaid mortgage sums takes priority over a condominium board's lien on unpaid common charges. The Authority's base rent and PILOT for these eleven buildings are part of the condominium board's common charges and, as a result, are subordinated in priority to the mortgage holder's lien on a defaulting individual unit owner.

Finally, in the event the Authority were to become the owner of a condominium unit by reason of a unit owner's default, the Authority would be required to pay to the condominium board accrued and unpaid common charges relating to such unit (other than the portion which relates to unpaid rent due the Authority) as well as paying the common charges on such unit during the period of the Authority's ownership of such unit. The Authority has revised its ground lease provisions concerning seven residential condominiums in an effort to remedy the foregoing priority of lien problems with the prior ground lease provisions. Such revised provisions have not been the subject of litigation. Therefore, no assurance can be given that a court would find that such revised terms establish a first priority for payments due to the Authority with respect to defaulting individual unit owners in residential condominiums.

Pledged Sublease Revenues could be substantially reduced and the Authority's ability to pay debt service on the Bonds could be adversely affected in the event a significant percentage of residential condominium owners fail to pay rent to building management, where such failure is inclusive of related common charges that reflect PILOT and Base Rent apportioned to such condominium units. Generally, enforcement of remedies under residential leases is difficult and time-consuming. Furthermore, the Authority's remedies with respect to defaulting condominium unit owners under eleven Specified Subleases has been limited as noted above. For a more detailed description of provisions related to condominiums under the Specified Subleases, see "APPENDIX C – Summary of Certain Provisions of the Master Lease, the Specified Subleases and Other Documents."

The Authority has previously experienced rent strikes by condominium owners due to forces beyond its control. However, no such rent strike was of long duration, affected the collection of Pledged Sublease Revenues or was otherwise material to the Authority. The Authority cannot predict whether rent strikes will occur in the future.

Climate Change, Rise of Sea Level, Flooding and Natural Disasters

As described in “BATTERY PARK CITY – Sustainability Program – *Resiliency Projects*” above, in the wake of damage caused by Superstorm Sandy, the Authority has taken and continues to take action intended to mitigate the negative impacts of climate change; impacts to which Battery Park City, which is located on a tidal estuary, may be particularly vulnerable. At this time, the Authority is unable to predict whether, or to what extent, these measures will insulate Battery Park City from the adverse impacts of climate change, which could be material. Increased sea level, flooding or other natural disasters, whether caused by climate change or otherwise, could materially and adversely impact Battery Park City, the habitability and attractiveness of the developments therein and the financial and operating results of the Authority.

Cybersecurity

The Authority, like many other large public and private entities, relies on a large and complex technology environment to conduct its operations, and faces multiple cybersecurity threats including, but not limited to, hacking, phishing, viruses, malware and other attacks on its computing and other digital networks and systems (collectively, the “Authority Technology”). As a recipient and provider of personal, private, or sensitive information, the Authority may be the target of cybersecurity incidents that could result in adverse consequences to the Authority Technology, requiring a response action to mitigate the consequences.

Cybersecurity incidents could result from unintentional events, or from deliberate attacks by unauthorized entities or individuals attempting to gain access to the Authority Technology for nefarious purposes including, but not limited to, the misappropriation of assets or information or causing operational disruption and damage. To mitigate the risk and/or damage from cybersecurity incidents or cyber-attacks, the Authority invests in multiple forms of cybersecurity and operational safeguards. No assurances can be given that these safeguards will prevent cybersecurity events which may, individually or in the aggregate, have a material and adverse impact on the financial position and/or operating results of the Authority.

The Authority currently maintains cybersecurity insurance policies in amounts which it believes are commercially reasonable. No assurances can be given regarding the continued availability or utilization of such policies or the sufficiency of such policies to address, individually or in the aggregate, any cybersecurity incidents which may arise in the future.

Other Factors

In addition to the foregoing, the Authority’s receipt of Pledged Sublease Revenues may be affected by the following additional factors:

Bankruptcy. No inquiry has been made as to the financial condition of any of the ground lessees under the Specified Subleases or any space tenants or residential condominium unit owners. Generally under the Federal Bankruptcy Code (the “Bankruptcy Code”), individuals and business entities in financial distress may settle debts through a liquidation of assets or may provide for the settlement of claims through either a plan of reorganization or a plan of adjustment of the debtor’s financial affairs. Bankruptcy Courts are courts of equitable jurisdiction and, as such, have the judicial discretion to examine a broad range of issues affecting the debtor. If the debtor/tenant

under a Specified Sublease asserts or prevails in obtaining relief from the Bankruptcy Court, the timing of receipt or the amount of revenues, or both, derived by the Authority from the Specified Subleases and the ability of the Authority to pay debt service on the Bonds could be adversely affected.

Condemnation. In the event of a condemnation of all or substantially all of the premises demised under a Specified Sublease for the Office Tower Leases, such Sublease would be terminated and the Authority would be entitled to receive condemnation proceeds regarding the same. The Authority is required to apply such condemnation proceeds to the redemption of outstanding Bonds. If the premises demised under all of the Specified Subleases were condemned, there would be no revenues available to pay debt service on outstanding Bonds of the Authority and there is no assurance that condemnation proceeds will be sufficient to redeem all outstanding Bonds.

Catastrophic Events. Battery Park City has previously experienced the effects of catastrophic events including severe weather events and terrorist attacks. The Authority maintains insurance for catastrophic events as well as certain self-insurance reserve funds which management of the Authority believes are reasonable. Further, costs not covered by insurance may be eligible to be submitted for reimbursement under Federal and State disaster relief programs. The foregoing notwithstanding, no assurances can be given regarding whether or not a catastrophic event will occur or the sufficiency of available funds to repair and replace any damage caused thereby.

In the event that Battery Park City or any of the surrounding neighborhoods becomes subject to any other such catastrophic event, a ground lessee may become unable to satisfy its obligations under its ground lease, resulting in a loss of Pledged Sublease Revenues to the Authority. Any such loss could be significant and could adversely affect the Authority's ability to pay debt service on the Bonds.

Possible Liability Relating to Environmental Matters. Under various Federal, State and local environmental laws, ordinances and regulations, a current or previous owner or operator of real property may be liable for the costs of removal or remediation of hazardous or toxic substances on, under or in such property. Certain environmental laws impose liability for release of asbestos-containing materials ("ACMs") into the air and third parties may seek recovery from owners or operators of real properties for personal injury associated with ACMs. In connection with its ownership of Battery Park City, the Authority may be potentially liable for such costs. The Authority has not been notified by any governmental authority of any non-compliance, liability or other claim in connection with any of the parcels and the Authority is not aware of any other environmental condition with respect to any of the parcels that could be material. No assurance, however, can be given that no tenant has created any material environmental condition or that future uses or conditions (including, without limitation, changes in applicable environmental laws and regulations) will not result in the imposition of environmental liability.

PLAN OF FINANCE

General

The proceeds of the Series 2019A Senior Bonds, together with other moneys of the Authority (collectively, the “Series 2019A Senior Bonds Available Funds”), will be used: (1) to provide for ongoing infrastructure and other capital improvements in Battery Park City for projects comprising the Authority’s Sustainability Program; and (2) to pay costs of issuance of the Series 2019A Senior Bonds.

The proceeds of the Series 2019C Senior Bonds, together with other moneys of the Authority (collectively, the “Series 2019C Senior Bonds Available Funds”), will be used: (1) to provide for discrete infrastructure and capital purposes for projects comprising the Authority’s Sustainability Program; and (2) to pay costs of issuance of the Series 2019C Senior Bonds.

The proceeds of the Series 2019B Senior Bonds, together with other moneys of the Authority (collectively, the “Series 2019B Senior Bonds Available Funds” and, collectively with the Series 2019A Senior Bonds Available Funds and the Series 2019C Senior Bonds Available Funds, the “Available Funds”), will be used: (1) to provide for ongoing infrastructure and other capital improvements in Battery Park City; (2) to refund the Refunded Bonds; and (3) to pay costs of issuance of the Series 2019B Senior Bonds.

Capital Program

A portion of the Series 2019 Senior Bonds together with other funds of the Authority will be used to finance ongoing infrastructure and capital improvements in Battery Park City pursuant to the Authority’s approved Capital Plan (the “Capital Plan”). The Capital Plan includes the Sustainability Program Projects as well as general infrastructure and technology projects. The total amount of the Capital Plan is \$204 million and will be funded in two phases, Phase 1 of the Capital Plan (“Phase 1”) and Phase 2 of the Capital Plan (“Phase 2”). Design work under both Phase 1 and Phase 2 is expected to be completed by 2020, with construction expected to occur from 2020 through 2022. Phase 1 will be funded through the issuance of the Series 2019 Senior Bonds in the total amount of approximately \$100 million (the “Phase 1 Capital Plan Projects”). Financing for Phase 2 is expected to be accomplished through the issuance of approximately \$104 million of additional Bonds that are expected to be issued in 2020. Most of the financing under Phase 2 will be for projects under the Authority’s Sustainability Program. As indicated in the following chart, nearly 95% of the Authority’s Capital Plan is expected to be used to fund projects within its Sustainability Program.

Phase 1 and 2 Capital Plan Projects

Total = \$204MM

As discussed in more detail below, approximately \$90 million of the Phase 1 Capital Plan Projects will be funded with the proceeds of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds that will, in aggregate, provide funding for the design and construction of new perimeter storm and flood protection systems, interim flood protection measures, underwater pile remediation, curtain seawall restoration, general restoration, repairs and restoration to a community center, playgrounds, and a nationally significant waterfront art installation. In addition, the Phase 1 Capital Plan Projects will include repairs and restoration to LEED certified buildings, which are Pier A (LEED Gold), and the Community Center (LEED Gold), as well as projects that promote safe walking and cycling accessibility. The Phase 1 Capital Plan also includes approximately \$10 million of general infrastructure projects and information technology projects that will be funded with proceeds of the Series 2019B Senior Bonds.

Debt Limit. The Authority is subject to a statutory debt limit under but has sufficient debt limit capacity to issue the Series 2019 Senior Bonds a portion of which will be used to fund Phase 1 of the Capital Plan. As described above, the Authority intends to finance Phase 2 of the Capital Plan in the amount of approximately \$104 million through the issuance of additional bonds of the Authority which are intended to constitute Sustainability Bonds. Issuance of such additional bonds is expected to require a statutory amendment to increase the Authority's debt limit. A bill to increase the debt limit of the Authority by approximately \$500 million passed the State Assembly (Assembly Bill A8122) and the State Senate (Senate Bill S6411A) on June 20, 2019 and is currently awaiting delivery to the Governor for signature.

BPCA Sustainability Bond Framework; Designation of the Series 2019A and Series 2019C Senior Bonds as Sustainability Bonds

Sustainability Bonds. The Authority is issuing the Series 2019A Senior Bonds and the Series 2019C Senior Bonds as Sustainability Bonds based on the statutory mission of the Authority, the essentiality of its Sustainability Program, and the intended use of proceeds of such Bonds. For a discussion of the Authority's Sustainability Program see, "BATTERY PARK CITY – Sustainability Program," above. The Authority's Sustainability Bonds designation is designed to track the "Green Bond Principles," "Social Bond Principles" and the "Sustainability Bond Guidelines" as promulgated by the International Capital Market Association, and updated most recently in June 2018. The Authority's Sustainability Bonds designation also aims to further "Goal 11: Sustainable Cities and Communities" and "Goal 13: Climate Action" of the United Nations 17

Sustainable Development Goals (referred to as “UNSDGs” generally and “SDG 11” and “SDG 13,” specifically). The UNSDGs were adopted by the United Nations General Assembly in September 2015 as part of its 2030 Agenda for Sustainable Development. SDG 11 is focused on making cities and human settlements inclusive, safe, resilient and sustainable while SDG 13 seeks to take action to combat climate change and its impacts. Holders of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds do not assume any specific project risk and are not entitled to any security other than that described herein. See “SECURITY FOR THE BONDS” herein. The Authority plans to designate certain additional future bonds as Battery Park City Authority Sustainability Bonds when the proceeds will be used to further the sustainability and resiliency goals of the Authority. A summary of the Authority’s Sustainability Bond Framework (the “Sustainability Bond Framework”) follows:

Use of Proceeds. The Series 2019A Senior Bonds and the Series 2019C Senior Bonds are being issued to finance selected Phase 1 Capital Plan Projects. Of the approximately \$100 million of Phase 1 Capital Plan Projects, approximately \$90 million will represent Phase 1 Capital Plan Sustainability Program Projects. A breakdown by project and amount of the Phase 1 Capital Plan Sustainability Program Projects is listed in the below graphics.

Process for Evaluation and Selection. The Authority selected the Phase 1 Capital Plan Sustainability Program Projects due to the socially and environmentally beneficial attributes of the projects which include: adapting to climate change, protecting and improving LEED certified buildings, and promoting open space, accessibility and walkability. The Authority utilized onsite assessments conducted by Authority staff and consultants during its selection of projects for inclusion in its Capital Plan and their priority levels. In addition, the Authority utilized the 2015 Study to develop and implement the recommendations set forth therein based upon available funding sources and urgency assessments. Further, the Authority worked collaboratively with its Board, other third party consultants and engineers, and the various areas of expertise within the Authority to thoroughly vet all contemplated projects and arrive at a list of actionable projects that align with the Authority's resiliency, infrastructure, and social goals.

All selected Phase 1 Capital Plan Sustainability Program Projects will further the Authority's Sustainability Program. The Authority completes robust environmental assessments for capital projects as required by City, State, and federal regulations to protect and enhance Battery Park City's natural environment. Funding timing under Phase 1 of the Capital Plan will be based upon the most immediate needs and project readiness as determined by the Authority. The actual amounts allocated to each project may vary from the amounts listed above and the

Authority may substitute projects that align with the Authority’s Sustainability Program. Final amounts and any material project substitution is expected to be reported annually as described below.

Management of Proceeds. Net of costs of issuance, the proceeds of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds will be deposited into the Sustainability Program Bond Fund held by the Trustee and invested in accordance with the Resolution until disbursed. Funds will be allocated, drawn, and disbursed by the Authority. See “SECURITY FOR THE BONDS” and “APPLICATION OF PROCEEDS” below. The Authority intends to track all allocation and disbursement of proceeds of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds.

Sustainability Bonds Reporting. The Authority intends to provide annual updates at the end of each fiscal year regarding: (i) funds allocated to each project selected by the Authority as a Phase 1 Capital Plan Sustainability Program Project, (ii) a description of each funded Phase 1 Capital Plan Sustainability Program Project, and (iii) the remaining balance of unallocated net proceeds of Series 2019A Senior Bonds and Series 2019C Senior Bonds. See APPENDIX F – “Form of Sustainability Bonds Annual Reporting.”

The Authority intends to publish Sustainability Bonds Annual Reporting on the Authority’s website in the form shown in Appendix F hereto. Once all net proceeds of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds have been spent, no further updates will be provided with respect to the Series 2019A Senior Bonds and the Series 2019C Senior Bonds. This proposed tracking, as well as the bond reporting described above, are voluntary, do not constitute covenants of the Authority and are separate from and are not included in the Authority’s Series 2019 Continuing Disclosure Agreement described under “CONTINUING DISCLOSURE UNDER RULE 15c2-12,” and failure by the Authority to provide such updates shall not be a default or an event of default under the Series 2019 Continuing Disclosure Agreement or any other agreement of the Authority.

Second Party Opinion by Sustainalytics. The Authority has engaged Sustainalytics, a provider of environmental, social, and governance research and analysis, to provide an opinion regarding the Authority’s Sustainability Bond Framework, including its environmental and social credentials and its alignment with the Sustainability Bond Guidelines 2018. After reviewing the Authority’s Sustainability Bond Framework, as well as the Capital Plan and the planned use of the Series 2019A Senior Bonds and the Series 2019C Senior Bonds, Sustainalytics is of the opinion that the Authority’s Sustainability Bond Framework is credible and impactful and aligns with the four core components of the Green Bond Principles 2018 and the Sustainability Bond Guidelines 2018. The opinion finds that the Authority’s approach to selecting projects, which includes Board involvement, to be in line with market best practice. The opinion further finds that the Authority’s Sustainability Bonds advance UNSDG Goals 11 and 13. See APPENDIX G – “Framework Overview and Second Opinion by Sustainalytics” for a copy of the complete opinion.

Bonds to be Refunded

A portion of the Available Funds will be used to redeem the Refunded Bonds on the dates and in the amounts identified in Appendix I hereto.

Modifications to Interest Rate Swaps

The Authority currently has six interest rate swap agreements with a total notional amount of \$342,125,000 hedging a portion of the Authority's Junior Revenue Bonds Series 2013C, Series 2013D, and Series 2013E. Under each of these swap agreements, the Authority pays a fixed rate of 3.452% and receives a floating rate of 65% of 1-Month LIBOR. Prior to or upon the issuance of the Series 2019 Junior Bonds, the Authority expects to convert the floating rate index to SIFMA for a period of up to five years in order to better align with interest payments on the Series 2019 Junior Bonds. The amendment may result in a cost that would change the fixed rate paid (and the frequency of such fixed-rate payments) or the variable rate received; the Authority is targeting a new fixed rate to maturity of approximately 3.50% on each converted swap. The number of swap agreements modified, if any, and tenor of the floating rate conversions are subject to market conditions.

Redemption of Series 2019 Senior Bonds

Optional Redemption

The Series 2019A Senior Bonds and Series 2019B Senior Bonds

The Series 2019B Senior Bonds maturing on or before November 1, 2029 are not subject to optional redemption prior to maturity. The Series 2019A Senior Bonds and the Series 2019B Senior Bonds maturing on and after November 1, 2030 are subject to redemption, in whole or in part, on any Business Day on or after November 1, 2029 at the option of the Authority, from maturities and interest rates and in amounts within maturities and interest rates selected by the Authority, at a redemption price of par plus accrued interest to the redemption date. See “*Selection of Series 2019 Senior Bonds for Redemption*” below.

The Series 2019C Senior Bonds

The Series 2019C Senior Bonds are subject to redemption, in whole or in part, on any Business Day at the option of the Authority at a redemption price equal to the greater of:

(a) the issue price set forth on the inside cover page hereof (but not less than 100%) of the principal amount of such Series 2019C Senior Bonds to be redeemed; or

(b) the sum of the present value of the remaining scheduled payments of principal and interest to the maturity date of such Series 2019C Senior Bonds to be redeemed, not including any portion of those payments of interest accrued and unpaid as of the date on which such Series 2019C Senior Bonds are to be redeemed, discounted to the date on which such Series 2019C Senior Bonds are to be redeemed on a semi-annual basis, assuming a 360-day year consisting of twelve 30-day months, at the Treasury Rate plus 10 basis points;

plus, in each case, accrued interest to the redemption date.

“Treasury Rate” means, with respect to any redemption date for a particular Series 2019C Senior Bond, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (519) that has become publicly available at least two Business Days, but not more than 45 calendar days, prior to the redemption date (excluding inflation indexed securities) (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from the redemption date to the maturity date of the Series 2019C Senior Bond to be redeemed; provided, however, that if the period from the redemption date to such maturity date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

See “*Selection of Series 2019 Senior Bonds for Redemption*” below.

Redemption from Condemnation Proceeds

The Series 2019 Senior Bonds are also subject to mandatory redemption, in whole or in part (and by lot if less than all of a maturity within a series is to be redeemed), at any time prior to maturity, from amounts, if any, received by the Authority due to condemnation proceedings or exercise of the right of eminent domain with respect to any parcel of the Office Tower Leases (or portion thereof) in Battery Park City, at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the date of redemption. In redeeming Series 2019 Senior Bonds from Condemnation Proceeds, Senior Bonds, including the Series 2019A Senior Bonds, Series 2019B Senior Bonds and the Series 2019C Senior Bonds, will be redeemed prior to the redemption of Junior Bonds. Subject to the foregoing restriction, the particular bonds to be redeemed from condemnation proceeds shall be determined by the Authority in its discretion. See “CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES – Other Factors – *Condemnation*” and “APPENDIX B – Definitions and Summary of Certain Provisions of the General Resolution – Covenants of the Authority – Proceeds of Condemnation.” See also “*Selection of Series 2019 Senior Bonds for Redemption*” below.

See “Selection of Series 2019 Bonds for Redemption” below.

Purchase in Lieu of Redemption

By their acceptance of the Series 2019 Senior Bonds, the Bondholders irrevocably grant to the Authority, and any assigns of the Authority with respect to this right, the option to purchase, at any time and from time to time, any Series 2019 Senior Bond which is subject to optional redemption as described above under “*Optional Redemption*” at a purchase price equal to the optional redemption price therefor. To exercise such option, the Authority shall give the holders of the Series 2019 Senior Bonds to be purchased notice of such mandatory tender and purchase in the same manner as a notice of redemption as described below under the subheading “Notice of Redemption.” The purchase of such Series 2019 Senior Bonds shall be mandatory and enforceable against the Bondholders and the Bondholders will not have the right to retain their Series 2019 Senior Bonds. In the case of the purchase of less than all of the Series 2019 Senior Bonds, the particular Series 2019 Senior Bonds to be purchased shall be selected in accordance with the selection process for redemption of Series 2019 Senior Bonds as described below under the subheading “Selection of Series 2019 Senior Bonds for Redemption.” No purchase of the Series 2019 Senior Bonds as described in this paragraph shall operate to extinguish the indebtedness of the Authority evidenced thereby. Notwithstanding the foregoing, no such purchase of the Series 2019 Senior Bonds pursuant to the terms of the Resolution summarized under this subheading shall be made unless the Authority shall have received, concurrently with such purchase, an Opinion of Bond Counsel to the effect that such purchase and any resale thereof will not affect the validity of the Series 2019 Senior Bonds or any exemption from federal income taxation to which the interest on the Series 2019 Senior Bonds would otherwise be entitled.

Selection of Series 2019 Senior Bonds for Redemption

In the event less than all of the Series 2019A Senior Bonds or Series 2019B Senior Bonds of like maturity and tenor are to be redeemed at any time prior to maturity, the Trustee shall select

the particular Series 2019A Senior Bonds, Series 2019B Senior Bonds or portions thereof to be redeemed by lot, using such method of selection as it shall deem proper in its sole discretion.

In the event less than all of the Series 2019C Senior Bonds of like maturity and tenor are to be redeemed at any time prior to maturity, so long as the Series 2019C Senior Bonds are registered in book-entry only form and so long as DTC or a successor securities depository is the sole registered owner of such Series 2019C Senior Bonds, the particular Series 2019C Senior Bonds or portions thereof to be redeemed shall be selected on a pro rata pass-through distribution of principal basis in accordance with DTC procedures so long as DTC's operational procedures allow for redemption on a pro rata pass-through distribution of principal basis. If DTC operational arrangements do not allow for redemption on a pro rata pass-through distribution of principal basis, such Series 2019C Senior Bonds will be selected for redemption, in accordance with DTC procedures, by lot. If the Series 2019C Senior Bonds are not registered in book-entry only form, any redemption of less than all of the Series 2019C Senior Bonds of like maturity and tenor will be allocated among the registered owners of such Series 2019C Senior Bonds on a pro rata basis.

It is the Authority's intent that redemption allocations of the Series 2019C Senior Bonds made by DTC be made on a pro rata pass-through distribution of principal basis as described above. However, none of the Authority or the Underwriters can provide any assurance that DTC, DTC's direct and indirect participants or any other intermediary will allocate the redemption of the Series 2019C Senior Bonds on such basis.

Notice of Redemption

So long as Cede & Co., as nominee of DTC, or any replacement nominee appointed by DTC, is the registered owner of the Series 2019 Senior Bonds, the Trustee will send any notice of redemption of Bonds only to DTC not less than thirty (30) days prior to the redemption date. Any failure of DTC to advise any Participant, or of a Participant to notify the Beneficial Owner, of any such notice and its contents or effect will not affect the validity or sufficiency of the proceedings relating to the redemption of the Series 2019 Senior Bonds called for redemption. See "Book-Entry-Only System" above.

Interest on the Series 2019 Senior Bonds will cease to accrue on the date of redemption thereof, assuming the satisfaction of certain notification and other requirements of the Resolution pertaining to such redemption, including satisfaction of the conditions precedent, if any, stated in the redemption notice. If the conditions precedent, if any, to a redemption of Series 2019 Senior Bonds are not satisfied on the redemption date, then such redemption will be deemed to be cancelled.

City Repurchase Right

As described under "BATTERY PARK CITY – The Site" above, subject to certain contractual requirements, the City has contractual rights to acquire Battery Park City at any time for a nominal consideration once all of the Authority's indebtedness has been repaid or defeased. In connection with the foregoing, the City may, upon furnishing such funds, require the Authority to redeem all Outstanding Bonds in accordance with the terms described under "– Redemption of Series 2019 Senior Bonds – *Optional Redemption*" above.

Amendments to General Resolution

Each of the Series 2019 Resolutions contains an amendment to the General Resolution to modify the definition of “Investment Obligation” to read as follows:

“Investment Obligation” shall mean and include any obligations of the State or of the United States of America or obligations the principal of and interest on which are guaranteed by the State or the United States of America, and any security that is legal for investment of funds by the State Comptroller pursuant to Section 98 of the State Finance Law, including Investment Agreements that are fully collateralized by Permitted Security, in each case if and to the extent that the same are at the time legal for investment of funds of the Authority under the Act.

Holders and Beneficial Owners of the Series 2019 Senior Bonds, by their purchase thereof, shall be deemed to have irrevocably consented to the foregoing amendment to the General Resolution. Upon the issuance of the Series 2019 Senior Bonds, all conditions to the effectiveness of the foregoing amendment will be satisfied and the General Resolution will be so amended.

SECURITY FOR THE BONDS

Limited Obligation

The Authority has no taxing power. Neither the City nor the State shall be liable on the Bonds, and the Bonds shall not be a debt or liability of the City or the State. Neither the faith and credit nor the taxing power of the City or the State are pledged to payment of the principal of or interest on the Bonds nor are the Bonds “moral obligation” bonds secured by a debt service or other reserve fund for which statutory provision for the appropriation of funds has been made. Furthermore, the Bonds are not secured by a mortgage or any other interest in real property of the Authority.

Pledge of the General Resolution

The Pledged Sublease Revenues, Swap Receipts, Condemnation Proceeds, all monies in the Pledged Funds, the investments thereof and the proceeds of such investments, are pledged under the General Resolution for the payment of the principal and Redemption Price of and interest on Senior Bonds (including the Series 2019 Senior Bonds), Junior Bonds (including the Series 2019 Junior Bonds), Senior Reimbursement Obligations, Junior Reimbursement Obligations, Senior Swap Payments, Junior Swap Payments and Subordinated Payments, all in accordance with the terms and provisions of the General Resolution, subject only to the provisions of the General Resolution permitting the application thereof for the purposes and on the terms and conditions set forth in the General Resolution. The pledge of the General Resolution shall be valid and binding from and after the date of adoption of the General Resolution, and the Pledged Sublease Revenues, Swap Receipts, Condemnation Proceeds, all monies in the Pledged Funds, the investments thereof and the proceeds of such investments thereby pledged (collectively, the “Collateral”) shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof.

Pledged Sublease Revenues. “Pledged Sublease Revenues” are defined under the General Resolution as all Sublease Rentals (together, to the extent provided in any Supplemental Resolution, with all or any portion of any money, due and payable to the Authority by or for the account of a Sublessee pursuant to a Sublease, that does not constitute Sublease Rentals).

“Sublease Rentals” are defined under the General Resolution as the money due and payable to the Authority by or for account of a Sublessee pursuant to a Sublease, exclusive of: (i) Civic Facilities Payments and Transaction Payments, (ii) payments in lieu of sales taxes thereunder, (iii) (A) in the case of a Sublease of a parcel other than the Office Tower Leases, rentals thereunder that are not Base Rent, Land Rent, Supplemental Rent, PILOT or real property tax equivalency payments and (B) in the case of a Sublease of the Office Tower Leases, rentals thereunder that are not Base Rent, Additional Base Rent, or PILOT, and (iv) to the extent that the Authority elects to make any payment required to be made by any Sublessee under a Sublease, sums of money reimbursed to the Authority for such payments.

See “CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES” for a discussion of the circumstances under which Pledged Sublease Revenues may be insufficient to pay debt service on the Bonds.

Application of Revenues

Under the General Resolution there is created and established a “Pledged Revenue Fund”, which shall be held by the Trustee. Pursuant to the General Resolution, the Authority obligates and binds itself irrevocably to pay, or cause to be paid, to the Trustee all Pledged Sublease Revenues, Swap Receipts and Build America Bonds subsidy payments as and when actually received by or for the account of the Authority. Monies, including interest earned or other sums received on obligations purchased as an investment of such monies and any profit realized from the sale of such obligations, from time to time in the Pledged Revenue Fund (including monies or the proceeds of any property other than the Pledged Sublease Revenues that may be pledged pursuant to the Resolution and that may be deposited to the credit of the Pledged Revenue Fund) shall be paid out and applied for the uses and purposes for which the same are pledged by the provisions of the Resolution, in the manner provided in the Resolution. Subject to payments to be made from the Pledged Revenue Fund as described below, once a month on any day within the first five Business Days of each calendar month, monies in the Pledged Revenue Fund shall be disbursed and applied by the Trustee as directed in writing by the Authority, in the following order, subject to the provisions of the Resolution:

(a) FIRST, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Project Operating Fund the sum, if any, necessary to increase the amount in the Project Operating Fund so that it equals the Project Operating Fund Requirement;

(b) SECOND, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Senior Payments Account of the Debt Service Fund the sum, if any, necessary to increase the amount in the Senior Payments Account so that it equals the Senior Payments Requirement;

(c) THIRD, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Junior Payments Account of the Debt Service Fund the sum, if any, necessary to increase the amount in the Junior Payments Account so that it equals the Junior Payments Requirement;

(d) FOURTH, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Reserve Fund the sum, if any, necessary to increase the amount in the Reserve Fund so that it equals the Reserve Fund Requirement; and

(e) FIFTH, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Subordinated Payments Fund the sum, if any, necessary to increase the amount in the Subordinated Payments Fund so that it equals the Subordinated Payments Requirement.

As of each November 1, prior to any disbursement from the Pledged Revenue Fund to be made during such calendar month pursuant to the preceding paragraph: (i) first, the Trustee shall

apportion and set apart out of the Pledged Revenue Fund and deposit in the Senior Payments Account of the Debt Service Fund the sum, if any, designated in writing to the Trustee by an Authorized Officer of the Authority as being necessary, together with other amounts expected to be available pursuant to subparagraph (b) above, to make all payments scheduled to be made from the Senior Payments Account during the next three calendar months; (ii) second, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Junior Payments Account of the Debt Service Fund the sum, if any, designated in writing to the Trustee by an Authorized Officer of the Authority as being necessary, together with other amounts expected to be available pursuant to subparagraph (c) above, to make all payments scheduled to be made from the Junior Payments Account during the next five calendar months; (iii) third, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Subordinated Payments Fund the sum, if any, designated in writing to the Trustee by an Authorized Officer of the Authority as being necessary, together with other amounts expected to be available pursuant to subparagraph (e) above, to make all payments scheduled to be made from the Subordinated Payments Fund pursuant to the General Resolution during the next five calendar months; and (iv) fourth, the Trustee shall apportion and set apart out of the Pledged Revenue Fund and deposit in the Residual Fund the balance of funds on deposit in the Pledged Revenue Fund.

Reserve Fund Not Security for Series 2019 Senior Bonds or Series 2019 Junior Bonds

The Reserve Fund established under the General Resolution is solely for the benefit of the holders of the Series 2013A Senior Bonds and any other Beneficiaries designated in accordance with the General Resolution. **The Series 2019 Senior Bonds and Series 2019 Junior Bonds are not secured by the Reserve Fund.**

Additional Bonds

The Authority may issue additional Bonds so long as before or simultaneously with each and any such issuance there is delivered to or filed with the Trustee either (i) a Ratings Confirmation or (ii) a certificate signed by an Authorized Officer stating that the sum of:

(x) the Pledged Sublease Revenues obtained by the Authority during the Historical Test Period (net of Operating Expenses incurred by the Authority during the Historical Test Period), and

(y) income and earnings received by the Authority during the Historical Test Period from the investment of monies held or to be held in trust for the payment of Bonds (other than monies held in trust for, upon and after the defeasance of any Bonds),

for the Historical Test Period, in the current Fiscal Year and in each future Fiscal Year, to and including the Fiscal Year in which the latest final stated maturity of Bonds then or thereupon to be outstanding shall be scheduled to occur, was or will be a sum at least equal to (i) two hundred per centum (200%) of the sum of Aggregate Debt Service payable from the Senior Payments Account of the Debt Service Fund and (ii) one hundred fifty-five per centum (155%) of the sum of Aggregate Debt Service payable from the Senior and Junior Payments Accounts of the Debt Service Fund. The "Historical Test Period" is defined under the General Resolution to mean, as

of any date of calculation, at the option of the Authority, either (i) the most recently completed Fiscal Year for which audited financial statements of the Authority shall have been published, or (ii) the most recently completed period of twelve (12) full calendar months for which the Authority has sufficient data to make the calculations required above.

The Authority may issue Refunding Bonds so long as before or simultaneously with each and any such issuance there is delivered to or filed with the Trustee either (i) Ratings Confirmation or (ii) a certificate signed by an Authorized Officer confirming that for the then current and each future Fiscal Year, to and including the Fiscal Year in which the date of the latest final maturity of outstanding Bonds (including such Refunding Bonds) then or thereupon to be outstanding shall be scheduled to occur, the amount by which the sum of:

(x) the Pledged Sublease Revenues obtained (net of Operating Expenses actually incurred by the Authority) or estimated by the Authority (based upon a report of a Real Estate Consultant, which report shall be dated within 60 days prior to the date of such pledge, assignment or other encumbrance) to be obtainable (net of Operating Expenses estimated by the Authority to be incurred), and

(y) income and earnings estimated by the Authority to be received (such estimate to be certified in writing by an Authorized Officer and a duly authorized officer of each other issuer, respectively) from the investment of monies held or to be held in trust for the payment of Bonds (other than monies held in trust for, upon and after the defeasance of any Bonds),

shall exceed Aggregate Debt Service, will not be reduced (or, in case the sum of items (x) and (y) is less than Aggregate Debt Service, that the amount of such deficit will not be increased) as a result of the issuance of such Refunding Bonds.

Other Security Provisions

Beneficiaries of General Resolution; Amendments. The General Resolution inures to the benefit of the Authority, the Trustee, the Paying Agent and the Beneficiaries and only the Authority, the Trustee and such fiduciaries are entitled to enforce the provisions of the General Resolution. Under certain conditions, the Authority may modify the General Resolution without the consent of any Beneficiaries. See “APPENDIX B – Definitions and Summary of Certain Provisions of the General Resolution – Supplemental Resolutions” and “Amendments of Resolution.”

Operation of Battery Park City. Under the General Resolution, the Authority covenants that it will maintain and operate Battery Park City, or cause Battery Park City to be operated and maintained, including the enforcement of the Authority’s rights under each Sublease of a parcel from which the Authority derives Pledged Sublease Revenues, under the same standard of care as would be applied by an owner or operator of similar property in like circumstances.

Amendment of Master Lease and Specified Subleases. Except for restrictions relating to the Authority’s disposition of parcels in Battery Park City, there are no restrictions in the Resolution with respect to the ability of the Authority to amend the Master Lease or the Specified Subleases, and all such amendments are solely within the operational discretion of the Authority.

There can be no assurance that such amendments, if implemented, will not have an adverse effect on Pledged Sublease Revenues.

No Acceleration of the Bonds. Neither the Trustee nor any holder of the Bonds may declare or has any right to declare any of the Bonds due and payable in advance of stated maturity. For a description of remedies under the General Resolution and limitations thereon following the occurrence of an event of default under the General Resolution, see “APPENDIX B – Definitions and Summary of Certain Provisions of the General Resolution – Defaults and Remedies.”

TAX MATTERS

The Series 2019A and Series 2019B Senior Bonds

General

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Series 2019A Senior Bonds and the Series 2019B Senior Bonds (collectively, the “Tax-Exempt Bonds”) is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Tax-Exempt Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code. In rendering such opinion, Hawkins Delafield & Wood LLP has relied on certain representations, certifications of fact, and statements of reasonable expectations made by, as applicable, the Authority and others, and Bond Counsel has assumed compliance by, as applicable, the Authority and others with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Tax-Exempt Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel, under existing statutes, interest on the Tax-Exempt Bonds is exempt from personal income taxes imposed by the State of New York or any political subdivision thereof (including The City of New York).

Bond Counsel expresses no opinion as to any other federal, state or local tax consequences arising with respect to the Tax-Exempt Bonds, or the ownership or disposition thereof, except as stated above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the Tax-Exempt Bonds.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Tax-Exempt Bonds in order that interest on the Tax-Exempt Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Tax-Exempt Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Tax-Exempt Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Authority and others, as applicable, have covenanted to comply with certain applicable

requirements of the Code to assure the exclusion of interest on the Tax-Exempt Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Tax-Exempt Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Tax-Exempt Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Tax-Exempt Bonds.

Prospective owners of the Tax-Exempt Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Tax-Exempt Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Bond Premium

In general, if an owner acquires a Tax-Exempt Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Tax-Exempt Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that Bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner’s original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

Information Reporting and Backup Withholding

Information reporting requirements apply to interest (including OID) paid on tax-exempt obligations, including the Tax-Exempt Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a Tax-Exempt Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the Tax-Exempt Bonds from gross income for Federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s Federal income tax once the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Tax-Exempt Bonds under Federal or state law or otherwise prevent beneficial owners of the Tax-Exempt Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Tax-Exempt Bonds.

Prospective purchasers of the Tax-Exempt Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Tax-Exempt Bonds is set forth in Appendix E hereto.

The Series 2019C Senior Bonds

General

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Authority, interest on the Series 2019C Senior Bonds (the “Taxable Bonds”) (i) is included in gross income for Federal income tax purposes pursuant to the Code and (ii) is exempt, under existing statutes, from personal income taxes imposed by the State of New York or any political subdivisions thereof (including The City of New York).

The following discussion is a summary of the principal United States Federal income tax consequences of the acquisition, ownership and disposition of the Taxable Bonds by original

purchasers of the Taxable Bonds who are U.S. Holders (as defined below). This summary is based on the Code, Treasury regulations, revenue rulings and court decisions, all as now in effect and all subject to change at any time, possibly with retroactive effect. This summary assumes that the Taxable Bonds will be held as “capital assets” under the Code, and it does not discuss all of the United States Federal income tax consequences that may be relevant to a U.S. Holder in light of its particular circumstances or to U.S. Holders subject to special rules, such as insurance companies, financial institutions, tax-exempt organizations, dealers in securities or foreign currencies, persons holding the Taxable Bonds as a position in a “hedge” or “straddle” for United States Federal income tax purposes, U.S. Holders whose functional currency (as defined in Section 985 of the Code) is not the United States dollar, U.S. Holders who acquire Taxable Bonds in the secondary market, or individuals, estates and trusts subject to the tax on unearned income imposed by Section 1411 of the Code. Each prospective purchaser of the Taxable Bonds should consult with its own tax advisor concerning the United States Federal income tax and other tax consequences to it of the acquisition, ownership and disposition of the Taxable Bonds as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Certain taxpayers that are required to prepare certified financial statements with certain regulatory or governmental agencies may be required to recognize income, gain and loss with respect to the Taxable Bonds at the time that such income, gain or loss is taken into account on such financial statements instead of under the rules described below.

As used herein, the term “U.S. Holder” means a beneficial owner of a Taxable Bond that is for United States Federal income tax purposes (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States Federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

U.S. Holders—Interest Income

Interest on the Taxable Bonds is included in gross income for United States Federal income tax purposes.

U.S. Holders—Disposition of Taxable Bonds

Except as discussed above, upon the sale, exchange, redemption, or other disposition (which would include a legal defeasance) of a Taxable Bond, a U.S. Holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such U.S. Holder’s adjusted tax basis in the Taxable Bond. A U.S. Holder’s adjusted tax basis in a Taxable Bond generally will equal such U.S. Holder’s initial investment in the Taxable Bond, increased by any OID included in the U.S. Holder’s income with respect to the Taxable Bond and decreased by the amount of any payments, other than qualified stated interest payments, received and bond premium amortized with respect to such Taxable Bond. Such gain or loss generally will be long-term capital gain or loss if the Taxable Bond was held for more than one year.

U.S. Holders—Defeasance

U.S. Holders of the Taxable Bonds should be aware that, for Federal income tax purposes, the deposit of moneys or securities in escrow in such amount and manner as to cause the Taxable Bonds to be deemed to be no longer outstanding under the Resolutions (a “defeasance”) (See “Appendix A—Summary of Certain Provisions of the General Resolution”), could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, for Federal income tax purposes, the character and timing of receipt of payments on the Taxable Bonds subsequent to any such defeasance could also be affected. U.S. Holders of the Taxable Bonds are advised to consult with their own tax advisors regarding the consequences of a defeasance for Federal income tax purposes, and for state and local tax purposes.

U.S. Holders—Backup Withholding and Information Reporting

In general, information reporting requirements will apply to non-corporate U.S. Holders with respect to payments of principal, payments of interest, and the accrual of OID on a Taxable Bond and the proceeds of the sale of a Taxable Bond before maturity within the United States. Backup withholding at a rate provided for in the Code will apply to such payments and to payments of OID unless the U.S. Holder (i) is a corporation or other exempt recipient and, when required, demonstrates that fact, or (ii) provides a correct taxpayer identification number, certifies under penalties of perjury, when required, that such U.S. Holder is not subject to backup withholding and has not been notified by the Internal Revenue Service that it has failed to report all interest and dividends required to be shown on its United States Federal income tax returns.

Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner’s United States Federal income tax provided the required information is furnished to the Internal Revenue Service.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Taxable Bonds under state law and could affect the market price or marketability of the Taxable Bonds.

Prospective purchasers of the Taxable Bonds should consult their own tax advisors regarding the foregoing matters.

The proposed form of the opinion of Hawkins Delafield & Wood LLP relating to the Series 2019C Senior Bonds is set forth in Appendix E hereto.

AUTHORITY LITIGATION

The Authority believes that there is no litigation of any nature now pending or threatened against the Authority contesting or affecting the validity of the Master Lease or the Specified Subleases. The Authority believes that there is no litigation of any nature now pending or threatened restraining or enjoining or seeking to restrain or enjoin the issuance, sale, execution or

The Authority experiences routine litigation and claims in connection with its operation and ownership of Battery Park City, the conduct of its affairs and the ownership of its properties, which seek to recover damages for alleged personal injuries, loss of service or medical expenses. The anticipated cost of any recovery, and the estimated costs and expenses in the defense of such pending or threatened actions or matters are, in the opinion of the Authority, not expected to materially and adversely affect the Authority's financial condition or are covered by insurance of the Authority and/or other parties.

AUTHORITY FINANCIAL STATEMENTS AND INDEPENDENT ACCOUNTANTS

The financial statements of the Authority as of and for the fiscal years ended October 31, 2018 and 2017 included in Appendix A hereto, have been audited by Marks Paneth LLP, independent accountants, as stated in their report appearing therein.

Such verification was based solely upon information and assumptions supplied to the Verification Agent by the Underwriters.

The Verification Agent has not made a study or evaluation of the information and assumptions on which such computations are based and, accordingly, has not expressed an opinion on the data used, the reasonableness of the assumptions, or the achievability of the forecasted outcome.

Independent Auditors' Report

To the Members of
Hugh L. Carey Battery Park City Authority:

Report on the Financial Statements

We have audited the accompanying financial statements of Hugh L. Carey Battery Park City Authority (the "Organization"), a component unit of the State of New York, as of and for the years ended October 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of October 31, 2018 and 2017, and the related changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3 through 18, the schedule of the Organization's proportionate share of the net pension liability and related ratios on page 60, the schedule of employer contributions on page 61, and the schedule of changes in total OPEB liability and related ratios on page 62, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the basic financial statements as a whole. The supplementary information shown on pages 63 through 72 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 31, 2019 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Management's Discussion and Analysis

October 31, 2018 and 2017 (Unaudited)

Overview

The following is an overview of the financial activities of Hugh L. Carey Battery Park City Authority (the "Authority") and the Battery Park City Parks Conservancy (the "Conservancy"), a blended component unit of the Authority, collectively referred to as the "Organization" for the fiscal years ended October 31, 2018 and 2017. The basic financial statements, which include the statements of net position (deficit), the statements of revenues, expenses, and changes in net position (deficit), the statements of cash flows, and the notes to the financial statements, provide information about the Organization in accordance with accounting principles generally accepted in the United States of America. All transactions between the Authority and Conservancy have been eliminated. The financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting.

Comparison of 2018 to 2017 and 2017 to 2016

Financial Highlights – 2018

- The fiscal year ended October 31, 2018 yielded a total of \$307.2 million in operating revenues, representing an increase of \$11.9 million or 4.0% over the prior fiscal year. Payments in lieu of real estate taxes ("PILOT") revenue totaling \$230.4 million (75% of the Authority's operating revenues for the fiscal year ended October 31, 2018) increased \$11.7 million or 5.3% compared to the fiscal year ended October 31, 2017. Base rent increased \$891 thousand or 1.5% to \$61.8 million for the fiscal year ended October 31, 2018. Civic facilities payments and other operating revenues decreased \$664 thousand or 4.6% to \$13.7 million for the fiscal year ended October 31, 2018. Total operating expenses decreased \$588 thousand or 1.2% to \$47.2 million for the fiscal year ended October 31, 2018.
- A payment of \$149.0 million was made in June 2018 towards the provision for the transfer to the City of New York (the "City") for the fiscal year ended October 31, 2017. A \$154.8 million provision was recorded representing the PILOT-related portion of fiscal year 2018 excess revenues charged to nonoperating expenses for the fiscal year ended October 31, 2018 (see note 13). This was an increase of \$5.8 million over the amount recorded for fiscal year October 31, 2017. Generally, the Authority's net position decreases with increases in the amount of excess revenues provided to the City, which has an adverse effect on the Authority's net position.
- A payment of \$42.0 million was made in October 2018 towards the provision for the transfer to the City for the "pay-as-you-go" capital payment for the fiscal year ended October 31, 2017. As of October 31, 2018, pursuant to the 2010 Agreement (see note 13), the Authority recorded an additional provision for the transfer of \$41.7 million to the City for the fiscal year ended October 31, 2018, a decrease of \$300 thousand under the amount recorded for fiscal year October 31, 2017.
- As of October 31, 2018, \$36.0 million remained in the Project Cost funds to be used for certain park, street, other infrastructure improvements, and other capital expenditures (see note 8), as compared to \$42.2 million as of October 31, 2017.

Financial Highlights – 2017

- The fiscal year ended October 31, 2017 yielded a total of \$295.3 million in operating revenues, representing an increase of \$16.2 million or 5.8% over the prior fiscal year. PILOT revenue totaling \$218.7 million (74% of the Authority's operating revenues for the fiscal year ended October 31, 2017) increased \$13.7 million or 6.7%

Total operating expenses increased \$1.5 million or 3.3% to \$47.8 million for the fiscal year ended October 31, 2017.

- A payment of \$135.8 million was made in June 2017 towards the provision for the transfer to the City of New York for the fiscal year ended October 31, 2016. A \$149 million provision was recorded representing the PILOT-related portion of fiscal year 2017 excess revenues that was charged to nonoperating expense for the fiscal year ended October 31, 2017, an increase of \$13.8 million as compared to the fiscal year ended October 31, 2016. - As of October 31, 2017, \$42.2 million remained in the Project Cost funds to be used for certain park, street, other infrastructure improvements, and other capital expenditures, as compared to \$68.8 million as of October 31, 2016.

Summary Statement of Net Position

The summary statement of net position presents the financial position of the Organization. The net position (deficit) is the difference between total assets plus total deferred outflows of resources and total liabilities plus the deferred inflows of resources. A summarized comparison of the Organization's assets, deferred outflows of resources, liabilities, deferred inflows of resources, and net position (deficit) at October 31, 2018, 2017 and 2016 follows:

At October 31, 2018, the Organization maintained total assets and deferred outflows of resources of \$1.06 billion, \$23.0 million lower than the \$1.09 billion at October 31, 2017, primarily due to the improvement in the fair market value of the interest rate swap and the use of bond proceeds for capital purposes.

Bank deposits, investments, and rents and other receivables held at October 31, 2018 increased \$13.3 million over the same period last year. Bank deposits and investments increased by \$11.7 million and rents and other receivables increased by \$1.6 million. The increase in bank deposits and investments primarily relates to the re-allocation of civic facilities maintenance, retail revenue and transaction payments deposits from the bond resolution pledged revenue funds to the bond resolution unpledged revenue funds in fiscal year 2018 as compared to the prior fiscal year. The increase in rents and other receivables of \$1.6 million is due to the increase in uncollected receipts of base rent and PILOT in the current year.

2017 vs. 2016

Bank deposits, investments, and rents and other receivables held at October 31, 2017 decreased \$5.6 million over the same period last year. The decrease in bank deposits and investments primarily relates to a one-time upfront rent payment of \$4 million in the prior fiscal year. The decrease in rents and other receivables of \$1.5 million relates to receipts of \$1.2 million in PILOT receivables in the prior year that were collected in the current fiscal year. Additionally, there was a decrease of \$587 thousand in the Build America Bonds subsidy refund receivable compared to the prior year.

2018 vs. 2017

The Organization's total liabilities decreased \$57.9 million from \$1.68 billion at October 31, 2017 to \$1.62 billion at October 31, 2018.

Total liabilities comprise amounts due to the City, accrued interest on bonds, unearned revenue, security and other deposits, postemployment benefits, outstanding bonds, fair value of interest rate swaps, imputed borrowing and accounts payable and accrued expenses and bond resolution fund payables.

The \$57.9 million decrease in total liabilities is due to:

- a \$231 thousand decrease in accrued interest payable on bonds from \$16.7 million at October 31, 2017 to \$16.4 million at October 31, 2018.
- a \$861 thousand decrease in accounts payable and other liabilities from \$4.8 million at October 31, 2017 to \$3.9 million at October 31, 2018. The decrease is primarily due to \$861 thousand less of accrued expenses at fiscal year-end as compared to the prior fiscal year-end.
- a \$1.6 million decrease in accrued pension payable relates to the Authority's liability portion of the New York State pension plan.
- a \$154.8 million liability was recorded as of October 31, 2018, which includes fiscal 2018 PILOT-related excess revenues to be transferred to the City, an increase of \$5.8 million from the prior fiscal year provision of \$149.0 million.
- a \$41.7 million liability was recorded as of October 31, 2018, as an expected payment to the City under the provisions of the 2010 Agreement. A payment of \$42.0 million was made in October 2018 towards the provision for the transfer to the City for the "pay-as-you-go" capital payment for the fiscal year ended October 31, 2017.
- a \$11.5 million decrease to \$287.3 million in total unearned revenue from \$298.8 million at October 31, 2017 due to revenue of \$11.5 million recognized on leases.
- a \$452 thousand increase in total security and other deposits to \$28.4 million at October 31, 2018. Security deposits are held for condominium sites and not rental sites.
- a net increase of \$1.9 million in OPEB liability as the Organization implemented GASB 75 during the current year. The effect of the implementation did not have a material impact to the Organization's financial statements.
- the interest rate swap agreements, which continue in effect and continue as an effective hedge, had a negative fair value of \$17.8 million at October 31, 2017. At October 31, 2018, the interest rate swaps had a positive fair value of \$147 thousand. The positive fair value has been included as an asset and a deferred inflow of resources in the Authority's statement of net position (deficit).
- a \$3.8 million decrease in the imputed borrowing represents the current year amortization of the fair value of the bifurcated swaps. The \$70.1 million is being amortized using the straight-line method over the remaining life of the original 2003 bonds (see note 10).
- a \$413 thousand decrease in 2009 Revenue Bonds outstanding relating to the payment of principal of \$340 thousand and a \$73 thousand decrease due to the amortization of the net bond premium (see note 16).
- a \$29.9 million decrease in 2013 Revenue Bonds outstanding relating to the payment of \$27.1 million and a \$2.8 million decrease due to the amortization of the net bond premium (see note 16).

The Organization's total liabilities decreased \$86.9 million from \$1.76 billion at October 31, 2016 to \$1.68 billion at October 31, 2017.

Total liabilities comprise amounts due to the City, accrued interest on bonds, unearned revenue, security and other deposits, postemployment benefits, outstanding bonds, fair value of interest rate swaps, imputed borrowing and accounts payable and accrued expenses and bond resolution fund payables.

The \$86.9 million decrease in total liabilities is due to:

- a \$322 thousand decrease in accrued interest payable on bonds from \$17 million at October 31, 2016 to \$16.7 million at October 31, 2017.
- a \$5.1 million decrease in accounts payable and other liabilities from \$9.8 million at October 31, 2016 to \$4.8 million at October 31, 2017. The decreases are primarily due to \$2.9 million of accrued expenses for the investment purchases that were in transit at October 31, 2016, as well as a decrease of \$1.9 million of accrued capital expenditures compared to the prior fiscal year.
- a \$99 thousand increase in accrued pension payable relates to the Authority's liability portion of the New York State pension plan.
- a \$149 million liability was recorded for the fiscal year ended October 31, 2017, which includes fiscal 2017 PILOT-related excess revenues to be transferred to the City, an increase of \$13.1 million from the prior fiscal year provision of \$135.9 million.
- a \$42 million liability was recorded for the fiscal year ended October 31, 2017, as an expected payment to the City under the provisions of the 2010 Agreement. - a \$9.4 million decrease to \$298.8 million in total unearned revenue from \$308.2 million at October 31, 2016 due to revenue of \$9.4 million recognized on leases.
- a \$223 thousand increase in total security and other deposits to \$27.9 million at October 31, 2017. Security deposits are held for condominium sites and not rental sites.
- a \$1.9 million net increase in OPEB liability relating to the annual normal cost incurred for current employees and interest expense, offset by actual costs for retiree benefits paid. The Organization had a \$38.3 million OPEB liability at October 31, 2017. The annual required OPEB obligation is increased by normal costs for current employees and interest expense and offset by an amortization credit and the actual cost of retiree benefits paid during the year.
- the interest rate swap agreements, which continue in effect and continue as an effective hedge, had a negative fair value of \$17.8 million at October 31, 2017. The negative fair value of \$17.8 million is recorded as a deferred outflow of resources and a liability on the Authority's statement of net position. This value decreased \$17.3 million, from a negative fair value of \$35 million at October 31, 2016.
- a \$3.8 million decrease in the imputed borrowing represents the current year amortization of the fair value of the bifurcated swaps. The \$70.1 million is being amortized using the straight-line method over the remaining life of the original 2003 bonds.

HUGH L. CAREY BATTERY PARK CITY AUTHORITY

(A Component Unit of the State of New York)

Notes to Financial Statements

October 31, 2018 and 2017

(1) General

Hugh L. Carey Battery Park City Authority (the “Authority”) is a public benefit corporation created in 1968 under the laws of the State of New York (the “State”) pursuant to the Battery Park City Authority Act (the “Act”) and is a legally separate entity from the State. The Authority has been doing business as the Hugh L. Carey Battery Park City Authority since 1999. For financial reporting purposes, the Authority is a component unit of the State and is included in the State’s comprehensive annual financial report.

The Authority’s reporting entity comprises itself and the Battery Park City Parks Conservancy (the “Conservancy”). The Conservancy was incorporated on December 2, 1987 as a New York not-for-profit corporation and is a blended component unit of the Authority in accordance with Governmental Accounting Standards Board (“GASB”) standards. The Conservancy’s assets, liabilities, and results of operations are combined with the operations of the Authority for financial reporting purposes (see note 20).

The Authority and its blended component unit, the Conservancy, are referred to collectively as “the Organization” in the financial statements. All significant transactions between the Authority and the Conservancy have been eliminated.

The Act sets forth the purposes of the Authority, including: the improvement of the Battery Park City project (the “Project”) area; the creation in such area, in cooperation with the City of New York (the “City”) and the private sector, of a mixed commercial and residential community; and the making of loans secured by first mortgages to any housing company organized to provide housing within the project area pursuant to the New York State Private Housing Finance Law. The Act also authorizes the Authority to pledge and assign revenues to secure financing for low- and moderate-income housing developments outside the project area, as well as issue bonds for the purposes of furthering the development of a commodities and futures exchange facility in Battery Park City, repaying certain State appropriations, and making a payment to the City and the State (see note 9).

The Act provides that the Authority and its corporate existence shall continue until terminated by law, provided, however, that no such law shall take effect so long as the Authority shall have bonds, notes, and other obligations outstanding, unless adequate provision has been made for the payment of those obligations.

(2) Description of Project

The Project consists of approximately 92 acres of landfill created, owned, and operated by the Authority (see note 4). The Project’s development plan includes approximately 35 acres of parkland and open spaces and provides for the construction, by private developers, of approximately 10.7 million square feet of office space, retail space, a marina, two hotels, a multiplex cinema, museums, three public schools, a community center, a public library, four not-for-profit condos owned by the Authority, and approximately 8,600 residential units (see notes 5, 6, and 7).

The Authority also owns and controls significant air rights throughout the Project. Ground rents, payments in lieu of real estate taxes (“PILOT”), and other lease payments are received under the ground leases, all expiring in 2069. All sites on the Project have been developed.

(3) Summary of Significant Accounting Policies

(a) Financial Reporting

The Organization follows accounting principles generally accepted in the United States of America (“U.S. GAAP”) as promulgated by GASB.

HUGH L. CAREY BATTERY PARK CITY AUTHORITY

(A Component Unit of the State of New York)

Notes to Financial Statements

October 31, 2018 and 2017

The Organization's financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under this basis, revenues are recognized in the period they are earned and expenses are recognized in the period they are incurred.

(b) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect amounts reported and disclosed in the financial statements and related notes. Estimates include reserves for doubtful accounts, useful lives of project assets, net pension liability and other postemployment benefits. Actual results could differ from those estimates.

(c) Project Assets

Costs incurred by the Authority in developing the Project as of October 31, 2018 and 2017 are capitalized as project assets and are classified as follows:

	Balance at October 31, 2017	Additions	Deletions	Balance at October 31, 2018
Land	\$ 83,015,653	—	—	83,015,653

Residential building and condominiums	137,044,958	135,337	—	137,180,295
Total project assets	656,944,087	5,125,601	—	662,069,688

Total accumulated depreciation	144,666,901	9,605,047	—	154,271,948
Net project assets	\$ 512,277,186	(4,479,446)	—	507,797,740

HUGH L. CAREY BATTERY PARK CITY AUTHORITY

Notes to Financial Statements

October 31, 2018 and 2017

	Balance at October 31, 2016	Additions	Deletions	Balance at October 31, 2017
Land	\$ 83,015,653	—	—	83,015,653
Site improvements	412,761,516	24,121,960	—	436,883,476
Residential building and condominiums	136,974,472	70,486	—	137,044,958
Total project assets	632,751,641	24,192,446	—	656,944,087
Less: accumulated depreciation:				
Site improvements	103,872,131	8,151,865	—	112,023,996

Total accumulated depreciation	135,370,261	9,296,640	—	144,666,901
Net project assets	\$ 497,381,380	14,895,806	—	512,277,186

The Authority records project assets at historical cost. The costs of normal maintenance of the Project that do not add to the value of the Project or extend its useful life are not capitalized. Upon completion, site improvement costs, which consist principally of infrastructure, streets, and civic and public facilities, are being depreciated by the straight-line method over the remaining lease years (to 2069). Interest costs incurred during construction related to cost of infrastructure and facilities for phases being developed were capitalized until such phases were substantially completed and ready for construction of buildings. The residential building is being depreciated over a useful life of 50 years and the condominium units through the first appraisal date of each lease.

