ARTICLE 3

RENT

Section 3.01

- (a) For the period beginning on the Rent Commencement Date and communing thereafter throughout the Term, Tenant shall pay to Landlord, without notice or demand, the annual sums referred to below (collectively, the "Base Rent"):
 - (i) For each Lease Year (or portion thereof) listed on <u>Schedule 1</u> hereto, up to but not including the First Appraisal Date (the "<u>First Period</u>"), the sum of (A) the amount set forth on Schedule 1 opposite such Lease Year (or portion thereof) plus (B) the Incremental Rent, if any, payable in accordance with Subsection 3.01(d) hereof.
 - (ii) For the Lease Year commencing on the First Appraisal Date and continuing for a period of fifteen (15) Lease Years (the "Second Period"), an amount per annum equal to the greater of (x) six percent (6%) of the fair market value of the Land, determined as hereinafter provided, considered as unencumbered by this Lease and the Master Lease and as unimproved except for Landlord's Civic Facilities and other site improvements made by Landlord or (y) the product derived by multiplying the Base Rent payable for the Lease Year immediately prior to the First Appraisal Date by the Applicable Percentage for such Lease Year.
 - (iii) For the Lease Year commencing on the date immediately succeeding the expiration of the Second Period and continuing for a period of fifteen (15) Lease Years (the "Third Period"), an amount per annum equal to the greater of (x) six percent (6%) of the fair market value of the Land, determined as hereinafter provided, considered as unencumbered by this Lease and the Master Lease and as unimproved except for Landlord's Civic Facilities and other site improvements made by Landlord or (y) the product derived by multiplying the Base Rent payable in the last Lease Year of the Second Period by the Applicable Percentage for such Lease Year.
 - (iv) For the Lease Year commencing on the date immediately succeeding the expiration of the Third Period and continuing for a period of fifteen (15) Lease Years (the "Fourth Period"), an amount per annum equal to the greater of (x) six percent (6%) of the fair market value of the Land, determined as hereinafter provided, considered as unencumbered by this Lease and the Master Lease and as unimproved except for Landlord's Civic Facilities and other site improvements made by Landlord or (y) the product derived by multiplying the Base Rent payable in the last Lease Year of the Third Period by the Applicable Percentage for such Lease Year.
 - (v) For the Lease Year commencing on the date immediately succeeding the expiration of the Fourth Period and continuing until the expiration of the Term (the "Fifth

<u>Period</u>"), an amount per annum equal to the greater of (x) six percent (6%) of the fair market value of the Land, determined as hereinafter provided, considered as unencumbered by this Lease and the Master Lease and as unimproved except for Landlord's Civic Facilities and other site improvements made by Landlord or (y) the product derived by multiplying the Base Rent payable in the last Lease Year of the Fourth Period by the Applicable Percentage for such Lease Year.

- (b) The Base Rent shall be payable in equal monthly installments in advance commencing on the Rent Commencement Date and on the first day of each month thereafter during the Term. The Base Rent shall be payable in currency which at the time of payment is legal tender for public and private debts in the United States of America, and shall be payable at the office of Landlord set forth above or at such other place as Landlord shall direct by notice to Tenant. The Base Rent due for any period of less than a full Lease Year, and any installment of the Base Rent due for any period of less than a full month, shall be appropriately apportioned.
- (c) For the purposes of calculating Base Rent for the Second Period, Third Period, Fourth Period, Fifth Period and Sixth Period, the fair market value of the Land shall be determined as of the first day of the month next succeeding the twentieth anniversary of the date on which a Residential TCO shall be issued for any portion of the Buildings and as of each subsequent fifteenth anniversary thereafter (such twentieth anniversary being referred to herein as the "First Appraisal Date", and each subsequent fifteenth anniversary being referred to herein as a "Reappraisal Date"). Such determination of fair market value shall be by appraisal in the manner provided in Section 3.10 hereof, unless at least twelve months prior to the First Appraisal Date or any Reappraisal Date, Landlord and Tenant shall have agreed upon such fair market value.
- Incremental Rent ("Incremental Rent") shall be paid in equal monthly (d) nstallments commencing on the Rent Commencement Date, and shall equal the amount, if any, by which the amount set forth on Schedule 2 hereto which is applicable to a given Tax Year exceeds PILOT for such Tax Year. Tenant shall calculate Incremental Rent for each Tax Year simultaneously with the determination of the PILOT for such Tax Year pursuant to Secion 3.02(b) hereof. PILOT for the Tax Year commencing July 1, 1997 is \$437,382 and, accordingly, Incremental Rent for such Tax Year is \$426,471 (i.e., \$863,853 less \$437,382), prorated as provided below. In the event that the City Council of the City of New York (or any successor governmental agency) shall not have fixed the tax rate for any Tax Year on or before he fifteenth day of the final month of the immediately preceding Tax Year and Tenant shall be mable to make the calculations required by Section 3.02 and this Section 3.01(c) prior to the commencement of such Tax Year, Tenant shall pay monthly as estimated Incremental Rent an amount equal to the amount required to be paid under this Article on account of Incremental Rent or the preceding month. Within ten (10) days of the date on which the City Council shall fix the ax rate, Tenant shall pay the amount ("Corrected Incremental Rent"), if any, by which ncremental Rent properly payable for the portion of such Tax Year in respect of which Tenant previously paid estimated Incremental Rent exceeds the amount of such estimated Incremental Rent. In the event that the amount of such estimated Incremental Rent shall exceed the amount

of Incremental Rent properly payable for the portion of such Tax Year in respect of which Tenant previously paid such estimated Incremental Rent, Tenant may either (1) credit such excess against future monthly payments of Incremental Rent during such Tax Year, or (ii) deduct such excess from any PILOT payable pursuant to Section 3.02. No Incremental Rent shall be payable in respect of any period after the commencement of the Second Period. Incremental Rent shall be prorated with respect to any partial Tax Year occurring at the beginning or end of the First Period.

(e) Notwithstanding anything to the contrary contained in <u>Section 3.01(d)</u>, if a Mortgagee that is an Institutional Lender unaffiliated with Tenant, or such Mortgagee's designee, acquires Tenant's interest in this Lease by bona fide foreclosure or deed-in-lieu thereof, then, the Incremental Rent payable hereunder shall thereafter be equal to 85% of the Incremental Rent otherwise payable under <u>Section 3.01(d)</u>.

Section 3.02

- (a) For each Tax Year or portion thereof within the Term (excluding the portion of the Term occurring prior to the Rent Commencement Date), Tenant shall pay to Landlord, without notice or demand, an annual sum (each such sum being hereinafter referred to as a "Payment in Lieu of Taxes" or "PILOT") equal to the Adjusted Tax Equivalent for such Tax Year, payable in equal semi-annual installments during such Tax Year, in advance on the first day of each January and July. PILOT due for any period of less than six months shall be appropriately apportioned. On the Rent Commencement Date, Tenant shall pay to Landlord the semi-annual installment of PILOT with respect to the Tax Year in which the Rent Commencement Date occurs, apportioned as provided in the preceding sentence if the Rent Commencement Date is not July 1 or January 1.
- Within ten (10) days after the date on which the City Council of New York City (or any successor governmental agency) shall fix the tax rate applicable to real property comparable to the Premises and situated in the Borough of Manhattan for any Tax Year, Tenant shall advise Landlord of its calculation of the Adjusted Tax Equivalent for the forthcoming Tax Year, pursuant to Section 3.02(c) hereof. In the event that the City Council (or any successor governmental agency) shall not have fixed the tax rate for any Tax Year on or before the fifteenth day of the final month of the immediately preceding Tax Year and, therefore, Tenant shall be unable to calculate the Adjusted Tax Equivalent for such Tax Year prior to the commencement of such Tax Year, Tenant shall pay semi-annually, as estimated PILOT, an amount equal to the amount required to be paid under this Article on account of PILOT for the second half of the preceding Tax Year. Within ten (10) days after the date on which the City Council shall fix the tax rate, Tenant shall pay to Landlord the amount ("Corrected PILOT"), if any, by which PILOT properly payable for the portion of such Tax Year in respect of which Tenant previously paid estimated PILOT exceeds the amount of such estimated PILOT. In the event that the amount of such estimated PILOT shall exceed the amount of PILOT properly payable for the portion of such estimated PILOT, Tenant may either (i) credit such excess against

future semi-annual payments of PILOT during such Tax Year, or (ii) deduct such excess from any Corrected Incremental Rent payable pursuant to Section 3.01(c).

- For the purposes of this Section 3.02, the Adjusted Tax Equivalent shall be, (i) for each Tax Year or portion thereof commencing on the Commencement Date and ending on the earlier of (x) the last day of the Tax Year immediately following the Tax Year in which a Residential TCO has been duly issued, on or before the Taxable Status Date occurring during such Tax Year, by the New York City Department of Buildings for all residential space in the Buildings, or (y) the last day of the third full Tax Year immediately following the Tax Year in which the Commencement of Construction has occurred on or before the Taxable Status Date occurring during such Tax Year, an amount equal to the Land Tax Equivalent or a pro rata portion thereof, as the case may be; (ii) for the succeeding ten (10) Tax Years, subject to the provisions of Section 3.06, an amount equal to the Land Tax Equivalent; (iii) for the succeeding ten (10) Tax Years, subject to the provisions of Section 3.06, an amount equal to the sum of the Land Tax Equivalent plus the Tax Equivalent less the following amounts: (A) for the succeeding two Tax Years, an amount equal to one hundred percent (100%) of the Tax Equivalent; (B) for the succeeding two Tax Years, an amount equal to eighty percent (80%) of the Tax Equivalent; (C) for the succeeding two Tax Years, an amount equal to sixty percent (60%) of the Tax Equivalent; (D) for the succeeding two Tax Years, an amount equal to forty percent (40%) of the Tax Equivalent; and (E) for the succeeding Two Tax Years, an amount equal to twenty percent (20%) of the Tax Equivalent; and (iv) for each Tax year or portion of a Tax Year thereafter, an amount equal to the Tax Equivalent.
- Section 3.02, notwithstanding that Tenant may have instituted tax assessment reduction or other actions or proceedings pursuant to Section 4.06 hereof to reduce the assessed valuation of the Premises or any portion thereof. If any such tax reduction or other action or proceeding shall result in a final determination in Tenant's favor, (i) Tenant shall be entitled to a credit against future PILOT to the extent, if any, that the PILOT previously paid for the Tax Year for which such final determination was made exceeds the higher of (A) the PILOT as so determined, or (B) the amount stated for the period which is coterminous with such Tax Year on Schedule 2 hereto, and (ii) if such final determination is made for the then current Tax Year, future payments of PILOT for said Tax Year shall be based on the PILOT as so determined. If, at the time Tenant is entitled to receive such a credit, the City of New York is paying interest on refunds of Taxes, Tenant's credit shall include interest at the rate then being paid by the City of New York. In no event, however, shall Tenant be entitled to any refund of any such excess from Landlord.

Section 3.03 Tenant shall pay to Landlord the Civic Facilities Payment in accordance with the provisions of Section 26.05.

Section 3.04 In the event Tenant shall have submitted Tenant's leasehold estate in the Premises to either a cooperative or condominium form of ownership, Tenant shall pay to Landlord, upon the transfer of each Cooperative Apartment or each Unit, as the case may be, to a bona fide purchaser, a payment (individually, a "<u>Transaction Payment</u>" and collectively, the

"Transaction Payments"), in an amount equal to two percent (2%) of the Gross Sales Price of such Apartment or Unit. Concurrently with the transfer of a Cooperative Apartment or Unit, as the case may be, to a bona fide purchaser, Tenant shall notify Landlord of such fact and shall pay to Landlord the Transaction Payment due with respect to such Cooperative Apartment or Unit, as the case may be.

Section 3.05 All amounts required to be paid by Tenant pursuant to this Lease, including, without limitation, Base Rent, Percentage Rent, Net Income Percentage Rent, Incremental Rent, PILOT, Impositions, payments pursuant to Section 11.05(c) hereof, Civic Facilities Payments, and Transaction Payments (collectively, "Rental"), shall constitute rent under this Lease and shall be payable in the same manner as Base Rent; provided, however, that (i) in the event Tenant shall submit its leasehold interest in the Premises to a condominium form of ownership, then, in accordance with Section 3.08(e) hereof, all of Tenant's obligations with respect to Percentage Rent shall be the direct obligations of the Unit Owners of the respective Commercial Units and (ii) in accordance with Section 3.09(e) hereof, all of Tenant's obligations with respect to Net Income Percentage Rent shall cease to constitute Rental upon the date upon which Tenant shall have submitted its leasehold estate in the Premises to a cooperative or condominium form of ownership in accordance with the provision of this Lease. Rental shall be absolutely net to Landlord without any abatement, deduction, counterclaim, set-off or offset whatsoever except as specifically set forth in this Lease, so that this Lease shall yield, net, to Landlord, Rental in each year during the Term and that Tenant shall pay all costs, expenses and charges of every kind and nature relating to the Premises (except Taxes, if any and the cost of constructing and maintaining Landlord's Civic Facilities) which may arise or become due or payable during or after (but attributable to a period falling within) the Term.

Section 3.06

- (a) Until the Release Date, as defined in Section 3.06(b), Tenant, on a voluntary basis and solely as a condition precedent to receiving benefits (as set forth in Section 3.02(c) hereof) equivalent to benefits available under section 421-a of the Real Property Tax Law ("Section 421-a"), shall enjoy such rights and observe such requirements pertaining to the rental of dwelling units in the Buildings, as would be available or applicable to the owner of the Buildings pursuant to Chapter 4 of Title 26 of the Administrative Code of New York City, and the Rent Stabilization Code promulgated by the New York State Division of Housing and Community Renewal ("DHCR"), as well as regulations promulgated pursuant thereto, and all other applicable laws and regulations now in effect or hereafter enacted, all as heretofore and hereafter amended (collectively, the "Rent Regulations"), had construction of the Buildings commenced thirty (30) days after the Commencement Date and had the Buildings received partial tax exemption under Section 421-a and consequently been subject to rent stabilization under applicable law and regulation.
- (b) Tenant shall submit itself to the jurisdiction of the DHCR, or any successor agency administered by the State of New York or New York City having jurisdiction over rent stabilized buildings (the "Regulatory Body"). Upon submitting to the jurisdiction of

the Regulatory Body, Tenant shall comply with all of the requirements thereof and shall remain subject to the jurisdiction thereof, or of any successor association or agency, for as long as the owner of the Buildings would be required to so comply and to remain subject to such jurisdiction, had construction of the Buildings commenced thirty (30) days after the Commencement Date and had the Buildings received partial tax exemption under Section 421-a and consequently had been subject to rent stabilization under applicable law and regulation (the "Release Date").

- In the event that Tenant fails to subject itself to the jurisdiction of the Regulatory Body prior to the issuance of a temporary or permanent Certificate of Occupancy for any dwelling unit in the Buildings in accordance with the provisions of the preceding paragraph (b), Tenant shall nevertheless comply with all of the requirements of the Rent Regulations as if Tenant had submitted to the jurisdiction of such Regulatory Body (but only to the extent that and for so long as Tenant would be subject to such Rent Regulations had Tenant been subject to the jurisdiction of such Regulatory Body), and in such case Tenant shall be subject to the jurisdiction of an impartial rent officer ("Rent Officer") (who shall not be a tenant in the Project Area), appointed by Landlord, who shall administer a program of rent regulations which shall be the same as the Rent Regulations administered by the Regulatory Body (the "Rent Program"). The authority of the Rent Officer shall be limited to implementing and administering the Rent Program. In such event, Tenant shall pay to Landlord administration fees, as reasonably determined by Landlord, and such fees shall constitute Rental hereunder. Tenant in no manner waives, limits or otherwise compromises its right to resort to any and all fees of the judicial system for the resolution of disputes pertaining to the Rent Program or the administration thereof.
- (d) Noncompliance by Tenant with the Rent Regulations or with the Rent Program, as the case may be, shall cause Tenant to be subjected to such sanctions and penalties as would be imposed by the Regulatory Body, had the Buildings received partial tax exemption under Section 421-a and had the owner failed to comply with the Rent Regulations, regardless of whether Tenant is actually subject to the jurisdiction of the Regulatory Body or whether the Rent Program is being implemented and administered by the Rent Officer. In the event Tenant fails to remain subject to the jurisdiction of the Regulatory Body, or fails to participate in the Rent Program, as the case may be, prior to the Release Date, Tenant shall become subject to such sanctions and penalties as are then applicable to owners of buildings receiving partial tax exemption under Section 421-a upon such termination or revocation, including, if applicable, submitting to the jurisdiction of the agency implementing and administering the rent control program pursuant to Chapter 3 of Title 26 of the New York City Administrative Code, as heretofore and hereafter amended (the "Rent Control Sanction"). In the event Tenant is required to comply with the Rent Program in accordance with the provisions of paragraph (c) of this section and Tenant's participation in such Rent Program is terminated or revoked by reason of Tenant's noncompliance with the Rent Program prior to the Release Date, Tenant shall be subject to the Rent Control Sanction (if applicable, in accordance with the preceding sentence) as the same shall be administered by the Rent Officer. If the Rent Control Sanction becomes applicable, until the Release Date all increases in rents and other matters pertaining to the rental

of residential units in the Buildings shall be regulated in accordance with the rent control laws and regulations by the governmental agency having jurisdiction or by the Rent Officer, as the case may be. Failure by Tenant to submit to the Rent Control Sanction where required hereunder, or to comply with the rent control laws and regulations as administered by the governmental agency having jurisdiction, or their equivalent as administered by the Rent Officer, shall, at Landlord's option, constitute an Event of Default hereunder.

- (e) Solely as a condition precedent to receiving benefits (as set forth in Section 3.02(c) hereof) equivalent to benefits available under Section 421-a, Tenant shall comply with all of the requirements of Section 421-a that would be applicable to a project receiving equivalent benefits and the rules and regulations promulgated thereunder. In the event that Tenant shall either commit an act or fail to commit an act, which act or failure would result in revocation, discontinuance or diminution of tax benefits under Section 421-a had the Buildings received partial tax exemption under such Section, then the PILOT payable under Section 3.02 hereof shall be increased to an amount equal to the real estate taxes which would be payable by the owner of the Premises in the case of such revocation, discontinuance or diminution, were Tenant the fee owner thereof and had the Buildings received partial tax exemption under Section 421-a. Prior to payment of any such increase, Tenant shall have the right to contest or challenge the same in the same manner as is provided for contest or challenge of the revocation, discontinuance or diminution of partial tax exemption benefits under Section 421-a and the rules and regulations promulgated thereunder.
- (f) Whether subject to the Rent Regulations or the Rent Program, the initial rents permitted to be charged by Tenant to Subtenants of dwelling units in the Buildings shall be the maximum allowable rents as determined by the New York City Department of Housing Preservation and Development or any successor agency having such authority, as if the Buildings had received partial tax exemption under Section 421-a and consequently been subject to rent stabilization under applicable law and regulation, provided that, in addition to such allowable rents, Tenant shall be entitled to charge amounts equal to Civic Facilities Payments as set forth in paragraph (g) of this section.
- (g) Notwithstanding anything to the contrary contained in paragraphs (a) through (f) of this Section, Tenant, in addition of any rents permitted to be charged and collected pursuant to the Rent Regulations or Rent Program, shall be permitted to charge and collect from all Subtenants in the aggregate an amount equal to the Civic Facilities Payment by Tenant pursuant to Section 26.05(a). Such charge shall be based on each Subtenant's pro rata share of the Civic Facilities Payment, apportioned according to the size of the unit.
- (h) Tenant's obligations under this <u>Section 3.06</u> shall cease upon the Release Date.
- (i) Each Sublease for a dwelling unit in the Buildings shall contain a provision, in such form as may be required by the Rent Regulations or by any applicable Requirement advising the Subtenant that rents for the unit are regulated, pursuant to the terms of

this Lease, under the Rent Regulations or the Rent Program, as the case may be. Tenant shall make available to such Subtenant a copy of the Rent Regulations or the Rent Program.

Section 3.07

- (a) Each determination of fair market value of the Land referred to in Section 3.01(a)(ii)-(vi) shall be made in accordance with the procedures set forth in Article XVII of the Master Lease as in effect on the date hereof. Landlord shall and shall cause Master Landlord to permit Tenant and Tenant's representatives (including its Mortgagee or Mortgagees, if any) and witnesses, at Tenant's cost and expense, to participate in such procedures. Landlord, as tenant under the Master Lease, shall appoint as its appraiser under the Master Lease an appraiser designated by Tenant provided that the appraiser so designated is qualified to act as such pursuant to the terms of the Master Lease, and Tenant shall pay the fees and expenses payable by Landlord as such tenant in respect of the Premises pursuant to Section 17.02 of the Master Lease.
- (b) In the event that New York City shall, for any reason, fail to determine the assessed value of the Premises for any Tax Year during the Term, such assessed value shall be determined in accordance with the procedures set forth in Article XVII of the Master Lease, provided that, in making such determination, the appraisers shall take into consideration the equalization rates then applicable to comparable properties situated in the Borough of Manhattan, as well as any limitations on increases in assessed value for such comparable properties prescribed by applicable law. Tenant shall have the same right to participate in such procedures, and to appoint an appraiser, as set forth in Section 3.07(a).
- Gross Non-Residential Revenue (such date being hereinafter called the "Percentage Rent Commencement Date") and ending on December 31 of the calendar year in which the Percentage Rent Commencement Date occurs, and for each calendar year or partial calendar year thereafter occurring during the Term, Tenant shall pay to Landlord, in the manner set forth below, an amount equal to ten percent (10%) of the Gross Non-Residential Revenue during each such calendar year, or portion thereof ("Percentage Rent"). Percentage Rent shall be computed quarterly (subject to adjustment as provided in Section 3.08(d)) and paid in the manner hereinafter set forth.

(d) [Intentionally Left Blank]

(e) Tenant shall deliver to Landlord as soon as practicable after the end of each calendar quarter in each calendar year, but in no event later than thirty (30) days thereafter, a statement (the "Quarterly Percentage Rent Statement"), showing in reasonable detail Gross Non-Residential Revenue from the prior fiscal quarter. Based upon the Quarterly Percentage Rent Statement submitted by Tenant to Landlord, Tenant shall pay to Landlord ten percent (10%) of the Gross Non-Residential Revenue. Such partial payment of Percentage Rent shall be made by Tenant simultaneously with the submission to Landlord of the Quarterly Percentage Rent Statement.

- each calendar year, but in no event later than one hundred twenty (120) days thereafter, a separate statement (the "Annual Percentage Rent Statement") for such year showing Gross Non-Residential Revenue, together with the Percentage Rent due for such year. If the Annual Percentage Rent Statement shall show that the sums paid by Tenant as Percentage Rent for the calendar year for which such Annual Percentage Rent Statement is given were less than the Percentage Rent payable by Tenant for such year, then Tenant shall pay to Landlord, together with the delivery to Landlord of the Annual Percentage Rent Statement, the amount of such deficiency, and if the Annual Percentage Rent Statement shall show that the sums paid by Tenant as Percentage Rent for such calendar year exceeded the Percentage Rent payable by Tenant for such year, Landlord shall permit Tenant to offset the amount of such excess, without interest, against subsequent payments of Percentage Rent.
- (g) In the event that Tenant's leasehold estate in the Premises shall be submitted to a condominium form of ownership, the references in this Section 3.08 (other than this subparagraph (e)) and in Section 3.10 to "Tenant" shall be deemed to mean the unit owner of each commercial unit of such condominium; it being the agreement of Landlord and Tenant that such unit owner shall pay Percentage Rent directly to Landlord and that Landlord may pursue any rights granted to Landlord hereunder directly against such unit owner and only against such unit owner.

Section 3.08

(a) For each calendar year or portion thereof occurring from and after the Commencement Date until the First Appraisal Date, Tenant shall pay to Landlord an amount ("Net Income Percentage Rent") equal to ten percent (10%) of the amount by which Net Income for such calendar year (or portion thereof) exceeds Tenant's Preferred Return (as illustrated by the example shown on Exhibit J) as of the end of such calendar year (or portion thereof).

(b) [Intentionally Left Blank]

- (c) Tenant shall deliver to Landlord as soon as practicable after the end of each calendar year, but in no event later than thirty (30) days thereafter, a statement (the "Initial Net Income Percentage Rent Statement"), showing in reasonable detail Gross Revenue, Operating Expenses, Net Income and Preferred Return for such calendar year. Based on the Initial Net Income Percentage Rent Statement submitted by Tenant, Tenant shall, subject to subparagraph (a) of this Section 3.08, pay to Landlord the Net Income Percentage Rent for such calendar year. Such payment shall be made by Tenant simultaneously with the submission to Landlord of the Initial Net Income Percentage Rent Statement.
- (d) Tenant shall deliver to Landlord as soon as practicable after the end of each calendar year, but in no event later than one hundred twenty (120) days thereafter, a separate statement (the "Annual Net Income Percentage Rent Statement") for such calendar year

showing Gross Revenue, Operating Expenses and Net Income for such year, together with (i) a certification by Tenant as to the calculation of Tenant's Preferred Return for such calendar year and (ii) the Net Income Percentage Rent due for such calendar year. If the Annual Net Income Percentage Rent Statement shall show that the sum paid by Tenant as Net Income Percentage Rent for the calendar year for which such Annual Net Income Percentage Rent Statement is given was less than the Net Income Percentage Rent payable by Tenant for such year, then Tenant shall pay to Landlord, together with the delivery to Landlord of the Annual Net Income Percentage Rent Statement, the amount of such deficiency, and if the Annual Net Income Percentage Rent Statement shall show that the sum paid by Tenant as Net Income Percentage Rent for such calendar year exceeded the Net Income Percentage Rent payable by Tenant for such year, Landlord shall permit Tenant to offset the amount of such excess, without interest, against subsequent payments of Net Income Percentage Rent.

(e) In the event that Tenant's leasehold estate in the Premises shall be submitted to either a cooperative or a condominium form of ownership in accordance with the provisions of this Lease, Tenant shall no longer be obligated to pay Net Income Percentage Rent. In such event, Net Income Percentage Rent for the Fiscal Year in which such submission occurs shall be appropriately apportioned based upon the number of days within the fiscal year prior to which the Premises is submitted to a cooperative or condominium form of ownership.

Section 3.09 In connection with the payment by Tenant of Percentage Rent and Net Income Percentage Rent, the following provisions shall apply:

- York City books and records prepared on the basis required under Section 3.10(b), showing in reasonable detail the amount of Gross Non-Residential Revenue, Gross Revenue and Operating Expenses. Unless consented to by Landlord, such books and records relating to any calendar year shall not be destroyed or disposed of for a period of four (4) years after the end of such calendar year. Landlord or its representatives shall have the right during regular business hours to examine, audit and/or photocopy all such books and records. If an audit by Landlord with respect to a calendar year is not commenced within the aforesaid four (4) year period, the computation of the Percentage Rent paid by Tenant for such Lease Year or the Net Income Percentage Rent paid by Tenant for such thereafter be subject to Landlord's audit and shall conclusively be deemed correct.
- (b) Each Annual Percentage Rent Statement, Annual Net Income Percentage Rent Statement, Quarterly Percentage Rent Statement and Quarterly Net Income Percentage Rent Statement required under this Lease shall be (i) prepared in accordance with generally accepted accounting principles consistently applied and (ii) verified by the chief financial officer or managing partner of Tenant, or if the managing partner of Tenant is not an individual, by the chief financial officer of such managing partner, as being true and correct to the best of his knowledge. Each Annual Percentage Rent Statement and Annual Net Income Percentage Rent Statement shall be certified by an independent public accounting firm (the "C.P.A.") which is (x) an accounting firm having at least ten (10) partners, or (y) a firm approved by Landlord,

which approval shall not be unreasonably withheld. Such certification shall include, without limitation, a statement by the C.P.A. that an examination of Tenant's books and records has been conducted by the C.P.A. in accordance with generally accepted auditing standards consistently applied and that the Annual Percentage Rent Statement or Annual Net Income Percentage Rent Statement has been prepared in accordance with generally accepted accounting principles consistently applied.

- (c) If Landlord shall elect to conduct an audit of Tenant's books and records and such audit discloses an underpayment of Percentage Rent or Net Income Percentage Rent, subject to Section 3.10(e), Tenant shall pay to Landlord within ten (10) days after demand the amount of such deficiency, plus interest thereon at the Involuntary Rate from the date upon which such sum was due to the date of actual payment. In addition, if such deficiency shall be in excess of three and one-half percent (3.5%) of the amount alleged by Tenant to be payable, Tenant shall pay to Landlord within ten (10) days after demand all reasonable costs incurred by Landlord in connection with such audit.
- (d) If Tenant or an Affiliate of Tenant shall themselves use or occupy any non-residential portion of the Buildings, there shall be imputed as income the fair market rental value of the portion of the Buildings so occupied by Tenant or such Affiliate, as the case may be; provided, however, that no income shall be imputed by reason of Tenant's occupancy of any of the following: (i) leasing and management office to the extent not exceeding 1,500 square feet; (ii) common storage areas used for the benefit of the Buildings or its occupants; (iii) model apartments; (iv) building superintendent's apartment and office; (v) common areas; or (vi) space used for laundry, valet or health club purposes. Such income shall be deemed to be, and construed as, Gross Non-Residential Revenue and Gross Revenue for all purposes of this Lease. Fair market rental value as used in this Lease shall mean the rental which would be paid under a sublease (commencing at the same time as Tenant's or such Affiliate's use or occupancy) with a non-related Person leasing a similar amount of space in the same Buildings, for the same term, for a similar purpose and in a similar location in the Buildings, and shall include, inter alia, all fixed, percentage and escalation rents which would be included under such sublease.
- (e) If at any time and for any reason there shall be a dispute as to the determination of Gross Non-Residential Revenue, Gross Revenue, Operating Expenses, Preferred Return or fair market rental value, such dispute shall be determined by arbitration pursuant to Article 36 hereof. Pending resolution of the dispute, Tenant's determination of Gross Non-Residential Revenue, Gross Revenue, Operating Expenses or Preferred Return, as the case may be, shall prevail and Tenant shall pay Percentage Rent or Net Income Percentage Rent, as the case may be, based upon such determination. Without limitation of the foregoing, any deficiency, interest and expenses which may be payable by Tenant to Landlord pursuant to Section 3.10(c) shall not be payable if disputed by Tenant unless and until determined by such arbitration. If such arbitration determines an underpayment by Tenant, Tenant shall pay the amount of such underpayment, plus interest thereon at the Involuntary Rate, within ten (10) days after demand.

Affiliate of Tenant, Tenant shall pay to Landlord additional rent in an amount equal to ten percent (10%) of the amount by which the Net Proceeds of such sale exceed the amount, if any, that would have to be paid to Tenant on the date of such sale in order that, after taking into account all Net Income previously generated by the Premises, Tenant shall have received the IRR Return. "Net Proceeds" means the gross proceeds of the sale (including any portion of the purchase price paid for with purchase money financing) less all bona-fide liabilities of Tenant (including, without limitation, transaction costs to third parties) (assuming Tenant's only asset is its interest in this Lease), excluding any mortgage debt in excess of 75% of the Approved Development Cost.

ARTICLE 4

IMPOSITIONS

Section 4.01

Tenant shall pay, as hereinafter provided, all of the following items (collectively, "Impositions") imposed by any Governmental Authority (other than a Governmental Authority acting solely in its capacity as Landlord and not as a Governmental Authority) and which are not solely applicable to the Project Area, to properties which are exempt from Taxes or to lessees of any of the foregoing: (a) real property assessments (not including Taxes), (b) personal property taxes, (c) occupancy and rent taxes, (d) water, water meter and sewer rents, rates and charges, (e) excises, (f) levies, (g) license and permit fees, (h) service charges with respect to police protection, fire protection, street and highway construction, maintenance and lighting, sanitation and water supply, if any, (i) fines, penalties and other similar or like governmental charges applicable to the foregoing and any interest or costs with respect thereto and (j) except for Taxes, any and all other governmental levies, fees, rents, assessments or taxes and charges, general and special, ordinary and extraordinary, foreseen and unforeseen, of any kind and nature whatsoever, and any interest or costs with respect thereto, which at any time during the Term are, or, if the Premises or any part thereof or the owner thereof were not exempt therefrom, would have been (1) assessed, levied, confirmed, imposed upon or would have become due and payable out of or in respect of, or would have been charged with respect to, the Premises or any document to which Tenant is a party creating or transferring an interest or estate in the Premises (excluding any real property transfer taxes imposed in connection with the execution of this Lease, which shall be paid as provided in Section 4.03(b) below), or the use and occupancy thereof by Tenant and (2) encumbrances or liens on (i) the Premises, or (ii) the sidewalks or streets in front of or adjoining the Premises, or (iii) any vault (other than a vault in respect of which a utility company is obligated to pay any charge specified above or which is exempt from any such charge by reason of use thereof by any such utility company), passageway or space in, over or under such sidewalk or street, or (iv) any other appurtenances of the Premises, or (v) any personal property (except personal property which is not owned by or leased to Tenant), Equipment or other facility used in the operation thereof, or

- (vi) the Rental (or any portion thereof) payable by Tenant hereunder, each such Imposition, or installment thereof, during the Term to be paid not later than thirty (30) days prior to the Due Date thereof. However, if, by law, any Imposition may at the option of the taxpayer be paid in installments (whether or not interest shall accrue on the unpaid balance of such Imposition), Tenant may exercise the option to pay the same in such installments and shall be responsible for the payment of such installments only, together with applicable interest, if any, provided that all such installment payments together with applicable interest, if any, relating to periods prior to the date definitely fixed in <u>Article 2</u> hereof for the expiration of the Term shall be made prior to the Expiration Date. Tenant shall promptly notify Landlord if Tenant shall have elected to pay any such Imposition in installments.
- (b) Landlord represents to Tenant that, to the best of Landlord's knowledge without any independent investigation, there are no Impositions as of June 30, 1997 except as set forth on Exhibit G annexed hereto and made a part hereof.

