<u>Project</u> :	New York City Police Memorial Expansion Project (the "Project") General Contractor Services Request for Proposals (the "RFP")	<u>Date</u> :	December 18, 2020
		RE: # of Pages:	Addendum #2 1

The following clarifications are provided below regarding two (2) components of the Specifications included within <u>Exhibit G</u> of the RFP. The particular components, as identified below, are of critical importance to the successful outcome of the Project, and it is therefore imperative that Proposers not propose any deviations from, or substitutions for, the particular requirements specified.

The specified stone is intended to match the existing stone of the Police Memorial, and the selected Proposer is to provide stone from the specified sources identified in the following Specifications section: <u>Section 044200 - Part 2.3 Granite, Item C. #1, 2 & 3</u>.

Selection of the stone fabricator and stone installer is at the discretion of the selected Proposer, provided that the fabricator and installer are both capable and experienced in accordance with the following Specifications section:

Section 044200 - Part 1.5 Quality Assurance, Item B. Fabricator Qualifications and Item C. Installer Qualifications

BPCA will not entertain any deviations or substitutions with respect to the above-referenced requirements.

By signing the line below, I am acknowledging that all pages of this Addendum #1 have been received, reviewed, and understood, and will be incorporated into the Proposal submitted. This document must be attached to the Proposal for consideration.