(d) Revenue from Ground Leases

Revenue from ground leases is recognized as income as such amounts become receivable under the provisions of each lease, except that PILOT and upfront lease payments received in advance of the period to which they apply are deferred and recognized as income during future periods. Given the nature of the Authority's operations, revenue from ground leases and related fees and agreements are considered operating revenues. All other revenues are considered nonoperating. In accordance with the lease terms, the Authority received upfront lease payments in fiscal periods prior to 2018 of \$40.7 million, \$60 million, \$42.5 million, \$22.5 million, \$33.9 million, \$4.75 million and \$4 million from residential buildings on Site 22, Site 16/17, Site 3, Site 23, Site 24, Site 2A and Site 13, respectively.

In August 2005, the Site 26 commercial ground lease was signed providing for a one-time lump sum base rent payment of \$161 million to be deposited with an escrow agent, which was paid in June 2007. In fiscal year ended October 31, 2010, the Authority received \$169.3 million from the escrow account as the project was completed and various conditions were performed by the City. Base rent revenue relating to the one-time payment is being recognized on a pro rata basis over the lease term, which ends in 2069.

(e) Investments

The Authority carries all investments at fair value. Inherent risks that could affect the Authority's ability to provide services and meet its obligations as they become due are reported in accordance with U.S.

GAAP. The Authority's permitted investments include: (i) 100% U.S. government guaranteed securities (U.S. Treasury notes, bonds, strips, T-bills, Ginnie Mae securities); (ii) notes, bonds, debentures, and mortgages of U.S. government-sponsored agencies provided that its obligations receive the highest credit rating at the time of purchase from all rating agencies that rate the obligation; (iii) obligations of any corporation organized under the laws of any state in the United States maturing within 270 days provided that such obligations receive the highest rating of two independent rating services (commercial paper); (iv) municipal bonds issued by the State of New York, its counties, towns and cities and New York authorities; and (v) the general obligations of any state provided that such obligations receive the highest rating by at least one rating agency. The Organization maintains its cash in bank accounts that are fully collateralized or backed by the Federal Deposit Insurance Corporation ("FDIC") or letters of credit. All investments held in funds and accounts established in accordance with bond resolutions are held as trust assets by the trustee banks in the Authority's name.

Total investments held by the Authority at October 31, 2018 and 2017, included within the statements of net position (deficit) as investments, corporate designated, escrowed and OPEB funds, bond resolution funds (see note 8) and residential lease required fund accounts, are as follows:

(a) Portfolio weighted average effective duration

As of October 31, 2018 and 2017, restricted assets included cash and cash equivalents and investments with less than 91-day maturities amounting to \$135,527,007 and \$166,595,352, respectively.

The Authority's investment objectives for the portfolio are legal compliance, safety of principal, to meet liquidity requirements and to maximize legally allowable return.

HUGH L. CAREY BATTERY PARK CITY AUTHORITY

(A Component Unit of the State of New York)

Notes to Financial Statements

October 31, 2018 and 2017

Interest rate risk is the probability of loss on investments from future changes in interest rates, which can adversely affect their fair value. Duration is a measure of a debt investment's exposure to fair value changes arising from changes in interest rates. It uses the present value of cash flows, weighted for those cash flows as a percentage of the investment's full price. Effective duration takes into account the change in cash flow expectations of securities with embedded options such as callable bonds and mortgage-backed securities. The interest rate risk of the Authority's portfolio is measured according to effective duration.

Investments of amounts in funds and accounts established under the various 2003 General Bond Resolution, and the 2009 and 2013 Revenue Bond Resolutions are presently restricted to obligations of the State, U.S. government and its agencies, or in any other obligations in which the Comptroller of the State of New York is authorized to invest pursuant to Section 98 of the State Finance Law.

Corporate-designated and escrowed funds represent funds designated by the Authority's board of directors for specific purposes such as budget reserves, the Special Fund (see note 12), project contingency reserves, restoration reserves, insurance reserves, and arbitrage reserves and funds designated for the payment of medical benefits to the Authority's retirees (OPEB funds).

Residential lease required funds represent funds held by the Authority in accordance with its residential leases. These funds are largely comprised of security and escrow deposits held by the Authority for the residential buildings.

(f) Net Position (Deficit)

The Organization's net position (deficit) is classified in the following categories: invested in capital assets, net of related debt; restricted assets; and unrestricted assets. Invested in capital assets (net of related debt) consists of project assets, net of accumulated depreciation and deferred costs reduced by the outstanding balance of debt attributable to the acquisition, construction, or improvement of those assets. Restricted assets consist of assets restricted for specific purposes by law or by parties external to the Organization. Unrestricted assets consist of assets that are not classified as invested in capital assets (net of related debt) or assets that are not restricted. When both restricted and unrestricted resources are available for use, it is the Authority's policy to use restricted resources first, consistent with any respective restrictions, and then to use unrestricted resources as they are needed.

(g) Bond Insurance Costs

The bond insurance costs for the 2003 Bonds are included in unamortized loss on extinguishment of debt in deferred outflows of resources and are amortized using the straight-line method over the remaining period to the maturity of the extinguished bonds (see note 12).

(h) Statements of Cash Flows

For the purpose of the statements of cash flows, the Organization considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

Notes to Financial Statements

October 31, 2018 and 2017

(i) Other Postemployment Benefits

GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* (“GASB 75”) governs the specifics of accounting for public other postemployment benefit (“OPEB”) plan obligations for participating employers and is required to be implemented for employer fiscal years beginning after June 15, 2017. GASB 75 requires a liability for OPEB obligations, known as the net OPEB liability (total OPEB liability for unfunded plans), to be recognized in the statements of net position (deficit) of participating employers. Changes in the net OPEB liability will be immediately recognized as OPEB expense in the statement of revenues, expenses and changes in net position (deficit) or reported as deferred inflows/outflows of resources depending on the nature of the change. GASB 75 establishes standards for the measurement, recognition, and financial statement presentation of OPEB expenses and related liabilities (assets), note disclosures, and, if applicable, required supplementary information in the financial reports of state and local governmental employers. For the year ended October 31, 2018, the Authority implemented GASB 75 and the effect of the implementation did not have a material impact to the Authority’s financial statements (see note 18).

(j) Accounting and Financial Reporting for Derivative Instruments, Deferred Outflows and Inflows of Resources, and Net Position

On October 23, 2013, the Authority currently refunded its Series 2003 bonds. The interest rates on these bonds were effectively hedged by interest rate swaps, which were bifurcated as of the date of the current refunding. Accordingly, the fair value of the interest rate swaps on October 23, 2013 of negative \$70.1 million was recorded as an imputed borrowing by the Authority. The Authority also recorded the \$70.1 million as a deferred cost of refunding and reduced the deferred outflow of resources that had been recorded to offset the negative fair value of the interest rate swap to zero. These amounts are being amortized on a straight line basis over the remaining life of the swaps and were \$51 million and \$55 million at October 31, 2018 and 2017, respectively. Apart from the imputed borrowing, the interest rate swap agreements, which continue in effect and continue as an effective hedge, had a negative fair value of \$17.8 million at October 31, 2017. The fair value increased to a positive fair value of \$147 thousand at October 31, 2018. This positive fair value is recorded as a deferred inflow of resources and an asset on the Authority’s statement of net position (deficit).

(k) Fair Value Measurement and Application

GASB No. 72, *Fair Value Measurement and Application*, requires the reporting of all assets and liabilities measurable at fair value to be disclosed in accordance with a defined fair value hierarchy. The fair value hierarchy prioritizes the inputs used to measure fair value into three broad levels (Levels 1, 2 and 3), moving from quoted prices in active markets in Level 1 to unobservable inputs in Level 3.

Level 1 inputs – observable, quoted prices for identical assets or liabilities in active markets.

Level 2 inputs – quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in markets that are not active; and inputs other than quoted prices e.g. interest rates and yield curves.

Level 3 inputs – unobservable inputs for the asset or liability. These should be based on the best information available. The Organization should utilize all reasonably available information, but need not incur excessive cost or effort to do so. However, it should not ignore information that can be obtained without undue cost and effort. As such, the reporting entity's own data should be adjusted if information is reasonably available without undue cost and effort.

The fair value measurement of the Organization's assets and liabilities at October 31, 2018 and 2017 are as follows:

	October 31, 2018

(l) Tax Abatements

The primary objective of GASB 77 is to disclose the nature and magnitude of the reduction in tax revenues through tax abatement programs. The New York State Real Property Tax Code, Article 4, Title 2, allows for partial City property tax exemptions, namely 421a abatements for residential condominiums and 467a tax abatements for residential real property held in the cooperative or condominium form of ownership. The City determines the properties within the Project eligible for the tax abatements and the Authority administers the abatements to qualified properties by reducing future PILOT billings.

The 421a tax abatements for the years ended October 31, 2018 and 2017 were \$22.0 million and \$24.9 million, respectively.

The 467a tax abatements for the years ended October 31, 2018 and 2017 were \$6.3 million and \$6.2 million, respectively.

(m) New Accounting Pronouncements

GASB Statement No. 84, *Fiduciary Activities*, (“GASB 84”) is effective for reporting periods beginning after December 15, 2018. GASB 84 establishes criteria for identifying fiduciary activities of all state and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities. The Authority has not completed the process of evaluating the effect of GASB 84 on its financial statements.

GASB Statement No. 85, *Omnibus 2017*, (“GASB 85”) is effective for reporting periods beginning after June 15, 2017. This statement addresses a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and postemployment benefits

Notes to Financial Statements

(pensions and other postemployment benefits (OPEB)). The adoption of GASB 85 did not have an impact on the financial statements.

GASB Statement No. 86, *Certain Debt Extinguishment Issues*, (“GASB 86”) is effective for reporting periods beginning after June 15, 2017. The primary objective of GASB 86 is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets are acquired with only existing resources – resources other than the proceeds of refunding debt. This statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished. The Authority has not completed the process of evaluating GASB 86, but does not expect it to have an impact on the Authority’s financial statements.

GASB Statement No. 87, *Leases*, (“GASB 87”) is effective for reporting periods beginning after December 15, 2019. The objective of GASB 87 is to improve accounting and financial reporting for leases by governments. This statement increases the usefulness of governments’ financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments’ leasing activities. The Authority has not completed the process of evaluating the impact of GASB 87 on the Authority’s financial statements.

GASB Statement No. 88, *Certain Disclosures Related to Debt, Including Direct Borrowings and Direct Placements*, (“GASB 88”) is effective for reporting periods beginning after June 15, 2018. The objective of GASB 88 is to the information that is disclosed in notes to government financial statements related to debt, including direct borrowings and direct placements. This statement defines debt for purposes of disclosure in notes to financial statements as a liability that arises from a contractual obligation to pay cash (or other assets that may be used in lieu of cash) in one or more payments to settle an amount that is fixed at the date the contractual obligation is established. This statement also requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default with finance-related consequences, significant termination events with finance-related consequences, and significant subjective acceleration clauses. The Authority has not completed the process of evaluating the impact of GASB 88 on the Authority’s financial statements.

GASB Statement No. 89, *Accounting for Interest Cost Incurred before the End of a Construction Period*, (“GASB 89”) is effective for reporting periods beginning after December 15, 2019. The objective of GASB 89 are to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and to simplify accounting for interest cost incurred before the end of a construction period. This statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund. This statement also

reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles. The Authority has not completed the process of evaluating the impact of GASB 89 on the Authority's financial statements.

GASB Statement No. 90, *Majority Equity Interests*, ("GASB 90") is effective for reporting periods beginning after December 15, 2018. GASB 90 clarifies the accounting and financial reporting requirements for a state or local government's majority equity interest in an organization that remains legally separate after acquisition. The requirements of GASB 90. The Authority has not completed the process of evaluating GASB 90 but does not expect it to have an impact on the Authority's financial statements.

(4) Rights of City To Reacquire Project Site

The fee interest in the Project site formerly owned by the City was conveyed to the Authority in the early 1980s for a nominal consideration. The City has the right to reacquire the Project site at any time, subject to the then existing leases, for a nominal consideration after: (a) all notes, bonds, and other indebtedness incurred by the Authority, or for which the Authority's revenues have been pledged, have been repaid or defeased; and (b) satisfaction or provision for payment of its contractual obligations and other contingent liabilities. The City may provide for repayment or defeasance of indebtedness incurred by the Authority under its various bond resolutions. As of October 31, 2018, the City had not expressed its intent regarding its right to reacquire the Project site.

(5) Commercial Development

In 1981, the Authority and Olympia & York Battery Park Company ("O&Y"), an affiliate of Olympia & York Development Limited, entered into a lease, pursuant to which O&Y constructed four buildings, consisting of approximately 8,000,000 square feet of office space and a maximum of 325,000 square feet of retail space. These buildings are collectively known as Brookfield Place ("BP"). In 1983, the lease was replaced with four separate severance leases, one of which was assigned by O&Y to the American Express Company and certain of its affiliates ("American Express"). O&Y has been reorganized as a result of bankruptcy proceedings and has changed its name to Brookfield Financial Properties ("BFP"). In September 2002, BFP acquired an interest in approximately 50% of Brookfield Place 200 Vesey Street from American Express. In November 2013, BFP acquired the lease hold interest in the New York Mercantile Exchange ("NYMEX") lease consisting of approximately 502,000 additional square feet.

As of October 31, 2018, all commercial development leases expire in 2069, provide for future base rent payments aggregating \$1.0 billion over the lease terms, which includes base rent of \$19.6 million per annum from 2019 through 2069 payable by the commercial development leases (see note 7). Annual PILOT is also required to be paid to the Authority based on the assessed value of each building and the tax rate then applicable to real property located in the borough of Manhattan, unless alternative PILOT arrangements are set forth in the ground lease. The City determines the assessed value of each building. Each lessee, or certain authorized tenants of the lessee, has the right to appeal the assessment to the City Tax Commission and bring tax certiorari proceedings in State court to seek reductions in the amounts of such assessments. A number of administrative and judicial appeals on some of the parcels are currently pending for the current and prior tax years. While any such proceedings are pending, the lessee is required to pay PILOT based upon the assessments established by the City. If a lessee is successful in any such proceedings, subsequent PILOT payments to the Authority will be reduced to the extent necessary to offset the prior overpayment of PILOT as a result of the revised assessment.

(6) Residential and Other Development

In 1980, the Authority entered into a lease with a limited profit housing company (the "Housing Company"), which constructed an apartment complex consisting of 1,712 rental apartment units (the "Gateway Project"). In addition to the Gateway Project, the Authority entered into leases in the south neighborhood, pursuant to which developers constructed 18 buildings consisting of 3,785 condominium and rental units, including 113 condo units in a mixed-use building containing a museum and the Ritz-Carlton Hotel. The final site on the Project in the south neighborhood was designated as a public school. In the north neighborhood, 11 buildings consisting of 3,106 units have been constructed. All the leases expire in 2069.

Future base rent payments are fixed through the first lease appraisal date, which varies among the projects, but is generally the first day of the calendar month next succeeding the twentieth or twenty-fifth anniversary of the date on which a temporary certificate of occupancy is issued. For lease years subsequent to the first appraisal date, the leases provide for base rent payments, subject to limitations, based upon a percentage of the fair market value of the land, but generally not less than an amount in excess of the highest base rent payable for any lease year ending prior to the first appraisal date. Reappraisal dates occur every 15 years, commencing on the fifteenth anniversary of the first appraisal date. Thirteen leases for residential buildings in the south neighborhood were modified to provide for increased fixed ground rents spread over the first two reappraisal periods. This modification reduced the ground rent increases from the original terms at 6% of fair market value.

Annual PILOT is also required to be paid to the Authority during the term of these leases. Many leases provide for an abatement equivalent to the real estate tax abatements provided for in the New York State's Real Property Tax Law, and are either 10 or 20 years in duration. Abatements for two recent developments in the south neighborhood will end before 2020 and abatements for the north neighborhood will end in 2020 or thereafter.

Certain residential leases also provide for supplemental rental payments, generally through the first appraisal date, which are to be paid if, and only to the extent, the PILOT payments are less than the minimum specified in each lease (see note 7).

The residential leases also provide for payments to the Authority for the operation and maintenance of civic facilities installed by the Authority and, in some cases, of percentage rent based on rentals from commercial facilities.

Certain leases also provide, among other matters, for the lessees to make payments to the Authority in the event of a conversion to a cooperative or condominium form of ownership.

Under the terms of the Gateway project lease, as amended, the tenant has agreed to pay: (i) a net annual land rent of \$305,440 in 1998 and thereafter, subject to renegotiation or reappraisal as provided in the lease upon the earlier of June 1, 2023 or repayment of the new FHA insured loan; (ii) an annual amount in lieu of real estate taxes which, as of February 16, 2016, increases by 20% per year from the pre-refinancing payments in lieu of real estate taxes to an equivalency payment equal to full PILOT starting on February 16, 2020; and (iii) amounts for the operation and maintenance of the civic facilities. The lease, as amended, expires in 2040 and may be extended at the option of the tenant through 2069. In July 2009, the Gateway lease was amended to set the amount of land rent, beginning in June 2023, at 8.125% of the aggregate amount of rent collected by the lessee less certain allowances, pass-throughs, and other municipal charges in excess of land rent.

Investments of amounts in funds and accounts established under the various 2003 General Bond Resolutions and 2009 and 2013 Revenue Bond Resolutions are presently restricted to obligations of the State, U.S. government, and its agencies, or in any other obligations in which the Comptroller of the State of New York is authorized to invest pursuant to Section 98 of the State Finance Law.

Amounts in the Project Costs Fund may be used to pay for costs of certain park, street, community center and other infrastructure improvements, and other capital expenditures.

Amounts in the Debt Service Funds and dedicated funds established under the 2003 General Bond Resolutions are used to pay debt service on the 2003 Swap agreements (see Note 10) and the, 2009 and 2013 Revenue Bonds. To the extent not utilized to fund any future debt service deficiencies, the funds will be available to retire bonds issued thereunder in the last year of bond maturity.

A Reserve Fund is held for the payments of debt service, which holds an approximate amount of the maximum annual debt service of the 2003 Swap agreements (see Note 10) and the, 2009 and 2013 Revenue Bonds. In December 2009, upon the issuance of the 2009 Revenue Bonds, and in October 2013, upon the issuance of the 2013 Revenue Bonds, amounts of \$1.5 million and \$2.9 million, respectively, were added to the 2003 Reserve fund.

Amounts in the Project Operating Fund established under the 2003 General Bond Resolution Funds are not pledged to pay debt service and may be used by the Authority for and on certain additional indebtedness, which may be issued by the Authority for the funding of maintenance, repair, and restoration of the public open areas and civic facilities, and administrative and other expenditures, as defined.

Amounts held in the Pledged Revenue Fund ("PRF") are pledged and assigned for the payment of the debt service on the 2003 Swap agreements (see Note 10) and the 2009 and 2013 Revenue Bonds and on certain additional indebtedness, which may be issued by the Authority and secured by the Authority's revenue.

Each November, after meeting funding requirements, the entire balance of funds remaining on deposit in the PRF is transferred to the Residual Fund. These balances become general assets for "lawful corporate purposes." From time to time, revenues not pledged to the bondholders are deposited to the PRF.

(9) Authority Bonds Authorized

The Act, as amended, authorizes the Authority to issue bonds and notes in amounts not to exceed: (a) \$300 million outstanding at any one time for the development of the Project; (b) another \$150 million for the purpose of financing capital costs in connection with development of the Project area, plus a principal amount of bonds and notes issued to fund any related debt service reserve fund and to provide a portion of interest on and costs of issuance related to such indebtedness; (c) \$400 million outstanding at any one time for the making of loans to housing companies organized to provide housing within the Project area pursuant to the New York State Private Housing Finance Law; (d) \$100 million for the purpose of repaying State appropriations including accrued interest thereon and funding the infrastructure of the Project, plus a principal amount of bonds and notes issued to fund any related debt service reserve fund and to provide a portion of interest on and costs of issuance related to such indebtedness; (e) \$150 million for the purpose of making a payment to the City, plus the principal amount of bonds and notes issued to fund any related debt service reserve fund and to provide a portion of interest on and costs of issuance related to such indebtedness; and (f) \$250 million for the purpose of making a payment to the State of New York. Such authorized amounts exclude bonds and notes issued to refund outstanding bonds and notes.

The Act, as amended, also authorizes the Authority to issue bonds for the purpose of furthering the development of a commodities and futures exchange facility in Battery Park City in an amount not to exceed \$110 million, plus the principal amount of bonds and notes issued to fund any related debt service reserve fund and to provide a portion of interest on and costs of issuance related to such indebtedness. As of October 31, 2018, no bonds were issued for this purpose.

The Act, as amended, authorized the Authority to enter into interest rate exchange agreements through December 31, 2003 in connection with the issuance of Authority debt or in connection with Authority debt already outstanding, to provide for an exchange of payments based upon fixed and/or variable interest rates. In October 2003, the Authority entered into \$400 million of interest Swaps (see note 10).

Issuance of additional bonds by the Authority is subject to meeting certain conditions, including approval by the City and the New York State Public Authorities Control Board.

(10) 2003 Interest Rate Exchange Agreements (Swaps)

On October 2, 2003, the Authority executed Swaps with three counterparties. The Swaps were executed in conjunction with the Authority's issuance of \$400 million of its 2003 Series C Bonds. The total notional amount of the Swaps was \$400 million. The effective date for the Swaps was October 16, 2003, which coincided with the delivery date of the 2003 Series C Bonds. The Authority executed the Swaps in order to effectively convert the variable-rate 2003 Series C Bonds to a net fixed rate. Based on the Swaps, the Authority owes interest calculated at a fixed rate of 3.452% to the counterparties that is paid semiannually. In return, the counterparties owe the Authority floating-rate interest equal to 65% of 30-day LIBOR, which is paid to the Authority on a monthly basis. The original notional amounts of the Swaps and the amortization thereof match the original principal amount of the refunded 2003 Series C Bonds and the amortization thereof. The Swaps were not terminated in connection with the issuance of the 2013 Series C, D, and E Bonds or the refunding of the 2003 Series C Bonds. These Swaps are not treated as qualified hedges as defined by the U.S. tax code. Each swap has been determined to be an effective hedge.

The above table shows payments based on the Authority's pay-fixed-rate interest rate Swap payment obligation at an effective interest rate of 3.452% while the Authority's variable-rate receipts are based on the floating rate equal to 65% of 30-day LIBOR on October 31, 2018, which the counterparties are obligated to pay the Authority on a monthly basis. Although the pro-forma receipts shown are projected based on the latest interest rate at October 31, 2018 (65% of 2.3069% or 1.4995%), actual receipts will depend on the actual fluctuation of 30-day LIBOR.

The Authority is exposed to a limited degree of counterparty credit risk associated with the Swaps. However, each of the counterparties carries a rating in the "Baa1" or higher category from at least one of the nationally recognized credit rating agencies. The counterparties are required to post collateral to the extent that they experience an appreciable decline in credit rating and the Swaps have positive fair value for the Authority.

The Authority's basis risk would increase should its interest rate and fees on the variable bonds exceed the swap floating rate receipts, which are based on 65% of 30-day LIBOR. On October 23, 2013, the Authority currently refunded its Series 2003 bonds. The interest rates on these bonds were effectively hedged by interest rate swaps, which were bifurcated as of the date of the current refunding. Accordingly, the fair value of the interest rate swaps on October 23, 2013 of negative \$70.1 million was recorded as an imputed borrowing by the Authority. The Authority also recorded the \$70.1 million as a deferred cost of refunding and reduced the deferred outflow of resources that had been recorded to offset the negative fair value of the interest rate swap to zero. These amounts are being amortized on a straight line basis over the remaining life of the swaps and were \$51 million and \$55 million at October 31, 2018 and 2017, respectively. Apart from the imputed borrowing, the interest rate swap agreements, which continue in effect and continue as an effective hedge, had a negative fair value of \$17.8 million at October 31, 2017. The fair value increased \$17.9 million to a positive fair value of \$147 thousand at October 31, 2018. This positive fair value is recorded as a deferred inflow of resources and an asset on the Authority's statement of net position (deficit).

(11) 2009 Revenue Bonds

On December 22, 2009, the Authority issued \$56,600,000 of fixed-rate Senior Revenue Bonds (federally taxable – Build America Bonds), Series A (the "2009 Series A Bonds") and \$30,635,000 (\$32,446,008

- A total of \$85,000,000 of bonds (including \$55,000,000 of the 2009 Series A Bonds, \$30,000,000 of the 2009 Series B Bonds) were issued to finance certain infrastructure and other capital improvements.
- The remaining funds were used to pay for cost of issuance and funding a reserve fund (see note 8).

The payment of principal commences in November 2032 on the 2009 Series A Bonds, while payment on the 2009 Series B Bonds commenced in November 2010.

The 2009 Series A Bonds were issued as “Build America Bonds” (“BABs”) under section 54AA of the U.S. Tax Code for which the Authority expects to receive a cash subsidy payment from the United States Treasury equal to 35% of the interest payable by the Authority on the bonds. For the years ended October 31, 2018 and 2017, the Authority received payments from the U.S. Treasury in the amount of \$1,179,537 and \$1,763,622, respectively, pursuant to the subsidy. BABs already issued will continue to receive subsidies. The Authority has no assurances about future legislation or changes that may affect the availability, amount, or receipt of such subsidy payments.

At October 31, 2018, the 2009 Series A Bonds consisted of the following term bonds:

2013 C, D, and E Junior Bonds:

Each series of the 2013 C, D, and E Junior Bonds initially bears interest monthly at a variable rate based on a percentage of one-month LIBOR plus a spread. The Authority has the right to cause the 2013 C, D, and E Junior Bonds to be repurchased from the initial purchasers thereof and remarketed at other variable rates or fixed rates, and also has the right to otherwise purchase or redeem the 2013 C, D, and E Junior Bonds, on November 1, 2017 for 2013 D and E Junior Bonds and May 1, 2019 for 2013 C Junior Bonds. Any 2013 C, D, and E Junior Bonds that are not so remarketed (or purchased or redeemed) by November 1, 2019 will bear interest thereafter at stepped-up rates that for 180 days will equal 7.5% per annum (or, if greater, a specified prime rate plus 1.5% per annum or a specified federal funds rate plus 2% per annum) and after 180 days will equal 12% per annum (or, if greater, a specified prime rate plus 3.5% per annum or a specified federal funds rate plus 4% per annum). The 2013 C, D, and E Junior Bonds also will bear interest at rates higher than the foregoing if an event of default occurs under the Authority's agreements with the initial purchasers of the 2013 C, D, and E Junior Bonds or if interest on the 2013 C, D, and E Junior Bonds is determined to be includable in gross income for federal income tax purposes. The estimated interest payments for the 2013 C, D, and E Junior Bonds shown in the table titled "2013 C, D, and E Junior Bonds" below are based upon the October 31, 2018 LIBOR rate and do not reflect the increased interest payments that would result from such stepped-up rates, default rates or taxable rates becoming effective. In addition, pursuant to agreements between the Authority and the respective initial purchasers of the 2013 C, D, and E Junior Bonds, various additional fees and other amounts may be payable by the Authority from time to time, each on a basis subordinate to payment of annual debt service on Senior Bonds and Junior Bonds of any Series.

Debt service on the 2003 Swap agreements (see note 10) and the 2009 and 2013 Bonds (see notes 10 and 11) is secured by and is payable, after satisfaction of certain administrative, operating, and maintenance obligations of the Authority, solely from certain pledged lease revenues and Swap receipts which are required to be deposited and maintained in the Pledged Revenue Fund ("PRF") established under the 2003 General Bond Resolution. The PRF, including income and earnings on investments thereof, has been pledged and assigned to a trustee for the benefit of the owners of the 2009 Bonds and the 2013 Bonds and certain other beneficiaries, as their respective interest may appear. In addition, the Bonds, and certain swap payments and reimbursement obligations, are secured by the Reserve Fund established under the 2003 General Bond Resolution. The rights to payment of the 2009 and 2013 Senior Bonds, senior swap payments, and senior reimbursement obligations from amounts in the PRF and the Reserve Fund are senior to the rights to payment of the 2013 Junior Bonds, junior swap payments, and junior reimbursement obligations from such amounts. As of each November 1, amounts in the PRF in excess of funding requirements for project operating expenses and debt service, along with certain other unpledged amounts will be transferred into the Residual Fund and may be used by the Authority for other purposes (see notes 8 and 9).

Special Fund

In September 2003, the Authority entered into an agreement with the City, which supplemented the Settlement Agreement, to provide for the custody of the Special Fund. The Authority established a new Special Fund, funded with \$46 million and from the proceeds of the former Special Fund created pursuant to a former 1993 Master Revenue Resolution upon the dissolution of such existing Special Fund in connection with the 2003 refunding of outstanding Authority bonds. The Special Fund may only be used by the Authority, as necessary: (i) to pay debt service obligations of the Authority on its bonds, or (ii) for purposes that are jointly agreed upon between the City and the Authority, as the same may be amended from time to time. Neither the Special Fund nor the monies on deposit from time to time therein may be pledged to secure any obligation pursuant to any Resolutions authorizing additional bonds or other bonds or debt obligations of the Authority. Income and earnings actually received by or for the account of the Authority from investments of monies on deposit from time to time in the Special Fund shall be treated as revenues. In addition to a \$40

million commitment from the Special Fund (see note 19(c)), in November 2013, the Authority entered into an amendment with the City committing up to \$5 million dollars of funds held in the Special Fund for the construction of Pier A Plaza project and any balances remaining to flow to the City. As of October 31, 2018, the full \$5 million had been used for the construction of Pier A Plaza and the remaining balances were transferred to the City.

(13) Agreements with the City of New York Relating to Disposition of Revenue

The Authority entered into the Settlement Agreement with the City which provides, in effect, that: (i) all PILOT received by the Authority from its tenants remaining after operating and administrative expenses, payment of a proportionate part of principal and interest on the 2003 Swap agreements (see note 10), 2009, and 2013 Revenue Bonds (see notes 10, 11 and 12), certain site development costs and any agreed-upon commitments, will be remitted to the City; and (ii) all other rent payments and other revenue received by the Authority, remaining after payment of a proportionate part of the aforementioned items, will be retained by the Authority and spent in such manner and for such purposes as the Authority and the City shall jointly determine.

The \$149.0 million of PILOT-related receipts provided for the transfer to the City during the year ended October 31, 2017 was transferred in June 2018. A provision in the amount of \$154.8 million has been charged as a nonoperating expense for the year ended October 31, 2018.

In January 2010, the City and the Authority signed an amendment to the Settlement agreement (the “2010 Agreement”) to distribute \$861 million of accumulated and future excess revenues from the Joint Purpose Fund. The City and State were each allocated \$200 million to be distributed in a pari passu basis. After meeting that \$400 million obligation, an additional amount of up to \$200 million is to be distributed by the Authority to a City 421-A affordable housing fund followed by a \$261 million distribution to a City pay-as-you-go capital fund. All funds are to be paid as available in the Joint Purpose Fund and there is no time limit or a minimum for the amount that needs to be paid or accrued over time.

As of October 31, 2018, the Authority has made payments totaling \$200 million to satisfy the City 421-A fund obligation. In addition, the Authority has provided from operations a total of \$173.2 million against the \$261 million City pay-as-you-go capital fund obligation, which includes the current year provision of \$41.7 million charged to nonoperating expenses for the year ended October 31, 2018.

(17) Retirement Costs

Plan Descriptions and Benefits Provided

The Authority relies on the New York State and Local Retirement System for certain information included below:

The Authority – The Battery Park City Authority participates in the New York State and Local Employees' Retirement System ("ERS"), and the New York State and Local Police and Fire Retirement System ("PFRS") which are collectively referred to as the System. These are cost-sharing multiple-employer retirement systems. The System provides retirement benefits as well as death and disability benefits. The net position of the System is held in the New York State Common Retirement Fund (the "Fund"), which was established to hold all net assets and record changes in plan net position allocated to the System. The Comptroller of the State of New York serves as the trustee of the Fund and is the administrative head of the System. The Comptroller is an elected official determined in a direct statewide election and serves a four-year term. System benefits are established under the provisions of the New York State Retirement and Social Security Law ("RSSL"). Once a public employer elects to participate in the System, the election is irrevocable. The New York State Constitution provides that pension membership is a contractual relationship and plan benefits cannot be diminished or impaired. Benefits can be changed for future members only by enactment of a State statute. The Authority also participates in the Public Employees' Group Life Insurance Plan ("GLIP"), which provides death benefits in the form of life insurance. The System is included in the State's financial report as a pension trust fund. That report, including information with regard to benefits provided, may be found at www.osc.state.ny.us/retire/publications/index.php or obtained by writing to the New York State and Local Retirement System, 110 State Street, Albany, NY 12244.

Benefits

The benefits employees will receive are governed by the RSSL. Employees are placed in tiers depending on when they last became members. The benefits in all tiers are 1.67% of the final average salary for each year of service if members retire with less than 20 years. If members retire with more than 20 years of service, the percentages vary according to the tier they are in. The minimum service requirements and minimum age requirement varies according to the tier the employee is in.

Annual cost of living adjustments are provided to pensioners after waiting periods defined in the plan. The adjustments are a percentage of the annual retirement benefit as computed on a base benefit amount not to exceed \$18,000 of the annual retirement benefit. The cost of living percentage is 50% of the Consumer Price Index but not less than 1% or more than 3%.

Ordinary disability benefits are usually one third of salary and are provided to eligible members after ten years or, in some cases, five years of service. Accidental disability benefits are either 75% of salary with an offset for any workers' compensation benefits received or the ordinary disability benefit with the year of service eligibility requirement dropped, depending on the tier. Death benefits are payable upon the death, before retirement, of a member who meets the eligibility requirements as set forth by law. The benefit is generally three times the member's annual salary.

Contributions

The System is noncontributory except for employees who joined the New York State and Local Employees' Retirement System after July 27, 1976, who contribute 3 percent of their salary for the first ten years of membership, and employees who joined on or after January 1, 2010 (ERS) or January 9, 2010 (PFRS) who generally contribute 3 percent of their salary for their entire length of service. Under the authority of the

NYSRSSL, the Comptroller annually certifies the actuarially determined rates expressly used in computing the employers' contributions based on salaries paid during the Systems' fiscal year ending March 31. Contributions for the current year and two preceding years were equal to 100 percent of the contributions required, and were as follows:

<u>Year</u>	<u>ERS</u>
2018	\$ 930,358
2017	712,703
2016	518,071
	<u>\$ 2,161,132</u>

At the end of fiscal year 2018, the Authority pre-funded the 2019 required contribution in the amount of \$1,163,182 which has been included in deferred outflows of resources in the accompanying financial statements.

At the end of fiscal year 2017, the Authority pre-funded the 2018 required contribution in the amount of \$930,358 which has been included in deferred outflows of resources in the accompanying financial statements.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At October 31, 2018 and 2017, the Authority reported a liability of \$830,358 and \$2,456,722, respectively, for its proportionate share of the net pension liability. The net pension liability was measured as of the Systems' fiscal year end at March 31, 2018 and 2017, respectively, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

The Authority's proportion of the net pension liability was based on a projection of the Authority's long-term share of contributions to the pension plan relative to the projected contributions of all participating members, actuarially determined. At October 31, 2018 and 2017, the Authority's proportion was 0.0257280% and 0.0261458%, respectively.

For the years ended October 31, 2018 and 2017, the Authority recognized pension expense of \$974,840 and \$1,399,591, respectively. At October 31, 2018 and 2017, the Authority reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

Actuarial Assumptions

The total pension liability at the New York State System's year-end of March 31, 2018 and 2017 was determined by using an actuarial valuation as of April 1, 2017 and 2016, with update procedures used to roll forward the total pension liability to the New York State System's year-end of March 31, 2018 and 2017. The actuarial valuations used the following actuarial assumptions.

Significant actuarial assumptions used in the April 1, 2017 and 2016 valuations were as follows:

2017

Interest rate	7.0%
Salary scale	
ERS	3.8%
Decrement tables	April 1, 2010 – March 31, 2015
System's Experience	
Inflation rate	2.5%

2016

Interest rate	7.0%
Salary scale	
ERS	3.8%
Decrement tables	April 1, 2010 – March 31, 2015
System's Experience	
Inflation rate	2.5%

Annuitant mortality rates are based on April 1, 2010 – March 31, 2015 System's experience with adjustments for mortality improvements based on MP-2014.

The actuarial assumptions used in the April 1, 2017 and 2016 valuations are based on the results of an actuarial experience study for the period April 1, 2010 – March 31, 2015.

The long term expected rate of return on pension plan investments was determined using a building block method in which best estimate ranges of expected future real rates of return (expected returns net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the target asset allocations as of March 31, 2018 and 2017 are summarized below.

Long Term Expected Rate of Return

	2018	2017
Asset Type	Long Term Expected Real Rate	Long Term Expected Real Rate
Domestic Equity	4.55%	4.55%
International Equity	6.35%	6.35%
Private Equity	7.50%	7.75%
Real Estate	5.55%	5.80%
Absolute Return	3.75%	4.00%
Opportunistic Portfolio	5.68%	5.89%
Real Asset	5.29%	5.54%
Bonds, Cash & Mortgages	1.06%	1.06%
Inflation Indexed Bonds	1.25%	1.50%

Discount Rate

The discount rate used to calculate the total pension liability as of March 31, 2018 and 2017 was 7.0%. The projection of cash flows used to determine the discount rate assumes that contributions from plan members will be made at the current contribution rates and that contributions from employers will be made at statutorily required rates, actuarially. Based upon the assumptions, the System's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore the long term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The NYS VDC is a defined contribution plan.

Defined contribution plans are retirement savings vehicles that provide benefits "defined" by employer and employee contributions to the plan and the investment earnings on those contributions.

(18) Other Postemployment Benefits

For the year ended October 31, 2018, the Authority implemented GASB 75, which addresses accounting and financial reporting for postemployment benefits or other postemployment benefits provided to the employees of the Authority. GASB 75 establishes standards for recognizing and measuring liabilities, deferred outflows of resources, deferred inflows of resources and expense as well as the methods and assumptions that are required for the valuation of total OPEB liability.

(a) Plan Description

The Authority is a participating employer in the New York State Health Insurance Program ("NYSHIP"), which is administered by the State as an agent multiple-employer defined benefit plan. Under the plan the Authority provides certain healthcare benefits for eligible retired employees and their dependents under a single-employer noncontributory healthcare plan. Article XI of the New York State Civil Service Law assigns the authority to NYSHIP to establish and amend the benefit provisions of the plan and to establish maximum obligations of the plan members to contribute to the plan. The Authority's Board is authorized to establish contribution rates for employees and retirees below those set by Civil Service Law. The Authority's plan states that employees and/or their dependents become eligible for these benefits at 55 years of age when the employee has 10 years of State service. In calculating the 10-year service requirement, all of the employee's service need not be with the Authority, but may be a composite of New York State service elsewhere, with a minimum of 3 years with the Authority. Employees with no prior State service must work a minimum of 10 years before they and their dependents are eligible for the retirement medical benefits. Eligible retirees hired on or after November 1, 2001, contribute 10% of the cost of single coverage and 25% of the cost of dependent coverage for health insurance benefits. The Authority covers 100% of the cost of single and dependent coverage for employees hired before November 1, 2001. A vestee is an Authority employee vested as a member of the retirement system administered by the State, has withdrawn from State service after meeting the Authority's minimum service requirement, but has not met the age requirement for continuing health insurance. As of October 31, 2018, 174 participants, including 125 employees and 49 retired and/or spouses of retired employees, were eligible to receive these benefits. NYSHIP does not issue a stand-alone financial report and NYSHIP's agent activities are included within the financial statements of the State.

For the year ended October 31, 2018 and in accordance with GASB 75, an updated actuarial valuation was completed for the valuation date of November 1, 2016. This is the date as of which the actuarial valuation is performed. The measurement date is October 31, 2017. This is the date as of which the OPEB liability is determined. No assets are accumulated in a trust that meets all of the criteria of GASB 75 paragraph 4, as the contributions are not irrevocable.

(b) Funding

The contribution requirements (funding) of the Authority's total OPEB obligation are at the discretion of management as approved by the members of the Board. The Authority's total OPEB obligation continues to be financed on a pay-as-you-go basis from assets segregated for the exclusive purpose of paying OPEB obligations.

(c) OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

The total OPEB liability is the portion of actuarial present value of projected benefit payments that is attributable to past periods of member service using the Entry Age Normal cost method based on the

(A Component Unit of the State of New York)

Notes to Financial Statements

requirements of GASB 75. The total annual OPEB liability was determined by an actuarial valuation as of the valuation date, calculated based on the discount rate and actuarial assumptions and was then projected forward to the measurement date in accordance with the parameters of GASB 75. As of October 31, 2018 and 2017, \$40,192,000 and \$38,272,501, respectively, was reported for the Authority's total OPEB liability.

For the years ended October 31, 2018 and 2017, the Authority recognized OPEB expenses of \$1,503,476 and \$2,709,644, respectively.

Deferred inflows of resources and deferred outflows of resources are portion of changes in total OPEB liability that is not immediately recognized in OPEB expense. These changes include differences between expected and actual experience, changes in assumptions and differences between expected and actual earnings on plan investments. As of October 31, 2018, the Authority reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

October 31, 2018

	Deferred Inflows of Resources	Deferred Outflows of Resources
Changes of assumptions	\$ 1,106,608	2,325,830

As of October 31, 2018, \$1,106,608 was reported as a deferred inflow of resources and \$2,325,830 was reported as a deferred outflow of resources. Amounts currently reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

(d) Actuarial Methods and Assumptions

The Authority's total OPEB liability was determined by an actuarial valuation as of November 1, 2016, using the following actuarial assumptions:

Significant actuarial assumptions used in the November 1, 2016 valuation were as follows:

Inflation rate	2.30%
Salary scale	3.30%
Health cost	Getzen Model Version 2017
Mortality	RPH-2006 Mortality Tables

This valuation report reflects postemployment benefits that have been extended to current and future retirees and their dependents. Actuarial valuations involve estimates of the value of reported amounts, assumptions about the probability of events in the future and actuarially determined amounts are subject to continual revision as actual results are compared to past expectations and new estimates are made about the future. Examples include assumptions about employment, mortality and the healthcare cost trend. In accordance with GASB 75, the Entry Age Normal cost method was used for determining service costs and the actuarial accrued liability. All benefits estimated to be payable through the OPEB plan to current active and inactive employees as a result of their past service and expected future service. The annual healthcare cost trend rates vary based on type of health coverage valued; initial trends start at 0.00% to 11.9%, declining approximately 0.5% each year to an ultimate trend rate of 4.7%. The trend rates reflect a general inflation level of 2.3%.

(e) Discount Rate

The discount rate used to calculate the total OPEB liability as of October 31, 2017 was 3.35%. The discount rate is a single rate of return, when applied to all projected benefit payments equal to the sum of: (1) The actuarial present value of benefit payments projected to be made in future periods where the plan assets are projected to be sufficient to meet benefit payments, calculated using the Long-Term Expected Rate of Return. (2) The actuarial present value of projected benefit payments not included in (1), calculated using the Municipal Bond Rate. The Municipal Bond Rate is a yield or index rate for 20-year, tax exempt general obligation municipal bonds with an average rating of AA/Aa or higher.

(f) Sensitivity of the Net OPEB Liability to the Discount Rate Assumption

The following represents the Authority's total OPEB liability estimated as of October 31, 2018, calculated using the discount rate of 3.35%, as well as the what the Authority's net OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (2.35 percent) or 1-percentage-point higher (4.35 percent) than the current rate:

	1% Decrease 2.35%	Current Discount 3.35%	1% Increase 4.35%

HUGH L. CAREY BATTERY PARK CITY AUTHORITY

(A Component Unit of the State of New York)

Notes to Financial Statements

October 31, 2018 and 2017

The following represents the Authority's total OPEB liability estimated as of October 31, 2018, calculated using the current healthcare cost trend rates as well as the Authority's total OPEB liability would be if it were calculated using trend rates that are 1-percentage-point lower or 1-percentage-point higher than the current trend rates:

	<u>1% Decrease</u>	<u>Current Trend Rate</u>	<u>1% Increase</u>
Total OPEB Liability	\$ 33,158,000	40,192,000	49,497,000

(g) OPEB Status and Funding Progress

The Authority's OPEB obligation and the funded status of the plan as of October 31, 2018 is as follows:

OPEB Balance at November 1, 2017	\$ 38,272,501
Change of liability due to adoption of GASB 75	651,439
OPEB Balance at November 1, 2017 under GASB 75	<u>38,923,940</u>
Changes for the period:	
Service cost	2,137,320
Interest	1,287,544
Benefit payments	(896,498)
Changes in assumptions	<u>(1,260,306)</u>
Net changes	<u>1,268,060</u>
OPEB Balance at October 31, 2018	<u><u>\$ 40,192,000</u></u>

There was a \$651 thousand change in the OPEB liability as of November 1, 2016 in the Authority's financial statements due to the adoption of GASB 75. The prior period's financial statements were not restated due to immateriality.

Corporate assets held at October 31, 2018 and 2017 in separate corporate OPEB accounts for the exclusive purpose of paying OPEB obligations were approximately \$37.8 million and \$38.1 million, respectively. The Authority has segregated assets for the exclusive purpose of paying OPEB obligations, the funds cannot be irrevocably dedicated for that purpose and therefore cannot be held as a funded OPEB asset. The OPEB assets are therefore included in the statements of net position (deficit) within the other corporate designated, escrowed, and postemployment benefit funds financial statement classification.

(19) Commitments and Other Matters

- (a) The Authority has entered into construction and other related contracts, having unexpended balances aggregating \$26.6 million as of October 31, 2018.
- (b) The Authority rents office space in Brookfield Place 200 Liberty Street, as well as community meeting space, field offices and maintenance space in condominium buildings in Battery Park City. Total rent expense amounted to \$1.2 million and \$1.1 million for the years ended October 31, 2018 and 2017, respectively. The future minimum lease payments are as follows:

Thereafter	<u>477,400</u>
Total minimum payments required	\$ <u>4,203,147</u>

- (c) On October 23, 2007, the members of the Authority approved a proposal by the Governor to pay up to \$40 million of Special Fund monies (see note 12) to the PANYNJ for the pedestrian underpass under Route 9A. The concourse will connect the Winter Garden (on the west, at the edge of Battery Park City) and the World Trade Center site on the east. As of October 31, 2018, the Authority had disbursed a total sum of \$39,130,619 to the PANYNJ.
- (d) Pursuant to its ground lease with Goldman providing for construction by Goldman of a new world headquarters building in Battery Park City, the Authority entered into an arrangement as of July 18, 2007, under which Goldman may make purchases related to construction, furnishing, and equipping the building without liability for New York State and City sales tax, for an aggregate sales tax exemption of up to \$60 million. To qualify for the exemption, the Authority is liable for payment of Goldman's purchases in connection with the building, in an amount not to exceed \$100 million (in addition to the value of goods delivered to the building), which purchases Goldman is to make as agent of the Authority, but which Goldman is obligated to pay pursuant to its ground lease. The Goldman Sachs Group, Inc (the corporate parent of Goldman) executed a guaranty to assure reimbursement of any amounts paid by the Authority as a consequence of this arrangement. The likelihood of any payments made directly by the Authority resulting from this arrangement is considered remote.

(20) Battery Park City Parks Conservancy

The Conservancy was incorporated on December 2, 1987 as a New York not-for-profit corporation. The Authority, as sole member of the Conservancy, designated the Authority's members to serve as the Conservancy's Board of Directors. The Conservancy was formed by the Authority to comply with certain requirements of agreements between the Authority and the City pursuant to which the Authority is obligated to maintain and repair the parks and open spaces in and around Battery Park City's residential areas. In March 1988, the Authority entered into a management agreement with the Conservancy, which authorized the Conservancy to undertake all responsibilities, related to the operation, maintenance, and repair of such parks and open spaces. For each of the fiscal years ended October 31, 2018 and 2017, the Authority paid the Conservancy \$1.2 million for services, which are included in the Authority's operating expenses. This is eliminated in the blending of the Conservancy's financial statements into the Authority's financial statements (see Other Supplementary Information – Combining Statement of Net Position (Deficit)).

(21) Litigation

The Authority is a party to litigation and claims in the ordinary course of its operations. Since it is not possible to predict the ultimate outcome of these matters, no provision for any liability has been made in the financial statements. Authority management is of the opinion that the liability, if any, for any of these matters will not have a material adverse effect on the financial position of the Authority, and that any potential losses would in any event be covered by the Authority's various insurance policies.

The assets that have been accumulated do not meet the definition of a trust as defined in GASB Statement 75 to pay related benefits, as the assets are not irrevocable. The Authority funds OPEB benefits on a pay-as-you-go basis and contributions are not actuarially determined.

(b) In the event that the principal, Sinking Fund Installments, if any, and Redemption Price, if applicable, and interest due on any Bonds Outstanding, or the purchase price of puts in connection with such Bonds, shall be paid under the provisions of a Credit Facility, all covenants, agreements and other obligations of the Authority to the Bondholders of such Bonds shall continue to exist and such provider of the Credit Facility shall be subrogated to the rights of such Bondholders in accordance with the terms of such Credit Facility.

(2) In addition, such Series Resolution or related Series Certificate may establish such provisions as are necessary (i) to comply with the provisions of each such Credit Facility, (ii) to provide relevant information to the provider of the Credit Facility, (iii) to provide a mechanism for paying Principal Installments and interest on such Series of Bonds under the Credit Facility, and (iv) to make provision for any Events of Default or for additional or improved security required by the provider of a Credit Facility.

(3) In connection therewith the Authority may enter into such agreements with the issuer of such Credit Facility providing for, inter alia: (i) the payment of fees and expenses to such provider for the issuance of such Credit Facility; (ii) the terms and conditions of such Credit Facility and the Series of Bonds affected thereby; and (iii) the security, if any, to be provided for the issuance of such Credit Facility.

(4) The Authority may secure such Credit Facility by an agreement providing for the purchase of the Series of Bonds secured thereby with such adjustments to the rate of interest, method of determining interest, maturity, or redemption provisions as specified by the Authority in the applicable Series Resolution. The Authority may also in an agreement with the provider of such Credit Facility agree to directly reimburse such issuer for amounts paid under the terms of such Credit Facility, together with interest thereon (the "Reimbursement Obligation") solely from Collateral; provided, however, that no Reimbursement Obligation shall be created, for purposes of the Resolution, until amounts are paid under such Credit Facility. Any such Reimbursement Obligation, which may include interest calculated at a rate higher than the interest rate on the related Bond, may be secured by a pledge of, and a lien on, the Collateral on a parity with the lien created by the General Resolution, but only to the extent principal amortization requirements with respect to such reimbursement are equal to the amortization requirements for such related Bonds, without acceleration. Any Reimbursement Obligation conforming with the provisions of the previous sentence shall be deemed a "Senior Reimbursement Obligation" if payable from the Senior Payments Account of the Debt Service Fund in accordance with the provisions summarized under "ESTABLISHMENT OF FUNDS AND ACCOUNTS - Debt Service Fund", or a "Junior Reimbursement" if payable from the Junior Payments Account of the Debt Service Fund in accordance with the provisions summarized under "ESTABLISHMENT OF FUNDS AND ACCOUNTS - Debt Service Fund", as the case may be. Senior Reimbursement Obligations and Junior Reimbursement Obligations shall not include any payments of any fees, expenses, indemnification, or other obligations to any such provider, or any payments pursuant to term loan or other principal amortization requirements in reimbursement of any such advance that are more accelerated than the amortization requirements on such related Bonds. Senior Reimbursement Obligations and Junior Reimbursement Obligations may be evidenced by Bonds designated as "Bank Bonds." Any such Senior Reimbursement Obligation or Junior Reimbursement Obligation shall be deemed to be a part of the Series of Bonds to which the Credit Facility which gave rise to such Reimbursement Obligation relates.

(5) Any such Credit Facility may be for the benefit of and secure one or more Series of Bonds or portions thereof as specified in the applicable Series Resolution.

(6) In connection with the issuance of a Series of Bonds or at any time thereafter so long as a Series of Bonds remains Outstanding, the Authority also may enter into Qualified Swaps or, to the extent from time to time permitted pursuant to law, other similar arrangements if

the Authority determines that such Qualified Swaps or other similar arrangements will assist the Authority in more effectively managing its interest costs. To the extent provided in a Series Resolution or related Series Certificate, the Authority's obligation to pay Qualified Swap Payments under any Qualified Swap may be secured by a pledge of, and a lien on, the Senior Payments Account of the Debt Service Fund, and any Qualified Swap Payments so secured shall be deemed "Senior Swap Payments." To the extent provided in a Series Resolution or related Series Certificate, the Authority's obligation to pay Qualified Swap Payments under any Qualified Swap may be secured by a pledge of, and a lien on, the Junior Payments Account of the Debt Service Fund, and any Qualified Swap Payments so secured shall be deemed "Junior Swap Payments."

(7) Reimbursement Obligations shall not be a debt of the State or of the City and neither the State nor the City shall be liable thereon, nor shall Reimbursement Obligations be payable out of any funds other than those of the Authority pledged therefor pursuant to the Resolution.

(8) Qualified Swap Payments shall not be a debt of the State or of the City and neither the State nor the City shall be liable thereon, nor shall Qualified Swap Payments be payable out of any funds other than those of the Authority pledged therefor pursuant to the Resolution.

Subordinated Payments shall not be a debt of the State or of the City and neither the State nor the City shall be liable thereon, nor shall Subordinated Payments be payable out of any funds other than those of the Authority pledged therefor pursuant to the Resolution. (Section 205)

Monies in the Reserve Fund shall be invested by the Trustee at the written direction of the Authority in Investment Obligations or as permitted under the provisions summarized under paragraph (4) of "ESTABLISHMENT OF FUND AND ACCOUNTS AND APPLICATION THEREOF - Reserve Fund".

To the extent permitted or authorized by the Act, in lieu of the investment of monies in Investment Obligations as authorized in this Section, the Trustee shall, upon written direction of the Authority confirmed in writing by an Authorized Officer, deposit monies held by it under the Resolution in interest-bearing time deposits, or interest bearing notes, make repurchase agreements, reverse repurchase agreements or investment agreements or make other similar banking arrangements or make such other investment arrangements involving Investment Obligations or other obligations which permit the Authority to make the certification required in clause (i) below, with the financial institution acting as Trustee or with any other bank, trust company, national banking association or Bank Holding Company in the United States, or with any surety or insurance company, or any other public or private corporation or make repurchase or reverse repurchase agreements involving Investment Obligations, with any government bond dealer reporting to, trading with and recognized as a primary dealer by the Federal Reserve Bank of New York and having capital aggregating at least fifty million dollars (\$50,000,000); provided that upon the making of such deposit, agreement or arrangement the Authority shall certify in writing to the Trustee (i) that each such interest-bearing time deposit, interest-bearing note, repurchase agreement, reverse repurchase agreement, investment agreement or other similar banking arrangement or other investment arrangement involving Investment Obligations or other obligations shall permit the full principal amount of the monies so placed together with the investment income agreed to be paid to be available, without penalty, for use, as provided in paragraph (1) above, at the times provided with respect to the investment or reinvestment of such monies and (ii) that (x) the entity with which such interest-bearing time deposit, interest-bearing note, repurchase agreement, reverse repurchase or investment agreement, or other similar banking arrangement or other investment arrangement involving Investment Obligations or other obligations is made must be an entity certain of whose unsecured or uncollateralized long-term debt obligations are assigned to a rating category which is equal to or higher than the rating category to which the Bonds are assigned by each of the Rating Agencies at the time of the making of such investment or, to the extent applicable, if such entity is the lead bank of a Bank Holding Company, such Bank Holding Company's unsecured or uncollateralized long-term debt obligations are assigned to a rating category which is equal to or higher than the rating category which the Bonds are assigned by each of the Rating Agencies or (y) to the extent approved by each of the Rating Agencies, the performance of the entity with which such interest-bearing time deposit, or interest bearing notes, repurchase agreement, reverse repurchase agreement or investment agreement, or other similar banking arrangement or other investment arrangement involving Investment Obligations or other obligations is made must be guaranteed by an entity referred to in (x) above or (z) such interest-bearing time deposit, interest-bearing note, repurchase agreement, reverse repurchase agreement, or other investment agreement, or other similar banking arrangement or investment arrangement is secured by contracts, arrangements or surety bonds with or from an entity certain of whose unsecured or uncollateralized long-term debt obligations are assigned to a

rating category which is equal to or higher than the rating category which the Bonds are assigned by each of the Rating Agencies at the time of the making of such investment. In addition, the applicable short-term (rather than long-term) rating category of an entity described above may be utilized in satisfying the requirements of this Section if an Authorized Officer certifies to the Trustee in connection with an investment, as to which certificate the Trustee may conclusively rely in making such investment, that (1) the use of such short-term rating category has been approved by each of the Rating Agencies and such short-term rating category is at least equivalent to the rating category which the Bonds are assigned by each of the Rating Agencies, (2) any such investment made with such entity shall be made in accordance with the terms and conditions, including term thereof, specified in the approval of the Rating Agencies (which may, to the extent applicable, mean that there is with respect to such entity a long-term rating which is equal to or higher than the rating category which the Bonds are assigned by such Rating Agency at the time of the making of such investment) and (3) the investment made with such entity would not cause, either directly or indirectly, any Rating Agency to lower the rating category which the Bonds are assigned immediately prior to such proposed investment. The Authority shall require the valuation of the obligations (which valuations may be performed by the Trustee), if any, securing such interest-bearing deposits, repurchase or reverse repurchase agreement or other similar banking arrangement not less than once each week. For the purposes of this paragraph, the term "Bank Holding Company" shall mean a corporation that is subject to registration with the Board of Governors of the Federal Reserve System pursuant to the requirements of the Bank Holding Company Act of 1956, as amended.

Monies in the Redemption Fund shall be invested by the Trustee upon the written direction of the Authority in writing signed by an Authorized Officer (which direction shall specify the amount thereof to be so invested, and the Authority, in issuing such direction, shall take into consideration the dates and times when monies in said Fund will be required for the purposes of the Resolution) authorizing such investment in such Defeasance Securities as the Authority may approve.

Obligations purchased as an investment of monies in any Fund or Account held by the Trustee under the provisions of the Resolution, and the interest earned on obligations purchased as an investment of such monies and any profit realized from the sale of such obligations, shall be deemed at all times to be a part of such Fund or Account and any losses realized from the sale of such obligations shall be charged thereto.

In computing the amount at any time in any Fund or Account held by the Trustee under the provisions of the Resolution, obligations purchased as an investment of monies therein shall be valued at par, or if purchased at less than par, at their cost to the Authority, plus the interest on such obligations accrued to said date.