Section 4.02 Tenant, from time to time upon request of Landlord, shall promptly furnish to Landlord official receipts of the appropriate imposing authority (to the extent Tenant has received same), or other evidence reasonably satisfactory to Landlord, evidencing the payment thereof.

Section 4.03

(a) If the Premises shall at any time become subject to Taxes, Landlord shall pay the Taxes on or before the due date thereof. In no event shall Tenant be obligated to pay Taxes. Landlord shall have the right, at Landlord's expense, to contest the imposition of Taxes, and pending such contest, if permitted by applicable law, Landlord shall not be required to pay the Taxes being so contested, unless failure to pay same shall result in the imminent loss or forfeiture of the Premises or the termination of Tenant's interest under this Lease or Tenant would by reason thereof be subject to any civil or criminal penalty or liability. If Landlord shall exercise its right to contest the imposition of Taxes, Landlord shall promptly notify Tenant of such contest, and, at Tenant's request, shall deliver to Tenant copies of all applications, protest and other documents submitted by Landlord to any Governmental Authority. Landlord shall not, without Tenant's consent, enter into a settlement of any such contest if such settlement would increase the amount of PILOT payable by Tenant under this Lease. If Landlord shall have failed to pay the Taxes as required hereunder and shall not have timely commenced a proceeding to contest same, or shall have timely commenced a proceeding to contest the Taxes but failure to pay the Taxes during the pendency of such proceeding will result in the imminent loss or forfeiture of the Premises or the termination of Tenant's interest under this Lease or Tenant would by reason thereof be subject to any civil or criminal penalty or liability, then Tenant may pay such unpaid Taxes together with any interest or penalties thereon and deduct such payment from the next installment of PILOT (and, to the extent, if any, that such payment shall exceed the next installment of PILOT, from the next installment(s) of Base Rent) together with interest thereon at the Involuntary Rate.

(b) Nothing herein contained shall require Tenant to pay municipal, state or federal income, gross receipts, inheritance, estate, succession or profit taxes of Landlord, or any corporate franchise tax imposed upon Landlord or any transfer or gains tax imposed on Landlord. Landlord and Tenant shall each pay one-half of the New York State real property transfer taxes imposed on Tenant in connection with the creation of this Lease.

Section 4.04 Any Imposition relating to a period a part of which is included within the Term and a part of which is included in a period of time before the Commencement Date or after the date definitely fixed in Article 2 hereof for the expiration of the Term (whether or not such Imposition shall he assessed, levied, confirmed, imposed upon or in respect of or become a lien upon the Premises, or shall become payable, during the Term) shall be apportioned between Landlord and Tenant as of the Commencement Date or such date definitely fixed for the expiration of the Term (or any earlier termination of this Lease other than by reason of Tenant's default), as the case may be, so that Tenant shall pay that portion of such Imposition which that part of such fiscal period included in the period of time after the Commencement Date or before such date definitely fixed in Article 2 for the expiration of the Term bears to such fiscal period, and Landlord shall pay the remainder thereof. Other than in respect of Impositions relating, in part, to a period of time before the Commencement Date, no such apportionment of Impositions shall be made if this Lease is terminated prior to the Expiration Date as the result of an Event of Default.

Section 4.05 Tenant shall have the right to contest the amount or validity, in whole or in part, of any Imposition by appropriate proceedings diligently conducted in good faith, in which event, notwithstanding the provisions of <u>Section 4.01</u> hereof, payment of such Imposition shall be postponed if, and only as long as:

- (a) neither the Premises nor any part thereof, or interest therein or any income therefrom (except to the extent covered by security deposited in accordance with this Section 4.05) or any other assets of or funds appropriated to Landlord would by reason of such postponement or deferment, be, in the reasonable judgment of Landlord, in imminent danger of being forfeited or lost or subject to any lien, encumbrance or charge, and neither Landlord nor Tenant would by reason thereof be subject to any civil or criminal liability; and
- (b) Tenant shall have deposited with Depository, cash or a letter of credit in a form and from an issuer reasonably satisfactory to Landlord in the amount so contested and unpaid, together with all interest and penalties in connection therewith and all charges that may or might be assessed against or become a charge on the Premises or any part thereof in such proceedings, or such other security as shall be satisfactory to Landlord.

Upon the termination of such proceedings, it shall be the obligation of Tenant to pay the amount of such Imposition or part thereof as finally determined in such proceedings, the payment of which may have been deferred during the prosecution of such proceedings, together with any costs, fees (including attorneys' fees and disbursements), interest, penalties or other liabilities in connection therewith, and upon such payment, Depository shall return, with interest, if any, any amount deposited with it as aforesaid, provided, however, that Depository at Tenant's

request or upon Tenant's failure to do so in a timely manner, at Landlord's request, shall disburse said moneys on deposit with it directly to the Governmental Authority to whom such Imposition is payable and any remaining monies, with interest, if any, shall be returned promptly to Tenant. If, at any time during the continuance of such proceedings, Landlord shall, in its reasonable opinion, deem insufficient the amount deposited as aforesaid, Tenant, within fifteen (15) days after demand, shall make an additional deposit of such additional sums or other acceptable security as Landlord may reasonably request, and upon failure of Tenant to do so, the amount theretofore deposited may be applied at the request of Landlord to the payment, removal and discharge of such Imposition and the interest and penalties in connection therewith and any costs, fees (including attorneys' fees and disbursements) or other liability accruing in any such proceedings, and the balance, if any, with any interest earned thereon, shall be returned to Tenant or the deficiency, if any, shall be paid by Tenant to Landlord within ten (10) days after demand.

Section 4.06 Tenant shall have the right to seek reductions in the valuation of the Premises assessed for Taxes and to prosecute any action or proceeding in connection therewith, provided that no such action or proceeding shall postpone Tenant's obligation to pay any Imposition except in accordance with the provisions of Section 4.05 hereof. Except to the extent provided in Section 3.02 hereof, no such action or proceeding shall affect Tenant's obligation to pay any installment of PILOT.

Section 4.07 Landlord shall not be required to join in any proceedings referred to in Section 4.05 or 4.06 hereof unless the provisions of any law, rule or regulation at the time in effect shall require that such proceedings be brought by or in the name of Landlord, in which event, Landlord shall join and cooperate in such proceedings or permit the same to be brought in its name but shall not be liable for the payment of any costs or expenses in connection with any such proceedings and Tenant shall reimburse Landlord for any and all costs or expenses which Landlord may reasonably sustain or incur in connection with any such proceedings, including reasonable attorneys' fees and disbursements. If the provisions of such law, rule or regulation at the time in effect shall require that such proceedings be brought by or in the name of Master Landlord, Landlord shall use reasonable efforts to cause Master Landlord to join and cooperate in such proceedings or permit the same to be brought in the name of Master Landlord, provided Master Landlord shall not be liable for the payment of any costs or expenses in connection with any such proceedings and Tenant shall reimburse Master Landlord for any and all costs and expenses which Master Landlord may reasonably sustain or incur in connection with any such proceedings, including reasonable attorneys' fees and disbursements. In the event Tenant shall institute a proceeding referred to in Section 4.05 or 4.06 hereof and no law, rule or regulation in effect at the time requires that such proceeding be brought by and/or in the name of Landlord, Landlord, nevertheless, shall, at Tenant's cost and subject to the reimbursement provisions hereinabove set forth, cooperate with Tenant in such proceeding.

Section 4.08 Any certificate, advice or bill of the appropriate official designated by law to make or issue the same or to receive payment of any Imposition asserting non-payment of such Imposition shall be prima facie evidence that such Imposition is due and unpaid at the

time of the making or issuance of such certificate, advice or bill, at the time or date stated therein.

ARTICLE 5

DEPOSITS FOR IMPOSITIONS

Section 5.01

- (a) In order to assure the payment of all Impositions, Tenant, upon the demand of Landlord at any time after the occurrence of an Event of Default hereunder, shall deposit with Depository on the first day of each month during the Term, an amount equal to one-twelfth (1/12th) of the annual Impositions then in effect.
- (b) If at any time the monies so deposited by Tenant shall be insufficient to pay the next installment of Impositions then due, Tenant shall after demand therefor by Landlord deposit the amount of the insufficiency with Depository to enable Depository to pay the next installment of Impositions at least thirty (30) days prior to the Due Date thereof.
- (c) Depository shall hold the deposited monies in a special account for the purpose of paying the charges for which such amounts have been deposited as they become due, and Depository shall apply the deposited monies for such purpose not later than the Due Date for such charges.
- (d) If at any time the amount of any Imposition is increased or Landlord receives information from the entity or entities imposing such Imposition that an Imposition will be increased and the monthly deposits then being made by Tenant under this Section 5.01 would be insufficient to pay such Imposition thirty (30) days prior to the Due Date thereof, then upon notice from Landlord to Tenant of such fact, the monthly deposits shall thereupon be increased and Tenant shall deposit immediately with Depository sufficient monies for the payment of the increased Imposition. Thereafter, the monthly payments shall be adjusted so that Depository shall receive from Tenant sufficient monies to pay each Imposition at least thirty (30) days prior to the Due Date of such Imposition.
- (e) For the purpose of determining whether Depository has on hand sufficient monies to pay any particular Imposition at least thirty (30) days prior to the Due Date thereof, deposits for each category of Imposition shall be treated separately. Depository shall not be obligated to use monies deposited for the payment of an Imposition not yet due and payable for the payment of an Imposition that is due and payable.
- (f) Notwithstanding the foregoing, (i) deposited monies may be held by Depository in a single bank account, and (ii) Depository shall, at Landlord's option and direction

and if Tenant shall fail to make any payment or perform any obligation required under this Lease, use any monies deposited pursuant to <u>Article 4</u> or <u>5</u> for the payment of any Rental.

- (g) If this Lease shall be terminated by reason of any Event of Default or if dispossession occurs pursuant to Section 24.03(b), all deposited monies under this Article 5 then held by Depository shall be paid to and applied by Landlord in payment of any and all sums due under this Lease and Tenant shall promptly pay the resulting deficiency.
- (h) Any interest paid on monies deposited pursuant to this <u>Article 5</u> shall be applied pursuant to the foregoing provisions against amounts thereafter becoming due and payable by Tenant.
- (i) Anything in this Article 5 to the contrary notwithstanding, if the Event of Default which gave rise to Landlord having demanded that Tenant make deposits under this Section 5.01 shall have been cured by Tenant and for a period of six (6) consecutive months following such cure no Default shall have occurred under this Lease, then, at any time after the expiration of such six (6) month period, upon the demand of Tenant, provided that Tenant is not then in Default under this Lease, all monies deposited under this Article 5 then held by Depository, with the interest, if any, accrued thereon, shall be returned to Tenant and Tenant shall not be required to make further deposits under this Article 5 unless and until there shall occur a subsequent Event of Default and Landlord shall make demand upon Tenant to make deposits for Impositions.
- (j) In the event that a Mortgagee (provided such Mortgagee be an Institutional Lender) shall require Tenant to deposit funds to insure payment of Impositions, any amount so deposited by Tenant with such Mortgagee shall be credited against the amount, if any, which Tenant would otherwise be required to deposit under this <u>Article 5</u>.

Section 5.02 If Landlord ceases to have any interest in the Premises, Landlord shall transfer to the Person who acquires such interest in the Premises, all of Landlord's rights with respect to the deposits made pursuant to Section 5.01. Upon such transfer and notice thereof to Tenant, the transferor shall be released from all liability with respect thereto, such transferee shall be deemed to have assumed from and after the date of such transfer all of Landlord's obligations with respect to such deposits and Tenant shall look solely to the transferee with respect thereto. The provisions hereof shall apply to each successive transfer of the deposits.

Section 5.03 Landlord shall have no liability to Tenant arising out of, or related to, any acts or omissions of Depository.

ARTICLE 6

LATE CHARGES

In the event that any payment of Rental shall not be received on or before the tenth (10th) day after the due date thereof (or if no such date is set forth in this Lease, then such due date for purposes of this Article 6 shall be deemed to be the date upon which demand therefor is made), then, in addition to any actual costs and expenses incurred by Landlord in connection therewith (including, without limitation, reasonable attorneys' fees and disbursements) interest on the sums so overdue equal to the Involuntary Rate, for the period from the due date to the date of actual payment, shall become due and payable to Landlord as additional Rental to be paid under this Lease. Said interest shall be payable by Tenant within ten (10) days after demand. If Tenant is required to make an estimate of any amount of Rental due under this Lease and the estimated amount paid by Tenant is less than the amount eventually determined to be due, then, except where otherwise expressly provided in this Lease, no interest shall be payable with respect to such underpayment so long as (i) Tenant's estimate was made in good faith based on all then available information, (ii) Tenant complies with all the provisions of this Lease regarding the calculation of deficiencies and (iii) Tenant pays the amount of the deficiency within ten (10) days of the date Tenant becomes aware such deficiency is due. No failure by Landlord to insist upon the strict performance by Tenant of its obligations to pay said interest shall constitute a waiver by Landlord of its right to enforce the provisions of this Article 6 in any instance thereafter occurring. The provisions of this Article 6 shall not be construed in any way to extend the grace periods or notice periods provided for in Article 24.

ARTICLE 7

INSURANCE

Section 7.01 (a) Tenant shall, at all times after Substantial Completion of the Buildings and thereafter throughout the Term:

(i) keep or cause to be kept the Buildings insured under an "All Risk of Physical Loss" form of policy, including, without limitation, coverage for loss or damage by water, flood, subsidence and earthquake (excluding, at Tenant's option, from such coverage normal settling only) and, when and to the extent generally obtainable from the United States government or any agency thereof, war risks; such insurance to be written on an "Agreed Amount" basis, with full replacement cost, with the replacement value of the Buildings to be determined from time to time, but not less frequently than required by the insurer and in any event at least once every three (3) years, provided, however, in the event Tenant's leasehold estate in the Premises shall be submitted to condominium ownership, such determination shall be made on an annual basis, it being agreed that no omission on the part of Landlord to request any such determination shall relieve Tenant of its obligation to determine the replacement value thereof (in the absence of such

34

- (ii) provide and keep in force commercial general liability insurance against liability for bodily injury, death and property damage, it being agreed that such insurance shall (A) be in an amount as may from time to time is reasonably required by Landlord, but not less then Twenty-Five Million Dollars (\$25,000,000) combined single limit inclusive of primary, umbrella and following form excess policies for liability for bodily injury, death and property damage, (B) include the Premises and all streets, alleys and sidewalks adjoining or appurtenant to the Premises, (C) provide blanket automatic contractual insurance covering the indemnification provisions assumed by Tenant hereunder, including bodily injury to employees or others assumed by Tenant under contract, which insurance shall cover all costs, expenses and/or liability (including, without limitation, attorneys' fees and disbursements) arising out of or based upon any and all claims, accidents, injuries and damages mentioned in <u>Article 19</u> and required to be insured against hereunder, and (D) include the following protection:

 - (5) Water damage legal liability shall not be excluded.

- (iv) provide and keep in force on an "Agreed Amount" basis rent insurance on an "All Risk of Physical Loss" basis in an amount not less than one (1) year's current Base Rent, PILOT, Percentage Rent Net Income Percentage Rent and Civic Facilities Payment ("Rent Insurance");

- (v) if a sprinkler system shall be located in any portion of the Buildings, provide and keep in force sprinkler leakage insurance in amounts approved by Landlord, which approval shall not be unreasonably withheld (the foregoing to be required only if same is excluded from the insurance required to be provided and kept in force pursuant to Section 7.01(a)(i));
- (vi) provide and keep in force boiler and machinery insurance in an amount as may from time to time be reasonably determined by Landlord but not less than Ten Million Dollars (\$10,000,000) per accident on a combined basis covering direct property loss and loss of income and covering all steam, mechanical and electrical equipment, including without limitation, all boilers, unfired pressure vessels, air conditioning equipment, elevators, piping and wiring;
- (vii) provide and keep in force automobile liability insurance for all owned, non-owned, leased, rented and/or hired vehicles insuring against liability for bodily injury and death and for property damage in an amount as may from time to time be reasonably determined by Landlord but not less than Five Million Dollars (\$5,000,000) combined single limit, which sum may, subject to the provisions of Section 7.04 below, be achieved by a combination of primary and umbrella coverage; and
- (viii) provide and keep in force such other insurance in such amounts as may from time to time be reasonably required by Landlord against such other insurable hazards as at the time are commonly insured against by prudent owners of like buildings and improvements.
- (b) All insurance provided by Tenant as required by Section 7.01(a) (except the insurance under Section 7.01(a)(iii)) shall name Tenant as named insured and Landlord and Master Landlord as additional insureds to the extent, where applicable, of their respective insurable interests in the Premises and shall be primary with respect to any other coverage which Landlord and Master Landlord may obtain. (Landlord and Master Landlord's coverage shall be in excess of any coverage provided in favor of Landlord or Master Landlord by Tenant.) The coverage provided by Tenant as required by Sections 7.01(a)(i),(ii), (v), (vi) and (vii) also shall name each Mortgagee as an insured (under a standard mortgagee clause other than for the liability insurance coverage referred to in Section 7.01(a)(ii) which need not be the standard mortgagee clause), provided, however, any loss payable thereunder shall be payable as provided in this Lease.
- (c) Whenever Tenant shall be required to carry insurance under this <u>Section 7.01</u>, Tenant shall not be required to carry insurance in any greater amounts or against any additional hazards than at the time are commonly carried by prudent owners of like buildings and improvements, provided that the types or amounts of such coverage shall never be different from or less than, as the case may be, the types or amounts specifically required hereunder. Any dispute as to the amounts of additional insurance to be carried, or the additional kinds of hazards to be insured against, shall be resolved by arbitration pursuant to <u>Article 36</u>.

Section 7.02

- The loss under all policies required by any provision of this Lease - (a) insuring against damage to the Buildings by fire or other casualty shall be payable to Depository. except that amounts of less than Two Hundred and Fifty Thousand Dollars (\$250,000) shall be payable in trust directly to Tenant for application to the cost of Restoration in accordance with Article 8 hereof. Such amount shall be adjusted on the fifth (5th) anniversary of the Commencement Date and on each fifth (5th) anniversary of the date on which an adjustment is made pursuant to this Section 7.02(a) by adding to \$250,000 an amount equal to the product of (x) \$250,000 and (y) the percent of increase, if any, in the Consumer Price Index for the month in which the applicable anniversary date occurs over the Consumer Price Index for the month in which the Commencement Date occurs. Any dispute as to the calculation of such adjustment shall be determined by arbitration pursuant to Article 36. Rent Insurance shall be carried in favor of Landlord and Tenant as their respective interests may appear, but the proceeds thereof to the extent required hereunder shall be paid to Depository and shall be applied to the Rental payable by Tenant under this Lease until completion of such Restoration by Tenant. All insurance required by any provision of this Lease shall be in such form and shall be issued by such responsible companies authorized to do business in the State of New York as are reasonably acceptable to Landlord. All policies referred to in this Lease shall be procured, or caused to be procured, by Tenant (or if Tenant's leasehold estate in the Premises shall have been subjected to a condominium form of ownership, by the Board of Managers on behalf of the Unit Owners in accordance with the Condominium Act), at no expense to Landlord, and for periods of not less than one (1) year. Subject to Section 7.04 hereof, duplicate originals of such policies or certificates of insurance with respect to such policies together with copies of such policies shall be delivered to Landlord promptly upon receipt from the insurance company or companies. together with proof satisfactory to Landlord that the then current installment of the premiums thereon have been paid, provided, that Landlord shall not, by reason of custody of such policies, be deemed to have knowledge of the contents thereof. New or renewal policies replacing any policies expiring during the Term or duplicate originals thereof or certificates of insurance with respect thereto together with copies of such policies, shall be delivered as aforesaid at least thirty (30) days before the date of expiration, together with proof satisfactory to Landlord that the then current installment of the premiums thereon have been paid. Premiums on policies shall not be financed in any manner whereby the lender, on default or otherwise, shall have the right or privilege of surrendering or canceling the policies or reducing the amount of loss payable thereunder, provided, however, that premiums may be paid in installments.
- (b) Tenant and Landlord shall cooperate in connection with the collection of any insurance moneys that may be due in the event of loss and Tenant and Landlord shall execute and deliver such proofs of loss and other instruments as may be required for the purpose of obtaining the recovery of any such insurance moneys. Tenant shall promptly reimburse Landlord for any and all reasonable costs or expenses which Landlord may sustain or incur in connection therewith, including, without limitation, reasonable attorneys' fees and disbursements.

- (c) Tenant shall not carry separate insurance concurrent in form or contributing in the event of loss with that required by this Lease to be furnished by Tenant, unless Landlord and Master Landlord are included therein as additional insureds as their interests may appear and each Mortgagee as an additional insured with loss payable as provided in this Lease. Tenant promptly shall notify Landlord of the carrying of any such separate insurance and shall cause the policies therefor or duplicate originals thereof or certificates of insurance with respect thereto together with copies of such policies to be delivered as required in this Lease.
- (d) All property insurance policies as required by this Lease shall provide in substance that all adjustments for claims with the insurers in excess of Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)) shall be made with Landlord, Tenant and any Mortgagee named as additional insured. So long as no Event of Default is continuing, Landlord shall approve any settlement of an insurance claim under a property insurance policy where the amount of the proposed settlement exceeds the maximum cost of restoration, as reasonably determined by Lender. Any adjustments for claims with the insurers involving sums of less than Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)) shall be made with Tenant.
- (e) All Rent Insurance shall provide in substance that all adjustments for claims with the insurers shall be made with Landlord and Tenant.
- (f) Tenant shall not violate or permit to be violated any of the conditions or provisions of any insurance policy required hereunder, and Tenant shall so perform and satisfy or cause to be performed and satisfied the requirements of the companies writing such policies so that at all times companies of good standing, reasonably satisfactory to Landlord, shall be willing to write and continue such insurance.
- (g) Each policy of insurance required to be obtained by Tenant as herein provided shall contain to the extent obtainable and whether or not an additional premium shall be payable in connection therewith (i) to the extent generally available, a provision that no act or omission or negligence of Tenant or any other named insured or violation of warranties, declarations or conditions by Tenant or any other named insured shall affect or limit the obligation of the insurance company to pay the amount of any loss sustained, (ii) an agreement by the insurer that such policy shall not be cancelled or modified without at least sixty (60) days' prior written notice to Landlord and each Mortgagee, (iii) to the extent generally available, an agreement that the coverage afforded by the insurance policy shall not be affected by the performance of any work in or about the Buildings or the occupation or use of the Premises by Tenant or any Subtenant for purposes more hazardous than those permitted by the terms of such policy, (iv) a waiver by the insurer of any claim for insurance premiums against Landlord or any named insured other than Tenant, and (v) a waiver of subrogation by the insurers of any right to recover the amount of any loss resulting from the negligence of Tenant, Landlord, their agents, employees or licensees.

- (h) All liability insurance required to be provided and kept in force by Tenant under this Lease shall be written on an "Occurrence" basis, provided, however, that if (i) a basis other than such "Occurrence" basis shall be adopted throughout the insurance industry and (ii) such other basis shall be accepted by most prudent owners of like buildings and improvements, then Tenant may provide and keep in force liability insurance written on such other basis satisfactory to Landlord.
- (i) If Tenant maintains any insurance required hereunder under a so-called "blanket policy" of insurance pursuant to <u>Section 7.04</u> then, notwithstanding anything to the contrary contained in this <u>Section 7.02</u> or in <u>Section 11.03</u>, in lieu of delivering to Landlord a copy of such policy, Tenant may deliver an insurance binder together with an abstract of such policy meeting the requirements of <u>Section 7.04</u>.

Section 7.03

- (a) Tenant, on the demand of Landlord after the occurrence of an Event of Default hereunder, shall deposit with Depository on the first day of each month during the Term, an amount equal to one-twelfth (1/12th) of the annual insurance premiums required to be carried by Tenant hereunder, as estimated by Landlord, unless such insurance premiums are deposited with a Mortgagee (provided such Mortgagee be an Institutional Lender). If at any time the insurance premiums shall be increased or Landlord receives information that the insurance premiums will be increased, and the monthly deposits being paid by Tenant under this Section 7.03(a) would be insufficient to pay such insurance premiums thirty (30) days prior to the due date, the monthly deposits shall thereupon be increased and Tenant shall, within thirty (30) days prior to the due date thereof, deposit immediately with Depository sufficient monies for the payment of the increased insurance premiums. Thereafter, the monthly deposits shall be adjusted so that Depository shall receive from Tenant sufficient monies to pay the insurance premiums at least thirty (30) days before the insurance premiums become due and payable.
- (b) Anything in Section 7.03(a) to the contrary notwithstanding, if the Event of Default which gave rise to Landlord having demanded that Tenant make deposits under Section 7.03(a) shall have been cured by Tenant and for a period of six (6) consecutive months following such cure no Default shall have occurred under this Lease, then, at any time after the expiration of such six (6) month period, upon the demand of Tenant, provided that Tenant is not then in Default under this Lease, all monies deposited under Section 7.03(a) then held by Depository, together with the interest, if any, accrued thereon, shall be returned to Tenant and Tenant shall not be required to make further deposits under Section 7.03(a) unless and until there shall occur a subsequent Event of Default and Landlord shall make demand upon Tenant to make deposits under Section 7.03(a).

Section 7.04 The insurance required by this Lease (including <u>Section 11.03</u> hereof), at the option of Tenant, may be effected by blanket or umbrella policies issued to Tenant covering the Premises and other properties owned or leased by Tenant, provided that the policies

otherwise comply with the provisions of this Lease and specifically allocate to the Premises the coverages required hereby, without possibility of reduction or coinsurance by reason of, or damage to, any other premises named therein, and if the insurance required by this Lease shall be effected by any such blanket or umbrella policies, Tenant shall furnish to Landlord and to each Mortgagee certified copies or duplicate originals or such policies in place of the originals (or abstracts of such policies prepared and certified as true and correct by the insurer, which abstracts shall be satisfactory to Landlord in scope and level of detail), with schedules thereto attached showing the amount of insurance afforded by such policies applicable to the Premises, and in addition, within thirty (30) days after the filing thereof with any insurance rate making body, copies of the schedule of all improvements affected by any such blanket or umbrella policy of insurance.

Section 7.05 Notwithstanding anything herein contained to the contrary, in addition to the insurance required to be maintained by Tenant under this <u>Article 7</u>. Tenant shall provide and keep in force insurance of the type and at least in the amounts required under the Master Lease.

ARTICLE 8

USE OF INSURANCE PROCEEDS

Section 8.01 If all or any part of any of the Buildings shall be destroyed or damaged in whole or in part by fire or other casualty (including any casualty for which insurance was not obtained or obtainable) of any kind or nature, ordinary or extraordinary, foreseen or unforeseen, Tenant shall give to Landlord immediate notice thereof, except that no notice shall be required if the estimated cost of repairs, alterations, restorations, replacements and rebuilding (collectively, "Restoration") shall be less than \$10,000 (as such amount shall be increased as provided in Section 7.02(a)), and Tenant shall, whether or not such damage or destruction shall have been insured, and whether or not insurance proceeds, if any, shall be sufficient for the purpose of such Restoration, with reasonable diligence (subject to Unavoidable Delays) repair, alter, restore, replace and rebuild (collectively, "Restore") the same, at least to the extent of the value and as nearly as possible to the condition, quality and class of the Buildings existing immediately prior to such occurrence, with such changes or alterations as Tenant, with the consent of Landlord, which consent shall not be unreasonably withheld, shall elect to make, provided that, after the Restoration, the Buildings are in substantial conformity with the Master Development Plan, the Design Guidelines, and, in the event such Restoration is commenced within ten (10) years after the date the Buildings have been Substantially Completed, the Construction Documents. Landlord in no event shall be obligated to Restore any Buildings or any portion thereof or to pay any of the costs or expenses thereof. If Tenant shall fail or neglect to Restore with reasonable diligence (subject to Unavoidable Delays) the Buildings or the portion thereof so damaged or destroyed, or having so commenced such Restoration, shall fail to complete the same with reasonable diligence (subject to Unavoidable Delays) in accordance with the terms of this Lease, and in either case such failure or neglect continues for twenty (20) days

after notice from Landlord, or if prior to the completion of any such Restoration by Tenant, this Lease shall expire or be terminated for any reason, Landlord may, but shall not be required to, complete such Restoration at Tenant's expense. Each such Restoration shall be done in accordance with the provisions of this Lease. In any case where this Lease shall expire or be terminated prior to the completion of Restoration, Tenant shall account to Landlord for all amounts spent in connection with any Restoration which was undertaken and shall pay over to Landlord, within ten (10) days after demand, the remainder, if any, of the Restoration Funds previously received by it. Tenant's obligations under this Section 8.01 shall survive the expiration or termination of this Lease.

Section 8.02

- (a) Subject to the provisions of <u>Sections 8.03</u>, <u>8.04</u> and, if applicable, <u>8.05</u>, Depository shall pay over to Tenant from time to time, upon the following terms, any monies which may be received by Depository from insurance provided by Tenant (other than Rent Insurance) or cash or the proceeds of any security deposited with Depository pursuant to <u>Section 8.05</u> (collectively, the "<u>Restoration Funds</u>"); provided, however, that Depository, before paying such moneys over to Tenant, shall be entitled to reimburse itself, Landlord and Mortgagee therefrom to the extent, if any, of the necessary, reasonable and proper expenses (including, without limitation, reasonable attorneys' fees) paid or incurred by Depository, Landlord and Mortgagee in the collection of such monies. Depository shall pay to Tenant, as hereinafter provided, the Restoration Funds, for the purpose of the Restoration.
- (b) Prior to commencing any Restoration, Tenant shall furnish Landlord with an estimate of the cost of such Restoration, prepared by a licensed professional engineer or registered architect selected by Tenant and approved by Landlord, which approval shall not be unreasonably withheld and shall be deemed given in accordance with the provisions of Section 32.02(c). Landlord, at Tenant's reasonable expense, may engage a licensed professional engineer or registered architect to prepare its own estimate of the cost of such Restoration. If there is any dispute as to the estimated cost of the Restoration, such dispute shall be resolved by arbitration in accordance with the provisions of Article 36.
- (c) Subject to the provisions of <u>Sections 8.03</u>, <u>8.04</u> and, if applicable, <u>8.05</u>, the Restoration Funds shall be paid to Tenant in installments as the Restoration progresses, less retainage equal to ten percent (10%) of such installment until completion of fifty percent (50%) of the Restoration and five percent (5%) of each installment thereafter until completion of the Restoration, upon application to be submitted by Tenant to Depository and Landlord showing the cost of labor and materials purchased and delivered to the Premises for incorporation in the Restoration, or incorporated therein since the last previous application, and due and payable or paid by Tenant. If any vendor's, mechanic's, laborer's, or materialman's lien is filed against the Premises or any part thereof, or if any public improvement lien relating to the Restoration of the Premises is created or permitted to be created by Tenant and is filed against Landlord, or any assets of, or funds appropriated to, Landlord, Tenant shall not be entitled to receive any further installment until such lien is satisfied or discharged (by bonding or otherwise). Notwithstanding

the foregoing, the existence of any such lien shall not preclude Tenant from receiving any installment of Restoration Funds, provided such lien will be discharged with funds from such installment.

- (d) Upon completion of and payment for the Restoration by Tenant, the balance of the Restoration Fund shall be paid over to Tenant.
- (e) Notwithstanding the foregoing, if Landlord makes the Restoration at Tenant's expense, as provided in <u>Section 8.01</u>, then Depository shall pay over the Restoration Funds to Landlord, upon request, to the extent not previously paid to Tenant pursuant to this <u>Section 8.02</u>, and Tenant shall pay to Landlord, within ten (10) days after demand, any sums in excess of the portion of the Restoration Funds received by Landlord necessary to complete the Restoration. Upon completion of the Restoration, Landlord shall deliver to Tenant a certificate, in reasonable detail, setting forth the expenditures made by Landlord for such Restoration.

Section 8.03 The following shall be conditions precedent to each payment made to Tenant as provided in <u>Section 8.02</u> above:

- (a) There shall be submitted to Depository and Landlord the certificate of the aforesaid engineer or architect approved by Landlord pursuant to Section 8.02(b) stating that (i) the sum then requested to be withdrawn either has been paid by Tenant or is due and payable to contractors, subcontractors, materialmen, engineers, architects or other Persons (whose names and addresses shall be stated) who have rendered or furnished services or materials for the work and giving a brief description of such services and materials and the principal subdivisions or categories thereof and the several amounts so paid or due to each of said Persons in respect thereof, and stating in reasonable detail the progress of the work up to the date of said certificate, (ii) no part of such expenditures has been or is being made the basis, in any previous or then pending requisition, for the withdrawal of the Restoration Funds or has been made out of the Restoration Funds previously received by Tenant, (iii) the sum then requested does not exceed the value of the services and materials described in the certificate, and (iv) the balance of the Restoration Funds held by Depository will be sufficient upon completion of the Restoration to pay for the same in full, and stating in reasonable detail an estimate of the cost of such completion;
- (b) There shall be furnished to Landlord an official search, or a certificate of a title insurance company reasonably satisfactory to Landlord, or other evidence reasonably satisfactory to Landlord, showing that there has not been filed any vendor's, mechanic's, laborer's or materialman's statutory or other similar lien affecting the Premises or any part thereof, or any public improvement lien with respect to the Premises or the Restoration created or permitted to be created by Tenant affecting Landlord, or the assets of, or funds appropriated to, Landlord, which had not been discharged of record (by bonding or otherwise) except such as will be discharged upon payment of the requisite amount out of the sum then requested to be withdrawn; and

(c) At the time of making such payment, there is no existing and unremedied Default in the payment of Rental or an Event of Default on the part of Tenant.

Section 8.04

- (a) If any loss, damage or destruction occurs, the cost of Restoration of which equals or exceeds Two Hundred and Fifty Thousand Dollars (\$250,000) in the aggregate, determined as provided in Section 8.02(b) (as such amount shall be increased as provided in Section 7.02(a)), Tenant shall furnish to Landlord the following:
 - at least thirty (30) days prior to commencement of such Restoration, complete plans and specifications for the Restoration, prepared by a licensed professional engineer or registered architect selected by Tenant and approved by Landlord, which approval shall not be unreasonably withheld (and shall be deemed given in accordance with the provisions of Section 32.02(c)), together with the approval thereof and any required permits issued by any Governmental Authority with respect to the Restoration and such plans and specifications, and, at the request of Landlord, any other drawings, information or samples to which Landlord is entitled under Article 11, all of the foregoing to be subject to Landlord's review and approval for substantial conformity with the Master Development Plan, the Design Guidelines or, if such Restoration is commenced within ten (10) years from the date the Buildings shall have been Substantially Completed, the Construction Documents; all such plans and specifications and other materials for the Restoration shall become the sole and absolute property of Landlord if for any reason this Lease shall be terminated. Notwithstanding the foregoing. Landlord agrees to approve plans and specifications for the Restoration if the Restoration is substantially in accordance with the original Buildings, provided the plans and specifications show the Restoration will be in accordance with all then applicable Requirements, the Master Development Plan and the Design Guidelines and any deviations from the original Buildings do not, in Landlord's reasonable judgment, adversely affect the quality of the Restoration;
 - (ii) at least ten (10) Business Days prior to commencement of such Restoration, (x) a contract or construction management agreement reasonably satisfactory to Landlord in form assignable to Landlord (subject to any prior assignment to any Mortgagee), made with a reputable and responsible contractor or construction manager approved by Landlord, which approval shall not be unreasonably withheld (and shall be deemed given in accordance with the provisions of Section 32.02(c)), providing for the completion of the Restoration in accordance with said plans and specifications, free and clear of all liens, encumbrances, security agreements, interests and financing statements relating thereto, and (y) payment and performance bonds in forms, amounts and by sureties reasonably satisfactory to Landlord (with Landlord's approval thereof to be deemed given in accordance with the provisions of Section 32.02(c)), naming the contractor or subcontractor, as the case may be, as obligor, and Landlord and Tenant and

Mortgagee, if applicable, as obligees or, in lieu thereof, such other security as shall be reasonably satisfactory to Landlord;

- (iii) at least ten (10) days prior to commencement of such Restoration, an assignment to Landlord (subject to any prior assignment to any Mortgagee) of the contract so furnished and the bonds, if any, provided thereunder, such assignment to be duly executed and acknowledged by Tenant and by its terms to be effective only upon any termination of this Lease or upon Landlord's re-entry upon the Premises following an Event of Default prior to the complete performance of such contract, such assignment also to include the benefit of all payments made on account of said contract including payments made prior to the effective date of such assignment; and
- (iv) at least ten (10) days prior to commencement of such Restoration, insurance policies issued by responsible insurers, bearing notations evidencing the payment of premiums or accompanied by other evidence satisfactory to Landlord of such payments, for the insurance required by <u>Section 11.03</u>.
- (b) Notwithstanding that the cost of Restoration is less than Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)), such cost to be determined as provided in Section 8.02(b), to the extent that any portion of the Restoration involves work on the exterior of the Buildings or a change in the height, bulk or setback of the Buildings from the height, bulk or setback existing immediately prior to the damage or destruction, or in any other manner affects compliance with the Master Development Plan or the Design Guidelines, then Tenant shall furnish to Landlord at least thirty (30) days prior to commencement of the Restoration a complete set of plans and specifications for the Restoration, involving such work or such change, prepared by a licensed professional engineer or registered architect approved by Landlord, which approval shall not be unreasonably withheld, and, at Landlord's request, such other items designated in Section 8.04(a)(i), all of the foregoing to be subject to Landlord's reasonable review and approval as provided therein.
- (c) In the event Tenant shall desire to modify the plans and specifications which Landlord theretofore has approved pursuant to Section 8.04(a)(i) or 8.04(b) with respect to, or which will in any way affect, any aspect of the exterior of the Buildings or the height, bulk or setback of the Buildings or which will affect compliance with the Design Guidelines or the Master Development Plan, Tenant shall submit the proposed modifications to Landlord. Tenant shall not be required to submit to Landlord proposed modifications of the plans and specifications which affect the interior of the Buildings. Landlord shall review the proposed changes (other than changes to the interior of the Buildings) to determine whether or not they (i) conform to the Master Development Plan and the Design Guidelines and (ii) provide for design, finishes and materials which are comparable in quality to those provided for in the approved plans and specifications, and shall approve such proposed changes if they do so conform and so provide. If Landlord determines that the proposed changes are not satisfactory in light of the above criteria, it shall so advise Tenant, specifying in what respect the plans and specifications, as so modified, do not conform to the Master Development Plan or the Design

Guidelines or do not provide for design, finishes and materials which are comparable in quality to those provided for in the approved plans and specifications. Within twenty (20) Business Days after Landlord shall have so notified Tenant, Tenant shall revise the plans and specifications so as to meet Landlord's objections and shall deliver same to Landlord for review. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of delivery of the plans and specifications, as so revised (or one or more portions thereof), by Tenant, and if Landlord shall not have notified Tenant of its determination within such fifteen (15) Business Day period, it shall be deemed to have determined that the proposed changes are satisfactory. Landlord shall not review portions of the approved plans and specifications which Landlord has previously determined to be satisfactory, provided same have not been changed by Tenant.

Section 8.05 If the cost of any Restoration, determined as provided in Section 8.02(b), exceeds both (i) Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)) and (ii) the net insurance proceeds, then, prior to the commencement of such Restoration, Tenant shall deposit with Depository, as security for completion of the Restoration, a bond, cash or other security satisfactory to Landlord in the amount of such excess, to be held and applied by Depository in accordance with the provisions of Section 8.02.

Section 8.06 This Lease shall not terminate or be forfeited or be affected in any manner, and there shall be no reduction or abatement of the Rental payable hereunder, by reason of damage to or total, substantial or partial destruction of any of the Buildings or any part thereof or by reason of the untenantability of the same or any part thereof, for or due to any reason or cause whatsoever, and Tenant, notwithstanding any law or statute present or future, waives any and all rights to quit or surrender the Premises or any part thereof. Tenant expressly agrees that its obligations hereunder, including, without limitation, the payment of Rental, shall continue as though the Buildings had not been damaged or destroyed and without abatement, suspension, diminution or reduction of any kind. It is the intention of Landlord and Tenant that the foregoing is an "express agreement to the contrary" as provided in Section 227 of the Real Property Law of the State of New York. Nothing in this Section 8.06 is intended to limit Tenant's rights under Section 3.02(d).

Section 8.07 If, for any completed Restoration, Tenant has not theretofore delivered same to Landlord, Tenant shall deliver to Landlord, within thirty (30) days of the completion of such Restoration, a complete set of "as built" plans thereof together with a statement in writing from a registered architect or licensed professional engineer that such plans are complete and correct.

Section 8.08 Notwithstanding anything to the contrary contained in this Article 8, if (i) the Buildings suffer a casualty the cost of restoration of which, in Landlord's reasonable opinion, exceeds 50% of the replacement cost of the entire Buildings, (ii) the date of such casualty is after June 17, 2068, (iii) the net insurance proceeds (plus any cash deposited by Tenant with Landlord to supplement the insurance proceeds available for restoration costs) is

sufficient, in Landlord's reasonable opinion, to pay 100% of the cost of such restoration and (iv) no Event of Default then exists, then, Tenant may terminate this Lease by written notice to Landlord given no more than thirty (30) days after the date of such casualty; provided that (x) Tenant shall assign to Landlord all rights to property insurance and rent insurance proceeds, and (y) Tenant deposits with Landlord (in addition to any cash deposited with Landlord pursuant to clause (iii) above) cash or a letter of credit in a form and from an issuer reasonably acceptable to Landlord in an amount equal to 5% of Landlord's reasonable estimate of the cost of restoration, such cash or letter of credit to be utilized by Landlord in the event of any overruns and, to the extent not so utilized, to be returned to Tenant.

Section 8.09 If Tenant's leasehold interest in the Premises is submitted to the condominium form of ownership, all of Tenant's obligations under this <u>Article 8</u> shall be the obligation of the Board of Managers.

ARTICLE 9

CONDEMNATION

Section 9.01

- (a) If the whole or substantially all of the Premises shall be taken (excluding a taking of the fee interest in the Premises, or any leasehold interest superior to that of the Tenant's, if after such taking, Tenant's rights under this Lease are not affected) for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of condemnation or eminent domain or by agreement among Landlord, Tenant and those authorized to exercise such right, this Lease and the Term shall terminate and expire on the date of such taking end the Rental payable by Tenant hereunder shall be equitably apportioned as of the date of such taking.
- (b) The term "substantially all of the Premises" shall mean such portion of the Premises as when so taken would leave remaining a balance of the Premises which, due either to the area so taken or the location of the part so taken in relation to the part not so taken, would not under economic conditions, applicable zoning laws, building regulations then existing or prevailing or the Master Development Plan, and after performance by Tenant of all covenants, agreements, terms and provisions contained herein or by law required to be observed or performed by Tenant, (i) if the Premises shall then be used for rental purposes, permit the Restoration of the Buildings so as to constitute a complete, rentable building or buildings capable of producing a fair and reasonable net annual income proportional to the number of square feet not so taken or (ii) if Tenant's estate in the Premises shall have been previously submitted to either a cooperative or condominium form of ownership, permit the Restoration of the Buildings so as to constitute an economically viable cooperative or condominium, as the case may be. If the Premises shall be used for rental purposes, the average net annual income produced by the Buildings during (i) the period commencing on the date of Completion of the Buildings and

ending on the last anniversary of that date which preceded the taking, or (ii) the five (5) year period immediately preceding such taking, whichever is shorter, shall be deemed to constitute a fair and reasonable net annual income for the purpose of determining what is a fair and reasonable net annual income. If there be any dispute as to whether or not "substantially all of the Premises" has been taken, such dispute shall be resolved by arbitration with the provisions of Article 36.

- If the whole or substantially all of the Premises shall be taken or (c) condemned as provided in Section 9.01(a), the award, awards or damages in respect thereof shall be apportioned as follows: (i) there shall first be paid to Landlord so much of the award which is for or attributable to the value of (A) the Land so taken, considered as unencumbered by this Lease and the Master Lease and as unimproved except for Landlord's Civic Facilities and other site improvements made by Landlord, and (B) Landlord's Civic Facilities taken in any proceeding with respect to such taking; (ii) there shall next be paid to the Mortgagee(s) which hold liens on Tenant's interest in this Lease, or to Recognized Unit Mortgagees, if applicable, so much of the balance of such award as shall equal the unpaid principal indebtedness secured by such Mortgage(s) or such Recognized Unit Mortgages with interest thereon at the rate specified therein to the date of payment (such payments to be made in order of lien priority and pari passu to Mortgagees with liens of the same priority); (iii) there shall next be paid to Landlord so much of the award which is for or attributable to the value of Landlord's reversionary interest in that part of the Buildings taken in such proceeding (it being agreed between Landlord and Tenant that, notwithstanding anything herein contained to the contrary, for a period of forty (40) years from the Scheduled Completion Date, the value of Landlord's reversionary interest in the Buildings shall be deemed to be zero); and (iv) subject to rights of any Mortgagees or Recognized Unit Mortgagees, if applicable, Tenant shall receive the balance, if any, of the award. If there be any dispute as to which portion of the award is attributable to the Land and Landlord's Civic Facilities and which portion is attributable to the Buildings, or as to the value of Landlord's reversionary interest in the Buildings, such dispute shall be resolved by arbitration in accordance with the provisions of Article 36 (unless the condemning authority or a court of competent jurisdiction has made such determination, in which case its determination shall control).
- (d) Each of the parties shall execute any and all documents that may be reasonably required in order to facilitate collection by them of such awards.

Section 9.02 For purposes of this <u>Article 9</u>, the "date of taking" shall be deemed to be the earlier of (i) the date on which actual possession of the whole or substantially all of the Premises, or a part thereof, as the case may be, is acquired by any lawful power or authority pursuant to the provisions of the applicable federal or New York State law or (ii) the date in which title to the Premises or the aforesaid portion thereof shall have vested in any lawful power or authority pursuant to the provisions of the applicable federal or New York State law.

Section 9.03 If less than substantially all of the Premises shall be so taken, this Lease and the Term shall continue as to the portion of the Premises remaining without abatement

of the Base Rent or diminution of any of Tenant's obligations hereunder. Tenant, whether or not the award or awards, if any, shall be sufficient for the purpose shall (subject to Unavoidable Delays) proceed diligently to Restore any remaining part of the Buildings not so taken so that the latter shall be complete, operable, self-contained architectural units in good condition and repair in conformity with the Master Development Plan, the Design Guidelines and, to the extent reasonably practicable, in the event such Restoration is commenced within ten (10) years from the date the Buildings are Substantially Completed, the Construction Documents. In the event of any taking pursuant to this Section 9.03, the entire award for or attributable to the Land taken. considered as unimproved and unencumbered by this Lease and the Master Lease and the fair market value of Landlord's Civic Facilities in any proceeding with respect to such taking, shall be first paid to Landlord, and the balance of the award, if any, shall be paid to Depository, except that if such balance shall be less than Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)), such balance shall be payable, in trust, to Tenant (provided that if the Master Lease requires payment in trust to Landlord or a Mortgagee, such balance shall be paid as provided therein) for application to the cost of Restoration of the part of the Buildings not so taken. Subject to the provisions and limitations in this Article 9, Depository shall make available to Tenant as much of that portion of the award actually received and held by Depository, if any, less all necessary and proper expenses paid or incurred by Depository, the Mortgagee most senior in lien and Landlord in the condemnation proceedings, as may be necessary to pay the cost of Restoration of the part of the Buildings remaining. Such Restoration shall be done in accordance with and subject to the provisions of Article 8. Payments to Tenant as aforesaid shall be disbursed in the manner and subject to the conditions set forth in Article 8. Any balance of the award held by Depository and any cash and the proceeds of any security deposited with Depository pursuant to Section 9.04 remaining after completion of the Restoration shall be paid to Tenant. Each of the parties shall execute any and all documents that may be reasonably required in order to facilitate collection by them of such awards.

Section 9.04 With respect to any Restoration required by the terms of Section 9.03, the cost of which, as determined in the manner set forth in Section 8.02(b), exceeds both (i) Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)) and (ii) the balance of the condemnation award after payment of the expenses set forth in Section 9.03, then, prior to the commencement of such Restoration, Tenant shall deposit with Depository a bond, cash or other security satisfactory to Landlord in the amount of such excess, to be held and applied by Depository in accordance with the provisions of Section 9.03, as security for the completion of the Restoration.

Section 9.05 If the temporary use of the whole or any part of the Premises shall be taken for any public or quasi-public purpose by any lawful power or authority by the exercise of the right of condemnation or eminent domain or by agreement between Tenant and those authorized to exercise such right, Tenant shall give prompt notice thereof to Landlord and the Term shall not be reduced or affected in any way and Tenant shall continue to pay in full the Rental payable by Tenant hereunder without reduction or abatement, and Tenant shall be entitled to receive for itself any award or payments for such use, provided, however, that:

- (a) If the taking is for a period not extending beyond the Term and if such award or payment is made less frequently than in monthly installments, the same shall be paid to and held by Depository as a fund which Depository shall apply from time to time to the payment of Rental, except that, if such taking results in changes or alterations in any of the Buildings which would necessitate an expenditure to Restore such Buildings to their former condition, then, a portion of such award or payment considered by Landlord, in its reasonable opinion, as appropriate to cover the expenses of the Restoration shall be retained by Depository, without application as aforesaid, and applied and paid over toward the Restoration of such Buildings to their former condition, substantially in the same manner and subject to the same conditions as provided in Section 9.03; and any portion of such award or payment which shall not be required pursuant to this Section 9.05(a) to be applied to the Restoration of the Buildings or to the payment of Rental until the end of the Term (or, if the taking is for a period terminating prior to the end of the Term, until the end of such period), shall be paid to Tenant; or
- (b) If the taking is for a period extending beyond the Term, such award or payment shall be apportioned between Landlord and Tenant as of the Expiration Date, and Landlord's and Tenant's share thereof, if paid less frequently than in monthly installments, shall be paid to Depository and applied in accordance with the provisions of Section 9.05(a), provided, however, that the amount of any award or payment allowed or retained for the Restoration of the Buildings and not previously applied for such purpose shall remain the property of Landlord if this Lease shall expire prior to such Restoration.

Section 9.06 In case of any governmental action, not resulting in the taking or condemnation of any portion of the Premises but creating a right to compensation therefor, such as the changing of the grade of any street upon which the Premises abut, this Lease shall continue in full force and effect without reduction or abatement of Rental and the award shall be paid to Landlord to the extent of the amount, if any, necessary to restore any portion of Landlord's Civic Facilities to their former condition and any balance remaining shall be paid to Tenant.

Section 9.07 In the event of a negotiated sale of all or a portion of the Premises in lieu of condemnation, the proceeds shall be distributed as provided in cases of condemnation.

Section 9.08 Landlord, Tenant and any Mortgagee shall be entitled to file a claim and otherwise participate in any condemnation or similar proceeding and all hearings, trials and appeals in respect thereof.

Section 9.09 Notwithstanding anything to the contrary contained in this Article 9, in the event of any permanent or temporary taking of all or any part of the Premises, Tenant and its Subtenants shall have the exclusive right to assert claims for any trade fixtures and personal property so taken which were the property of Tenant or its Subtenants (but not including any Equipment) and for relocation expenses of Tenant or its Subtenants, and all awards and damages in respect thereof shall belong to Tenant and its Subtenants, and Landlord hereby waives any and all claims to any part thereof; provided, however, that if there shall be no

separate award or allocation for such trade fixtures or personal property, then such claims of Tenant and its Subtenants, or awards and damages, shall be subject and subordinate to Landlord's claims under this Article 9.

ARTICLE 10

ASSIGNMENT, SUBLETTING, MORTGAGES, ETC.

Section 10.01

Except as otherwise specifically provided in this Section 10.01, prior to Substantial Completion of the Buildings, neither this Lease nor any interest of Tenant in this Lease, shall be sold, assigned, or otherwise transferred, whether by operation of law or otherwise, (including, without limitation, an assignment to the Apartment Corporation in connection with a Cooperative Plan and an assignment or partial assignment in connection with Tenant's submission of its leasehold estate in the Premises to a condominium form of ownership) nor shall any of the issued or outstanding capital stock of any corporation which, directly or indirectly, is Tenant be (voluntarily or involuntarily) sold, assigned, transferred, pledged or encumbered, whether by operation of law or otherwise, nor shall any voting trust or similar agreement be entered into with respect to such stock, nor any reclassification or modification of the terms of such stock take place, nor shall there be any merger or consolidation of such corporation into or with another corporation nor shall additional stock (or any warrants, options or debt securities convertible, directly or indirectly, into such stock) in any such corporation be issued if the issuance of such additional stock (or such other securities, when exercised or converted into stock) will result in a change of the controlling stock ownership of such corporation as held by the shareholders thereof as of the Commencement Date, nor shall any general partner's interest in a partnership which is Tenant be (voluntarily or involuntarily) sold, assigned or transferred (each of the foregoing transactions with respect to stock or other securities of a corporation or a general partner's interest in a partnership being herein referred to as a "Transfer"), nor shall Tenant sublet the Premises as an entirety or substantially as an entirety, without the consent of Landlord in each case and the delivery to Landlord of the documents and information specified in Section 10.01(d) hereof. Notwithstanding the foregoing, (i) the following transfers shall be permitted prior to Substantial Completion: (x) the transfer of a direct or indirect interest in Tenant by will or intestacy, (y) subleases of individual apartments or non-residential space in the normal course in anticipation of Substantial Completion or (z) the collateral assignment to a Mortgagee of Tenant's interest in subleases as security for a loan, and (ii) the following transfers shall be permitted prior to Substantial Completion provided Tenant gives Landlord thirty (30) days' prior notice thereof and provided Tenant, within seven (7) days after Landlord's written request therefor, delivers to Landlord all information reasonably requested by Landlord as to the transfer transaction and/or the identity, financial ability and business experience of the transferee: (A) Transfers of direct or indirect interests in Tenant to immediate family members of the transferor, (B) a Transfer of less than all of the ownership interests of Tenant where such Transfer is in connection with a syndication of low income housing tax credits, subject, however,

to the restrictions set forth in Section 10.01(c) below, (C) an assignment of Tenant's interest in this Lease to a Mortgagee that is an Institutional Lender or its wholly owned subsidiary or, subject to Landlord's approval, Mortgagee's designee (and, subject to the provisions of Section 10.01(c), Landlord shall approve any such designee that, in Landlord's reasonable opinion, is a developer with then recent experience in successfully constructing and leasing a project similar to the Building), or (D) an assignment of this Lease to a single purpose entity controlled by The Related Companies, L.P. and/or Stephen M. Ross. Notwithstanding the thirty (30) day requirement in clause (ii) of the prior sentence, in the event of a transfer of Tenant's interest in this Lease to a Mortgagee that is an Institutional Lender or its wholly owned subsidiary prior to Substantial Completion, the notice from Tenant to Landlord shall be given as much in advance of such transfer as is reasonable under the circumstances.

- (b) From and after Substantial Completion of the Buildings, Landlord's consent shall be required prior to any Transfer, assignment of Tenant's interest in this Lease or subletting of the Premises, but Landlord shall not withhold its consent to a Transfer, an assignment by Tenant of its interest hereunder or a subletting of the Premises as an entirety or substantially as an entirety provided (i) no Default shall have occurred and then be continuing hereunder, unless such Default is cured simultaneously with such Transfer, assignment or subletting, and (ii) Tenant shall have complied with the provisions of this Article 10. This Section 10.01(b), Section 10.01(c) (except as otherwise provided therein) and Section 10.01(d) shall not apply to an assignment or partial assignments in connection with a Cooperative Plan or Condominium Plan, which shall be governed by the provisions of Sections 10.01(e) and (f), respectively. In addition, without limiting the foregoing, from and after Substantial Completion Tenant shall continue to have the same rights as it does prior to Substantial Completion under clauses (A), (B), (C) and (D) of the penultimate sentence of Section 10.01(a).
- Except as otherwise specifically provided herein, in no event, whether before or after Substantial Completion of the Buildings, shall Tenant make a Transfer, assign this Lease or any portion of its interest hereunder or sublet the Premises as an entirety or substantially as an entirety to any Person, in which, an ownership interest, in the aggregate, of five percent (5%) or greater is then held, directly or indirectly, by any individual (i) who has ever been convicted of a felony, (ii) against whom any action or proceeding is pending to enforce rights of the State of New York or any agency, department, public authority or public benefit corporation thereof arising out of a mortgage obligation to the State of New York or to any such agency. department, public authority or public benefit corporation, or (iii) with respect to whom any notice of substantial monetary default which remains uncured has been given by the State of New York or any agency, department, public authority or any public benefit corporation thereof arising out of a mortgage obligation to the State of New York or to any such agency, department, public authority or public benefit corporation. The provisions of this Section 10.01(c) shall apply to any Person (x) purchasing from Tenant or any other Person more than fifteen percent (15%) of the Cooperative Apartments or Units or (y) subletting from Tenant or any other Person more than fifteen percent (15%) of the residential apartments, but shall not otherwise apply to any Tenant-Stockholder or Unit Owner.

- (d) In each instance wherein Tenant desires to effect, and as a condition to the effectiveness thereof, an assignment, a sublease of the Premises as an entirety or substantially as an entirety, or a Transfer, Tenant shall, prior to the effective date of such transaction, notify Landlord of the proposed transaction and submit to Landlord the following documents and information (which documents may be unexecuted but shall, in all other respects, be in substantially final form) and such other information and documents it may reasonably require if the proposed transaction is subject to the consent of Landlord:
 - (i) in the case of an assignment, (A) a copy of the proposed instrument(s) of assignment, containing, inter alia, the name, address and telephone number of the assignee, (B) a copy of the proposed instrument(s) of assumption of Tenant's obligations under this Lease by said assignee, and (C) an affidavit of the assignee or an authorized officer or general partner thereof, setting forth (x) in the case of a partnership, the names and addresses of all general partners thereof and all other partners of the assignee having a five percent (5%) or greater ownership interest in the assignee, (y) in the case of a corporation (other than an Institutional Lender or a corporation whose common stock is traded over the New York Stock Exchange, the American Stock Exchange or any other publicly recognized exchange) the names and addresses of all persons having five percent (5%) or greater record ownership of stock in, and all directors and officers of, the assignee;
 - (ii) in the case of a subletting of the Premises as an entirety or substantially as an entirety, (A) a copy of the proposed sublease, containing, inter alia, the name, address, and telephone number of the subtenant, and (B) an affidavit of the subtenant or an authorized officer or general partner thereof, setting forth the same information with respect to the partners, shareholders, officers and directors of the subtenant as is required with respect to assignees under Section 10.01(d)(i);
 - (iii) in the case of a Transfer, (A) a copy of each proposed document by which such Transfer is to be accomplished, and (B) an affidavit of an authorized officer or general partner of Tenant, setting forth the same information with respect to the partners, shareholders, officers and directors of Tenant as is required with respect to assignees under Section 10.01(d)(i); and
 - (iv) in all such cases, such other documents and information as Landlord may reasonably request to permit the evaluation of such assignment, sublease or Transfer.

Landlord shall within twenty (20) days after receipt of all requisite information and documentation, notify Tenant whether it grants its consent if such consent is required hereunder, and in those instances wherein the consent of Landlord is not so required or is granted, whether the form and substance of each such document and the information submitted establishes compliance with the provisions of Section 10.01(c) and Section 10.01(d), specifying, in the event that Landlord denies its consent to such transaction or determines that any such documentation or any such information does not establish such compliance, the reason for such

denial or determination. If Landlord shall not have notified Tenant of such denial or determination within such period, it shall be deemed to have consented to the proposed transaction if such consent is required and to have determined that the documents and the information submitted establish compliance with the provisions of Section 10.0(c) and Section 10.01(d). Even if Landlord has consented to the proposed transaction if such consent is required and/or has determined that the documents and information establish compliance with the provisions of Section 10.01(c) and Section 10.01(d), such consent and/or determination shall be conditioned upon the delivery to Landlord of executed documents substantially the same as those previously delivered to Landlord for review.

- (e) From and after Substantial Completion of the Buildings, Landlord's consent shall be required prior to any assignment by Tenant of its interest in this Lease to the Apartment Corporation pursuant to a Cooperative Plan, but Landlord shall not withhold its consent to an assignment by Tenant of its interest in this Lease to the Apartment Corporation pursuant to a Cooperative Plan, provided no Default shall have occurred and be continuing hereunder, Tenant shall have complied with the provisions of Sections 3.05 and shall have delivered to Landlord (w) a true and correct copy of such Cooperative Plan and any amendments, modifications and supplements thereto, (x) a true and correct copy of the letter of acceptance of the Cooperative Plan issued by the New York State Department of Law, (y) a true and correct copy of the letter accepting the amendment declaring the Cooperative Plan effective issued by the New York State Department of Law and (z) such other documents in connection therewith as may be reasonably requested by Landlord.
- (f) From and after Substantial Completion of the Buildings, Tenant shall not assign, in whole or in part, its interest in this Lease pursuant to a Condominium Plan without the prior consent of Landlord, which consent may be withheld by Landlord in Landlord's sole and absolute discretion, and further provided Tenant shall have complied with the provisions of Sections 3.05 hereof. Notwithstanding the foregoing, if there is no outstanding Event of Default, then Landlord shall not withhold its consent to Tenant's submission of the leasehold estate in the Premises to the provisions of the then applicable statutory regime for condominiums (i) if (x)Landlord has after the date hereof consented to the submission to a condominium regime of another residential site in the Project Area and (y) there has been no change in circumstances since the date of Landlord's consent with respect to such other site which in Landlord's sole judgment creates a risk that the lien of each Unit Mortgage and all liens for common charges will not be subordinate to Landlord's right to receive Rental under this Lease (as the same may be severed and assigned to the owner of each Unit) or (ii) if Landlord determines, in its sole and absolute discretion, that the lien of each Unit Mortgage and all liens for common charges will be subordinate to Landlord's right to receive all Rental under this Lease (as the same may be severed and assigned to the owner of each Unit); provided, however, that Landlord shall have the right, as a condition to granting such consent, to require Tenant to enter into an amendment to this Lease satisfactory to Landlord in form and substance that will set forth the framework for conversion to condominiums, including, among other things, the rights and obligations of the Board of Managers and the Unit Owners under this Lease. If between the date hereof and the date Tenant requests to submit its leasehold estate to a condominium regime, Landlord has

entered into a lease (or an amendment thereto) with the holder of a ground lease of another residential site in the Project Area providing the framework for conversion to condominiums, then the lease amendment required by Landlord under this Section 10.01(f) shall not be more onerous on Tenant in any material respect than the provisions of such lease (or amendment) with such other ground lessee (unless the need for such more onerous provision is necessary in Landlord's sole judgment to assure the subordination of all Unit Mortgages and all liens for common charges to Landlord's right to Rental payments) or, in Landlord's judgment, there are compelling differences in the Demised Premises from the premises covered by the other ground lease in question which require different treatment.

tions 10.10 and 10.11 hereof, the foregoing requirement of consent by Landlord shall not apply to the acquisition of the Premises by such Mortgagee, through the foreclosure of its Mortgage or through a deed or instrument of transfer delivered in lieu of such foreclosure, so long as such Mortgagee shall, in the instrument transferring to such Mortgagee the interest of Tenant hereunder, assume and agree to perform all of the terms, covenants and conditions of this Lease thereafter to be observed or performed by Tenant. Each reference in this Section 10.01(g) to "Mortgagee" shall be deemed to include a wholly owned subsidiary (direct or indirect) of such Mortgagee or its direct parent, provided such Mortgagee has delivered to Landlord a written notice advising that such a subsidiary should be so deemed and certifying (i) that such subsidiary is wholly owned (direct or indirect) by such Mortgagee or its direct parent and (ii) that such subsidiary is authorized to act in the place and stead of such Mortgagee.

Section 10.02 No assignment of this Lease, subletting of the Premises as an entirety or substantially as an entirety or Transfer shall have any validity except upon compliance with the provisions of this <u>Article 10</u>.

Section 10.03 Any consent by Landlord under <u>Section 10.01</u> above shall apply only to the specific transaction thereby authorized and shall not relieve Tenant from any requirement hereunder of obtaining the consent of Landlord to any further sale or assignment of this Lease or Transfer or subletting of the Premises as an entirety or substantially as an entirety.