At the direction of the Authority, the Trustee shall sell, or present for redemption, any obligations purchased by it as an investment whenever it shall be necessary in order to provide monies to meet any payment or transfer from the Fund or Account for which such investment was made. The Trustee shall advise the Authority in writing, on or before the tenth day of each calendar month, of the details of all investments held for the credit of each Fund and Account in its custody under the provisions of the Resolution as of the end of the preceding month.

The Trustee shall promptly immediately confirm to the Authority, in writing, the completion of any investment or reinvestment of amounts in any Fund or Account in the custody of the Trustee under the General Resolution. (Section 702)

Liability of Trustee for Investments. The Trustee shall not be liable or responsible for the making of any investment authorized by the provisions summarized under “Investment of Funds and Accounts” above, in the manner summarized under “SECURITY FOR DEPOSITS AND INVESTMENT OF FUNDS”, or for any loss resulting from any such investment so made, or for compliance with Section 148 of the Code, except as summarized under “THE TRUSTEE AND THE PAYING AGENT - Responsibility.” (Section 703)

THE TRUSTEE AND THE PAYING AGENTS

Responsibility of Trustee and Paying Agents. The recitals of fact in the Bonds contained shall be taken as the statements of the Authority and neither the Trustee nor any Paying Agent assumes any responsibility for the correctness of the same. Neither the Trustee nor any Paying Agent shall be deemed to make any representations as to the validity or sufficiency of the Resolution or of any Bonds or in respect of the security afforded by the Resolution, and neither the Trustee nor any Paying Agent shall incur any responsibility in respect thereof. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the issuance of the Bonds for value or the application of any monies paid to the Authority. Neither the Trustee nor any Paying Agent shall be under any obligation or duty to perform any act which would involve it in expense or liability or to institute or defend any suit in respect hereof, or to advance any of its own monies, unless properly indemnified. Neither the Trustee nor any Paying Agent shall be liable in connection with the performance of its duties under the Resolution except for its own negligence or willful misconduct. Neither the Trustee nor any Paying Agent shall be under any responsibility or duty with respect to the application of any monies paid to any one of the others. Except during the continuance of an Event of Default described under “DEFAULT AND REMEDIES - Events of Default” below, the Trustee undertakes to perform such duties and only such duties as are specifically set forth in the Resolution, and no implied covenants or obligations shall be read into the Resolution against the Trustee. In case an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by the Resolution, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs. (Section 803)

Evidence on Which Fiduciaries May Act. The Trustee and any Paying Agent shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document believed by it to be genuine, and to have been signed or presented by the proper party or parties. The Trustee and any Paying Agent may consult with counsel, who may or may not be counsel to the Authority, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under the Resolution in good faith and in accordance therewith.

Whenever the Trustee or any Paying Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Resolution, such matter (unless other evidence in respect thereof be therein specifically prescribed) may be deemed to be conclusively proved and established by a certificate of an Authorized Officer, and such

certificate shall be full warrant for any action taken or suffered in good faith under the provisions of the General Resolution upon the faith thereof, but in its discretion the Trustee or any Paying Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

Except as otherwise expressly provided in the General Resolution, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision hereof by the Authority to the Trustee or any Paying Agent shall be sufficiently executed if executed in the name of the Authority by an Authorized Officer. (Section 804)

Compensation. Unless otherwise provided by agreement between the Authority and the Trustee or the Authority and a Paying Agent, the Authority shall pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under the Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under the Resolution, and the Trustee and each Paying Agent shall have a lien therefor on any and all funds at any time held by it under the Resolution. The Authority further agrees to indemnify and save the Trustee and each Paying Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties under the General Resolution, and which are not due to its negligence or willful misconduct. (Section 805)

Permitted Acts and Functions. The Trustee and any Paying Agent may become the owner of any Bonds, and the trustee or paying agent for any other Secured Indebtedness, with the same rights it would have if it were not such Trustee or Paying Agent. The Trustee and any Paying Agent may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bondholders or to effect or aid in any reorganization growing out of the enforcement of the Bonds or the General Resolution, whether or not any such committee shall represent the Holders of a majority in principal amount of the Bonds then Outstanding. (Section 806)

Resignation of Trustee. The Trustee may, subject to the provisions summarized under “Transfer of Rights and Property to Successor Trustee” below, at any time resign and be discharged of the duties and obligations created by the Resolution by giving not less than sixty (60) days’ written notice by registered or certified mail, postage prepaid, to the Authority and to each Bondholder, specifying the date when such resignation shall take effect, and such resignation shall take effect upon the day specified in such notice unless previously a successor shall have been appointed, as described in “Appointment of Successor Trustee” below, in which event such resignation shall take effect immediately on the appointment of such successor. (Section 807)

Removal of Trustee. The Trustee shall be removed, subject to the provisions summarized under “Transfer of Rights and Property to Successor Trustee” below, by the Authority if at any time so requested by an instrument or concurrent instruments in writing, filed with the Trustee and the Authority, and signed by the Holders of a majority in aggregate principal amount of the Bonds then Outstanding or their attorneys-in-fact duly authorized, excluding any Bonds held by or for the account of the Authority. The Authority may, subject to such summarized provisions, remove the Trustee at any time, by filing with the Trustee an instrument signed by an Authorized Officer of the Authority: (i) without cause, so long as no Event of Default has occurred that

continues or remains uncured, (ii) on the terms set forth in any Series Resolution authorizing the issuance of a Series of Bonds, so long as no Event of Default has occurred that continues or remains uncured, or (iii) for just cause (including, but not limited to, negligence in the performance of its duties and obligations). (Section 808)

Appointment of Successor Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Authority may appoint a successor Trustee. The Authority shall give notice of any such appointment made by it, by certified or registered mail, postage prepaid, to each Bondholder, such mailing to be made within twenty (20) days after such appointment.

If in any of the foregoing circumstances no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Section within thirty (30) days after the Trustee shall have given to the Authority written notice, as provided in "Resignation of Trustee" above, or after a vacancy in the office of the Trustee shall have occurred by reason of its inability to act, the Trustee or the Holder of any Bond may apply to any court of competent jurisdiction to appoint a successor Trustee. Such court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Trustee.

Any Trustee so appointed in succession to the Trustee shall be a bank or trust company organized under the laws of the State of New York or a national banking association doing business and having its principal office in the Borough of Manhattan, City and State of New York and having a capital and surplus aggregating at least Fifty Million Dollars (\$50,000,000), if there be such a bank or trust company or national banking association willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by the General Resolution. (Section 809)

Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under the Resolution shall execute, acknowledge and deliver to its predecessor Trustee, and also to the Authority, an instrument accepting such appointment, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all monies, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named as Trustee, and, any other provision of the Resolution to the contrary notwithstanding, no resignation or removal of the Trustee shall be effective until the execution, acknowledgement and delivery of such instrument of acceptance; but the Trustee ceasing to act shall nevertheless, on the written request of the Authority, or of the successor Trustee, execute, acknowledge and deliver forthwith such instruments of conveyance and further assurance, without recourse or warranty, and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor Trustee all the right, title and interest of the predecessor Trustee in and to any property held by it under the Resolution, and shall pay over, assign and deliver to the successor Trustee any monies or other property subject to the trusts and conditions herein set forth. Should any deed, conveyance or instrument in writing from the Authority be required by such successor Trustee for more fully and certainly vesting in and confirming to such successor Trustee any such estates, rights, powers and duties, any and all such deeds, conveyances, and instruments in writing shall, on request, and so far as may be authorized

by law, be executed, acknowledged and delivered by the Authority. Any such successor Trustee shall promptly notify the Paying Agents of its appointment as Trustee.

Any provision under Article VIII of the Resolution to the contrary notwithstanding, no resignation or removal of the Trustee shall take effect unless and until a successor shall have been appointed and such successor shall have accepted such appointment (Section 810)

Merger, Conversion or Consolidation. Any company into which the Trustee or any Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee or any Paying Agent may sell or transfer all or substantially all of its corporate trust business, shall be the successor to such Trustee or Paying Agent without the execution or filing of any paper or the performance of any further act, provided with respect to the Trustee such company shall be a bank or trust company organized under the laws of the State of New York or a national banking association and shall have an office for the transaction of its business in the Borough of Manhattan, City and State of New York, and shall be authorized by law to perform all the duties imposed upon it by the General Resolution. (Section 913)

SUPPLEMENTAL RESOLUTIONS

The Authority may adopt at any time or from time to time Supplemental Resolutions for any one or more of the following purposes, and any such Supplemental Resolution shall become effective in accordance with its terms upon the filing with the Trustee of a copy thereof certified by an Authorized Officer, in accordance with the terms summarized under “General Provisions Relating to Supplemental Resolutions” below:

(1) To provide for the issuance of a Series of Bonds pursuant to the provisions hereof and to prescribe the terms and conditions pursuant to which such Bonds may be issued, paid or redeemed;

(8) To modify any of the provisions hereof or of any previously adopted Series Resolution in any other respect, provided that such modifications shall not be effective until after all Bonds of any Series of Bonds Outstanding as of the date of adoption of such Supplemental Resolution or Series Resolution shall cease to be Outstanding, and all Bonds issued under such resolutions shall contain a specific reference to the modifications contained in such subsequent resolutions;

(9) To exclude from Pledged Sublease Revenues and to release from all obligations under the General Resolution, all of the Sublease Rentals derived or to be derived from

(10) With Rating Confirmation, to modify any of the provisions of the General Resolution or of any previously adopted Series Resolution or Supplemental Resolution in any other respect. (Section 1001)

Supplemental Resolutions Effective with Consent of Bondholders. The provisions of the General Resolution may be modified or amended at any time or from time to time by a Supplemental Resolution, subject to the consent of Bondholders in accordance with and subject to the provisions summarized under “AMENDMENTS OF RESOLUTION” below. (Section 1002)

General Provisions Relating to Supplemental Resolutions. The Resolution shall not be modified or amended in any respect except to the extent and on the conditions described in “Adoption and Filing” above or in accordance with and subject to the provisions summarized under “AMENDMENTS OF RESOLUTION” below. Nothing summarized under “SUPPLEMENTAL BOND RESOLUTIONS” or “AMENDMENT OF RESOLUTION” shall affect or limit the right or obligation of the Authority to adopt, make, do, execute or deliver any resolution, act or other instrument pursuant to the provisions summarized under “COVENANT OF THE AUTHORITY - Further Assurances” above, or the right or obligation of the Authority to execute and deliver to the Trustee or any Paying Agent any instrument elsewhere in the Resolution provided or permitted to be delivered to the Trustee or any Paying Agent.

A copy of every Supplemental Resolution adopted by the Authority when filed with the Trustee shall be accompanied by a Counsel’s Opinion to the effect that such Supplemental Resolution has been duly and lawfully adopted in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon the Authority and enforceable in accordance with its terms.

The Trustee is authorized to accept delivery of a certified copy of any Supplemental Resolution permitted or authorized pursuant to the provisions of the Resolution and to make all further agreements and stipulations which may be contained therein, and, in taking such action, the Trustee shall be fully protected in relying on a Counsel’s Opinion to the effect that such Supplemental Resolution is authorized or permitted by the provisions of the Resolution.

No Supplemental Resolution changing, amending or modifying any of the rights or obligations of the Trustee or of any Paying Agent may be adopted by the Authority without the written consent of the Trustee or the Paying Agent affected thereby, as the case may be.

The Authority shall promptly notify the Rating Agencies of any amendment, modification or supplementation of the General Resolution pursuant to provisions summarized under “SUPPLEMENTAL BOND RESOLUTIONS. (Section 1003)

AMENDMENTS OF RESOLUTION

Powers of Amendment. Any modification or amendment of the Resolution and of the rights and obligations of the Authority and of the Holders of the Bonds thereunder, in any particular, may be made by a Supplemental Resolution, with the written consent given as described under “Consent of Bondholders” below, of the Holders of a majority in aggregate principal amount of the Bonds Outstanding at the time such consent is given; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds pursuant to this paragraph. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal of any Outstanding Bond or of any installment of interest thereon or a reduction in the principal amount or the Redemption Price thereof or in the rate of interest thereon without the consent of the Holder of such Bond, or shall reduce the percentages or otherwise affect the classes of Bonds the consent of the Holders of which is required to effect any such modification or amendment. (Section 1101)

Consent of Bondholders. The Authority may at any time adopt a Supplemental Resolution making a modification or amendment permitted by the provisions summarized under “Powers of Amendment” above, to take effect when and as provided in this paragraph. A copy of such Supplemental Resolution (or brief summary thereof or reference thereto in form approved by the Trustee), together with a request to Bondholders for their consent thereto in form satisfactory to the Trustee, shall be furnished, by certified or registered mail, postage prepaid, by the Authority to Bondholders (but failure to mail such copy and request shall not affect the validity of the Supplemental Resolution when consented to as in this paragraph provided). Such Supplemental Resolution shall not be effective unless and until there shall have been filed with the Trustee (i) the written consents of Holders of the percentages of Outstanding Bonds specified in “Powers of Amendment” above and (ii) a Counsel’s Opinion to the effect that such Supplemental Resolution has been duly and lawfully adopted and filed by the Authority in accordance with the provisions of the Resolution, is authorized or permitted by the Resolution, and is valid and binding upon the Authority and enforceable in accordance with its terms. Each such consent shall be effective only if accompanied by proof of the holding, at the date of such consent, of the Bonds with respect to which such consent is given, which proof shall be such as is permitted by the Resolution. A certificate or certificates by the Trustee filed with the Trustee that it has examined such proof and that such proof is sufficient in accordance with the Resolution shall be conclusive that the consents have been given by the Holders of the Bonds described in such certificate or certificates of the Trustee. Any such consent shall be binding upon the Holder of the Bonds giving such consent and, anything in Section 1301 of the Resolution to the contrary notwithstanding, upon any subsequent Holder of such Bonds and of any Bonds issued in exchange therefor (whether or not such subsequent Holder thereof has notice thereof), unless such consent is revoked in writing by the Holder of such Bonds giving such consent or a subsequent Holder thereof by filing with the Trustee prior to the time when the written statement of the Trustee hereinafter in this section provided for is filed, such revocation and, if such Bonds are transferable by delivery, proof that

such Bonds are held by the signer of such revocation in the manner permitted by Section 1301 of the General Resolution. The fact that a consent has not been revoked may likewise be proved by a certificate of the Trustee filed with the Trustee to the effect that no revocation thereof is on file with the Trustee. At any time after the Holders of the required percentages of Bonds shall have filed their consents to the Supplemental Resolution, the Trustee shall make and file with the Authority and the Trustee a written statement that the Holders of such required percentages of Bonds have filed such consents. Such written statement shall be conclusive that such consents have been so filed. At any time thereafter, notice, stating in substance that the Supplemental Resolution (which may be referred to as a Supplemental Resolution adopted by the Authority on a stated date, a copy of which is on file with the Trustee) has been consented to by the Holders of the required percentages of Bonds and will be effective as provided by this paragraph, may be given to Bondholders by the Authority by mailing such notice to Bondholders (but failure to make such notice shall not prevent such Supplemental Resolution from becoming effective and binding as in this paragraph provided). (Section 1102)

Modifications by Unanimous Consent. The terms and provisions of the Resolution and the rights and obligations of the Authority and of the Holders of the Bonds thereunder may be modified or amended in any respect upon the adoption and filing by the Authority of a Supplemental Resolution and the consent of the Holders of all of the Bonds then Outstanding, such consent to be given as provided in “Consent of Bondholders” above, except that no notice to Bondholders shall be required. (Section 1103)

DEFAULTS AND REMEDIES

Trustee to Exercise Powers of Statutory Trustee. The Trustee shall be and is vested with all of the rights, powers and duties of a trustee appointed by Bondholders pursuant to Section 1983 of the Public Authorities Law, except the rights as to declaration of Bonds being due and payable provided for in subdivision 2(e) of said Section 1983 or as to appointment of a receiver provided for in subdivision 5 of said Section 1983 or as to general representation of Bondholders provided for by subdivision 6 of said Section 1983, and the right of Bondholders to appoint a trustee pursuant to Section 1983 of the Public Authorities Law is abrogated in accordance with the provision of paragraph (j) of subdivision 4 of Section 1976 of the Public Authorities Law. (Section 1201)

Events of Default. Each of the following events is declared an “Event of Default”, that is to say, if:

- (a) Default in the payment of the principal of or interest on any Bond after the same shall become due, whether at maturity or upon call for redemption; or
- (b) Default in the payment of any Senior Reimbursement Obligation or Junior Reimbursement Obligation after the same shall become due; or
- (c) Default in the payment of any Qualified Swap Payment after the same shall become due; or
- (d) Default by the Authority in the performance or observance of any of the covenants, agreements or conditions on its part in the Resolution, any Supplemental Resolution,

or in the Bonds contained, and continuance of such for a period of sixty (60) days after receipt of written notice thereof by the Authority from the Trustee or by the Authority and the Trustee from the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds, provided, however, that, if the Authority is diligently proceeding to cure such default, the Authority shall have one hundred twenty (120) days to cure such default if such default is of the nature that is able to be cured within such time period. (Section 1202)

Remedies. Upon the happening and continuance of any event of default specified in “Events of Default” above, then and in each such case the Trustee may proceed, and upon the written request of the Holders of not less than twenty-five per centum (25%) in principal amount of the Outstanding Bonds shall proceed, in its own name, to protect and enforce its rights and the rights of the Bondholders by such of the following remedies, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights:

(a) by suit, action or proceeding in accordance with the Civil Practice Law and Rules, enforce all rights of the Bondholders, including the right to require the Authority to perform its duties under the Act;

(b) by suit or action upon the Bonds;

(c) by action or suit to require the Authority to account as if it were the trustee of an express trust for the Holders of the Bonds; or

(d) by action or suit to enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds. (Section 1203)

Priority of Payments After Default. If at any time the funds held by the Trustee and Paying Agents shall be insufficient for the payment of interest and principal or Redemption Price then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds which have theretofore become due at maturity or by call for redemption) and any other monies received or collected by the Trustee acting pursuant to the Act and the provisions summarized under “DEFAULTS AND REMEDIES”, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the Holders of the Bonds, and for the payment of the charges and expenses and liabilities incurred (including the reasonable attorney fees and disbursements of counsel for the Trustee) and advances made by the Trustee in the performance of its duties under the Resolution, shall be applied as follows:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due with respect to Senior Bonds or Senior Reimbursement Obligations in the order of the maturity of the installments of such interest, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in such Senior Bonds and Senior Reimbursement Obligations;

SECOND: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Senior Bonds or Senior Reimbursement Obligations which shall have become due, whether at maturity or by call for redemption, in the

order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts on Senior Bonds and Senior Reimbursement Obligations due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference;

THIRD: To the payment to the persons entitled thereto of all installments of interest then due with respect to Junior Bonds or Junior Reimbursement Obligations and of all Qualified Swap Payments (other than those that are designated as Subordinated Payments) in the order of the maturity of the installments of such interest or such Qualified Swap Payments (as the case may be), and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to the difference in the respective rates of interest specified in such Junior Bonds, Junior Reimbursement Obligations and in related Qualified Swaps;

FOURTH: To the payment to the persons entitled thereto of the unpaid principal, Sinking Fund Installments or Redemption Price of any Junior Bonds or Junior Reimbursement Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amount available shall not be sufficient to pay in full all such amounts on Junior Bonds and Junior Reimbursement Obligations due on any date, then to the payment thereof ratably, according to the amount of principal, Sinking Fund Installments or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference; and

FIFTH: To the payment to the persons entitled thereto of all Subordinated Payments in the order of the maturity thereof, and, if the amount available shall not be sufficient to pay in full any Subordinated Payments, then to the payment thereof ratably, according to the amounts due, to the persons entitled thereto, without any discrimination or preference.

The provisions summarized under “Priority of Payment After Default” are in all respects subject to the provisions summarized under “COVENANTS OF THE AUTHORITY - Extension of Payment of Bonds” above.

Whenever monies are to be applied by the Trustee pursuant to the provisions of this Section, such monies shall be applied by the Trustee at such times, and from time to time, as the Trustee in its sole discretion shall determine, having due regard to the amount of such monies available for application and the likelihood of additional money becoming available for such application in the future. The deposit of such monies with the Paying Agents, or otherwise setting aside such monies in trust for the proper purpose, shall constitute proper application by the Trustee. The Trustee shall incur no liability whatsoever to the Authority, to any Beneficiary or to any other person for any delay in applying any such monies, so long as the Trustee acts with reasonable diligence, having due regard for the circumstances, and ultimately applies the same in accordance with such provisions of the Resolution as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such monies, it shall fix the date (which shall be an interest payment date unless the Trustee shall deem another date more suitable) upon which such application is to be made and upon such date interest (if any) on the

amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate for the fixing of any such date. The Trustee shall not be required to make payment to the Holder of any Bond unless such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid. (Section 1204)

Termination of Proceedings. In case any proceeding taken by the Trustee on account of any Event of Default shall have been discontinued or abandoned for any reason, then in every such case the Authority, the Trustee and the Bondholders shall be restored to their former positions and rights under the General Resolution, respectively, and all rights, remedies, powers and duties of the Trustee shall continue as though no such proceeding had been taken. (Section 1205)

Bondholders' Direction of Proceedings. Anything in the Resolution to the contrary notwithstanding, the Holders of the majority in principal amount of the Bonds then Outstanding shall have the right by an instrument or concurrent instruments in writing executed and delivered to the Trustee, to direct the method of conducting all remedial proceedings to be taken by the Trustee under the Resolution, provided that such direction shall not be otherwise than in accordance with law or the provisions of the General Resolution, and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unjustly prejudicial to Bondholders not parties to such direction. (Section 1206)

Limitation on Rights of Bondholders. No Holder of any Bond shall have any right to institute any suit, action, or other proceeding under the Resolution, or for the protection or enforcement of any right under the Resolution or any right under law, unless such Holder shall have given to the Trustee written notice of the Event of Default or breach of duty on account of which such suit, action or proceeding is to be taken, and unless the Holders of not less than twenty-five per centum (25%) in principal amount of the Bonds then Outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted under the law or to institute such action, suit or proceeding in its name and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expenses and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers under the Resolution or for any other remedy under the Resolution or under law. It is understood and intended that no one or more Holders of the Bonds hereby secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Resolution or to enforce any right under the Resolution or under law with respect to the Bonds or the Resolution, except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the benefit of all Holders of the Outstanding Bonds. Notwithstanding the foregoing provisions of this Section or any other provisions summarized under "DEFAULTS AND REMEDIES," the obligation of the Authority shall be absolute and unconditional to pay the principal and Redemption Price of and interest on the Bonds to the respective Holders thereof at the respective due dates thereof, and nothing herein shall affect or impair the right of action, which is absolute and unconditional, of such Holders to enforce such payment.

Anything to the contrary notwithstanding contained in the preceding paragraph, or any other provision of the Resolution, each Holder of any Bond by his acceptance thereof shall be deemed to have agreed that any court in its discretion may require, in any suit for the enforcement of any right or remedy under the Resolution or any Supplemental Resolution, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the reasonable costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in any such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this paragraph shall not apply to any suit instituted by the Trustee, to any suit instituted by any Bondholder, or group of Bondholders, holding at least twenty-five per centum (25%) in principal amount of the Bonds Outstanding, or to any suit instituted by any Bondholder for the enforcement of the payment of the principal or Redemption Price of or interest on any Bond on or after the respective due date thereof expressed in such Bond. (Section 1207)

Possession of Bonds by Trustee Not Required. All rights of action under the Resolution or under any of the Bonds, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds or the production thereof on the trial or other proceeding relative thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name for the benefit of all the Holders of such Bonds subject to the provisions of the General Resolution. (Section 1208)

Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the General Resolution or now or hereafter existing at law or in equity or by statute. (Section 1209)

No Waiver of Default. No delay or omission of the Trustee or of any Holder of the Bonds to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by the General Resolution to the Trustee and the Holders of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient. (Section 1210)

Notice of Event of Default. The Trustee shall give to the Bondholders notice of each Event of Default hereunder known to the Trustee within ninety (90) days after knowledge of the occurrence thereof, unless such Event of Default shall have been remedied or cured before the giving of such notice; provided that, except in the case of default in the payment of the principal, Redemption Price, if any, or interest on any of the Bonds, or in the making of any payment required to be made into the Debt Service Fund, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Bondholders. Each such notice of Event of Default shall be given by the Trustee by certified or registered mail, postage prepaid, to all registered owners of Bonds, as the names and addresses of such owners appear upon the books for registration and transfer of Bonds as kept by the Trustee. (Section 1211)

Restriction on Acceleration of Maturity. Notwithstanding any provision of the Resolution or of Section 1983 of the Public Authorities Law, neither the Trustee nor any Bondholder shall declare or have any right to declare any Bonds due and payable in advance of stated maturity. (Section 1212)

DEFEASANCE

Release of Lien of Resolution. If the Authority shall pay or cause to be paid, or there shall otherwise be paid, (i) to the Holders of the Bonds then Outstanding, the principal and interest and Redemption Price, if any, due or to become due, (ii) to the providers of Credit Facilities, the amounts due or to become due under Reimbursement Obligations, if any, (iii) to Qualified Swap Providers under Qualified Swaps, the Qualified Swap Payments due, (iv) to the Beneficiaries entitled thereto any Subordinated Payments due or to become due, together with (v) any compensation due and owing to the Trustee under the Resolution, in each case at the times and in the manner stipulated therein and in the Resolution, then and in that event the pledges, assignments, covenants, agreements and other obligations of the Authority to the Beneficiaries shall be discharged and satisfied. In such events, at the expense of the Authority, the Trustee shall, upon request of the Authority and upon receipt of a certificate of an Authorized Officer and an opinion of counsel acceptable to the Trustee, each to the effect that all conditions precedent herein provided relating to the discharge and satisfaction of the obligations of the Authority have been satisfied, execute and deliver to the Authority all such instruments, without recourse or warranty, as may be desirable to evidence such release and discharge and the Trustee and the Paying Agents shall deposit in the Rebate Fund or pay over or deliver to the Authority all monies or securities held by them pursuant to the General Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption in accordance with the direction of an Authorized Officer of the Authority. (Section 1401)

Payment and Discharge of Bonds. Bonds for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit of moneys for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in “Release of Lien of Resolution” above. All Outstanding Bonds of any Series, any Subseries or any maturity within a Series or a portion of a maturity within a Series or Subseries shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in “Release of Lien of Resolution” above if (a) in case any of such Bonds are to be redeemed on any date prior to their maturity, the Authority shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to give as provided the Resolution notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which, when due, will provide moneys which without regard to reinvestment, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof; as the case may be, and (c) in the event such Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the Authority shall have given the Trustee, in form satisfactory to it, irrevocable instructions to give, as soon as practicable, by first class mail, postage prepaid, to the Holders of such Bonds at their last known addresses appearing on the registration

books, and, if directed by an Authorized Officer of the Authority, by publication, at least twice, at an interval of not less than seven (7) days between publications, in an Authorized Newspaper, a notice to the Holders of such Bonds that the deposit required by (b) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds. The Authority shall give written notice to the Trustee of its selection of which Series of Bonds, Subseries of Bonds or which maturity within a Series or Subseries or the principal amount of Bonds within a maturity of a Series or Subseries payment of which shall be made in accordance with this Section. The Trustee shall select which Bonds of like Series, Subseries and maturity payment of which shall be made in accordance with this Section in the manner provided in the Resolution. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds; provided that any moneys received from such principal or interest payments on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable and subject to any applicable tax covenant, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be; and provided further that moneys and Defeasance Securities may be withdrawn and used by the Authority for any purpose upon (i) the simultaneous substitution therefor of either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and interest on which when due will provide moneys which without regard to reinvestment, together with the moneys, if any, held by or deposited with the Trustee at the same time, shall be sufficient to pay when due the principal, Sinking Fund Installments, if any, or Redemption price, if applicable, and interest due and to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (ii) receipt by the Trustee of a letter or other written report of a firm of independent certified public accountants verifying the accuracy of the arithmetical computations which establish the adequacy of such moneys and Defeasance Securities for such purpose. Any income or interest earned by, or increment to, the investment of any such moneys so deposited, shall, to the extent certified by the Trustee to be in excess of the amounts required hereinabove to pay the principal, Sinking Fund Installments, if any, or Redemption Price, if applicable, of and interest on such Bonds, as realized, paid by the Trustee as follows: first to the Arbitrage Rebate Fund the amount specified to be deposited therein in accordance with the direction of an Authorized Officer of the Authority; and, then the balance thereof to the Authority. The moneys so paid by the Trustee shall be released and free from any trust, pledge, lien, encumbrance or security interest created under the Resolution or by the Agreement.

For purposes of determining whether Variable Interest Rate Bonds shall be deemed to have been paid prior to the maturity or redemption date thereof, as the case may be, by the deposit of moneys, or Defeasance Securities and moneys, if any, in accordance with the second sentence of the preceding paragraph, the interest to come due on such Bonds on or prior to the maturity date or redemption date thereof, as the case may be, shall be calculated at the Maximum Rate therefor; provided, however, that if on any date, as a result of such Bonds having borne interest at less than such Maximum Rate for any period, the total amount of moneys and

Defeasance Securities on deposit with the Trustee for the payment of interest on such Bonds is in excess of the total amount which would have been required to be deposited with the Trustee on such date in respect of such Bonds in order to satisfy the second sentence of the preceding paragraph, the Trustee shall, if requested, by the Authority, pay the amount of such excess to the Authority free and clear of any trust, pledge, lien, encumbrance or security interest securing the Bonds or otherwise existing under the Resolution.

Option Bonds shall be deemed to have been paid in accordance with the second sentence of the second preceding paragraph only if, in addition to satisfying the requirements of clauses (a) and (c) of such sentence, there shall have been deposited with the Trustee moneys in an amount which shall be sufficient to pay when due the maximum amount of principal of and premium, if any, and interest on such Bonds which could become payable to the Holders of such Bonds upon the exercise of any options provided to the Holders of such Bonds; provided, however, that if, at the time a deposit is made with the Trustee pursuant to the second preceding paragraph, the options originally exercisable by the Holder of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this paragraph. If any portion of the moneys deposited with the Trustee for the payment of the principal of and premium, if any, and interest on Option Bonds is not required for such purpose, the Trustee shall, if requested by the Authority, pay the amount of such excess to the Authority free and clear of any trust, pledge, lien, encumbrance or security interest securing the Bonds or otherwise existing under the General Resolution. (Section 1402)

Obligations of Trustee. Notwithstanding the release of the lien of the Resolution or the payment and discharge of the Bonds, the obligations of the Authority to the Trustee under the provisions summarized under “THE TRUSTEE AND THE PAYING AGENTS - Compensation” shall survive until satisfied.

MISCELLANEOUS

Preservation and Inspection of Documents. All documents received by the Trustee or any Paying Agent under the provisions of the General Resolution or any Supplemental Resolution shall be retained in its possession and shall be subject at all reasonable times to the inspection of the Authority, the Trustee, any Paying Agent or any Bondholder and their agents and representatives, any of whom may make copies thereof. (Section 1501)

No Recourse Under Resolution or on Bonds. All covenants, stipulations, promises, agreements and obligations of the Authority contained in the Resolution shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Authority and not of any member, officer or employee of the Authority in his individual capacity, and no recourse shall be had for the payment of the principal or Redemption Price of or interest on the Bonds or for any claim based thereon or on the General Resolution against any member, officer or employee of the Authority or any person executing the Bonds. (Section 1502)

Interested Parties. Nothing in the Resolution expressed or implied is intended or shall be construed to confer upon, or to give or grant to, any person or entity, other than the Authority, the Trustee, the Paying Agents, if any, and the Bondholders and other Beneficiaries, any right, remedy or claim under or by reason of the Resolution or any covenant, condition or

stipulation hereof, and all covenants, stipulations, promises and agreements in the General Resolution contained by and on behalf of the Authority shall be for the sole and exclusive benefit of the Authority, the Trustee, the Paying Agents, if any, and the Bondholders and other Beneficiaries. (Section 1504)

APPENDIX C

SUMMARY OF CERTAIN PROVISIONS OF THE MASTER LEASE, THE SPECIFIED SUBLEASES AND OTHER DOCUMENTS

[THIS PAGE INTENTIONALLY LEFT BLANK]

**Summary of Certain Provisions of the Master Lease,
the Specified Subleases and Other Documents**

The following are descriptions of the major provisions of the Master Lease, the Existing Subleases and certain other agreements. Capitalized terms used in this Appendix D and not defined herein, in “Appendix C – Definitions and Summary of Certain Provisions of the Master Resolution” to the Official Statement or in the Official Statement to which this is appended, have the meanings ascribed to them in the respective agreements. The descriptions contained herein do not purport to be complete, and reference is made to the respective agreements for full and complete statements of their provisions.

THE MASTER LEASE

The Project Area was originally leased to the Authority by New York City (the “City”) pursuant to a lease, dated November 24, 1969 (as supplemented, restated and amended, the “Master Lease”), which expires June 18, 2069. In June 1980 the New York State Urban Development Corporation (“UDC”) acquired the fee interest in the Project Area from the City in a condemnation proceeding, and conveyed the Project Area to its wholly owned subsidiary, BPC Development Corporation (“BPCDC”). In December 1982, BPCDC conveyed the fee interest in the Project Area to the Authority for a nominal consideration. By its terms, the Master Lease remained in effect after acquisition by the Authority of fee title to the Project Area and the Authority is the landlord and tenant thereunder.

The Master Lease obligated the Authority, as tenant, to construct or cause to be constructed site improvements, including utilities, streets and civic and other facilities and residential and commercial improvements, all in substantial accordance with the Master Development Plan. The Master Lease provides for the payment of a basic rent of \$1.00 per year and additional rent, payable monthly (with an accounting 120 days after the end of the fiscal year), in the amount equal to the amount by which all rents, issues, profits, revenue and income (determined on a cash basis) derived from the Project Area for such fiscal year exceeds all obligations incurred by the Authority in such fiscal year with respect to the Project Area.

The Master Lease contemplates the execution by the Authority of (a) subleases in its capacity as tenant under the Master Lease and (b) of direct leases (excluding the Master Lease) in its capacity as the owner, both of which are defined as “Basic Subleases,” of portions of the Project Area. The Master Lease provides that each Basic Sublease shall provide for the payment to the Authority of a net annual basic rent plus tax equivalency payment which shall not be less than certain amounts specified in the Master Lease. Each of the Existing Subleases complies with these Master Lease requirements on Basic Sublease rent. The Master Lease is a “net” lease to landlord thereunder. The Authority, as tenant under the Master Lease, is to cause each tenant under a Basic Sublease to pay all impositions levied or assessed against the premises demised under such Basic Sublease, to insure all improvements constructed by such tenant, to comply with all requirements of governmental authorities, to restore the improvements constructed on such tenant’s premises in the event of a fire or other casualty or a partial taking in condemnation and to make all repairs and replacements necessary to maintain the improvements in a condition appropriate for improvements

of similar construction, use and class in New York City. The Authority, as tenant under the Master Lease, is to keep all civic facilities (prior to dedication thereof) insured, to maintain a policy of comprehensive general liability insurance, to discharge any mechanic's lien filed against the Project Area or any improvements constructed thereon and, if a tenant under a Basic Sublease shall have failed to comply with any provision of the Master Lease requiring performance by such tenant, to perform such obligation.

The Authority, as landlord under the Master Lease, shall have the right to terminate the Master Lease if a default in the payment of Basic Rent or any item of additional rent shall remain unpaid for a period of 30 days after notice or if there is a failure to perform any other provision of the Master Lease and such failure continues for 90 days after notice, unless such failure could not by its nature be cured within such 90 days, in which event tenant is required to remedy such failure with reasonable diligence.

The Authority, as landlord under the Master Lease has agreed, in the event of a termination of the Master Lease, to recognize the Gateway Plaza Sublease, the Rector Place Subleases and the Battery Place Subleases, all of which are subordinate to the Master Lease, provided no default then exists which would permit landlord under the respective Sublease to terminate such Sublease. The WFC Severance Leases are direct leases with the Authority and would not be affected by a termination of the Master Lease. In addition, landlord has agreed that it will not exercise its right to terminate the Master Lease upon the occurrence of an event of default unless landlord shall have delivered to the trustee under any indenture securing any bonds or any resolution authorizing bonds, either: (i) monies sufficient to make full and complete redemption of such bonds then outstanding in accordance with their terms, (ii) an instrument whereby landlord assumes full payment of the debt service on such bonds, or (iii) an instrument whereby landlord agrees to recognize and continue the pledge to the bondholders under the terms of such indenture or resolution to apply to the payment of debt service on such bonds then outstanding the gross revenue and receipts received and derived from the Project Area and undertakes the performance of all of the duties and obligations relating to the Project Area which tenant under the Master Lease is required to perform, as tenant under the Master Lease or under such indenture or resolution.

The Master Lease grants to the City the right to reacquire the Project Area for \$1.00 within certain time periods following the date upon which all bonds and other indebtedness incurred by the Authority have been paid or repaid in full, but in no event prior to January 1, 2000. See "THE BATTERY PARK CITY PROJECT – The City Repurchase Right" for a further description of the City's right to repurchase the Project Area.

WORLD FINANCIAL CENTER SEVERANCE LEASES

The World Financial Center has been developed pursuant to four severance leases between the Authority, as landlord, and the developers identified therein, as tenants (individually, a "WFC Severance Lease" and collectively, the "WFC Severance Leases"). A schedule of the WFC Severance Leases is annexed hereto. The following is a description of the major provisions of the WFC Severance Leases. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the WFC Severance Leases. The description contained herein does not purport to be complete and reference is made to the WFC Severance Leases for full and complete statements of their provisions.

1. *Term:* The term of each of the WFC Severance Leases commenced on the date such WFC Severance Lease was executed and expires, unless sooner terminated, on June 17, 2069. No WFC Severance Lease contains any right on the part of tenant thereunder to renew or otherwise extend the term beyond June 17, 2069.

2. *Rental:* The primary components of rent under the WFC Severance Leases are base rent (including additional base rent), payments in lieu of real estate taxes or PILOT payments, and percentage rent. The following is a description of each such component of rent:

(a) *Base Rent:* Each WFC Severance Lease obligates tenant thereunder to pay, on a monthly basis, base rent ("Base Rent") in the following amounts:

**ONE WORLD FINANCIAL CENTER
(PARCEL A)**

The Base Rent is \$3,400,000/year for the remainder of the term.

**TWO WORLD FINANCIAL CENTER
(PARCEL B)**

The Base Rent is \$5,100,000/year for the remainder of the term.

**THREE WORLD FINANCIAL CENTER
(PARCEL C)**

The Base Rent is \$5,100,000/year for the remainder of the term.

**FOUR WORLD FINANCIAL CENTER
(PARCEL D)**

The Base Rent is \$3,400,000/year for the remainder of the term.

(b) *Additional Base Rent:* Each WFC Severance Lease obligates tenant thereunder to pay, on a monthly basis, additional Base Rent in the following amounts:

**ONE WORLD FINANCIAL CENTER
(PARCEL A)**

Additional Base Rent is payable from 9/1/99-8/31/14 at the rate of \$1,588,920/year.

**TWO WORLD FINANCIAL CENTER
(PARCEL B)**

Additional Base Rent is payable from 9/1/99-8/31/14 at the rate of \$2,383,380/year.

**THREE WORLD FINANCIAL CENTER
(PARCEL C)**

Additional Base Rent was payable from 9/1/99-8/31/09 at the rate of \$3,106,674/year.

**FOUR WORLD FINANCIAL CENTER
(PARCEL D)**

Additional Base Rent is payable from 9/1/99-8/31/14 at the rate of \$1,588,920/year.

(c) *PILOT*: The Authority and the Project Area are exempt from real estate taxes. Each WFC Severance Lease obligates each tenant thereunder to make payments to the Authority of PILOT. PILOT will be the same amount as the real estate taxes which would have been payable except for the Authority's tax exempt status, with an annually declining percentage abatement for approximately the first 10 years after substantial completion of the buildings which abatement has elapsed. Each WFC Severance Lease provides that tenant thereunder shall have the right to institute tax assessment reduction proceedings to reduce the assessed valuation of the premises covered by its WFC Severance Lease. If such proceeding is successful, PILOT will be reduced.

(d) *Percentage Rent*: Commencing on the 12th year after substantial completion of the buildings and continuing through the year 2016, each tenant under a WFC Severance Lease shall pay percentage rent ("Percentage Rent") in an amount equal to 5% of the amount by which "net fixed rent" for such year exceeds "net fixed rent" for the 11th year after substantial completion of the buildings. Percentage Rent is paid semi-annually. "Net fixed rent" is defined generally as revenues derived from use and occupancy of space in the buildings which is permitted to be used for office purposes (except to the extent deemed space used for retail purposes), or parking of vehicles, including, without limitation, base rent, fixed rent, percentage rent, additional rent, debt service and all other income, less operating expenses allocable to such office space, and debt service on loans made by tenant thereunder to subtenants to finance leasehold improvements in excess of the building standard improvements.

Each tenant under a WFC Severance Lease shall also pay Retail Rent and Other Rent. In addition, each tenant is obligated to pay, subject to such tenant's right to contest the same, any imposition levied or assessed against the premises demised by a WFC Severance Lease (excluding real estate taxes, which, if levied, shall be paid by the Authority). Except as hereinafter set forth, each tenant's obligation to pay Rental is net to the Authority and without abatement, set-off or counterclaim. Each of the WFC Severance Leases gives tenant thereunder certain limited off-set rights against Rental in the following instances:

(a) In the event of a final determination in favor of a tenant in a tax assessment reduction proceeding, succeeding PILOT payments to the Authority will be reduced to the extent necessary to offset the overpayment of PILOT;

(b) If the premises covered by a WFC Severance Lease shall at any time become subject to real estate taxes, the Authority is responsible for the payment of same. In the event the Authority shall have failed to pay such real estate taxes or to timely contest such taxes, or if the Authority shall contest such taxes but, notwithstanding such contest, the failure to pay such taxes will result in the loss of the Premises and termination of tenant's interest under the WFC Severance Lease, and tenant shall have paid the same, such tenant may deduct such payment, together with interest and penalties thereon, from Rental;

(c) In the event and to the extent Percentage Rent shall have been overpaid by a tenant;

(d) The cost of any work performed by a tenant in order to preserve the premises from damage due to excavation work undertaken by the Authority on adjacent premises; or

(e) If there shall be a judgment beyond appeal awarding a tenant a sum for expenses for rightfully undertaking to perform the Authority's obligations with respect to the civic facilities, as provided in the Project Operating Agreement dated as of June 15, 1983.

3. *Taxes:* As previously stated, in the event real estate taxes shall be levied and assessed against the premises covered by a WFC Severance Lease, the Authority shall be obligated to pay same. The Authority has the right, however, to contest the imposition of taxes, and, in certain circumstances, may defer payment during the pendency of such tax contest.

4. *Insurance:* Both during and after completion of the buildings, each tenant under a WFC Severance Lease is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to one year's current Base Rent, PILOT, Substitute PILOT, if any, and Basic Retail Rent (as defined therein). The types of insurance and limits of coverage are specified in each WFC Severance Lease. All insurance provided (except certain workmen's compensation insurance) shall name, the tenant and, at the tenant's option, the landlord as named insureds and certain insurance may name the mortgagee, if any, provided, however, that all rent insurance shall name the landlord as well as the tenant. In addition, the Authority may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. Each WFC Severance Lease provides that, in the event of a casualty, the insurance proceeds shall be paid to tenant, in trust, for the sole purpose of paying the cost of restoration if less than \$1,000,000 (the amount as of the execution of the WFC Severance Leases, which amount is subject to adjustment on September 1, 1986 and every fifth year thereafter based on the consumer price index) or, if in excess of \$1,000,000 (as adjusted), to a depository designated by such tenant, such depository to be an institutional lender (as defined in each WFC Severance Lease). The Authority has agreed pursuant to the Merrill Lynch agreements to increase the "\$1,000,000" figure, whenever such figure appears in the WFC Severance Leases for Two World Financial Center and Four World Financial Center, to \$2,500,000.

5. *Restoration:* Except as hereinafter set forth, each tenant is obligated at its sole expense to restore the buildings in the event of damage or destruction due to fire or other casualty, whether insured or uninsured, whether or not the cost of restoration exceeds the insurance proceeds and whether or not the mortgagee shall permit such insurance proceeds to be used for restoration. Each tenant shall be obligated for the payment of Rental during the period of a casualty without reduction or abatement. In the event a tenant fails to restore the buildings as provided in its WFC Severance Lease, the Authority shall have the right to do so at tenant's expense and may apply the insurance proceeds for such purposes. To the extent the cost of restoration equals or exceeds \$1,000,000 or, with respect to Two World Financial Center and Four World Financial Center, \$2,500,000 (as adjusted), such tenant shall provide the Authority with plans and specifications for such restoration, a construction contract and payment and performance bonds or other security

reasonably satisfactory to the Authority. In addition, if such restoration involves work to the exterior of any buildings or a change in the height, bulk or setback of such buildings, such tenant shall deliver plans and specifications for such work prior to the commencement of the restoration. No WFC Severance Lease grants tenant thereunder the right to terminate its WFC Severance Lease in the event of a casualty, except in the following instances:

- (a) If there is damage or destruction during the last 5 years of the term rendering 20% or more of the premises untenable; and
- (b) If there is damage or destruction during the last 2 years of the term rendering 10% or more of the premises untenable.

If a tenant elects to terminate its WFC Severance Lease, the insurance proceeds are paid to the Authority. To the extent any procedure for payment of insurance proceeds required under any mortgage held by an Institutional Investor shall be inconsistent with a WFC Severance Lease, the procedures required by the mortgage shall control provided they are more restrictive with respect to the payment of insurance proceeds to or on behalf of the tenant.

6. *Condemnation:* In the event all or substantially all of the premises demised under a WFC Severance Lease are taken in a condemnation, such WFC Severance Lease shall be terminated. In such event, there shall first be paid to the Authority the entire award for that part of the land and the civic facilities, if any, taken. The balance of the award shall be paid to such tenant, subject to the rights of any mortgagees. In the event less than all or substantially all of the premises shall be taken, such WFC Severance Lease shall continue in full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and civic facilities, if any, so taken and such tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, such tenant shall be obligated for the payment of Rental, without abatement or reduction. The obligations of each tenant to restore the buildings in the case of a partial taking are similar to such tenant's obligations in the case of a casualty. No WFC Severance Lease grants tenant thereunder the right to terminate its WFC Severance Lease except with respect to a taking of all or substantially all of the premises covered by a WFC Severance Lease and in the additional following instances:

- (a) If there is a taking of 20% or more of the building during the last 5 years of the term; and
- (b) If there is a taking of 10% or more of the building during the last 2 years of the term.

If a tenant elects to terminate its WFC Severance Lease, the condemnation proceeds are paid to the Authority. To the extent any procedure for payment of condemnation proceeds required under any mortgage held by an Institutional Lender shall be inconsistent with a WFC Severance Lease, the procedures required by the mortgage shall control provided they are more restrictive with respect to the payment of insurance proceeds to or on behalf of the tenant.

7. *Assignment, Subletting:* Tenant thereunder has the right to assign its WFC Severance Lease, sublet all or substantially all of the premises demised thereunder or effect certain

transfers of interests in such tenant without the Authority's approval (including transfers to affiliated or related entities). Each WFC Severance Lease permits tenant thereunder at any time to enter into subleases of portions of the premises for actual occupancy without the Authority's approval. Tenant may collaterally assign its interest in a WFC Severance Lease to one or more mortgagees without the consent of landlord and may subject its leasehold interest to one or more mortgages. If an event of default by a tenant under a WFC Severance Lease shall have occurred, the Authority may, under certain circumstances, collect rent from subtenants under such subleases. In the event the Authority shall terminate a WFC Severance Lease, at the Authority's option and except as hereinafter provided, each subtenant under a sublease shall attorn to or enter into a direct lease with the Authority on identical terms and for the balance of the unexpired term of such subtenant's sublease. The Authority has agreed, in certain circumstances, to recognize a sublease with a subtenant which is not an affiliate of tenant in the event a WFC Severance Lease is terminated, provided, among other things, such subtenant is not in default under its sublease. Assuming compliance with these provisions, the Authority will be able to retain any subleases made by tenant in the event of a WFC Severance Lease termination by the Authority.

8. *Mortgages:* Each WFC Severance Lease provides that in the event tenant thereunder shall mortgage its interest in its WFC Severance Lease and shall have delivered notice thereof to the Authority, the Authority shall give each mortgagee a copy of any notice of default given by the Authority to such tenant. Each mortgagee shall have the right to cure such default in the manner set forth in such WFC Severance Lease and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by tenant. In the event the Authority shall have terminated a WFC Severance Lease as a result of an event of default by tenant or for any other reason, the Authority shall notify each mortgagee of such termination and, at such mortgagee's request, shall enter into a new lease with the mortgagee (or its designee or nominee) most junior in lien (unless a mortgagee senior in lien has such right) for the remainder of the term and upon the same terms and conditions as in such WFC Severance Lease. In such event, such mortgagee shall pay to the Authority all unpaid Rental and the Authority's expenses incurred in connection with tenant's default and the termination of such WFC Severance Lease and shall remedy those defaults which are susceptible of being cured. In the event a mortgagee did not cure tenant's defaults or request a new lease, the lien of such mortgagee's mortgage would be extinguished as a result of the termination of such WFC Severance Lease. The rights of mortgagees have also been given to certain pledgees of direct or indirect interests in the WFC Severance Lease tenants and collateral assignees of mortgages.

9. *Repairs:* The WFC Severance Leases provide that each tenant thereunder shall, at its expense, take good care of the premises and all equipment and shall keep and maintain the buildings (which tenant was obligated to construct pursuant to each WFC Severance Lease) in good and safe order and working condition and shall make all repairs, internal and external, structural and non-structural.

10. *Compliance with Requirements:* The WFC Severance Leases provide that each tenant thereunder shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the premises. Each tenant shall have the right, in certain circumstances, to contest the validity of any such requirement.

11. *Capital Improvements:* The WFC Severance Leases provide that tenant shall have the right to make capital improvements to the buildings, provided any such capital improvement, when completed, shall be of such a character as not to reduce the value of the buildings below their value immediately before construction of the capital improvement was commenced. In addition, capital improvements of a structural nature require the submission to the Authority of plans and specifications. Capital improvements in excess of \$1,000,000 (or \$2,500,000 with respect to Two World Financial Center and Four World Financial Center) (as adjusted) also require the submission to the Authority of the construction contract, bonds or a letter of credit or other security reasonably satisfactory to the Authority. Title to all additions, alterations, improvements and replacements made to the World Financial Center, including, without limitation, capital improvements, shall vest in the landlord without need to compensate the tenant.

12. *Discharge of Liens:* The WFC Severance Leases provide that tenant thereunder shall not create or cause to be created any lien, encumbrance or charge upon such tenant's estate in the premises (except a permitted mortgage, sublease, assignment of lease or additional easements), any assets of or funds appropriated to the Authority or upon the Authority's estate in the premises. Such tenant shall cause any such lien to be promptly discharged of record.

13. *The Authority's Right to Perform:* If an event of default shall have occurred under a WFC Severance Lease, the Authority shall have the right to perform any obligation on tenant's behalf and any monies expended by the Authority shall be repaid by such tenant with interest.

14. *Events of Default:* The WFC Severance Leases provide that if certain defaults shall occur the Authority shall have the right to terminate such WFC Severance Lease. Defaults by a tenant that would entitle the Authority to terminate such WFC Severance Lease include: (a) failure to make any required payment of Rental after 10 days' notice, (b) failure to perform any other provision of such WFC Severance Lease if such failure continues for a period of 30 days after notice by the Authority to such tenant, unless such failure could not by its nature be cured within such 30 days, in which case such tenant is required to remedy such failure with reasonable diligence, (c) such tenant's failure to comply with those prohibitions contained in such WFC Severance Lease on assigning, subleasing, mortgaging, pledging or otherwise encumbering such WFC Severance Lease unless such assignment, sublease, mortgage, pledge or encumbrance is fully discharged within 30 days after notice by the Authority to such tenant, and (d) events of bankruptcy concerning such tenant. In the event of a default by such tenant and the failure of such tenant or such tenant's mortgagee to timely exercise its cure rights, as hereinabove described, the Authority will have the right to terminate such WFC Severance Lease. As previously stated, each WFC Severance Lease grants a mortgagee certain rights intended to provide protection in the event of a default by a tenant under a WFC Severance Lease, including a right to notice and cure and a right to enter into a new lease with the Authority directly. Such rights have also been given to certain pledgees of direct or indirect interests in the WFC Severance Lease tenants and collateral assignees of mortgages.

15. *Civic Facilities:* Each of the WFC Severance Leases provides that the Authority shall construct, at its expense, certain enumerated civic facilities and insure, maintain, repair and, in the event of a fire or other casualty or condemnation, restore such civic facilities. Brookfield Financial Properties, L.P., (formerly known as World Financial Properties, L.P.) ("Brookfield") has undertaken certain construction and maintenance obligations with respect to the civic facilities

pursuant to separate agreements with the Authority. (See: “Ancillary and Other Agreements” below.)

16. *No Subordination:* The Authority’s interest in the WFC Severance Leases shall not be subject or subordinate to any mortgage placed upon a tenant’s interest in its WFC Severance Lease or to any other lien or encumbrance affecting such tenant’s interest in its WFC Severance Lease. Tenant’s interest shall not be subject or subordinate to any liens or encumbrances affecting landlord’s interest in, among other things, the Master Lease.

17. *Diversity Program:* Tenants under the WFC Severance Leases are obligated to comply with a diversity program, which program is annexed to each WFC Severance Lease.

18. *Restrictions on Transfers by the Authority:* The Authority has agreed in each of the WFC Severance Leases that it will not make or cause there to be made any mortgage of or other encumbrance against its interest in the fee title to the premises, tenant’s leasehold estate under the Master Lease applicable to the premises, the civic facilities or the WFC Severance Leases and it will not sell, convey, assign or otherwise transfer or relinquish its interest in any of the foregoing except to the UDC or any subsidiary thereof, the State of New York or a bureau or department thereof or a public benefit corporation, agency or authority of the State of New York and further provided that the Authority will not sell, convey, assign or otherwise transfer or relinquish its interest in any of the foregoing if as a result thereof real estate taxes would become payable with respect to the premises or sales or compensating use taxes would become payable in connection with the purchase of materials, fixtures and equipment (each of the foregoing being called a “Restricted Transfer”). The foregoing prohibitions shall not apply to the right of repurchase granted to New York City to acquire the Project Area.

19. *Limitation of the Authority’s Liability:* The liability of the Authority under each of the WFC Severance Leases for damages or otherwise shall be limited to the Authority’s interest in the demised premises and the WFC Severance Leases, including, without limitation, the rents, issues and profits thereof, the proceeds of any insurance policies, any awards payable in connection with any condemnation, any amounts received or receivable by the Authority in connection with a sale, transfer or assignment by the Authority of its interest in the premises and the WFC Severance Leases to the extent such amounts have not been distributed and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to the premises. The limitations of the Authority’s liability shall not apply to any liability that the Authority may incur by reason of the consummation of a Restricted Transfer.

20. *Limitation of Tenant’s Liability:* The liability of a tenant under its WFC Severance Lease shall be limited to such tenant’s interest in the demised premises and its WFC Severance Lease, including, without limitation, the rents, issues and profits thereof, the proceeds of any insurance policies, any awards payable in connection with any condemnation, any amounts received or receivable by such tenant in connection with a sale, transfer or assignment of the tenant’s interest in the premises and the WFC Severance Lease to the extent such amounts have not been distributed and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to the premises. Accordingly, if a tenant shall have defaulted under its WFC Severance Lease and such default was not remedied by such tenant or its mortgagee or if such WFC Severance Lease was terminated and a new lease was not

requested by such mortgagee, the sole remedy of the Authority will be to terminate such WFC Severance Lease and repossess the demised premises. The Authority will be unable to recover any monetary damages resulting from such termination from the tenant thereunder.

GROUND LEASE FOR SITE 15 (NYMEX)

The following is a description of the major provisions of the Ground Lease for Site 15 (NYMEX), or the Lease, between Battery Park City Authority (the “Authority”), as landlord, and New York Mercantile Exchange, as tenant (“Tenant”), made as of the 18th day of May, 1995, for Site 15 (NYMEX) (the “Lease”), and as amended on November 25, 2013. In exchange for reduced base rent, reduced payments in lieu of real property taxes, increased sales tax benefits, public monies contributed towards construction of a new commodities exchange headquarters on Site 15 and other certain benefits, NYMEX agreed to maintain its world headquarters at Site 15 and to comply with certain other conditions set forth in a separate agreement dated the same date as the Lease (the “Occupancy Agreement”) between the City of New York, the Authority, Tenant and certain other public parties. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Lease. The description contained herein does not purport to be complete and reference is made to the Lease for full and complete statements of their provisions.

1. *Term:* The Lease commenced on the date of the Lease, or the Commencement Date and expires, unless sooner terminated, on June 17, 2069. The Lease contains an option to extend the Lease and a purchase option, if any other commercial tenant or commercial subtenant is granted an option to purchase or extend its lease beyond June 17, 2069, on comparable terms.

2. *Rental:* The primary components of rent under the Lease are base rent, PILOT and Civic Facilities Payments.

(a) *Base Rent:* The Lease obligates Tenant to pay, on a monthly basis, base rent in the following amounts:

(i) \$1.00 for each lease year up to the date on which floor trading occurs, or the Occupancy Date, for the trading portion of the building (the “Trading Portion”) consisting of approximately 113,625 square feet; and \$1.00 for the office portion of the building (the “Office Portion”) consisting of approximately 386,375 square feet;

(ii) for each lease year commencing on the Occupancy Date and for 20 years: (A) \$1.00 for the Trading Portion; and (B) \$1,000,000 for first 7 years, \$1,500,000 for the next 6 years, and \$2,000,000 for the remaining 7 years for the Office Portion;

(iii) thereafter \$4,000,000, subject to adjustment based on fair market rent. The fair market rent is to be determined on the 1st day of the month next succeeding the 20th anniversary of the Occupancy Date and as of each subsequent 15th anniversary by an appraisal or agreed to by Tenant and the Authority at least 6 months prior to any appraisal date. For each lease year and continuing for period of 15 years: (1) if the fair market rent is in excess of \$4,000,000, the base rent shall be the sum of \$4,000,000

plus $\frac{1}{2}$ of the difference between fair market rent and \$4,000,000; or (2) if the fair market rent is less than \$4,000,000, the base rent shall be the difference of \$4,000,000 minus $\frac{1}{2}$ of the difference between \$4,000,000 and fair market rent.