Section 10.04 Tenant may, without Landlord's consent, but subject to the provisions of the last sentence of Section 10.01(c) and this Section 10.04, enter into agreements for the rental of residential and non-residential space in the Buildings, or the occupancy of such space pursuant to licenses or concessions for periods shorter than or equal to the remainder of the Term at the time of such agreements (all of such agreements being herein referred to collectively as "Subleases", and the occupants pursuant to Subleases as "Subtenants"). Each Sublease shall obligate the Subtenant pursuant thereto to occupy and use the premises included therein for purposes consistent with the Requirements, the Master Lease, the Certificate of Occupancy and the Master Development Plan. Tenant shall promptly and diligently enforce all of its rights as the landlord under all Subleases in accordance with the terms thereof.

Section 10.05 The fact that a violation or breach of any of the terms, provisions or conditions of this Lease or of the Master Lease results from or is caused by an act or omission by any Subtenant, Tenant-Stockholder, or subtenant of a Subtenant, Tenant-Stockholder or any other occupant of the Buildings shall not relieve Tenant of Tenant's obligation to cure the same. Tenant shall take any and all reasonable steps necessary to prevent any such violation or breach.

Section 10.06 Landlord, after an Event of Default by Tenant, may, subject to the rights of any Mortgagee (provided such Mortgagee is an Institutional Lender), collect subrent and all other sums due under Subleases, and apply the net amount collected to Rental, but no such collection shall be, or be deemed to be, a waiver of any agreement, term, covenant or condition of this Lease or the acceptance by Landlord of any Subtenant as tenant hereunder, or a release of Tenant from performance by Tenant of its obligations under this Lease.

Section 10.07 To secure the prompt and full payment by Tenant of the Rental and the faithful performance by Tenant of all the other terms and conditions herein contained on its part to be kept and performed, Tenant hereby assigns, transfers and sets over unto Landlord, subject to any assignment of Subleases and/or rents made in connection with any Mortgage (provided the Mortgagee thereunder is an Institutional Lender), all of Tenant's right, title and interest in and to all Subleases and hereby confers upon Landlord, its agents and representatives, a right of entry in, and sufficient possession of, the Premises to permit and insure the collection by Landlord of the rentals and other sums payable under the Subleases. The exercise of the right of entry and qualified possession by Landlord shall not constitute an eviction of Tenant from the Premises or any portion thereof and should said right of entry and possession be denied Landlord, its agent or representative, Landlord, in the exercise of said right, may use all requisite force to gain and enjoy the same without responsibility or liability to Tenant, its servants, employees, guests or invitees, or any Person whomsoever; provided, however, that such assignment shall become operative and effective only if (a) an Event of Default shall occur and remain uncured, or (b) this Lease and the Term shall be cancelled or terminated pursuant to the terms, covenants and conditions hereof, or (c) there occurs repossession under a dispossess warrant or other re-entry or repossession by Landlord under the provisions hereof or applicable law, and then only as to such of the Subleases that Landlord has agreed to take over and assume.

Section 10.08 At any time and from time to time, within 10 days after Landlord's demand, Tenant promptly shall deliver to Landlord a schedule of all Subleases, setting forth the names of all Subtenants. Upon the reasonable request of Landlord, Tenant shall permit Landlord and its agents and representatives to inspect all Subleases and, at Tenant's expense, to make copies thereof.

Section 10.09 All Subleases shall provide that (a) they are subject to this Lease and to the Master Lease, (b) the Subtenants will not pay rent or other sums under the Subleases for more than one (1) month in advance (excluding security and other deposits required under such Sublease), and (c) at Landlord's option, on the termination of this Lease pursuant to Article 24, the Subtenants will attorn to, or enter into a direct sublease on identical terms with, Landlord. With respect to any non-residential Sublease of more than 1,500 square feet (a) made

to an unrelated third party at a rental not less than the prevailing market rental, (b) which is in accordance with all of the requirements of this Lease and (c) which confers no greater rights upon such Subtenant than are conferred upon Tenant under this Lease nor, except with respect to provision of basic services customarily provided to commercial tenants in such circumstances, imposes more onerous obligations upon Landlord, as successor landlord under the Sublease, than are imposed on Landlord in this Lease ("Qualifying Sublease"), at the request of Tenant, Landlord and such Subtenant shall execute an agreement (the "Non-disturbance and Attornment Agreement") wherein Landlord agrees to recognize such Subtenant as the direct tenant of Landlord under its Sublease upon the termination of this Lease pursuant to Article 24, provided that at the time of such termination no default exists under such Subtenant's Sublease which at such time would permit the landlord thereunder to terminate the Sublease or to exercise any remedy for dispossession provided for therein, and such Subtenant agrees to attorn to Landlord and to recognize Landlord as such Subtenant's landlord under its Sublease. The Non-disturbance and Attornment Agreement shall provide that neither Landlord, nor anyone claiming by, through or under Landlord, shall be:

- (a) liable for any act or omission of any prior landlord (including, without limitation, the then defaulting landlord); <u>provided</u>, <u>however</u>, that this shall not excuse a successor landlord from having to cure any non-monetary default that continues after such successor landlord succeeds to the interest of Landlord hereunder and as to which such successor has received a written notice; <u>provided</u>, <u>further</u>, however, that such successor landlord shall be entitled to a reasonable period of time to cure such non-monetary default notwithstanding any time limitation set forth in such Sublease.
- (b) subject to any offsets or defenses that such Subtenant may have against any prior landlord (including, without limitation, the then defaulting landlord),
- (c) except with respect to a semi-annual prepayment of real estate tax or PILOT, bound by any payment that such Subtenant might have paid to any prior landlord (including, without limitation, the then defaulting landlord), or any other Person of (i) rent, common area charges, or any other charge payable under such Subtenant's sublease for more than the current month or (ii) any security deposit which shall not have been delivered to Landlord,
- (d) bound by any covenant to undertake or complete any construction of the Buildings or any portion thereof demised by the Sublease,
 - (e) bound by any obligation to make any payment to such Subtenant, or
- (f) bound by any amendment to any such Sublease or modification thereof which reduces the basic rent, additional rent, supplemental rent or other charges payable under the Sublease (except to the extent equitably reflecting a reduction in the space covered by the Sublease), or shortens or lengthens the term thereof, or otherwise increases the obligations of landlord thereunder, made without the written consent of Landlord.

Within fifteen (15) days after Tenant submits to Landlord a copy of a Sublease (which may be unexecuted but which shall, in all other respects be in final form), Landlord shall notify Tenant whether same is a Qualifying Sublease. If Landlord shall determine that such Sublease is a Qualifying Sublease, then, promptly after notice to Tenant of such determination, Landlord and such Subtenant each shall duly execute, acknowledge and deliver to one another one or more counterparts of the Non-disturbance and Attornment Agreement. If Landlord shall determine that same is not a Qualifying Sublease, Landlord shall together with its notice to Tenant specify the reason for such determination. If there be any dispute as to whether any Sublease is a Qualifying Sublease, such dispute shall be resolved by arbitration in accordance with the provisions of Article 36.

Section 10.10

- If Tenant shall mortgage Tenant's interest in this Lease to a Mortgagee, Tenant or such Mortgagee shall give Landlord prompt notice of such Mortgage and furnish Landlord with a complete and correct copy of each such Mortgage, certified as such by Tenant or such Mortgagee, together with the name and address of such Mortgagee. After receipt of the foregoing, Landlord shall give to such Mortgagee, at the address of such Mortgagee set forth in such notice, and otherwise in the manner provided by Article 25, a copy of each notice of Default at the same time as, and whenever, any such notice of Default shall thereafter be given by Landlord to Tenant, and no such notice of Default by Landlord shall be deemed to have been duly given to Tenant unless and until a copy thereof shall have been so given to each Mortgagee. Each Mortgagee (i) shall thereupon have a period of ten (10) days more than is given to Tenant in each instance in the case of a Default in the payment of Rental and, provided such Mortgagee has given the notice referred to in Section 10.11(b), thirty (30) days more (subject to Unavoidable Delay) than is given to Tenant in each instance in the case of any other Default, for remedying the Default, or causing the same to be remedied, or causing action to remedy a Default mentioned in Section 24.01(b) or (c) to be commenced, and (ii) shall, within such periods and otherwise as herein provided, have the right to remedy such Default, cause the same to be remedied or cause action to remedy a Default mentioned in Section 24.01(b) or (c) to be commenced. Landlord shall accept performance by a Mortgagee of any covenant, condition or agreement on Tenant's part to be performed hereunder with the same force and effect as though performed by Tenant.
- (b) Notwithstanding the provisions of Section 10.10(a) and Section 24.01 hereof, no Default (other than a Default in the payment of Rental) by Tenant shall be deemed to exist as long as a Mortgagee within five (5) Business Days after the expiration of the time given to Tenant pursuant to the provisions of this Lease to remedy the event or condition which would otherwise constitute a Default hereunder, shall have delivered to Landlord its written agreement to take the action described in clause (i) or (ii) herein and thereafter, in good faith, shall have commenced promptly (subject to Unavoidable Delay) either (i) to cure the Default and to prosecute the same to completion, or (ii) if possession of the Premises is required in order to cure the Default, to institute foreclosure proceedings and obtain possession directly or through a

receiver, and to prosecute such proceedings with diligence and continuity and, upon obtaining such possession, commence promptly to cure the Default and to prosecute the same to completion with diligence and continuity, provided that during the period in which such action is being taken (and any foreclosure proceedings are pending), all obligations of Tenant to pay Rental, and all other obligations of Tenant under this Lease, to the extent they are reasonably susceptible to being performed by the Mortgagee, are being performed. However, at any time after the delivery of the aforementioned agreement, the Mortgagee may notify Landlord, in writing, that it has relinquished possession of the Premises or that it will not institute foreclosure proceedings or, if such proceedings have been commenced, that it has discontinued them, or that Mortgage otherwise elects not to cure the Default, and in such event, the Mortgagee shall have no further liability under such Agreement from and after the date it delivers such notice to Landlord (except for any obligations for Rental accruing prior to the date it delivers such notice), and, thereupon, Landlord shall have the unrestricted right to terminate this Lease and to take any other action it deems appropriate by reason of any Default, and upon any such termination the provisions of Section 10.11 shall apply. Notwithstanding anything herein contained to the contrary, provided such Mortgagee shall have otherwise complied with the provisions of this Section 10.10, such Mortgagee shall have no obligation to cure any Defaults which are not reasonably susceptible to being cured by such Mortgagee. At the request of such Mortgagee, Landlord agrees to stipulate as to Defaults which Landlord agrees are not reasonably susceptible of cure.

- (c) Except as provided in <u>Section 10.10(b)</u>, no Mortgagee shall become liable under the provisions of this Lease unless and until such time as it becomes, and then only for as long as it remains, the owner of the leasehold estate created hereby. In the event that a Mortgagee shall become the owner of such leasehold estate, such Mortgagee shall not be bound by any modification or amendment of this Lease made subsequent to the date of the Mortgage and delivery to Landlord of the notice provided in <u>Section 10.10(a)</u> hereof and prior to its acquisition of such interest unless the Mortgagee shall have consented to such modification or amendment at the time it was made or at the time of such acquisition.
- (d) A copy of any notice of termination given by Landlord to Tenant (other than a termination by reason of an Event of Default) shall be given by Landlord at the same time and in the same manner to any Mortgagee then entitled to receive copies of notices of Default under Section 10.10(a).

Section 10.11

(a) In the case of termination of this Lease by reason of any Event of Default, Landlord shall give prompt notice thereof to each Mortgagee whose name and address Landlord has received pursuant to notice made in compliance with the provisions of Section 10.10(a), at the address of such Mortgagee set forth in such notice, and otherwise in the manner provided by Article 25. Landlord, on written request of such Mortgagee made any time within thirty (30) days after the giving of such notice by Landlord, shall promptly execute and deliver a new lease of the Premises to the Mortgagee, or its designee or nominee, for the remainder of the Term upon

all the covenants, conditions, limitations and agreements herein contained, provided that such Mortgagee or designee (i) shall pay to Landlord, simultaneously with the delivery of such new lease, all unpaid Rental due under this Lease (less any sums collected by Landlord from Subtenants) up to and including the, date of the commencement of the term of such new lease and all expenses, including, without limitation, reasonable attorneys' fees and disbursements and court costs, incurred by Landlord in connection with the Default by Tenant, the termination of this Lease and the preparation of the new lease, and (ii) shall cure all Defaults existing under this Lease which are reasonably susceptible to being cured by such Mortgagee or designee. At the request of such Mortgagee, Landlord agrees to stipulate as to Defaults which Landlord agrees are not reasonably susceptible of cure.

- (b) Any such new lease and the leasehold estate thereby created shall, subject to the same conditions contained in this Lease, continue to maintain the same priority as this Lease with regard to any mortgage, including any fee mortgage, on the Premises or any part thereof or any other lien, charge or encumbrance thereon. Concurrently with the execution and delivery of such new lease, Landlord shall assign to the tenant named therein all of its right, title and interest in and to moneys (including insurance and condemnation proceeds), if any, then held by or payable to Landlord or Depository which Tenant would have been entitled to receive but for termination of this Lease, and any sums then held by or payable to Depository shall be deemed to be held by or payable to it as Depository under the new lease.
- (c) Upon the execution and delivery of a new lease under this Section 10.11, all Subleases which theretofore have been assigned to, or made by, Landlord shall be assigned and transferred, without recourse, by Landlord to the tenant named in such new lease. Between the date of termination of this Lease and the date of execution of the new lease, if a Mortgagee shall have requested such new lease as provided in Section 10.11(a), Landlord shall not cancel any Subleases or accept any cancellation, termination or surrender thereof (unless such termination shall be effected as a matter of law on the termination of this Lease) without the consent of the Mortgagee, except for a default as permitted in the Subleases or for the purpose of permitting Landlord to enter into Subleases with other subtenants who will occupy not less than the same amount of space demised by the cancelled Subleases at a rental rate per square foot and for a term not less than the rental rate per square foot and the unexpired term, respectively, of the cancelled Subleases.
- (d) If there is more than one Mortgage, Landlord shall only recognize the Mortgagee whose Mortgage is senior in lien and which has requested a new lease of the Premises within the time period set forth in Section 10.11(a) as the Mortgagee entitled to the rights afforded by this Section 10.11, provided that either Tenant or such Mortgagee shall have given Landlord notice of such Mortgage in compliance with the provisions of Section 10.10(a).

ARTICLE 11

CONSTRUCTION OF BUILDINGS

Section 11.01 Tenant, using a reputable and responsible contractor or construction manager approved by Landlord, which approval shall not be unreasonably withheld, shall promptly commence (subject to Unavoidable Delays) on or before the Construction Commencement Date and (subject to Unavoidable Delays) diligently construct the Buildings in accordance with the Requirements, Master Development Plan, the Design Guidelines, the Construction Documents, and the applicable provisions of this Lease. Tenant shall as soon as practicable obtain from New York City and all other Governmental Authorities all permits, consents, certificates and approvals required to commence construction of the Building. At the request of Tenant, Landlord, at no cost or expense to it, shall within ten (10) days of Tenant's request, execute and deliver any documents or instruments reasonably required to obtain such permits, consents, certificates and approvals, provided such documents or instruments do not impose any liability or obligation on Landlord (or Landlord is satisfied that it is adequately indemnified against any such liability or obligation). Tenant shall not undertake Commencement of Construction unless and until (i) Tenant shall have obtained as aforesaid, and delivered to Landlord copies of all necessary permits, consents, certificates and approvals for such construction from all Governmental Authorities which are required to have been obtained prior to Commencement of Construction, (ii) Landlord shall have reviewed the Construction Documents in the manner provided herein and shall have determined that they conform to the Master Development Plan, the Design Guidelines, the Schematics and the Design Development Plans, (iii) Tenant shall have delivered to Landlord the original policies of insurance or duplicate originals thereof, in accordance with Section 11.03(b), and (iv) either (x) a building loan Mortgage in an amount sufficient, in Landlord's judgment, to assure completion of construction of the Buildings shall have been made for the financing of such construction or (y) Landlord shall have approved a plan submitted by Tenant for financing the construction of the Buildings. Tenant shall obtain such other permits, consents, certificates and approvals as may be required from time to time to continue and complete the construction of the Buildings. At the request of either Landlord or Tenant, made at any time after Commencement of Construction, Landlord and Tenant shall execute a certification setting forth the Construction Commencement Date. In the event the parties shall be unable to agree on such date, such dispute shall be resolved by arbitration pursuant to Article 36.

Section 11.02

(a) As soon as practicable, but in no event later than ninety (90) days after the date hereof, Tenant shall submit to Landlord scaled schematic drawings (the "Schematics") prepared by the Architect and in accordance with Landlord's submission requirements for schematics, such requirements being more particularly described in the Design Guidelines. If Landlord determines that the Schematics conform to the Master Development Plan and the Design Guidelines, Landlord shall notify Tenant to that effect. If Landlord determines that the Schematics do not conform to the Master Development Plan and the Design Guidelines,

Landlord shall so notify Tenant, specifying those respects in which the Schematics do not so conform, and Tenant shall revise the Schematics to so conform and shall resubmit the same to Landlord for review within fifteen (15) Business Days of the date of notice from Landlord to Tenant that the Schematics do not so conform. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of submission of the Schematics or revised Schematics, as the case may be, by Tenant (and if Landlord shall not have notified Tenant of its determination within such fifteen (15) Business Day period, it shall be deemed to have determined that the Schematics do conform to the Master Development Plan and the Design Guidelines).

- (b) As soon as practicable, but in no event later than seventy-five (75) days after Landlord shall have notified Tenant that the Schematics conform to the Master Development Plan and the Design Guidelines, Tenant shall submit to Landlord for its review, design development plans and outline specifications for the Buildings (the "Design Development Plans"), prepared by the Architect and in accordance with Landlord's submission requirements for design development, such requirements being more particularly described in the Design Guidelines. Any changes in the Design Development Plans from the Schematics shall be identified in reasonable detail. If Landlord determines that the Design Development Plans conform to the Master Development Plan, the Design Guidelines and the Schematics, Landlord shall notify Tenant to that effect. If Landlord determines that the Design Development Plans do not conform to the Master Development Plan, the Design Guidelines and the Schematics, Landlord shall so notify Tenant, specifying those respects in which the Design Development Plans do not so conform, and Tenant shall revise the same to so conform and shall resubmit the Design Development Plans to Landlord for review within fifteen (15) Business Days of the date of notice from Landlord to Tenant that the Design Development Plans do not so conform. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of submission of the Design Development Plans or revised Design Development Plans, as the case may be, by Tenant (and if Landlord shall not have notified Tenant of its determination within such fifteen (15) Business Day period, it shall be deemed to have determined that the Design Development Plans do conform to the Master Development Plan, The Design Guidelines and the Schematics).
- after Landlord shall have notified Tenant that the Design Development Plans conform to the Master Development Plan, the Design Guidelines and the Schematics, Tenant shall submit to Landlord final contract plans and specifications for the Buildings prepared by the Architect and in accordance with Landlord's requirements for final contract plans and specifications, such requirements being more particularly described in the Design Guidelines. Any changes in such final contract plans and specifications from the Design Development Plans shall be identified in reasonable detail. The final contract plans and specifications shall be reviewed by Landlord to determine whether or not they conform to the Master Development Plan, the Design Guidelines and the Design Development Plans. If Landlord determines that they do so conform, Landlord shall notify Tenant to that effect. If Landlord determines that the final contract plans and specifications do not conform to the Master Development Plan, the Design Guidelines and the

Design Development Plans, Landlord shall so notify Tenant, specifying those respects in which the final contract plans and specifications do not so conform, and Tenant shall revise the same to so conform and shall resubmit the final contract plans and specifications to Landlord for review within fifteen (15) Business Days of the date of notice from Landlord to Tenant that the final contract plans end specifications do not so conform. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of submission of the final contract plans and specifications or revised final contract plans and specifications, as the case may be, by Tenant (and if Landlord shall not have notified Tenant of its determination within such fifteen (15) Business Day period, it shall be deemed to have determined that the final contract plans and specifications do conform to the Master Development Plan, the Design Guidelines and the Design Development Plans). The contract plans and specifications that have been determined to conform to the Master Development Plan, the Design Guidelines and the Design Development Plans, as the same may be changed from time to time by Tenant, to the extent such changes are approved by Landlord as hereinafter provided, are hereinafter referred to as the "Construction Documents".

- (d) In the event that Tenant shall desire to modify the Construction Documents with respect to, or which will in any way affect, any aspect of the exterior of the Buildings or a change in the height, bulk or setback of the Buildings or in any other manner affects compliance with the Master Development Plan or the Design Guidelines, Tenant shall submit the proposed modifications to Landlord for approval prior to making or implementing any such modification. All modifications shall be identified in reasonable detail. Tenant shall not be required to submit to Landlord proposed modifications of the Construction Documents which affect solely the interior of the Buildings. Landlord shall review the proposed changes to determine whether or not they (i) conform to the Master Development Plan and the Design Guidelines, and (ii) provide for design, finishes and materials with respect to the exterior of the Buildings which are comparable in quality to those provided for in the Construction Documents. If Landlord determines that they do so conform and provide, Landlord shall notify Tenant to that effect. If Landlord determines that the Construction Documents, as so revised, do not conform to the Master Development Plan and the Design Guidelines or provide for such design, finishes and materials, Landlord shall so notify Tenant, specifying those respects in which they do not so conform or provide, and Tenant shall revise the same to meet Landlord's objections and shall resubmit them to Landlord for review within fifteen (15) Business Days of the date of notice from Landlord to Tenant that they do not so conform or provide. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of submission of the Construction Documents, as so revised, by Tenant (and if Landlord shall not have notified Tenant of its determination within such fifteen (15) Business Day period, it shall be deemed to have determined that the proposed changes are satisfactory).
- (e) Notwithstanding the provisions of Section 11.02(d), if, after the Commencement of Construction, Tenant makes a good faith determination that any proposed modification which requires Landlord's approval under Section 11.02(d) is of a minor or insubstantial nature, Tenant may so advise an employee designated by Landlord ("Landlord's Project Manager") (delivering to him or her a written statement setting forth the proposed

modification and the basis for Tenant's determination and simultaneously delivering copies of said statement to Landlord's President and Chief Executive Officer and Vice President for Planning and Design). Landlord's Project Manager shall, in writing, before the expiration of the fifth full Business Day after the receipt of said advice, either (i) notify Tenant of approval of said proposed modification or (ii) notify Tenant that Tenant is required to submit the proposed modification to Landlord as provided in Section 11.02(d). In the event Landlord's Project Manager acts in accordance with (ii) above, Landlord, after receipt from Tenant of the proposed modification, shall endeavor to expedite its review thereof and notification to Tenant of its determination. Nothing set forth in this Section 11.02(e) shall require Landlord to notify Tenant of Landlord's determination earlier than the expiration of the fifteen (15) Business Day period set forth in Section 11.02(d) with respect to such modification, provided, however, that if Landlord's Project Manager shall not have notified Tenant of either (i) or (ii) above within the five (5) Business Day period set forth above, Landlord shall be deemed to have approved the proposed modification.

- (f) The Construction Documents shall comply with the Requirements, including but not limited to the Building Code of New York City. The responsibility to assure such compliance shall be Tenant's; Landlord's determination that the Construction Documents conform to the Master Development Plan and the Design Guidelines shall not be, nor shall it be construed to be or relied upon as, a determination that the Construction Documents comply with the Requirements. In the event that there shall be a conflict between the Requirements and the Master Development Plan or the Design Guidelines, the Requirements shall prevail.
- In addition to the documents referred to in Section 11.01 and this Sec-(g) tion 11.02, Tenant shall, at least thirty (30) Business Days prior to ordering the same for incorporation into the Buildings, submit to Landlord samples of all materials to be used on the exterior of the Buildings, including windows, and the same shall be subject to Landlord's approval for conformity to the Design Guidelines, the Master Development Plan and the Construction Documents; provided, however, that where Landlord has previously approved a sample, Tenant need not resubmit such item for approval unless the actual material varies from the sample (not including minor variations in natural conditions within the identified sample). If Landlord shall have failed to object to any of such materials within fifteen (15) Business Days after its receipt of such materials, it shall be deemed to have approved such materials. Landlord reserves the right, at Landlord's sole cost and expense, to maintain its field personnel at the Premises to observe Tenant's construction methods and techniques and Landlord shall be entitled to have its field personnel or other designees attend Tenant's job and/or safety meetings. No such observation or attendance by Landlord's personnel or designees shall impose upon Landlord any responsibility for any failure by Tenant to observe applicable Requirements or safety practices in connection with such construction, or constitute an acceptance of any work which does not comply in all respects with the Requirements and the provisions of this Lease.
- (h) Tenant acknowledges that the maximum permissible "floor area," as such term is defined in the Zoning Resolution of the City of New York, for the Land shall be 440,000 square feet, as computed in accordance with <u>Section 12-10</u> of the Zoning Resolution. Landlord

and Tenant acknowledge that Tenant has elected to utilize less than such maximum permissible "floor area."

- (i) Tenant shall not construct or permit to exist any Buildings on the Land unless the Buildings are in compliance with the Zoning Lot Declaration, Master Development Plan and the Design Guidelines.
- (j) Landlord acknowledges and agrees that in order to meet Tenant's construction schedule, Tenant may be required to "fast track" certain aspects of the final detailed plans and specifications and of the excavation and foundation stage of the construction process. Landlord agrees, within the limitations of sound construction practice, to cooperate with Tenant, as reasonably requested from time to time by Tenant, in "fast tracking" the construction of the Buildings. Such cooperation may include, and may only include (i) shortening the review periods provided for herein, (ii) reviewing certain aspects of the Design Development Plans and Construction Documents prior to completion and submission to Landlord of every aspect thereof, and (iii) permitting Tenant to begin excavation and foundation work prior to completion and approval by Landlord of the Construction Documents.
- Tenant shall, at Tenant's expense, construct and make available to Landlord or, at Landlord's option, to Battery Park City Parks Corporation, without rental or other charge, a minimum of nine hundred (900) square feet of storage area on the ground floor of the Buildings in accordance with the plan annexed hereto as Exhibit F, which area shall be accessible from a public street. Tenant shall provide electrical service to such premises and Landlord shall make separate arrangements with the applicable utility company to separately meter Landlord's electrical usage in such premises. Tenant agrees to construct or cause the construction of such tenant improvements as Landlord may request in such space, subject to Tenant and Landlord agreeing in writing to the actual cost thereof, and to Landlord's agreement to reimburse Tenant for such actual cost within thirty (30) days of receipt by Landlord of invoices from Tenant from time to time as the construction progresses, but not more often than monthly. Upon Tenant's request, and in any event upon completion of such work, Tenant will assign to Landlord all warranties and guaranties with respect to such work, and all rights under contracts with contractors and other third parties. Landlord agrees to look only to such contractors and third parties (and not to Tenant, except in the case of gross negligence or willful misconduct on the part of Tenant) in the event of any deficiencies in the work.

Section 11.03

(a) Commencing on the Commencement Date, Tenant shall provide, or cause to be provided, and thereafter shall keep in full force and effect, or cause to be kept in full force and effect with respect to the Premises, until Commencement of Construction, insurance coverage of the types and in the minimum limits set forth in <u>subsections (i)</u> and (ii) of this <u>Section 11.03(a)</u>. Prior to the Commencement of Construction, Tenant shall provide, or cause to be provided, and thereafter shall keep or cause to be kept in full force and effect, or cause to be kept

in full force and effect with respect to the Premises, until Substantial Completion of the Buildings, the following:

- general liability insurance, naming contractor or construction manager as named insured and, as additional insureds, Tenant, Landlord, Master Landlord and each Mortgagee, such insurance to insure against liability for bodily injury and death and for property damage in such amount as may from time to time be reasonably required by Landlord (which shall be not less than Twenty-Five Million Dollars (\$25,000,000) combined single limit nor more than such amount as, at the time in question, is customarily carried by prudent owners of like buildings and improvements, but, in no event, less than Twenty-Five Million Dollars (\$25,000,000), such insurance to include operations-premises liability, contractor's protective liability on the operations of all subcontractors, completed operations (to be kept in force for not less than three (3) years after Substantial Completion of the Buildings), broad form contractual liability (designating the indemnity provisions of the Construction Agreements and this Lease), a broad form comprehensive general liability endorsement providing blanket automatic contractual coverage including bodily injury to employees or others assumed by the insured under contract and, if the contractor is undertaking foundation, excavation or demolition work, an endorsement that such operations are covered and that the "XCU Exclusions" have been deleted;
- (ii) automobile liability insurance for all owned, non-owned, leased, rented and/or hired vehicles insuring against liability for bodily injury and death and for property damage in an amount not less than Five Million Dollars (\$5,000,000) combined single limit, with such coverage to be listed in the underlying schedule of any umbrella or following form excess policy for a total limit of Twenty-Five Million Dollars (\$25,000,000), such insurance to name Tenant (contractor if carried by contractor) as named insured and, as additional insureds, Landlord, Master Landlord, any general contractor or construction manager engaged by Tenant (Tenant if contractor carries such insurance) and each Mortgagee under a standard mortgage clause;
- (iii) workers' compensation insurance providing statutory New York State benefits for all persons employed in connection with the construction at the Premises and employer's liability insurance in an amount not less than that required by New York State law, with coverage to be listed in the underlying schedule of any umbrella or following form excess policy; and
- (iv) all-risk builder's risk insurance written on a one hundred percent (100%) of Completed value (non-reporting) basis with limits as provided in Section 7.01(a)(i), naming, to the extent of their respective insurable interests in the Premises, Tenant as named insured, and, as additional insureds, Landlord, Master Landlord, any contractor or construction manager engaged by Tenant and each Mortgagee under a standard mortgagee clause. In addition, such insurance (A) shall contain an acknowledgment by the insurance company that its rights of subrogation have been waived with respect to

Landlord and Master Landlord and an endorsement stating that "permission is granted to complete and occupy", (B) if any storage location situated off the Premises is used, shall include coverage for the full insurable value of all materials and equipment on or about any such storage location intended for use with respect to the Premises, and (C) if materials, equipment, machinery or supplies to be used in connection with construction are shipped to the job site from places in the contiguous United States, the District of Columbia or Canada, the all-risk builders risk insurance will provide transit coverage.

In the event the proceeds received pursuant to the insurance coverage required under Section 11.03(a)(iv) hereof shall exceed Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)), such proceeds shall be paid to Depository and disbursed in accordance with the provisions of Sections 8.02 and 8.03 hereof. In the event such proceeds shall be Two Hundred and Fifty Thousand Dollars (\$250,000) (as such amount shall be increased as provided in Section 7.02(a)) or less, such proceeds shall be payable, in trust, to Tenant for application to the cost of completion of construction of the Buildings.

- (b) No construction shall be commenced until Tenant shall have delivered to Landlord the original policies of insurance or duplicate originals or certificates thereof together with copies of such insurance policies, as required by this <u>Section 11.03</u>.
- (c) To the extent applicable, Tenant shall comply with the provisions of <u>Section 7.02</u> hereof with respect to the policies required by this <u>Section 11.03</u>.
- (d) To the extent that the insurance coverages required pursuant to this <u>Section 11.03</u> duplicate those required by <u>Article 7</u> hereof, Tenant shall not be required to maintain such coverages in duplicate, but in each instance the more extensive coverage shall be maintained.
- (e) In addition to the insurance required pursuant to this Section 11.03, Tenant shall, prior to Commencement of Construction, obtain, or cause to be obtained, and furnish to Landlord, with respect to each contractor and subcontractor having a contract (or multiple contracts) providing for payments of \$1,000,000 or more in the aggregate, a payment and performance bond in a form and by a surety reasonably satisfactory to Landlord, naming such contractor or subcontractor as obligor and Landlord, Tenant and each Mortgagee as co-obligees, each in a penal sum equal to the amount of such contractor's or subcontractor's contract.

Section 11.04 Construction of the Buildings shall be (a) commenced on or prior to the Construction Commencement Date and prosecuted by Tenant with all reasonable diligence and without interruption, in each case however subject to Unavoidable Delays, and (b) Substantially Completed by Tenant in a good and workmanlike manner in accordance with the approved Construction Documents, the Master Development Plan and the Design Guidelines, no later than 1,095 days after the Construction Commencement Date, as such date may be extended for Unavoidable Delays (the "Scheduled Completion Date"). Upon Substantial

Completion of the Buildings, Tenant shall furnish Landlord with (i) true copies of the Residential TCO for all residential space in the Buildings, a temporary Certificate of Occupancy for the garage in the Buildings and the Architect's certificate referred to in clause (y) below, (ii) a complete set of "as built" plans for the Buildings prepared by the Architect and accompanied by a written statement by the Architect that the "as-built" plans are complete and correct, and (iii) a survey prepared and sealed by a registered surveyor showing all Buildings and all easements and other matters of record relating to the Premises, certified by such surveyor to Tenant, Landlord, each Mortgagee, and to any title company which shall have insured or committed to insure the Premises, and bearing the certification of such surveyor that all of the Buildings are within the property lines of the Land and do not encroach upon any easement or violate any restriction of record.

"Substantial Completion of the Buildings" or "Substantially Completed" shall mean (x) substantial completion of all construction work on the Buildings. (v) the delivery to Landlord of true copies of the Residential TCO for all the residential space in the Buildings, a temporary Certificate(s) of Occupancy for the garage in the Buildings and a Certificate of the Architect to Landlord that Tenant has completed sufficient work on the exterior portions of all other non-residential space in the Buildings such that Tenant would be able to obtain a temporary certificate of occupancy for such non-residential space in the Buildings if interior work had been completed to the same standards, and (z) the delivery to Landlord of a statement in writing from the Architect that the construction has been completed substantially in accordance with the approved Construction Documents, the Master Development Plan, and the Design Guidelines. Notwithstanding anything herein contained to the contrary, if Tenant shall have failed to deliver the Residential TCO for all the residential space in the Buildings and a temporary Certificate of Occupancy for the garage in the Buildings, on or before the Scheduled Completion Date as a result of the failure of the Department of Buildings of New York City, or successor body of similar function, to issue the same, such failure shall not constitute a Default hereunder provided the Architect certifies in writing to Landlord that Tenant has completed all work necessary to obtain such Residential TCO for all residential space in the Buildings and a temporary Certificate of Occupancy for the garage in the Buildings. In such event, Tenant shall deliver a true copy of such Residential TCO and temporary Certificate(s) of Occupancy for all non-residential space in the Buildings, to Landlord promptly upon their issuance. Within twelve (12) months after the date of Substantial Completion of the Buildings, Tenant shall furnish Landlord with permanent Certificate(s) of Occupancy for all space in the Buildings duly issued by the New York City Department of Buildings, provided, however, Tenant's failure to obtain such permanent Certificate(s) of Occupancy within such twelve (12) month period shall not be a Default hereunder if Tenant shall be diligently and in good faith attempting to obtain same (which attempt (i) shall include, but not be limited to, the reasonable expenditure of monies, but (ii) shall not obligate Tenant to complete construction of any interior portion of the non-residential space in the Buildings (other than the garage) until such portion has been made subject to one or more Subleases). In any event, Tenant shall promptly furnish Landlord with such permanent Certificate(s) of Occupancy after same has been duly issued.

Section 11.05

- (a) The materials to be incorporated in the Buildings at any time during the Term shall, upon purchase of same and at all times thereafter, constitute the property of Landlord, and upon construction of the Buildings or the incorporation of such materials therein, title thereto shall vest in Landlord, provided, however, that (i) Landlord shall not be liable in any manner for payment or otherwise to any contractor, subcontractor, laborer or supplier of materials or other Person in connection with the purchase of any such materials, (ii) Landlord shall have no obligation to pay any compensation to Tenant by reason of its acquisition of title to such materials and Buildings, (iii) Landlord shall have no obligation with respect to the storage or care of such materials or the Buildings, and (iv) all materials to be incorporated in the Buildings shall, immediately upon the purchase of same, be deemed to be leased to Tenant pursuant to this Lease.
- (b) All Construction Agreements shall include the following provision: "[contractor] [subcontractor] [materialman] hereby agrees that immediately upon the purchase by [contractor] [subcontractor] [materialman] of any building materials to be incorporated in the Buildings (as said term is defined in the lease pursuant to which the owner acquired a leasehold interest in the property), or of any building materials to be incorporated in improvements made thereto, such materials shall become the sole property of Battery Park City Authority, a public benefit corporation, notwithstanding that such materials have not been incorporated in, or made a part of, such Buildings at the time of such purchase; provided, however, that Battery Park City Authority shall not be liable in any manner for payment or otherwise to [contractor] [subcontractor] [materialman] in connection with the purchase of any such materials and Battery Park City Authority shall have no obligation to pay any compensation to [contractor] [subcontractor] [materialman] by reason of such materials becoming the sole property of Battery Park City Authority."
- Tenant acknowledges that by reason of the ownership of the Buildings by Landlord, certain sales and compensating use taxes will not be incurred in connection with the construction of the Buildings. Tenant shall pay to Landlord, as payments in lieu of such sales and compensating use taxes, One Million Three Hundred Eighty-Six Thousand Dollars (\$1,386,000), payable in eight (8) equal quarterly payments, each in the amount of One Hundred Seventy Three Thousand Two Hundred Fifty Dollars (\$173,250), the first such payment to be made on the first day of the month following the date on which the Commencement of Construction shall occur (unless such date shall be the first day of a month in which case such payment shall be made on such date) and the succeeding payments to be made on the first day of each third month thereafter until paid in full. In the event Tenant is compelled by any Governmental Authority to pay any sales or compensating use tax in respect of materials incorporated (or to be incorporated) in the Buildings and as to which Tenant previously has made to Landlord payments in lieu of such taxes, Tenant shall receive a credit against the next installment(s) of Base Rent in an amount equal to the amount of such taxes (including interest and penalties) which Tenant has been compelled to pay, provided that (i) each Construction Agreement contains the provision set forth in Section 11.05(b), (ii) Tenant has notified Landlord

prior to payment of such taxes and promptly upon receipt of notice of claim that a claim has been made therefor, (iii) if permitted by applicable law, Landlord has the opportunity to contest the imposition of same provided that neither Tenant's interest in the Premises nor any income derived by Tenant therefrom would, by reason of such contest, be forfeited or lost, or subject to any lien, encumbrance or charge, and Tenant would not by reason thereof be subject to any civil or criminal liability, and (iv) in no event shall the credit allowed to Tenant hereunder exceed the amount of monies paid to Landlord in lieu of such taxes pursuant to this Section 11.05(c).

Neither this <u>Section 11.05</u> nor <u>Section 15.01</u> below shall be construed to prevent Tenant from being treated as the owner of the property and materials described in such sections for federal income tax purposes or to prevent Tenant from claiming depreciation deductions or other income tax benefits attributable to its investment in such materials and property.

Section 11.06 Tenant may furnish and install, subject to the Design Guidelines, two project rental signs, designed, of a size and with such text as shall be reasonably satisfactory to Landlord, at a location on the Premises reasonably satisfactory to Landlord and Tenant. Such signs shall be affixed to the sides of the Building facing Chambers Street and Warren Street, respectively. Notwithstanding anything to the contrary contained in the foregoing, such signs shall be removed no later than one (1) year after the date of Substantial Completion. Tenant also shall extend to Landlord and any of its designee(s) the privilege of being featured participants in ground-breaking and opening ceremonies to be held at such time and in such manner as Landlord and Tenant shall agree.

Section 11.07 Tenant shall remove from the Project Area all fill excavated from the Land and shall dispose of such fill in accordance with all applicable Requirements; provided that Tenant may temporarily store such fill on its staging area as shown in Exhibit C hereto.

Section 11.08 Tenant acknowledges that it is aware that construction activities of other developers and of Landlord are in progress or contemplated within the Project Area. Tenant shall coordinate its construction activities at the Premises with other construction activities taking place in the Project Area, and those incident to the construction of Landlord's Civic Facilities and civic facilities in other portions of the Project Area and shall comply with the staging arrangements described in Exhibit C annexed hereto. In no event shall Landlord or Master Landlord be liable for any delays in Tenant's construction of the Buildings attributable to other construction activity in the Project Area. In addition, Tenant shall (i) cause any and all work which Tenant is required to or does perform on, under or adjacent to any portion of any street situated in whole or in part in the Project Area to be performed in accordance with all applicable Requirements and in a manner which does not wrongfully obstruct or hinder ingress to or egress from any portion of the Project Area, (ii) not cause, permit or suffer the storage of construction materials or the placement of vehicles not then being operated in connection with construction activities on any portion of any such street, except as may be permitted by applicable Requirements, (iii) undertake its construction activities in accordance with normal New York City construction rules and (iv) promptly repair or, if required by Landlord, replace any portion of Landlord's Civic Facilities damaged by the act or omission of Tenant or any

agent, contractor or employee of Tenant, any such repair or replacement, as the case may be, to be performed (A) by using materials identical to those used by Landlord, or, if Tenant, despite its best efforts, is unable to procure such materials, using materials in quality and appearance similar to those used by Landlord and approved by Landlord, and (B) in accordance with the Civic Facilities Drawings and Specifications. In the event Tenant shall have failed to promptly repair or replace such portion of Landlord's Civic Facilities as hereinabove provided, Landlord shall have the right to do so at Tenant's expense and Tenant shall, within ten (10) days after demand. reimburse Landlord for such costs and expenses incurred by Landlord. In the event Tenant shall fail to promptly comply with the provisions of subparagraph (ii) of this Section 11.08, Landlord shall have the right after notice to Tenant to remove such construction materials or vehicles at Tenant's expense and Tenant shall, within ten (10) days after demand, reimburse Landlord for such costs and expenses incurred by Landlord. Landlord shall have the right, but shall not be obligated, to erect a perimeter fence enclosing the Premises and any other of the parcels within the North Neighborhood, provided such fence shall have entrances so as to permit construction access to the Premises. In the event Landlord erects such a fence, Tenant shall not interfere with same and, if the fence shall be damaged by the act or omission of Tenant or any agent, contractor or employee of Tenant, Tenant shall promptly repair or, if required by Landlord, replace same in the manner provided in the immediately preceding clause (iv)(A). At the request of Landlord, Tenant shall promptly enclose the Land with an 8-foot high chain-mesh fence so as to separate the Premises from the remainder of the Project Area. During construction, Tenant shall maintain Tenant's fence in good condition. Upon Substantial Completion of the Buildings, Tenant shall remove Tenant's fence and, if constructed, Landlord shall remove its fence from around the Premises. Subject to applicable Requirements, Tenant shall have the right to remove Tenant's fence at an earlier date and, if constructed, Landlord, at the request of Tenant, shall remove its fence from around the Premises, if Tenant has commenced its program to lease space in the Buildings or sell Cooperative Apartments or Units. Tenant shall give Landlord thirty (30) days' prior written notice of the date on which Tenant intends to commence its program to lease space in the Buildings and, prior to the expiration of such 30-day period, Landlord will cause Chambers Street to be open so as to provide vehicular access to and from the front door of the Buildings. Tenant acknowledges that at such time, Chambers Street may be closed on the northern side thereof to approximately the centerline of Chambers Street due to construction activity on Site 21A. Landlord reserves the right to determine whether Chambers Street (and each other street adjacent to the Premises) will ultimately be a two-way or one-way street and, if the latter, the direction thereof.

Section 11.09 Tenant shall cause its contractors and all other workers at the Premises connected with Tenant's construction to work harmoniously with each other, and with the other contractors and workers in the Project Area, and Tenant shall not engage in, permit or suffer, any conduct which may disrupt such harmonious relationship. Tenant shall use its best efforts to cause its contractors to minimize any interference with the use, occupancy and enjoyment of the Project Area by other occupants thereof.

Section 11.10 Tenant shall construct the Buildings in a manner which does not interfere with, delay or impede the activities of Landlord, its contractors, and other contractors

and developers within the Project Area. If, in Landlord's reasonable judgment, Tenant shall fail to comply with its obligations under this Section 11.10, Landlord may, in addition to any other remedies it may have hereunder, order Tenant (and Tenant's contractors and other Persons connected with Tenant's construction within the Project Area) to cease those activities which Landlord believes interfere with, delay or impede Landlord or such other contractors or developers. No delay or other loss or hindrance of Tenant arising from any such order by Landlord or from the actions or omissions of any other such contractor or developer shall form the basis for any claim by Tenant against Landlord or excuse Tenant from the full and timely performance of its obligations under this Lease except as otherwise expressly set forth in this Lease.

Section 11.11 All persons employed by Tenant with respect to construction of the Buildings shall be paid, without subsequent deduction or rebate unless expressly authorized by law, not less than the minimum hourly rate required by law.

Section 11.12 Tenant shall, at all times until Completion of the Buildings, secure its obligations under this Lease, including, without limitation, Tenant's obligation for the payment of Rental, by depositing with Landlord on the Commencement Date a clean irrevocable letter of credit (the "Design/Construction Period Letter of Credit") drawn in favor of Landlord, in form attached hereto as Exhibit H or otherwise in form and content acceptable to Landlord, and, having a term of not less than one (1) year, payable in United States dollars upon presentation of one or more sight drafts, issued by and drawn on a recognized commercial bank or trust company which is a member of the New York Clearing House Association. The initial amount of the Design/Construction Period Letter of Credit shall be Two Million Four Hundred Sixty-Six Thousand, Six Hundred Sixty-Seven Dollars (\$2,466,667). Except as hereinafter provided, the Design/Construction Period Letter of Credit shall be renewed without decrease in amount each and every year as provided herein. Each Replacement Letter of Credit shall be delivered to Landlord not less than thirty (30) days prior to the expiration of the Design/Construction Period Letter of Credit or then current Replacement Letter of Credit. The failure of Tenant to renew the Design/Construction Period Letter of Credit or any Replacement Letter of Credit in accordance with this Section 11.12 and Article 43 hereof shall entitle Landlord to present the Design/Construction Period Letter of Credit or Replacement Letter of Credit for payment, in which event Landlord shall hold and apply the proceeds thereof (together with any interest earned thereon) as provided in Section 11.13. Notwithstanding the foregoing, provided (i) Landlord shall not have presented the Design/Construction Period Letter of Credit or any Replacement Letter of Credit for payment and (ii) no Default shall have occurred and be continuing hereunder, then, at the expiration of one (1) year from the date of Commencement of Construction, Tenant shall have the right to reduce the Design/Construction Period Letter of Credit to One Million Two Hundred Thirty-Three Thousand Three Hundred Thirty-Three Dollars (\$1,233,333).

Section 11.13 If prior to Completion of the Buildings an Event of Default shall occur and any extended grace period granted pursuant to Section 10.10 for the benefit of any Mortgagee has expired, whether or not this Lease is thereby terminated, Landlord is hereby

authorized by Tenant to present the Design/Construction Period Letter of Credit or any Replacement Letter of Credit for payment. In the event this Lease is terminated in accordance with the provisions of Article 24 or Tenant is dispossessed by summary proceedings or otherwise as provided in Section 24.03(b), Landlord is hereby authorized by Tenant to retain all of the proceeds thereof as liquidated damages which shall, except for Recourse Liabilities, be Landlord's sole remedy prior to Completion of the Buildings. In the event this Lease is not terminated or Tenant is not dispossessed, Landlord is hereby authorized by Tenant to apply all or a portion of said proceeds to the payment of any sums then due or thereafter becoming due under this Lease and to the payment of any damages or costs to Landlord resulting from such Event of Default and to retain the balance thereof pending further application or payment to Tenant as hereinafter provided. Unless theretofore applied by Landlord, Landlord shall deliver to Tenant the Design Construction Period Letter of Credit or any Replacement Letter of Credit or proceeds thereof on the date of Completion of the Buildings provided no Default of which Landlord has notified Tenant shall have occurred and then be continuing hereunder.

Section 11.14 Landlord agrees that the leases to be entered into with other tenants of parcels within the North Neighborhood shall require such tenants to comply with requirements substantially similar to those required of Tenant pursuant to Sections 11.02(i), 11.06, 11.07, 11.08, 11.09, 11.10 and 11.11. Landlord shall enforce compliance with such requirements on a non-discriminatory basis.

Section 11.15

- (a) From and after the date that Tenant opens the garage in the Buildings for use by the public or by subtenants or occupants of the Buildings, but no later than the third anniversary of the Construction Commencement Date, Tenant shall make 68 spaces in the garage available for use by the subtenants and occupants of the building on Site 21A in the North Neighborhood and by the tenant under the ground lease thereof (such tenant, together with its successors and assigns, the "21A Tenant"), at a cost to such users and on terms and conditions no less favorable than the costs, terms and conditions applicable to subtenants/occupants of the Premises or owners of condominium units therein who use such garage (but the foregoing shall not be construed to require Tenant to give such users the benefit of any temporary leasing incentives, such as free parking or reduced rate parking for a limited period of time, granted to subtenants of the Premises as an inducement to enter into a sublease, provided that such incentives are not utilized by Tenant to circumvent the provisions of this Section 11.15(a)).
- (b) The provisions of this <u>Section 11.15</u> are intended to be for the benefit of the 21A Tenant, and the 21A Tenant (or the board of managers, if Site 21A is converted to condominiums) shall have the right to enforce Tenant's obligations under this <u>Section 11.15</u>, and shall have all remedies at law and equity, including specific performance, in the event of any breach by Tenant of <u>Section 11.15(a)</u>.

Section 11.16

- (a) If and when Site 20B in the North Neighborhood (which site is adjacent to the Premises) is developed, if such development includes a garage, then the provisions of this Section 11.16 shall apply and Landlord shall include a provision in the ground lease for Site 20B similar to this Section 11.16, including a provision whereby Tenant will be recognized as a third party beneficiary of the provisions therein reflecting the items covered by this Section 11.16.
- (b) At the request of the tenant under the ground lease of Site 20B (such tenant, together with its successors and assigns, the "Site 20B Tenant"), Tenant shall enter into a direct agreement with the Site 20B Tenant which shall contain the following terms:
 - (i) Tenant shall grant the Site 20B Tenant an easement so as to enable the Site 20B Tenant to connect the garage on Site 20B to the garage in the Premises and to provide for ingress to and egress from the garage on Site 20B through the garage on the Premises and the ramp (the "Garage Ramp") leading from Warren Street into the Buildings.
 - (ii) The Site 20B Tenant shall reimburse Tenant for one-half of Tenant's actual cost of constructing the Garage Ramp. Such payment shall be made either (x) in one lump sum payable on the first anniversary of the commencement date of the ground lease for Site 20B or (b) in 360 equal monthly installments of principal and interest (based on a 30-year amortization schedule with interest at the rate of 6½% per annum), such payments to commence on the date the Site 20B Tenant's obligation to pay rent under its ground lease commences (the "20B Rent Commencement Date"). Interest under the preceding clause (b) shall begin to accrue on, but not before, the 20B Rent Commencement Date.
 - (iii) Tenant and the Site 20B Tenant shall share the cost of maintaining, repairing and replacing the Garage Ramp in proportion to the respective number of parking spaces in their respective garages, or on any other equitable basis as they may agree to.
 - (iv) Tenant shall use good faith efforts to negotiate an agreement with the Site 20B Tenant (or any prospective Site 20B Tenant that has been designated as the developer of Site 20B) containing the foregoing provisions or any other arrangements satisfactory to both Tenant and the Site 20B Tenant (or any such prospective Site 20B Tenant). If Tenant and the Site 20B Tenant (or any such prospective Site 20B Tenant) cannot agree, either may initiate an arbitration under the Commercial Arbitration Rules of the American Arbitration Association. Such arbitration may be initiated by Landlord, and Landlord may fully participate therein, if any such prospective Site 20B Tenant desires to finalize the terms of such agreement prior to executing or delivering a ground lease for Site 20B. Such arbitration shall be conducted in Manhattan and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction

thereof. The arbitrators shall have the power to fashion an equitable agreement consistent with the provisions of paragraphs (i), (ii) and (iii) above.

- (c) The provisions of this <u>Section 11.16</u> are intended to be for the benefit of the Site 20B Tenant or any such prospective Site 20B Tenant, and such Tenant or any such prospective Site 20B Tenant (or, if Site 20B is converted to condominiums, the board of managers) shall have the right to enforce this Section 11.16, and shall have all remedies at law and equity, including specific performance, in the event of any breach by Tenant of this <u>Section 11.16</u>.
- (d) In no event shall Landlord have any liability to Tenant for the breach by the Site 20B Tenant of any agreements it may have with Tenant.

Section 11.17

Tenant shall have the right during the construction of the Buildings to use Site 20B for staging on the following terms and conditions:

- (i) All insurance required to be carried by Tenant under this Lease shall include Site 20B, for so long as Tenant is using or has the right to use Site 20B.
- (ii) The term "Premises" as used in <u>Article 19</u> shall be deemed to include Site 20B.
- (iii) Tenant shall vacate Site 20B within 30 days after notice from Landlord. Without limiting Landlord's remedies under Article 24 for Tenant's failure to vacate Site 20B within such 30-day period, Tenant agrees to pay to Landlord as additional Rental for use and/or occupancy of Site 20B, \$10,000 per day for each day after such 30-day period that Tenant has not vacated Site 20B. Such additional Rental shall be due and payable from time to time within two (2) Business Days after demand by Landlord. Notwithstanding anything to the contrary contained in Article 24, a default by Tenant under this clause (iii) shall be deemed an Event of Default and Tenant shall not be entitled to any notice or grace period with respect to such Default.
- (iv) Tenant shall comply with all Requirements in respect of Tenant's use or occupancy of, or activities on, Site 20B.

ARTICLE 12

REPAIRS

Section 12.01 Except to the extent, if any, that any of the following constitute Landlord's Civic Facilities, Tenant or, if Tenant's leasehold estate in the Premises is submitted to the condominium form of ownership in accordance with this Lease, the condominium board of managers (the "Board of Managers"), shall, at its sole cost and expense, put and keep in good condition and repair the Premises, including, without limitation, the Buildings, roofs, foundations and appurtenances thereto, all sidewalks, vaults (other than vaults which are under the control of, or are maintained or repaired by, a utility company), sidewalk hoists, water, sewer and gas connections, pipes and mains which are located on or service the Premises (unless the City of New York or a public utility company is obligated to maintain or repair same) and all Equipment, and shall put, keep and maintain the Buildings in good and safe order and condition. and make all repairs therein and thereon, interior and exterior, structural and nonstructural, ordinary and extraordinary, foreseen and unforeseen, necessary or appropriate to keep the same in good and safe order and condition, and whether or not necessitated by wear, tear, obsolescence or defects, latent or otherwise, provided, however, that Tenant's or the Board of Managers' obligations with respect to Restoration resulting from a casualty or condemnation shall be as provided in Articles 8 and 9 hereof. Tenant or the Board of Managers shall not commit or suffer, and shall use all reasonable precaution to prevent, waste, damage or injury to the Premises. When used in this Section 12.01, the term "repairs" shall include all necessary replacements, alterations and additions. All repairs made by Tenant or the Board of Managers shall be at least equal in quality and class to the original work and shall be made in compliance with (a) all Requirements of Governmental Authorities (including, but not limited to, Local Law No. 5, 1973, as amended, and Local Law 58, 1988, as amended), (b) the New York Board of Fire Underwriters or any successor thereto, (c) the Building Code of New York City, as then in force, (d) the Master Development Plan and (e) the Design Guidelines.

Section 12.02 Tenant or, if Tenant's leasehold estate in the Premises is submitted to the condominium form of ownership in accordance with this Lease, the Board of Managers, at its sole cost and expense, shall keep or cause to be kept clean and free from dirt, snow, ice, rubbish, obstructions and encumbrances, the sidewalks, grounds, chutes and sidewalk hoists comprising, in front of, or adjacent to, the Premises and any parking facilities and plazas on the Land.

Section 12.03 Except as otherwise specifically provided in Article 26 hereof, Landlord shall not be required to furnish any services, utilities or facilities whatsoever to the Premises, nor shall Landlord have any duty or obligation to make any alteration, change, improvement, replacement, Restoration or repair to, nor to demolish, any Buildings. Tenant assumes the full and sole responsibility for the condition, operation, repair, alteration, improvement, replacement, maintenance and management of the Premises. Tenant shall not clean nor require, permit, suffer nor allow any window in the Buildings to be cleaned from the outside

in violation of <u>Section 202</u> of the Labor Law or of the rules of the Industrial Board or other state, county or municipal department board or body having jurisdiction.

ARTICLE 13

CHANGES, ALTERATIONS AND ADDITIONS

Section 13.01 From and after Substantial Completion of the Buildings, Tenant shall not demolish, replace or materially alter the Buildings, or any part thereof (except as provided to the contrary with respect to Equipment in <u>Article 15</u>), or make any addition thereto, whether voluntarily or in connection with repairs required by this Lease (each, a "Capital Improvement" and, collectively, "Capital Improvements"), unless Tenant shall comply with the following requirements and, if applicable, with the additional requirements set forth in <u>Section 13.02</u>:

- (a) No Capital Improvement shall be undertaken until Tenant shall have procured from all Governmental Authorities and paid for all permits, consents, certificates and approvals for the proposed Capital Improvement which are required to be obtained prior to the commencement of the proposed Capital Improvement (collectively, "Improvement Approvals"). Landlord shall not unreasonably refuse to join or otherwise cooperate in the application for any such Improvement Approvals, provided such application is made without cost, expense or liability (contingent or otherwise) to Landlord. True copies of all such Improvement Approvals shall be delivered by Tenant to Landlord prior to commencement of the proposed Capital Improvement.
- (b) Each Capital Improvement, when completed, shall be of such a character as not to reduce the value of the Premises below its value immediately before construction of such Capital Improvement.
- (c) All Capital Improvements shall be made with reasonable diligence and continuity (subject to Unavoidable Delays) and in a good and workmanlike manner and in compliance with (i) all Improvement Approvals, (ii) the Master Development Plan, the Design Guidelines and, if required pursuant to Section 13.02(a) or (b), the plans and specifications for such Capital Improvement as approved by Landlord, (iii) the orders, rules, regulations and requirements of any Board of Fire Underwriters or any similar body having jurisdiction, and (iv) all other Requirements.
- (d) No construction of any Capital Improvements shall be commenced until Tenant shall have delivered to Landlord original insurance policies, or certificates of insurance with respect to such policies together with copies of such policies, issued by responsible insurers authorized to do business in the State of New York as are reasonably acceptable to Landlord, bearing notations evidencing the payment of premiums or installments thereof then due or accompanied by other evidence satisfactory to Landlord of such Payments, for the insurance

required by Section 11.03, unless Landlord shall reasonably determine that the Capital Improvement does not warrant the insurance required by Section 11.03 in which case Landlord shall in its discretion specify such lesser types and levels of insurance appropriate to such Capital Improvement. If, under the provisions of any casualty, liability or other insurance policy or policies then covering the Premises or any part thereof, any consent to such Capital Improvement by the insurance company or companies issuing such policy or policies shall be required to continue and keep such policy or policies in full force and effect, Tenant, prior to the commencement of construction of such Capital Improvement, shall obtain such consents and pay any additional premiums or charges therefor that may be imposed by said insurance company or companies.

Section 13.02

- (a) If the estimated cost of any proposed Capital Improvement shall exceed Five Hundred Thousand Dollars (\$500,000) (as such amount shall be increased as provided in Section 7.02(a)), either individually or in the aggregate with other Capital Improvements which are a related portion of a program or project of Capital Improvements constructed in any twelve (12) month period during the Term, Tenant shall:
 - (i) pay to Landlord, within ten (10) days after demand, the reasonable fees and expenses of any architect or engineer selected by Landlord to review the plans and specifications describing the proposed Capital Improvement and inspect the work on behalf of Landlord; and
 - (ii) furnish to Landlord the following:
 - (w) at least twenty (20) Business Days prior to commencement of the proposed Capital Improvement, complete plans and specifications for the Capital Improvement, prepared by a licensed professional engineer or a registered architect approved by Landlord, which approval shall not be unreasonably withheld, and, at the request of Landlord, any other drawings, information or samples to which Landlord is entitled under Article 11, all of the foregoing to be subject to Landlord's review and approval for conformity with the Master Development Plan, the Design Guidelines and, in the event such Capital Improvement is commenced within ten (10) years from the date the Buildings shall have been Substantially Completed, the Construction Documents;
 - (x) at least ten (10) Business Days prior to commencement of the proposed Capital Improvement, (1) a contract or construction management agreement reasonably satisfactory to Landlord in form assignable to Landlord (subject to any prior assignment to any Mortgagee), made with a reputable and responsible contractor or construction manager approved by Landlord, which approval shall not be

unreasonably withheld (and shall be deemed given in accordance with the provisions of Section 32.02(c)), providing for the completion of the Capital Improvement in accordance with the schedule included in the plans and specifications, free and clear of all liens, encumbrances, security agreements, interests and financing statements, and (2) payment and performance bonds or other security, in each case satisfying the requirements of Section 8.04(a)(ii) hereof; and

- (y) at least ten (10) Business Days prior to commencement of the proposed Capital Improvement, an assignment to Landlord (subject to any prior assignment to any Mortgagee) of the contract so furnished and the bonds or other security provided thereunder, such assignment to be duly executed and acknowledged by Tenant and by its terms to be effective only upon any termination of this Lease or upon Landlord's reentry upon the Premises or following any Event of Default prior to the complete performance of such contract, such assignment also to include the benefit of all payments made on account of such contract, including payments made prior to the effective date of such assignment.
- (b) Notwithstanding that the cost of any Capital Improvement is less than Five Hundred Thousand Dollars (\$500,000) (as such amount shall be increased as provided in Section 7.02(a)), such cost to be determined as provided in Section 8.02(b), to the extent that any portion of the Capital Improvement involves structural work or work involving the exterior of the Buildings or a change in the height, bulk or setback of the Buildings from the height, bulk or setback existing immediately prior to the Capital Improvement or in any other manner affects compliance with the Master Development Plan or the Design Guidelines, then Tenant shall furnish to Landlord at least twenty (20) Business Days prior to commencement of the Capital Improvement, complete plans and specifications for the Capital Improvement, prepared by a licensed professional engineer or registered architect approved by Landlord, which approval shall not be unreasonably withheld, and, at Landlord's request, such other items designated in Section 13.02(a)(ii)(w) hereof, all of the foregoing to be subject to Landlord's review and approval as provided therein (which approval, as to interior structured work only, shall not be unreasonably withheld and as to other work referred to in this Section 13.02(b) shall not be unreasonably withheld if the proposed improvement complies with the Master Development Plan and the Design Guidelines). In addition, Tenant shall pay to Landlord the reasonable fees and expenses of any independent architect or engineer selected by Landlord to review the plans and specifications describing the proposed Capital Improvement and inspect the work on behalf of Landlord.
- (c) Landlord shall notify Tenant of Landlord's determination with respect to any request for approval required under this <u>Section 13.02</u> within fifteen (15) Business Days of the later of (i) Landlord's receipt of such request from Tenant or (ii) Landlord's receipt of the plans and specifications and the drawings, information or samples which Landlord shall have requested in accordance with <u>Section 13.02(a)(ii)(w)</u>. Provided Tenant's request for approval

refers to this <u>Section 13.02(c)</u> and so indicates, Landlord's failure to so notify Tenant within said time period shall be deemed to constitute approval of the proposed Capital Improvement by Landlord. Tenant shall not commence any Capital Improvement until Landlord shall have given, or shall be deemed to have given, the approval required under this <u>Section 13.02</u>.

In the event that Tenant shall desire to modify the plans and specifications which Landlord theretofore has approved pursuant to Section 13.02(a)(ii)(w) or 13.02(b) with respect to, or which will in any way affect, any aspect of the exterior of the Buildings or the height, bulk or setback thereof or which will affect compliance with the Design Guidelines or the Master Development Plan, Tenant shall submit the proposed modifications to Landlord. Tenant shall not be required to submit to Landlord proposed modifications of the plans and specifications which affect solely the interior of the Buildings. Landlord shall review the proposed changes to determine whether or not they (i) conform to the Master Development Plan and the Design Guidelines and (ii) provide for design, finishes and materials which are comparable in quality to those provided for in the approved plans and specifications and shall approve such proposed changes if they do so conform and so provide. If Landlord determines that the proposed changes are not satisfactory in light of the above criteria, it shall so advise Tenant, specifying in what respect the plans and specifications, as so modified, do not conform to the Master Development Plan or the Design Guidelines or do not provide for design, finishes and materials which are comparable in quality to those provided for in the approved plans and specifications. Within twenty (20) Business Days after Landlord shall have so advised Tenant, Tenant shall revise the plans and specifications so as to meet Landlord's objections and shall deliver same to Landlord for review. Each review by Landlord shall be carried out within fifteen (15) Business Days of the date of delivery of the plans and specifications, as so revised (or one or more portions thereof), by Tenant, and if Landlord shall not have notified Tenant of its determination within such period, it shall be deemed to have determined that the proposed changes are satisfactory. Landlord shall not review portions of the approved plans and specifications which Landlord has previously determined to be satisfactory, provided same have not been changed by Tenant.

Section 13.03 All Capital Improvements shall be carried out under the supervision of an architect selected by Tenant and approved by Landlord, which approval shall not be unreasonably withheld and shall be deemed given in accordance with the provisions of Section 32.02(c). Upon completion of any Capital Improvement Tenant shall furnish to Landlord a complete set of "as-built" plans for such Capital Improvement and, where applicable, a survey meeting the requirements of Section 11.04 hereof, together with a temporary (and before the expiration thereof, a permanent) Certificate of Occupancy therefor issued by the New York City Department of Buildings, to the extent a modification thereof was required.