(b) *PILOT*: For each tax year, Tenant shall pay to the Authority, without notice or demand, on or before the last date taxes are payable, an annual sum of PILOT, which shall be payable for:

(i) The Trading Portion: (A) subject to adjustment, from the Commencement Date to the 20th anniversary of the Occupancy Date, PILOT shall be zero and provided that if Tenant shall cease to use the Trading Portion for the purposes provided in the Lease and the Occupancy Agreement, PILOT shall be increased to an amount equal to real property taxes (subject, however, to any real property tax abatement, deferral or exemption which would be available from time to time if the premises were owned by an entity not exempt from the payment of taxes); and (B) thereafter continuing for the remainder of the term, PILOT shall be in an amount equal to real property taxes assessed on the Trading Portion, subject to adjustments for any real property tax abatement, deferral or exemption as described above.

(ii) The Office Portion: (A) subject to adjustment as provided in (D) below, from the Commencement Date to the 2nd anniversary of the Occupancy Date, PILOT shall be zero; (B) subject to adjustment as provided in (D) below, for the next 10 years, PILOT shall be paid in amount equal to the following percentages of real property taxes in each tax year: 1st – 25%, 2nd – 32.5%, 3rd – 40%, 4th – 47.5%, 5th – 55%, 6th – 62.5%, 7th – 70%, 8th – 77.5%, 9th – 85%, 10th – 92.5%; (C) thereafter, PILOT shall be in an amount equal to real property taxes assessed on the Office Portion and (D) PILOT for subleased space shall be based upon a pro rata amount of real property taxes on the building, without the abatement described in (A) or (B) (subject, however, to any real property tax abatement, deferral or exemption which would be available from time to time if the premises were owned by an entity not exempt from the payment of taxes).

Except for subleased space, in determining PILOT, the allocation of the total assessed value (1) of the land, is made on a pro rata basis based upon the square footage of each, and (2) of the improvements is (A) in the Office Portion, based on the number of rentable square feet of office space in the building multiplied by the then current, per square-foot assessed value of comparable office buildings in the project area and (B) the balance is allocated to the Trading Portion. The lease provides that the World Financial Center is deemed to be “comparable office buildings”. Tenant is under the obligation to continue to pay the full amount of PILOT, notwithstanding that Tenant may have instituted tax assessment reduction or other actions or proceedings to reduce the assessed valuation of the premises. Tenant shall be entitled to an adjustment or a credit against future PILOT to the extent of any tax reduction, provided, however, that Tenant shall not be entitled to any refund of any such excess from the Authority.

(c) *Civic Facility Payments*: As its allocable share of the cost of operating and maintaining civic facilities, Tenant shall pay to the Authority an annual sum in the amount

of \$150,000, escalated annually by 3%, commencing on the first day of the first month following the Occupancy Date and ending on the last day of the term of the Lease.

3. *Insurance:* Both during and after completion of the building, Tenant is obligated to provide and keep in force insurance, including rent insurance in an amount equal to at least one year's current Base Rent, PILOT and Civic Facilities Payment and other insurance required by the Authority against hazards commonly insured by prudent owners of such buildings. The limits of coverage are specified in the Lease. All insurance provided (except for workers' compensation insurance) must name Tenant as named insured and the Authority, the City and the UDC as additional insureds to the extent of their respective insurable interests in the premises and shall be primary with respect to any other coverage the Authority may obtain, and certain insurance may name the mortgagee, if any. Loss under all policies against damage to the building shall be payable to the depository, designated by Tenant and such depository being an institutional lender, except that amounts of less than \$1,000,000 shall be payable directly to Tenant, in trust, for application to the cost of restoration. Such amount shall be adjusted on the 5th anniversary of the Commencement Date and on every 5th year thereafter based on the Consumer Price Index. All Rent Insurance shall provide in substance that all adjustments for claims with the insurers shall be made with the Authority and Tenant.

4. *Restoration:* If all or any part of the Building shall be destroyed or damaged in whole or in part by fire or other casualty Tenant shall, whether or not such damage or destruction shall have been insured, and whether or not insurance, if any, shall be sufficient for the purpose of such restoration, restore the building. The Authority in no event shall be obligated to restore the building or any portion thereof or to pay any of the costs or expenses thereof. If Tenant shall fail or neglect to restore the building as provided in the Lease, the Authority may, but shall not be required to, complete such restoration at Tenant's expense. Prior to commencing any restoration, Tenant shall furnish the Authority with an estimate of the cost of such restoration prepared by a licensed professional engineer or registered architect, and to the extent the cost of restoration equals or exceeds \$1,000,000, Tenant shall furnish to the Authority complete plans and specifications for the restoration and any required permits, a contract or construction management agreement and payment and performance bonds or such other security as shall be reasonably satisfactory to the Authority. To the extent that any portion of the restoration involves work on the exterior of the building or a change in height, bulk or setback of the building, or in any manner affects compliance with the master development plan, the design guidelines and declaration of restrictions, if applicable, Tenant shall furnish to the Authority a complete set of plans and specifications for the restoration prior to commencement of such restoration. The Lease shall not terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable thereunder, by reason of damage to or total, substantial or partial destruction of the building by reason of the untenability of the same for or due to any reason or cause whatsoever, and Tenant, notwithstanding any law or statute, waives any and all rights to quit or surrender the premises. Tenant expressly agrees that its obligations under the Lease, including, without limitation, the payment of Rental, shall continue as though the building had not been damaged or destroyed without abatement, suspension, diminution of any kind.

5. *Condemnation:* If all or substantially all of the premises shall be taken by any lawful power or authority by exercise of the right of condemnation or eminent domain or agreement among the Authority, Tenant and those authorized to exercise such right, the Lease and

the Term shall end on the date of such taking and all obligations and liabilities of Tenant shall terminate and expire. In such case, the award, awards or damages shall be apportioned: first to the Authority for the value of land and civic facilities taken; next to the mortgagee which holds a first lien on Tenant's interest in the Lease; then if such taking is by the United States of America or any instrumentality thereof, the amount funded by the New York City Economic Development Corporation, or EDC, shall be amortized over 15 years and next paid to the Authority, for payments by the Authority under the Project Agreement to UDC and EDC, the unamortized portion thereof, unless Tenant shall have elected to remain in New York City, in which event, such portion of the award shall be paid to Tenant; then next to the Authority for the Authority's reversionary interest in the part of the building as described in the Lease; and subject to rights of any Mortgagees, Tenant shall receive the balance, if any, of any such award.

If less than substantially all of the premises shall be taken, the Lease and the Term shall continue as to the portion of the premises remaining without abatement of the Base Rent or diminution of any of Tenant's obligations thereunder. Tenant shall proceed to restore any remaining part of the building in conformity with applicable plans. Any award should be first paid to the Authority for the value attributable to land and civic facilities, and the balance to be paid to depository and if less than \$1,000,000, in trust, to Tenant for application to the cost of restoration of the part of building not so taken. The obligations of Tenant to restore the building are similar to such obligations as discussed under the subheading "Restoration" above. If the temporary use of the whole or any part of the premises shall be taken, Tenant shall give notice to the Authority and the term shall not be reduced or affected in any way and Tenant shall continue to pay in full the rental payable without reduction or abatement, and Tenant shall be entitled to receive for itself any award or payments for such use subject to restrictions provided in the Lease.

6. *Assignment, Subletting:* Prior to the Lease Restrictions Expiration Date, as such term is defined in the Lease, neither the Lease nor any interest of Tenant in the Lease, shall be sold, assigned, or otherwise transferred, nor certain transfer of interests in Tenant made, nor shall Tenant sublet the premises as an entirety or substantially as an entirety without the consent of the Authority. Thereafter, Tenant may assign the Lease, sublet the premises as an entirety or substantially as an entirety or transfer certain interests in Tenant, without first obtaining the Authority's approval, provided no default shall have occurred and be continuing, unless it is cured simultaneously with such transfer, assignment or subletting. In no event shall Tenant assign the Lease, sublet the Premises as an entirety or substantially as an entirety or enter into or effect any transfer of certain interests in Tenant to certain prohibited persons as defined in the Lease. The consent of the Authority shall not apply to acquisition of the premises by a mortgagee through foreclosure of its mortgage, so long as such mortgagee shall assume and agree to perform all of the terms, covenants and conditions of the Lease to be observed or performed by Tenant, excluding certain minimum occupancy requirements. Tenant shall not, without prior consent of the Authority, which may be withheld in the Authority's sole discretion, submit Tenant's leasehold to the provisions of Article 9-B of the NYS Real Property Law, as such may be amended.

Tenant may, without the Authority's consent, subject to minimum occupancy requirements, enter into agreements for the rental of space in the building for periods shorter than or equal to the remainder of the term of the Lease. In the event, at any time prior to the 15th anniversary of the 1st date on which floor trading occurs on the Premises, Tenant enters into a sublease with other than its affiliate or a service provider, then, Tenant shall pay an increase in

PILOT equal to taxes on such sublet premises (subject to any real property tax abatement, deferral or exemption which would be available from time to time if the premises were owned by an entity not exempt from the payment of taxes). The Authority, after an event of default by Tenant, may, subject to the rights of any mortgagee, collect subrent and all other sums due under subleases. In the event of termination of the Lease, at the Authority's option, subtenants under a sublease shall attorn to or enter into a direct lease with the Authority on identical terms. In certain enumerated circumstances, the Authority agrees to recognize subtenants that are not affiliates of Tenant as the direct tenant of the Authority upon termination of the Lease.

7. *Mortgages:* Tenant shall have the right to mortgage or otherwise encumber Tenant's interest in the Lease. In the event Tenant so mortgages its interest, Tenant or a mortgagee shall give the Authority prompt notice and the Authority shall give notice to such mortgagee of each default. Each mortgagee shall have the right to cure such default in the manner set forth in the Lease and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by Tenant. In case of termination of the Lease by reason of any event of default, the Authority shall give prompt notice thereof to each mortgagee of such termination, and, at such mortgagee's request, shall enter into a new lease with such mortgagee, or its designee or nominee, for the remainder of the term subject to all covenants, conditions, limitations and agreements contained in the Lease. In such event, such mortgagee shall pay to the Authority all unpaid rental due and all expenses incurred by the Authority in connection with the default by Tenant and termination of the Lease, and shall cure all defaults susceptible of being cured. Concurrently, the Authority shall assign to such mortgagee all of its right, title and interest in and to moneys, if any, then held by or payable to the Authority or depository that Tenant would have been entitled to receive but for termination of the Lease. If there is more than one mortgage, the Authority shall only recognize the mortgagee whose mortgage is senior in lien and that has requested a new lease of the premises.

8. *Repairs:* Tenant shall, at its sole cost and expense, put and keep in good condition and repair the premises and fixtures, and shall put, keep and maintain the building in good and safe order and condition and make all repairs therein and thereon, interior and exterior, structural or nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary or appropriate to keep the same in good and safe order and condition, and whether or not necessitated by wear, tear, obsolescence or defects, latent or otherwise.

9. *Compliance with Requirements:* Tenant promptly shall comply with any and all applicable present and future laws, rules, orders, ordinances, etc. affecting the premises. Tenant shall have the right to contest the validity of any such requirements or the application thereof.

10. *Capital Improvements:* Tenant shall have the right to make capital improvements to the building, provided that any such capital improvement, when completed, shall be of such a character as not to materially reduce the value of the premises. If the estimated cost of any proposed capital improvement exceeds \$1,000,000 (as adjusted), Tenant shall: a) pay to the Authority the reasonable fees and expenses of any architect or engineer selected by the Authority to review the plans and specifications and inspect work; and b) furnish to the Authority complete plans and specifications for such capital improvement, a contract or construction management agreement and bonds or other security reasonably satisfactory to the Authority. To the extent that any portion of the capital improvement involves work which affects the structural elements of the

building or work involving the exterior or a change in the height, bulk or setback of the building, Tenant shall furnish to the Authority complete plans and specifications at the Authority's request. Title to all additions, alterations, improvements and replacements made to the building shall forthwith vest in the Authority, without any obligation by the Authority to pay any compensation therefor to Tenant.

11. *Discharge of Liens:* Subject to the provisions of the Lease, Tenant shall not create or permit to be created any lien, encumbrance or charge upon the premises, or the project area, and shall not suffer any other matter or thing whereby the estate, right and interest of the Authority in the premises might be impaired. Tenant may finance any equipment. If any lien at any time shall be filed against the premises, Tenant shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. Tenant shall have no power to do any act or make any contract which may create or be the foundation for any lien, mortgage or other encumbrance upon the estate or assets of, or funds appropriated to, the Authority or of any interest of the Authority in the premises.

12. *Limitations on Liabilities:* The Authority shall not in any event whatsoever be liable for any injury or damage to Tenant or to any other person happening on, in or about the premises, nor for any injury or damage to the premises which may be caused by any fire or breakage, or by the use, misuse or abuse of the building or which may arise from any other cause whatsoever except to the extent any of the foregoing shall have resulted from the negligence or wrongful act of the Authority or its agents; nor for the acts or failure to act of any other tenant of any premises within the project area other than the premises, or of any agent, representative, employee, contractor or servant of such other tenant. In no event shall Tenant be liable to the Authority or to any other person for any injury or damage to the Authority or to such other person happening on, in or about the premises and its appurtenances which may be caused by the Authority's civic facilities or the existence of any hazardous, toxic or dangerous waste, substance or material in the soil or subsurface, except to the extent that the same shall have been caused in whole or in part by the negligence or wrongful act of Tenant.

13. *The Authority's Right to Perform:* If Tenant at any time shall be in default, after notice thereof and after applicable grace periods, if any, provided under the Lease for Tenant or a mortgagee, respectively, to cure or commence to cure same, the Authority, without waiving or releasing Tenant from any obligation of Tenant contained in the Lease, may but shall be under no obligation to perform such obligation on Tenant's behalf. All associated expenses shall be paid by Tenant.

14. *Events of Default:* The following events shall be Events of Default under the Lease: a) failure of Tenant to pay any item of Rental for 10 days after notice from the Authority to Tenant; b) failure of Tenant to observe or perform one or more of the other terms contained in the Lease which failure continues for a period 30 days after notice thereof by the Authority specifying such failure; c) admission, in writing, by Tenant that it is unable to pay its debts as such become due; d) an assignment for the benefit of creditors; e) filing of a bankruptcy petition; f) the commencement of any proceeding against Tenant seeking dissolution or similar relief under the bankruptcy code that shall not have been dismissed within 90 days; g) the assignment of the Lease, sublease, or transfer of certain interests in Tenant, without the Authority's approval to the extent required which transaction does not comply with the terms of the Lease or is voided ab initio within

30 days after notice thereof from the Authority; h) a levy against the premises which is not vacated or removed within a period of 30 days from the date on which Tenant shall have received notice of the same; i) failure by Tenant to maintain its corporate existence in good standing and continue for 30 days after notice thereof to Tenant; j) default by Tenant under the Funding Agreement or Occupancy Agreement which default shall not have been remedied within any applicable grace or cure period provided therein; and k) amendment, modification or execution of a supplement to the Severance Tenants Agreement without the prior consent of the Authority.

If an Event of Default shall occur, and Tenant shall fail to cure it within 10 days after receipt of written notice from the Authority, the Authority may: elect to declare due and payable a sum equal to the amount by which the Rental reserved in the Lease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the fair and reasonable rental value of the premises for the same period, both discounted to present worth at the rate of 8%; give notice that the Lease and the Term shall expire and terminate on the date specified in such notice; re-enter and repossess the premises using such force for that purpose as may be necessary without being liable to indictment, prosecution or damages therefor and may dispossess Tenant by summary proceedings or otherwise. Tenant shall pay to the Authority all costs and expenses incurred by the Authority in any action or proceeding to which the Authority may be made a party by reason of any act or omission of Tenant, in enforcing any of the covenants and provisions of the Lease and incurred in any action brought by the Authority against Tenant on account of the provisions hereof within 15 days after demand by the Authority.

15. *Civic Facilities:* The Authority has the obligation to construct certain enumerated civic facilities and Tenant has the obligation to construct certain other civic facilities. The Authority and Tenant shall take good care of and be responsible for compliance with requirements, discussed above, and shall maintain and repair their respective civic facilities. Tenant's sole remedies for a failure by the Authority to substantially complete the Authority's civic facilities shall be: a) an extension of the Scheduled Completion Date, and b) the right to engage in Self-Help and to receive offset against Base Rent and Civic Facilities Payment. If all or any part of the Authority's civic facilities shall be destroyed or damaged, the Authority, at no cost and expense to Tenant, shall restore. In the event the Authority shall fail to perform the Authority's construction or maintenance, the Authority shall incur no penalty or liability and Tenant shall have no remedies or rights other than as expressly provided in the Lease.

16. *Subordination:* The Authority's interest in the Lease shall not be subject or subordinate to any mortgage or any other liens or encumbrances upon Tenant's interest in the Lease.

17. *Limitations on the Authority's Liability:* The liability of the Authority shall be limited to the Authority's interest in the premises. Neither the Authority nor any of its the members, directors, officers, employees, agents or servants shall have any liability (personal or otherwise) hereunder beyond the Authority's interest in the premises, and no other property or assets of the Authority or any such person or any of the members, directors, officers, employees, agents or servants of either shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies hereunder.

18. *Limitations on Tenant's Liability:* The liability of Tenant hereunder for damages or otherwise shall be limited to the property and assets of Tenant. Neither the Tenant nor any of the members, directors, officers, shareholders, partners, managers, principals or joint venturers, employees, agents or servants of Tenant or its partners, members or shareholders shall have any liability (personal or otherwise) hereunder beyond the property or assets of the Tenant, and no property or asset of any such excluded persons shall be subject to levy, execution or other enforcement procedure for the satisfaction of the Authority's remedies hereunder.

19. *Security Deposit:* Tenant shall deposit with the Authority as security the following amounts in cash or other security: up to \$10,000,000 at the time and in the manner provided in the Funding Agreement; \$10,000,000 for the period of 5 years from the Occupancy Date; \$7,500,000 for 5 years thereafter; \$5,000,000 for 5 years thereafter; and zero thereafter.

LEASE FOR SITE 26 (Goldman, Sachs & Co.)

The following is a description of the major provisions of the Lease for Site 26 (Goldman Sachs), or the Lease between Battery Park City Authority, d/b/a Hugh L. Carey Battery Park City Authority (the "Authority"), as landlord, and Goldman Sachs Headquarters LLC, as tenant ("Tenant"), made as of the 23rd day of August, 2005, for Site 26 (Goldman Sachs) (the "Lease"). In exchange for reduced base rent, reduced payments in lieu of real property taxes, increased sales tax benefits, public monies contributed towards construction of a new headquarters at Site 26 and certain other benefits, Goldman Sachs agreed to locate its headquarters at the Premises. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Lease. The description contained herein does not purport to be complete and reference is made to the Lease for full and complete statements of its provisions.

1. *Term:* The Lease commenced on August 23rd, 2005, (the "Commencement Date"), and expires, unless sooner terminated, on June 17, 2069. The Lease contains an option to extend the Term and a purchase option if any other tenant or subtenant of a fee owner in Battery Park City is granted an option to purchase the fee or extend its lease term beyond June 17, 2069, on comparable terms.

2. *Rental:* The primary components of rent under the Lease are base rent ("Base Rent"), payments in lieu of real estate taxes ("PILOT"), payments in Lieu of Sales and Use Tax ("PILOST") and Civic Facilities Payments.

(a) *Base Rent:* The Lease obligates Tenant to pay in advance, in one installment, the total Base Rent for the entire Term in the sum of One Hundred Sixty Million Nine Hundred Twenty Thousand and 00/100 Dollars (\$160,920,000.00) into the Payment Escrow pursuant to the Payment Escrow Agreement as defined in the Lease, and which portion of the Payment Escrow shall constitute the Ground Lease Payment Escrow with the following qualifiers:

(i) There shall be no apportionment of Base Rent; and

(ii) In the event the Lease Term shall end on a date prior to the Lease expiration date, or should the Lease be rejected pursuant to a bankruptcy or similar proceeding; Landlord shall have no obligation to refund to, or to otherwise credit Tenant with any portion of Base Rent; and

(iii) Should the Lease be terminated in the event of a taking of all, or substantially all of the Premises as defined in Article 9 of the Lease (see condemnation provisions hereinafter described) prior to the release of the Payment Escrow Agreement, then Tenant shall be entitled to the payment of such escrowed amounts; however, such payments shall be credited against amounts which Tenant would otherwise be entitled as defined in Article 9 of the Lease.

(iv) Notwithstanding the above, Landlord agrees that if Tenant shall pay the New York City commercial rent or occupancy tax imposed by Section 11-702 of the New York City Administrative Code ("CROT"), or any successor imposition in respect of Base Rent, and provided the CROT payment is not made under protest or pursuant to a final order, Tenant shall be entitled to credits in the aggregate amount of CROT so paid to a maximum of \$6,000,000.00 against its next payment or payments of PILOT, plus interest at 7.75% per annum with respect to such portion of the credit that remains unapplied from time to time.

Amounts held in the Payment Escrow shall be payable to the Landlord if prior to December 31, 2009 (which date may be extended to not later than March 31, 2010) there shall have been developed and implemented portions of the required security plan, which is the responsibility of the City and the State.

(b) *PILOT*: For each Tax Year, which is defined as each annual period commencing on July 1 and ending the following June 30 of any given year in the Term, Tenant shall pay to the Landlord, without notice or demand, on or before the last date taxes are payable, a sum of PILOT, which shall be payable as follows:

(i) Commencing on the PILOT Benefit Commencement Date, which is the earlier of: (x) July 1, 2007, provided assessable Building infrastructure has not been created prior to January 5, 2006; or (y) July 1st following the first taxable status date on which the Department of Finance determines that assessable Building infrastructure at the Project Premises have been created, tenant will make PILOT payments for each Tax Year except as follows:

A. From the PILOT Benefit Commencement Date to the day immediately preceding the eighth anniversary of said commencement date, Tenant will make semi-annual PILOT payments for each Tax Year equal to the least of (i) Full Real Estate Property Taxes; (ii) the Capped Pilot¹, or (iii) an amount equal to the lesser of the sum of:

a) With respect to the Land: the product of (x) the AV (assessed value), defined as the lesser of the taxable transitional or taxable actual assessed value for such Tax Year of the Land, as computed as per sub-Section 1805(b) of the New York State Real Property Tax Law as

¹ Capped Pilot means: for any Tax Year, the product of (1) total gross square footage of the Building (calculated by the Dept. of Finance, provided that prior to substantial completion of the Building, the total gross square footage of the Building shall be assumed to be the total gross square footage as shown by the then most recent plans on file with the Dept. of Buildings) and (2) the quotient of (A) the aggregate payments in lieu of real property taxes (final determination) with respect to any such Tax Year payable in respect of the World Financial Center (including NYMEX building) divided by (B) the aggregate gross square footage (as calculated by the Dept. of Finance) of the World Financial Center (including the NYMEX building; and (3) 115%.

certified on the assessment roll by the Commissioner of Finance as delivered to the City Council of the City of New York for such Tax Year, without giving effect to any exemption, abatement or reduction in assessed value available through any as-of-right program, of the Land only, for such Tax Year and (y) the lesser of 11.58% or the actual real property tax rate for the Land only for such Tax Year; and

b) With respect to the building: the product of (x) the AV for such Tax Year less the Exemption Amount determined in accordance with the following schedule: for (i) years one through four, 100% of the Exemption Base²; (ii) year five, 80%; (iii) year six, 60%; (iv) year seven, 40%; and (v) year eight, 20% ; and (y) the lesser of 11.58% or the actual real property tax rate for the Building for such Tax year; and

B. From the eighth anniversary of the PILOT Benefit Commencement Date to the day immediately prior to the twentieth anniversary date of the PILOT Benefit Commencement Date Tenant will make semi-annual installments for each Tax Year equal to the least of (x) Full Real Property Taxes; (y) the Capped PILOT; or (z) the sum of:

a) With respect to the Land: the product of (x) the AV of the Land for such Tax Year and (y) the lesser of 11.58% or the actual real property tax rate for the Land for such Tax Year;

b) With respect to the Building: the product of (x) the AV of the Building for such Tax year and (y) the lesser of 11.58% or the actual real property tax rate for the Building for such Tax Year; and

if Tenant constructs Additional Improvements which qualify for an As-Of-Right Tax Reduction, then the PILOT in respect of the Building shall be reduced by the AV of the Additional Improvements and Tenant shall make additional PILOT payments for the Additional Improvements based upon the product of the following: the Exemption AV – Additional Improvements for such Tax Year; and either (i) for periods prior to the 20th anniversary of the PILOT Benefit Commencement Date, the lesser of 11.58% or the actual real property tax rate for the Additional Improvements for such Tax Year; or (ii) for periods after the twentieth anniversary date of the PILOT Benefit Commencement Date, the actual real property tax rate for the Additional Improvements for the Tax Year minus any additional As-Of-Right Tax Reduction not included in the calculation of Exemption AV – Additional Improvements.

C. Tenant shall pay a PILOT equal to Full Real Property Taxes on all generator equipment located at the Building, but only to the extent that Tenant would not have been eligible, prior to the twentieth anniversary of the PILOT Benefit Commencement Date, to

² Exemption Base means: for any Tax Year commencing on or following the PILOT Benefit Commencement Date, the AV of the Building at the Site made since the date of issuance by the Dept. of Buildings of a building permit for the construction work described in the initial Approved Plans which are attributable exclusively to the construction work described in the Approved Plans, provided such improvements have been completed within forty-two months of the Building Permit Issuance Date.

receive ICIP tax benefits in respect of such equipment. Under certain qualifiers as defined in Section 3.02(b)(iv) of the Lease, Tenant will make PILOT payments in respect of such equipment, and be entitled to the PILOT benefits. Tenant's PILOT obligation up to the twentieth anniversary of the PILOT Benefit Commencement Date shall not exceed the Capped PILOT.

D. Notwithstanding the above, PILOT shall equal Full Real Property Taxes for each Tax Year or portion thereof for any portion of the Building sublet to an unrelated third party by Tenant and PILOT for any such portion of the Building shall be calculated based upon the product of: (x) Full Real Property Taxes for the Building for the Tax year or portion thereof in question, and (y) a ratio, the numerator of which shall be the gross square footage of the Building occupied by such third party subtenant, and the denominator of which shall be the total gross square footage of the Building.

(c) *Civic Facility Payments:* As its allocable share of the cost of operating and maintaining civic facilities, Tenant shall pay to the Landlord, commencing on January 1, 2009, which is the Initial CFP Date, Civic Facility Payments ("CFP"), payable in equal monthly installments in advance, as follows: (i) the product of the gross square feet of the Building, or if not yet constructed, the gross square feet of floor area in the Construction Documents multiplied by \$0.4136, for the Initial CFP period, which period runs from the Initial CFP date to December 31, 2009 (the "First CFP Period"); and (ii) for each Lease Year after the First CFP Period and for the balance of the Term, a sum equal to the immediately prior year's CFP increased by 3%.

3. *Insurance:* Tenant shall, after Substantial Completion of the Building, and thereafter for the full Term of the Lease, keep in full force and effect, among other coverages, (i) an All Risk of Physical Loss form of policy on an Agreed Amount basis, and (ii) a rental loss and/or business interruption policy equal to not less than one year's PILOT and Civic Facilities Payments; all policies shall name the Tenant as the insured and the Landlord as an additional insured. Any Mortgagee may be named an additional insured under a standard mortgagee endorsement, provided Mortgagee irrevocably agrees in writing for the benefit of Landlord to apply all proceeds of an award in accordance with the terms of the Lease. All Rent Insurance shall be for the benefit of Landlord and Tenant, but the proceeds shall be paid to Depository to be applied to PILOT and Civic Facilities Payments and any other sums due and owing until completion of such Restoration by Tenant. The Lease provides in substance that all adjustments for claims with the insurers shall be made with the Landlord and Tenant. All proceeds of loss under the policies in excess of five million dollars which such floor as may be increased from time to time as provided for in the Lease, shall name as loss payees Landlord, Tenant and Mortgagee; as their interests may appear; however the rental loss and/or business interruption insurance for amounts not in excess of the amount of insurance shall be made with Landlord and Tenant only

4. *Restoration:* If all or any part of the Building or Tenant's Civic Facilities as defined in the Lease, shall be destroyed or damaged in whole or in part by fire or other casualty Tenant shall, whether or not such damage or destruction shall have been insured, and whether or not insurance, if any, shall be sufficient for the purpose of such Restoration, restore the Building and or Tenant's Civic Facilities. As per Section 26.07 of the Lease, in no event is Tenant responsible for Restoration or reconstruction of Landlord's Civic Facilities. The Landlord in no event shall be

obligated to restore the Building or any portion thereof or to pay any of the costs or expenses thereof. Should Tenant fail or neglect to restore the Building as provided in the Lease, the Landlord may, but shall not be required to complete such Restoration at Tenant's expense. Tenant shall restore the Building to the same primary use, and to the same height, bulk, quality and setback of the Building as existed immediately prior to the occurrence. Tenant shall furnish the Landlord within 120 days of an occurrence an estimate of the cost of such restoration prepared by a licensed professional engineer or registered architect. In the event the cost of restoration exceeds five million dollars, and the net insurance proceeds, then unless Landlord approves of the payment and performance bonds as provided for in Section 8.04(a)(ii) of the Lease, then Tenant shall deposit with Depository, as security for the completion of the restoration, security reasonably satisfactory to Landlord in the amount of such excess to be held and applied by Depository in accordance with Section 8.02 of the Lease. The Lease shall not terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable thereunder by reason of damage to, or total substantial or partial destruction of, the Building by reason of the untenability of the same for, or due to, any reason or cause whatsoever, and Tenant, notwithstanding any law or statute, waives any and all rights to quit or surrender the premises. Tenant expressly agrees that its obligations thereunder, including, without limitation, the payment of Rental, shall continue as though the Building had not been damaged or destroyed without abatement, suspension, or diminution of any kind. Notwithstanding the above, should the estimated cost of any Restoration to be performed due to casualty or condemnation in the last ten years of the Term exceed twenty five percent of the full replacement cost, Tenant, at its option, may cancel the Lease upon ten days notice. The Term shall end on the date indicated in the notice. The Tenant shall have no obligation to perform such Restoration, provided however, at Landlord's option, Tenant shall demolish the Improvements on the Land. All proceeds of insurance for such damage, other than the amount reasonably necessary to demolish the Improvements, shall be paid to Landlord, and Tenant shall pay Landlord an amount equal to the deductibles applicable to the loss under the insurance policies, under which such proceeds were received.

5. *Condemnation:* If the whole or substantially all of the Premises shall be taken, (excluding a taking of the fee interest in the Premises, if after such taking Tenant's rights under the Lease are not affected), for any public or quasi public purpose by any lawful power or authority by exercise of the right of condemnation or eminent domain or agreement among the Landlord, Tenant and those authorized to exercise such right, the Lease and the Term shall terminate and expire on the date of such taking. Any claim in respect of a leasehold interest superior to that of Tenant, as well as any claim by the tenant under the Master Lease shall be subject and subordinate to Tenant's claims pursuant to Article 9 of the Lease, and provided that the foregoing shall not be construed as Tenant permitting such leasehold interest. In such case, the award, awards, or damages shall be apportioned: (i) first to the Landlord for so much of the award which is for, or attributable to, the value of land so taken, considered as unimproved and encumbered by the Lease, and the provisions contained therein, including the benefits accruing to Landlord, and any improvements made by Landlord on the Premises so taken; (ii) next, to the Mortgagees, in accordance with the priority of their mortgages, so much of the balance of such award as shall be (x) equal the lesser of the unpaid principal indebtedness secured by such Mortgages with interest thereon at the rate specified therein to the date of payment and (y) prior to the tenth anniversary of the Commencement Date, an amount equal to eighty percent of the costs of the Building, as reasonably established by Tenant; and thereafter (z) an amount equal to eighty percent of the fair market value of the Building immediately prior to such taking, as established by an appraisal

reasonably acceptable to Tenant and Landlord; (iii) next, to Landlord for so much of the award which is for, or attributable to, the value of Landlord's reversionary interest in that part of the Building taken (it being agreed that for a period of forty years from the Scheduled Completion Date as set forth in the Lease, the value of the Landlord's reversionary interest in the Building shall be zero; and (iv) subject to the rights of any Mortgagees, to Tenant for the balance, if any, of the award.

If less than substantially all of the premises shall be taken, the Lease and the Term shall continue as to the portion of the premises remaining without abatement of the Base Rent or diminution of any of Tenant's obligations thereunder. Tenant shall proceed to restore any remaining part of the Building in conformity with applicable plans. PILOT shall be adjusted to reflect any changes to gross square footage of the Building or the assessed valuation of the Premises resulting from such taking. Tenant shall restore the Building in accordance with the Design Guidelines and to the same primary use and to the same quality, height, bulk and setback of the Building existing immediately prior to such occurrence. In the event of a less than substantial taking, the award shall be payable first to Tenant for restoration in accordance with the Lease; then to Landlord to the extent attributable to the Land; and next to mortgagees in the order of priority of any respective liens and if there are no Mortgagees, then to Tenant in accordance with the terms of the Lease. In the event of an award of five million dollars or less, such amount shall be payable, in trust, to Tenant for application to the cost of Restoration of the part of the Building not so taken; if such balance shall be more than said amount, the same shall be paid to Depository, if any, less all necessary and proper third-party expenses paid or incurred by Tenant, Depository, the Mortgagee most senior in lien status, or its designee, and Landlord in the condemnation proceedings,

In the event of a temporary taking which does not extend beyond the Term, Tenant shall continue to pay, in full, the Rental without reduction or abatement, and if any award or payment is made less frequently than monthly installments, the same shall be paid to and held by Depository as a fund which shall be applied from time to time to the payment of Rental; however, if such taking results in changes in the Building which necessitate an expenditure to restore the Building to its former condition, then a portion of the award or payment considered by Landlord in its reasonable opinion, appropriate to cover the expenses of Restoration shall be retained by Depository without application as aforesaid, and applied and paid over toward the Restoration of the Building to its former condition and substantially in the same manner and subject to the same conditions. If the taking is for a period extending beyond the Term, such award or payment shall be equitably apportioned between Landlord and Tenant as of the Expiration Date and Landlord's and Tenant's share thereof, if paid less than once monthly shall be paid to and administered by Depository in accordance with Section 9.05 of the Lease.

Pursuant to the Lease Landlord, Tenant, and any Mortgagee shall be entitled to file a claim and to otherwise participate in any condemnation or similar proceeding and all hearings, trials and appeals in respect thereof. Landlord represents that under current law it does not have the authority to condemn all or any part of the Premises.

6. *Assignment, Subletting:* Prior to Substantial Completion of the Building, neither the Lease nor any interest of Tenant in the Lease, shall be sold, assigned, or otherwise transferred whether by operation of law or otherwise; however, so long as no Default exists under the Lease,

or shall arise by reason of any action or inaction that would violate the transfer provisions under Section 10.01(a), and the Goldman Parent Controls Tenant, then Section 10.01(a) shall not prohibit any Transfer or subletting of the Premises as an entirety or substantially as an entirety to an affiliate and shall not prohibit Tenant or any Person who owns a direct or indirect interest in Tenant from granting a Mortgage, or the exercise by a Mortgagee of remedies under any such Mortgage. From and after the Substantial Completion of the Building, Landlord's consent shall not be required prior to a Transfer or Assignment of Tenant's interests or subletting, provided that no event of Default shall have occurred and be continuing under the Lease and Tenant shall have complied with the provisions of Article 10 of the Lease in connection with such Transfer, Assignment, or subletting. As a condition to the effectiveness of any such transfer, assignment or subletting, Tenant shall provide the notice to Landlord, and shall comply with all other requirements as set forth therein regarding identification of parties and furnishing of documentation. In no event shall Tenant make, suffer, or permit any Transfer, Mortgage, Assignment or Sublet to a party, who at the time of such event is a Prohibited Person³ or is controlled by a Prohibited Person, whether directly or indirectly. The consent of the Landlord shall not apply to acquisition of the Premises by a Mortgagee, or qualifying Mortgagee Designee, qualifying as such designee in accordance with terms of Section 10.01(f), through foreclosure of its Mortgage or by an instrument of transfer delivered in lieu thereof, so long as such Mortgagee or Mortgagee Designee shall agree to assume and agree to perform all of the terms, covenants and conditions of the Lease thereafter to be observed or performed by Tenant. Subject to the provisions of 10.04 Tenant may enter into leases for the rental of space in the Building and agreements for the occupancy of such space pursuant to licenses or concessions for periods shorter than, or equal to, the Term at the time of such lease agreement (collectively "Subleases"). Permitted Subleases shall not include any such sublease, license, concession or other occupancy arrangement with any Affiliate of Tenant unless the same shall constitute a Qualifying Sublease⁴. Subject to the rights of a qualifying Mortgagee as defined in the Lease, Landlord retains the right to participate in Sublease rents during a continuing Event of Default.

³ Prohibited Person means: a Person (i) (x) who has ever been convicted of a felony, (y) against whom any action or proceeding is pending to enforce rights of the State of New York or any agency, department, public authority or public benefit corporation thereof arising out of a mortgage obligation to the State of New York or to any such agency, department, public authority or public benefit corporation, or (z) with respect to whom any notice of substantial monetary default which remains uncured has been given by the State of New York or any agency, department, public authority or any public benefit corporation; (ii) on the most current list of "Specifically Designated National and Blocked Persons", or on any other similarly designated lists promulgated from time to time by any agency of the U.S. government and with whom the conduct of business is prohibited; or (iii) who is a "designated national," "specifically designated national," "specially designated terrorist," "specially designated global terrorist," "foreign terrorist organization," or "blocked person" within the definitions set forth in the Foreign Assets Control Regulations of the United States Treasury Department, 31 C.F.R., Subtitle B, Chapter V, as amended from time to time.

⁴ Qualifying Sublease means: a Sublease (a)(x) which is made at a net effective rental of not less than the fair market rental for the space demised thereunder as of date of execution and delivery (taking into account all of the terms and conditions of such Sublease), which must be conclusively established by the delivery, within ninety (90) days after the effective date of the Sublease, of an Appraiser's Certificate or (y) with respect to which, each Mortgagee shall have agreed in writing substantially to the effect that it will not join the subtenant as a party defendant in any foreclosure action or proceeding which may be instituted or taken by the Mortgagee, nor evict the subtenant from the portion of the premises demised to it, except by reason of the subtenant's rights under such Sublease, nor affect any of the subtenant's rights under such Sublease by reason of any default under its Mortgage, and (b) which is entered into in accordance with all of the requirements of this Lease applicable to Subleases.

7. *Mortgages:* Tenant shall have the right to mortgage or otherwise encumber Tenant's interest in the Lease. In the event Tenant so mortgages its interest, Tenant or a Mortgagee shall give the Landlord notice of such Mortgage and provide Landlord with a complete and correct copy of such Mortgage certified by Tenant or such Mortgagee and shall provide the name and address of such Mortgagee. Landlord shall give notice to such Mortgagee of each default in accordance with Article 25 of the Lease. Landlord shall accept performance of any obligation of Tenant by Mortgagee, with the same force and effect as though performed by Tenant. In the event of a modification or amendment of the Lease made subsequent to the date of the Mortgage, and delivery to Landlord in accordance with the notice provisions, then Mortgagee shall not be liable under the provisions of the Lease unless such Mortgagee consents to such modifications or amendments. In the event of Termination of the Lease by reason of any Default, the Landlord shall give prompt notice thereof to each Mortgagee of such termination, and, at such Mortgagee's request made within thirty days after the giving of notice from Landlord, shall enter into a new lease with such Mortgagee for the Premises, or such portion of the Premises subject to the Lease, or its designee or nominee, for the remainder of the Term subject to all covenants, conditions, limitations and agreements contained in the Lease, provided in such event, such Mortgagee shall pay to the Landlord all unpaid Rental from the date of termination up to and including the date of commencement of the term of such new lease, and together with all expenses incurred by the Landlord in connection with the default by Tenant, termination of the Lease, and all expenses incurred in connection with the new lease with Mortgagee, and Mortgagee shall perform all obligations if Tenant susceptible of being performed by Mortgagee. Concurrently, the Landlord shall assign to such Mortgagee all of its right, title and interest in and to moneys, if any, then held by or payable to the Landlord or Depository that Tenant would have otherwise been entitled to receive but for termination of the Lease.

8. *Repairs:* Tenant shall, at its sole cost and expense, put and keep in good condition and repair the Premises and fixtures, and shall put, keep, and maintain the Building in good and safe order and condition and make all repairs therein and thereon, interior and exterior, structural or nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary or appropriate to keep the same in good and safe order and condition, and whether or not necessitated by wear, tear, obsolescence or defects, latent or otherwise. Tenant shall take good care of the Tenant's Civic Facilities and shall make all repairs necessary to maintain same in first-class condition. If Tenant is in compliance in all material respects with its obligations with respect to the Pedestrian Walkway, and there is no event of Default that is continuing, then Tenant shall be entitled to enforce the rights of Landlord against the tenant of another site in Battery Park City for reimbursement of a portion of the cost of removing dirt, rubbish, snow and ice from the pedestrian walkway.

9. *LEED Compliance:* Tenant acknowledges that the incorporation of environmentally responsible building methods and systems into the Building is an important goal of Landlord and Tenant and the same is thus a material obligation of Tenant; therefore, the Building shall be constructed in a manner consistent with the achievement of a gold rating on the LEED-NC version 2.1 rating system of the United States Green Building Council, as published in November 2002.

10. *Compliance with Requirements:* Tenant promptly shall comply with any and all applicable present and future laws, rules, orders, ordinances, including without limitation

Environmental Statutes, etc. affecting the premises. Tenant shall have the right to contest the validity of any such requirements or the application thereof; however if the amount of compliance with the requirement exceeds five million dollars, then Tenant shall furnish to Landlord or deposit with Depository a qualifying bond, cash or other security reasonably satisfactory to Landlord securing compliance with the requirement.

11. *Purchase Option:* If any other tenant or subtenant of Landlord or any tenant or subtenant of any other owner of property in Battery Park City purchases, or is granted by Landlord or such other fee owner the right or an option to purchase, the fee interest relating to its leased premises, Tenant shall be offered an option to purchase the Premises on comparable terms.

12. *Capital Improvements:* Tenant shall have the right to make capital improvements to the Building, provided that any such capital improvement, when completed, shall be of such a character as not to materially reduce the value of the Premises and shall be in compliance with the Design Guidelines for the Building. If the estimated cost of any proposed capital improvement exceeds \$5,000,000 (as adjusted) in any twelve month period, or should the improvement not exceed \$5,000,000 but such improvement impacts or affects the structural integrity of the building, or the exterior appearance of the Building, then Tenant shall: a) pay to the Landlord the reasonable fees and expenses of any architect or engineer selected by the Landlord to review the plans and specifications and inspect work; and b) furnish to the Landlord twenty days in advance complete plans and specifications for such capital improvement, a contract or construction management agreement and bonds or other security reasonably satisfactory to the Landlord. Title to all additions, alterations, improvements and replacements made to the Building shall forthwith vest in the Landlord, without any obligation by the Landlord to pay any compensation therefor to Tenant.

13. *Discharge of Liens:* Tenant shall not create or permit to be created any lien, encumbrance or charge upon the Premises, or the Project Area, and shall not suffer any other matter or thing whereby the estate, right and interest of the Landlord in the Premises or the Project Area, or any part thereof, the income therefrom or any asset of, or funds appropriated to Landlord. Tenant shall not create suffer to exist any other matter or thing whereby any interest of the Landlord in the Premises, or any part thereof may be impaired, provided Tenant's obligations shall not relate to any Landlord's Lien or any lien, encumbrance or charge resulting from any Pre-Existing Environmental Condition. Tenant may finance any equipment. If any lien at any time shall be filed against the premises, Tenant shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise within forty-five days of notice of the foiling thereof. Tenant shall have no power to do any act or make any contract which may create or be the foundation for any lien, mortgage or other encumbrance upon the estate or assets of, or funds appropriated to, the Landlord or of any interest of the Landlord in the premises.

14. *Limitations on Liabilities:* Landlord shall not in any event whatsoever be liable for any injury or damage to Tenant or to any other person happening on, in or about the Premises, nor for any injury or damage to the Premises which may be caused by any fire or breakage, or by the use, misuse or abuse of the Building or which may arise from any other cause whatsoever, except to the extent any of the foregoing shall have resulted from the negligence or wrongful act of the Landlord or its officers agents, employees, contractors, servants, or licensees. Nor for the acts or

failure to act of any other tenant of any premises within the Project Area other than the Premises, or of any agent, representative, employee, contractor or servant of such other tenant. Landlord shall not be liable to Tenant or to any other Person for any failure of water supply, gas or electric current, injury or damage to the property of Tenant or of any other Person or to the Premises caused by gasoline, oil, steam, gas, electricity, hurricane, tornado, flood, or similar storms or disturbances, sewer, gas mains or subsurface area or interference with light or other incorporeal hereditament by anybody, or caused any public or quasi-public work, except to the extent any of the foregoing shall have resulted from the negligence or wrongful act of the Landlord, or its officers agents, employees, contractors, servants, or licensees. In addition, in no event shall Landlord be liable to Tenant or to any other Person for any injury or damage to any property of Tenant or of any other person or to the Premises arising out of any sinking, shifting, movement, subsidence, failure in load bearing capacity of or other matter or difficulty related to, the soil, or other surface or subsurface materials on the Premises or in the Project Area, except to the extent any of the foregoing shall have resulted from the negligence or wrongful act of the Landlord, or its officers agents, employees, contractors, servants, or licensees, it being agreed that Tenant shall assume and bear all risk of loss with respect thereto.

15. *Indemnification of Landlord:* Tenant, to the fullest extent permitted by law, shall indemnify and save Landlord, and any former Landlord and the State of New York and their agents, directors, officers and employees (collectively the “Indemnitees”) harmless from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including, without limitation, reasonable engineers architects and attorneys’ fees and disbursements, which may be imposed upon or incurred by, or asserted against any of the Indemnitees by reason of any occurrence or matter as set forth in Article 19 of the Lease and relating to construction and operation of the Building, in the manner therein set forth during the Term, except with respect to Landlord’s Liens or to the extent that the same shall have been caused by the negligence or wrongful act of any of the Indemnitees.

16. *Landlord’s Right to Perform:* If Tenant at any time shall be in default, after notice thereof and after applicable grace periods, if any, provided under the Lease for Tenant or a Mortgagee, respectively, to cure or commence to cure same, the Landlord, without waiving or releasing Tenant from any obligation of Tenant contained in the Lease, may but shall be under no obligation to perform such obligation on Tenant’s behalf. All associated expenses shall be paid by Tenant.

17. *Events of Default:* The following events shall be Events of Default under the Lease: a) if Tenant shall fail to pay any item of Rental for 10 days after notice from the Landlord to Tenant; b) if Tenant shall fail to observe or perform any of the other terms contained in the Lease which failure continues for a period 30 days after notice thereof by the Landlord specifying such failure; c) if Tenant shall admit, in writing, that it is unable to pay its debts as such become due; d) if Tenant makes an assignment for the benefit of creditors; e) if Tenant shall file a bankruptcy petition; f) if within 90 days after the commencement of any proceeding against Tenant seeking dissolution or similar relief under the bankruptcy code, the same shall not have been dismissed ; g) if the Lease shall be assigned, subleased, transferred, mortgaged or encumbered without the Landlord’s approval to the extent required which transaction does not comply with the terms of the Lease or is not voided ab initio within 30 days after notice thereof from the Landlord; h) if a levy under execution or attachment shall be made against the Premises which is not vacated or

removed within a period of 60 days from the date on which Tenant shall have received notice of same; i) if Tenant shall fail to maintain its corporate existence in good standing and continue for 30 days after notice thereof to Tenant; j) if Tenant shall default under a certain Staging Letter, which default shall not have been remedied within any applicable grace or cure period provided therein; k) if any guarantor under a Guaranty of Completion delivered pursuant to the terms of the Lease shall be in default beyond any applicable cure period and such default shall continue for 10 days after notice to Tenant; l) if Obligor fails to pay a recapture amount due under the Project Agreement, except that this default provision shall be of no force and effect if Tenant's leasehold interest is subject to one or more Mortgages securing not less than \$500 million in financing held by a party who is not an affiliate of Tenant or any Eligible Affiliate.

If an Event of Default shall occur, and Tenant shall fail to cure it after receipt of written notice from the Landlord (subject to limitations on the number of times Tenant shall have the right to cure certain repeated Events of Default) the Landlord may, in its discretion, elect to give notice that the Lease and the Term shall expire and terminate on the date specified in such notice. In such event, Tenant shall quit and surrender the Premises. If the Lease is terminated as provided for in the Lease, Landlord may re-enter and repossess the premises using such force for that purpose as may be necessary without being liable to indictment, prosecution or damages therefor and may dispossess Tenant by summary proceedings or otherwise. Tenant shall pay to the Landlord all costs and expenses incurred by the Landlord as provided for in Article 24 of the Lease. With respect to damages if the Lease is terminated or Tenant is dispossessed, Tenant shall pay all rental payable until the date of termination and dispossession, and Landlord may elect to declare due and payable a sum equal to the amount by which the rental reserved in the Lease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the fair and reasonable rental value of the premises for the same period, both discounted to present worth at the rate of 6% per annum Landlord may also elect to collect from Tenant, in installments, any deficiency between the Rental reserved under the Lease and the amount of any rents collected under any subsequent reletting or the total amount of such deficiency for the unexpired of the Term, discounted at the rate of 6% per annum. Landlord may elect to proceed by appropriate judicial proceedings, either at law or in equity to enforce performance or observance by Tenant of the applicable provisions of the Lease and/or to recover damages for breach thereof.

18. *Civic Facilities:* The Landlord has constructed certain enumerated Civic Facilities and has undertaken to construct certain other civic facilities for the benefit of Tenant in the Project Area. Tenant has the obligation to construct certain enumerated Civic Facilities. Tenant shall commence and diligently complete the construction and installation of Tenant's Civic Facilities on or before the first anniversary of Substantial Completion in accordance with the Construction Documents and the specifications supplied by Landlord. Landlord and Tenant shall perform their respective maintenance obligations in connection with the Civic Facilities and take good care of and be responsible for compliance with requirements therein, and shall maintain and repair their respective Civic Facilities in accordance thereto. Tenant's sole remedies for a failure by the Landlord to substantially complete the Landlord's Civic Facilities shall be: a) an extension of the *Scheduled* Completion Date, and b) the right to engage in Self-Help and to receive offset against Base Rent and Civic Facilities Payment. If all or any part of the Landlord's Civic Facilities shall be destroyed or damaged, the Landlord, at no cost and expense to Tenant, shall restore the same. If Landlord shall fail to perform the Landlord's construction or maintenance obligations, the Landlord shall incur no penalty or liability and Tenant shall have no remedies or rights other than

as expressly provided in the Lease. Landlord shall have no obligation to restore Landlord's Civic Facilities after a casualty or condemnation shall in any event such obligation only extend to, and shall only apply prior to any public dedication thereof, certain Landlord's Basic Civic Facilities. Tenant shall make annual Civic Facilities Payments as its allocable share of maintaining the Esplanade and parks in Battery Park City.

19. *Subordination:* Landlord's interest in the Lease shall not be subject or subordinate to any mortgage or any other liens or encumbrances upon Tenant's interest in the Lease. Tenant's interest in the Lease as may be modified, amended or supplemented, shall not be subject or subordinate to any liens or encumbrances hereafter affecting Landlord's interest in the fee title to Battery Park City or any part thereof, the Lease, the Premises or the Master Lease. Without limiting the foregoing, Battery Park City Authority, in its capacity as tenant under the Master Lease, acknowledges and agrees that the interest of the Tenant under the Master Lease and the interest of any Person in the Premises which arises by, through, or under, or is otherwise derivative of the Master Lease, including any possessory interest therein, are and shall be subordinate to the Tenant's interest under the Lease for so long as the Lease remains in effect.

20. *Limitations on Landlord's Liability:* The liability of Landlord shall be limited to the Landlord's interest in the Premises. Neither Landlord nor any of its the members, directors, officers, employees, agents or servants shall have any liability (personal or otherwise) hereunder beyond the Landlord's interest in the Premises, and no other property or assets of the Landlord or any such person or any of the members, directors, officers, employees, agents or servants of either shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies hereunder.

21. *Limitations on Tenant's Liability:* The liability of Tenant for damages or otherwise shall be limited to the property and assets of Tenant, except as to Recourse Claims as defined in the Lease. Neither the Tenant nor any of the members, directors, officers, shareholders, partners, managers, principals or joint venturers, employees, agents or servants of Tenant or its partners, members or shareholders shall have any liability (personal or otherwise) beyond the property or assets of the Tenant, and no property or asset of any such excluded persons shall be subject to levy, execution or other enforcement procedure for the satisfaction of the Landlord's remedies hereunder.

22. *Letter of Credit Security Deposit:* Tenant shall secure its obligations under the Lease through Completion of the Building, including, without limitation, Tenant's obligation for the payment of Rental, by depositing with Landlord a clean irrevocable letter of credit drawn in favor of Landlord, in the form provided for in the Lease having a term of not less than one year. The initial Letter of Credit shall be in the amount of eighteen million eight hundred seventy thousand dollars. The letter of credit shall be renewed or replaced without decrease in amount each and every year as provided in the Lease. Notwithstanding the above, upon payment in full of the Base Rent, and provided no Event of Default shall have occurred and is ongoing, then Tenant shall have the right to reduce the letter of credit with Landlord's authorization to one million dollars or to provide a deposit of immediately available funds in such amount to be hold by Landlord until completion of the Building.

EXISTING RECTOR PLACE SUBLEASES

The Rector Place (or Phase II) portion of the Project Area consists of twelve parcels which have been developed pursuant to ten subleases between the Authority, as landlord, and certain developers identified therein, as tenants (individually, a “Rector Place Sublease” and collectively, the “Rector Place Subleases”). A schedule of the Rector Place Subleases is annexed hereto. The following is a description of the major provisions of the Rector Place Subleases. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Rector Place Subleases. The description contained herein does not purport to be complete and reference is made to the Rector Place Subleases for full and complete statements of their provisions.

1. *Term:* The term of each of the Rector Place Subleases commenced on the date such Rector Place Sublease was executed and expires, unless sooner terminated, on June 17, 2069. No Rector Place Sublease contains any right on the part of tenant thereunder to renew or otherwise extend the term of its Rector Place Sublease beyond June 17, 2069.

2. *Rental:* The primary components of rent under the Rector Place Subleases are base rent, payments in lieu of real estate taxes (“PILOT”), supplemental rent and civic facilities payments. The following is a description of each such component of rent:

(a) *Base Rent:* Each Rector Place Sublease obligates tenant thereunder to pay, on a monthly basis commencing on the date of execution of its Rector Place Sublease (the “Commencement Date”), base rent (“Base Rent”). The formula and procedure for determining Base Rent subsequent to the First Appraisal Date (as defined below) or the first two reappraisal periods, as applicable, is more fully described in each Rector Place Sublease. Each Rector Place Sublease provides that the Base Rent payable after any reappraisal shall not be less than the Base Rent payable prior to such reappraisal.

Parcel D: For the period commencing on the Commencement Date of the Parcel D Sublease and expiring on the day prior to the twenty-fifth anniversary of the date on which a temporary certificate of occupancy is issued for any dwelling unit on Parcel D constructed pursuant to such Sublease (such anniversary being called the “First Appraisal Date”), the Base Rent shall be in the amount specified in the Sublease.

For Parcel D’s Sublease, after the First Appraisal Date, Base Rent is adjusted every fifteen years based upon an appraisal of the land underlying Parcel D’s Sublease. Parcel D’s Sublease provides that the annual Base Rent for the fifteen-year period commencing on the First Appraisal Date shall be equal to 6% of the fair market value of the land, a certain percentage in excess of 100% of the highest annual Base Rent paid by tenant thereunder for the period from the Commencement Date to the First Appraisal Date, or a fixed amount as set forth in the Sublease.

Rector Place Subleases (except Parcel D): All of the Rector Place Subleases, except for Parcel D’s Sublease, were modified to provide for increased fixed ground rents that are spread over the first two reappraisal periods or thirty years. This modification reduced the ground rent increases from the original term of 6% of the fair market value of the land. The Base Rent shall be in the amount specified in the summary of each of the

Rector Place Subleases below, except for Parcel D's Sublease. The seventieth anniversary of the date on which a temporary certificate of occupancy was issued for any of the dwelling units constructed pursuant to any Rector Place Sublease will be the first Reappraisal Date, and each subsequent fifteenth anniversary thereof will be another Reappraisal Date.

(b) PILOT: The Authority and the Battery Park City Project Area are exempt from real estate taxes. Each Rector Place Sublease obligates tenant thereunder to make payments to the Authority of PILOT, such payments to be made quarterly in advance (semi-annually for the Rector Place Sublease for Parcel D) commencing on the Commencement Date. PILOT will be the same amount as the real estate taxes which would have been payable except for the Authority's tax-exempt status. Tenant is entitled to the amount of real estate tax exemptions or abatements available to an owner of comparable property in the Borough of Manhattan. Each Rector Place Sublease provides that the tenant thereunder shall have the right to institute tax assessment reduction proceedings to reduce the assessed valuation of the premises covered by its Rector Place Sublease. If such proceeding is successful, tenant will be entitled to a credit against future PILOT. Each Rector Place Sublease provides for an abatement of PILOT equivalent to the real estate abatement set forth in Section 421-a of the Real Property Tax Law of the State of New York as in effect on the date such Rector Place Sublease was executed ("Section 421-a"), which abatement declines to zero biannually over a ten-year period following substantial completion of the buildings. As a condition to receiving benefits equivalent to benefits available under Section 421-a, until the Release Date described in the Rector Place Subleases, each tenant must comply with various requirements specified in Section 421-a and the regulations promulgated thereunder for buildings receiving Section 421-a benefits. A failure by a tenant to comply with those requirements will subject such tenant to penalties and sanctions (including increases in Rentals).

(c) Supplemental Rent: In addition to Base Rent and PILOT, each tenant is required to pay to the Authority as supplemental rent ("Supplemental Rent"), on a monthly basis, commencing on the Commencement Date and expiring with respect to (i) all Rector Place Subleases other than the Subleases for Parcels D and H/I, on the day prior to the First Appraisal Date, (ii) the Rector Place Sublease for Parcel D, on June 30, 2009 and (iii) the Rector Place Sublease for Parcel H/I, on the 12th anniversary of the issuance of a temporary certificate of occupancy for the residential space in the building constructed thereon, an amount equal to the difference, if any, between the amounts specified in its Rector Place Sublease and PILOT for the applicable lease year.

(d) Civic Facilities Payments: Each tenant under a Rector Place Sublease shall pay to the Authority its allocable share of the cost of operating, maintaining, repairing, restoring, upgrading and insuring Rector Park, the Esplanade and certain other "civic facilities" enumerated in the Rector Place Subleases, commencing on the date (the "Initial Occupancy Date") on which a temporary certificate of occupancy was issued for any dwelling unit in the buildings constructed pursuant to such Rector Place Sublease (the "Civic Facilities Payment"). The Civic Facilities Payment for the remainder of the Tax Year in which the Initial Occupancy Date occurs and for the next two Tax Years following the Initial Occupancy Date becomes an amount equal to an annual rate of \$150 multiplied

by the number of dwelling units in the buildings, increases (for the following three Tax Years) to \$200, and is thereafter in an amount equal to such tenant's proportionate share of the Authority's budget for certain operating costs. The Rector Place Subleases set a limit on increases in the Civic Facilities Payment of an amount not to exceed 125% of the payment for the prior year.

The term "Rental" also includes any other sums which may be due and payable under the Rector Place Subleases. For example, each tenant is obligated to pay, subject to such tenant's right to contest same, any imposition (including water and sewer charges) levied or assessed against the demised premises (excluding real estate taxes, which, if levied, shall be paid by the Authority). Except as noted below, each tenant's obligation to pay Rental is net to the Authority and without abatement, set-off or counterclaim. Each of the Rector Place Subleases gives each tenant thereunder certain limited off-set rights against Rental (or certain components thereof) for payments made (and interest thereon) in the following instances:

(a) In the event of a final determination in favor of a tenant in a tax assessment reduction proceeding, succeeding PILOT payments to the Authority will be reduced to the extent necessary to offset the overpayment of PILOT.

(b) If the premises covered by a Rector Place Sublease shall at any time become subject to real estate taxes, the Authority is responsible for the payment of the same. In the event the Authority shall have failed to pay such real estate taxes and the tenant shall have paid the same (together with any interest and penalties thereon), such tenant may deduct such payment from the next installment of PILOT and, to the extent such payment shall exceed the next installment of PILOT, from the next installment(s) of Base Rent. If a Rector Place Sublease and leasehold estate are submitted to condominium ownership pursuant to the terms of such Rector Place Sublease and real estate taxes are assessed and levied by New York City against the condominium units, then payments of such taxes by the unit owners shall be credited against PILOT.

(c) If a tenant is compelled by a governmental authority to pay any sales or compensating use taxes with respect to materials incorporated into the buildings and as to which such tenant previously made payments in lieu of such taxes to the Authority, such tenant may deduct such payments from subsequent installments of Base Rent and PILOT if the Authority failed to successfully contest the imposition of such tax, provided such deduction shall not exceed the amount so paid by such tenant to the Authority.

(d) Each Rector Place Sublease obligated the Authority to construct certain civic facilities (including Rector Park and the Esplanade), and thereafter, requires the Authority to maintain such civic facilities. In the event the Authority fails to maintain such civic facilities, each tenant shall have the right, after notice to the Authority and the expiration of a cure period, to perform such maintenance and to offset such cost against subsequent installments of Base Rent, Supplemental Rent and Civic Facilities Payments. In addition, in the event the Authority fails to insure such civic facilities, such tenant may, after notice to the Authority, pay the premiums therefor and deduct such payment from subsequent installments of Base Rent and the Civic Facilities Payments.

(e) The Rector Place Subleases for Parcels E/F, G, H/I and J obligated the Authority to construct, and thereafter, requires the Authority to maintain a service road. In the event the Authority fails to maintain such service road, tenants under such Rector Place Subleases shall have the right to do so after notice to the Authority and the expiration of a cure period, and to offset the costs thereof against subsequent installments of Base Rent, Supplemental Rent and service road maintenance payments due under the Rector Place Subleases.

3. *Taxes:* As previously noted, in the event real estate taxes shall be levied and assessed against the premises covered by a Rector Place Sublease, the Authority shall be obligated to pay the same. The Authority has the right, however, to contest the imposition of taxes, and, in certain circumstances, may defer payment during the pendency of such tax contest.

4. *Insurance:* Each tenant under a Rector Place Sublease is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to at least one year's current Base Rent, Supplemental Rent, PILOT and Civic Facilities Payment. The types of insurance and limits of coverage are specified in the Rector Place Subleases. All insurance provided by a tenant shall name such tenant as a named insured and the Authority, in its capacity as Landlord and Master Landlord, as additional insured. In addition, the Authority may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. Each Rector Place Sublease provides that, in the event of casualty, the insurance proceeds shall be paid to such tenant, in trust, if less than \$250,000 (subject to adjustment in the manner therein provided based on the consumer price index) or, if in excess of \$250,000 (subject to adjustment), to a depository designated by such tenant with the Authority's approval, such depository to be an institutional lender (as defined in each Rector Place Sublease).

5. *Restoration:* Each tenant is obligated to restore the buildings in the event of damage or destruction due to fire or other casualty, whether insured or uninsured and whether or not the cost of restoration exceeds the insurance proceeds. Each tenant shall be obligated for the payment of Rental during the period of a casualty without reduction or abatement. In the event a tenant fails to restore the buildings as provided in its Rector Place Sublease, the Authority shall have the right to do so and may apply the insurance proceeds for such purposes. Other than under the Rector Place Sublease for Parcel H/I, to the extent the cost of restoration exceeds \$250,000 (subject to adjustment), such tenant shall provide the Authority with complete plans and specifications for such restoration, a construction contract and payment and performance bonds or other security reasonably satisfactory to the Authority. In addition, if such restoration involves work to the exterior of any buildings or a change in the height, bulk or setback of such buildings, such tenant shall deliver complete plans and specifications for such work prior to the commencement of the restoration. No Rector Place Sublease grants tenant thereunder the right to terminate its Rector Place Sublease in the event of a casualty.

6. *Condemnation:* In the event all or substantially all of the premises demised under a Rector Place Sublease is taken in a condemnation, such Rector Place Sublease shall be terminated. In such event, there shall first be paid to the Authority the portion of the award attributable to the land and the civic facilities taken, if any, except that in the Rector Place Sublease for Parcel H/I there shall first be paid to the Trustee (as defined in the Master Lease) an amount equal to the amount which it is entitled to receive pursuant to the Master Lease. The balance of

the award shall be paid to such tenant, subject to the rights of any mortgagees. In the event less than all or substantially all of the premises under a Rector Place Sublease shall be taken, such Rector Place Sublease shall continue in full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and civic facilities, if any, so taken and such tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, such tenant shall be obligated for the payment of Base Rent, without abatement or reduction. The Rector Place Subleases (other than those for Parcels D and H/I) provide that if as a result of such taking PILOT is reduced, Supplemental Rent shall similarly be reduced by an amount equal to the amount by which PILOT shall have been so reduced. If the Authority and tenant are unable to agree on the amount of reduction of Supplemental Rent, such dispute shall be submitted to arbitration. The obligations of each tenant to restore the buildings in the case of a partial taking are similar to such tenant's obligations in the case of a casualty. Except with respect to a taking of all or substantially all of the demised premises, no Rector Place Sublease grants tenants thereunder the right to terminate its Rector Place Sublease.

7. *Assignment, Subletting:* Tenants can fully assign, sublet or transfer their respective Rector Place Sublease provided the assignee, sublessee or transferee is not prohibited (as described in the Rector Place Subleases). If an event of default by a tenant under a Rector Place Sublease shall have occurred, the Authority may, subject to the rights of any mortgagee, under certain circumstances, collect from subtenants under such subleases. In the event the Authority shall terminate a Rector Place Sublease, at the Authority's option and except as described below, each subtenant under a sublease shall attorn to or enter into a direct lease with the Authority on identical terms and for the balance of the unexpired term of such subtenant's sublease. The Authority has agreed, in certain circumstances and with respect to certain Rector Place Subleases, to recognize a sublease with a subtenant in the event a Rector Place Sublease is terminated, provided such subtenant is not in default under its sublease. Assuming compliance with these provisions, the Authority will be able to retain any subleases made by tenant in the event of a Rector Place Sublease termination by the Authority.

8. *Mortgages:* Each Rector Place Sublease provides that in the event the tenant thereunder shall mortgage its interest in its Rector Place Sublease and shall have delivered notice thereof to the Authority, the Authority shall give each mortgagee a copy of any notice of default given by the Authority to such tenant. Each mortgagee shall have the right to cure such default in the manner set forth in such Rector Place Sublease, and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by tenant. In the event the Authority shall have terminated a Rector Place Sublease as a result of an event of default by tenant or for any other reason, the Authority shall notify each mortgagee of such termination and, at such mortgagee's request, shall enter into a new lease with the mortgagee (or its designee or nominee) most senior in lien for the remainder of the term and upon the same terms and conditions as in such Rector Place Sublease. In such event, such mortgagee shall pay to the Authority all unpaid Rental, the Authority's expenses incurred in connection with tenant's default, the termination of such Rector Place Sublease and the execution of a new lease with such mortgagee and shall remedy those defaults which are susceptible of being cured. In the event a mortgagee did not cure tenant's defaults or request a new lease, the lien of such mortgagee's mortgage would be extinguished as a result of the termination of such Rector Place Sublease. See "Condominium Ownership" below for a further discussion of certain limitations on such remedies applicable to condominium units.

9. *Repairs:* The Rector Place Subleases provide that each tenant thereunder shall, at its expense, take good care of the premises (excluding the civic facilities) and all equipment and shall keep and maintain the buildings (which tenant was obligated to construct pursuant to the Rector Place Sublease) in good and safe order and working condition and shall make all repairs, internal and external, structural and non-structural.

10. *Compliance with Requirements:* The Rector Place Subleases provide that each tenant thereunder shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the premises. Each tenant shall have the right, in certain circumstances, to contest the validity of any such requirement at such tenant's sole cost and expense.

11. *Capital Improvements:* The Rector Place Subleases provide that the tenant thereunder shall have the right to make capital improvements to the buildings, provided any such capital improvements, when completed, shall be of such a character as not to reduce the value of the buildings below their value immediately before construction of the capital improvement was commenced and certain other conditions are met.

12. *Discharge of Liens:* The Rector Place Subleases provide that the tenant thereunder shall not create or cause to be created any lien, encumbrance or charge upon such tenant's estate in the premises (other than permitted liens), any assets of or funds appropriated to the Authority or upon the Authority's estate in the premises. Such tenant shall cause any such lien to be promptly discharged of record unless such tenant is contesting the lien in the manner permitted.

13. *The Authority's Right to Perform:* If an event of default shall have occurred under a Rector Place Sublease, the Authority shall have the right to perform any obligation on such tenant's behalf without waiving or releasing such tenant of any obligation contained in such Rector Place Sublease, and any monies expended by the Authority shall be repaid by such tenant with interest.

14. *Events of Default:* The Rector Place Subleases provide that if certain defaults shall occur, the Authority shall have the right to terminate such Rector Place Sublease. (See also: "Condominium Ownership" below for a discussion of certain limitations on such remedy.) Defaults by a tenant that would entitle the Authority to terminate such Rector Place Sublease include: (a) failure to make any required payment of Rental after 10 days' notice; (b) failure to perform any other provision of such Rector Place Sublease if such failure continues for a period of 30 days after notice by the Authority to such tenant, unless such failure could not by its nature be cured within such 30 days, in which case such tenant is required to remedy such failure with reasonable diligence; (c) such tenant's failure to comply with those prohibitions contained in such Rector Place Sublease on assigning, subleasing, mortgaging, pledging or otherwise encumbering such Rector Place Sublease unless such assignment, sublease, mortgage, pledge or encumbrance is voided or made to comply with Rector Place Sublease requirements within 30 days after notice by the Authority to such tenant; and (d) events of bankruptcy concerning such tenant for the Rector Place Subleases for Parcels D and H/I. In the event of a default by such tenant and the failure of such tenant or such tenant's mortgagee to timely exercise its cure rights, as described above, the Authority will have the right to terminate such Rector Place Sublease. As previously noted, each Rector Place Sublease grants a mortgagee certain rights intended to provide protection in the event

of a default by a tenant under a Rector Place Sublease, including a right to notice and cure and a right to enter into a new lease with the Authority directly.

15. *Civic Facilities:* The Rector Place Subleases provide that the Authority construct, at its expense, the enumerated civic facilities and (except to the extent that certain responsibilities of the Authority are taken over by New York City or appropriate utilities) insure, maintain, repair and, in the event of a fire or other casualty or condemnation, restore such civic facilities. Commencing with the sixth Lease Year after the Tax Year in which the Initial Occupancy Date occurs and subject to a 25% limit on increases over the prior year, the Authority is reimbursed for certain operating costs related to the civic facilities by means of the Civic Facilities Payment. In the event of a fire or other casualty or condemnation, each tenant will reimburse the Authority for such tenant's proportionate share of the cost of restoration in excess of the insurance proceeds or condemnation award received by the Authority and any reserve funds set aside by the Authority, provided that the Authority maintained the insurance coverage required by the Rector Place Subleases. As previously noted, in the event the Authority fails to maintain or insure such civic facilities, tenants under the Rector Place Subleases are given curing and off-set rights.

16. *No Subordination:* The Authority's interest in the Rector Place Subleases shall not be subject or subordinate to any mortgage placed upon a tenant's interest in its Rector Place Sublease or to any other lien or encumbrance affecting such tenant's interest. See, however, "CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES – Defaults and Termination – Residential Condominium Specified Subleases."

17. *Diversity Program:* Tenants under the Rector Place Subleases are obligated to comply with a diversity program and affirmative fair housing marketing program.

18. *Condominium Ownership:* Each of the Rector Place Subleases or the related condominium plan contains provisions for the submission by the original tenant thereunder of its Rector Place Sublease and leasehold estate to condominium ownership pursuant to Article 9-B of the Real Property Law of the State of New York. Under such provisions, the Authority has agreed to give up its right to terminate a Rector Place Sublease submitted to condominium ownership in conformance with the provisions of such Rector Place Sublease and to look directly to the condominium unit owners for payment and performance of tenant's obligation under such Rector Place Sublease. Nine buildings have been submitted to a condominium form of ownership, and the tenth parcel H/I, is subject to a condominium plan which has not yet been declared effective. Each such Rector Place Sublease, or the related condominium plan, provides for the establishment of a security fund in the amount specified therein, which fund may be applied by the Authority to the payment of unpaid Rental or portions thereof. Upon submission to condominium ownership, the board of managers constitute the attorney-in-fact for all unit owners for the purpose of paying, performing and observing on tenant's part all terms, covenants and conditions of the Rector Place Sublease. In addition, subject to certain notice procedures, the Authority may proceed directly against a unit owner and could, in certain circumstances, as a result of the Authority's legal action, become the owner of a defaulting unit owner's unit.

19. *Limitation of the Authority's Liability:* The liability of the Authority under each of the Rector Place Subleases for damages or otherwise shall be limited to the Authority's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds

of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises.

20. *Limitation of Tenant's Liability:* The liability of tenants under each of the Rector Place Subleases shall be limited to such tenant's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises. Accordingly, if a tenant shall have defaulted under its Rector Place Sublease and such default was not remedied by such tenant or its mortgagee or if such Rector Place Sublease was terminated and a new lease was not requested by such mortgagee, the sole remedy of the Authority will be to terminate such Rector Place Sublease and repossess the demised premises. (See: "Condominium Ownership" above for a description of certain limitations on such remedy.) The Authority will be unable to recover any monetary damages from such tenant or any of its principals resulting from such termination.

GATEWAY PLAZA SUBLEASE

The Gateway Plaza (or POD III) development has been developed pursuant to a sublease dated as of June 3, 1980, as amended by amendments dated as of June 10, 1982, November 20, 1987, October 29, 1993, April 27, 2005, and July 1, 2009 (the “Gateway Plaza Sublease”), between the Authority, as landlord, and Marina Towers Associates, L.P., as tenant (“Tenant”). The Authority is also the mortgagee with respect to the mortgage loans made to finance the development. Payments pursuant to such mortgage loans do not constitute Existing Sublease Revenues. Tenant has entered into agreements with the Authority which regulate the operation of the development, including matters relating to maximum chargeable apartment rentals. The following is a description of certain provisions of the Gateway Plaza Sublease. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Gateway Plaza Sublease. The description contained herein does not purport to be complete and reference is made to the Gateway Plaza Sublease for full and complete statements of its provisions.

1. *Term:* The term of the Gateway Plaza Sublease commenced on June 3, 1980 (the “Commencement Date”) and expires, unless sooner terminated, on June 30, 2040. Tenant has the option to renew the term for two additional periods of five years each, and a third renewal commencing on July 1, 2050 and expiring on June 17, 2069.

2. *Rental:* Rent under the Gateway Plaza Sublease consists of an annual ground rent or land rent, tax equivalency payments and certain enumerated items of additional rent. The following is a description of each such component of rent:

(a) *Land Rent:* Tenant shall pay to the Authority, on a monthly basis, annual ground rent (“Land Rent”) in the amount of \$305,440 per annum. From July 1, 2023 through June 30, 2040, ground rent shall be equal to 8.125% of the rent collected by Tenant minus certain deductions. If Tenant shall have exercised its renewal option(s), the Land Rent for each renewal term shall be adjusted to an amount determined by agreement between the Authority and Tenant, or in the event the parties shall be unable to so agree, the Land Rent shall be in an amount equal to 8% of the fair market value of the land demised under the Gateway Plaza Sublease, as determined by appraisal, provided on such anniversary date either the HUD Mortgage shall have been paid or the HUD Mortgage shall no longer be insured by HUD. In no event however shall such Land Rent, together with the Tax Equivalency Payments (as defined below) be less than the amounts otherwise required to be paid by Tenant to the Authority pursuant to Section 4.02(a) of the Master Lease.

(b) *Tax Equivalency Payments:* for purposes of the Gateway Plaza Sublease, “Tax Equivalency Payments” shall be determined and computed as follows: until February 15, 2016 (the “First Adjustment Date”), the Tax Equivalency Payments shall equal the Original Tax Equivalency Payments (“Original Tax Equivalency Payments” being an amount equal to 10% of (i) the total rents from the buildings less (ii) the net cost of providing electricity, gas, heat and other utilities to dwelling units therein); from February 16, 2016 until February 15, 2017, the Tax Equivalency Payments shall equal the sum of (a) the Original Tax Equivalency Payments, plus (b) twenty percent (20%) of the TEP Amount; from February 16, 2017, until February 15, 2018, the Tax Equivalency

Payments shall equal the sum of (a) the Original Tax Equivalency Payments, plus (b) forty percent (40%) of the TEP Amount; from February 16, 2018 until February 15, 2019, the Tax Equivalency Payments shall equal the sum of (a) the Original Tax Equivalency Payments, plus (b) sixty percent (60%) of the TEP Amount; from February 16, 2019 until February 15, 2020 (the "Fifth Adjustment Date"), the Tax Equivalency Payments shall equal the sum of (i) the Original Tax Equivalency Payments, plus eighty percent (80%) of the TEP Amount; and from and after February 16, 2020, the Tax Equivalency Payments shall equal Full Taxes. "TEP Amount" shall mean the excess, if any, of (i) full real estate taxes with respect to the project in the period for which the Tax Equivalency Payment is being calculated, over (ii) the Original Tax Equivalency Payment for such period.

(c) Additional Rent:

(i) Tenant shall pay to the Authority, as additional rent, 10% of any "net proceeds" (as defined in the Gateway Plaza Sublease) realized from a refinancing of a leasehold mortgage (other than certain specified leasehold mortgages, i.e., mortgages obtained to finance construction of improvements and the HUD Mortgage), subject, however, to repayment by the Authority to such leasehold Mortgagee or Tenant upon payment of the refinanced leasehold mortgage.

(ii) Commencing on the 40th anniversary of the Commencement Date, Tenant shall pay to the Authority 40% of the "net proceeds" received thereafter until the Authority shall have received an aggregate amount based upon a formula specified therein.

(iii) Tenant shall pay to the Authority an allocable share of the cost of operating, maintaining, repairing, restoring and upgrading certain "civic facilities" enumerated in the amendment to the Gateway Plaza Sublease dated November 20, 1987 (the "Civic Facilities Payment"), in addition to the special civic facilities payments as set forth in the Gateway Plaza Sublease. The Civic Facilities Payment for each year is an amount equal to Tenant's proportionate share of the Authority's budget for such costs.

(iv) For each year until termination of the Gateway Plaza Sublease and during renewal periods, Tenant shall pay to the Authority a supplemental contribution in addition to the Civic Facilities Payment. This "Special Civic Facilities Payment" shall be \$300,000 per year for each year from July 1, 1994 through June 30, 2009; for each year thereafter, including renewal periods, it shall be \$350,000.

The term "Additional Rent" (as defined in the Gateway Plaza Sublease) means any sums other than Land Rent which may be due and payable thereunder. In addition, Tenant is obligated to pay, subject to Tenant's right to contest same, any imposition levied or assessed against the premises (excluding real estate taxes). Except as noted below, Tenant's obligation to pay Land Rent, Tax Equivalency Payments and Additional Rent is net to the Authority and without abatement, set-off or counterclaim. Tenant shall be entitled to deduct from Land Rent and Tax Equivalency Payments the amounts of any refund, together with interest in specified circumstances, to which it is entitled in the event of a final determination in favor of Tenant in a tax assessment reduction proceeding.

3. *Insurance:* Tenant is obligated to maintain, at its expense, insurance naming the Authority, BPCDC and any leasehold mortgagee as additional insureds, including rent insurance in an amount equal to one year's current Land Rent, premiums for insurance required to be maintained by Tenant and Tax Equivalency Payments. The types of insurance and limits of coverage are specified in the Gateway Plaza Sublease. In the event of a casualty, the insurance proceeds shall be paid to the institutional leasehold mortgagee, or if there is none, to the Authority, or if the Authority and such institutional leasehold mortgagee agree, to Tenant, in trust.

4. *Restoration:* Tenant is obligated to restore the buildings in the event of damage or destruction due to fire or other casualty, whether insured or uninsured and whether or not the cost of restoration exceeds the insurance proceeds. The Land Rent and Tax Equivalency Payments from the date of the casualty until completion of the restoration shall be abated to the extent of the amount of rental value insurance received by the Authority for application to Land Rent and Tax Equivalency Payments for such period. Tenant shall be obligated for the payment of Land Rent, Tax Equivalency Payments, Additional Rent and other charges on the part of Tenant to be paid if in excess of the insurance amounts received by the Authority during the period of a casualty, without further reduction or abatement. To the extent such restoration involves structural alterations or changes, Tenant shall provide the Authority with plans and specifications for such restoration, and if the cost thereof exceeds \$250,000, bonds or other security reasonably satisfactory to the Authority. Tenant shall not have the right to terminate the Gateway Plaza Sublease in the event of a casualty

5. *Condemnation:* In the event all or substantially all of the premises demised under the Gateway Plaza Sublease is taken in a condemnation, the Gateway Plaza Sublease shall be terminated. In such event, there shall first be paid to the Authority the entire award for that part of the land and the civic facilities, if any, taken. In the event less than all or substantially all of the premises under the Gateway Plaza Sublease shall be taken, the Gateway Plaza Sublease shall continue in full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and civic facilities, if any, so taken and Tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, a just proportion of the Land Rent, Tax Equivalency Payments and other charges, according to the extent and nature of such taking, shall abate for the remainder of the term of the Gateway Plaza Sublease. If the Authority and Tenant are unable to agree on the abatement, such dispute shall be determined by arbitration. The obligations of Tenant to restore the buildings in the case of a partial taking are similar to Tenant's obligations in the case of a casualty.

6. *Assignment, Subletting:* Without the consent of the Authority, no interest in Tenant (other than a limited partnership interest) may be sold, assigned or transferred, provided no consent by the Authority shall be required if the approval of the Secretary of HUD (during the period that the leasehold mortgage is insured, reinsured, held by or given to HUD) shall have been obtained, nor may tenant assign the Gateway Plaza Sublease or enter into any sublease (other than for residential use where the subtenant will occupy such space for living quarters). Provided the use under any non-residential sublease is consistent with the character and quality of the improvements and adjoining buildings, the Authority's consent to such sublease will not be unreasonably withheld. In the event the Authority shall terminate the Gateway Plaza Sublease, the Authority has agreed, in certain circumstances, to recognize a sublease with a subtenant, provided such

subtenant is not in default under its sublease and attorns to the Authority. Assuming compliance with these provisions, the Authority will be able to retain any subleases made by Tenant and recognized by the Authority in the event of the Gateway Plaza Sublease termination by the Authority.

7. *Mortgage:* So long as any leasehold mortgage shall remain outstanding, the Gateway Plaza Sublease may not be cancelled, surrendered, modified or amended without the prior written consent of the mortgagee. Tenant may mortgage its leasehold to any Institutional Leasehold Mortgagee without the consent of the Authority. The Gateway Plaza Sublease provides that in the event Tenant shall mortgage its interest in the Gateway Plaza Sublease, the Authority shall give each requesting mortgagee a copy of any notice of default given by the Authority to tenant. Each Mortgagee shall have the right to cure such default in the manner set forth in the Gateway Plaza Sublease, and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by Tenant. In the event the Authority shall have terminated the Gateway Plaza Sublease as a result of an event of default by Tenant, the Authority shall notify each Mortgagee of such termination and, at such mortgagee's request made at any time within 6 months after the Authority's notice, shall enter into a new lease with the Mortgagee most senior in lien (or with a junior mortgagee exercising such right if the senior mortgagee fails or refuses to do so), which lease shall be effective as of the date of the lease termination for the remainder of the term and upon the same terms and conditions as in the Gateway Plaza Sublease. In such event, such mortgagee shall pay to the Authority all unpaid Land Rent, Tax Equivalency Payments, Additional Rent and other charges, the Authority's expenses incurred in connection with Tenant's default and the termination of the Gateway Plaza Sublease and shall agree to remedy those defaults which are susceptible of being cured. In the event a mortgagee did not cure tenant's defaults or request a new lease, the lien of such mortgagee's mortgage would be extinguished as a result of the termination of the Gateway Plaza Sublease.

8. *Repairs:* Tenant shall, at its expense, take good care of the premises and all equipment and shall keep and maintain the buildings (which Tenant was obligated to construct pursuant to the Gateway Plaza Sublease) in good and safe order and working condition and shall make all repairs, internal and external, structural and non-structural.

9. *Compliance With Requirements:* Tenant shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the premises. Tenant shall have the right, in certain circumstances, to contest the validity of any such requirement.

10. *Capital Improvements:* Subject to the Authority's consent which is not to be unreasonably withheld and certain other conditions, the Gateway Plaza Sublease provides that Tenant shall have the right to make capital improvements to the buildings, provided any such capital improvement, when completed, shall be of such a character as not to reduce the value of the buildings below its value immediately before construction of the capital improvement was commenced. In addition, capital improvements of a structural nature require the submission to the Authority of plans and specifications for such capital improvement.

11. *Discharge of Mechanic's Liens:* Tenant shall not create or cause to be created any mechanic's lien, encumbrance or charge upon tenant's estate in the premises (other than permitted

liens), any assets of or funds appropriated to the Authority or upon the Authority's estate in the premises. Tenant shall cause any such lien to be promptly discharged of record.

12. *The Authority's Right to Perform:* If an event of default shall have occurred under the Gateway Plaza Sublease, the Authority shall have the right to perform any obligation on Tenant's behalf and any monies expended by the Authority shall be repaid by Tenant with interest on demand, such right, except in case of emergency, to be subject to the rights granted to institutional leasehold mortgagees.

13. *Master Lease:* The Gateway Plaza Sublease is subject and subordinate to all terms and condition of the Master Lease. If estates under the Master Lease are merged, Tenant will attorn to the holder of the reversionary interest.

14. *Events of Default:* If certain defaults shall occur, the Authority shall have the right to terminate the Gateway Plaza Sublease. Defaults by Tenant that would entitle the Authority to terminate the Gateway Plaza Sublease include: (a) failure to make any required payment of Land Rent, Tax Equivalency Payment, Additional Rent or other charge after 15 days' notice; (b) failure to perform any other provision of the Gateway Plaza Sublease if such failure continues for a period of 30 days after notice by the Authority to Tenant, unless such failure could not by its nature be cured within such 30 days, in which case Tenant is required to remedy such failure with reasonable diligence; and (c) events of bankruptcy concerning Tenant. In the event of a default by Tenant and the failure of Tenant or Tenant's Mortgagee to timely exercise its cure rights, as hereinabove described, the Authority will have the right to terminate the Gateway Plaza Sublease and at its option relet the premises and seek damages. As previously stated, the Gateway Plaza Sublease grants a Mortgagee certain rights intended to provide protection in the event of a default by Tenant, including a right to notice and cure and a right to enter into a new lease with the Authority directly.

15. *Compliance with HUD Mortgage:* Notwithstanding any other provisions of the Gateway Plaza Sublease, so long as any leasehold mortgage shall be insured, reinsured or held by or given to HUD in connection with a resale or the premises are acquired by HUD because of a default under said mortgage, all provisions of the Gateway Plaza Sublease relating to plans, specifications, design, construction, reconstruction, restoration, repairs, replacement or rebuilding, operations and maintenance, kinds or amounts of insurance, project cost and cost certifications, apportionment of condemnation or other awards or insurance or other payments (which apportionments shall be subject to the Master Lease and the HUD Mortgage) shall be subject to the rules, regulations and administrative determinations of the Secretary of HUD, provided that nothing contained in the Gateway Plaza Sublease shall prevent tenant from challenging the same.

16. *Limitation of Personal Liability:* No member, officer, employee, consultant or agent of the Authority nor any venturer, partner (general or limited), director, employee, agent, consultant, affiliate, associate, principal or stockholder of tenant shall have any personal liability under the Gateway Plaza Sublease. Accordingly, if Tenant shall have defaulted under the Gateway Plaza Sublease and such default was not remedied by Tenant or its Mortgagee or if the Gateway Plaza Sublease was terminated and a new lease was not requested by such mortgagee, the sole remedy of the Authority will be to terminate the Gateway Plaza Sublease and repossess the Premises demised thereunder. The Authority will be unable to recover any monetary damages resulting from such termination.

SUBLEASE FOR SITE 3

The following is a description of the major provisions of the Lease for Site 3 (Battery Place) between Battery Park City Authority, d/b/a Hugh L. Carey Battery Park City Authority, as landlord (the “Authority” or “Landlord”), and Battery Place Green, LLC, as tenant (“Tenant”), made as of the 17th day of August, 2006, (the “Lease”). Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Lease. The description contained herein does not purport to be complete and reference is made to the Lease for full and complete statements of its provisions.

1. **Term:** The Lease commenced on August 17, 2006, (the “Commencement Date”), and expires, unless sooner terminated, on June 17, 2069. The Lease does not contain any right on the part of Tenant to renew or otherwise extend the Term.

2. **Rental:** The primary components of rent under the Lease are the (i) the “Upfront Lease Payment;” (ii) special additional rent payments (“Special Additional Rent Payments”); (iii) base rent (“Base Rent”); (iv) payments in lieu of real estate taxes (“PILOT”); and (v) “Civic Facilities Payments.”

(a) Upfront Lease Payment: As an inducement to Landlord, and as a condition precedent to Landlord’s obligation to enter into the Lease, Tenant has paid to Landlord the sum of four million dollars (“Upfront Lease Payment”). As of the Commencement Date the Upfront Lease Payment shall be deemed fully earned and shall be non-refundable under any circumstances whatsoever.

(b) Special Additional Rent Payments: As additional rent, Tenant shall pay to Landlord the following payments at the following times (collectively the “Special Additional Rent Payments”): (x) seven million five hundred thousand dollars no later than thirty (30) days after the Commencement of Construction as defined in the Lease; (y) fourteen million dollars no later than thirty days after the issuance of the first Residential TCO for the Building; and (z) seventeen million dollars no later than two hundred ten days after issuance of the first Residential TCO for the Building. Each such Special Additional Rent Payment shall be deemed fully earned when paid and non-refundable under any circumstances whatsoever. To assure payment of each Special Additional Rent Payment when due, Tenant, as Borrower, and Construction Lender, as defined in the Lease, have entered into a Building Loan Agreement and Project Loan Agreement (the “Agreements”) for the construction of the Premises. The Agreements provide that the amount of each Special Additional Rent Payment when due as described herein shall be paid directly to Landlord by Construction Lender, on behalf of Tenant, as an advance on account of the building loan (each a “Special Additional Rent Advance”), on the due date, subject only to compliance by Tenant, as borrower, with the conditions precedent to advances under the building loan and project loan and to the Special Additional Rent Advance(s) that are set forth in the Agreements. Tenant reserves the right to pay the amount of each Special Additional Rent Payment directly to Landlord on or before the due date, and in which event the Construction Lender shall have no obligation to pay to Landlord any Special Additional Rent Advance with respect thereto. The Agreements shall contain provisions that the Agreements shall not be amended in any way without the consent of Landlord and no

advances shall be made thereunder except in strict compliance with the provisions thereof until all Special Additional Rent has been paid to Landlord. In addition to the foregoing Tenant shall be deemed to mean "Sponsor" should the Premises be submitted to a condominium form of ownership, and Landlord may pursue any rights granted to Landlord directly against Sponsor. In addition to the provisions and requirements set forth in Exhibit F of the Lease, the Condominium Plan shall condition effectiveness of a transfer of a Unit by Sponsor upon the payment of any Special Additional Rent Payment then due in accordance with the Lease, and should payment not be tendered when due, such transfer shall be deemed null and void, and of no force and effect. Landlord agrees that provided the Special Additional Rent Payments are paid as required under the Lease, then Landlord, if having received the notice required under the Lease, shall provide to a unit purchaser and/or unit purchaser's mortgagee an estoppel certificate containing a certification that all Special Additional Rent Payments then due have been paid.

(c) Base Rent: The Lease obligates Tenant to pay, in the manner hereinafter defined, beginning upon the Commencement Date, and continuing thereafter throughout the Term to the Landlord, without notice or demand, the sums hereinafter described:

The Base Rent shall be payable in equal monthly installments in advance commencing on the Commencement Date and on the first day of each month thereafter during the Term.

(d) PILOT: For each tax year or portion thereof within the Term, Tenant shall pay to the Landlord, without notice or demand, an annual sum (“PILOT”), equal to the greater of (x) actual Taxes for such Tax Year and (y) the Minimum PILOT set forth as follows: (i) Year 1 at \$598,489.00; Year 2 at \$797,985.00; Year 3 at \$2,488,507.00; Year 4 at \$4,977,014.00; Year 5 at \$5,076,554.00; Year 6 at \$5,178,085.00; Year 7 at \$5,281,647.00; Year 8 at \$5,387,279.00; Year 9 at \$5,495,025.00; Year 10 at \$5,604,926.00; Year 11 at \$5,717,024.00; Year 12 at \$5,831,356.00; Year 13 at \$5,947,992.00; Year 14 at \$6,066,952.00; Year 15 at \$6,188,291.00; Year 16 at \$6,312,057.00; Year 17 at \$6,438,298.00; Year 18 at \$6,567,064.00; Year 19 at \$6,698,405.00; Year 20 at \$6,832,373.00; Year 21 at \$6,969,020.00; Year 22 at \$7,108,401.00; Year 23 at \$7,250,569.00; Year 24 at \$7,395,580.00; and Year 25 at \$7,543,492.00; In no event shall the amount of PILOT be less than the amounts set forth above. (e) Civic Facility Payments: As its allocable share of the cost of operating and maintaining certain Civic Facilities as described in the Lease as the Parks and any other parks or open spaces within or adjacent to the Project Area (“Operating Costs”), Tenant, for each Lease Year, or portion thereof, shall pay to the Landlord commencing on the date on which a temporary Certificate of Occupancy shall be issued for any dwelling unit in the Building (“Initial Occupancy Date”) and ending on the last day of the Term an annual sum (“Civic Facilities Payment”) as follows:

(i) For the period commencing on the Initial Occupancy Date and for each of the next two full Lease Years an annual amount equal to the product obtained by multiplying the sum computed under the succeeding clause (ii) by a fraction the

(ii) For each of the next two Lease Years an amount equal to the sum of (A) the product obtained by multiplying the number of residential Units in the Building by \$500.00 dollars and (B) the product derived by multiplying \$.50 by the gross square feet of non-residential floor area, but excluding therefrom the Park Space and common areas described in the Lease that are in the Building.

(iii) For each of the next three Lease Years an annual amount equal to the sum of (A) the product obtained by multiplying the number of residential Units in the Building by \$550.00 dollars and (B) the product derived by multiplying \$.55 by the gross square feet of non-residential floor area, but excluding therefrom the Park Space and common areas described in the Lease that are in the Building.

(iv) For the next succeeding Lease Year and for each Lease Year thereafter with respect to the North Neighborhood Residential Parks, an amount equal to the product of (A) the Parks Budget as defined below, less amounts (x) payable toward such Parks Budget by other tenants of Landlord in the Project Area under leases which were originally entered into prior to the Commencement Date and (y) computed on the basis of operating costs for a particular neighborhood within the Project Area other than for Operating Costs for the entire Project Area, multiplied by (B) a fraction, the numerator of which shall be the maximum permissible number of Zoning Floor Area square feet in the Building (excluding the Zoning Floor Area square feet comprising the Parks Space) and the denominator of which shall be the maximum permissible number of Zoning Floor Area square feet in all residential buildings, including the Building (but excluding the Zoning Floor Area square feet comprising the Parks Space); except that Landlord, at its sole option and at any time, may establish any alternative method for determining such allocable share of the Operating Costs and the amount of the Civic Facilities Payment that Tenant would pay as its share, as may be equitable with respect to all tenants of Landlord within the Project Area. Notwithstanding the provisions of the foregoing clause (iii), the amount of tenant's Civic Facilities Payment for any Lease Year referred to in the Lease shall not be greater than one hundred twenty-five percent of Tenant's Civic Facilities Payment for the prior Lease Year and the amount of capital costs included in Operating Costs for any year shall not exceed ten percent of the Operating Costs for such year.

(vi) The North Neighborhood Esplanade Budget is defined as an amount computed by multiplying (A) the estimated Operating Costs of the entire Esplanade in the Project Area other than such portion of the Esplanade described in the Lease and defined as the Residential Esplanade by (B) a fraction, the numerator of which is the number of linear feet of the North Neighborhood Esplanade and the denominator of which is the total number of linear feet of the Residential Esplanade. Tenant shall pay to Landlord the Civic Facilities Payment due in respect of each such Payment Period in equal monthly installments payable in advance on the first day of each month.

(f) Percentage Rent: For the period commencing on the date Tenant shall first collect any Gross Non-Residential Revenue (the “Percentage Rent Commencement Date”), which Gross Non-Residential Revenue includes, but is not limited to all revenue received by Tenant or an Affiliate of Tenant from, in connection with, or arising out of the use and occupancy of space in the Building which is being used for any non-residential purpose, payable to Tenant or any Affiliate of Tenant under a Sublease or otherwise, and which Gross Non-Residential Revenue is more particularly defined in the Lease, and ending on December 31 of the calendar year in which the Percentage Rent Commencement Date occurs, and for each calendar year thereafter during the First Period, Tenant shall pay to Landlord an amount equal to the excess of (x) 11% of the amount by which Gross Non-Residential Revenue collected by Tenant during each such calendar year exceeds the Allowed Deductions for such calendar year, or portion thereof, less (y) the total minimum percentage rent amount, set forth in the Lease, applicable to the Lease Year during which such calendar year, or portion thereof, occurs.

(i) For the period commencing on the first day of the Second Period and ending on December 31 of the calendar year in which the Second Period commences, and for each calendar year or partial calendar year thereafter during the Term, an amount equal to 11% of the amount by which Gross Non-Residential Revenue collected by Tenant during each such calendar year exceeds the Allowed Deductions for such calendar year or portion thereof.

(ii) Tenant shall pay to Landlord, with respect to the Garage Space as defined in the Lease the sum of \$926,464.00 (the “Upfront Garage Percentage Rent Payment”); and with respect to the Retail Space, the sum of \$175,652.00 (the “Upfront Retail Percentage Rent Payment”). Tenant shall pay the Upfront Garage Percentage Rent Payment upon the earlier to occur of (x) the date Tenant or any Affiliate shall first collect any Gross Non-Residential Revenue with respect to all or any portion of the Garage Space; (y) the date that is nine months following the issuance of a Certificate of Occupancy for the Garage Space; or (z) the date that Sponsor conveys the Unit comprising the Garage Space to a Unit Owner that is not a Sponsor. Tenant shall pay the Upfront Retail Percentage Rent upon the earlier to occur of (x) the date Tenant or any Affiliate shall first collect any Gross Non-Residential Revenue with respect to all or any portion of the Retail Space; (y) the date that is nine months following the issuance of a Certificate of Occupancy for the Retail Space; or (z) the date that Sponsor conveys the Unit comprising the Retail Space to a Unit Owner that is not a Sponsor. The aforementioned Upfront

Payments shall be fully earned when paid and non-refundable under any circumstances whatsoever.

Percentage Rent shall be computed quarterly, in the manner specified in the Lease, and within thirty days after the end of each calendar quarter Tenant shall submit in reasonable detail the Gross Non-Residential Revenue from the prior calendar quarter and based upon said submission pay Landlord 11% of the amount by which the Gross Non-Residential Revenue exceeds the Allowed Deductions for such calendar quarter, as a partial payment. Tenant shall deliver to Landlord as soon as is practicable after the end of each calendar year, but not later than 120 days after the end of such calendar year, a separate statement for such year showing the Gross Non-Residential Revenue, together with the Percentage Rent due for such year. In the event of an underpayment of the Percentage Rent for the period, Tenant shall pay to Landlord the deficiency upon submission of the annual statement. In the event of an overpayment for such year, Tenant may offset said excess sum, without interest, against subsequent payment of Percentage Rent.

If Tenant sells the Garage Unit or the Retail Space to an owner which is not the Sponsor and has previously paid the Upfront Garage Percentage Rent Payment or the Upfront Retail Percentage Rent payment, respectively, no further percentage rent with respect to the Garage Space or the Retail Space, respectively, shall be payable.

In the event Tenant's leasehold estate in the Premises shall be submitted to a condominium form of ownership, then "Tenant" shall be deemed to mean the Sponsor or Condominium Board if it shall become the Unit Owner, it being the agreement of Landlord and Tenant that so long as Sponsor is a Unit Owner, Sponsor shall be solely liable for the payment of any Percentage Rent and the Upfront Percentage Rents payable directly to Landlord and that Landlord may pursue any rights granted to Landlord hereunder directly against each Sponsor, or Condominium Board if it should become the unit owner.

3. **Insurance:** Tenant shall, at all times, after Substantial Completion of the Building, and thereafter for the full Term of the Lease, keep in full force and effect (i) an All Risk of Physical Loss policy of insurance, including without limitation loss or damage by water, flood, subsidence and earthquake, on an Agreed Amount basis with full replacement cost; as such shall be determined from time to time, but not less frequently than required by the insurer and in any event at least once every three (3) years. In the event Tenant's leasehold estate shall be submitted to condominium ownership, then such replacement cost determination shall be made annually; (ii) commercial general liability insurance against liability for bodily injury, death and property damage in an amount as may be reasonably required by Landlord upon thirty (30) days notice, but not less than twenty five million dollars combined single limit; and (iii) such other insurance enumerated in the Lease approved by Landlord, and such other insurance in such amounts as may be reasonably required by Landlord. All policies shall name the Tenant as the insured, the Landlord, and Master Landlord as additional insureds to the extent, where applicable, of their respective insurable interests in the Premises, and shall be primary with respect to any other coverage which Landlord and Master Landlord may obtain as additional insureds. Any Mortgagee may be named an additional insured under a standard mortgagee endorsement, provided that such Mortgagee irrevocably agrees in writing for the benefit of Landlord that all proceeds of such

insurance shall be applied in accordance with the Lease. Mortgagee may be an additional insured under the policies, and loss payable in accordance with the provisions of the Lease. All Rent Insurance shall be carried in favor of Landlord and Tenant, but the proceeds, if in excess of one million dollars shall be paid to Depository to be applied to Rental Payments until such Restoration by Tenant is completed. The Lease provides in substance that all adjustments for claims with the insurers shall be made with the Landlord and Tenant. All proceeds of loss under the policies in excess of one million dollars which such floor as may be increased from time to time as provided for in the Lease, shall name as loss payees Landlord, Tenant and Mortgagee, as their interests may appear.

4. **Restoration:** If all or any part of the Building as defined in the Lease, shall be destroyed or damaged in whole or in part by fire or other casualty, Tenant shall, whether or not such damage or destruction shall have been insured, and whether or not insurance, if any, shall be sufficient for the purpose of such Restoration, Restore the Building. Except as hereinafter set forth, Tenant shall Restore the Premises in the event all or any part of the Premises shall be destroyed or damaged in whole or in part by fire or other casualty, at least to the extent of the value and as nearly as possible to the condition, quality and class of the Premises existing immediately prior to such occurrence, and if such casualty occurs within ten years after the date the building has been substantially completed, then Restoration shall be performed in accordance with the Construction Documents as defined in the Lease. If any loss, damage or destruction occurs, and the cost of Restoration of which equals or exceeds \$1,000,000. (as adjusted), Tenant shall furnish to the Landlord complete plans and specifications for such Restoration, a contract or construction management agreement, payment and performance bonds in forms reasonably satisfactory to the Landlord for the cost of Restoration exceeding such amount, and required insurance policies. Notwithstanding anything in the Lease to the contrary, to the extent that any portion of the Restoration involves work on the exterior of the Building or a change in the height, bulk or setback of the Building, Tenant shall furnish to the Landlord a complete set of plans and specifications for the Restoration. The Lease shall not terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable thereunder by reason of damage to, or total, substantial or partial destruction of, the Building by reason of the untenability of the same, for or due to, any reason or cause whatsoever, and Tenant, notwithstanding any law or statute, waives any and all rights to quit or surrender the Premises. Tenant expressly agrees that its obligations hereunder, including, without limitation, the payment of Rental, shall continue as though the Building had not been damaged or destroyed without abatement, suspension, diminution or reduction of any kind.

If Tenant's leasehold interest in the Premises is submitted to the condominium form of ownership, all of Tenant's obligations under Article 8 of the Lease shall be the obligation of the Condominium Board.

5. **Condemnation:** If the whole or substantially all of the Premises shall be taken, excluding a taking of the fee interest in the Premises, or any leasehold interest superior to that of the Tenant's, if after such taking Tenant's rights under the Lease are not affected, for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of condemnation or eminent domain or by agreement among the Landlord, Tenant and those authorized to exercise such right, the Lease and the Term shall terminate and expire on the date of such taking and the rental payable by Tenant shall be equitably apportioned as of the date of such

taking. The condemnation awards shall be apportioned: (i) first to the Landlord for or attributable to the value of the Land so taken, considered as unencumbered by the Lease and the Master Lease and as unimproved, and then the Landlord's Civic Facilities and other site improvements made by Landlord taken in any proceeding with respect to such taking; (ii) next to the mortgagee which holds a first lien on Tenant's interest in the Lease under a Single Asset Mortgage or to Unit Mortgagees under Single Asset Unit Mortgages constituting first liens against the mortgaged Units, so much of the balance of such award as shall equal the unpaid principal indebtedness secured by such Single Asset Mortgage or Single Asset Unit Mortgages with interest thereon at the rate specified therein to the date of payment; (iii) for a period of forty years from the Scheduled Completion Date, there shall next be paid to each additional Mortgagee under a Single Asset Mortgage, so much of the balance of such award as shall equal the unpaid principal indebtedness secured by its Single Asset Mortgage with interest thereon at the rate specified thereon to the date of payment; (iv) next to Landlord so much of the award which is for or attributable to the value of Landlord's reversionary interest in that part of the Building taken in such proceeding, it being understood that for the period of forty years from the Scheduled Completion Date the value of Landlord's reversionary interest shall be zero; and (v) subject to the rights of any Mortgagees or Unit Mortgagees, Tenant shall receive the balance, if any, of the award. If less than substantially all of the Premises shall be so taken, the Lease shall continue as to the portion of the Premises remaining without abatement of the rent or diminution of any of Tenant's obligations hereunder. Tenant shall proceed diligently to Restore any remaining part of the Building. The entire award for or attributable to the Land taken and the fair market value of the Landlord's Civic Facilities shall be first paid to the Landlord, and the balance, if any, shall be paid to Depository, except that if such balance shall be less than \$1,000,000 (as adjusted in accordance with the Lease), such balance shall be payable, in trust, to Tenant for application to the cost of Restoration.

If the temporary use of the whole or any part of the Premises shall be taken, the Term shall not be reduced or affected in any way and Tenant shall continue to pay in full the Rental, and Tenant shall be entitled to receive for itself any award or payments for such use, in accordance with the provisions of Section 9.05(i) and (ii) of the Lease.

Landlord, Tenant and any Mortgagee shall be entitled to file a claim and otherwise participate in any condemnation or similar proceedings. Landlord represents that under current law it has no power to condemn all or any part of the Premises; furthermore, Landlord hereby covenants and agrees that it shall never institute any taking or condemnation of all or any portion of the Premises without the prior written consent of Tenant.

6. ***Assignment, Subletting:*** Except as otherwise provided, prior to Substantial Completion of the Building, or at any time after Substantial Completion of the Building that the conditions set forth in Section 10.01(b) of the Lease are not satisfied, neither the Lease nor any interest of Tenant in the Lease shall be sold, assigned, or otherwise transferred, whether by operation of law or otherwise, including without limitation an assignment to an Apartment Corporation in connection with a Cooperative Plan or partial assignment in connection with Tenant's submission of its leasehold estate in the Premises to a condominium form of ownership, but excluding transfers of individual condominium units following the submission by Tenant of its leasehold estate in the Premises to a condominium form of ownership pursuant to Article 41 and Exhibit F (Provisions Regarding the Conversion To Condominium Form of Ownership), of the Lease, or in connection with the issuance or transfer of proprietary leases following the

submission of Tenant of its leasehold estate in the Premises to an Apartment Corporation in connection with a Cooperative Plan nor shall any of the issued or outstanding capital stock of any corporation, any membership interest in any limited liability company any partnership interest in any partnership or any equity interest in any Person, in each case, which is Tenant or owns a direct or indirect interest in Tenant be sold, assigned, transferred, pledged or encumbered, whether by operation of law or otherwise, if such would result in a change of the controlling membership ownership of Tenant as held by the members thereof as of the Commencement Date, or there be any change in the right to direct the management of any Person that is Tenant or owns a direct or indirect interest in Tenant, nor shall Tenant sublet the Premises as an entirety or substantially as an entirety, without the consent of Landlord in each case. Notwithstanding the foregoing, prior to Substantial Completion of the Building Landlord's consent shall not be required with respect to any Transfer that satisfies the conditions as set forth in Section 10.01(a) of the Lease.

From and after the Substantial Completion of the Building, Landlord's consent shall not be required prior to any Transfer, assignment, or subletting of the Premises provided no Default as to which notice shall have been given shall have occurred and then be continuing, and Tenant has complied with the requirements under Article 10 of the Lease. Landlord's consent shall not be required in the event Tenant assigns its interest in this Lease to the Apartment Corporation pursuant to a Cooperative Plan, provided no Default then exists and is continuing; however, Tenant shall not, at any time during the Term, assign its interest in the Lease in whole or in part pursuant to any plan to submit Tenant's leasehold estate in the Premises to condominium ownership except pursuant to the provisions of Article 41 and Exhibit F of the Lease.

Tenant may, without Landlord's consent, but subject to the provisions of the last sentence of Section 10.01(c) enter into agreements for the rental of residential and non-residential space in the Building or the occupancy of such space for periods shorter than or equal to the remainder of the Term at the time of such agreements ("Subleases"). Each residential Sublease shall obligate the Subtenant pursuant thereto to occupy and use the Premises included therein for residential purposes only. During the continuance of an Event of Default by Tenant, Landlord may, subject to the rights of any Mortgagee which is an Institutional Lender, collect subrent and all other sums due under Subleases and apply the net amount collected to Rental, but no such collection shall be deemed to be a waiver of any agreement, term, covenant or condition under the Lease. Tenant sets over to Landlord all of Tenant's right, title and interest in and to all Subleases, subject to the rights of any qualifying Mortgagee in accordance with the Lease. All Subleases shall provide that they are subject to the Lease and to the Master Lease, and at Landlord's option on the termination of the Lease; the Subtenants will attorn to or enter into a direct lease with Landlord. With respect to certain Subleases, the Landlord and a Subtenant shall execute an agreement wherein the Landlord agrees to recognize such Subtenant as a direct Tenant of Landlord under its Sublease upon termination of the Lease.

7. ***Mortgages:*** Tenant shall have the right to mortgage or otherwise encumber Tenant's interest in the Lease. In the event Tenant so mortgages its interest, Tenant or a Mortgagee shall give the Landlord notice of such Mortgage and provide Landlord with a complete and correct copy of such Mortgage certified by Tenant or such Mortgagee and shall provide the name and address of such Mortgagee. Landlord shall give notice to such Mortgagee of each Default in accordance with Article 25 of the Lease. Landlord shall accept performance by Mortgagee, with the same force and effect as though performed by Tenant. In the event of a modification or

amendment of the Lease made subsequent to the date of the Mortgage, and delivery to Landlord in accordance with the notice provisions, then Mortgagee shall not be liable under the provisions of the Lease. In the event of Termination of the Lease by reason of any Default, the Landlord shall give prompt notice thereof to each Mortgagee of such termination, and, at such Mortgagee's request made within thirty days after the giving of notice from Landlord, shall enter into a new lease with such Mortgagee for the Premises, or such portion of the Premises subject to the Mortgage, or its designee or nominee, for the remainder of the Term subject to all covenants, conditions, limitations and agreements contained in the Lease, provided in such event, such Mortgagee shall pay to the Landlord all unpaid Rental from the date of termination up to and including the date of commencement of the term of such new lease, and together with all expenses incurred by the Landlord in connection with the Default by Tenant, termination of the Lease, and all expenses incurred in connection with the new lease with Mortgagee; Mortgagee shall cure all Defaults susceptible of being cured. Concurrently, the Landlord shall assign to such Mortgagee all of its right, title and interest in and to moneys, if any, then held by or payable to the Landlord or Depository that Tenant would have otherwise been entitled to receive but for termination of the Lease.

8. ***Repairs:*** Tenant shall, unless otherwise provided, at its sole cost and expense, put and keep, or shall cause to be put and kept, in good condition and repair the Premises and shall put, keep and maintain the Building in good and safe order and condition, and make all repairs to keep the same in good and safe condition. Tenant shall not commit or suffer, and shall use all reasonable precaution to prevent, waste, damage or injury to the Premises. Tenant assumes the full and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Premises. All repairs made by Tenant shall be at least equal in quality and class to the original work and shall be made in compliance with all Governmental Authorities as defined in Section 12.01 of the Lease.

9. ***Compliance with Requirements:*** Tenant promptly shall comply with any and all applicable present and future laws, rules, orders, ordinances, including without limitation Environmental Statutes, etc. affecting the Premises. Tenant shall have the right to contest the validity of any such requirements or the application thereof. During such contest, compliance with any such contested Requirements may be deferred by Tenant upon condition that, if Tenant is not an Institutional Lender, before instituting any such proceeding, then Tenant shall furnish to Landlord or deposit with a Mortgagee that is an institutional lender, a qualifying bond, cash or other security reasonably satisfactory to Landlord securing compliance with the Requirement.

10. ***Capital Improvements:*** Tenant shall not demolish, replace or materially alter the Building, or make any addition thereto, unless Tenant has procured from all Governmental Authorities and paid for all permits, consents, certificates and approvals; the improvements will not materially reduce the value of the Premises; the Capital Improvements are made with diligence, in a good and workmanlike manner and in compliance with all requirements; and Tenant has delivered to Landlord certificates of insurance acceptable to Landlord. If the estimated cost of any proposed Capital Improvement exceeds \$750,000 (as adjusted), Tenant shall pay the fees and expenses of any architect or engineer selected by the Landlord and furnish: complete plans and specifications; a contract or construction management agreement; payment and performance bonds or other security. To the extent that any portion of the Capital Improvement involves work which affects the structural elements of the Building or work involving the exterior or a change in the

height, bulk or setback of the Building, Tenant shall furnish to the Landlord complete plans and specifications and any other item at the Landlord's request. Title to all additions, alterations, improvements and replacements made to the Building shall forthwith vest in Landlord, without any obligation by Landlord to pay any compensation therefor to Tenant.

11. **Equipment:** All equipment shall be and shall remain the property of the Landlord. Tenant shall not have the right, power or authority to, and shall not, remove any Equipment from the Premises without the consent of Landlord, which consent shall not be unreasonably withheld.

12. **Discharge of Liens:** Subject to the provisions of the Lease, Tenant shall not create or permit to be created any lien, encumbrance or charge upon the Premises and shall not suffer any other matter or thing whereby the estate, right and interest of the Landlord in the Premises might be impaired. Tenant may finance any Equipment. If any lien at any time shall be filed against the Premises, Tenant shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise.

13. **The Landlord's Right to Perform:** If Tenant at any time shall be in Default, after notice thereof and after applicable grace periods, if any, provided under the Lease for Tenant or a Mortgagee, respectively, to cure or commence to cure same, the Landlord, without waiving or releasing Tenant from any obligation of Tenant contained in the Lease, may but shall be under no obligation to perform such obligation on Tenant's behalf. All associated expenses shall be paid by Tenant.

14. **Events of Default:** The Lease provides that if certain Defaults shall occur, the Landlord shall have the right to terminate the Lease. See, however, "Condominium Ownership" below for a discussion of certain limitations on such remedy. Events of Default shall include but are not limited to: (i) failure of Tenant to pay any item of Rental for 10 days after notice from the Landlord to Tenant; (ii) failure by Tenant to observe or perform one or more of the terms, conditions, covenants or agreements contained in the Lease which failure continues for a period of 30 days after notice thereof by Landlord; (iii) filing of a bankruptcy petition or the commencement of any proceeding against Tenant seeking dissolution or similar relief under the bankruptcy code that shall not have been dismissed within 90 days and (iv) assignment of the Lease, sublease, or transfer of certain interests in Tenant, without the Landlord's approval to the extent required which transaction has not been made to comply or voided ab initio within 30 days after notice thereof from Landlord; (v) to the extent permitted by law, if Tenant shall admit in writing that it is unable to pay its debts as such become due, or if Tenant shall make an assignment for the benefit of creditor's. As previously stated, the Lease grants a mortgagee certain rights intended to provide protection in the Event of Default by Tenant, including a right to notice and cure and a right to enter into a new lease with the landlord directly. In the event the Lease shall terminate due to an Event of Default and in accordance with the provisions of the Lease, then Tenant, Tenant as debtor-in-possession and/or Trustee shall immediately quit and surrender the Premises. No termination of the Lease pursuant to Section 24.03(a) or taking possession of or re-letting the Premises or any part thereof, pursuant to Sections 24.03(b) or 24.04(b) of the Lease shall relieve Tenant of its liabilities and obligations hereunder, all of which shall survive such expiration, termination, repossession or re-letting. Tenant shall pay to Landlord all costs and expenses, including, without limitation, reasonable attorney's fees and disbursements, incurred by Landlord in any action or proceeding to which Landlord may be made a party by reason of any act

or omission of Tenant, and Tenant shall pay to Landlord all costs and expenses, incurred by Landlord in enforcing any of the covenants and provisions of the Lease and incurred in any action brought by Landlord against Tenant on account of the provisions thereof.