Section 13.04 Title to all additions, alterations, improvements and replacements made to the Buildings, including, without limitation, the Capital Improvements, shall forthwith vest in Landlord as provided in <u>Section 11.05</u>, without any obligation by Landlord to pay any compensation therefor to Tenant.

ARTICLE 14

REQUIREMENTS OF PUBLIC AUTHORITIES AND OF INSURANCE UNDERWRITERS AND POLICIES; COMPLIANCE WITH MASTER LEASE

Section 14.01 Subject to the provisions of Section 14.02, Tenant promptly shall comply with any and all applicable present and future laws, rules, orders, ordinances, regulations, statutes, requirements, permits, consents, certificates, approvals, codes and executive orders, including without limitation, Environmental Statutes, (collectively, "Requirements") without regard to the nature or cost of the work required to be done, extraordinary, as well as ordinary, of all Governmental Authorities now existing or hereafter created, and of any and all of their departments and bureaus, of any applicable Fire Rating Bureau or other body exercising similar functions, affecting the Premises or any street, avenue or sidewalk comprising a part or in front thereof or any vault in or under the same, or requiring the removal of any encroachment, or affecting the construction, maintenance, use, operation, management or occupancy of the Premises, whether or not the same involve or require any structural changes or additions in or to the Premises, without regard to whether or not such changes or additions are required on account of any particular use to which the Premises, or any part thereof, may be put, and without regard to the fact that Tenant is not the fee owner of the Premises. Notwithstanding the foregoing, Tenant shall not be required to comply with Requirements of Landlord except (i) as otherwise expressly provided in this Lease or (ii) Requirements of New York City acting solely in its capacity as a Governmental Authority. Tenant also shall comply with any and all provisions and requirements of any casualty, liability or other insurance policy required to be carried by Tenant under the provisions of this Lease.

Section 14.02 Tenant shall have the right to contest the validity of any Requirements or the application thereof. During such contest, compliance with any such contested Requirements may be deferred by Tenant upon condition that, if Tenant is not an Institutional Lender, before instituting any such proceeding, Tenant shall furnish to Landlord a bond, cash or other security satisfactory to Landlord, securing compliance with the contested Requirements and payment of all interest, penalties, fines, fees and expenses in connection therewith. Any such proceeding instituted by Tenant shall be commenced as soon as is reasonably possible after the issuance of any such contested matters, or after notice (actual or constructive) to Tenant of the applicability of such matters to the Premises and shall be prosecuted to final adjudication with reasonable dispatch. Notwithstanding the foregoing, Tenant promptly shall comply with any such Requirements and compliance shall not be deferred if such non-compliance shall result in the imminent loss or forfeiture of the Premises, or any part thereof or if Landlord shall be in danger of being subject to civil or criminal liability or penalty by reason of non-compliance therewith. Upon Tenant's request, and at Tenant's sole cost and expense, Landlord shall join in or otherwise cooperate in any such proceeding brought by Tenant, but in no event shall Landlord be subject to, or be required to incur, any liability, costs or expenses in connection therewith (unless such cost or expense is paid in full by Tenant in

advance), and Tenant shall promptly pay any such liabilities, costs and expenses and reimburse Landlord for any of the same paid by Landlord.

Section 14.03 Tenant shall not cause or create or permit to exist or occur any condition or event relating to the Premises which would, with or without notice or passage of time, result in an event of default under the Master Lease. Tenant shall perform all of Landlord's obligations as tenant under the Master Lease relating to the maintenance and operation of the Premises unless, in accordance with the terms of this Lease, Landlord is specifically obligated to perform any such obligation.

ARTICLE 15

EQUIPMENT

Section 15.01 All Equipment shall be and shall remain the property of Landlord. Tenant shall not have the right, power or authority to, and shall not, remove any Equipment from the Premises without the consent of Landlord, which consent shall not be unreasonably withheld, provided, however, such consent shall not be required in connection with repairs, cleaning or other servicing, or if (subject to Unavoidable Delays) the same is promptly replaced by Equipment which is at least equal in utility and value to the Equipment being removed. Notwithstanding the foregoing, Tenant shall not be required to replace any Equipment which performed a function which has become obsolete or otherwise is no longer necessary or desirable in connection with the use or operation of the Premises, unless such failure to replace would reduce the value of the Premises or would result in a reduced level of maintenance of the Premises, in which case Tenant shall be required to install such Equipment as may be necessary to prevent such reduction in the value of the Premises or in the level of maintenance.

Section 15.02 Tenant shall keep all Equipment in good order and repair and shall replace the same when necessary with items at least equal in utility and value to the Equipment being replaced.

ARTICLE 16

DISCHARGE OF LIENS; BONDS

Section 16.01 Subject to the provisions of <u>Section 16.02</u> hereof, except as otherwise expressly provided herein, Tenant shall not create or permit to be created any lien, encumbrance or charge upon the Premises or any part thereof, or the Project Area or any part thereof, the income therefrom or any assets of, or funds appropriated to, Landlord.

Section 16.02 If any mechanic's, laborer's or materialman's lien (other than a lien arising out of any work performed by Landlord) at any time shall be filed in violation of the

obligations of Tenant pursuant to Section 16.01 against the Premises or any part thereof or the Project Area or any part thereof, or, if any public improvement lien created or permitted to be created by Tenant shall be filed against any assets of, or funds appropriated to, Landlord, Tenant, within forty-five (45) days after notice of the filing thereof shall cause the same to be discharged of record by payment, deposit, bond, order of a court of competent jurisdiction or otherwise. If Tenant shall fail to cause such lien to be discharged of record within the period aforesaid, and if such lien shall continue for an additional ten (10) days after notice by Landlord to Tenant, then, in addition to any other right or remedy, Landlord may, but shall not be obligated to, discharge the same either by paying the amount claimed to be due or by procuring the discharge of such lien by deposit or by bonding proceedings, and in any such event, Landlord shall be entitled, if Landlord so elects, to compel the prosecution of an action for the foreclosure of such lien by the lienor and to pay the amount of the judgment in favor of the lienor with interest, costs and allowances. Any amount so paid by Landlord, including all reasonable costs and expenses incurred by Landlord in connection therewith including, without limitation, reasonable attorneys' fees and disbursements, together with interest thereon at the Involuntary Rate, from the respective dates of Landlord's making of the payment or incurring of the costs and expenses, shall constitute Rental and shall be paid by Tenant to Landlord within ten (10) days after demand. Notwithstanding the foregoing provisions of this Section 16.02, Tenant shall not be required to discharge any such lien if Tenant is in good faith contesting the same and has furnished a cash deposit or a security bond or other such security satisfactory to Landlord in an amount sufficient to pay such lien with interest and penalties.

Section 16.03 Nothing in this Lease contained shall be deemed or construed in any way as constituting the consent or request of Landlord, express or implied, by inference or otherwise, to any contractor, subcontractor, laborer or materialman for the performance of any labor or the furnishing of any materials for any specific improvement, alteration to or repair of the Premises or any part thereof, nor as giving Tenant any right, power or authority to contract for or permit the rendering of any services or the furnishing of materials that would give rise to the filing of any lien against Landlord's interest in the Premises or any part thereof, the Project Area or any part thereof, or any assets of, or funds appropriated to, Landlord. Notice is hereby given, and Tenant shall cause all construction Agreements to provide, that Landlord shall not be liable for any work performed or to be performed at the Premises for Tenant, any Subtenant and, if applicable, any Tenant-Stockholder or Unit Owner, for any materials furnished or to be furnished at the Premises for any of the foregoing, and that no mechanic's or other lien for such work or materials shall attach to or affect the estate or interest of Landlord in and to the Premises or any part thereof, the Project Area or any part thereof, or any assets of, or funds appropriated to, Landlord.

Section 16.04 Tenant shall have no power to do any act or make any contract which may create or be the foundation for any lien, mortgage or other encumbrance upon the estate or assets of, or funds appropriated to, Landlord or of any interest of Landlord in the Premises.

ARTICLE 17

REPRESENTATIONS; POSSESSION

Section 17.01 Tenant acknowledges that Tenant is fully familiar with the Land, the Project Area, the physical condition thereof (including, without limitation, the fact that the Land includes substantial portions of landfill which may present special difficulties in the design, construction and maintenance of the Buildings and Tenant's Civic Facilities), the Title Matters, the Master Lease, the Zoning Lot Declaration, the Master Development Plan, the Settlement Agreement and the Design Guidelines. Tenant accepts the Land in its existing condition and state of repair, and, except as otherwise expressly set forth in this Lease, no representations, statements, or warranties, express or implied, have been made by or on behalf of Landlord in respect of the Land, the Project Area, the status of title thereof, the physical condition thereof, including, without limitation, the landfill portions thereof, the zoning or other laws, regulations, rules and orders applicable thereto, Taxes, or the use that may be made of the Land, that Tenant has relied on no such representations, statements or warranties, and that Landlord shall in no event whatsoever be liable for any latent or patent defects in the Land.

Section 17.02 Notwithstanding anything herein contained to the contrary, Landlord represents that the Master Lease, the Design Guidelines, the Zoning Lot Declaration, the Master Development Plan and the Settlement Agreement have not been amended, modified or supplemented, except as specifically set forth in the definitions contained in <u>Article 1</u> and are in full force and effect.

Section 17.03 Landlord shall deliver possession of the Land on the Commencement Date vacant and free of occupants and tenancies, subject to the Title Matters.

Section 17.04 Tenant represents that, as of the date hereof, the sole partners of Tenant are The Related Companies, L.P., Oliver's Company, LLC, Yukon Holdings, LLC and Related BPC Associates, Inc.

ARTICLE 18

LANDLORD NOT LIABLE FOR INJURY OR DAMAGE, ETC.

Section 18.01 Landlord shall not in any event whatsoever be liable for any injury or damage to Tenant or to any other Person happening on, in or about the Premises and its appurtenances, nor for any injury or damage to the Premises or to any property belonging to Tenant or to any other Person which may be caused by any fire or breakage, or by the use, misuse or abuse of any of the Buildings (including, but not limited to, any of the common areas within the Buildings, Equipment, elevators, hatches, openings, installations, stairways, hallways, or other common facilities), or the streets or sidewalk area within the Premises or which may arise from any other cause whatsoever except to the extent any of the foregoing shall have

resulted from the negligence or wrongful act of Landlord, its officers, agents, employees or licensees; nor shall Landlord in any event be liable for the acts or failure to act of any other tenant of any premises within the Project Area other than the Premises, or of any agent, representative, employee, contractor or servant of such other tenant.

Section 18.02 Landlord shall not be liable to Tenant or to any other Person for any failure of water supply, gas or electric current, nor for any injury or damage to any property of Tenant or of any other Person or to the Premises caused by or resulting from gasoline, oil, steam, gas, electricity, or hurricane, tornado, flood, wind or similar storms or disturbances, or water, rain or snow which may leak or flow from the street, sewer, gas mains or subsurface area or from any part of the Premises, or leakage of gasoline or oil from pipes, appliances, sewer or plumbing works therein, or from any other place, nor for interference with light or other incorporeal hereditament by anybody, or caused by any public or quasi-public work, except to the extent any of the foregoing shall have resulted from the negligence or wrongful act of Landlord, its officers, agents, employees or licensees.

Section 18.03 In addition to the provisions of <u>Sections 18.01</u> and <u>18.02</u>, in no event shall Landlord be liable to Tenant or to any other Person for any injury or damage to any property of Tenant or of any other Person or to the Premises, arising out of any sinking, shifting, movement, subsidence, failure in load-bearing capacity of, or other matter or difficulty related to, the soil, or other surface or subsurface materials, on the Premises or in the Project Area, it being agreed that Tenant shall assume and bear all risk of loss with respect thereto.

ARTICLE 19

INDEMNIFICATION OF LANDLORD AND OTHERS

Section 19.01 Tenant shall not do, or knowingly permit any Subtenant, Tenant-Stockholder or sublessee of a Cooperative Apartment or any employee, agent or contractor of Tenant or of any Subtenant, Tenant-Stockholder or sublessee of a Cooperative Apartment to do any act or thing upon the Premises or elsewhere in the Project Area which would subject Landlord to any liability or responsibility for injury or damage to persons or property, or to any liability by reason of any violation of law or any other Requirement, and shall use its best efforts to exercise such control over the Premises so as to fully protect Landlord against any such liability. Tenant, to the fullest extent permitted by law, shall indemnify and save Landlord, any former Landlord and the State of New York and their agents, directors, officers and employees (collectively, the "Indemnitees"), harmless from and against any and all liabilities, suits, obligations, fines, damages, penalties, claims, costs, charges and expenses, including, without limitation, engineers', architects' and attorneys' fees and disbursements, which may be imposed upon or incurred by or asserted against any of the Indemnitees by reason of any of the following occurring during the Term, except to the extent that the same shall have been caused in whole or in part by the negligence or wrongful act of any of the Indemnitees:

- (a) construction of the Buildings or any other work or thing done in or on the Premises or any part thereof;
- (b) any use, non-use, possession, occupation, alteration, repair, condition, operation, maintenance or management of the Premises or any part thereof or of any street, alley, sidewalk, curb, vault, passageway or space comprising a part of the Premises or adjacent thereto, provided such indemnity with regard to streets, alleys, sidewalks, curbs, vaults, passageways and other space is limited to an alteration, repair, condition, or maintenance of any street, alley, sidewalk, curb, vault, passageway or other space done or performed by Tenant or any agent, contractor, servant or employee of Tenant or which Tenant is obligated to do or perform;
- (c) any negligent or tortious act or failure to act (or act which is alleged to be negligent or tortuous) within the Project Area on the part of Tenant or any agent, contractor, servant or employee of Tenant;
- (d) any accident, injury (including death at any time resulting therefrom) or damage to any Person or property occurring in or on the Premises or any part thereof or in, or about any sidewalk or vault, unless such sidewalk or vault is solely within the control of a utility company;
- (e) any failure on the part of Tenant to perform or comply with any of the covenants, agreements, terms or conditions contained in this Lease on its part to be performed or complied with;
- (f) any lien or claim which may have arisen out of any act of Tenant or any agent, contractor, servant or employee of Tenant against or on the Premises or any other portion of the Project Area, or any lien or claim created or permitted to be created by Tenant in respect of the Premises against any assets of, or funds appropriated to any of the Indemnitees under the laws of the State of New York or of any other Governmental Authority or any liability which may be asserted against any of the Indemnitees with respect thereto;
- (g) any failure on the part of Tenant to keep, observe and perform any of the terms, covenants, agreements, provisions, conditions or limitations contained in the Construction Agreements, Subleases, or other contracts and agreements affecting the Premises, on Tenant's part to be kept, observed or performed;
- (h) any tax attributable to the execution, delivery or recording of this Lease other than any real property transfer gains tax or other transfer tax which may be imposed on Landlord and other than the portion of the New York State real property transfer tax that Landlord is responsible for under Section 4.03(b) above;
- (i) any contest by Tenant permitted pursuant to the provisions of this Lease, including, without limitation, <u>Articles 4</u>, <u>14</u> and <u>28</u> hereof, and any action taken by Landlord at Tenant's request in connection therewith;

- under common law, pertaining to hazardous or toxic waste or other substances, or in any manner arising out of or related to the presence, use, generation, storage, disposal or transport of any hazardous materials or environmental contaminants found in, on or under, affixed to or emanating from the Premises; provided, however, that Tenant shall have no liability under this Article 19 for hazardous materials existing at or under the Premises on the date hereof, unless and then only to the extent that Tenant acts with gross negligence or willful misconduct with respect thereto; or
 - (k) any document executed by Landlord pursuant to <u>Section 11.02(e)</u>.

Section 19.02 The obligations of Tenant under this <u>Article 19</u> shall not be affected in any way by the absence in any case of covering insurance or by the failure or refusal of any insurance carrier to perform any obligation on its part under insurance policies affecting the Premises.

Section 19.03 If any claim, action or proceeding is made or brought against any of the Indemnitees by reason of any event for which Tenant has agreed to indemnify the Indemnitees in Section 19.01, then, upon demand by Landlord, Tenant shall resist or defend such claim, action or proceeding (in such Indemnitee's name, if necessary) by the attorneys for Tenant's insurance carrier (if such claim, action or proceeding is covered by insurance maintained by Tenant) or (in all other instances) by such attorneys as Tenant shall select and Landlord shall approve, which approval shall not be unreasonably withheld. In such event, Tenant shall control all decisions in respect of the litigation and settlement of such claims. Notwithstanding the foregoing, Landlord may engage its own attorneys to defend it or to assist in its defense. Provided such claim, action or proceeding is not covered by insurance maintained by Tenant and the attorneys engaged by Landlord are experienced in matters of the type in question, Tenant shall pay the reasonable fees and disbursements of such attorneys. In the event such claim, action or proceeding is covered by insurance and Tenant's insurer refuses to pay all or any portion of the fees and disbursements of any attorneys separately retained by Landlord, Landlord shall pay such fees and disbursements or such portion as shall not be paid by Tenant's insurer. The indemnification obligations imposed upon Tenant under Section 19.01 shall not apply to any settlement separately agreed to by Landlord without Tenant's consent, nor if Landlord retains its own attorneys and such retention will materially impair or materially diminish Tenant's insurance coverage and Landlord has been so advised in writing by Tenant's insurer.

Section 19.04 The provisions of this <u>Article 19</u> shall survive the Expiration Date with respect to actions or the failure to take any actions or any other matter arising prior to the Expiration Date.

ARTICLE 20

RIGHT OF INSPECTION, ETC.

Section 20.01 Tenant shall permit Landlord and its agents or representatives to enter the Premises at all reasonable times and upon reasonable notice (except in cases of emergency, in which case Landlord shall endeavor to give such notice, if any, as is reasonably feasible under the circumstances) for the purpose of (a) inspecting the same, (b) determining whether or not Tenant is in compliance with its obligations hereunder, (c) constructing, maintaining and inspecting any Civic Facilities, and (d) making any necessary repairs to the Premises and performing any work therein that may be necessary by reason of Tenant's failure to make any such repairs or perform any such work, provided that, except in any emergency, Landlord shall have given Tenant notice specifying such repairs or work and Tenant shall have failed to make such repairs or to do such work within thirty (30) days after the giving of such notice (subject to Unavoidable Delays), or if such repairs or such work cannot reasonably be completed during such thirty (30) day period, to have commenced and be diligently pursuing the same (subject to Unavoidable Delays).

Section 20.02 Nothing in this Article 20 or elsewhere in this Lease shall imply any duty upon the part of Landlord to do any work required to be performed by Tenant hereunder and performance of any such work by Landlord shall not constitute a waiver of Tenant's default in failing to perform the same. Landlord, during the progress of any such work, may keep and store at the Premises all necessary materials, tools, supplies and equipment. Landlord shall not be liable for inconvenience, annoyance, disturbance, loss of business or other damage of Tenant, any Subtenant or other occupant of the Buildings by reason of making such repairs or the performance of any such work, or on account of bringing materials, tools, supplies and equipment into the Premises during the course thereof, provided Landlord shall use reasonable efforts to minimize damage resulting from Landlord's exercise of its rights under this Article 20, and the obligations of Tenant under this Lease shall not be affected thereby. To the extent that Landlord undertakes such work or repairs, such work or repairs shall be commenced and completed in a good and workmanlike manner, and with reasonable diligence, subject to Unavoidable Delays, and in such a manner as not to unreasonably interfere with the conduct of business in or use of such space.

ARTICLE 21

LANDLORD'S RIGHT TO PERFORM TENANT'S COVENANTS

Section 21.01 If Tenant at any time shall be in Default, after notice thereof and after applicable grace periods, if any, provided under this Lease for Tenant or a Mortgagee, respectively, to cure or commence to cure same, Landlord, without waiving or releasing Tenant from any obligation of Tenant contained in this Lease, may (but shall be under no obligation to)

87

perform such obligation, but such performance by Landlord shall not excuse, or operate as a cure of, the Default and/or Event of Default in question.

Section 21.02 All reasonable sums paid by Landlord and all reasonable costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, incurred by Landlord in connection with its performance of any obligation pursuant to Section 21.01, together with interest thereon at the Involuntary Rate from the respective dates of Landlord's making of each such payment or incurring of each such sum, cost, expense, charge, payment or deposit until the date of actual repayment to Landlord, shall be paid by Tenant to Landlord within ten (10) days after Landlord shall have submitted to Tenant a statement, in reasonable detail, substantiating the amount demanded by Landlord. Any payment or performance by Landlord pursuant to Section 21.01 shall not be nor be deemed to be a waiver or release of breach or Default of Tenant with respect thereto or of the right of Landlord to terminate this Lease, institute summary proceedings or take such other action as may be permissible hereunder or otherwise provided at law or in equity if an Event of Default by Tenant shall have occurred. Landlord shall not be limited in the proof of any damages which Landlord may claim against Tenant arising out of or by reason of Tenant's failure to provide and keep insurance in force as aforesaid to the amount of the insurance premium or premiums not paid, but Landlord also shall be entitled to recover, as damages for such breach, the uninsured amount of any loss and damage and the reasonable costs and expenses of suit, including, without limitation, reasonable attorneys' fees and disbursements, suffered or incurred by reason of damage to or destruction of the Premises.

ARTICLE 22

NO ABATEMENT OF RENTAL

Except as may be otherwise expressly provided herein, there shall be no abatement, off-set, diminution or reduction of Rental payable by Tenant hereunder or of the other obligations of Tenant hereunder under any circumstances.

ARTICLE 23

PERMITTED USE; NO UNLAWFUL OCCUPANCY

Section 23.01 Subject to the provisions of law and this Lease, Tenant shall occupy the Premises, in accordance with the Certificate or Certificates of Occupancy for the Premises, the Master Development Plan and the Design Guidelines, and for no other use or purposes.

Section 23.02 Tenant shall not use or occupy, nor permit or suffer the Premises or any part thereof to be used or occupied for any unlawful, illegal or extra hazardous business, use

or purpose, or in such manner as to constitute a nuisance of any kind (public or private) or that Landlord, in its reasonable judgment, deems offensive by reason of odors, fumes, dust, smoke, noise or other pollution, or for any purpose or in any way in violation of the Certificates of Occupancy, the Design Guidelines, or of any Requirements, or which may reasonably be expected to make void or voidable any insurance then in force on the Premises or, without Landlord's consent, for any use which requires a variance, waiver or special permit under the Zoning Resolution of New York City as then in effect. Tenant shall take, immediately upon the discovery of any such unpermitted, unlawful, illegal or extra hazardous use, all necessary actions, legal and equitable, to compel the discontinuance of such use. If for any reason Tenant shall fail to take such actions, and such failure shall continue for thirty (30) days after notice from Landlord to Tenant specifying such failure, Landlord is hereby irrevocably authorized (but not obligated) to take all such actions in Tenant's name and on Tenant's behalf, Tenant hereby appointing Landlord as Tenant's attorney-in-fact coupled with an interest for all such purposes. All reasonable sums paid by Landlord and all reasonable costs and expenses incurred by Landlord acting pursuant to the immediately preceding sentence (including, but not limited to, reasonable attorneys' fees and disbursements), together with interest thereon at the Involuntary Rate from the respective dates of Landlord's making of each such payment or incurring of each such cost, expense or charge until the date of receipt of repayment by Landlord, shall be paid by Tenant to Landlord within ten (10) days after demand and shall constitute Rental under this Lease.

Section 23.03 Tenant shall not knowingly suffer or permit the Premises or any portion thereof to be used by the public in such manner as might reasonably tend to impair title to the Premises or any portion thereof, or in such manner as might reasonably make possible a claim or claims of adverse usage or adverse possession by the public, as such, or of implied dedication of the Premises or any portion thereof.

Section 23.04 Tenant shall take all such actions as Landlord is required to take in connection with the use and occupancy of the Premises under the terms of the Master Lease, and Tenant shall not (to the extent reasonably within Tenant's control) permit any action or condition in respect of the Premises which constitutes or would, with notice or lapse of time or both, constitute an event of default under the Master Lease. Landlord shall perform all obligations of tenant under the Master Lease other-than those which are the obligation of Tenant under this Lease.

ARTICLE 24

EVENTS OF DEFAULT; CONDITIONAL LIMITATIONS, REMEDIES, ETC.

Section 24.01 Each of the following events shall be an "Event of Default"

Doc #1372193.NY 89

hereunder:

- (a) if Tenant shall fail to pay any item of Rental, or any part thereof, when the same shall become due and payable and such failure shall continue for ten (10) days after notice from Landlord to Tenant;
- (b) if (i) Commencement of Construction shall not have occurred on or before the Construction Commencement Date (subject to Unavoidable Delays) and such failure shall continue for thirty (30) days (subject to Unavoidable Delays) after notice from Landlord to Tenant or (ii) Substantial Completion of the Buildings shall not have occurred within thirty-six (36) months from the Construction Commencement Date (subject to Unavoidable Delays) and such failure shall continue for ten (10) days (subject to Unavoidable Delays) after notice from Landlord to Tenant;

- (d) to the extent permitted by law, if Tenant shall admit, in writing, that it is unable to pay its debts as such become due, provided, however, this provision shall be of no further force or effect upon the submission by Tenant of its estate in the Premises to either a cooperative or condominium form of ownership in accordance with the provisions of this Lease;
- (e) to the extent permitted by law, if Tenant shall make an assignment for the benefit of creditors, provided, however, this provision shall be of no further force or effect upon the submission by Tenant of its estate in the Premises to a condominium form of ownership in accordance with the provisions of this Lease;

further force or effect upon the submission by Tenant of its estate in the Premises to a condominium form of ownership in accordance with the provisions of this Lease;

- (g) to the extent permitted by law, if within ninety (90) days after the commencement of any proceeding against Tenant seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under the present or any future federal bankruptcy code or any other present or future applicable federal, state or other statute or law, such proceeding shall not have been dismissed, or if, within ninety (90) days after the appointment, without the consent or acquiescence of Tenant, of any trustee, receiver, custodian, assignee, sequestrator, liquidator or other similar official of Tenant or of all or any substantial part of its properties or of the Premises or any interest therein of Tenant or such appointment shall not have been vacated or stayed on appeal or otherwise, or if, within thirty (30) days after the expiration of any such stay, such appointment shall not have been vacated, provided, however, this provision shall be of no further force or effect upon the submission by Tenant of its estate in the Premises to a condominium form of ownership in accordance with the provisions of this Lease;
 - (h) if Tenant shall abandon the Premises;
- (i) if this Lease or the estate of Tenant hereunder shall be assigned, subleased, transferred, mortgaged or encumbered, or there shall be a Transfer, without Landlord's approval to the extent required hereunder or without compliance with the provisions of this Lease applicable thereto and such transaction shall not be made to comply or voided within thirty (30) days after notice thereof from Landlord to Tenant;

- (k) if Tenant is a corporation, if Tenant shall at any time fail to maintain its corporate existence in good standing, or to pay any corporate franchise tax when and as the same shall become due and payable and such failure shall continue for thirty (30) days after notice thereof from Landlord or any governmental agency to Tenant;
- (l) if Tenant shall breach one or more of the terms, conditions, covenants or agreements contained in Section 43.01(c); or
- (m) if Tenant shall fail to deliver any Letter of Credit in accordance with the applicable provisions of this Lease.

Section 24.02 If an Event of Default shall occur, Landlord may elect to declare due and payable a sum equal to the amount by which the Rental reserved in this Lease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the fair and reasonable rental value of the Premises for the same period, both discounted to present

worth at the rate of eight percent (8%) per annum, such sum shall be due and payable ten (10) days after notice by Landlord to Tenant of such election. However, the aforesaid remedy shall not be applicable to a Mortgagee which elects to cure the Default of Tenant pursuant to Section 10.10 or receives a new lease pursuant to Section 10.11. Landlord may also elect to proceed by appropriate judicial proceedings, either at law or in equity, to enforce performance or observance by Tenant of the applicable provisions of this Lease and/or to recover damages for breach thereof.

Section 24.03

- (a) If any Event of Default (i) described in Section 24.01(d), (e), (f) or (g) hereof shall occur, or (ii) described in Section 24.01(b), (c), (h), (i), (j), (k), (l) or (m) shall occur and Landlord, at any time thereafter, at its option, gives notice to Tenant stating that this Lease and the Term shall expire and terminate on the date specified in such notice, which date shall be not less than ten (10) days after the giving of such notice, and if, on the date specified in such notice, Tenant shall have failed to cure the Default which was the basis for the Event of Default, then this Lease and the Term and all rights of Tenant under this Lease shall expire and terminate as of the date on which the Event of Default described in clause (i) above occurred or the date specified in the notice given pursuant to clause (ii) above, as the case may be, were the date herein definitely fixed for the expiration of the Term and Tenant immediately shall quit and surrender the Premises. Anything contained herein to the contrary notwithstanding, if such termination shall be stayed by order of any court having jurisdiction over any proceeding described in Section 24.01(f) or (g) hereof, or by federal or state statute, then, following the expiration of any such stay, or if the trustee appointed in any such proceeding. Tenant or Tenant as debtor-in-possession shall fail to assume Tenant's obligations under this Lease within the period prescribed therefor by law or within one hundred twenty (120) days after entry of the order for relief or as may be allowed by the court, or if said trustee, Tenant or Tenant as debtorin-possession shall fail to provide adequate protection of Landlord's right, title and interest in and to the Premises or adequate assurance of the complete and continuous future performance of Tenant's obligations under this Lease as provided in Section 24.15 hereof, Landlord, to the extent permitted by law or by leave of the court having jurisdiction over such proceeding, shall have the right, at its election, to terminate this Lease on ten (10) days notice to Tenant, Tenant as debtor-in-possession or said trustee and upon the expiration of said ten (10) day period this Lease shall cease and expire as aforesaid and Tenant, Tenant as debtor-in-possession and/or trustee shall immediately quit and surrender the Premises as aforesaid.
- (b) If an Event of Default described in Section 24.01(a) shall occur, or this Lease shall be terminated as provided in Section 24.03(a), Landlord, without notice, may re-enter and repossess the Premises using such force for that purpose as may be necessary without being liable to indictment, prosecution or damages therefor and may dispossess Tenant by summary proceedings or otherwise.

Section 24.04 If this Lease shall be terminated as provided in <u>Section 24.03(a)</u> or Tenant shall be dispossessed by summary proceedings or otherwise as provided in <u>Section 24.03(b)</u> hereof:

- (a) Tenant shall pay to Landlord all Rental payable by Tenant under this Lease to the date upon which this Lease and the Term shall have expired and come to an end or to the date of re-entry upon the Premises by Landlord, as the case may be;
- Landlord may complete all construction required to be performed by Tenant hereunder and may repair and alter the Premises in such manner as Landlord may deem necessary or advisable (and may apply to the foregoing all funds, if any, then held by Depository pursuant to Article 7, 8 or 9 or by Landlord under the letter of credit referred to in Section 11.12) without relieving Tenant of any liability under this Lease or otherwise affecting any such liability, and/or let or relet the Premises or any parts thereof for the whole or any part of the remainder of the Term or for a longer period, in Landlord's name or as agent of Tenant, and out of any rent and other sums collected or received as a result of such reletting Landlord shall: (i) first, pay to itself the reasonable cost and expense of terminating this Lease, re-entering. retaking, repossessing, completing construction and repairing or altering the Premises, or any part thereof, and the cost and expense of removing all persons and property therefrom, including in such costs brokerage commissions, legal expenses and reasonable attorneys' fees and disbursements, (ii) second, pay to itself the reasonable cost and expense sustained in securing any new tenants and other occupants, including in such costs brokerage commissions, legal expenses and reasonable attorneys' fees and disbursements and other expenses of preparing the Premises for reletting, and, if Landlord shall maintain and operate the Premises, the reasonable cost and expense of operating and maintaining the Premises, and (iii) third, pay to itself any balance remaining on account of the liability of Tenant to Landlord. Landlord in no way shall be responsible or liable for any failure to relet the Premises or any part thereof, or for any failure to collect any rent due on any such reletting, and no such failure to relet or to collect rent shall operate to relieve Tenant of any liability under this Lease or to otherwise affect any such liability;
- Section 24.02 hereof, Tenant shall be liable for and shall pay to Landlord, as damages, any deficiency (referred to as "Deficiency") between the Rental reserved in this Lease for the period which otherwise would have constituted the unexpired portion of the Term and the net amount, if any, of rents collected under any reletting effected pursuant to the provisions of Section 24.04(b) for any part of such period (first deducting from the rents collected under any such reletting all of the payments to Landlord described in Section 24.04(b) hereof); any such Deficiency shall be paid in installments by Tenant on the days specified in this Lease for payment of installments of Rental, and Landlord shall be entitled to recover from Tenant each Deficiency installment as the same shall arise, and no suit to collect the amount of the Deficiency for any installment period by a similar proceeding; and

(d) if Landlord shall not have declared all Rental due and payable pursuant to Section 24.02 hereof, and whether or not Landlord shall have collected any Deficiency installments as aforesaid, Landlord shall be entitled to recover from Tenant, and Tenant shall pay to Landlord, on demand, in lieu of any further Deficiencies, as and for liquidated and agreed final damages (it being agreed that it would be impracticable or extremely difficult to fix the actual damage), a sum equal to the amount by which the Rental reserved in this Lease for the period which otherwise would have constituted the unexpired portion of the Term exceeds the then fair and reasonable rental value of the Premises for the same period, both discounted to present worth at the rate of eight percent (8%) per annum less the aggregate amount of Deficiencies theretofore collected by Landlord pursuant to the provisions of Section 24.04(c) for the same period; it being agreed that before presentation of proof of such liquidated damages to any court, commission or tribunal, if the Premises, or any part thereof, shall have been relet by Landlord for the period which otherwise would have constituted the unexpired portion of the Term, or any part thereof, the amount of rent reserved upon such reletting shall be deemed, prima facie, to be the fair and reasonable rental value for the part or the whole of the Premises so relet during the term of the reletting.