15. ***Civic Facilities:*** The Landlord has the obligation to construct certain enumerated Civic Facilities. Tenant acknowledges that other than those certain facilities enumerated in Article 26 of the Lease, Landlord has completed the Civic Facilities improvements. Tenant has the obligation to maintain certain of the enumerated Civic Facilities, and Landlord the obligation to maintain the balance of the enumerated Civic Facilities. In the event Landlord fails to so maintain the enumerated civic facilities in accordance with the Lease, Tenant shall have the right but not the obligation to undertake Landlord's Maintenance Obligations ("Self-Help," as defined in the Lease). In the event Tenant undertakes Self-Help, then Tenant shall have the right to offset against the next installment of Civic Facilities Payments an amount equal to the reasonable expenses thereby incurred or paid by Tenant together with interest thereon at the Involuntary Rate computed with respect to each payment made by Tenant. Landlord shall incur no penalty or liability, and Tenant shall have no remedies or rights other than as expressly provided in the Lease, it being agreed by the parties that Landlord's failure to perform Landlord's Maintenance Obligations shall not be deemed a failure by Landlord to perform a substantial obligation on Landlord's part to be performed under the Lease.

16. ***Subordination:*** The Landlord's interest in the Lease shall not be subject or subordinate to any mortgage or any other liens or encumbrances upon Tenant's interest in the Lease. Tenant's interest in the Lease as may be modified, amended or supplemented, shall not be subject or subordinate to any liens or encumbrances hereafter affecting the Landlord's interest in the fee title to Battery Park City or any part thereof, the Lease, the Premises or the Master Lease. Without limiting the foregoing, Battery Park City Authority, in its capacity as tenant under the Master Lease acknowledges and agrees that the interest of the tenant under the Master Lease and the interest of any Person in the Premises which arises by, through, or under, or is otherwise derivative of the Master Lease, including any possessory interest therein, are and shall be subordinate to the Tenant's interest under the Lease for so long as the Lease remains in effect.

17. ***Limitations on the Landlord's Liability:*** The liability of the Landlord shall be limited to the Landlord's interest in the Premises. Neither the Landlord nor any of its the members, directors, officers, employees, agents or servants shall have any liability (personal or otherwise) hereunder beyond the Landlord's interest in the Premises, and no other property or assets of the Landlord or any such person or any of the members, directors, officers, employees, agents or servants of either shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies hereunder.

18. ***Limitations on Tenant's Liability:*** The liability of Tenant hereunder for damages or otherwise shall be limited to the property and assets of Tenant, except as to Recourse Claims as defined in the Lease and which recovery is limited to the recovery for said Recourse Claims as stated therein. Neither the Tenant nor any of the members, directors, officers, shareholders, partners, managers, principals or joint venturers, employees, agents or servants of Tenant or its partners, members or shareholders shall have any liability (personal or otherwise) hereunder beyond the property or assets of the Tenant, and no property or asset of any such excluded persons

shall be subject to levy, execution or other enforcement procedure for the satisfaction of the Landlord's remedies hereunder.

19. ***Letter of Credit Security Deposit:*** Tenant shall secure obligations under the Lease through Completion of the Building, including, without limitation, Tenant's obligation for the payment of Rental, by depositing with Landlord a clean irrevocable letter of credit drawn in favor of Landlord, in the form provided for in the Lease having a term of not less than one year, payable in U.S. dollars, the initial Letter of Credit shall be eighteen million eight hundred seventy thousand dollars. The letter of credit shall be renewed or replaced without decrease in amount each and every year as provided in the Lease. Notwithstanding the above, upon payment in full of the Base Rent, and provided no Event of Default shall have occurred and is ongoing, then Tenant shall have the right to reduce the letter of credit with Landlord's authorization to one million dollars. Upon reduction of said amount, Tenant shall have the option to replace the letter of credit with a deposit of immediately available funds for said amount.

EXISTING BATTERY PLACE SUBLEASES FOR SITES 4, 10, 11

The following is a description of the major provisions of the Battery Place subleases for Sites 4, 10 and 11 (individually, a "Battery Place Sublease" and collectively, the "Battery Place Subleases"). A schedule of the Battery Place Subleases is annexed hereto. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Battery Place Subleases. The description contained herein does not purport to be complete and reference is made to the Battery Place Subleases for full and complete statements of their provisions.

1. ***Term:*** The term of each of the Battery Place Subleases commenced on the date such Battery Place Sublease was executed and expires, unless sooner terminated, on June 17, 2069. No Battery Place Sublease contains any right on the part of Tenant thereunder to renew or otherwise extend the term of its Battery Place Sublease beyond June 17, 2069.

2. ***Rental:*** The primary components of rent under the Battery Place Subleases are base rent, payments in lieu of real estate taxes ("PILOT") and civic facilities payments. The following is a description of each such component of rent:

(a) ***Base Rent:*** Each Battery Place Sublease obligates Tenant thereunder to pay base rent ("Base Rent") on a monthly basis commencing on the date of execution of its Battery Place Sublease (the "Commencement Date") in the case of Sites 4 and 11, or on March 20, 1987 (the "Rent Commencement Date") in the case of Site 10. For the period commencing on the Commencement Date, in the case of Sites 4 and 11, and the Rent Commencement Date, in the case of Site 10, and expiring on the day prior to the twentieth anniversary of the date on which a temporary certificate of occupancy is issued for any dwelling unit in the buildings constructed pursuant to such Battery Place Sublease (such anniversary being called the "First Appraisal Date"), the Base Rent shall be in the amount specified in each of the Battery Place Subleases subject to certain annual increases determined in accordance with each Battery Place Sublease. Pursuant to a modification of each of the Battery Place Subleases, for the thirty years immediately following the First Appraisal Date, the Base Rent shall be in the amount specified in the Battery Place Sublease for such site. This modification reduced the ground rent increases from the original term

of 6% of the fair market value of the land. The Base Rent shall be in the amount specified in the summary of each of the Battery Place Subleases below. Every succeeding 15 year anniversary of the First Appraisal Date, each a "Reappraisal Date," annual Base Rent is readjusted to be the greater of 6% of the fair market value of the land or 125% of the Base Rent for the year preceding the respective Reappraisal Date.

(b) **PILOT:** The Authority and the Battery Park City Project Area are exempt from real estate taxes. Each Battery Place Sublease obligates Tenant thereunder to make payments to the Authority of PILOT, such payments to be made semi-annually in advance, or some variation thereof. PILOT will be the same amount as the real estate taxes which would have been payable except for the Authority's tax exempt status. Tenant is entitled to the amount of real estate tax exemptions or abatements available to an owner of comparable property in the Borough of Manhattan under Section 421-a of the Real Property Tax Law of the State of New York as in effect on the date the related Battery Park Sublease was executed ("Section 421-a"). Each Battery Place Sublease provides that Tenant thereunder shall have the right to institute tax assessment reduction proceedings to reduce the assessed valuation of the premises covered by its Battery Place Sublease. If such proceeding is successful, Tenant will be entitled to a credit against future PILOT. Each Battery Place Sublease provides for an abatement of PILOT equivalent to the real estate abatement set forth in Section 421-a, which abatement declines biannually over a ten-year period following substantial completion of the buildings. As a condition to receiving benefits equivalent to benefits available under Section 421-a, until the Release Date described in the Battery Place Subleases each Tenant must comply with various requirements specified in Section 421-a and the regulations promulgated thereunder for buildings receiving Section 421-a benefits. A failure by Tenant to comply with those requirements will subject such Tenant to penalties and sanctions.

(c) **Civic Facilities Payments:** Each Tenant under a Battery Place Sublease shall pay to the Authority its allocable share of the cost of operating, maintaining, repairing, restoring, replacing and upgrading certain "civic facilities" enumerated in the Battery Place Subleases, commencing on the date (the "Initial Occupancy Date") on which a temporary certificate of occupancy was issued for any dwelling unit in the buildings constructed pursuant to such Battery Place Sublease (the "Civic Facilities Payment"). The Civic Facilities Payment is an amount equal to such Tenant's proportionate share of the Authority's budget for certain operating costs. The Battery Place Subleases set a limit on increases in the Civic Facilities Payment of an amount not to exceed 125% of the payment for the prior year.

The term "Rental" also includes any other sums which may be due and payable under the Battery Place Subleases. For example, each Tenant is obligated to pay, subject to such Tenant's right to contest same, any imposition (including water and sewer charges) levied or assessed against the demised premises (excluding real estate taxes, which, if levied shall be paid by the Authority). In the case of Sites 10 and 11, Tenant is obligated to pay Percentage Rent equal to 10% of Gross Non-Residential Revenue for each calendar year. Except as noted below, each Tenant's obligation to pay Rental is net to the Authority and without abatement, set-off or counterclaim. Each of the Battery Place Subleases gives Tenant thereunder certain limited off-set

rights against Rental (or certain components thereof) for payments made (and interest thereon) in the following instances:

(a) In the event of a final determination in favor of a Tenant in a tax assessment reduction proceeding, succeeding PILOT payments to the Authority will be reduced to the extent necessary to offset the overpayment of PILOT.

(b) If the premises covered by a Battery Place Sublease shall at any time become subject to real estate taxes, the Authority is responsible for the payment of same. In the event the Authority shall have failed to pay such real estate taxes and Tenant shall have paid same (together with any interest and penalties thereon), such Tenant may deduct such payment from the next installment of PILOT and, to the extent such payment shall exceed the next installment of PILOT, from the next installments(s) of Base Rent. If a Battery Place Sublease and leasehold estate are submitted to condominium ownership pursuant to the terms of such Battery Place Sublease and real estate taxes are assessed and levied by New York City against the condominium units, then payments of such taxes by the unit owners shall be credited against PILOT.

(c) If a Tenant is compelled by a governmental authority to pay any sales or compensating use taxes with respect to materials incorporated into the buildings and as to which such Tenant previously made payments in lieu of such taxes to the Authority, such Tenant may deduct such payments from subsequent installments of Base Rent and PILOT if the Authority failed to successfully contest the imposition of such tax, provided such deduction shall not exceed the amount so paid by such Tenant to the Authority.

(d) Each Battery Place Sublease obligated the Authority to construct certain civic facilities, and thereafter, requires the Authority to maintain such civic facilities. In the event the Authority fails to maintain such civic facilities, each Tenant shall have the right, after notice to the Authority and the expiration of a cure period, to perform such maintenance and to offset such cost against subsequent installments of Base Rent and Civic Facilities Payments.

3. *Taxes:* As previously noted, in the event real estate taxes shall be levied and assessed against the premises covered by a Battery Place Sublease, the Authority shall be obligated to pay same. The Authority has the right, however, to contest the imposition of taxes, and, in certain circumstances, may defer payment during the pendency of such tax contest.

4. *Insurance:* Each Tenant under a Battery Place Sublease is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to at least one year's current Base Rent, PILOT, Percentage Rent (in the case of Sites 10 and 11) and Civic Facilities Payment. The types of insurance and limits of coverage are specified in the Battery Place Subleases. In addition, the Authority may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. Each Battery Place Sublease provides that, in the event of casualty, the insurance proceeds shall be paid to Tenant, in trust, if less than \$250,000 (subject to adjustment in the manner therein provided based on the consumer price index) or, if in excess of \$250,000 (subject to adjustment), to a depository designated by such Tenant with the

Authority's approval, such depository to be an institutional lender (as defined in each Battery Place Sublease).

5. *Restoration:* Each Tenant is obligated to restore the buildings in the event of damage or destruction due to fire or other casualty, whether insured or uninsured and whether or not the cost of restoration exceeds the insurance proceeds. Each Tenant shall be obligated for the payment of Rental during the period of a casualty without reduction or abatement. In the event a Tenant fails to restore the buildings as provided in its Battery Place Sublease, the Authority shall have the right to do so and may apply the insurance proceeds for such purposes. To the extent the cost of restoration exceeds \$250,000 (as adjusted), such Tenant shall provide the Authority with complete plans and specifications for such restoration, a construction contract and payment and performance bonds or other security reasonably satisfactory to the Authority. In addition, if such restoration involves work to the exterior of any buildings or a change in the height, bulk or setback of such buildings, such Tenant shall deliver complete plans and specifications for such work prior to the commencement of the restoration. No Battery Place Sublease grants Tenant thereunder the right to terminate its Battery Place Sublease in the event of a casualty.

6. *Condemnation:* In the event all or substantially all of the premises demised under a Battery Place Sublease is taken in a condemnation, such Battery Place Sublease shall be terminated. In such event, there shall first be paid (i) to the Authority the portion of the award attributable to the value of the land (considered as unencumbered and unimproved except for civic facilities provided by the Authority); (ii) to certain mortgagees the amount of unpaid principal indebtedness; (iii) to the Authority its amount of reversionary interest in Buildings taken; and (iv) subject to the rights of certain mortgagees, to the Tenant any remaining amount. In the event less than all or substantially all of the premises under a Battery Place Sublease shall be taken, such Battery Place Sublease shall continue in full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and civic facilities, if any, so taken and such Tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, such Tenant shall be obligated for the payment of Base Rent, without abatement or reduction. The obligations of each Tenant to restore the buildings in the case of a partial taking are similar to such Tenant's obligations in the case of a casualty. Except with respect to a taking of all or substantially all of the demised premises, no Battery Place Sublease grants the Tenants thereunder the right to terminate its Battery Place Sublease.

7. *Assignment, Subletting:* After substantial completion of the buildings, Tenant can fully assign, sublet or transfer the Battery Place Subleases provided the assignee, sublessee or transferee is not prohibited (as described in the Battery Place Subleases). If an event of default by a Tenant under a Battery Place Sublease shall have occurred, the Authority may, subject to the rights of any mortgagee, under certain circumstances, collect from subtenants under such subleases. In the event the Authority shall terminate a Battery Place Sublease, at the Authority's option and except as described below, each subtenant under a sublease shall attorn to or enter into a direct lease with the Authority on identical terms and for the balance of the unexpired term of such subtenant's sublease. The Authority has agreed, in certain circumstances and with respect to certain Battery Place Subleases, to recognize a sublease with a subtenant in the event a Battery Place Sublease is terminated, provided such subtenant is not in default under its sublease.

Assuming compliance with these provisions, the Authority will be able to retain any subleases made by Tenant in the event of a Battery Place Sublease termination by the Authority.

8. *Mortgages:* Each Battery Place Sublease provides that in the event Tenant thereunder shall mortgage its interest in its Battery Place Sublease and shall have delivered notice thereof to the Authority, the Authority shall give each mortgagee a copy of any notice of default given by the Authority to such Tenant. Each mortgagee shall have the right to cure such default in the manner set forth in such Battery Place Sublease, and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by Tenant. In the event the Authority shall have terminated a Battery Place Sublease as a result of an event of default by Tenant or for any other reason, the Authority shall notify each mortgagee of such termination and, at such mortgagee's request, shall enter into a new lease with the mortgagee (or its designee or nominee) most senior in lien for the remainder of the term and upon the same terms and conditions as in such Battery Place Sublease. In such event, such mortgagee shall pay to the Authority all unpaid Rental, the Authority's expenses incurred in connection with Tenant's default and the termination of such Battery Place Sublease and shall remedy those defaults which are susceptible of being cured. In the event a mortgagee did not cure Tenant's defaults or request a new lease, the lien of such mortgagee's mortgage would be extinguished as a result of the termination of such Battery Place Sublease. See, however, "Condominium Ownership" below for a further discussion of certain limitations on such remedies applicable to condominium units.

9. *Repairs:* The Battery Place Subleases provide that each Tenant thereunder shall, at its expense, take good care of the premises (excluding the civic facilities) and all equipment and shall keep and maintain the buildings (which the Tenant was obligated to construct pursuant to the Battery Place Sublease) in good and safe order and working condition and shall make all repairs, internal and external, structural and non-structural.

10. *Compliance with Requirements:* The Battery Place Subleases provide that each Tenant thereunder shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the premises. Each Tenant shall have the right, in certain circumstances, to contest the validity of any such requirement.

11. *Capital Improvements:* Subject to the Authority's consent which is not to be unreasonably withheld and certain other conditions, the Battery Place Subleases provide that Tenant shall have the right to make capital improvements to the buildings, provided any such capital improvements, when completed, shall be of such a character as not to reduce the value of the buildings below their value immediately before construction of the capital improvement was commenced.

12. *Discharge of Liens:* The Battery Place Subleases provide that Tenant thereunder shall not create or cause to be created any lien, encumbrance or charge upon such Tenant's estate in the premises (other than permitted liens), any assets of or funds appropriated to the Authority or upon the Authority's estate in the premises. Such Tenant shall cause any such lien to be promptly discharged of record unless Tenant is contesting the lien in the manner permitted.

13. *The Authority's Right to Perform:* If an event of default shall have occurred under a Battery Place Sublease, the Authority shall have the right to perform any obligation on Tenant's behalf and any monies expended by the Authority shall be repaid by such Tenant with interest.

14. *Events of Default:* The Battery Place Subleases provide that if certain defaults shall occur, the Authority shall have the right to terminate such Battery Place Sublease. (See, however, "Condominium Ownership" below for a discussion of certain limitations on such remedy.) Defaults by a Tenant that would entitle the Authority to terminate such Battery Place Sublease include: (a) failure to make any required payment of Rental after 10 days' notice; (b) failure to perform any other provision of such Battery Place Sublease if such failure continues for a period of 30 days after notice by the Authority to such Tenant, unless such failure could not by its nature be cured within such 30 days, in which case such Tenant is required to remedy such failure with reasonable diligence; and (c) such Tenant's failure to comply with those prohibitions contained in such Battery Place Sublease on assigning, subleasing, mortgaging, pledging or otherwise encumbering such Battery Place Sublease unless such assignment, sublease, mortgage, pledge or encumbrance is voided or made to comply with Battery Place Sublease requirements within 30 days after notice by the Authority to such Tenant. As previously noted, each Battery Place Sublease grants a mortgagee certain rights intended to provide protection in the event of a default by a Tenant under a Battery Place Sublease, including a right to notice and cure and a right to enter into a new lease with the Authority directly.

15. *Civic Facilities:* The Battery Place Subleases provide that the Authority construct, at its expense, the enumerated civic facilities and (except to the extent that certain responsibilities of the Authority are taken over by New York City or appropriate utilities) maintain, repair and, in the event of a fire or other casualty or condemnation, restore such civic facilities. Commencing with the sixth Lease Year after the Lease Year in which the Initial Occupancy Date occurs and subject to the 125% limit on increases over the prior year, the Authority is reimbursed for certain operating costs related to the civic facilities by means of the Civic Facilities Payment. In the event of a fire or other casualty or condemnation, each Tenant will reimburse the Authority for such Tenant's proportionate share of the cost of restoration in excess of the insurance proceeds or condemnation award received by the Authority and any reserve funds set aside by the Authority.

16. *No Subordination:* The Authority's interest in the Battery Place Subleases shall not be subject or subordinate to any mortgage placed upon a Tenant's interest in its Battery Place Sublease or to any other lien or encumbrance affecting such Tenant's interest. See, however, "Condominium Ownership" below and "CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES - Defaults and Termination - Residential Condominium Specified Subleases" above.

17. *Diversity Program:* Tenants under the Battery Place Subleases are obligated to comply with a diversity program and affirmative fair housing marketing program.

18. *Condominium Ownership:* Each of the Battery Place Subleases contains provisions for the submission by the original Tenant thereunder of its Battery Place Sublease and leasehold estate to condominium ownership pursuant to Article 9-B of the Real Property Law of the State of New York. Each Battery Place Sublease contains specific provisions governing such a submission. All three buildings subject to Battery Place Subleases have been submitted to a condominium form

of ownership. Under such provisions, the Authority has agreed to give up its right to terminate a Battery Place Sublease submitted to condominium ownership in conformance with the provisions of such Battery Place Sublease and to look directly to the condominium unit owners for payment and performance of Tenant's obligation under such Sublease. Each such Battery Place Sublease provides for the establishment of a security fund in the amount specified therein, which fund may be applied by the Authority to the payment of unpaid Rental or portions thereof. Upon conversion to condominium ownership, the Board of Managers constitute the attorney-in-fact for all unit owners for the purpose of paying, performing and observing on Tenant's part all terms, covenants and conditions of the Battery Place Sublease. In addition, subject to certain notice procedures, the Authority may proceed directly against a unit owner and could, in certain circumstances, as a result of the Authority's legal action, become the owner of a defaulting unit owner's unit.

19. *Limitation of the Authority's Liability:* The liability of the Authority under each of the Battery Place Subleases for damages or otherwise shall be limited to the Authority's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises.

20. *Limitation of Tenant's Liability:* The liability of the Tenants under each of the Battery Place Subleases shall be limited to such Tenant's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises. Accordingly, if a Tenant shall have defaulted under its Battery Place Sublease and such default was not remedied by such Tenant or its mortgagee or if such Battery Place Sublease was terminated and a new lease was not requested by such mortgagee, the sole remedy of the Authority will be to terminate such Battery Place Sublease and repossess the demised premises. (See: "Condominium Ownership" above for a description of certain limitations on such remedy.) The Authority will be unable to recover any monetary damages from such termination.

SUBLEASES FOR SITES 12 (RIVER WATCH), 13 (SOUTH COVE PLAZA), 18A (SOLAIRE), 19A (RIVER TERRACE), 20B (BROOKDALE), 20A/C (TRIBECA PARK), 21A (TRIBECA POINT) AND 22 (TRIBECA BRIDGE TOWER)

The following is a description of the major provisions of the subleases executed by the Battery Park City Authority (the "Authority") for Site 12 ("River Watch"), Site 13 ("South Cove Plaza"), Site 18A ("Solaire"), Site 19A ("River Terrace"), Site 20B ("Brookdale"), Site 20A/C ("Tribeca Park"), Site 21A ("Tribeca Point") and Site 22 ("Tribeca Bridge Tower") (individually, a "Post-1987 Sublease" and collectively, the "Post-1987 Subleases"). A schedule of the Post-1987 Subleases is annexed hereto. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Post-1987 Subleases. The description contained herein does not purport to be complete and reference is made to the Post-1987 Subleases for full and complete statements of their provisions.

1. *Term:* The term of each of the Post-1987 Subleases commenced on the date such Post-1987 Sublease was executed and expires, unless sooner terminated, on June 17, 2069. No Post-1987 Sublease contains any right on the part of Tenant thereunder to renew or otherwise extend the term of its Post-1987 Sublease beyond June 17, 2069.

2. *Rental:* The primary components of rent under the Post-1987 Subleases are base rent, incremental rent (in the case of Tribeca Park and Tribeca Point), transaction payments (in the case of Tribeca Park and Tribeca Point), payments in lieu of real estate taxes ("PILOT"), Incremental PILOT (in the case of Brookdale), and civic facilities payments. The following is a description of each such component of rent:

(a) *Base Rent:* Each Post-1987 Sublease obligates Tenant thereunder to pay base rent ("Base Rent") on a monthly basis commencing on the date of execution of its Post-1987 Sublease (the "Commencement Date"). For the period commencing on the Commencement Date (the "First Period"), and expiring (i) for Tribeca Bridge Tower, on the 25th anniversary of the Commencement Date, (ii) for Solaire, on the 23rd anniversary of the Commencement Date, (iii) for River Watch, on the first day of the 23rd Lease Year and (iv) for all other Post-1987 Subleases (except South Cove Plaza which is described below under paragraph (b)), on the first day of the month next succeeding the 20th anniversary of the date on which a temporary certificate of occupancy is issued for any dwelling unit in the Building (in all cases, such anniversary being called the "First Appraisal Date"), the Base Rent shall be in the amount specified on Schedule 1 of each Post-1987 Sublease, except that for Tribeca Bridge Tower, Base Rent shall be reduced to the extent that actual PILOT exceeds the PILOT amount indicated in Schedule 1 for each year. Also, in the case of Solaire, a Section 421-a Differential Rent payment is made which is generally an amount equal to the difference between benefits under the 10 year and 20 year Section 421-a (defined below) abatement programs as indicated in the pro forma schedule attached to the lease, multiplied by a factor from 25% to 50%, such factor being determined based upon the average initial rent per square foot for market rate units subject to adjustment as set forth in the lease. In addition, for Solaire, Base Rent in Schedule 1 commences January 9, 2004, however, Solaire is required to make a one-time payment of \$1,032,623 on July 8, 2012 for deferred construction period rent.

(1) Base Rent escalation for Tribeca Bridge Tower and Solaire – For the first five years after the First Appraisal Date, the annual Base Rent shall increase to an amount which is the greatest of (i) 6% of the fair market value of the land, (ii) the Base Rent for the immediately preceding year, or (iii) for Solaire, \$3,731,130. The Base Rent will be increased in the 6th Lease Year and 11th Lease Year after the First Appraisal Date by the greater of 15% of the Base Rent set for the prior five Lease Years or the percentage increase, if any, of the Consumer Price Index during the 60 months of the prior five Lease Year period. Every succeeding 15 year anniversary of the First Appraisal Date, (each a “Reappraisal Date”) and for the 15-year period thereafter, annual Base Rent is readjusted to increase as indicated in the preceding two sentences except that clause (iii) above shall not apply.

(2) Base Rent escalation for all other Post-1987 Subleases (except South Cove Plaza which is described below under paragraph (b)) – For the fifteen years immediately following the First Appraisal Date, the annual Base Rent shall be the greater of 6% of the fair market value of the land or the product derived by multiplying the Base Rent payable for the Lease Year immediately before the First Appraisal Date (for the Second Period only, Base Rent includes Incremental Rent but not Incremental PILOT (both described below) for purposes of this computation) by the Applicable Percentage for such Lease Year. The Applicable Percentage starts at 103% and increases by 3 each year until the tenth year when it levels at 130% for the remainder of the Second Period. At each Reappraisal Date, and the 15 years thereafter, annual Base Rent is readjusted as indicated in the preceding two sentences except that Incremental Rent adjustments shall not apply.

(b) *Base Rent for South Cove Plaza.* For the period beginning on the Commencement Date and continuing through the date immediately preceding August 22, 2018, the Base Rent shall be in the amount specified on Schedule 1.

For purposes of this paragraph (b) “*Lease Year*” means: (i) for the period between the Commencement Date and June 16, 2015, the twelve-month period beginning on the Commencement Date and each succeeding twelve-month period thereafter; (ii) for the period between June 17, 2015 and the date immediately preceding August 22, 2016, such period; and (iii) for the period between the August 22, 2016 and December 31, 2068, the period between August 22, 2016 and December 31, 2016 and each succeeding twelve-month period thereafter through December 31, 2068; and (iv) for the period between January 1, 2069 and the date on which the lease expires, such period.

For each Lease Year commencing on August 22, 2016 and continuing for a period of thirty-eight (38) Lease Years through June 30, 2054 (the “Middle Rent Period”), the Base Rent per annum shall be equal to the greater of (A) the amount calculated by multiplying all gross income payable to the Tenant from the Premises on a cash accounting basis, including but not limited to, all residential rental income and all commercial rental income, including garage revenue and laundry revenue for the immediately preceding calendar year (as evidenced by a cash accounting basis computation as converted from the audited financial statements prepared on an accrual basis and supported by the appropriate documentation) by the percentage shown on the following chart for the period in which such Lease Year occurs:

<u>Lease Year Period</u>	<u>Percentage</u>
August 22, 2016 – December 31, 2019	12.5%
January 1, 2020 – December 31, 2030	14%
January 1, 2031 – June 30, 2054	15%

and (B) (i) \$900,000 for the Lease Year commencing on August 22, 2016 through December 31, 2016, increased by 2% for each Lease Year thereafter through December 31, 2019; (ii) \$1,100,000 for the Lease Year commencing January 1, 2020, increased by 2% for each Lease Year thereafter through December 31, 2030; (iii) \$1,500,000 for the Lease Year commencing January 1, 2031, increased by 2% for each Lease Year thereafter through December 31, 2040; and (iv) \$2,000,000 for the Lease Year commencing January 1, 2041, increased by 2% for each Lease Year thereafter through June 30, 2054.

For the Lease Year commencing July 1, 2054 and for each subsequent Lease Year until the date which the lease expires (the “Final Base Rent Period”), an amount per annum equal to the greater of (i) six percent (6%) of the fair market value of the land or (ii) the product derived by multiplying the Base Rent payable in the last Lease Year of the Middle Base Rent Period by the Applicable Percentage for such Lease Year. “*Applicable Percentage*” means: (A) with respect to the first Lease Year in the Final Base Rent Period, one hundred and three percent (103%), (B) with respect to the second Lease Year in the Final Base Rent Period, one hundred and six percent (106%), (C) with respect to the third Lease Year in the Final Base Rent Period, one hundred and nine percent (109%), (D) with respect to the fourth Lease Year in the Final Base Rent Period, one hundred and twelve percent (112%), (E) with respect to the fifth Lease Year in the Final Base Rent Period, one hundred and fifteen percent (115%), (F) with respect to the sixth Lease Year in the Final Base Rent Period, one hundred and eighteen percent (118%), (G) with respect to the seventh Lease Year in the Final Base Rent Period, one hundred and twenty-one percent (121%), (H) with respect to the eighth Lease Year in the Final Base Rent Period, one hundred and twenty-four percent (124%), (I) with respect to the ninth Lease Year in the Final Base Rent Period, one hundred and twenty-seven percent (127%) and (J) with respect to the tenth through fifteenth Lease Years in the Final Base Rent Period, one hundred and thirty percent (130%).

(c) *Incremental Rent/Incremental PILOT*: For River Terrace, Tribeca Park, Brookdale and Tribeca Point, Incremental Rent (called Incremental PILOT in the Brookdale lease) shall be paid in equal monthly installments commencing on the Commencement Date, and shall equal the amount, if any, by which the amount set forth in Schedule 2 in the Post-1987 Sublease which is applicable to a given Tax Year exceeds PILOT for such Tax Year.

(d) *Transaction Payments*: For Tribeca Park and Tribeca Point, if Tenant shall have submitted its leasehold estate to either a cooperative or condominium ownership, Tenant shall pay to the Authority, upon the transfer of each Cooperative Apartment or each

Unit, a payment in an amount equal to two percent (2%) of the Gross Sales Price of such Apartment or Unit.

(e) *PILOT*: The Authority and the Battery Park City Project Area are exempt from real estate taxes. However, each Post-1987 Sublease obligates Tenant to make payments to the Authority of PILOT, such payments to be made semi-annually in advance, or some variation thereof. PILOT will be the same amount as the real estate taxes which would have been payable except for the Authority's tax exempt status, except that for Tribeca Bridge Tower, the greater of such actual PILOT or the amount of PILOT indicated in Schedule 1 ("Minimum PILOT") shall be paid. Each Post-1987 Sublease provides that Tenant thereunder shall have the right to institute tax assessment reduction proceedings to reduce the assessed valuation of the premises covered by its Post-1987 Sublease. If such proceeding is successful, Tenant will be entitled to a credit against future PILOT. Each Post-1987 Sublease (except for River Terrace, Brookdale and Tribeca Bridge Tower, which pay full unabated PILOT) provides for an abatement of PILOT equivalent to the real estate abatement set forth in Section 421-a of the Real Property Tax Law of the State of New York as in effect on the date the related Post-1987 Sublease was executed ("Section 421-a"). The PILOT abatement on the building is (x) 100% for the period ending on the last day of the Tax Year in which all residential units have received a temporary certificate of occupancy or the last day of the Tax Year in which the third anniversary of the commencement of construction has occurred on or before the tax status date during such Tax Year, whichever is earlier, (y) 100% for the next succeeding 10 years and (z) for the 10 tax years thereafter, the abatement declines by 20% biannually. As a condition to receiving benefits equivalent to benefits available under Section 421-a, until the Release Date described in the Post-1987 Subleases each Tenant must comply with various requirements specified in Section 421-a and the regulations promulgated thereunder for buildings receiving Section 421-a benefits. A failure by Tenant to comply with those requirements will subject such Tenant to penalties and sanctions.

(f) *Civic Facilities Payments*: Each Tenant under a Post-1987 Sublease shall pay to the Authority its allocable share of the cost of operating, maintaining, repairing, restoring, replacing and upgrading certain "civic facilities" enumerated in the Post-1987 Subleases, commencing on the date (the "Initial Occupancy Date") on which a temporary certificate of occupancy was issued for any dwelling unit in the buildings constructed pursuant to such Post-1987 Sublease (the "Civic Facilities Payment"). For the remainder of the Lease Year on which the Initial Occupancy Date occurs and the next five years, the Civic Facilities Payment is a set amount per residential unit or an amount per square foot of non-residential space (not including lobbies or common areas) as stated in each Post-1987 Sublease. Thereafter, the Civic Facilities Payment is an amount equal to such Tenant's proportionate share of the Authority's budget for the civic facilities, based upon one of two formulas, one based on the pro-rata share of total residential building square footage for the neighborhood in which the building is located and the other based on the total square footage for all residential buildings in Battery Park City, as adjusted for square footage related to and payments made by pre-1988 residential leases. The choice of formula is left to the Authority in its sole discretion. The Civic Facilities Payment for any Lease Year shall not exceed 125% of the payment for the prior year.

The term "Rental" also includes any other sums which may be due and payable under the Post-1987 Subleases. For example, each Tenant is obligated to pay, subject to such Tenant's right to contest same, any imposition (including water and sewer charges) levied or assessed against the demised premises (excluding real estate taxes, which, if levied, shall be paid by the Authority). Tenant is obligated to pay Percentage Rent equal to a percentage of Gross Non-Residential Revenue for each calendar year. The Percentage Rent is 2% for River Watch, 10% for Tribeca Park, 5% for Tribeca Point and 3% for Solaire; there is no Percentage Rent for Tribeca Bridge Tower, South Cove Plaza or River Terrace. In addition, (i) Tribeca Park, for each calendar year until the First Appraisal Date, shall pay to the Authority Net Income Percentage Rent which is equal to 10% of the amount by which Net Income for such calendar year exceeds Tenant's Preferred Return and (ii) Brookdale shall pay to the Authority an amount by which 10% of Net Cash Flow exceeds the amount of Base Rent. If Tribeca Park shall submit its leasehold interest to a condominium form of ownership, then Tenant's obligations to pay Net Income Percentage Rent shall cease. If Tenant under a Post-1987 Lease shall submit its leasehold interest to a condominium form of ownership, then all of Tenant's obligations for Percentage Rent shall become the obligations of the respective non-residential unit owners from which Gross Non-Residential Revenue is earned.

Except as noted below, each Tenant's obligation to pay Rental is net to the Authority and without abatement, set-off or counterclaim. Each of the Post-1987 Subleases gives Tenant thereunder certain limited off-set rights against Rental (or certain components thereof) for payments made (and interest thereon) in the following instances:

(a) If a final determination is made in favor of a Tenant in a tax assessment reduction proceeding, succeeding PILOT payments to the Authority will be reduced to the extent necessary to offset the overpayment of PILOT.

(b) If the premises covered by a Post-1987 Sublease shall at any time become subject to real estate taxes, the Authority is responsible for the payment of same. If the Authority shall have failed to pay such real estate taxes and Tenant shall have paid same (together with any interest and penalties thereon), such Tenant may deduct such payment from the next installment of PILOT and, to the extent such payment shall exceed the next installment of PILOT, from the next installments(s) of Base Rent.

(c) If a Tenant is compelled by a governmental authority to pay any sales or compensating use taxes with respect to materials incorporated into the buildings and as to which such Tenant previously made payments in lieu of such taxes to the Authority, such Tenant may deduct such payments from subsequent installments of Base Rent and PILOT if the Authority failed to successfully contest the imposition of such tax, provided such deduction shall not exceed the amount so paid by such Tenant to the Authority.

(d) Each Post-1987 Sublease obligated the Authority to construct certain civic facilities, and thereafter, requires the Authority to maintain such civic facilities. If the Authority fails to maintain such civic facilities, each Tenant shall have the right, after notice to the Authority and the expiration of a cure period, to perform such maintenance and to offset such cost against subsequent installments of Base Rent and Civic Facilities Payments.

3. *Taxes:* As previously noted, if real estate taxes shall be levied and assessed against the premises covered by a Post-1987 Sublease, the Authority shall be obligated to pay same. The Authority has the right, however, to contest the imposition of taxes, and, in certain circumstances, may defer payment during the pendency of such tax contest.

4. *Insurance:* Each Tenant under a Post-1987 Sublease is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to at least one year's current Base Rent, PILOT, Percentage Rent and Civic Facilities Payment. The types of insurance and limits of coverage are specified in the Post-1987 Subleases. In addition, the Authority may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. Each Post-1987 Sublease provides that, in the event of casualty, the insurance proceeds shall be paid to Tenant, in trust, if less than \$1,000,000 (subject to adjustment in the manner therein provided based on the consumer price index) (for Tribeca Park, \$250,000) or, if in excess of \$1,000,000 (subject to adjustment) (for Tribeca Park, \$250,000), to a depository designated by such Tenant with the Authority's approval, such depository to be an institutional lender (as defined in each Post-1987 Sublease).

5. *Restoration:* Each Tenant is obligated to restore the buildings if damaged or destroyed due to fire or other casualty, whether insured or uninsured and whether or not the cost of restoration exceeds the insurance proceeds. Each Tenant is obligated for the payment of Rental during the period of a casualty without reduction or abatement. If a Tenant fails to restore the buildings as provided in its Post-1987 Sublease, the Authority shall have the right to do so and may apply the insurance proceeds for such purposes. To the extent the cost of restoration exceeds \$1,000,000 (as adjusted) (\$250,000 for Tribeca Park), such Tenant shall provide the Authority with complete plans and specifications for such restoration, a construction contract and payment and performance bonds or other security reasonably satisfactory to the Authority for approval by the Authority. In addition, if such restoration involves work to the exterior of any buildings or a change in the height, bulk or setback of such buildings, such Tenant shall deliver complete plans and specifications for such work prior to the commencement of the restoration for approval by the Authority. No Post-1987 Sublease grants Tenant thereunder the right to terminate its Post-1987 Sublease in the event of a casualty. In the case of Tribeca Bridge Tower, if all or any part of the School Building shall be destroyed or damaged in whole or in part due to fire or other casualty, and in such event, if School Tenant has exercised its right to terminate the School Lease, the Authority and the Tribeca Bridge Tower Tenant have agreed that Tenant shall perform any Structural Restoration and all proceeds received from insurance coverage provided by School Tenant shall be applied for purposes of performing such Structural Restoration. If Tenant's leasehold interest in the Premises is submitted to the condominium form of ownership, all of Tenant's obligations under this section shall be the obligation of the Condominium Board.

6. *Condemnation:* If all or substantially all of the premises demised under a Post-1987 Sublease is taken in a condemnation, such Post-1987 Sublease shall terminate. In such event, there shall first be paid (i) to the Authority the portion of the award attributable to the value of the land (considered as unencumbered and unimproved except for civic facilities provided by the Authority); (ii) to certain mortgagees the amount of unpaid principal indebtedness; (iii) to the Authority its amount of reversionary interest in Buildings taken; and (iv) subject to the rights of certain mortgagees, to the Tenant any remaining amount. If less than all or substantially all of the premises under a Post-1987 Sublease shall be taken, such Post-1987 Sublease shall continue in

full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and civic facilities, if any, so taken and such Tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, such Tenant shall be obligated for the payment of Base Rent, without abatement or reduction. The obligations of each Tenant to restore the buildings in the case of a partial taking are similar to such Tenant's obligations in the case of a casualty. Except with respect to a taking of all or substantially all of the demised premises, no Post-1987 Sublease grants the Tenant thereunder the right to terminate its Post-1987 Sublease. In each Post 1987 Sublease, the Authority represents that under current law it has no power to condemn all or any part of the Premises.

7. *Assignment, Subletting:* After substantial completion of the buildings, Tenant may fully assign, sublet or transfer the Post-1987 Subleases provided the assignee, sublessee or transferee is not a prohibited person (as defined in the Post-1987 Subleases) and the Tenant is not in default. If an event of default by a Tenant under a Post-1987 Sublease shall have occurred, the Authority may, subject to the rights of any mortgagee, under certain circumstances, collect from subtenants under such subleases. If the Authority shall terminate a Post-1987 Sublease, at the Authority's option and except as described below, each subtenant under a sublease shall attorn to or enter into a direct lease with the Authority on identical terms and for the balance of the unexpired term of such subtenant's sublease. The Authority has agreed, in certain circumstances and with respect to the Post-1987 Subleases, to recognize a sublease with a subtenant if a Post-1987 Sublease is terminated, provided such subtenant is not in default under its sublease.

8. *Mortgages:* Each Post-1987 Sublease provides that if Tenant thereunder shall mortgage its interest in its Post-1987 Sublease to an institutional mortgagee and shall have delivered notice thereof to the Authority, the Authority shall give each mortgagee a copy of any notice of default given by the Authority to such Tenant. Each mortgagee shall have the right to cure such default in the manner set forth in such Post-1987 Sublease, and the Authority shall accept performance by a mortgagee with the same force and effect as though performed by Tenant. If the Authority shall have terminated a Post-1987 Sublease as a result of an event of default by Tenant or for any other reason, the Authority shall notify each mortgagee of such termination and, at such mortgagee's request, shall enter into a new lease with the mortgagee (or its designee or nominee) most senior in lien for the remainder of the term and upon the same terms and conditions as in such Post-1987 Sublease. In such event, such mortgagee shall pay to the Authority all unpaid Rental, the Authority's expenses incurred in connection with Tenant's default and the termination of such Post-1987 Sublease and shall remedy those defaults which are susceptible of being cured.

9. *Repairs:* The Post-1987 Subleases provide that each Tenant, or if Tenant's leasehold estate in the Premises is submitted to the condominium form of ownership, the Board of Managers thereunder, shall, at its expense, take good care of the premises (excluding the Authority's Civic Facilities) and all equipment and shall keep and maintain the buildings (which the Tenant or Board of Managers was obligated to construct pursuant to the Post-1987 Sublease) in good and safe order and working condition and shall make all repairs, internal and external, structural and nonstructural.

10. *Compliance with Requirements:* The Post-1987 Subleases provide that each Tenant thereunder shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the

premises. Each Tenant shall have the right, in certain circumstances, to contest the validity of any such requirement.

11. *Capital Improvements:* Subject to certain conditions, the Post-1987 Subleases provide that Tenant shall have the right to make capital improvements to the buildings, provided any such capital improvements, when completed, shall be of such a character as not to reduce the value of the buildings below their value immediately before construction of the capital improvement was commenced. In addition, capital improvements of a structural nature require the submission of plans and specifications to the landlord for approval. Capital improvements in excess of (i) \$500,000 (as adjusted) for all Post-1987 Subleases except South Cove Plaza and (ii) \$1,000,000 (as adjusted) for South Cove Plaza also require the submission to the Authority of the construction contract, bonds or a letter of credit or other security reasonably satisfactory to the landlord for approval by the Authority. Title to all additions, alterations, improvements and replacements made to the Premises, including, without limitation, capital improvements, shall vest in the Authority without need to compensate Tenant.

With respect to South Cove Plaza, Tenant shall budget a minimum of \$500 per unit per annum, as increased by 2% each Lease Year (as defined above in Section 2(b)), for capital improvements and non-capital improvements, including upgrades or renovations to residential units, and shall expend at least \$500 per unit per annum on an aggregate, building-wide basis, as measured during any running five-year period on such capital improvements and non-capital improvements.

12. *Discharge of Liens:* The Post-1987 Subleases provide that Tenant thereunder shall not create or cause to be created any lien, encumbrance or charge upon such Tenant's estate in the premises (other than liens expressly permitted in such Sublease), any assets of or funds appropriated to the Authority or upon the Authority's estate in the premises. Such Tenant shall cause any such lien to be promptly discharged of record unless Tenant is contesting the lien in the manner permitted.

13. *The Authority's Right to Perform:* If an event of default shall have occurred under a Post-1987 Sublease, the Authority shall have the right to perform any obligation on Tenant's behalf and any monies expended by the Authority shall be repaid by such Tenant with interest.

14. *Events of Default:* The Post-1987 Subleases provide that if certain defaults shall occur, the Authority shall have the right to terminate such Post-1987 Sublease. See, however, "Condominium Ownership" below for as discussion of certain limitations on such remedy. Defaults by a Tenant that would entitle the Authority to terminate such Post-1987 Sublease include: (a) failure to make any required payment of Rental after 10 days' notice; (b) failure to perform any other provision of such Post-1987 Sublease if such failure continues for a period of 30 days after notice by the Authority to such Tenant, unless such failure could not by its nature be cured within such 30 days, in which case such Tenant is required to remedy such failure with reasonable diligence; (c) such Tenant's failure to comply with those prohibitions contained in such Post-1987 Sublease on assigning, subleasing, mortgaging, pledging or otherwise encumbering such Post-1987 Sublease unless such assignment, sublease, mortgage, pledge or encumbrance is voided or made to comply with Post-1987 Sublease requirements within 30 days after notice by the Authority to such Tenant; and (d) events of bankruptcy concerning such Tenant. As previously

noted, each Post-1987 Sublease grants a mortgagee certain rights intended to provide protection in the event of a default by a Tenant under a Post-1987 Sublease, including a right to notice and cure and a right to enter into a new lease with the Authority directly.

15. *Civic Facilities:* The Post-1987 Subleases provide that the Authority construct, at its expense, enumerated civic facilities and (except to the extent that certain responsibilities of the Authority are taken over by New York City or appropriate utilities) maintain, repair and, in the event of a fire or other casualty or condemnation, restore such civic facilities. If a fire or other casualty or condemnation occurs, each Tenant will reimburse the Authority for such Tenant's proportionate share of the cost of restoration in excess of the insurance proceeds or condemnation award received by the Authority and any reserve funds set aside by the Authority.

16. *No Subordination:* The Authority's interest in the Post-1987 Subleases shall not be subject or subordinate to any mortgage placed upon a Tenant's interest in its Post-1987 Sublease or to any other lien or encumbrance affecting such Tenant's interest. If the Master Lease should terminate, each Post-1987 Sublease will continue and will not be affected by any proceeding to terminate the Master Lease. Each Sublease is expressly subordinate to the Master Lease.

17. *Diversity Program:* Under each Post-1987 Sublease, Tenant is obligated to comply with a diversity program and affirmative fair housing marketing program, which program is annexed to each Post-1987 Sublease.

18. *Condominium Ownership:* Except for Brookdale, each of the Post-1987 Subleases provides, under certain circumstances, for the submission by the original Tenant thereunder of its Post-1987 Sublease and leasehold estate to condominium ownership pursuant to Article 9-B of the Real Property Law of the State of New York. The Post-1987 Subleases either provide attached specific terms regarding the conversion of such subleases to a condominium regime or a right to conversion on similar terms accepted by the Authority subsequent to the date of each Post-1987 Sublease. No Post-1987 Sublease has been converted to condominium ownership. However, a hotel/residential lease executed in 2000 for Site 1 (not included in the definition of "Post-1987 Sublease") has been so converted and similar terms applicable to that sublease have been included in certain Post-1987 Subleases. Under such provisions, in the event of a conversion, the Authority has agreed to give up its right to terminate such Post-1987 Sublease and to look directly to the condominium unit owners for payment and performance of Tenant's obligation under such sublease. The condominium provisions included or which would be included in each Post-1987 Sublease would provide for the establishment of a security fund in the amount specified therein, which fund may be applied by the Authority to the payment of unpaid Rental or portions thereof. Upon conversion to condominium ownership, the Board of Managers constitute the attorney-in-fact for all unit owners for the purpose of paying, performing and observing on Tenant's part all terms, covenants and conditions of the Post-1987 Sublease. In addition, subject to certain notice procedures, the Authority may proceed directly against a unit owner and could, in certain circumstances, as a result of the Authority's legal action, become the owner of a defaulting unit owner's unit.

19. *Limitation of the Authority's Liability:* The liability of the Authority under each of the Post-1987 Subleases for damages or otherwise shall be limited to the Authority's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds

of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises.

20. *Limitation of Tenant's Liability:* The liability of Tenant (except for River Watch, a special purpose entity which provided certain personal guarantees of completion) under each of the Post-1987 Subleases shall be limited to such Tenant's interest in the demised premises, including, without limitation, the rents and profits therefrom, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to such premises.

21. *Special Provisions:* Brookdale shall be operated as a senior housing facility and for no other use or purpose. Tribeca Bridge Tower is subject to a moderate income housing program for 30 identified units in the premises, such program continuing for the term and under the conditions set forth in the Tribeca Bridge Tower lease.

BATTERY PARK CITY SITE 25 LEASE

Site 25 has been developed under: (1) a Ground Lease between Battery Park City Authority, as landlord (the "Authority"), and BPC Site 25 Associates, LLC, as tenant (the "Ground Lease"); (2) a Hotel Sublease between BPC Site 25 Associates, LLC, as sublandlord, and BPC Hotel, LLC, as subtenant ("Hotel Subtenant"); and (3) a Retail Sublease between BPC Site 25 Associates, LLC, as sublandlord, and FC Battery Park Associates, LLC, as subtenant ("Retail Subtenant") (Hotel Subtenant or Retail Subtenant, a "Tenant" and collectively, "Tenants", and Hotel Sublease or Retail Sublease, a "Sublease" and collectively, the "Site 25 Subleases"). The Site 25 project has been converted to a condominium regime. Further, BPC Site 25 Associates, LLC's interest under the Ground Lease was assigned to the Authority in October 2000. Since the assignment, the Authority has collected rental payments as successor in interest to the sublandlords under the Site 25 Subleases. The following is a description of the major provisions of the Site 25 Subleases. Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Site 25 Subleases. The description contained herein does not purport to be complete and reference is made to the Site 25 Subleases for full and complete statements of their provisions.

1. *Term:* The term of each of the Site 25 Subleases commenced on the date such Site 25 Sublease was executed. The Site 25 Subleases expire, unless sooner terminated, on June 16, 2069. The Ground Lease expires, unless sooner terminated, on June 17, 2069. No Site 25 Sublease contains any right on the part of tenant thereunder to renew or otherwise extend the term beyond June 17, 2069.

2. *Rental:* The primary components of rent under the Site 25 Subleases are base rent, payments in lieu of real estate taxes ("PILOT"), Civic Facilities Payment, Percentage Rent and Hotel Participation Rent. The following is a description of each such component of rent:

Base Rent. Each Site 25 Sublease obligates tenant thereunder to pay, on a monthly basis, base rent ("Base Rent") in the following amounts:

Hotel Sublease: Base Rent for the current year (ending November 17, 2003) on the Hotel Sublease is \$344,500. Commencing November 18, 2003, Base Rent on the Hotel Sublease shall be \$355,000 per year. For the period commencing on the Commencement Date (the "First Period"), and expiring on the day before the first day of the twenty-third Lease Year (such anniversary being called the "First Appraisal Date"), Base Rent increases based on Schedule 1 of the Hotel Sublease. For the fifteen years immediately following the First Appraisal Date (the "Second Period"), the annual Base Rent shall be the greater of 6% of the fair market value of the land or \$860,500. At each succeeding 15 year anniversary of the First Appraisal Date, each a "Reappraisal Date", and the 15 years thereafter, annual Base Rent shall be the greater of 6% of the fair market value of the land or 125% of the Base Rent payable for the Lease Year immediately before the Reappraisal Date.

Retail Sublease: Base Rent for the current year (ending November 17, 2003) on the Retail Sublease is \$79,500. Commencing November 18, 2003, Base Rent on the Retail Sublease shall be \$82,000 per year. For the First Period (as defined above), and expiring on the First Appraisal Date (as defined above), Base Rent increases based on Schedule 1 of the Retail Sublease. For the Second Period (as defined above), the annual Base Rent shall be the greater of

6% of the fair market value of the land or \$312,500. At each Reappraisal Date (as defined above), and the 15 years thereafter, annual Base Rent shall be the greater of 6% of the fair market value of the land or 125% of the Base Rent payable for the Lease Year immediately before the Reappraisal Date.

PILOT: The Authority and the Project Area are exempt from real estate taxes. Each Site 25 Sublease obligates the tenant thereunder to make payments to the landlord thereunder of PILOT in semiannual equal installments. Each Site 25 Sublease provides that tenant thereunder shall have the right to institute tax assessment reduction proceedings to reduce the assessed valuation of the premises covered by its Site 25 Sublease. If such proceeding is successful, PILOT will be reduced.

Hotel Sublease: PILOT for the first 10 years of the lease is as indicated in Schedule 1 of the Hotel Sublease. Schedule 1 also contains a full unabated tax schedule and a “Deferral” PILOT schedule based on a declining abatement for both the Hotel Sublease and the Retail Sublease premises for that period. The aggregate difference between the schedule of full unabated PILOT for the Hotel Sublease and the Retail Sublease premises and the Deferral PILOT for the Hotel Sublease and Retail Sublease premises for the first 10 years divided by 10 is the Recapture Amount which is to be made in years 11-20. For years 11-20, PILOT is equal to the Taxes owed on the Hotel Sublease and the Retail Sublease premises plus the Recapture Amount minus the amount of PILOT paid by the Retail Subtenant. From Year 21 until the end of the Term, PILOT equals the Taxes on the Hotel only.

Retail Sublease: PILOT for the first 20 years of the Retail Sublease is as indicated in Schedule 1 of the Retail Sublease. From Year 21 until the end of the Term, PILOT equals the Taxes on the Retail Complex only.

Civic Facility Payments: Commence in the third year of the lease and is due in monthly installments commencing at an annual rate of \$96,000 for the Hotel Sublease and \$75,000 for the Retail Sublease. The Civic Facility Payment increases at 3% per year for the term of each Site 25 Sublease.

Percentage Rent: Commencing on the 22nd anniversary of the Construction Commencement Date through the end of the Term, each tenant under a Site 25 SubLease shall pay percentage rent (“Percentage Rent”) in an amount equal to 0.5% of the Gross Revenue during each such Lease Year. Percentage Rent is paid quarterly.

Hotel Participation Rent: Under the Hotel Sublease, for the period commencing on the fifteenth day following the first full fiscal quarter following the Hotel Opening Date (the “Hotel Participation Rent Commencement Date”) and for each Lease Year thereafter during the Term, Tenant shall pay a portion of the Adjusted Hotel Gross Revenues derived from the Hotel, determined in accordance with the following formula (any such payments, “Hotel Participation Rent”): fifteen percent (15%) of the amount, if any, by which Adjusted Hotel Gross Revenues for such Lease Year exceeds the product of (x) thirteen percent (13%) and (y) Total Project Cost. In no event shall Hotel Participation Rent exceed a maximum amount of \$175,000 in the first full Lease Year following the Hotel Participation Rent Commencement Date, such maximum amount increasing for each year thereafter at a rate of three percent (3%) per annum throughout the Term.

Except as hereinafter set forth, each tenant's obligation to pay Rental is net to the Authority and without abatement, set-off or counterclaim. Each of the Site 25 Subleases gives tenant thereunder certain limited offset rights against Rental in the following instances:

If a final determination in favor of a tenant in a tax assessment reduction proceeding, succeeding PILOT payments to the landlord will be reduced to the extent necessary to offset the overpayment of PILOT;

If and to the extent Percentage Rent was overpaid by a tenant;

If there shall be a judgment beyond appeal awarding a tenant a sum for expenses for rightfully undertaking to perform the landlord's obligations with respect to the Civic Facilities; or

If and to the extent Hotel Participation Rent was overpaid by a tenant.

3. *Taxes:* As previously stated, in the event real estate taxes shall be levied and assessed against the premises covered by a Site 25 Sublease, the Authority shall be obligated to pay same. The Authority has the right, however, to contest the imposition of taxes, and, in certain circumstances, may defer payment during the pendency of such tax contest.

4. *Insurance:* Each tenant under a Site 25 Sublease is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to one year's current Base Rent, PILOT, and Civic Facilities Payments in accordance with the terms provided in each Site 25 Sublease. The types of insurance and limits of coverage are specified in each Site 25 Sublease. In addition, the landlord may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. Each Site 25 Sublease provides that, in the event of a casualty, the insurance proceeds shall be paid to tenant, in trust, for the sole purpose of paying the cost of restoration if less than \$350,000 (the amount as of the execution of the Site 25 Subleases, which amount is subject to adjustment every fifth year thereafter based on the consumer price index) or, if in excess of \$350,000 (as adjusted), to a depository designated by such tenant, such depository to be an institutional lender (as defined in each Site 25 Sublease).

5. *Restoration:* Each tenant is obligated to restore the buildings in the event of damage or destruction due to fire or other casualty, whether insured or uninsured, whether or not the cost of restoration exceeds the insurance proceeds and whether or not the mortgagee shall permit such insurance proceeds to be used for restoration. Each tenant shall be obligated for the payment of Rental during the period of a casualty without reduction or abatement. If a tenant fails to restore the buildings as provided in its Site 25 Sublease, the landlord shall have the right to do so at tenant's expense and may apply the insurance proceeds for such purposes. To the extent the cost of restoration equals or exceeds \$350,000 such tenant shall provide the landlord with plans and specifications for such restoration, a construction contract and payment and performance bonds or other security reasonably satisfactory to the landlord. In addition, if such restoration involves work to the exterior of any buildings or a change in the height, bulk or setback of such buildings, such tenant shall deliver plans and specifications for such work before commencing the restoration. No Site 25 Sublease grants tenant thereunder the right to terminate its Site 25 Sublease in the event of a casualty except if there is damage or destruction to all or substantially all of the Premises during

the last 5 years of the Term. Subject to the previous sentence, a tenant under a Site 25 Sublease shall continue to pay Rental without abatement, suspension, diminution or reduction of any kind as though the Premises had not been damaged or destroyed. The foregoing is an “express agreement to the contrary” as provided in Section 227 of the Real Property Law of the State of New York.

6. *Condemnation:* If all or substantially all of the premises demised under a Site 25 Sublease are taken in a condemnation, such Site 25 Sublease shall be terminated. In such event, there shall first be paid to the landlord the entire award for that part of the land and the Landlord’s Civic Facilities, if any, taken. The balance of the award shall be paid to such tenant, subject to the rights of any mortgagees. If less than all or substantially all of the premises shall be taken, such Site 25 Sublease shall continue in full force and effect with respect to the portion of the premises not so taken, the Authority shall receive that portion of the award attributable to the land and Landlord’s Civic Facilities, if any, so taken and such tenant shall restore the buildings, whether or not the balance of the award is sufficient for such purpose. In the event of a partial taking, such tenant shall be obligated for the payment of Rental, without abatement or reduction. The obligations of each tenant to restore the buildings in the case of a partial taking are similar to such tenant’s obligations in the case of a casualty. No Site 25 Sublease grants tenant thereunder the right to terminate its Site 25 Sublease except for a taking of all or substantially all of the premises covered by a Site 25 Sublease.

7. *Assignment, Subletting:* Tenant thereunder has the right to assign its Site 25 Sublease, sublet all or substantially all of the premises demised thereunder or effect certain transfers of interests in such tenant with the landlord’s approval. Transfers to affiliated or related entities may be effected without landlord approval. Each Site 25 Sublease permits tenant thereunder at any time to enter into subleases of portions of the premises for actual occupancy without the landlord’s approval. Tenant may collaterally assign its interest in a Site 25 Sublease to one or more mortgagees without the consent of landlord and may subject its leasehold interest to one or more mortgages. If an event of default by a tenant under a Site 25 Sublease shall have occurred, the landlord may, under certain circumstances, collect rent from subtenants under such subleases. If the landlord shall terminate a Site 25 Sublease, at the landlord’s option and except as hereinafter provided, each subtenant under a sublease shall attorn to or enter into a direct lease with the landlord on identical terms and for the balance of the unexpired term of such subtenant’s sublease. The landlord has agreed, in certain circumstances, to recognize a sublease with a subtenant which is not an affiliate of tenant if a Site 25 Sublease is terminated, provided, among other things, such subtenant is not in default under its sublease. Assuming compliance with these provisions, the landlord will be able to retain any subleases made by tenant if the landlord terminates a Site 25 Sublease.