Section 24.05 No termination of this Lease pursuant to <u>Section 24.03(a)</u> or taking possession of or reletting the Premises, or any part thereof, pursuant to <u>Sections 24.03(b)</u> and <u>24.04(b)</u>, shall relieve Tenant of its liabilities and obligations hereunder, all of which shall survive such expiration, termination, repossession or reletting.

Section 24.06 To the extent not prohibited by law, Tenant hereby waives and releases all rights now or hereafter conferred by statute or otherwise which would have the effect of limiting or modifying any of the provisions of this <u>Article 24</u>. Tenant shall execute, acknowledge and deliver any instruments which Landlord may reasonably request, whether before or after the occurrence of an Event of Default, evidencing such waiver or release.

Section 24.07 Suit or suits for the recovery of damages, or for a sum equal to any installment or installments of Rental payable hereunder or any Deficiencies or other sums payable by Tenant to Landlord pursuant to this <u>Article 24</u>, may be brought by Landlord from time to time at Landlord's election, and nothing herein contained shall be deemed to require Landlord to await the date whereon this Lease or the Term would have expired had there been no Event of Default by Tenant and termination.

Section 24.08 Nothing contained in this <u>Article 24</u> shall limit or prejudice the right of Landlord to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by statute or rule of law governing such proceeding and in effect at the time when such damages are to be proved, whether or not such amount shall be greater than, equal to or less than the amount of the damages referred to in any of the preceding Sections of this <u>Article 24</u>.

Section 24.09 No receipt of moneys by Landlord from Tenant after the termination of this Lease, or after the giving of any notice of the termination of this Lease, shall

reinstate, continue or extend the Term or affect any notice theretofore given to Tenant, or operate as a waiver of the right of Landlord to enforce the payment of Rental payable by Tenant hereunder or thereafter falling due, or operate as a waiver of the right of Landlord to recover possession of the Premises by proper remedy, except as herein otherwise expressly provided, it being agreed that after the service of notice to terminate this Lease or the commencement of any suit or summary proceedings, or after a final order or judgment for the possession of the Premises, Landlord may demand, receive and collect any moneys due or thereafter falling due without in any manner affecting such notice, proceeding, order, suit or judgment, all such moneys collected being deemed payments on account of the use and operation of the Premises or, at the election of Landlord, on account of Tenant's liability hereunder.

Section 24.10 Except as otherwise expressly provided herein or as prohibited by applicable law, Tenant hereby expressly waives the service of any notice of intention to re-enter provided for in any statute, or of the institution of legal proceedings to that end, and Tenant, for and on behalf of itself and all persons claiming through or under Tenant, also waives any and all right of redemption provided by any law or statute now in force or hereafter enacted or otherwise, or re-entry or repossession or to restore the operation of this Lease in case Tenant shall be dispossessed by a judgment or by warrant of any court or judge or in case of re-entry or repossession by Landlord or in case of any expiration or termination of this Lease, and Landlord and Tenant waive and shall waive trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other on any matter whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Premises, or any claim of injury or damage. The terms "enter", "re-enter" "entry" or "re-entry" as used in this Lease are not restricted to their technical legal meaning.

Section 24.11 No failure by Landlord or any prior landlord to insist upon the strict performance of any covenant, agreement, term or condition of this Lease or to exercise any right or remedy consequent upon a breach thereof, and no acceptance of full or partial Rental during the continuance of any such breach, shall constitute a waiver of any such breach or of such covenant, agreement, term or condition. No covenant, agreement, term or condition of this Lease to be performed or complied with by Tenant, and no breach thereof, shall be waived, altered or modified except by a written instrument executed by Landlord. No waiver of any breach shall affect or alter this Lease, but each and every covenant, agreement, term and condition of this Lease still continue in full force and effect with respect to any other than existing or subsequent breach thereof.

Section 24.12 In the event of any breach or threatened breach by Tenant of any of the covenants, agreements, terms or conditions contained in this Lease, Landlord shall be entitled to enjoin such breach or threatened breach and shall have the right to invoke any rights and remedies allowed at law or in equity or by statute or otherwise as though re-entry, summary proceedings, and other remedies were not provided for in this Lease. To the extent permitted by law Tenant waives any requirement for the posting of bonds or other security in any such action.

Section 24.13 Except as specifically set forth in Section 11.13, each right and remedy of Landlord provided for in this Lease shall be cumulative and shall be in addition to every other right or remedy provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by Landlord of any one or more of the rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by Landlord of any or all other rights or remedies provided for in this Lease or now or hereafter existing at law or in equity or by statute or otherwise.

Section 24.14 Tenant shall pay to Landlord all costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, incurred by Landlord in any action or proceeding to which Landlord may be made a party by reason of any act or omission of Tenant. Tenant also shall pay to Landlord all costs and expenses, including, without limitation, reasonable attorneys' fees and disbursements, incurred by Landlord in enforcing any of the covenants and provisions of this Lease and incurred in any action brought by Landlord against Tenant on account of the provisions hereof, and all such costs, expenses, and reasonable attorneys' fees and disbursements may be included in and form a part of any judgment entered in any proceeding brought by Landlord against Tenant on or under this Lease. All of the sums paid or obligations incurred by Landlord as aforesaid, with interest at the Involuntary Rate, shall be paid by Tenant to Landlord within fifteen (15) days after demand by Landlord.

Section 24.15 If an order for relief is entered or if a stay of proceeding or other acts becomes effective in favor of Tenant or Tenant's interest in this Lease in any proceeding which is commenced by or against Tenant under the present or any future federal Bankruptcy Code or any other present or future applicable federal, state or other statute or law, Landlord shall be entitled to invoke any and all rights and remedies available to it under such bankruptcy code, statute, law or this Lease, including, without limitation, such rights and remedies as may be necessary to adequately assure the complete and continuous future performance of Tenant's obligations under this Lease. Adequate protection of Landlord's right, title and interest in and to the Premises, and adequate assurance of the complete and continuous future performance of Tenant's obligations under this Lease, shall include, without limitation, the following requirements:

- (a) that Tenant shall comply with all of its obligations under this Lease;
- (b) that Tenant shall pay to Landlord, on the first day of each month occurring subsequent to the entry of such order, or on the effective date of such stay, a sum, in lieu of Rental, equal to the amount by which the Premises diminished in value during the immediately preceding monthly period, but, in no event, an amount which is less than the aggregate Rental payable for such monthly period;
- (c) that Tenant shall continue to use the Premises in the manner required by this Lease;

- (d) that Tenant shall hire, at its sole cost and expense, such security personnel as may be necessary to insure the adequate protection and security of the Premises;
- (e) that Tenant shall pay to Landlord within thirty (30) days after entry of such order or the effective date of such stay, as partial adequate protection against future diminution in value of the Premises and adequate assurance of the complete and continuous future performance of Tenant's obligations under this Lease, a security deposit as may be required by law or ordered by the court;
- (f) that Tenant has and will continue to have unencumbered assets after the payment of all secured obligations and administrative expenses to assure Landlord that sufficient funds will be available to fulfill the obligations of Tenant under this Lease;
- (g) that Landlord be granted a security interest acceptable to Landlord in property of Tenant, other than property of any of Tenant's officers, directors, shareholders, employees or partners, to secure the performance of Tenant's obligations under this Lease;
- that if Tenant's trustee, Tenant or Tenant as debtor-in-possession assumes this Lease and proposes to assign the same (pursuant to Title 11 U.S.C. Section 365, as the same may be amended) to any Person who shall have made a bona fide offer to accept an assignment of this Lease on terms acceptable to the trustee, Tenant or Tenant as debtor-in-possession, then notice of such proposed assignment, setting forth (i) the name and address of such Person, (ii) all of the terms and conditions of such offer, and (iii) the adequate assurance to be provided Landlord to assure such Person's future performance under the Lease, including, without limitation, the assurances referred to in Title 11 U.S.C. Section 365(b)(3) (as the same may be amended), shall be given to Landlord by the trustee, Tenant or Tenant as debtor-in-possession no later than twenty (20) days after receipt by the trustee, Tenant or Tenant as debtor-in-possession of such offer, but in any event no later than ten (10) days prior to the date that the trustee, Tenant or Tenant as debtor-in-possession shall make application to a court of competent jurisdiction for authority and approval to enter into such assignment and assumption, and Landlord shall thereupon have the prior right and option, to be exercised by notice to the trustee given at any time prior to the effective date of such proposed assignment, to accept an assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such Person, less any brokerage commissions which may be payable out of the consideration to be paid by such Person for the assignment of this Lease.

Section 24.16 Nothing contained in this <u>Article 24</u> shall be deemed to modify the provisions or <u>Section 10.10</u>, <u>10.11</u> or <u>10.12</u> hereof.

Section 24.17 Tenant may pay any sum demanded by Landlord without prejudice to Tenant's right to thereafter contest Tenant's obligation to pay such sum.

ARTICLE 25

NOTICES

Section 25.01 Whenever it is provided in this Lease that a notice, demand, request, consent, approval or other communication shall or may be given to or served upon either of the parties by the other, or by Landlord upon any Mortgagee, and whenever either of the parties shall desire to give or serve upon the other any notice, demand, request, consent, approval, or other communication with respect hereto or the Premises, each such notice, demand, request, consent, approval, or other communication shall be in writing and, any law or statute to the contrary notwithstanding, shall be effective for any purpose if given or served as follows:

- (a) if by Landlord, by delivery or by mailing the same to Tenant by registered or certified mail, postage prepaid, return receipt requested, addressed to Tenant at c/o The Related Companies, L.P., 625 Madison Avenue, New York, New York 10022, Attn: Jeff T. Blau or to such other address(es) and attorneys as Tenant may from time to time designate by notice given to Landlord as aforesaid and, in the case of any notice required to be given to any Mortgagee pursuant to this Lease, to each such Mortgagee at the address of such Mortgagee set forth in the notice mentioned in the first sentence of Section 10.10(a) hereof; and
- (b) if by Tenant, by delivering or by mailing the same to Landlord by registered or certified mail, postage prepaid, return receipt requested, addressed to Landlord at One World Financial Center, New York, New York 10281, Att: President, or to such other address as Landlord may from time to time designate by notice given to Tenant as aforesaid (with a copy, given in the manner provided above, addressed to the attention of Landlord's General Counsel, at the address set forth above or at such other address as Landlord may from time to time designate by notice to Tenant as aforesaid).

Section 25.02 Every notice, demand, request, consent, approval, or other communication hereunder shall be deemed to have been given or served when delivered, or if mailed, three (3) Business Days after the date that the same shall have been deposited in the United States mails, postage prepaid, in the manner aforesaid (except that a notice designating the name or address of a person to whom any notice or other communication, or copy thereof, shall be sent shall be deemed to have been given when same is received).

Section 25.03 Landlord shall promptly give Tenant (and each Mortgagee that is then entitled to receive notice of Default under Section 10.10) a copy of any notice relating to the Premises or the Civic Facilities received by Landlord in its capacity as the Tenant under the Master Lease if such notice affects Tenant's rights or obligations under this Lease in any material respect. In no event shall Tenant have any right to terminate this Lease or to a reduction in Rental payable hereunder by reason of Landlord's failure to comply with the preceding sentence.

ARTICLE 26

CONSTRUCTION AND MAINTENANCE OF THE CIVIC FACILITIES

Section 26.01

- (a) The term "<u>Civic Facilities</u>" shall mean the following improvements located in the North Neighborhood of the Project Area:
 - (i) Electrical, gas and telephone mains;
 - (ii) Water mains;
 - (iii) Sanitary and storm sewers;
 - (iv) Fire hydrants and Emergency Response Service conduits and boxes;
 - (v) Street lighting (conduit, cable, poles, fixtures and connections);
 - (vi) Streets;
 - (vii) Curbs;
 - (viii) Temporary concrete sidewalks;
 - (ix) Permanent sidewalks, including cobble strip and paving;
 - (x) Landscaped esplanade, including appurtenances located within the pierhead line of the North Neighborhood ("North Neighborhood Esplanade");
 - (xi) Landscaped park in the North Neighborhood ("Governor Nelson A. Rockefeller Park");
 - (xii) Vesey Street turnaround area ("Vesey Street Area");
 - (xiii) Landscaped triangle on Murray Street ("Murray Street Triangle");
 - (xiv) Landscaped median strip on North End Avenue ("Median Parks"); and
 - (xv) Street trees.

Areas described in subparagraphs (xi) - (xiv) above are referred to herein as "North Neighborhood Residential Parks".

Landlord and Tenant acknowledge that all those improvements other than the Vesey Street Area have been completed, and that Landlord shall have no obligation to complete the Vesey Street Area.

- (b) The term "<u>Tenant's Civic Facilities</u>" shall mean the following portions of the Civic Facilities as are more particularly described, referenced or enumerated in the drawing entitled "Tenant Civic Facilities and Courtyard Plan" prepared by Costas Kondylis and dated June 26, 1997:
 - (i) Permanent sidewalk on streets adjacent to the Premises;
 - (ii) Street trees (Tenant to install 18 trees, each with a four-inch caliper);
 - (iii) Additional landscaping and/or paving; and
 - (iv) A planting bed within the area marked "landscape/easement" on Figure 27 of the Design Guidelines.
- (c) The term "<u>Landlord's Civic Facilities</u>" shall mean all of the Civic Facilities which are not included within the definition of Tenant's Civic Facilities.

Section 26.02 Subject to Unavoidable Delays, Tenant shall commence and diligently complete on or before the Scheduled Completion Date, in accordance with the documents described in Section 26.01(b) above, the construction or installation of Tenant's Civic Facilities, in each case, in a good and workmanlike manner and in compliance with normal New York City construction rules and all applicable Requirements.

Section 26.03 Landlord and Tenant each shall take good care of Landlord's Civic Facilities or Tenant's Civic Facilities, as the case may be, and shall keep and maintain the same in good and safe order and condition and free of accumulations of dirt, rubbish, snow and ice, and shall make all repairs (including structural repairs, restorations and replacements necessary to maintain the same in first-class condition (collectively, "Maintenance Obligations"), except that (i) if Tenant installs temporary concrete sidewalks adjacent to the Premises, then Tenant shall perform Maintenance Obligations in respect of same and (ii) provided that Tenant previously has caused the street trees referred to in Section 26.01(b)(ii) to be installed in accordance with the requirements of this Article 26, from and after the first anniversary of the proper installation of such trees, Landlord shall perform Maintenance Obligations in respect of said street trees. The obligation of Landlord to perform Maintenance Obligations is expressly conditioned upon Tenant's compliance with Tenant's obligations under <u>Section 26.05</u>. The parties contemplate that, after the completion of construction pursuant to Section 26.02, Maintenance Obligations for the portion of the Civic Facilities described in subparagraph (i) shall be performed by the appropriate utility companies and for those portions of the Civic Facilities described in subparagraphs (ii)-(vii) shall be performed by New York City. Notwithstanding the initial sentence of this Section 26.03, Maintenance Obligations on the part

of Landlord in respect of any portion of the Civic Facilities described in subparagraphs (i)-(vii) of Section 26.01(a) shall terminate on the date that the appropriate utility company or New York City, as the case may be, shall commence performance of Maintenance Obligations in respect of same.

Section 26.04

- (a) Tenant's sole remedies against Landlord for a failure by Landlord to perform its Maintenance Obligations in accordance with Section 26.03 shall be the right to engage in Self-Help and to receive the offset against Civic Facilities Payments provided for in Section 26.04(c), and no such failure shall entitle Tenant to any other right, remedy or damages against Landlord. No delay, non-performance or part performance by Landlord under Section 26.03 shall release Tenant from any of its obligations under this Lease. The election by Tenant of any remedy specified in this Section 26.04(a) shall not preclude Tenant from pursuing any other available remedy specifically set forth herein.
- (b) If (subject to Unavoidable Delays) Landlord fails to perform any of Landlord's Maintenance Obligations, Tenant (in its own name and not as agent of Landlord) shall have the right (but shall not be obligated) to undertake Landlord's Maintenance Obligations, as the case may be ("Self-Help"), in accordance with the provisions of this Section 26.04(b). Prior to engaging in Self-Help, Tenant shall give Landlord notice specifying the nature of Landlord's failure and advising of Tenant's intention to engage in Self-Help. If Landlord shall not have remedied the failure complained of prior to the thirtieth (30th) day after such notice, Tenant shall be entitled to engage in Self-Help, provided that, if such failure shall be of a nature that the same cannot be completely remedied within said thirty (30) day period, Tenant shall not be entitled to engage in Self-Help if Landlord commences to remedy such failure within such period and thereafter diligently and continuously proceeds to remedy same. A copy of any notice given to Landlord pursuant to this Section 26.04(b) shall be sent to all other tenants of Landlord in the North Neighborhood of whose names and addresses Landlord shall have given Tenant notice, and, in the event Tenant engages in Self-Help, Tenant shall use its best efforts to cooperate with such other tenants and to coordinate any actions taken in furtherance thereof with the actions of any tenant(s) that may elect to engage in Self-Help under the applicable provision(s) of any other lease(s) entered into by Landlord with respect to the North Neighborhood. In furtherance of Tenant's exercise of the right of Self-Help set forth in this Section 26.04(b), Landlord, upon reasonable notice, shall permit Tenant and its agents or representatives to inspect Landlord's Civic Facilities at all reasonable times for the purpose of determining whether or not Landlord is in compliance with Landlord's Maintenance Obligations. Landlord hereby grants Tenant a right to enter upon Landlord's Civic Facilities in order to perform Self-Help in accordance with this Section 26.04(b). Tenant shall not be liable for inconvenience, annoyance, disturbance, loss of business or other damage to Landlord by reason of Tenant's exercise of the right of Self-Help hereunder, provided Tenant shall use reasonable efforts to minimize damage caused by Tenant in the exercise of its right of Self-Help.

- (c) In the event Tenant engages in Self-Help as provided in Section 26.04(b) with respect to Landlord's Maintenance Obligations, after submission to Landlord of a written statement of Tenant's expenses with supporting documentation, Tenant shall have the right to offset against the next installment(s) of Civic Facilities Payment an amount equal to the reasonable expenses thereby incurred and/or theretofore paid by Tenant together with interest thereon at the Involuntary Rate computed with respect to each payment made by Tenant under this Section 26.04(c) from the date notice is received by Landlord of such payment by Tenant until the date(s) Tenant effectuates the offset(s).
- (d) In the event Landlord shall fail to perform Landlord's Maintenance Obligations, Landlord shall incur no penalty or liability and Tenant shall have no remedies or rights other than as expressly provided herein, it being agreed by the parties that Landlord's failure to perform Landlord's Construction Obligations or Landlord's Maintenance Obligations shall not be deemed a failure by Landlord to perform a substantial obligation on Landlord's part to be performed under this Lease.

Section 26.05

- (a) As its allocable share of the cost of operating, maintaining, repairing, restoring, replacing and upgrading Rockefeller Park, the North Neighborhood Esplanade, Vesey Street Area, Murray Street Triangle, the Median Parks, Marginal Street Parks, any other parks or open spaces within or adjacent to the North Neighborhood, the curbs referred to in Section 26.01(a)(vii) and the street trees referred to in Section 26.01(a)(xv) and (b)(ii), including, at Landlord's election, the costs of creating and maintaining a reasonable reserve fund and of insuring the Civic Facilities or any part thereof (such costs, less income received by Landlord from events held by Landlord in the Civic Facilities, being hereinafter referred to as "Operating Costs"), Tenant, for each Lease Year or portion thereof commencing on the date on which a temporary Certificate of Occupancy shall be issued for any dwelling unit in the Buildings (the "Initial Occupancy Date") and ending on the last day of the Term, shall pay to Landlord an annual sum (the "Civic Facilities Payment") determined as follows:
 - (i) for the period commencing on the Initial Occupancy Date and ending on the last day of the Lease Year in which the Initial Occupancy Date occurs, an amount equal to the product obtained by multiplying the sum computed under the succeeding clause (ii) by a fraction the numerator of which shall be the number of days between the Initial Occupancy Date and the last day of the Lease Year in which the Initial Occupancy Date occurs and the denominator of which shall be three hundred sixty-five (365);
 - (ii) for each of the next two Lease Years, an amount equal to (A) the product obtained by multiplying the number of residential units in the Buildings by Two Hundred and Fifty Dollars (\$250.00) and (B) the product derived by multiplying \$.30 by the gross square feet of nonresidential floor area in the Buildings;

- (iii) for each of the next three Lease Years, an amount equal to (A) the product obtained by multiplying the number of residential units in the Buildings by Three Hundred Dollars (\$300.00) and (B) the product derived by multiplying \$.35 by the gross square feet of nonresidential floor area in the Buildings;
- (iv) for the next succeeding Lease Year and for each Lease Year thereafter, with respect to the North Neighborhood Parks, an amount equal to the product of (A) the North Neighborhood Residential Parks Budget (as defined below) multiplied by (B) .1028 (said figure being computed by dividing the number of square feet of floor area in the Buildings by the total number of square feet of floor area in all residential buildings, including the Buildings, in the North Neighborhood permitted by the Zoning Resolution of the City of New York, as such number may be reduced by the Design Guidelines); and
- (v) for the period referred to in the preceding clause (iv), with respect to the North Neighborhood Esplanade an amount equal to the product of (A) the North Neighborhood Esplanade Budget multiplied by (B) .1028 (said figure being computed as set forth in the preceding clause (iv)).

Except that, in lieu of clauses (iv) and (v) above, Landlord, at its sole option and at any time, may establish as an alternative method (the "Alternative Method") for determining such allocable share of the Operating Costs and the amount of the Civic Facilities Payment that Tenant would pay as its share an amount equal to the product of (x) the sum of the Parks Budget and the Residential Esplanade Budget, less amounts payable toward such Budgets by other tenants of Landlord in the Project Area under leases which were originally entered into prior to January 1, 1988 ("Prior Tenants"), multiplied by (y) .0679 (said figure being computed by dividing the number of square feet of floor area in the Buildings, as permitted by the Zoning Lot Declaration, by the total number of square feet of floor area in all residential buildings, including the Buildings in the Project Area permitted by the Zoning Resolution of the City of New York, as such number may be reduced by the Design Guidelines pertaining to such residential buildings, less the number of square feet of floor area in the residential buildings of such Prior Tenants).

Notwithstanding the provisions of the foregoing clauses (iv) and (v), the amount of Tenant's Civic Facilities payment for any Lease Year referred to therein (other than the first Lease Year to which clauses (iv) and (v) are or could be applicable) shall not be greater than one hundred twenty-five percent (125%) of Tenant's Civic Facilities Payment for the prior Lease Year and the amount of capital costs included in the Operating Costs shall not exceed ten percent (10%) of the Operating Costs for any one year.

(b) For each Lease Year commencing with the Lease Year referred to in <u>Section 26.05(a)(iv)</u> (each such Lease Year or portion thereof being hereinafter referred to as a "<u>Payment Period</u>") Landlord shall submit to Tenant (i) an estimate of the Operating Costs for the North Neighborhood Residential Parks, including all curbs and street trees and reasonable

reserves and insurance, if any, for such Payment Period (the "North Neighborhood Residential Parks Budget") and (ii) an estimate of the Operating Costs for the North Neighborhood Esplanade for such Payment Period (the "North Neighborhood Esplanade Budget"). The North Neighborhood Residential Parks Budget shall be an amount computed by multiplying (A) the estimated Operating Costs of all parks (as such term is reasonably defined by Landlord) in or adjacent to the Project Area other than parks situated in the area described in the final sentence of this Section 26.05(b) ("Residential Parks") and all curbs and street trees installed in the Project Area except in the area described as aforesaid (the "Parks Budget") by (B) a fraction, the numerator of which shall be the number of square feet in the North Neighborhood Residential Parks and the denominator of which shall be the total number of square feet in all Residential Parks. The North Neighborhood Esplanade Budget shall be an amount computed by multiplying (A) the estimated Operating Costs of the entire Esplanade in the Project Area other than such portion of the Esplanade as extends along the North Cove from (i) the point where the northern line of Liberty Street as extended intersects the North Cove to (ii) the point where the extension of the western line of North End Avenue intersects the North Cove (the "Residential Esplanade") (the "Residential Esplanade Budget") by (B) a fraction, the numerator of which is the number of linear feet of the North Neighborhood Esplanade and the denominator of which is the total number of linear feet of the Residential Esplanade. Tenant shall pay to Landlord the Civic Facilities Payment due in respect of each such Payment Period in equal monthly installments payable in advance on the first day of each month that occurs within such Payment Period. As soon as shall be practicable after the end of such Payment Period, Landlord shall submit to Tenant a statement setting forth the Operating Costs incurred by Landlord during such Payment Period, together with supporting documentation. Within ten (10) days of the date any such statement and documentation are submitted to Tenant, Tenant shall pay the amount, if any, by which Tenant's allocable share of Operating Costs for the applicable Payment Period exceeds the Civic Facilities Payment made by Tenant during such Payment Period. In the event the Civic Facilities Payment made by Tenant during any Payment Period exceeds Tenant's allocable share of Operating Costs, Tenant shall have the right to offset against the next monthly installments of Civic Facilities Payment the amount of such excess. The area referred to in the second sentence of this Section 26.05(b) is bounded on the south by the northern line of Liberty Street extended west to the North Cove, on the west by proceeding from said line as extended along North Cove to the extension of the western line of North End Avenue and then along said western line as extended to the southern line of Vesey Street, on the north by proceeding along said southern line to the western line of Marginal Street, Wharf or Place, and on the east by the western line of Marginal Street, Wharf or Place between the southern line of Vesey Street and the northern line of Liberty Street, all as shown on survey L.B.-45-BZ by Benjamin D. Goldberg (Earl B. Lovell-S.P. Belcher, Inc.), prepared February 23, 1983, last amended May 27, 1983.

(c) Notwithstanding any other provision of this Article 26, in the event Landlord's Civic Facilities or any portion thereof shall be destroyed or damaged by fire or other casualty or shall have been taken by the exercise of the right of condemnation or eminent domain, if the reasonable cost of restoring or replacing any portion of Landlord's Civic Facilities (including, without limitation, construction costs, bidding costs, attorneys', architects', engineers' and other professional fees and disbursements, and supervisory fees and

disbursements) shall exceed the aggregate of the monies available to Landlord therefor from the reserve fund created pursuant to Section 26.05(a) and the net proceeds, if any, of insurance or condemnation available to Landlord for such purpose, Tenant shall pay to Landlord an amount equal to the product obtained by multiplying .1028 (said figure being computed as set forth in Section 26.05(a)(iv)) by such excess. Landlord shall submit to Tenant a statement setting forth (i) the cost of such restoration or replacement (together with supporting documentation) and (ii) on an itemized basis, the monies available to pay such cost. within thirty (30) days of the date any such statement and documentation are submitted to Tenant, Tenant shall make the payment provided for above. Notwithstanding the foregoing, in the event Tenant's estate in the Premises shall be submitted to either a cooperative or condominium form of ownership, such payment shall be made within forty-five (45) days of the date any such statement and documentation are submitted to Tenant. All monies payable to Landlord under this Section 26.05(c) shall constitute Rental under this Lease.

- Subject to the applicable covenants of Landlord's Master Bond Resolution adopted October 15, 1993, Landlord shall have the right to transfer to a trust or other entity the responsibility of performing Landlord's Maintenance Obligations and the right to receive installments of the Civic Facilities payment directly from Tenant, and if Landlord shall effect such a transfer, Tenant shall have the right to require such trust or other entity to perform the responsibilities and exercise the rights so transferred notwithstanding any transfer of Landlord's interest in the parcels, or in the leases of the parcels, within the North Neighborhood. Upon such a transfer by Landlord and provided such trust or other entity, in writing, assumes and agrees to perform Landlord's Maintenance Obligations for the benefit of all tenants of parcels within the North Neighborhood, from and after the date of such assumption, Landlord shall have no further liability with respect hereto. Prior to effecting such transfer, Landlord shall consult with Tenant with respect to the composition of such trust or other entity. Landlord shall give Tenant notice of the consummation of any such transfer. Notwithstanding such transfer, the Civic Facilities Payment shall, at all times, constitute Rental hereunder. Thereafter, for each Lease Year, such trust or other entity shall submit to Tenant the Parks-Esplanade Budget and other information required by Section 26.05(b) and shall give notice thereof to Tenant in the same manner as would otherwise be required of Landlord. Notwithstanding any transfer of Landlord's Maintenance Obligations, Tenant shall retain the rights provided in this Article 26 with respect to Self-Help and offsets against Civic Facilities Payments.
- (e) Notwithstanding the provisions of this <u>Section 26.05</u>, to the extent that the Civic Facilities Payments charged to any other tenant under a lease for a residential parcel in the North Neighborhood are calculated in a manner more favorable to the tenant under such lease than the Civic Facilities Payments hereunder (assuming that such other tenant has the same allocable share of costs as Tenant's share herein), Landlord shall calculate the Civic Facilities Payments hereunder in such more favorable manner.

ARTICLE 27

STREETS

Landlord represents and warrants that within the Project Area, Chambers Street, River Terrace, North End Avenue, Vesey Street and Warren Street (between North End Avenue and River Terrace) have been mapped as New York City public streets. Not later than 18 months after the Commencement of Construction, Landlord shall cause all streets within the Project Area to be open except for: Park Place West, River Terrace (south of Warren), Murray Street (west of North End Avenue) and North End Avenue (from Warren to Murray).

ARTICLE 28

STREET WIDENING

If at any time during the Term any proceedings are instituted or orders made by any Governmental Authority (other than (i) Landlord acting solely in its capacity as Landlord and not as a Governmental Authority and (ii) so long as Master Landlord is the same entity or Landlord, Master Landlord acting solely in its capacity or Master Landlord and not as a Governmental Authority) for the widening or other enlargement of any street contiguous to the Premises requiring removal of any projection or encroachment on, under or above any such street, or any changes or alterations upon the Premises, or in the sidewalks, vaults (other than vaults which are under the control of, or are maintained or repaired by, a utility company), gutters, curbs or appurtenances, Tenant, with reasonable diligence (subject to unavoidable Delays) shall comply with such requirements, and on Tenant's failure to do so, Landlord may comply with the same in accordance with the provisions of Article 21. Tenant shall be permitted to contest in good faith any proceeding or order for street widening instituted or made by any Governmental Authority, provided that during the pendency of such contest Tenant deposits with Landlord security in amount and form reasonably satisfactory to Landlord for the performance of the work required in the event that Tenant's contest should fail. In no event shall Tenant permit Landlord to become liable for any civil or criminal liability or penalty as a result of Tenant's failure to comply with reasonable diligence (subject to Unavoidable Delays) with any of the foregoing orders. Any widening or other enlargement of any such street and the award or damages in respect thereto shall be deemed a partial condemnation and be subject to the provisions of Article 9.

ARTICLE 29

SUBORDINATION; ATTORNMENT

Section 29.01 Landlord's interest in this Lease, as this Lease may be modified, amended or supplemented, shall not be subject or subordinate to (a) any mortgage now or hereafter placed upon Tenant's interest in this Lease (including, without limitation, any Unit Mortgage) or (b) any other liens or encumbrances hereafter affecting Tenant's interest in this Lease (including, without limitation, a lien filed pursuant to Section 339-z and Section 339-aa of the Real Property Law).

Section 29.02 If by reason of (a) a default under the Master Lease, or (b) a termination of the Master Lease pursuant to the terms of the Settlement Agreement, such Master Lease and the leasehold estate of Landlord in the Premises demised hereby are terminated, Tenant will attorn to the then holder of the reversionary interest in the Premises demised by this Lease and will recognize such holder as Tenant's Landlord under this Lease. Tenant shall execute and deliver, at any time and from time to time, upon the request of the Landlord or of the Master Landlord any further instrument which may be reasonably necessary or appropriate to evidence such attornment. Tenant waives the provision of any statute or rule of law now or hereafter in effect which may give or purport to give Tenant any right of election to terminate this Lease or to surrender possession of the Premises in the event any proceeding is brought by the Master Landlord to terminate the same, and agrees that this Lease shall not be affected in any way whatsoever by any such proceeding.