8. *Mortgages:* Each Site 25 Sublease provides that if tenant thereunder shall mortgage its interest in its Site 25 Sublease and shall have delivered notice thereof to the landlord, the landlord shall give each mortgagee a copy of any notice of default given by the landlord to such tenant. Each mortgagee shall have the right to cure such default in the manner set forth in such Site 25 Sublease and the landlord shall accept performance by a mortgagee with the same force and effect as though performed by tenant. If the landlord shall have terminated a Site 25 Sublease as a result of an event of default by tenant or for any other reason, the landlord shall notify each mortgagee of such termination and, at such mortgagee’s request, shall enter into a new lease with

the mortgagee (or its designee or nominee) most junior in lien (unless a mortgagee senior in lien has such right) for the remainder of the term and upon the same terms and conditions as in such Site 25 Sublease. In such event, such mortgagee shall pay to the landlord all unpaid Rental and the landlord's expenses incurred in connection with tenant's default and the termination of such Site 25 Sublease and shall remedy those defaults which are susceptible of being cured. The rights of mortgagees have also been given to certain pledgees of direct or indirect interests in the Site 25 Sublease tenants and collateral assignees of mortgages.

9. *Repairs:* The Site 25 Subleases provide that each tenant thereunder shall, at its expense, take good care of the premises and all equipment and shall keep and maintain the building in good and safe order and working condition and shall make all repairs, internal and external, structural and nonstructural.

10. *Compliance with Requirements:* The Site 25 Subleases provide that each tenant thereunder shall, at its expense, comply with all laws, rules, ordinances, etc. applicable to the premises. Each tenant shall have the right, in certain circumstances, to contest the validity of any such requirement.

11. *Capital Improvements:* The Site 25 Subleases provide that tenant shall have the right to make capital improvements to the buildings, provided any such capital improvement, when completed, shall be of such a character as not to reduce the value of the buildings below their value immediately before construction of the capital improvement was commenced. In addition, capital improvements of a structural nature require the submission to the landlord of plans and specifications. Capital improvements in excess of \$500,000 (as adjusted) also require the submission to the landlord of the construction contract, bonds or a letter of credit or other security reasonably satisfactory to the landlord. Title to all additions, alterations, improvements and replacements made to the Premises, including, without limitation, capital improvements, shall vest in the landlord without need to compensate the tenant.

12. *Discharge of liens:* The Site 25 Subleases provide that tenant thereunder shall not create or cause to be created any lien, encumbrance or charge upon such tenant's estate in the premises (except a permitted mortgage, sublease, assignment of lease or additional easements), any assets of or funds appropriated to the landlord or upon the landlord's estate in the premises. Such tenant shall cause any such lien to be promptly discharged of record.

13. *The Authority's Right to Perform:* If an event of default shall have occurred under a Site 25 Sublease, the landlord shall have the right to perform any obligation on tenant's behalf and any monies expended by the landlord shall be repaid by such tenant with interest.

14. *Events of Default:* The Site 25 Subleases provide that if certain defaults shall occur the landlord shall have the right to terminate such Site 25 Sublease. Defaults by a tenant that would entitle the landlord to terminate such Site 25 Sublease include: (a) failure to make any required payment of Rental after 10 days' notice, (b) failure to perform any other provision of such Site 25 Sublease if such failure continues for a period of 30 days after notice by the landlord to such tenant, unless such failure could not by its nature be cured within such 30 days, in which case such tenant is required to remedy such failure with reasonable diligence, (c) such tenant's failure to comply with those prohibitions contained in such Site 25 Sublease on assigning, subleasing,

mortgaging, pledging or otherwise encumbering such Site 25 Sublease unless such assignment, sublease, mortgage, pledge or encumbrance is fully discharged within 30 days after notice by the landlord to such tenant, and (d) events of bankruptcy concerning such tenant. In the event of a default by such tenant and the failure of such tenant or such tenant's mortgagee to timely exercise its cure rights, the landlord will have the right to terminate such Site 25 Sublease. As previously stated, each Site 25 Sublease grants a mortgagee certain rights intended to provide protection in the event of a default by a tenant under a Site 25 Sublease, including a right to notice and cure and a right to enter into a new lease with the landlord directly. Such rights have also been given to certain pledgees of direct or indirect interests in the Site 25 Sublease tenants and collateral assignees of mortgages.

15. *Civic Facilities:* Each of the Site 25 Subleases provides that the landlord shall construct, at its expense, certain enumerated civic facilities and insure, maintain, repair and, in the event of a fire or other casualty or condemnation, restore such civic facilities.

16. *No Subordination:* The Authority's interest in the Site 25 Subleases shall not be subject or subordinate to any mortgage placed upon a tenant's interest in its Site 25 Sublease or to any other lien or encumbrance affecting such tenant's interest in its Site 25 Sublease. If the Ground Lease should terminate, each Sublease will continue and will not be affected by any proceeding to terminate the Ground Lease. Each Site 25 Sublease is expressly subordinate to the Ground Lease and the Master Lease.

17. *Limitation of the Authority's Liability:* The liability of the landlord under each of the Site 25 Subleases for damages or otherwise shall be limited to the landlord's interest in the demised premises and the Site 25 Subleases, including, without limitation, the rents, issues and profits thereof, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to the premises.

18. *Limitation of Tenant's Liability:* The liability of a tenant under its Site 25 Sublease shall be limited to such tenant's interest in the demised premises and its Site 25 Sublease, including, without limitation, the rents, issues and profits thereof, the proceeds of any insurance policies, any awards payable in connection with any condemnation and any other rights, privileges, licenses, franchises, claims, causes of action or other interests, sums or receivables appurtenant to the premises.

GROUND LEASE FOR SITE 1 (MILLENNIUM HOTEL AND CONDOMINIUMS)

The following is a description of the major provisions of the Ground Lease, or the Lease, between Battery Park City Authority ("Authority"), as landlord, and Millenium BPC Development LLC, as tenant ("Tenant"), made as of the 1st day of January, 2000, for Site 1 (Millennium Hotel and Condominiums). Capitalized terms used herein and not defined herein have the meanings ascribed to them in the Lease. The description contained herein does not purport to be complete and reference is made to the Lease for full and complete statements of their provisions.

1. *Term:* The term of the Lease commenced on the date of the Lease, or the Commencement Date, and expires, unless sooner terminated, on June 17, 2069. The Lease does not contains any right on the part of Tenant to renew or otherwise extend the term.

2. *Rental:* The primary components of rent under the Lease are Base Rent, payments in lieu of real estate taxes (“PILOT”), Civic Facilities Payments, Hotel Percentage Rent, a Transaction Payment and Supplemental Hotel Base Rent. The following is a description of each such component of rent:

(i) *Base Rent:* The Lease obligates Tenant to pay, upon the Commencement Date and continuing thereafter throughout the term, to the Authority, without notice or demand, the annual sums referred to below:

Hotel Portion: With respect to the portion of the building used or designated for use by the Hotel, or the Hotel Portion: (1) for each lease year (or portion thereof) commencing on the Commencement Date, \$494,744, up to but not including the first day of the month next succeeding the 22nd anniversary of the Commencement Date; (2) thereafter and for 15 years, the greater of (x) 6% of the fair market value of the land allocable to the Hotel Portion, determined as provided in the Lease, considered as unencumbered by the Lease and as unimproved except for the Authority’s civic facilities and other improvements made by the Authority or (y) \$618,430; (3) thereafter and for 15 years and for any such subsequent 15-year term until expiration, the greater of (x) 6% of the fair market value of such land as above or (y) 125% of the rent payable in the last year of such preceding period.

Residential Portion: With respect to the portion of the building exclusively used for residential purposes, or the Residential Portion: (1) for each lease year (or portion thereof) commencing on the Commencement Date \$458,906 up to but not including as of the first day of the month next succeeding the 22nd anniversary of the Commencement Date; (2) thereafter and for 15 years, the greater of (x) 6% of the fair market value of the land allocable to the Residential Portion, or (y) \$573,633; (3) thereafter and for 15 years and for any such subsequent 15-year term until expiration, the greater of (x) 6% of the fair market value of such land as above or (y) 125% of the rent payable in the last year of such preceding period.

The Base Rent shall be payable in equal monthly installments in advance commencing on the Commencement Date and on the first day of each month thereafter during the Term. To calculate the base rent, 54.7696% of the land shall be deemed to be allocable to the Hotel Portion, and 45.2304% to the Residential Portion.

(ii) *PILOT:* For each tax year, Tenant shall pay to the Authority, without notice or demand, on or before the last date real property taxes are payable, an annual sum, with respect to the land and building, equal to real property taxes for such tax year. Except that the Hotel Portion PILOT payments shall be reduced by any Hotel PILOT Credit given as provided in the Lease for the period from the Commencement Date through the first June 30th to occur after the 10th anniversary of the Commencement Date.

(iii) Tenant must pay the full amount of PILOT, notwithstanding that Tenant may have instituted tax assessment or other actions or proceedings to reduce the assessed

valuation of the premises. Tenant shall be entitled to an adjustment or a credit against future PILOT to the extent of any tax reduction, provided, however, that Tenant shall not be entitled to any refund of any such excess from the Authority, unless the Authority shall receive any such refund.

(iv) *Civic Facilities Payment*: As its allocable share of the cost of operating and maintaining civic facilities, Tenant shall pay to the Authority for:

Hotel Portion: (1) \$106,847, for the 3rd lease year; and (2) for each lease year thereafter, the prior lease year payment increased by the greater of (a) 3% or (b) the Consumer Price Index.

Residential Portion: (1) for the 3rd and 4th lease years, the product of multiplying the number of residential apartment units by \$280; (2) for each of the next 3 lease years, the product of multiplying the number of residential apartment units by \$330; (3) thereafter, the Civic Facilities Payment is an amount equal to Tenant's proportionate share of the Authority's budget for the civic facilities, based upon one of two formulas, one based on the Residential Portion pro-rata share of total residential building square footage for the neighborhood in which the building is located and the other based on the total square footage for all residential buildings in Battery Park City, as adjusted for square footage related to and payments made by pre-1988 residential leases. The choice of formula is left to the Authority in its sole discretion. Notwithstanding the foregoing, Tenant's civic facilities payment shall not be greater than 125% of such payment for the prior year and Tenant shall have the right to offset the amount of any excess paid.

(v) *Hotel Percentage Rent*: Tenant shall pay to the Authority Hotel Percentage Rent with respect to the Hotel Portion: for the period commencing on the date Tenant shall first receive any Hotel Gross Revenue and ending on the last day of the lease year, and for each year thereafter, the lesser of (i) \$542,512 and (ii) 3% of the amount by which Hotel Gross Revenue during each such lease year, exceeds the Hotel Base Rent, payable on a quarterly basis. Furthermore, Tenant shall deliver to the Authority the Annual Percentage Statement and pay to the Authority any deficiency or offset the amount of any excess, without interest, against subsequent payments of Hotel Percentage Rent.

(vi) *Transaction Payment*: In lieu of individual payments to be made to the Authority by Tenant in connection with the sale or occupancy of each Residential unit throughout the Term, Tenant paid to the Authority a single transaction payment in the amount of \$2,000,000 on the Commencement Date.

(vii) *Supplemental Hotel Base Rent*: Prior to execution of the Lease certain components of Rental were established which assumed a tax deferral program which established a fixed PILOT schedule for the Hotel Portion and recapture payments for deferred PILOT payments as set forth in Schedule 1 to the Lease. A real property tax deferral program was not implemented and the lease provides that PILOT for the Hotel Portion shall equal real property taxes allocable to the Hotel Portion. However, in view of such previously established Rental amounts, the Authority and Tenant agreed to the following method of applying Base Rent and other non-PILOT payments to Hotel PILOT and recapturing such credits against Hotel PILOT in Lease Years 11-20: a

Hotel PILOT Record is established and the non-PILOT payments shall be used to offset amounts due from Tenant for PILOT allocable to the Hotel Portion, in excess of the Hotel Baseline Amounts set forth in Schedule 1 of the Lease and such record shall terminate on the earlier of (x) the first July 1 after the 10th anniversary of the Commencement Date or (y) the termination of the Lease. To the extent that the balance in the Hotel PILOT Record is insufficient to cover Hotel PILOT due, Tenant shall make any additional payments required to cover PILOT payments with respect to the Hotel Portion and as a result thereof shall be entitled to receive a credit, plus interest thereon at an annual rate of 7%, against certain future Hotel Base Rent and Hotel Percentage Rent payments due. Tenant shall make payments of Supplemental Hotel Base Rent equal to the Recapture Amount as described in Schedule 1 to the Lease for a 10-year period commencing with the first July 1 to occur after the 10th anniversary of the Commencement Date. An assessment reduction in Tenant's favor for any tax year through to the end of the 10th full tax year shall be (i) credited against future PILOT payments under the Lease in the manner described in the Lease and (ii) used to reduce the Supplemental Hotel Base Rent, provided, however, that real property taxes used for purposes of computing such payments shall not be below the projected full taxes specified for any year as set forth in such Schedule 1.

Rental shall be absolutely net to the Authority without any abatement, deduction, counterclaim, set-off or offset whatsoever except as specifically set forth in the Lease, so that the Lease shall yield, net, to the Authority, Rental in each year during the Term and that Tenant shall pay all costs, expenses and charges of every kind and nature relating to the premises (except real property taxes, if any, and the cost of constructing and maintaining the Authority's civic facilities) which may arise or become due or payable during or after (but attributable to a period falling within) the Term.

3. *Insurance:* Tenant is obligated to maintain, at its expense, insurance, including rent insurance in an amount equal to one year's current Base Rent, PILOT, and Civic Facilities Payments in accordance with the terms provided in the Lease. The types of insurance and limits of coverage are specified in the Lease. In addition, the Authority may require types of insurance and limits of coverage comparable to those maintained by prudent owners of like buildings. The loss under all policies insuring against damage to the Building by fire or other casualty shall be payable to a depository, except that amounts of less than \$500,000 (as adjusted on each 5th anniversary of the Commencement Date based on consumer price index) shall be payable in trust directly to Tenant for application to the cost of restoration.

4. *Restoration:* Except as hereinafter set forth, Tenant shall restore the premises in the event all or any part of the premises shall be destroyed or damaged in whole or in part by fire or other casualty, at least to the extent of the value and as nearly as possible to the condition, quality and class of the premises existing immediately prior to such occurrence. If such casualty occurs within the last 5 years of the Term and damages all or substantially all of the premises, the Lease shall terminate and Tenant shall not be obligated to restore the premises and depository shall pay over to the Authority all restoration funds. The Authority in no event shall be obligated to restore the premises or any portion thereof or to pay any of the costs or expenses thereof but if Tenant shall fail or neglect to restore the premises, the Authority may, but shall not be required to, complete such restoration at Tenant's expense. If any loss, damage or destruction occurs, and the

cost of restoration of which equals or exceeds \$250,000 (as adjusted), Tenant shall furnish to the Authority complete plans and specifications for such restoration, a contract or construction management agreement, payment and performance bonds in forms reasonably satisfactory to the Authority for the cost of restoration exceeding such amount, and required insurance policies. Notwithstanding, to the extent that any portion of the restoration involves work on the exterior of the building or a change in the height, bulk or setback of the building, Tenant shall furnish to the Authority a complete set of plans and specifications for the restoration. Subject to provisions of the Lease, there shall no termination or reduction or abatement of the Rental, by reason of damage to destruction of the building or by reason of the untenability, and Tenant waives any and all rights to quit or surrender the premises and agrees that its obligations shall continue as though the premises had not been damaged or destroyed and without abatement, suspension, diminution or reduction of any kind.

5. *Condemnation:* If the whole or substantially all of the premises shall be taken for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of condemnation or eminent domain or by agreement among the Authority, Tenant and those authorized to exercise such right, the Lease and the Term shall terminate and expire on the date of such taking and the rental payable by Tenant shall be equitably apportioned as of the date of such taking. The condemnation awards shall be apportioned: first to the Authority for or attributable to the value of the Land and the Authority's civic facilities; next to the mortgagee which holds a first lien on Tenant's interest in the Lease so much of the balance of such award as shall equal the unpaid principal indebtedness secured by such Mortgage; next to the Authority the value of the Authority's reversionary interest, if any, in that part of the building taken; and finally subject to rights of any mortgagees, Tenant shall receive the balance, if any, of the award. If less than substantially all of the premises shall be so taken, the Lease shall continue as to the portion of the Premises remaining without abatement of the rent or diminution of any of Tenant's obligations hereunder. Tenant shall proceed diligently to restore any remaining part of the building. The entire award for or attributable to the Land taken and the fair market value of the Authority's civic facilities shall be first paid to the Authority, and the balance, if any, shall be paid to a depository, except that if such balance shall be less than \$250,000 (as adjusted), such balance shall be payable, in trust, to Tenant for application to the cost of restoration. If the temporary use of the whole or any part of the premises shall be taken, the term shall not be reduced and Tenant shall continue to pay in full the rental, and Tenant shall be entitled to receive for itself any award or payments for such use, as provided in the Lease.

6. *Assignment, Subletting:* Except as otherwise provided, prior to completion of the Hotel Portion, the substantial completion of the Residential Portion and of the Public Amenity Space Core and Shell, as defined in the Lease, neither the Lease nor any interest of Tenant in the Lease, shall be sold, assigned, or otherwise transferred, nor certain transfers of interests in Tenant made, nor shall Tenant sublet the premises as an entirety or substantially as an entirety without the consent of the Authority which consent shall be given or withheld in the Authority's sole discretion. In addition, the prior written consent of the Authority is required under certain circumstances under the Hotel Unit Lease, the Hotel Unit Sublease, and a Public Amenity Space Agreement. Furthermore, subject to certain provisions of the Lease, Tenant shall not submit Tenant's leasehold estate in the premises to the provisions of Article 9-B of the Real Property Law of the State of New York, as it may be amended, or to a cooperative form of ownership.

From and after the substantial completion of the Residential Portion, the Hotel Portion and the Public Amenity Core and Shell, the Authority's consent shall not be required with respect to certain transfers of interests in Tenant, or sale or assignment of the Lease, or subletting of the premises except with respect to the Public Amenity Space, and after the Condominium Date with respect to Hotel and Residential units, as provided in the Lease, provided there are no defaults and there is compliance with the applicable provisions, but in no event shall such transfer, assignment or sublease be made to certain prohibited persons including those who have been convicted of a felony, and those against whom any action or proceeding is pending to enforce rights arising out of a mortgage obligation to the State of New York, etc. In addition, subject to compliance by a mortgagee with certain provisions of the Lease, consent by the Authority shall not apply to the acquisition of Tenant's interest in the premises under the Lease by such mortgagee. Tenant may, without the Authority's consent, at any time enter into agreements for the letting of: hotel rooms and retail commercial space as part of the operation of the Hotel, and the letting of residential apartment units, etc., for periods shorter than or equal to the remainder of the Term. Each such sublease shall obligate the sublessee to occupy and use the premises for purposes consistent with the Lease and other requirements. A violation or breach of any of the terms of the Lease by any subtenant or other occupant of the building shall not relieve Tenant of Tenant's obligations. Tenant shall take any and all reasonable steps necessary to prevent any such violation or breach. The Authority after a default, may, subject to the rights of any mortgagee, collect subrent and all other sums due under subleases, and apply the net amount collected to Rental. Furthermore, Tenant has assigned all of Tenant's right, title and interest in and to all Subleases and conferred upon the Authority a right of entry in, and sufficient possession of, the premises to permit and ensure the collection by the Authority of the rentals and other sums payable under subleases.

All Subleases shall include certain terms including that they are subject and subordinate to the Lease and that at the Authority's option, on the termination of the Lease, the Subtenants will attorn to, or enter into a direct sublease on identical terms with, the Authority. With respect to certain subleases, the Authority and a subtenant shall execute an agreement wherein the Authority agrees to recognize such subtenant as the direct tenant of the Authority under its sublease upon the termination of the Lease.

7. *Mortgage:* Tenant shall have the right to mortgage or otherwise encumber Tenant's interest in the Lease to a mortgagee and shall give the Authority notice of such mortgage and the Authority shall give to such mortgagee a copy of each notice of default and such mortgagee may remedy the default and the Authority shall accept performance with the same force and effect as though performed by Tenant. No Mortgagee shall become liable under the provisions of the Lease unless and until such time as it becomes and remains, the owner of the leasehold estate created hereby. Each mortgagee shall, as a precondition to filing any mortgage execute a Mortgagee Subordination and Recognition Agreement in substantially the form attached as an exhibit to the Lease. In the case of termination of the Lease upon default, the Authority shall give notice thereof to each mortgagee and on written request shall promptly execute and deliver a new lease of the premises covered by the mortgage, to the mortgagee, for the remainder of the Term, provided that such mortgagee shall pay all rental due and all expenses incurred by the Authority and cure all defaults. The Authority shall assign to the tenant all of its right, title and interest in and to moneys then held by or payable to the Authority or depository which Tenant would have been entitled. If there is more than one mortgage, the Authority shall only recognize the mortgagee whose mortgage is senior in lien and which has requested a new lease of the premises.

The Authority shall have the right to mortgage its leasehold interest in the premises, as long as such mortgage is subject and subordinate to the Lease and any new lease and Tenant's interest shall not be subordinate to any such mortgage, except to the extent subordinated to the Authority's interests. Any such the Authority's leasehold mortgagee shall be entitled to succeed to all of the right, title and interest of the Authority under the Lease, and other documents, and shall have the same priority as the Authority.

8. *Repairs:* Tenant shall, unless otherwise provided, at its sole cost and expense, put and keep, or shall cause to be put and kept, in good condition and repair the premises and shall put, keep and maintain the building in good and safe order and condition, and make all repairs to keep the same in good and safe order and condition. Tenant shall not commit or suffer, and shall use all reasonable precaution to prevent, waste, damage or injury to the premises. Tenant assumes the full and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the premises.

9. *Compliance with Requirements:* Tenant promptly must comply with any and all applicable present and future laws, rules, orders, ordinances, etc. affecting the premises and shall have the right to contest the validity of any such requirements or the application thereof.

10. *Capital Improvements:* Tenant shall not demolish, replace or materially alter the building, or make any addition thereto, unless Tenant has procured from all governmental authorities and paid for all permits, consents, certificates and approvals; the improvements will not materially reduce the value of the premises; the improvements are made with diligence, in a good and workmanlike manner and in compliance with all requirements; and Tenant has delivered to the Authority original insurance policies acceptable to the Authority. If the estimated cost of any proposed capital improvement exceeds \$500,000 (as adjusted), Tenant shall pay the fees and expenses of any architect or engineer selected by the Authority and furnish: complete plans and specifications; a contract or construction management agreement; payment and performance bonds or other security. To the extent that any portion of the capital improvement involves work which affects the structural elements of the building or work involving the exterior or a change in the height, bulk or setback of the building, Tenant shall furnish to the Authority complete plans and specifications and other item at the Authority's request. Title to all additions, alterations, improvements and replacements made to the building shall forthwith vest in the Authority, without any obligation by the Authority to pay any compensation therefor to Tenant.

11. *Equipment:* All equipment shall be and shall remain the property of the Authority. Tenant shall not have the right, power or authority to, and shall not, remove any Equipment from the Premises without the consent of the Authority, which consent shall not be unreasonably withheld.

12. *Discharge of Liens:* Subject to the provisions of the Lease, Tenant shall not create or permit to be created any lien, encumbrance or charge upon the premises and shall not suffer any other matter or thing whereby the estate, right and interest of the Authority in the premises might be impaired. Tenant may finance any Equipment. If any lien at any time shall be filed against the premises, Tenant shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise.

13. *The Authority's Right to Perform:* If Tenant at any time shall be in default, after notice thereof and after applicable grace periods, if any, provided under the Lease for Tenant or a Mortgagee, respectively, to cure or commence to cure same, the Authority, without waiving or releasing Tenant from any obligation of Tenant contained in the Lease, may (but shall be under no obligation to) perform such obligation on Tenant's behalf. All associated expenses, with interest thereon, shall be paid by Tenant.

14. *Events of Default:* The Lease provides that if certain defaults shall occur, the Authority shall have the right to terminate the Lease. See, however, "Condominium Ownership" below for a discussion of certain limitations on such remedy. The following events shall be Events of Default under the Lease: (a) failure of Tenant to pay any item of Rental for 10 days after notice from the Authority to Tenant; (b) failure by Tenant to observe or perform one or more of the terms, conditions, covenants or agreements contained in the Lease which failure continues for a period of 30 days after notice thereof by the Authority; provided, however, if such cure is not effected within 90 days following notice of such failure, then Tenant must provide collateral satisfactory to the Authority; (c) filing of a bankruptcy petition or the commencement of any proceeding against Tenant seeking dissolution or similar relief under the bankruptcy code that shall not have been dismissed within 60 days and (d) assignment of the Lease, sublease, or transfer of certain interests in Tenant, without the Authority's approval to the extent required which transaction has not been made to comply or voided ab initio within 30 days after notice thereof from the Authority. As previously stated, the Lease grants a mortgagee certain rights intended to provide protection in the event of a default by Tenant, including a right to notice and cure and a right to enter into a new lease with the landlord directly.

15. *Civic Facilities:* The Authority has the obligation to construct certain enumerated civic facilities. Tenant's sole remedies for a failure by the Authority to substantially complete the Authority's civic facilities shall be: (i) an extension of the Scheduled Completion Date, and (ii) the right to engage in Self-Help. If all or any part of the Authority's civic facilities shall be destroyed or damaged, the Authority shall restore the civic facilities, at no cost and expense to Tenant, whether or not insurance proceeds shall be sufficient for the purpose.

16. *No Subordination:* The Authority's interest in the Lease shall not be subject or subordinate to any mortgage now or hereafter placed upon Tenant's interest in the Lease or any other liens or encumbrances hereafter affecting Tenant's interest in the Lease.

17. *Condominium Ownership:* The Authority permitted the submission of Tenant's leasehold estate in the premises under the Lease to the condominium form of ownership pursuant to the Article 9-B of the Real Property Law of the State of New York and the Authority agreed to limit its remedies under the Lease from and after the Condominium Date in certain respects, including the right to terminate the Lease and the term hereof. The Hotel Unit was leased to the Authority and leased back to the Hotel Unit Owner, giving the Authority a direct lease relationship with the Hotel Unit Owner under a sublease. The deed to the Public Amenity Unit (approximately 5,000 square feet) has been conveyed to the Authority by Tenant and the Authority subsequently leased the Public Amenity Unit to the Skyscraper Museum for a nominal sum.

18. *Limitations on the Authority's Liability:* The liability of the Authority shall be limited to the Authority's interest in the premises. Neither the Authority nor any of its members,

directors, officers, employees, agents or servants shall have any liability (personal or otherwise) hereunder beyond the Authority's interest in the premises, and no other property or assets of the Authority or any such Person or any of the members, directors, officers, employees, agents or servants of either shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenant's remedies hereunder.

19. *Limitations on Tenant's Liability:* The liability of Tenant hereunder for damages or otherwise shall be limited to the property and assets of Tenant. Neither the Tenant nor any of the members, directors, officers, shareholders, partners, managers, principals or joint venturers, employees, agents or servants of Tenant or its partners, members or shareholders shall have any liability (personal or otherwise) hereunder beyond the property or assets of the Tenant, and no property or asset of any such excluded persons shall be subject to levy, execution or other enforcement procedure for the satisfaction of the Authority's remedies hereunder.

LEASE FOR SITE 2A

The following is a description of the major provisions of the Lease between Battery Park City Authority, as landlord ("Authority" and/or "Landlord"), and Millenium BPC Development LLC, as tenant ("Tenant"), made as of the 22nd day of February, 2005, for Site 2A (Millennium). Notwithstanding the foregoing provisions, the amount of Tenant’s Civic Facilities payment for any Lease Year shall not be greater than one hundred twenty-five percent of Tenant’s Civic Facilities Payment for the prior Lease Year and the amount of capital costs included in the Operating Costs shall not exceed ten percent of the Operating Costs for any one year.

Revenues shall not include the proceeds of any financing or refinancing by Tenant, and Expenses shall not include any interest, fees or other charges incurred in connection with any financing or refinancing by Tenant. If the temporary use of the whole or any part of the Premises shall be taken, the term shall not be reduced or affected in any way and Tenant shall continue to pay in full the Rental, and Tenant shall be entitled to receive for itself any award or payments for such use, in accordance with the provisions of Section 9.5(i)(ii) of the Lease.

Landlord represents that under current law it has no power to condemn all or any part of the Premises; furthermore, Landlord hereby covenants and agrees that it shall never institute any taking or condemnation of all or any portion of the Premises without the prior written consent of Tenant.

The Lease shall not terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable thereunder by reason of damage to, or total substantial or partial destruction of, the Building by reason of the untenability of the same for, or due to, any reason or cause whatsoever, and Tenant, notwithstanding any law or statute, waives any and all rights to quit or surrender the Premises. Tenant expressly agrees that its obligations hereunder, including, without limitation, the payment of Rental, shall continue as though the Building had not been damaged or destroyed without abatement, suspension, or diminution of any kind.

If Tenant's leasehold interest in the Premises is submitted to the condominium form of ownership, all of Tenant's obligations under Article 8 of the Lease shall be the obligation of the Condominium Board.

If less than substantially all of the Premises shall be so taken, the Lease shall continue as to the portion of the Premises remaining without abatement of the rent or diminution of any of Tenant's obligations hereunder. After an Event of Default by Tenant, Landlord may, subject to the rights of any Mortgagee which is an Institutional Lender, collect subrent and all other sums due under Subleases and apply the net amount collected to Rental, but no such collection shall be deemed to be a waiver of any agreement, term, covenant or condition under the Lease. Tenant sets over to Landlord all of Tenant's right title and interest in and to all Subleases, subject to the rights of any qualifying Mortgagee in accordance with the Lease. All Subleases shall provide that they are subject to the Lease and to the Master Lease, and at Landlord's option on the termination of the Lease; the Subtenants will attorn to or enter into a direct lease with Landlord. (d) ***Civic Facilities Payment:*** As their allocable share of the cost of operating and maintaining certain Civic Facilities including curbs, street trees, open spaces and parks as described in the Leases, Tenants, for each Lease Year, or portion thereof, shall pay to the Landlord commencing on the date on which a temporary Certificate of Occupancy shall be issued for any dwelling unit in the respective Tenant's Building ("Initial Occupancy Date") and ending on the last day of the Term of the Leases an annual sum ("Civic Facilities Payment") to be paid by each Tenant as follows:

(i) For the period commencing on the Initial Occupancy Date and ending on the last day of the Lease Year in which the Initial Occupancy Date occurs, an amount equal to the sum of (A) the product obtained by multiplying the number of residential units in each of the Buildings by \$500.00 dollars and (B) the product derived by multiplying \$.50 by the gross square feet of non-residential floor area, but excluding therefrom the common areas described in the Leases multiplied by a fraction, the numerator of which shall be the number of days between the Initial Occupancy Date and the last day of the Lease Year in which the Initial Occupancy Date occurs and the denominator of which is three hundred sixty five (365);

(ii) For each of the next two Lease Years after (i) above, an annual amount equal to the sum of (A) the product obtained by multiplying the number of residential units in each of the Buildings by \$500.00 dollars and (B) the product derived by multiplying \$.50 by the gross square feet of non-residential floor area, but excluding therefrom the common areas, the space occupied by Landlord, but including any garage, as described in the Leases;

(iii) For each of the next three Lease Years succeeding (ii) above, an annual amount equal to the sum of (A) the product obtained by multiplying the number of residential units in each of the Buildings by \$550.00 dollars and (B) the product derived by multiplying \$.55 by the gross square feet of non-residential floor area, but excluding therefrom the common areas and the Community Space, but including any garage, as described in the Leases;

(iv) For the next succeeding Lease Year after (iii) above, and for each succeeding Lease Year thereafter, an amount equal to the product of: (A) the Parks Budget⁸ less amounts (x) payable toward such Parks Budget by other tenants of Landlord in the Project Area under leases entered into prior to the Commencement Date; and (y) computed on the basis of operating costs for a particular neighborhood within the Project Area rather than for Operating Costs for the entire Project Area, multiplied by (B) a fraction, the numerator of which shall be the maximum permissible number of Zoning Floor Area in each Building, excluding the Community Space, and the denominator of which shall be the maximum permissible Zoning Floor Area in all residential buildings, excluding those described in (x) and (y) above, including each Building, excluding the Community Space, when computing its respective sum. Landlord at its sole option, and at any time, may establish an alternative method of determining Tenants' allocable share of the Operating Costs and the amount of the Civic Facilities Payment as may be equitable with respect to all tenants of landlord within the Project Area.

Notwithstanding the foregoing, the amount of each Tenant's Civic Facilities Payment, for any Lease Year referred to in the Leases shall not be greater than one hundred twenty-five percent (125%) of each of Tenant's Civic Facilities Payment for the prior Lease Year and the amount of capital costs included in the Operating Costs shall not exceed one hundred ten percent (110%) of the Operating Costs for any one year.

Tenants shall pay to Landlord the Civic Facilities Payments due in respect of each such Payment Period in equal monthly installments payable in advance on the first day of each month that occurs within a Payment Period.

(v) In the event that Landlord's Civic Facilities or portion thereof shall be destroyed by fire or other casualty, or taken by the exercise of the right of condemnation or eminent domain or similar proceeding, and the reasonable costs associated with the Restoration or reconstruction of all or any portion of the Landlord Civic Facilities exceed the proceeds of an award, proceeds of insurance and/or the Civic Facilities reserve fund established, then Tenants shall pay to Landlord an amount equal to the product obtained by multiplying such excess by (A) the Parks Budget for each Lease Year or portion thereof ("Payment Period"), succeeding the period in (iii) above, multiplied by (B) a fraction, the numerator of which shall be the maximum permissible number of Zoning Floor Area in all residential buildings including each of the respective Buildings, less amounts (x) payable toward such Parks Budget by other tenants of Landlord in the Project Area under leases entered into prior to the Commencement Date; and

⁸ Parks Budget being defined as an estimate of the cost of operating, maintaining, repairing, restoring, replacing and upgrading the Parks, any other parks and open spaces within or adjacent to the Project Area, the curbs, street trees and similar civic facilities or any part thereof, including the costs to create and maintain a reserve fund and of insuring the Civic Facilities, excluding therefrom certain enumerated areas as described in the Lease for each Payment Period or portion thereof.

(y) computed on the basis of operating costs for a particular neighborhood within the Project Area rather than for Operating Costs for the entire Project Area; reduced by the amount, if any, payable by such other tenants.

(e) **Percentage Rent:** (i) For the period commencing on the date Tenant shall first collect any Gross Non-Residential Revenue⁹, as hereinafter defined (the “Percentage Rent Commencement Date”), ending on December 31 of the calendar year in which the Percentage Rent Commencement Date occurs, and for each calendar year thereafter during the Term, each Tenant shall pay to Landlord an amount equal to 10% of its Gross Non-Residential Revenue during each such calendar year or portion thereof (“Percentage Rent”). Percentage Rent shall be computed quarterly, in the manner specified in the Lease, and within thirty days after the end of each calendar quarter Tenant shall submit in reasonable detail the Gross Non-Residential Revenue from the prior quarter and based upon said submission pay Landlord 10% of its Gross Non-Residential Revenue as a partial payment. Each Tenant shall deliver to Landlord as soon as is practicable after the end of each calendar year, but not later than 120 days after the end of such calendar year, a separate statement for such year showing the Gross Non-Residential Revenue, together with the Percentage Rent due for such year. In the event of an underpayment of the Percentage Rent for the period, Tenant shall pay to Landlord the deficiency upon submission of the annual statement. In the event of an overpayment for such year, Tenant may offset said excess sum, without interest, against subsequent payment of Percentage Rent.

In the event Tenant’s leasehold estate in the Premises shall be submitted to a condominium form of ownership, then that Tenant’s obligations with respect to Percentage Rent shall be the direct obligation of the Unit Owners of each such commercial Unit, it being the agreement of Landlord and Tenant that such Unit Owner, shall pay Percentage Rent directly to Landlord and that Landlord may pursue any rights granted to Landlord hereunder directly against such Unit Owner, and any interest in the non-residential portion of the Buildings that does not so provide shall be void and of no force and effect; however on or after the Conversion Date under each Lease, no rental shall be calculated or due in respect of the Center.

(f) **Additional Payments:** (i) Transaction Payments. Upon a Tenant’s submission of its leasehold estate in the Premises to a condominium form of ownership in

⁹ Gross Non-Residential Revenue includes, but is not limited to all revenue received by Tenant or an Affiliate of Tenant from, in connection with, or arising out of the use and occupancy of space in the Building which is being used for any non-residential purpose, payable to Tenant or any Affiliate of Tenant under a Sublease or otherwise, and which includes all revenue received by Tenant or an Affiliate of Tenant arising out of the use and occupancy of space in the Building which is being used for any non-residential purpose, including without limitation, base rent, fixed rent, percentage rent, additional rent, and all other income, sums and charges, whether payable to Tenant or any Affiliate of Tenant under a Sublease or otherwise, but such gross non-residential revenue shall not include certain sums enumerated in the Lease, and by way of example, include but are not limited to security deposits affecting non-residential space, payments by residential tenants of the Building for laundry, cleaning services, et seq., refinancing proceeds, transfers between Tenants and Affiliates of Tenants, sums paid to Tenant or an Affiliate of Tenant for movie and television filming rights, or the right to provide the Building with garbage collection or cable television services, et seq., sums received by Tenant or an Affiliate in payment for construction work beyond the Building standard then performed by landlords for non-residential tenants in the Project Area generally, up to the fair market value of the work or services, and amounts otherwise included in computing gross non-residential revenue, but ultimately credited or refunded to Tenant or Tenant Affiliate to any Person, all of which are detailed with specificity in the Lease.

accordance with the Leases, that Tenant shall pay to Landlord, upon the first transfer of each Unit to a bona fide purchaser ("Transaction Payment"), a payment in an amount equal to three and one-quarter percent (3.25%) of the all amounts received as consideration for the transfer of such Unit, including (A) all cash or cash equivalent proceeds; (B) the outstanding principal amount of any debt, and any interest accrued thereon, assumed by the purchaser in such sale or to which such sale is made subject; (C) the fair market value of any property received by or on behalf of Tenant as consideration; (D) the amount of any installments of the purchase price for such Unit payable subsequent to the closing of such sale, whether pursuant to a purchase money promissory note or otherwise; and (E) any other amounts received as consideration ("Gross Sales Price") of such Apartment or Unit. To secure its obligations under the Leases to pay the Transaction Payments, each Tenant shall also deliver to Landlord a Guaranty of Transaction Payments in favor of Landlord, in form and content as set forth in the respective Leases, and shall remain in effect through the final payment in full of the Transaction Payments.

(ii) Additional Transaction Payments. If either Tenant fails to conduct a Bona Fide Sale Process and if, in accordance with the terms of the Leases, by December 31, 2014 ("Guarantee Date"), the net present value of Transaction Payments received by Landlord under the Leases ("Actual NPV Amount") is less than six million two hundred fifty thousand dollars (\$6,250,000) (the "Guaranteed NPV Amount"), Liberty Tenant and/or Freedom Tenant shall, on or before January 31, 2015, make a prepayment of Transaction Payments in an amount equal to the difference between the Guaranteed NPV Amount and the Actual NPV Amount. If either Tenant fails to conduct a Bona Fide Sales Process and if by December 31, 2019 (the "Second Guarantee Date"), the net present value of Transaction Payments received by Landlord under the Leases, including any prepayments ("2nd Actual NPV Amount") is less than nine million five hundred thousand dollars (\$9,500,000) (the "2nd Guaranteed NPV Amount"), Liberty Tenant and/or Freedom Tenant shall, on or before January 31, 2020, make a prepayment of Transaction Payments in an amount equal to the difference between the 2nd Guaranteed NPV Amount and the 2nd Actual NPV Amount. Net present value amounts shall be calculated for the period beginning on the Commencement Date and ending on either the Guarantee Date or the 2nd Guarantee Date, or such other date as appropriate for the calculation, and shall assume a discount rate of 6% and monthly discounting of cash flows. Landlord shall have no further entitlement to Transaction Payments after it has received cumulative Transaction Payments, including prepayments with a net present value of twelve million five hundred thousand dollars (\$12,500,000).

(iii) Deferred Lease Payments. Tenants shall pay to Landlord, no later than five (5) Business Days after the issuance of the initial temporary Certificate of Occupancy for any part of their respective Buildings, deferred lease payments as follows:

As to Freedom Tenant: Two hundred fifty three thousand nine hundred thirty two dollars (\$253,932) together with interest on such sum accruing at a fixed rate of six percent (6%) per annum from the Commencement Date through the date such payment

is actually made (based upon actual days elapsed and a 360 day year); and the Fuel Cell Adjustment¹⁰, if applicable.

As to Liberty Tenant: Three hundred seventy seven thousand two hundred sixty eight dollars (\$377,268) together with interest on such sum accruing at a fixed rate of six percent (6%) per annum from the Commencement Date through the date such payment is actually made (based upon actual days elapsed and a 360 day year); and the Fuel Cell Adjustment, if applicable.

3. *Insurance:* Tenants shall, after Substantial Completion of each respective Building, and thereafter for the full Term of each of the Leases, keep in full force and effect (i) an All Risk of Physical Loss policy of insurance, including without limitation loss or damage by water, flood, subsidence and earthquake, on an Agreed Amount basis with full replacement cost; as such shall be determined from time to time, but not less frequently than required by the insurer and in any event at least once every three (3) years (in the event either Tenant's leasehold estate shall be submitted to condominium ownership, such replacement cost determination shall be made annually); (ii) commercial general liability insurance against liability for bodily injury, death and property damage in an amount as may be reasonably required by Landlord upon thirty (30) days notice, but not less than twenty five million dollars combined single limit under each respective Lease; and (iii) such other insurance enumerated in the Leases approved by Landlord, and such other insurance in such amounts as may be reasonably required by Landlord. All policies shall name each Tenant under each Lease as the insured, the Landlord, and Master Landlord as additional insureds to the extent, where applicable, of their respective insurable interests in the Premises, and shall be primary with respect to any other coverage which Landlord and Master Landlord may obtain as additional insured. Any Mortgagee may be named an additional insured under a standard mortgagee endorsement, provided that such Mortgagee irrevocably agrees in writing for the benefit of Landlord that all proceeds of such insurance shall be applied in accordance with the applicable Lease. All Rent Insurance shall provide that any adjustments for claims in excess of such Insurance required by Landlord be for the benefit of Landlord and Tenants. Each Lease provides in substance that all adjustments for claims with the insurers shall be made with the Landlord and Tenant. All proceeds of loss under the policies in excess of one million dollars which such floor as may be increased from time to time as provided for in the Leases, shall name as loss payees Landlord, Tenant and Mortgagee, as their interests may appear.

4. *Restoration:* If all or any part of the Buildings as defined in the Leases, shall be destroyed or damaged in whole or in part by fire or other casualty, Tenants shall, whether or not such damage or destruction shall have been insured, and whether or not insurance, if any, shall be sufficient for the purpose of such Restoration, Restore the Buildings. Except as hereinafter set forth, Tenants shall Restore the Premises in the event all or any part of the Premises shall be destroyed or damaged in whole or in part by fire or other casualty, at least to the extent of the value and as nearly as possible to the condition, quality and class of the Premises existing immediately prior to such occurrence, and if such casualty occurs within ten years after the date the Building has been Substantially Completed, then Restoration shall be performed in accordance with the Construction Documents as defined in the respective Leases. If any loss, damage or destruction occurs, and the cost of Restoration of which equals or exceeds \$1,000,000 (as adjusted), Tenants

¹⁰ Fuel Cell Adjustment being equal to (i) \$586,800 minus (ii) all reasonable non-recoverable out-of-pocket expenses and costs incurred by Tenants in connection with the design and planning of the fuel cell technology-based generating plant by either of the Liberty Tenant and Freedom Tenant as described in Section 11.16 of each of the Liberty Lease and the Freedom Lease.

shall furnish to the Landlord complete plans and specifications for such Restoration, a contract or construction management agreement, payment and performance bonds in forms reasonably satisfactory to the Landlord for the cost of Restoration exceeding such amount, and required insurance policies, neither Lease shall terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable thereunder by reason of damage to, or total, substantial or partial destruction of the Building by reason of the untenability of the same for, or due to, any reason or cause whatsoever, and Tenants, notwithstanding any law or statute, waive any and all rights to quit or surrender the respective Premises, except in accordance with the provisions as set forth in each of the respective Leases. Tenants expressly agree that their obligations thereunder, including, without limitation, the payment of Rental, shall continue as though the Buildings had not been damaged or destroyed without abatement, suspension, or diminution of any kind, except in accordance with the respective Leases. Notwithstanding anything in the Leases to the contrary, to the extent that any portion of the Restoration involves work on the exterior of the Buildings or a change in the height, bulk or setback of the Buildings, Tenants shall furnish to the Landlord a complete set of plans and specifications for the Restoration of such Building. If such casualty occurs within the last three (3) years of either Lease Term, and materially damages all or substantially all of the Premises, then at the respective Tenant's option, to be exercised within ninety (90) days of such casualty, either Tenant may terminate its respective Lease on the date so specified by Tenant, but no later than the date that is thirty (30) days following Tenant's exercise of such option, and provided Tenant shall have secured the Premises and put in a safe condition and Depository shall have paid over to Landlord all Restoration proceeds, as defined in the respective Leases.

If either Tenant's leasehold interest in the Premises is submitted to the condominium form of ownership, all of such Tenant's obligations under Article 8 of the Lease shall be the obligation of the Condominium Board.

5. *Condemnation:* If the whole or substantially all of the Premises shall be taken, excluding a taking of the fee interest in the Premises, or any leasehold interest superior to that of the Tenant's, if after such taking Tenant's rights under its Lease are not affected, for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of condemnation or eminent domain or by agreement among the Landlord, Tenant and those authorized to exercise such right, the Lease and the Term shall terminate and expire on the date of such taking and the rental payable by Tenant shall be equitably apportioned as of the date of such taking. The condemnation awards shall be apportioned: (i) first to the Landlord for or attributable to the value of the Land so taken, considered as unencumbered by the Lease and the Master Lease and as unimproved, and the Landlord's Civic Facilities and other site improvements made by Landlord taken in any proceeding with respect to such taking; (ii) next to the mortgagee which holds a first lien on Tenant's interest in the Lease under a Single Asset Mortgage or to Unit Mortgagees under Single Asset Unit Mortgages constituting first liens against the mortgaged Units, so much of the balance of such award as shall equal the unpaid principal indebtedness secured by such Single Asset Mortgage or Single Asset Unit Mortgage with interest thereon at the rate specified therein to the date of payment; (iii) for a period of forty years from the Scheduled Completion Date, there shall next be paid to each additional Mortgagee under a Single Asset Mortgage, so much of the balance of such award as shall equal the unpaid principal indebtedness secured by its Single Asset Mortgage with interest thereon at the rate specified thereon to the date of payment; (iv) next to Landlord so much of the award which is for or attributable to the value of Landlord's reversionary interest in that part of the Building taken in such proceeding, it being understood that for the period of forty years from the Scheduled Completion Date the value of Landlord's reversionary interest

shall be zero; and (v) subject to the rights of any Mortgagees or Unit Mortgagees, Tenant shall receive the balance, if any, of the award. If less than substantially all of the Premises shall be so taken, the Lease shall continue as to the portion of the Premises remaining without abatement of the rent or diminution of any of Tenant's obligations. Tenant shall proceed diligently to Restore any remaining part of the Building. The entire award for or attributable to the Land taken and the fair market value of the Landlord's Civic Facilities shall be first paid to the Landlord, and the balance, if any, shall be paid to Depository, except that if such balance shall be less than \$1,000,000 (as adjusted in accordance with the Lease), such balance shall be payable, in trust, to Tenant for application to the cost of Restoration.

If the temporary use of the whole or any part of the Premises shall be taken, the term shall not be reduced or affected in any way and Tenants shall continue to pay in full the Rental, and Tenants shall be entitled to receive any award or payments for such use, in accordance with the provisions of Section 9.05(i) and (ii) of the Leases.

Landlord, Tenant and any Mortgagee shall be entitled to file a claim and otherwise participate in any condemnation or similar proceedings. Landlord represents that under current law it has no power to condemn all or any part of the Premises, and Landlord covenants and agrees that without the prior written consent of the respective Tenant, it shall never institute any taking or condemnation of all or any portion of the Premises.

6. *Assignment, Subletting:* Except as otherwise provided, and with specified exceptions regarding transfers among initial investors in the project, prior to Substantial Completion of the Buildings, or at any time after Substantial Completion of the Buildings that the conditions set forth in Section 10.01(b) of each of the Leases are not satisfied, neither the Leases nor any interest of Tenants in the Leases shall be sold, assigned, or otherwise transferred, whether by operation of law or otherwise, including without limitation an assignment in connection with either Tenant's submission of its leasehold estate in the Premises to a condominium form of ownership, but excluding transfers of individual residential apartment Units following the submission by Tenant of its respective leasehold estate in the Premises to a condominium form of ownership pursuant to Article 40 and Exhibit G (Provisions Regarding the Conversion To Condominium Form of Ownership), of the Leases, nor shall any of the issued or outstanding capital stock of any corporation, any membership interest in any limited liability company, any partnership interest in any partnership or any equity interest in any Person, in each case, a respective Tenant, or owns a direct or indirect interest in the respective Tenant, be sold, assigned, transferred, pledged or encumbered, whether by operation of law or otherwise, if such would result in a change of the Controlling membership ownership of such Tenant as held by the members thereof as of the Commencement Date, or there be any change in the right to direct the management of any Person that is a respective Tenant or owns a direct or indirect interest in such respective Tenant, nor shall either Tenant sublet the Premises as an entirety or substantially as an entirety, without the consent of Landlord in each case.

From and after the Substantial Completion of the Buildings, Landlord's consent shall not be required prior to any Transfer, assignment, or subletting of the Premises provided no Default as to which notice shall have been given shall have occurred and then be continuing, and Tenants have complied with the requirements under Article 10 of the Leases. Landlord's consent shall not be required in the event either Tenant assigns its interests in the Leases or subletting of the Premises as an entirety or substantially as an entirety, provided no Default then exists and is continuing; however, Tenants shall not, at any time during the Term, assign their interest in the Leases in whole or in part pursuant to any plan to submit Tenants' leasehold estate in the Premises

to condominium ownership except in accordance with the applicable provisions of Article 10 above, and which assignment shall be governed by the provisions of Sections 23.01, Section 40 and Exhibit G of the Leases.

Tenants, including any Unit Owner, may, without Landlord's consent, but subject to the provisions of the last sentence of Section 10.01(c) enter into agreements for the rental of residential and non-residential space in the Buildings or the occupancy of such space for periods shorter than or equal to the remainder of the Term at the time of such agreements ("Subleases"). Each residential Sublease shall obligate the Subtenant pursuant thereto to occupy and use the Premises included therein for residential purposes only. After an Event of Default by either Tenant, Landlord may, subject to the rights of any Mortgagee which is an Institutional Lender, collect subrent and all other sums due under Subleases and apply the net amount collected to Rental, but no such collection shall be deemed to be a waiver of any agreement, term, covenant or condition under the Lease. Tenants set over to Landlord all of Tenants' right title and interest in and to all Subleases, subject to the rights of any qualifying Mortgagee in accordance with the respective Lease. All Subleases shall provide that they are subject to the Leases and to the Master Lease, and at Landlord's option on the termination of the respective Lease; the Subtenants will attorn to or enter into a direct lease with Landlord. With respect to certain Subleases, and upon the terms enumerated in the Leases, the Landlord and a Subtenant shall execute an agreement wherein the Landlord agrees to recognize such Subtenant as a direct Tenant of Landlord under its Sublease upon termination of the respective Leases.

7. *Mortgage:* Tenants shall have the right to mortgage their respective interests in the Leases to a Mortgagee, and shall give Landlord prompt notice of such mortgage, and the Landlord shall give to such mortgagee a copy of each notice of Default and such Mortgagee may remedy the Default and Landlord shall accept performance with the same force and effect as though performed by Tenants. Except as provided in Section 10.10(b) of the Leases, no Mortgagee shall become liable under the provisions of the Leases unless and until such time as it becomes and remains, the owner of the respective leasehold estate created thereby. Landlord shall not be obligated to execute and deliver a new lease of the Premises pursuant to Section 10.11 except in accordance with the terms and as otherwise provided in the Leases. The provisions of Section 10.10 and 10.11 shall be of no further force and effect in the event Tenants shall have subjected Tenants' leasehold interests in the Premises to a condominium form of ownership. In the case of termination of the Leases upon Default, Landlord shall give notice thereof to each Mortgagee and on written request shall promptly execute and deliver a new lease of the respective premises covered by the mortgage, to the Mortgagee, for the remainder of the Term, provided that such Mortgagee shall pay all rental due and all expenses incurred by the Landlord and cure all Defaults. The Landlord shall assign to the tenant all of its right, title and interest in and to moneys then held by or payable to the Landlord or Depository which such Tenant would have been entitled. If there is more than one mortgage, the Landlord shall only recognize the Mortgagee whose mortgage is most senior in lien and which has requested a new lease of such premises.

8. *Repairs:* Tenants shall, unless otherwise provided, at their sole cost and expense, put and keep, or shall cause to be put and kept, in good condition and repair the premises and shall put, keep and maintain the Buildings in good and safe order and condition, and make all repairs to keep the same in good and safe order and condition. Tenants shall not commit or suffer, and shall use all reasonable precaution to prevent, waste, damage or injury to the Premises. Tenants assume the full and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Premises. All repairs made by Tenants shall be

at least equal in quality and class to the original work and shall be made in compliance with all Governmental Authorities, as defined in Section 12.01 of the Leases. Tenants shall be responsible for the maintenance and repair of the structural elements of the core and shell as referred to in Section 11.02(n) of the Leases for the Community Space. Landlord shall be responsible for the construction, maintenance and repair of the interior of the Community Space, including the Landlord's Installation as defined in the Leases. When Tenants submit their respective Leases to a condominium form of ownership in accordance with Article 40 and Exhibit G of the Leases, then the obligations hereinabove described shall be assumed by such Condominium Board.

9. *Compliance with Requirements:* Tenant must promptly comply with any and all applicable present and future laws, rules, orders, ordinances, etc. affecting the Premises and shall have the right to contest the validity of any such requirements or the application thereof in accordance with the provisions of the Lease.

10. *Capital Improvements:* Tenants shall not demolish, replace or materially alter the Buildings, or make any addition thereto, unless Tenants have procured from all Governmental Authorities and paid for all permits, consents, certificates and approvals; the improvements will not materially reduce the value of the Premises; the Capital Improvements are made with diligence, in a good and workmanlike manner and in compliance with all requirements; and Tenants have delivered to Landlord certificates of insurance acceptable to Landlord. If the estimated cost of any proposed Capital Improvement exceeds \$1,000,000 (as adjusted), Tenants shall pay the fees and expenses of any architect or engineer selected by the Landlord and furnish: complete plans and specifications; a contract or construction management agreement; payment and performance bonds or other security. To the extent that any portion of the Capital Improvement involves work which affects the structural elements of the Building or work involving the exterior or a change in the height, bulk or setback of such Building, Tenant shall furnish to the Landlord complete plans and specifications and any other item at the Landlord's request. Title to all additions, alterations, improvements and replacements made to the Buildings shall forthwith vest in Landlord, without any obligation by Landlord to pay any compensation therefor to Tenants.

11. *Equipment:* All equipment shall be and shall remain the property of the Landlord. Tenants shall not have the right, power or authority to, and shall not, remove any Equipment from the Premises without the consent of Landlord, which consent shall not be unreasonably withheld.

12. *Discharge of Liens:* Subject to the provisions of the respective Leases, Tenants shall not create or permit to be created any lien, encumbrance or charge upon the Premises and shall not suffer any other matter or thing whereby the estate, right and interest of the Landlord in the Premises might be impaired. Tenants may finance any Equipment. If any lien at any time shall be filed against the Premises, Tenants shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise.

13. *Landlord's Right to Perform:* If Tenants at any time shall be in Default, after notice thereof and after applicable grace periods, if any, provided under the Leases for Tenants or a Mortgagee, respectively, to cure or commence to cure same, the Landlord, without waiving or releasing Tenants from any of their obligations contained in the Leases, may (but shall be under no obligation to) perform such obligation on Tenants' behalf.

14. *Events of Default:* The Leases provide that if certain Defaults shall occur, the Landlord shall have the right to terminate the respective Lease. See, however, "Condominium Ownership" below for a discussion of certain limitations on such remedy. Events of Default under

the Leases include but are not limited to: (i) failure of Tenants to pay any item of Rental for 10 days after notice from the Landlord to such Tenant; (ii) failure by Tenants to observe or perform one or more of the terms, conditions, covenants or agreements contained in the Lease which failure continues for a period of 30 days after notice thereof by Landlord; (iii) filing of a bankruptcy petition or the commencement of any proceeding against Tenant seeking dissolution or similar relief under the bankruptcy code that shall not have been dismissed within 90 days; (iv) assignment of the Lease, sublease, or transfer of certain interests in Tenant, without the Landlord's approval to the extent required and which transaction has not been made to comply or voided ab initio within 30 days after notice thereof from Landlord; and (v) to the extent permitted by law, if Tenant shall admit, in writing, that it is unable to pay its debts as such become due, or if Tenant should make an assignment for the benefit of creditors. As previously stated, the Leases grant a mortgagee certain rights intended to provide protection in the Event of Default by Tenant, including a right to notice and cure and a right to enter into a new lease with the landlord directly. In the event either Lease shall terminate due to an Event of Default and in accordance with the provisions of such Lease, then Tenant, Tenant as debtor-in-possession and/or Trustee shall immediately quit and surrender the Premises. No Lease termination pursuant to Section 24.03(a) or taking possession of or re-letting the Premises or any part thereof, pursuant to Sections 24.03(b) or 24.04(b) of the Lease shall relieve Tenant of its liabilities and obligations thereunder, all of which shall survive such expiration, termination, repossession or re-letting. Each Tenant shall pay to Landlord all costs and expenses, including, without limitation, reasonable attorney's fees and disbursements, incurred by Landlord in any action or proceeding to which Landlord may be made a party by reason of any act or omission of Tenant, and Tenant shall pay to Landlord all costs and expenses, incurred by Landlord in enforcing any of the covenants and provisions of the Lease and incurred in any action brought by Landlord against Tenant on account of the provisions thereof.

15. *Civic Facilities:* The Landlord has the obligation to construct certain enumerated Civic Facilities. Tenants acknowledge that other than those certain facilities enumerated in Article 26 of the Leases, Landlord has completed the Civic Facilities improvements. Tenants have the obligation to maintain certain of the enumerated Civic Facilities, and Landlord the obligation to maintain the balance of the enumerated Civic Facilities. In the event Landlord fails to so maintain the enumerated Civic Facilities in accordance with the Leases, Tenants shall have the right but not the obligation to undertake Landlord's Maintenance Obligations ("Self-Help," as defined in the Leases). In the event Tenants undertake Self-Help, then Tenants shall have the right to offset against the next installment of Civic Facilities Payments an amount equal to the reasonable expenses thereby incurred or paid by each respective Tenant together with interest thereon at the Involuntary Rate computed with respect to each payment made by such Tenant. Landlord shall incur no penalty or liability, and Tenants shall have no remedies or rights other than as expressly provided in the respective Lease, it being agreed that Landlord's failure to perform Landlord's Maintenance Obligations shall not be deemed a failure by Landlord to perform a substantial obligation on Landlord's part to be performed under the Leases.

16. *No Subordination:* The Landlord's interest in the Leases shall not be subject or subordinate to any mortgage now or hereafter placed upon Tenants' interests in the Leases or any other liens or encumbrances hereafter affecting Tenants' interests in the Leases, including without limitation any Unit Mortgage, or any other liens or encumbrances hereafter affecting Tenants' interests in their respective Leases including without limitation a lien filed pursuant to Section 339-z and 339-aa of the Real Property Law. Master Landlord and Tenants executed that certain Master Landlord Non-Disturbance and Recognition Agreement which shall be in the form exhibited to each of the Leases, and which is binding on Master Landlord's successors and assigns and benefits

Tenants' successors and assigns, and provides that if the Master Lease is terminated then Landlord will recognize Tenants under the Leases and Tenants will attorn to Landlord and will recognize such holder as Tenants' landlord under the Leases.

17. *Condominium Ownership:* Tenants shall, within ninety (90) days after Substantial Completion of each respective Building, submit Tenants' leasehold estate in the Premises to condominium ownership pursuant to Article 40 and Exhibit G of the Leases. The Condominium Plans shall provide that the Community Space will comprise a separate Unit or Units. On the later of completion of Tenants' work to construct the core and shell of the Community Space or the Condominium Date, Tenants shall convey the Units comprising the Community Space to Landlord. No Common Charges or maintenance fees shall be allocated to the Units comprising the Community Space. The documents governing the Community Space as a component of a condominium corporation and Landlord's rights and interests shall be subject to Landlord's approval, which shall not be unreasonably withheld or delayed. From and after the Condominium Date, Landlord and Tenant agree that Landlord shall not have the right to terminate the Leases pursuant to Section 24.03(a) or to repossess the respective Premises or dispossess Tenants pursuant to Section 24.03(b), except as expressly permitted in the Leases and in accordance with the terms covenants and conditions thereunder.

18. *Limitations on Landlord's Liability:* The liability of Landlord, as set forth in the Leases, shall be limited to Landlord's interest in the Premises, including the rents and profits therefrom, the proceeds of any insurance policies covering the Premises, any awards payable in connection with any condemnation of such Premises or any part thereof and any other rights, privileges, or other interests appurtenant to such Premises. None of Landlord, any such Person or any of the members, directors, officers, employees, agents or servants of either Tenant shall have any liability hereunder beyond Landlord's interest in such Premises, including, without limitation, the rents and profits therefrom and such other proceeds and awards as set forth in the respective Leases appurtenant to such Premises, and no other property or asset of Landlord or any such Person shall be subject to levy, execution or other enforcement procedure for the satisfaction of Tenants' remedies thereunder.

19. *Tenant's Liability:* Except as to Recourse Claims as defined in the Leases, the liability of Tenants shall be limited to Tenants' interests in the respective Premises, including without limitation, the rents and profits from such Premises, the proceeds of any insurance policies covering or relating to such Premises, any awards payable in connection with any condemnation of such Premises or any part thereof, any security provided hereunder and amount deposited hereunder with Landlord, Depository or a Mortgagee, or other interest or sums appurtenant to such Premises. Except as to Recourse Claims, Tenants shall have no liability thereunder beyond Tenants' interests in such Premises, and no other property or asset of Tenants shall be subject to levy, execution or other enforcement procedure for the satisfaction of Landlord's remedies hereunder.

20. *Subsurface Vaults:* The Tenants have Leased from Landlord the "East Subsurface Vault" and the "West Subsurface Vault," both as more particularly described in the respective Leases (the East Subsurface Vault and the West Subsurface Vault hereinafter collectively the "Subsurface Vaults"). The Subsurface Vaults are included in the Premises and demised to each respective Tenant. All of Tenants' rights and obligations under the Leases apply with respect to the Subsurface Vaults. Tenants have, by virtue of a certain revocable license granted to Tenants by Landlord under the Leases, the right to use and occupy the Licensed Subsurface Vaults as more particularly defined in the Leases. Tenants' rights with respect to the Licensed Subsurface Vaults

are limited solely to the privilege to use and occupy same for the Term granted under the respective Leases as a revocable license upon the terms and conditions so stipulated in the Leases only.

ANCILLARY AND OTHER AGREEMENTS

In connection with the development, maintenance and operation of the World Financial Center, the Authority, Olympia & York and American Express Company and certain of its affiliates (with respect to the Project Operating Agreement) have entered into certain ancillary agreements. The Authority is also a party to other agreements governing construction of infrastructure improvements and the construction, operation and maintenance of parks and open spaces in the Project Area.

Subsequent to the confirmation of a bankruptcy plan in September 1996, (see “CERTAIN FACTORS AFFECTING REVENUES FROM SPECIFIED SUBLEASES – Other Factors – Bankruptcy”), Brookfield has succeeded to the interests of Olympia & York Battery Park Company in the agreement set forth below and manages the common areas of the World Financial Center.

Civic Facilities Maintenance Agreement

Pursuant to an agreement dated as of September 1, 1981, between the Authority and Olympia & York Battery Park Company (“Olympia & York” or the “Contractor”), as amended by an amendment dated as of June 15, 1983, between the Authority and the Contractor (the “Civic Facilities Maintenance Agreement”), the Contractor agreed, upon the terms and conditions therein provided, to operate, maintain and repair certain civic facilities (the “WFC Civic Facilities”) for the Authority. Unless sooner terminated, the Civic Facilities Maintenance Agreement extends until the earlier of June 17, 2069, the date New York City becomes the fee owner of the Premises, or until dedication of the Civic Facilities to New York City, or acceptance by the appropriate utility company or by a tenant under a WFC Severance Lease or assumption by the Management Committee pursuant to the Project Operating Agreement of the maintenance responsibilities therefor, or December 31 of the calendar year in which the Contractor or a Permitted Assignee ceases to be the holder of tenant’s interest under any WFC Severance Lease.

The Contractor shall submit to the Authority, for its approval, a budget of the costs and expenses which, it expects to incur in connection with the performance of its duties. The Authority shall either approve such budget or give the Contractor a notice of objections in reasonable detail. If the Authority shall have objected to the budget and the parties are thereafter unable to agree, the Authority shall solicit bids for the operation, maintenance and repair of the WFC Civic Facilities and shall award a contract to the lowest qualified bidder. If the lowest qualified bid shall be other than the Contractor, the Civic Facilities Maintenance Agreement shall be terminated. If the Authority fails to perform its obligations under the Civic Facilities Maintenance Agreement, the Contractor may exercise any remedy to which it is entitled at law or in equity.

The liability of the Authority for damages or otherwise shall be limited to the Authority’s interest in the WFC Civic Facilities, the Premises and the WFC Severance Leases, including, without limitation, the rents, issues and profits therefrom, the proceeds of any insurance policies covering or relating to the WFC Civic Facilities and the Premises, and any awards payable in connection with any condemnation of the WFC Civic Facilities, the Premises and the WFC Severance Leases. Neither the Authority nor any of its directors, officers, employees, agents or servants shall have any liability (personal or otherwise) beyond the Authority’s interest in the WFC

Civic Facilities, the Premises and the WFC Severance Leases, and no other property or assets of the Authority or any of its directors, officers, employees, agents or servants shall be subject to levy, execution or other enforcement procedure for the satisfaction of the Contractor's remedies thereunder.

The Authority is obligated to reimburse the Contractor for its Actual Costs, which include Extra Budget Amounts (which includes Actual Costs necessitated by any Casualty, Taking, defects in original construction except for a Warranty Repair, conditions other than those arising by reason of wear and tear and obsolescence, or additional repair or change of the Plaza or Esplanade because of specific events). Any offsets taken by a tenant under the WFC Severance Leases on account of amounts owed by the Authority to the Contractor under the Civic Facilities Construction Agreement shall be deemed to constitute payment by the Authority to the Contractor of such sums.

Project Operating Agreement

The Authority, Olympia & York and American Express Company and certain of its affiliates entered into a project operating agreement dated as of June 15, 1983, as amended by an amendment dated as of November 21, 1996 between the Authority, American Express Company and certain of its related entities and Brookfield (the "Project Operating Agreement"). The purpose of the Project Operating Agreement is to provide for the use, management, repair and restoration and cost sharing of certain areas and facilities (collectively, the "Common Areas") which, although located solely or principally in one of the Parcels, are for the use or benefit of, or provide utilities or other necessary services to, all or more than one of the Parcels and tenants and subtenants thereof. The Common Areas include the glass-enclosed Winter Garden, the Liberty Street Bridge, the Central Plant, the Loading Dock, the Courtyard, the Utility Lines and Conduit, the Security and Fire Control Center, the Pedestrian Ways, the Landscaped Areas, the Driveway, and, until the dedication thereof to New York City for public use, those WFC Civic Facilities with respect to which the Management Committee elects or a tenant under a WFC Severance Lease elects to assume responsibility for the operation, maintenance, repair and restoration (the "Elected Civic Facilities"). The Project Operating Agreement commenced on June 15, 1983, is intended to run with the land to apply to and bind the successors and assigns of the respective parties (including the Authority as successor in interest to a tenant or The City of New York), and expires on June 17, 2069. Tenant of each Parcel for itself, its successors and assigns, agrees that it will not amend its WFC Severance Lease or the Easement and Restrictive Covenant Agreement in any manner which would adversely affect the rights of any other tenant, or impair or derogate its obligations, under the Project Operating Agreement.

The Project Operating Agreement provides for the establishment of a tenants' committee (the "Management Committee") comprised of representatives of tenants under the WFC Severance Leases. The Project Operating Agreement imposes monetary and other obligations on the part of tenants under the WFC Severance Leases. In the event the Authority shall have terminated a WFC Severance Lease, the Authority shall assume such obligations of tenant under the terminated WFC Severance Lease. The parties to the Project Operating Agreement acknowledge that, under each WFC Severance Lease, the Authority has agreed that tenants, acting jointly through the Management Committee, shall have the right of self-help if the Authority, as landlord under the WFC Severance Leases, fails to perform its obligations to operate, maintain and repair the WFC Civic Facilities. If the Management Committee, on behalf of tenants, shall obtain a judgment (beyond right of appeal) holding that such tenants rightfully undertook to perform or cause the performance of such obligations of the Authority, then each tenant under a WFC Severance Lease (other than the Authority if it shall have succeeded to the interest of a tenant under the Project

Operating Agreement) may offset from the next installments of Base Rent, Percentage Rent, Retail Rent, Other Rent and PILOT due the Authority such tenant's pro rata share of the amount of the final judgment (together with interest).

The Authority may dedicate to the City for public use those portions of the WFC Civic Facilities consisting of the Pedestrian Bridges and the Plaza or Esplanade, or any portion thereof. The Authority has, however, agreed to give tenants notice of its intention to dedicate such WFC Civic Facilities, and if the Management Committee (excluding the Authority if it is a tenant) elects by notice to the Authority on behalf of tenants to assume the Authority's obligations to operate, maintain, repair and restore such WFC Civic Facilities, the Authority shall not dedicate such WFC Civic Facilities or the portion thereof in question. In such event, tenants (other than the Authority) jointly shall be obligated to each other and to the Authority to operate, maintain, repair and restore such WFC Civic Facilities or such portion thereof, until dedication to New York City. In the event the Management Committee shall not have elected to block such dedication, the Authority has agreed to give tenant under the WFC Severance Lease for One World Financial Center the right to block such dedication and individually assume such obligations with respect to the Southern Pedestrian Bridge, and tenant under the WFC Severance Lease for Two World Financial Center the right to block such dedication and individually assume such obligations with respect to the Northern Pedestrian Bridge, the Plaza and the Esplanade. If neither tenant shall have elected to do so, the Authority has agreed that tenant under the WFC Severance Lease for Three World Financial Center shall have such rights.

Additional Ancillary Agreements

1. On October 27, 1987, the Authority entered into an agreement with successors in interest to Olympia & York ("O&Y WFC") and its affiliates (the "O&Y WFC Settlement Agreement") in which the parties agreed that a payment of \$625,000 by the Authority to O&Y WFC would constitute a full settlement of the Authority's obligation to make payments to O&Y WFC for the costs, past, present and future, incurred by O&Y WFC in performing the maintenance and other obligations with respect to the WFC Civic Facilities under the Civic Facilities Maintenance Agreement. O&Y WFC's acceptance of such payment was subject to (i) an agreement being entered into between the Authority, American Express Company and certain of its affiliates and Merrill Lynch & Co. and certain of its affiliates pursuant to which the Management Committee, at its expense, under the Project Operating Agreement would perform the maintenance obligations for the WFC Civic Facilities and the Authority would not dedicate the WFC Civic Facilities to The City of New York, and (ii) American Express Company and Merrill Lynch & Co. each agreeing in a new civic facilities agreement to pay a respective portion of the cost of these maintenance obligations. Although such agreement has not been finalized or executed as of this date, the Authority has made the \$625,000 payment to O&Y WFC and the Management Committee has been maintaining the WFC Civic Facilities at its expense. There can be no assurance, however, that the Management Committee will continue to do so. See "Civic Facilities Maintenance Agreement" and "Project Operating Agreement" above for a discussion of the rights and obligations of the Authority, Olympia & York, as Contractor, and the tenants under the WFC Severance Leases with respect to the WFC Civic Facilities. Brookfield has succeeded to the interest of O&Y WFC.

2. With regard to the operation and maintenance of the Plaza, the Authority and WFP Retail Co. L.P. ("WFP Retail"), successor in interest to Olympia & York WFC Retail Company ("O&Y Retail") are parties to an agreement, dated as of July 27, 1988, which provided for the Authority's assignment to O&Y Retail of its rights to license vendors in certain areas in or adjacent

to the Plaza. The agreement provides that WFP Retail may sub-license vendors in accordance with criteria and rules developed by O&Y Retail (or which might be developed by WFP Retail) subject to the reasonable approval of the Authority.

3. In an agreement between the Authority, WFC Tower A Company, Olympia & York Tower B Company, and WFC Tower D Company, dated as of July 27, 1988, the Authority agreed not to grant the operator of the North Cove Yacht Harbor (the “Marina operator”) any exclusive easement across or through the WFC Civic Facilities and to require the operator to bear the incremental costs of operating, maintaining, repairing, providing security for and restoring the WFC Civic Facilities resulting from the operation of the Marina. The Agreement makes the Authority liable to the Management Committee and tenants under the WFC Severance Leases for any such costs which the Marina operator fails to pay. The agreement further provides that the insured entities as defined in the agreement shall not be liable for, and the Authority shall, or shall cause the Marina operator to indemnify, defend and hold harmless such insured entities from and against, any losses, costs, expenses, damages and claims arising out of, resulting from or in connection with the construction of the Marina and the negligent or wrongful actions of the Marina operator in connection with the operation of the Marina. The Authority is liable to the Management Committee and tenants under the WFC Severance Leases to the extent that the Marina operator fails to fulfill certain obligations specified in the agreement.

By assignments on November 21, 1996, WFP Tower A Co. L.P., WFP Tower B Co. L.P., and WFP Tower D Co. L.P. have succeed to the interests, respectively, of WFC Tower A Company, Olympia & York Tower B Company, and WFC Tower D Company.

4. The Authority and WFP Retail, as successor in interest to O&Y Retail, are also parties to an agreement, dated as of July 27, 1988, concerning the license of certain limited portions of the World Financial Center Plaza adjacent to Two World Financial Center and Four World Financial Center for use as spillover seating by restaurant subtenants located in each such building.

Other Agreements

In connection with matters relating to other portions of the Project Area (not limited to the World Financial Center), the Authority has entered into three mapping agreements with the City: (a) dated as of April 23, 1982, relating to the streets and parks in the Rector Place and Battery Place residential areas and to the southernmost of two pedestrian bridges which cross West Street and are connected to the World Financial Center (BPC Development Corporation, a subsidiary of the UDC and the Authority’s predecessor in interest as fee owner of the Project Area, was also a signatory), (b) dated as of March 15, 1983, relating to the northernmost of two pedestrian bridges which cross West Street and are connected to the World Financial Center area and (c) dated as of October 3, 1991, relating to the streets and parks in the portion of the Project Area north of Liberty Street (the “North Neighborhood”). Together these agreements provide for the Authority’s construction, conveyance to the City and dedication for public use (and the City’s acceptance of such dedication) of the streets, water and sewer facilities and certain related infrastructure improvements (not including parks) of Battery Park City. Provision is also made in these agreements for the parks of Battery Park City, including the Plaza at the World Financial Center.

These agreements, among other things, allow the Authority to retain ownership of these mapped parks (subject to certain limitations described below), require the Authority to consult with the New York City Department of Parks and Recreation concerning rules and regulations for the parks and require the Authority to develop and maintain the parks. These agreements also

permit the Plaza at the World Financial Center and the North Cove to be developed, operated and maintained by the tenants under the WFC Severance Leases and by the North Cove lessee, respectively. These agreements further provide for the funding mechanism for the operation and maintenance of the parks adjacent to the residential area of the Project Area which is reflected in the Civic Facilities Payment provisions of the Rector Place Subleases and the Battery Place Subleases.

The mapping agreement for the Rector Place and Battery Place residential areas provides that prior to the City's exercise of its option to acquire all of the Project Area, upon the request of the City, the Authority shall dedicate to the City by deed or deeds of cession the parks in such area. The mapping agreement for the North Neighborhood provides that prior to the City's exercise of its option to acquire all of the Project Area, (a) if the Authority shall fail in a material way to comply with its obligations with respect to the parklands or (b) if the New York City Department of Parks and Recreation shall determine to acquire the parks at any time after December 31, 1999, upon notice from the Parks Department, the Authority shall dedicate to the City by deed or deeds of cession the parks in such North Neighborhood (except for the World Financial Center Plaza).

Upon the exercise of the City's option to acquire all of Battery Park City, title to the parks will be held by the City, except that title to the parklands in the North Neighborhood shall be subject to certain then existing agreements with respect to the Plaza at the World Financial Center, the North Cove and the operating agreement for such North Neighborhood parklands.

Section 2.1. Purpose. This Agreement shall constitute a written undertaking for the benefit of the Holders and the Beneficial Owners, and is being executed and delivered solely to assist the Underwriters in complying with subsection (b)(5) of the Rule.

Section 2.2. Annual Financial Information.

(a) BPCA shall provide an electronic copy of Annual Financial Information with respect to each Fiscal Year and Certification to the Disclosure Dissemination Agent, together with a copy for the Trustee, no later than 180 days after the end of such Fiscal Year. Promptly upon receipt of an electronic copy of the Annual Financial Information and the Certification, the Disclosure Dissemination Agent shall provide the Annual Financial Information to the MSRB through EMMA for municipal securities disclosures.

(b) If on the fifteenth (15th) day prior to the Annual Filing Date, the Disclosure Dissemination Agent has not received a copy of the Annual Financial Information and Certification, the Disclosure Dissemination Agent shall contact the Disclosure Representative by telephone and in writing (which may be by email) to remind BPCA of its undertaking to provide the Annual Financial Information pursuant to Section 2.2(a) hereof. Upon such reminder, the Disclosure Representative shall, not later than two (2) business days prior to the Annual Filing Date, either (i) provide the Disclosure Dissemination Agent with an electronic copy of the Annual Financial Information and the Certification or (ii) instruct the Disclosure Dissemination Agent in writing, with a copy to the Trustee, that BPCA will not be able to file the Annual Financial Information within the time required under this Agreement, state the date by which the Annual Financial Information for such year will be provided and instruct the Disclosure Dissemination Agent that, subject to Section 2.2(d) hereof, a Listed Event as described in clause (15) of the definition of “Listed Event” will have occurred as of the Annual Filing Date and that a Listed Event Notice in respect thereof should be sent on the Annual Filing Date to the MSRB in substantially the form attached hereto as Exhibit A.

(c) BPCA may adjust the Annual Filing Date upon change of its fiscal year by providing written notice of such change and the new Annual Filing Date to the Disclosure Dissemination Agent, the Trustee and the MSRB, provided that the period between the existing Annual Filing Date and new Annual Filing Date shall not exceed one year.

(d) If the Disclosure Dissemination Agent has not received the Annual Financial Information and Certification by 6:00 p.m. (Eastern time) on the Annual Filing Date (or, if such Annual Filing Date falls on a Saturday, Sunday or holiday, then the first business day thereafter) for the Annual Financial Information, a Failure to File Event shall have occurred and BPCA irrevocably directs the Disclosure Dissemination Agent to immediately send a Notice to the MSRB in substantially the form attached hereto as Exhibit A without reference to the anticipated filing date for the Annual Financial Information, accompanied by a cover sheet completed by the Disclosure Dissemination Agent in the form set forth in Exhibit B attached hereto.

Section 2.3. Audited Financial Statements. If Audited Financial Statements are not provided as part of Annual Financial Information by the date required by Section 2.2(a) hereof, BPCA shall provide an electronic copy of the Audited Financial Statements, when and if available, and a Certification to the Disclosure Dissemination Agent, together with a copy for the Trustee, and the Disclosure Dissemination Agent shall promptly provide the Audited Financial Statements to the MSRB through EMMA.

Section 2.4. Listed Event Notice.

(a) BPCA shall provide, within ten (10) days of the occurrence of a Listed Event, a Listed Event Notice to the Disclosure Dissemination Agent and the Trustee. In addition, BPCA shall provide a Certification to accompany such notification to the Disclosure Dissemination Agent. Such notification or Certification shall identify the Listed Event that has occurred, include the text of the disclosure that BPCA desires to make, the written authorization of BPCA for the Disclosure Dissemination Agent to disseminate such information, and identify the date BPCA desires for the Disclosure Dissemination Agent to disseminate the information (provided that such date is not later than the tenth (10th) business day after the occurrence of the Listed Event).

(b) The Disclosure Dissemination Agent is under no obligation to notify BPCA or the Disclosure Representative of an event that may constitute a Listed Event. In the event the Disclosure Dissemination Agent so notifies BPCA or the Disclosure Representative, such notified party will within two (2) business days of receipt of such Notice (but in any event not later than the tenth (10th) business day after the occurrence of the Listed Event, if BPCA determines that a Listed Event has occurred), instruct the Disclosure Dissemination Agent that (i) a Listed Event has not occurred and no filing is to be made or (ii) a Listed Event has occurred and the Disclosure Dissemination Agent is to report the occurrence pursuant to subsection (c) of this Section 2.4, together with a Certification. Such Certification shall identify the Listed Event that has occurred, include the text of the disclosure that BPCA desires to make, contain the written authorization of BPCA for the Disclosure Dissemination Agent to disseminate such information, and identify the date BPCA desires for the Disclosure Dissemination Agent to disseminate the information (provided that such date is not later than the tenth (10th) business day after the occurrence of the Listed Event).

(c) If the Disclosure Dissemination Agent has been instructed by BPCA as prescribed in subsection (a) or subsection (b) of this Section 2.4 to report the occurrence of a Listed Event, the Disclosure Dissemination Agent shall promptly file a Notice of such occurrence with the MSRB, in accordance with Section 2.5(d) hereof. This Notice will be filed with a cover sheet completed by the Disclosure Dissemination Agent in the form set forth in Exhibit B attached hereto.

(d) The Trustee shall promptly give Notice to BPCA at its Notice Address and the Disclosure Dissemination Agent at its Notice Address whenever in the course of performing its duties as Trustee under the Resolution, the Trustee identifies a Listed Event; provided, however, that the failure of the Trustee so to advise BPCA shall not constitute a breach by the Trustee of any of its duties and responsibilities under this Agreement or the Resolution.

Section 2.5. Disclosure Dissemination Agent's Obligations. The Disclosure Dissemination Agent shall:

(a) verify the filing specifications of the MSRB each year prior to the Annual Filing Date;

(b) upon receipt, promptly file Annual Financial Information received pursuant to Section 2.2(a) hereof with the MSRB;

(c) upon receipt, promptly file each Audited Financial Statement received pursuant to Section 2.3 hereof with the MSRB;

(d) upon receipt, promptly file the text of each Listed Event received pursuant to Section 2.4(a) hereof with the MSRB, identifying the Listed Event;

(e) upon receipt (or irrevocable direction pursuant to Section 2.2(c) of this Agreement, as applicable), promptly file a completed copy of Exhibit A and Exhibit B to this Agreement with the MSRB, identifying the filing as "Failure to provide annual financial information as required" when filing pursuant to Section 2.2(b)(ii) or Section 2.2(c) hereof;

(f) upon receipt, promptly file each Voluntary Disclosure received pursuant to Section 2.7(a) hereof with the MSRB; and

(g) provide to BPCA evidence of the filings of each of the above when made, which shall be by means of DAC's system, for so long as DAC is the Disclosure Dissemination Agent under this Agreement.

Any Information received by the Disclosure Dissemination Agent before 6:00 p.m. (Eastern time) on any business day that it is required to file with the MSRB pursuant to the terms of this Agreement and that is accompanied by a Certification and all other information required by the terms of this Agreement will be filed by the Disclosure Dissemination Agent with the MSRB by no later than 11:59 p.m. (Eastern time) on the same business day; provided, however, that the Disclosure Dissemination Agent shall have no liability for any delay in filing with the MSRB if such delay is caused by a Force Majeure Event provided that the Disclosure Dissemination Agent uses reasonable efforts to make any such filing as soon as possible.

Section 2.6. Voluntary Disclosure.

(a) BPCA may instruct the Disclosure Dissemination Agent to file a Voluntary Disclosure with the MSRB from time to time pursuant to a Certification of the Disclosure Representative. Such Certification shall identify the event or information to be disclosed, include the text of the disclosure that BPCA desires to make and identify the date on which BPCA desires for the Disclosure Dissemination Agent to disseminate the information. If the Disclosure Dissemination Agent has been instructed by BPCA to file a Voluntary Disclosure, then the

Disclosure Dissemination Agent shall promptly file such Voluntary Disclosure with the MSRB in accordance with Section 2.5(f) hereof.

(b) The parties hereto acknowledge that BPCA is obligated pursuant to the terms of this Agreement to file any Voluntary Disclosure pursuant to Section 2.6(a) hereof.

(c) Nothing in this Agreement shall be deemed to prevent BPCA from disseminating any other information through the Disclosure Dissemination Agent using the means of dissemination set forth in this Section 2.6, or including any other information in the Annual Financial Information, any Listed Event Notice or any notice of Failure to File Event in addition to that which is specifically required by this Agreement. If BPCA chooses to include any information in the Annual Financial Information, any Listed Event Notice, any notice of Failure to File Event or any Voluntary Disclosure, BPCA shall have no obligation under this Agreement to update such information or include it in any future Annual Financial Information, Listed Event Notice, notice of Failure to File Event or Voluntary Disclosure.

Section 2.7. Disclosure Dissemination Agent. BPCA has appointed DAC as exclusive Disclosure Dissemination Agent under this Agreement. BPCA may, upon thirty (30) days' written Notice to the Disclosure Dissemination Agent and the Trustee, replace or appoint a successor Disclosure Dissemination Agent. Upon termination of DAC's services as Disclosure Dissemination Agent, BPCA agrees to appoint a successor Disclosure Dissemination Agent or, alternatively, agrees to assume all responsibilities of the Disclosure Dissemination Agent under this Agreement for the benefits of the Holders. BPCA shall provide written notice of any termination of an existing Disclosure Dissemination Agent and any appointment of a successor Disclosure Dissemination Agent to the Trustee.

Section 2.8. Additional Disclosure Obligations. BPCA acknowledges and understands that other state and federal laws, including, but not limited to, the Securities Act of 1933 and Rule 10b-5 promulgated under the Exchange Act, may apply to BPCA, and that the duties and responsibilities of the Disclosure Dissemination Agent under this Agreement do not extend to providing legal advice regarding such laws. BPCA acknowledges and understands that the duties of the Disclosure Dissemination Agent relate exclusively to execution of the mechanical tasks of disseminating information as described in this Agreement.

ARTICLE III OPERATING RULES

Section 3.1. Incorporation by Reference. It shall be sufficient for purposes of Section 2.2 hereof if BPCA provides Annual Financial Information by specific reference to documents previously filed with the MSRB through EMMA.

Section 3.2. Submission of Information. Annual Financial Information may be provided by BPCA to the Disclosure Dissemination Agent in one document or multiple documents, and at one time or in part from time to time.

ARTICLE IV TERMINATION, AMENDMENT AND ENFORCEMENT

Section 4.1. Termination.

(a) BPCA's, the Disclosure Dissemination Agent's and the Trustee's obligations under this Agreement with respect to 2019 Bonds shall terminate upon the legal defeasance pursuant to the Resolution, prior redemption, or payment in full of all of the 2019 Bonds. BPCA shall give notice of any such termination to the MSRB through EMMA.

(b) This Agreement, or any provision hereof, shall be null and void, to the extent set forth in the opinion of Securities Counsel described in the following clause (1), in the event that BPCA (1) delivers an opinion of Securities Counsel, addressed to BPCA, the Disclosure Dissemination Agent and the Trustee, to the effect that those portions of the Rule which require the provisions of this Agreement, or any of such provisions, do not or no longer apply to any or all of the 2019 Bonds, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion and (2) delivers notice to such effect to the MSRB through EMMA.

Section 4.2. Amendment.

(a) This Agreement may be amended by written agreement of the parties, and any provision of this Agreement may be waived in writing, in either case without the consent of the Holders or Beneficial Owners, except to the extent required pursuant to clause 4(ii) below, if all of the following conditions are satisfied: (1) such amendment or waiver is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of BPCA or the type of business conducted thereby, (2) this Agreement as so amended or waived would have complied with the requirements of the Rule as of the date of the Official Statement, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, (3) BPCA shall have delivered to the Disclosure Dissemination Agent and the Trustee an opinion of Securities Counsel, addressed to BPCA, the Disclosure Dissemination Agent and the Trustee, to the same effect as set forth in clause (2) above, (4) either (i) a party unaffiliated with BPCA (such as the Trustee or bond counsel), acceptable to BPCA, the Disclosure Dissemination Agent and the Trustee, has determined that the amendment or waiver does not materially impair the interests of the Beneficial Owners, or (ii) the Holders consent to the amendment or waiver of this Agreement pursuant to the same procedures as are required for amendments to the Resolution with consent of Holders, and (5) BPCA shall have provided an electronic copy of such amendment or waiver to the Disclosure Dissemination Agent, and the Disclosure Dissemination Agent shall have promptly provided such amendment or waiver to the MSRB through EMMA.

(b) In addition to clause (a) above, this Agreement may be amended by written agreement of the parties, and any provision of this Agreement may be waived in writing, in either case without the consent of the Holders or Beneficial Owners, if all of the following conditions are satisfied: (1) an amendment to the Rule is adopted, or a new or modified official interpretation of the Rule is issued, after the effective date of this Agreement, and is applicable to this Agreement, (2) the Trustee shall have received an opinion of Securities Counsel, addressed to BPCA, the Disclosure Dissemination Agent and the Trustee, to the effect that the execution, performance and effect of such amendment or waiver would not, in and of themselves, result in a violation of the

Rule, taking into account any subsequent change in or official interpretation of the Rule, and (3) BPCA shall have provided an electronic copy of such amendment or waiver to the Disclosure Dissemination Agent, and the Disclosure Dissemination Agent shall have promptly provided such amendment or waiver to the MSRB through EMMA.

(c) To the extent any amendment to this Agreement results in a change in the type of financial information or operating data provided pursuant to this Agreement, the first Annual Financial Information provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change.

(d) If an amendment is made to the basis on which financial statements are prepared, the Annual Financial Information for the year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a qualitative and, to the extent reasonably feasible, quantitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information.

Section 4.3. Benefit; Third-Party Beneficiaries; Enforcement.

(a) The provisions of this Agreement shall inure solely to the benefit of the parties hereto, the underwriters of the 2019 Bonds and the Holders from time to time; *except* that Beneficial Owners shall be third-party beneficiaries of this Agreement.

(b) *Except* as provided in this subsection (b), the provisions of this Agreement shall create no rights in any other person or entity. Except as limited by the two succeeding sentences, the obligation of BPCA to comply with the provisions of this Agreement shall be enforceable (i) in the case of enforcement of obligations to provide financial statements, financial information, operating data and notices, by any Beneficial Owner of Outstanding 2019 Bonds, or by the Trustee on behalf of the Holders of Outstanding 2019 Bonds, or (ii), in the case of challenges to the adequacy of the financial statements, financial information and operating data so provided, by the Trustee on behalf of the Holders of Outstanding 2019 Bonds or by any Beneficial Owner. A Beneficial Owner may not take any enforcement action pursuant to clause (ii) without the consent of the Holders of not less than a majority in aggregate principal amount of the 2019 Bonds at the time Outstanding. The Trustee shall not be required to take any enforcement action *except* at the direction of the Holders of not less than a majority in aggregate principal amount of the 2019 Bonds at the time Outstanding who shall have provided the Trustee with adequate security and indemnity.

(c) The Beneficial Owners', the Holders', the Disclosure Dissemination Agent's and the Trustee's right to enforce the provisions of this Agreement shall be limited to a right, by action in mandamus or for specific performance, in the Federal or State courts located in the Borough of Manhattan, State and City of New York, to compel performance of BPCA's obligations under this Agreement. Any failure by BPCA, the Disclosure Dissemination Agent or the Trustee to perform in accordance with this Agreement shall not constitute a default or any Event of Default under the Resolution, and the rights and remedies provided by the General Resolution upon the occurrence of a default or an Event of Default shall not apply to any such failure.

ARTICLE V MISCELLANEOUS

The Trustee shall have only such duties under this Agreement as are specifically set forth in this Agreement, and BPCA agrees to indemnify and save, but solely from Pledged Sublease Revenues, the Trustee, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Trustee's negligence or misconduct in the performance of its duties hereunder.

The Disclosure Dissemination Agent shall have no duty with respect to the content of any disclosures or notice made pursuant to the terms hereof. The Disclosure Dissemination Agent shall have no duty or obligation to review or verify any Information, or any other information, disclosures or notices provided to it by BPCA and shall not be deemed to be acting in any fiduciary capacity for BPCA, the Holders or any other party. The Disclosure Dissemination Agent shall have no duty to determine or liability for failing to determine whether BPCA has complied with this Agreement. The Disclosure Dissemination Agent may conclusively rely upon certifications of BPCA at all times.

FORM OF OPINION OF BOND COUNSEL

_____, 2019

Battery Park City Authority
New York, New York

Ladies and Gentlemen:

As Bond Counsel to the Battery Park City Authority (the “Authority”), we have examined the Constitution and laws of the State of New York (the “State”) and a record of proceedings relating to the issuance by the Authority of \$72,765,000 aggregate principal amount of Senior Revenue Bonds, Series 2019A (Sustainability Bonds) (the “2019A Bonds”), \$146,510,000 aggregate principal amount of Senior Revenue Bonds, Series 2019B (the “2019B Bonds”), and \$3,570,000 aggregate principal amount of Senior Revenue Bonds, Series 2019C (Federally Taxable) (Sustainability Bonds) (the “2019C Bonds”). The Authority is a body corporate and politic, constituting a public benefit corporation, created by the Battery Park City Authority Act, Title 12 of Article 8 of the Public Authorities Law (constituting Chapter 43-a of the Consolidated Laws of the State of New York), as added by Chapter 343 of the Laws of New York, 1968, as amended (the “Act”), and existing pursuant to the Act and the laws of the State.

In such examinations, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with originals of all documents submitted to us as copies thereof.

The 2019A Bonds, the 2019B Bonds and the 2019C Bonds (collectively, the “2019 Senior Bonds”) are authorized to be issued pursuant to the Act and pursuant to the 2003 General Bond Resolution adopted by the Authority on September 9, 2003 (the “General Resolution”), as supplemented by three Series Resolutions adopted by the Authority on May 21, 2019 (collectively, the “2019 Series Resolutions”), by three related Series Certificates (collectively, the “Series Certificates”) and by an authorizing resolution adopted by the Authority on May 21, 2019. The General Resolution and the 2019 Series Resolutions are collectively referred to herein as the “Resolution.”

Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the Resolution.

The 2019 Senior Bonds are dated, mature, are payable, bear interest and are subject to redemption or purchase as provided in the Resolution and the respective Series Certificates. The Authority has reserved the right to issue additional Bonds on the terms and conditions stated in the Resolution.

Our services did not include financial or other non-legal advice. We undertake no responsibility for the accuracy, completeness or fairness of any Official Statement or other offering material relating to the 2019 Senior Bonds and we express no opinion with respect thereto.

Subject to the foregoing, we are of the following opinion:

1. Under the Constitution and the laws of the State, the Authority has been duly created and validly exists as a body corporate and politic, constituting a public benefit corporation, with good right and lawful authority, among other things, to issue the 2019 Senior Bonds, to pledge the Collateral as security for the 2019 Senior Bonds, and to perform its obligations under the Resolution.

2. The Resolution has been duly and lawfully adopted by the Authority, is in full force and effect and valid and binding upon the Authority, and is enforceable against the Authority in accordance with its terms. The Series Certificates have been duly executed and delivered by an Authorized Officer of the Authority.

3. The 2019 Senior Bonds have been authorized and issued by the Authority in accordance with the Resolution and the laws of the State, including the Act.

4. The 2019 Senior Bonds are valid and binding special obligations of the Authority, payable solely from the Collateral pledged therefor pursuant to the Resolution, and are enforceable in accordance with their terms and the terms of the Resolution.

5. The 2019 Senior Bonds are Senior Bonds, secured by a pledge in the manner and to the extent provided in the Resolution. The Resolution creates the valid pledge of the Collateral that it purports to create, subject only to the provisions of the Resolution permitting the withdrawal, payment or setting apart thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

6. Pursuant to the Act, the 2019 Senior Bonds are not a debt of the State, and the State is not liable with respect to the 2019 Senior Bonds. The 2019 Senior Bonds are not payable out of any funds other than those pledged by the Authority for the payment thereof.

7. Under existing statutes and court decisions, (i) interest on the 2019A Bonds and the 2019B Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the 2019A Bonds and the 2019B Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code.

8. Interest on the 2019C Bonds is included in gross income for Federal income tax purposes pursuant to the Code.

9. Under existing statutes, interest on the 2019 Senior Bonds is exempt from personal income taxes imposed by the State or any political subdivision thereof (including The City of New York).

In rendering the opinions in paragraph 7 above, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Authority and others in connection with the 2019A Bonds and the 2019B Bonds and we have assumed compliance by the Authority and others with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2019A Bonds and the 2019B Bonds from gross income under Section 103 of the Code. Under the Code, failure to

comply with such requirements may cause the interest on the 2019A Bonds and the 2019B Bonds to be included in gross income for Federal income tax purposes, retroactive to the date of issuance of the 2019A Bonds and the 2019B Bonds, irrespective of the date on which such noncompliance occurs or is ascertained.

We express no opinion as to any Federal, state or local tax consequences arising with respect to the 2019 Senior Bonds, or the ownership or disposition thereof, other than as stated in paragraphs 7 through 9 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding Federal, state or local tax matters, including, without limitation, exclusion from gross income for Federal income tax purposes of interest on the 2019A Bonds or the 2019B Bonds.

In rendering this opinion, we are advising you that the enforceability of rights and remedies with respect to the 2019 Senior Bonds and the Resolution may be limited by bankruptcy, insolvency, and other laws affecting creditors' rights or remedies heretofore or hereafter enacted and is subject to the general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

We have examined an executed 2019A Bond, an executed 2019B Bond and an executed 2019C Bond and, in our opinion, the forms thereof and their execution are regular and proper.

Very truly yours,

Battery Park City Authority

Sustainability Bonds

Evaluation Summary

Sustainalytics is of the opinion that the Battery Park City Authority (BPCA) Sustainability Bond Framework is credible and impactful, and aligns with the Sustainability Bond Guidelines 2018. This assessment is based on the following:

USE OF PROCEEDS The green and social categories for eligible use of proceeds – (i) Climate Change Adaptation, and (ii) Affordable Basic Infrastructure – are aligned with those recognized by the Green Bond Principles 2018, the Social Bond Principles 2018, and the Sustainability Bond Guidelines 2018. Overall, the use of proceeds will, in Sustainalytics' opinion, have positive environmental and social impacts and advance the UN Sustainable Development Goals, specifically SDG 11 (Sustainable Cities and Communities) and SDG 13 (Climate Action).

PROJECT EVALUATION / SELECTION The Authority, along with its Board and in collaboration with third-party consultants and engineers, oversees the process of project selection and evaluation based on the Authority's resiliency, infrastructure and social goals. Sustainalytics considers the project selection process, which includes Board involvement, to be in line with market best practice.

MANAGEMENT OF PROCEEDS The Authority intends to track the net use of proceeds through the Sustainability Program Bond Fund held by the Trustee. The amount equal to net proceeds of the Sustainability Bonds will be earmarked for allocation to eligible projects. Pending allocation, the proceeds will be invested in Investment Obligations. This is in line with market practice.

REPORTING The Authority intends to publish annual reports on its website, until full allocation. The allocation reporting will include amounts allocated to each eligible project, description of projects funded, and remaining balance of unallocated net proceeds, which is in line with market practice. Since the Authority intends to provide details on the financed eligible projects, Sustainalytics also recommends the Authority to disclose any quantitative and/or qualitative impact metrics related to eligible projects, where feasible, on an annual basis.

Introduction

The Hugh L. Carey Battery Park City Authority (“BPCA”, the “Authority”, or the “Issuer”) is a New York State public benefit corporation established in 1968 to be responsible for planning, developing and maintaining the commercial, residential, retail, and park spaces in the 92-acre site of Battery Park City (“BPC”) on the southwestern tip of Manhattan.

The Authority has developed the BPCA Sustainability Bond Framework (the “Framework”) under which it intends to issue sustainability bonds and use the proceeds to finance, in part or in whole, new infrastructure projects and improvements to existing infrastructure projects that enhance BPC’s adaptation to climate change, protect and improve its LEED certified buildings, and promote open space, accessibility and walkability.

The Framework defines the eligible green category in the following area:

- Climate Change Adaptation

The Framework defines the eligible social category in the following area:

- Affordable Basic Infrastructure

A list of eligible projects and projected allocations for the 2019 sustainability bond issuance is provided in Appendix 1 (under “Phase 1 Capital Plan Sustainability Program Projects”).

The Authority engaged Sustainalytics to review its Sustainability Bond Framework, dated May 2019, and provide a second-party opinion on the Framework’s environmental and social credentials and its alignment with the Sustainability Bond Guidelines 2018 (SBG).¹ This Framework will be published within the Official Statement.²

As part of this engagement, Sustainalytics held conversations with various members of the Authority’s management team to understand the sustainability impact of their business processes and planned use of proceeds, as well as management of proceeds and reporting aspects of the Authority’s sustainability bonds. Sustainalytics also reviewed relevant public documents and non-public information.

This document contains Sustainalytics’ opinion of the BPCA Sustainability Bond Framework and should be read in conjunction with that Framework.

Section 1: Sustainalytics' Opinion on the BPCA Sustainability Bond Framework

Summary

Sustainalytics is of the opinion that the BPCA Sustainability Bond Framework is credible and impactful and aligns with the four core components of the GBP 2018 and SBP 2018. Sustainalytics highlights the following elements of the Framework:

- Use of Proceeds:
 - The green and social categories eligible for the use of proceeds are recognized as impactful by the GBP 2018, SBP 2018, and the SBG 2018.
 - The eligible projects under the green use of proceeds will provide meaningful environmental contributions.
 - The eligible category, Climate Change Adaptation, has several projects including South, North and West Battery Park City Resiliency Projects. BPCA has conducted vulnerability/risk assessment and identified and evaluated options for the protection of key facilities, infrastructure and related amenities. The assessment formed the basis for the selection of and need for investments in eligible projects including, but not limited to, the development of perimeter storm barriers, flood protection systems, waterproofing, and landscaping.
 - Sustainalytics recognizes that BPCA has taken measures to identify the need to invest in climate adaptation projects, and that such investments will result in significant environmental benefits, including (i) improvement in functionality, aesthetics and/or lifespan of public infrastructure and amenities, and (ii) enhanced flood mitigation potential of such assets.
 - The Framework has defined the general public as target population for eligible projects under the social use of proceeds.
 - The eligible category, Affordable Basic Infrastructure, includes projects that provide development/installation, repair and/or replacement of infrastructure, such as bridges, lighting, wireless cellular technology, public arts, sidewalks and bicycle lanes. Sustainalytics believes that such projects will increase asset life and create social benefits for the general public by preserving the socio-cultural attributes of BPC.
- Project Evaluation and Selection:
 - The Authority, along with its Board and in collaboration with third-party consultants and engineers, oversees the process of project selection and evaluation based on the Authority's resiliency, infrastructure and social goals. Sustainalytics considers the project selection process, which includes Board involvement, to be in line with market best practice.
- Management of Proceeds:
 - The Authority intends to track the net use of proceeds through the Sustainability Program Bond Fund held by the Trustee. The amount equal to net proceeds of the Sustainability Bonds will be earmarked for allocation to eligible projects. Pending allocation, the proceeds will be invested in Investment Obligations³. This is in line with market practice.
- Reporting:
 - The Authority intends to publish an annual report on its website, until full allocation.
 - The allocation reporting will include amounts allocated to each eligible project, a description of projects funded, and the remaining balance of unallocated net proceeds, which is in line with market practice. Since the Authority intends to provide details on the financed eligible projects, Sustainalytics also recommends the Authority to disclose any quantitative and/or qualitative impact metrics related to eligible projects, where feasible, on an annual basis.

³ Investment Obligations shall include any security that is legal for investment of funds by the State Comptroller pursuant to Section 98 of the State Finance Law.

Alignment with Sustainability Bond Guidelines 2018

Sustainalytics has determined that the BPCA Sustainability Bond Framework aligns with the SBG 2018, and the four core components of the GBP 2018 and the SBP 2018. For detailed information please refer to Appendix 2: Sustainability Bond/ Sustainability Bond Programme External Review Form.

Section 2: Sustainability Strategy of the Issuer

Contribution of the Framework to BPCA's sustainability strategy

BPCA was established with the purpose of developing and maintaining a well-balanced community in the Lower West Side of Manhattan. Its mission is to “plan, create, coordinate, and sustain a balanced community of commercial, residential, retail, and park space within its designated 92-acre site on the lower west side of Manhattan”.⁴

BPCA has mentioned environmental responsibility as one of its core values and its Board and management are committed to encouraging and pursuing resiliency and sustainability initiatives.⁵ BPCA recognizes resiliency as one of its immediate priorities and initiated several construction and/or restoration projects for “the preservation, safety and enhancement of public spaces, infrastructure and amenities within Battery Park City,”⁵ especially to protect such spaces and infrastructure from the threats of climate change, such as storm surge and sea level rise. BPCA has initiated the BPC Resilience Projects which includes the (i) South Battery Park City Resiliency Project, (ii) North Battery Park City Resiliency Project, (iii) the BPC Ball Fields Resiliency Project as well as the (iv) Battery Park City Western Perimeter Resiliency Project.⁶ These projects include creation of permeant and deployable flood barriers to mitigate damage from storm surges, as well as the construction of garden/park walls to create a new line of flood protection along the water's edge.

In addition to the above infrastructure initiatives, BPCA has also undertaken several recovery and resiliency initiatives since Superstorm Sandy made landfall.⁷ Some of those initiatives⁶ include, restoring flood resistance of BPC Ball Fields, making streetlights water resistant, identifying all BPC flood vulnerabilities and recommending flood protection measures, expanding flood insurance coverage for BPCA property and assets, and implementing an IT disaster recovery system.

BPCA, under its broader sustainability strategy, has incorporated several social and environmentally beneficial programmes in its waterfront parks.⁸ It has replaced concrete with porous gravel and toxin-free lawns thereby reducing runoff and providing natural cooling; efficient use of water is ensured by timed; weather-responsive watering systems; rock salt for winter ice removal has been replaced with plant-safe calcium chloride and has limited the use of synthetic pesticides and herbicides. BPCA has also established several educational programmes to promote climate awareness, especially among the youth.

Sustainalytics is of the opinion that BPCA's sustainability strategy and actions demonstrate the importance the Authority places on achieving positive environmental and social impacts. Sustainalytics also believes that BPCA's Framework is aligned with the Authority's overall sustainability initiatives and can support Battery Park City's transition towards a climate-resilient community.

Well positioned to address common environmental and social risks associated with the projects

While Sustainalytics recognizes that the net proceeds from BPCA's Framework will be directed towards eligible projects that have positive impact, Sustainalytics is aware that such projects could also lead to negative environmental and social outcomes. Some key environmental and social risks associated with the eligible projects relate to construction, installation and/or replacement of physical assets, and increased exposure of local communities to adverse effects.

Sustainalytics is of the opinion that BPCA can mitigate such risks with the following elements of its strategy and operations:

⁷ BPCA, Superstorm Sandy: Five Years On: <https://bpca.ny.gov/community/superstorm-sandy-five-years-on/>

⁸ The Battery, Sustainability Practices: <http://thebattery.org/about-us/sustainability/>

- The Authority incorporates environmental, social, and governance (ESG) factors with financial analysis during the evaluation of investment opportunities to address potential risks and leverage opportunities for planning, developing and maintaining infrastructure for the public.
- The Authority's 'Mission' is based on its 'Core Values' that identifies its 'Environmental Responsibility' of employing "the latest high-performance environmental design and techniques available" for all new development and maintenance initiatives. The Core Values also describes new development based on utilizing "adaptable and sustainable quality design" to exemplify "excellence in architecture and urban planning."
- BPCA's conducted assessment of Battery Park City's vulnerabilities to damages caused by the 100-year and 500-year storm events combined with the effects of sea level rise due to climate change for 25 and 50 years in the future. The assessment outlined short- and long-term mitigation actions that BPCA, along with relevant public-private stakeholders, intends to initiate. It helped BPCA to identify potential climate-resilient infrastructure projects for potential investment opportunities.
- BPCA has continued working with relevant stakeholders to identify potential permits, approvals and coordination required with federal, state and local agencies for planning, design and implementation of any undertaken or intended projects. The Authority also engages with property owners, and residential and commercial residents that might be adjacent to and/or potentially be affected by any interventions during the project implementation phase.
- BPCA conducted various Community and Stakeholder Outreach for recovery and resiliency initiatives since Superstorm Sandy, including South Battery Park City Resiliency Project⁹ and BPC Ball Fields Resiliency Project.¹⁰ BPCA also plans Community Outreach for both the North and Western Perimeter Resiliency Projects.
- BPCA follows sustainable maintenance and horticulture practices,¹¹ such as installation of energy or water saving devices and use of non-toxic materials. It supports the BPCA's strategy to minimize environmental impacts during the operational phase of related infrastructure.

Overall, due to the above-mentioned policies, systems and processes, Sustainability believes that BPCA has sufficient measures in place to identify, manage and mitigate environmental and social risks commonly associated with the use of proceeds.

Section 3: Impact of Use of Proceeds

The green and social use of proceeds categories are recognized as impactful by the GBP 2018 and the SBP 2018.

Importance of BPCA's projects in the context of climate adaptation and basic infrastructure provision

Historically, neighborhoods throughout New York City have been prone to flooding. However, in recent years, the frequency and number of areas affected by floods have increased. The Lower Manhattan Coastal Resiliency study's projection, based on data from the New York City Panel on Climate Change, demonstrated that Lower Manhattan is vulnerable to a range of climate hazards, such as sea level rise, tidal inundation, storm surge, extreme precipitation, and heatwaves. Without action, it is predicted that by 2050, 37% of the properties with a combined assessed value of USD13 billion will be at risk.¹²

To help mitigate against climate hazards that Lower Manhattan might face, The Lower Manhattan Coastal Resiliency study examined over twenty adaptation measures or 'tools' to address such hazards. This study provided the basis for short- and long-term investments and planning efforts to help Lower Manhattan adapt to the impacts of climate change.

Based on the assessment, BPCA's resiliency strategy incorporates investments that are planned to deliver climate adaptation for 1.15 miles waterfront area of Lower Manhattan. According to the Framework, BPCA, through its four Resiliency Projects, has planned to disburse approximately USD77 million for new climate adaptation efforts in the first phase of investments, and about USD13 Million on improvements to existing infrastructure. These resiliency and

infrastructure projects aim to decrease vulnerability from storm inundation and flooding and promote social benefits through the continued provision of open space, an increase in pedestrian safety, walkability, and access to public arts and recreation, such as community playgrounds.

Sustainalytics believes that the Authority, through such eligible projects, will reduce the potential for significant damages to physical and natural infrastructure while creating socio-cultural value for the general public.

Alignment with/contribution to SDGs

The UN Sustainable Development Goals (SDGs) were set in September 2015 and form an agenda for achieving sustainable development by the year 2030. The Authority’s sustainability bonds advance the following SDG goals and targets:

Use of Proceeds Category	SDG	SDG target
Climate Adaptation Affordable Basic Infrastructure	11. Sustainable Cities and Communities 13. Climate Action	11.7 By 2030, provide universal access to safe, inclusive and accessible, green and public spaces, in particular for women and children, older persons and persons with disabilities. 11.B By 2020, substantially increase the number of cities and human settlements adopting and implementing integrated policies and plans towards inclusion, resource efficiency, mitigation and adaptation to climate change, resilience to disasters, and develop and implement. 13.1 Strengthen resilience and adaptive capacity to climate-related hazards and natural disasters in all countries.

Conclusion

The Hugh L. Carey Battery Park City Authority (“BPCA”) has developed the BPCA Sustainability Bond Framework to finance, a broad range of eligible projects that intend to deliver positive environmental and social outcomes. Sustainalytics believes that BPCA’s Framework is aligned with the overall mission, values and strategy of the Authority and that the eligible categories will contribute to the advancement of UN Sustainable Development Goal 11 (Sustainable Cities and Communities) and 13 (Climate Action). Additionally, Sustainalytics is of the opinion that the Authority has sufficient measures to identify, manage and mitigate environmental and social risks commonly associated with the eligible projects funded by the use of proceeds.

Furthermore, Sustainalytics highlights that BPCA will invest in infrastructure projects that enhance public access to open space, accessibility and walkability, and that are recognized as impactful by the Social Bond Principles 2018.

Overall, Sustainalytics is of the opinion that the BPCA Sustainability Bond Framework is robust, transparent, and in alignment with the Sustainability Bond Guidelines 2018 and the four core components of the Green Bond Principles 2018 and the Social Bond Principles 2018.

ABOUT ROLE(S) OF REVIEW PROVIDERS AS DEFINED BY THE GBP AND THE SBP

- i. Consultant Review: An issuer can seek advice from consultants and/or institutions with recognized expertise in environmental and social sustainability or other aspects of the issuance of a Sustainability Bond, such as the establishment/review of an issuer's Sustainability Bond framework. "Second Party Opinions" may fall into this category.
- ii. Verification: An issuer can have its Sustainability Bond, associated Sustainability Bond framework, or underlying assets independently verified by qualified parties, such as auditors. In contrast to certification, verification may focus on alignment with internal standards or claims made by the issuer. Evaluation of the environmentally and socially sustainable features of underlying assets may be termed verification and may reference external criteria.
- iii. Certification: An issuer can have its Sustainability Bond or associated Sustainability Bond framework or Use of Proceeds certified against an external green and social assessment standard. An assessment standard defines criteria, and alignment with such criteria is tested by qualified third parties / certifiers.
- iv. Rating: An issuer can have its Sustainability Bond or associated Sustainability Bond framework rated by qualified third parties, such as specialised research providers or rating agencies. Sustainability Bond ratings are separate from an issuer's ESG rating as they typically apply to individual securities or Sustainability Bond frameworks / programmes.

BOOK-ENTRY-ONLY SYSTEM

[THIS PAGE INTENTIONALLY LEFT BLANK]

Book-Entry-Only System

General. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Series 2019 Senior Bonds and the Series 2019D Junior Bonds (collectively, for purposes of this Appendix H, the “Series 2019 Bonds”). The Series 2019 Bonds will be issued as fully registered securities in the name of Cede & Co. (DTC’s partnership nominee). One fully registered Series 2019 Bond will be issued for each maturity of each issue of the Series 2019 Bonds in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC and its Participants. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This arrangement eliminates the need for physical movement of the Series 2019 Bonds. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. The rules applicable to DTC and its Direct Participants and Indirect Participants are on file with the Securities and Exchange Commission.

Purchase of Ownership Interests. Purchases of Series 2019 Bonds under the DTC system must be made by or through Direct Participants, which will receive credit for the Series 2019 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (for the purposes of the discussion under “Book-Entry System,” a “Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participant records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2019 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive Series 2019 Bonds representing their ownership interests in Series 2019 Bonds, except in the event that use of the Book-Entry System for the Series 2019 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2019 Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2019 Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2019 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2019 Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Notices and Other Communications. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to the Series 2019 Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2019 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and Interest Payments. Principal of and interest payments on the Series 2019 Bonds will be made to DTC. DTC's practice is to credit Direct Participants' accounts on the payment date in accordance with their respective holdings shown on DTC's records unless DTC has no reason to believe that it will not receive payment on the payment date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the Authority, disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

Discontinuance of Book-Entry System. DTC may discontinue providing its services as securities depository with respect to the Series 2019 Bonds at any time by giving reasonable notice to the Authority. Under such circumstances, in the event that a successor securities depository is not obtained, the Series 2019 Bonds are required to be printed and delivered.

Use of Certain Terms in Other Sections of the Official Statement. In reviewing this Official Statement it should be understood that while the Series 2019 Bonds are in the Book-Entry System, references in other Sections of this Official Statement to owners or holders should be read to include the person for whom the Participant acquires an interest in the Series 2019 Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry System and (ii) notices that are to be given to owners or holders by the Authority will be given only to DTC. DTC will forward (or cause to be forwarded) the notices of the Participants by its usual procedures so that such Participants may forward (or cause to be forwarded) such notices to the Beneficial Owners.

DTC and Book-Entry Information. Information concerning DTC and the Book-Entry System contained in this Official Statement has been obtained from DTC and other sources that the Authority and the Underwriters believe to be reliable, and is not guaranteed as to accuracy or

completeness by, and is not to be construed as a representation by, the Underwriters or the Authority.

Neither the Authority nor the Underwriters will have any responsibility or obligation to Direct Participants, to Indirect Participants or to Beneficial Owners with respect to (i) the accuracy of any records maintained by the DTC, any Direct Participants or Indirect Participants, (ii) the payment by DTC, any Direct Participants or any Indirect Participants of any amount in respect of principal of or interest on the Series 2019 Bonds, (iii) any notice which is permitted or required to be given to owners (except such notice as is required to be given by the Authority to DTC), (iv) any consent given or other action taken by DTC as Owner of the Series 2019 Bonds or (v) any other event or purpose.