ARTICLE 30

EXCAVATIONS AND SHORING

If any excavation shall be made or contemplated to be made for construction or other purposes upon property adjacent to the Premises, Tenant, at its option, shall either:

(a) shall afford to Landlord or, at Landlord's option, to the person or persons causing or authorized to cause such excavation the right to enter upon the Premises in a reasonable manner for the purpose of doing such work as may be necessary, without expense to Tenant, to preserve any of the walls or structures of the Buildings from injury or damage and to support the same by proper foundations, provided that (i) such work shall be done promptly, in a good and workmanlike manner and subject to all applicable Requirements, (ii) Tenant shall have an opportunity to have its representatives present during all such work and (iii) Tenant shall be indemnified by Landlord in the event Landlord performs such excavation, or such other person performing such excavation, as the case may be, against any injury or damage to the Buildings or persons or property therein which may result from any such work, but shall not have any claim against Landlord for suspension, diminution, abatement, offset or reduction of Rental payable by Tenant hereunder; or

(b) shall do or cause to be done all such work, at Landlord's or such other person's expense, as may be necessary to preserve any of the walls or structures of the Buildings from injury or damage and to support the same by proper foundations, provided that Tenant shall not, by reason of any such excavation or work, have any claim against Landlord for damages or for indemnity or for suspension, diminution, abatement, offset or reduction of Rental payable by Tenant hereunder.

ARTICLE 31

CERTIFICATES BY LANDLORD AND TENANT

Section 31.01 At any time and from time to time upon not less than ten (10) days' notice by Landlord, Tenant shall execute, acknowledge and deliver to Landlord or any other party specified by Landlord a statement certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same, as modified, is in full force and effect and stating the modifications) and the date to which each obligation constituting Rental has been paid, and stating whether or not to the best knowledge of Tenant, Landlord is in default in performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such default of which Tenant may have knowledge.

Section 31.02 At any time and from time to time upon not less than ten (10) days' notice by Tenant, Landlord shall execute, acknowledge and deliver to Tenant or any other party specified by Tenant a statement certifying that this Lease is unmodified and in full force and effect (or if there have been modifications, that the same, as modified, is in full force and effect and stating the modifications) and the date to which each obligation constituting Rental has been paid, and stating whether or not to the best knowledge of Landlord, Tenant is in Default in the performance of any covenant, agreement or condition contained in this Lease, and, if so, specifying each such Default of which Landlord may have knowledge. If Tenant's leasehold interest in the Premises shall be subjected to a condominium form of ownership, Landlord shall not be required to furnish such a certificate with respect to any Unit unless all Proportionate Rent then payable hereunder has been paid by the Unit Owner and such Unit Owner is not otherwise in default of its obligations under this Lease or the Unit Assignment Agreement by which such Unit Owner's Unit was acquired.

Section 31.03 At the request of Tenant, Landlord shall request a certificate in respect of the Master Lease from Master Landlord, in accordance with Section 20.01 of the Master Lease. If Master Landlord shall fail to deliver such a certificate, then, in lieu thereof, Landlord shall execute, acknowledge and deliver to Tenant a statement certifying that Landlord has not executed and delivered to Master Landlord any instrument modifying the Master Lease (or if Landlord has executed such an instrument, stating the modifications) and that, to the best of Landlord's knowledge, the Master Lease is in full force and effect.

ARTICLE 32

CONSENTS AND APPROVALS

Section 32.01 Except as otherwise expressly set forth in this Lease, all consents and approvals which may be given under this Lease shall, as a condition of their effectiveness, be in writing. The granting of any consent or approval by a party to perform any act requiring consent or approval under the terms of this Lease or the failure on the part of a party to object to any such action taken without the required consent or approval, shall not be deemed waiver by the party whose consent was required of its right to require such consent or approval for any further similar act.

Section 32.02

- (a) If, pursuant to the terms of this Lease, any consent or approval by Tenant is required, then unless expressly provided otherwise in this Lease, if Tenant shall not have notified Landlord within fifteen (15) Business Days or such other period as expressly specified in this Lease after receiving Landlord's request for a consent or approval that such consent or approval is granted or denied, and if denied, the reasons therefor in reasonable detail, such consent or approval shall be deemed granted.
- (b) If, pursuant to the terms of this Lease, any consent or approval by Landlord or Tenant is not to be unreasonably withheld or is subject to a specified standard, then in the event there shall be a final determination that the consent or approval was unreasonably withheld or that such specified standard has been met so that the consent or approval should have been granted, the consent or approval shall be deemed granted and such granting of the consent or approval shall be the only remedy to the party requesting or requiring the consent or approval; provided, however, that if a court of competent jurisdiction determines, beyond right of appeal, that the party that withheld its consent in breach of this Lease acted in bad faith, then the other party shall be entitled to seek damages (but not special, indirect or punitive damages).
- (c) Wherever this Lease expressly provides that "Landlord's consent shall be deemed given in accordance with the provisions of Section 32.02(c)" or words of similar import, it shall be deemed to mean that:
 - (i) if Tenant in writing requests Landlord's approval of a particular matter pursuant to a Section of this Lease and in such request refers to the Section in question; and
 - (ii) Landlord fails to respond to Tenant's request for ten (10) Business Days after Landlord's receipt thereof (and a request by Landlord for information or documents shall be deemed a response for purposes of this <u>clause (ii)</u>, and Tenant's reply to any such request shall be deemed to be a request under <u>clause (i)</u> above); and

- (iii) after the expiration of such ten (10) business day period, Tenant sends a second request to Landlord in which Tenant states in bold or underscored typeface that "Pursuant to Section 32.02(c) of the Lease Landlord will be deemed to have consented to this request if it does not respond hereto within five (5) Business Days after Landlord's receipt of this second request"; and
- (iv) Landlord fails to respond to such second notice within five (5) Business Days after Landlord's receipt thereof (and a request by Landlord for additional information or documents shall be deemed a response for purposes of this <u>clause (iv)</u>, and Tenant's reply to any such request shall be deemed to be a request under <u>clause (iii)</u> above provided it has the required text set forth therein as provided in <u>clause (iii)</u> above);

then Landlord shall be deemed to have consented to the matter in question.

Section 32.03 If, pursuant to the terms of this Lease, any consent or approval by Landlord or Tenant is not to be unreasonably withheld, such consent or approval shall, in addition, not be unreasonably delayed.

Section 32.04 Except as specifically provided herein, no fees or charges of any kind or amount shall be required by either party hereto as a condition of the grant of any consent or approval which may be required under this Lease.

ARTICLE 33

SURRENDER AT END OF TERM

Section 33.01 On the last day of the Term or upon any earlier termination of this Lease, or upon a re-entry by Landlord upon the Premises pursuant to Article 24 hereof, Tenant shall well and truly surrender and deliver up to Landlord the Premises in good order, condition and repair, reasonable wear and tear excepted, free and clear of all lettings, occupancies, liens and encumbrances including, without limitation, Unit Owners' rights under any Condominium Plan or otherwise with respect to their Units, other than those, if any, existing at the date hereof, created by or consented to by Landlord or which lettings and occupancies by their express terms and conditions extend beyond the Expiration Date, and which Landlord shall have consented and agreed, in writing, may extend beyond the Expiration Date, without any payment or allowance whatever by Landlord. Tenant hereby waives any notice now or hereafter required by law with respect to vacating the Premises on any such termination date.

Section 33.02 On the last day of the Term or upon any earlier termination of the Lease, or upon a re-entry by Landlord upon the Premises pursuant to <u>Article 24</u> hereof, Tenant shall deliver to Landlord Tenant's executed counterparts of all Subleases and any service and maintenance contracts then affecting the Premises, true and complete maintenance records for the Premises, all original licenses and permits then pertaining to the Premises, permanent or

temporary Certificates of Occupancy then in effect for each of the Buildings, and all warranties and guarantees then in effect which Tenant has received in connection with any work or services performed or Equipment installed in the Buildings, together with a duly executed assignment thereof to Landlord, all financial reports, books and records required by <u>Article 38</u> hereof and any and all other documents of every kind and nature whatsoever relating to the Premises.

Section 33.03 Any personal property of Tenant or of any Subtenant, Tenant-Stockholder, Unit Owner or subtenant of a Tenant-Stockholder or Unit Owner which shall remain on the Premises for ten (10) days after the termination of this Lease and after the removal of Tenant or such Subtenant, Tenant Stockholder, Unit Owner or subtenant of a Tenant-Stockholder or Unit Owner from the Premises, may, at the option of Landlord, be deemed to have been abandoned by Tenant or such Subtenant, Tenant-Stockholder, Unit Owner or subtenant of a Tenant Stockholder or Unit Owner and either may be retained by Landlord as its property or be disposed of, without accountability, in such manner as Landlord may see fit. Landlord shall not be responsible for any loss or damage occurring to any such property owned by Tenant or any Subtenant, Tenant-Stockholder, Unit Owner or subtenant of a Tenant-Stockholder or Unit Owner.

Section 33.04 The provisions of this <u>Article 33</u> shall survive any termination of this Lease.

ARTICLE 34

ENTIRE AGREEMENT

This Lease, together with the Exhibits hereto, contains all the promises, agreements, conditions, inducements and understandings between Landlord and Tenant relative to the Premises and there are no promises, agreements, conditions, understandings, inducements, warranties, or representations, oral or written, expressed or implied, between them other than as herein or therein set forth and other than as may be expressly contained in any written agreement between the parties executed simultaneously herewith.

ARTICLE 35

QUIET ENJOYMENT

Landlord covenants that Tenant shall and may (subject, however, to the exceptions, reservations, terms and conditions of this Lease) peaceably and quietly have, hold and enjoy the Premises for the term hereby granted without molestation or disturbance by or from Landlord or any Person claiming through Landlord and free of any encumbrance created or suffered by Landlord, except those encumbrances, liens or defects of title, created or suffered by Tenant and the Title Matters.

ARTICLE 36

ARBITRATION

In such cases where this Lease expressly provides for the settlement of a dispute or question by arbitration, and only in such cases, the party desiring arbitration shall appoint a disinterested person as arbitrator on its behalf and give notice thereof to the other party (and, if the party giving such notice is Landlord, a copy of such notice shall be given at the same time and in the same manner to any Mortgagee who is then entitled to receive copies of Notice of Default under Section 10.10(a)) who shall, within fifteen (15) days thereafter, appoint a second disinterested person as arbitrator on its behalf and give notice thereof to the first party. The two (2) arbitrators thus appointed shall together appoint a third disinterested person within fifteen (15) days after the appointment of the second arbitrator, and said three (3) arbitrators shall, as promptly as possible, determine the matter which is the subject of the arbitration and the decision of the majority of them shall be conclusive and binding on all parties and judgment upon the award may be entered in any court having jurisdiction. If a party who shall have the right pursuant to the foregoing to appoint an arbitrator fails or neglects to do so, then and in such event, the other party (or if the two (2) arbitrators appointed by the parties shall fail to appoint a third arbitrator when required hereunder, then either party) may apply to the American Arbitration Association (or any organization successor thereto), or in its absence, refusal, failure or inability to act, may apply for a court appointment of such arbitrator. The arbitration shall be conducted in the City and County of New York and, to the extent applicable and consistent with this Article 36, shall be in accordance with the Commercial Arbitration Rules then obtaining of the American Arbitration Association or any successor body of similar function. The expenses of arbitration shall be shared equally by Landlord and Tenant but each party shall be responsible for the fees and disbursements of its own attorneys and the expenses of its own proof. Landlord and Tenant shall sign all documents and to do all other things necessary to submit any such matter to arbitration and further shall, and hereby do, waive any and all rights they or either of them may at any time have to revoke their agreement hereunder to submit to arbitration and to abide by the decision rendered thereunder. The arbitrators shall have no power to vary or modify any of the provisions of this Lease and their jurisdiction is limited accordingly. If the arbitration takes place pursuant to Article 11 hereof or concerns any Capital Improvement or Restoration, then each of the arbitrators shall be a licensed professional engineer or registered architect having at least ten (10) years' experience in the design of residential buildings, and, to the extent applicable and consistent with this Article 36, such arbitration shall be conducted in accordance with the Construction Arbitration Rules then obtaining of the American Arbitration Association or any successor body of similar function. Any Mortgagee shall have the right to participate in any arbitration hereunder, provided that such Mortgagee's participation shall be with and on the side of Tenant, and not as a third party.

ARTICLE 37

INVALIDITY OF CERTAIN PROVISIONS

If any term or provision of this Lease or the application thereof to any Person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

ARTICLE 38

FINANCIAL REPORTS

Section 38.01 Tenant, from and after the date upon which any portion of the Premises is subleased or occupied or rents or other charges are received by Tenant for the use or occupancy thereof, shall furnish to Landlord the following:

Section 38.02 Upon Landlord's request, if at any time Tenant shall furnish to any Mortgagee operating statements or financial reports in addition to those required to be furnished by Tenant to Landlord pursuant to Section 38.01, Tenant promptly shall furnish to Landlord copies of all such additional operating statements and financial reports. At the time at which Tenant furnishes any such operating statements or reports Tenant may inform Landlord of its belief that the public disclosure of information contained therein or any part thereof would cause substantial injury to the competitive position of Tenant's enterprise and request that to the extent permitted by law Landlord attempt to avoid such disclosure. In the event Tenant makes such request, Landlord shall use its best efforts to avoid such disclosure (but shall incur no liability to

Tenant if Landlord reasonably believes it is complying with any provision of applicable law requiring such disclosure).

Section 38.03 Tenant shall keep and maintain at all times full and correct records and books of account of the operations of the Premises in accordance with such generally accepted accounting standards and otherwise in accordance with any applicable provisions of each Mortgage and accurately shall record and preserve for a period of six (6) years the record of its operations upon the Premises. Within fifteen (15) days after request by Landlord, Tenant shall make said records and books of account available from time to time for inspection by Landlord and Landlord's designee during reasonable business hours at a location designated by Tenant in New York City. At any time at which Tenant shall make said records and books of account available for inspection, it may inform Landlord of its belief that the public disclosure of the information contained therein or any part thereof would cause substantial injury to the competitive position of Tenant's enterprise and request that to the extent permitted by law Landlord attempt to avoid such disclosure. In the event Tenant makes such request, Landlord reasonably believes it is complying with any provision of applicable law requiring such disclosure).

- Presentment of Sight Draft(s) Under Letter of Credit. If Tenant (i) fails to (b) perform any of Tenant's obligations under this Section 43.01 in strict compliance with the requirements of this Section 43.01 or (ii) violates any prohibition contained in this Section 43.01, then Landlord shall have the right (in addition to all other rights and remedies provided in this Lease and without Landlord's exercise of such right being deemed a waiver or a cure of Tenant's failure to perform), without notice to Tenant, to present for immediate payment sight draft(s) in any amount Landlord elects up to the full amount then available under such Letter of Credit and to apply the proceeds thereof in the manner provided in this Lease for the application of the proceeds of such Letter of Credit. Any proceeds not so applied shall be held by Landlord or invested and reinvested in United States government securities maturing in no more than ninety (90) days or in federally insured money market accounts. Any interest earned thereon shall constitute proceeds of such Letter of Credit and shall be applied in the same manner as the proceeds of such Letter of Credit are applied. Landlord's obligations with respect to the presentment of any Letter of Credit, the return of any Letter of Credit or any proceeds thereof shall be governed by the applicable provisions of this Lease.
- (c) Purpose of Letter of Credit. Tenant acknowledges that the purpose of each Letter of Credit is to provide sure and certain security for Landlord and that Landlord has accepted each Letter of Credit for that purpose, in place of a cash deposit in the same amount, with the understanding that each Letter of Credit is to be the functional equivalent of a cash deposit. To further assure that each Letter of Credit achieves its intended purpose, the parties agree as set forth below. Tenant acknowledges that the waivers in this Section 43.01(c) constitute a material portion of the inducement to Landlord to accept each Letter of Credit under the terms and conditions of this Section 43.01, and that Landlord has agreed to accept each Letter of Credit in reliance on Tenant's waivers in this Section 43.01. Any breach by Tenant of the provisions of this Section 43.01(c) shall constitute an Event of Default hereunder.

- (i) <u>Waiver of Certain Relief</u>. Tenant unconditionally and irrevocably waives (and as an independent covenant hereunder, covenants not to assert) any right to claim or obtain any of the following relief in connection with each Letter of Credit:
- (A) A temporary restraining order, temporary injunction, permanent injunction, or other order that would prevent, restrain or restrict the presentment of sight drafts drawn under any Letter of Credit or the Issuer's honoring or payment of sight draft(s); or
- (B) Any attachment, garnishment, or levy in any manner upon either the proceeds of any Letter of Credit or the obligations of the Issuer (either before or after the presentment to the Issuer of sight drafts drawn under such Letter of Credit) based on any theory whatever.
- (ii) Remedy for Improper Drafts. Tenant's sole remedy in connection with the improper presentment or payment of sight drafts drawn under any Letter of Credit shall be the right to obtain from Landlord a refund of the amount of any sight draft(s) that were improperly presented or the proceeds of which were misapplied, together with interest at the Involuntary Rate and reasonable attorneys' fees, provided that at the time of such refund, Tenant increases the amount of such Letter of Credit to the amount (if any) then required under the applicable provisions of this Lease. Tenant acknowledges that the presentment of sight drafts drawn under any Letter of Credit, or the Issuer's payment of sight drafts drawn under such Letter of Credit, could not under any circumstances cause Tenant injury that could not be remedied by an award of money damages, and that the recovery of money damages would be an adequate remedy therefor. In the event Tenant shall be entitled to a refund as aforesaid and Landlord shall fail to make such payment within ten (10) days after demand, Tenant shall have the right to deduct the amount thereof together with interest thereon at the Involuntary Rate from the next installment(s) of Base Rent, Percentage Rent and PILOT.
- (iii) Notices to Issuer. Tenant shall not request or instruct the Issuer of any Letter of Credit to refrain from paying sight draft(s) drawn under such Letter of Credit.
- (d) <u>Assignment</u>. If either Landlord or Tenant desires to assign its rights and obligations under this Lease in compliance with the provisions of this Lease, then the parties to this Lease shall, at the assignor's request, cooperate so that concurrently with the effectiveness of such assignment, Tenant shall deliver to Landlord a Replacement Letter of Credit as described in <u>Section 43.01(e)</u> or an appropriate amendment to such Letter of Credit, in either case identifying as Applicant and Beneficiary the appropriate parties after the assignment becomes effective. The assignor shall pay the Issuer's fees for issuing such Replacement Letter of Credit or amendment.
- (e) Replacement of Letter of Credit. Tenant shall replace any Letter of Credit with a replacement letter of credit (the "Replacement Letter of Credit") (i) at least thirty (30) days prior to the expiry date of a Letter of Credit which is expiring or (ii) within ten (10) days after the date on which the Issuer delivers any notice purporting to terminate or to decline to

renew such Letter of Credit, or expressing any intention to do either of the foregoing. After Tenant delivers to Landlord a Replacement Letter of Credit complying with the provisions of this Lease, Landlord shall deliver in accordance with Tenant's reasonable instructions such Letter of Credit being replaced with consent to cancellation, provided that at such time no sight draft(s) under such Letter of Credit are outstanding and unpaid. Except as otherwise specifically provided in this Lease, any Replacement Letter of Credit shall be upon the same terms and conditions as the Letter of Credit replaced, but in any event:

- (i) Amount. The amount of each Replacement Letter of Credit shall equal or exceed the amount of such Letter of Credit at the time of replacement subject, however, to the provisions of the last sentence of Section 11.12 permitting a reduction.
- (ii) <u>Dates</u>. The date of the Replacement Letter of Credit shall be its date of issuance. The expiry date of the Replacement Letter of Credit, as referred to in such Replacement Letter of Credit, shall be not less than one year later than the expiry date of the Letter of Credit being replaced except in the case of the last Lease Year in which case the expiry date shall be the date of expiration of this Lease.
- (iii) <u>Issuer</u>. Each Replacement Letter of Credit shall be issued or confirmed, within the meaning of New York Uniform Commercial Code Section 5-103(1)(f), in its entire amount, by a bank reasonably satisfactory to Landlord that is a member of the New York Clearing House Association and has assets in excess of \$7,500,000,000 and a net worth in excess of \$300,000,000. The office for presentment of sight drafts specified in the Replacement Letter of Credit shall be located at a specified street address within the Borough of Manhattan, City of New York.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the day and year first above written.

In order to fulfill its obligations hereunder:

(a) Tenant shall, during the Construction Period (which shall mean the period commencing at the Commencement Date and terminating at Substantial Completion of the Building, as such terms are defined in the Lease), enter into, or cause its Contractors to enter into, Approved MBE Contracts and Approved WBE Contracts having an aggregate Contract Value of at least twenty-five percent (25%) of Total Development Costs; such aggregate Contract Value shall consist of an aggregate MBE Contract Value of at least twenty percent (20%) of Total Development Costs and an aggregate WBE Contract Value of at least five percent (5%) of Total Development Costs. After reviewing the work to be included in the Project, Tenant and BPCA have identified portions of such work for which, in their judgment, qualified MBEs and WBEs are expected to be available and have agreed upon such portions of the work and the estimated value thereof. During the Construction Period, in partial fulfillment of its obligations hereunder, Tenant presently expects to enter

into, or cause its Contractors to enter into, Approved MBE Contracts and Approved WBE Contracts in accordance with the procedures set forth in Section 7 below.

- (b) In further fulfillment of its obligations under this Section 6, Tenant shall, throughout the Construction Period, (i) conduct a thorough and diligent search for qualified MBEs and WBEs to carry out additional portions of the Project, (ii) review the qualifications of each MBE and WBE suggested to Tenant by BPCA, and (iii) enter into, or cause its Contractors to enter into, Approved MBE Contracts and Approved WBE Contracts with all qualified and available MBEs and WBEs, respectively, in accordance with and subject to the procedures set forth in Section 7 below.
- 7. MBE/WBE Participation Procedures. Tenant shall observe the following procedures throughout the Construction Period and until such time as Tenant has fulfilled its obligations under Section 6 above:
- (a) Tenant shall advise BPCA promptly of Tenant's proposed design and construction schedule for the Project and afford BPCA's Affirmative Action Officer a reasonable opportunity to become familiar with the proposed scope, nature and scheduling of Tenant's major Contracts. As promptly as practicable, but in any event at least ten (10) but not more than ninety (90) days prior to issuing requests for proposals or invitations to bid for any Contracts, Tenant shall furnish BPCA with a projected schedule which shall include a detailed description (the "Contract Schedule") of such Contracts, broken down by trade. Tenant will update or amend the Contract Schedule as required to reflect any changes in Tenant's proposed Contracts and will promptly notify BPCA thereof. The Contract Schedule will set forth the anticipated times at which invitations to bid or requests for proposals are to be issued for work in each trade, the scope of such work, and the estimated contract value or range of values of such work or purchases. In formulating the Contract Schedule, Tenant will confer with BPCA to identify those portions of the work or purchases which can be divided into separate contract packages or which can be subcontracted, so as to

maximize opportunities for participation in the work by MBEs and WBEs. To the extent practicable, Tenant shall prepare separate contract packages for such work which shall be bid and let separately by Tenant or which shall be subcontracted separately by Tenant's Contractors, and shall not be bid or let as part of any other work. Tenant shall, at least ten (10) but not more than ninety (90) days prior to the issuance of an invitation or request to bid for each individual contract, furnish BPCA with written notice thereof.

- (b) BPCA will review the Contract Schedule as promptly as practicable, and will provide to Tenant a list of eligible MBEs and WBEs for all or portions of the work. Tenant shall then promptly notify BPCA in writing that all MBEs and WBEs on such list have been contacted and of any business enterprise not on such list which claims to be an MBE or WBE and has expressed an interest in bidding on the work. As promptly as practicable after receipt of Tenant's notice, BPCA will advise Tenant in writing whether the business enterprises which have expressed an interest in the work, but were not included on the list of MBEs and WBEs furnished to Tenant by BPCA, are eligible MBEs or WBEs, provided that BPCA shall have no obligation to advise Tenant whether any business enterprise is an eligible MBE or WBE until a State Certification Determination has been made with respect to such business enterprise.
- (c) Concurrently, BPCA and Tenant will review the eligible MBEs and WBEs to determine the extent to which such MBEs and WBEs are qualified and available to perform all or portions of the work identified in the contract packages. In general, an MBE or WBE will be deemed to be qualified to perform work if its personnel have successfully performed work of a similar nature in the past and demonstrate the present ability, after giving effect to the assistance which Tenant will provide under Section 7(e) below, to organize, supervise and perform work of the kind and quality contemplated for the Project. In determining whether an MBE or WBE meets these standards, BPCA and Tenant shall consider, experience in the trade, technical competence, organizational and supervisory ability and general management capacity. An MBE or WBE shall not be considered unqualified to

perform work on the Project (i) because such MBE or WBE (A) cannot obtain bonding or (B) cannot obtain commercial credit or cannot obtain such credit on normal terms or (ii) solely because such MBE or WBE (A) does not have the capacity to perform work of the nature and scope required without the assistance to be made available by Tenant under Section 7(e) below or (B) has not previously performed work equal in scope or magnitude to such work. In the event that BPCA and Tenant cannot agree on whether an eligible MBE or WBE is qualified and available hereunder, BPCA's determination on those issues shall be final and conclusive for the purposes of this Program, unless Tenant shall, within ten (10) days after written notice of such determination is given by BPCA, request that the matter be determined by arbitration pursuant to Section 7(f) below.

- (d) Tenant shall invite all MBEs and WBEs found qualified and available hereunder (including those MBEs and WBEs on the list provided by BPCA pursuant to Section 7(b) above) to submit proposals for work required to be performed under Tenant's contract packages (including both contracts and Subcontracts). At least three (3) days prior to any award of any Contract by Tenant, Tenant shall notify BPCA in writing of all responses or bids in connection with Tenant's requests for proposals or invitations to bid.
- (e) Tenant will provide financial assistance to an MBE or WBE to which a contract or Subcontract is to be awarded and which is unable to obtain credit or financing on normal terms by (i) guaranteeing payment to suppliers, subject to obtaining an appropriate security interest in the materials paid for, (ii) making progress payments for work performed more frequently than the normal one-month cycle (but no more often than bi-weekly), and (iii) paying for reasonable mobilization costs in advance of the commencement of construction, subject to obtaining an appropriate security interest in any materials or equipment paid for with such advances and mobilization costs. Tenant shall also waive bonds where MBEs and WBEs are unable to obtain the same, shall make available to MBEs and WBEs technical assistance to conform to the method of construction of the Project, shall (except for trades whose work is subject to controlled inspections or safety laws or

regulations) provide supervision consistent with the MBE's and WBE's experience and capacity and shall conduct periodic job meetings with each MBE and WBE at reasonable intervals to review the progress of such MBE's and WBE's job performance and suggest appropriate action to remedy any deficiency in such performance. Tenant shall offer to provide the foregoing assistance to MBEs and WBEs prior to their submission of bid proposals and, wherever practicable, at the time of Tenant's request for such proposals.

(f) Except as shall be otherwise provided for in Section 316 of the Executive Law, as to Contractors, in the event that Tenant shall demand arbitration as to the question of the qualifications or availability of any MBE or WBE pursuant to Section 7(c) above, the matter shall be determined in the County of New York by three arbitrators, one of whom shall be appointed by BPCA, one by Tenant and the third by agreement of the two arbitrators appointed by the parties (or failing such agreement, the third arbitrator shall be appointed by the American Arbitration Association), in accordance with the Commercial Arbitration Rules of the American Arbitration Association, provided that, anything to the contrary contained in such rules notwithstanding, (i) Tenant shall, together with such demand for arbitration, submit in writing to such arbitrators (when selected) and BPCA its reasons for its disagreement with BPCA's determination on such question, (ii) BPCA shall, within five (5) days after its receipt of such written statement from Tenant, submit to such arbitrators and Tenant the reasons for such challenged determination, and (iii) such arbitrators shall, after such hearing, if any, as they may deem appropriate, render their decision within ten (10) days after receipt of such written statement from BPCA. Such decision shall be conclusive and final for all purposes of this Program, provided that, anything to the contrary contained herein notwithstanding, any decision that an eligible MBE or WBE is or is not available or qualified to perform work on a particular Contract shall not preclude a later determination by Tenant, BPCA or the arbitrators to the contrary in light of changed or different circumstances. Tenant and BPCA shall each bear its own costs and attorneys' fees in

connection with such arbitration and shall share equally the costs of such arbitration (including the arbitrator's fees).

- (g) Tenant shall maintain complete and accurate written records of (i) its efforts to identify and contract with MBEs and WBEs, (ii) the reasons, if applicable, for any determination by Tenant that an MBE or WBE is not qualified or available to perform work on the Project, (iii) the assistance offered or provided to MBEs and WBEs in accordance with Section 7(e) above, and (iv) the reasons, if applicable, why contracts or Subcontracts were not awarded to MBEs and WBEs found qualified hereunder. Tenant shall also maintain complete and accurate written records of all Contracts, including Approved MBE Contracts and Approved WBE Contracts, awarded on the Project, which records shall contain, without limitation, the dollar value of such awards and a description of the scope of the work awarded. Such records shall be furnished to BPCA at such times as BPCA may reasonably request.
- (h) Prior to the issuance by Tenant of any letter of intent to a Contractor, Tenant shall provide to BPCA a written list of specific affirmative action measures which the Contractor has agreed to undertake in performing work on the Project, including a list of MBEs and WBEs to which Subcontracts are to be let.
- (i) Tenant shall not enter into any Contract, nor permit its Contractors to enter into any Contract, unless Tenant has certified to BPCA in writing that such Contract has been awarded in accordance with the requirements of this Program and BPCA has approved, in writing, the award of such Contract. BPCA shall advise Tenant within five (5) business days of receipt of any such proposed Contract and Tenant's written certification whether or not BPCA has approved such Contract and shall, if such Contract has not been approved, advise Tenant of BPCA's reasons for disapproval. In the event that BPCA shall fail to advise Tenant within such five (5) business day period that a proposed Contract has been approved or disapproved hereunder, BPCA shall be deemed to have approved such Contract for purposes of this Section 7(i). After award of a Contract, Tenant shall not enter into, or

permit its Contractors to enter into, any modification or amendment of such Contract which will materially reduce the scope of work to be performed by an MBE or WBE or materially diminish the Contract Price of any Contract (including Subcontracts) awarded to an MBE or WBE without the prior written consent of BPCA, which will not be unreasonably withheld, conditioned or delayed. Each Contract entered into by Tenant shall (i) contain such non-discrimination provisions as are required by the Lease, (ii) require the Contractor thereunder to comply with the applicable Minority and Women Workforce Requirements of Section 3, and the procedures set forth in Section 4, of this Program and (iii) require such Contractor to comply with the applicable provisions of Sections 6 and 7 of this Program with respect to any Contracts awarded by such Contractor. Tenant shall promptly furnish BPCA with the name of each party to whom Tenant (or its Contractors) awards a Contract, together with, in the case of each Approved MBE Contract or Approved WBE Contract, a summary of the scope of services to be performed under such Contract and the Contract price thereof, as the same may be amended from time to time.

(j) Tenant shall, and shall cause its Contractors to, submit to BPCA within five (5) days after execution of any Approved MBE Contract or Approved WBE Contract or amendment thereto between Tenant or its Contractor and an MBE or WBE, a copy of such contract or amendment. Within thirty (30) days after substantial completion of work done pursuant to any such contract as amended, Tenant shall submit to BPCA sworn affidavits as described hereafter, for the purpose of determining Tenant's fulfillment of its obligations under Section 6 above. The affidavits required by this subsection shall consist of one affidavit of a duly authorized officer of Tenant or its Contractor, as the case may be, and one affidavit of a duly authorized officer of the MBE or WBE, as the case may be, attesting to the following information: (i) identifying the contract and describing the scope of services required thereunder; (ii) that the MBE or WBE is, or is believed to be by Tenant or its Contractor, a bona fide MBE or WBE as defined by the State of New York pursuant to Article 15A of the New York State Executive Law and any guidelines or regulations issued

thereunder; (iii) that the MBE or WBE actually performed the services described pursuant to clause 7(j)(i) above; (iv) the total compensation paid or received for the performance of the services described pursuant to clause 7(j)(i) above and whether such amount represents all sums due and owing and if not, the reason for any unpaid sums due and owing; (v) that such officer's statements pursuant to clauses 7(j)(i), (ii), (iii), and (iv) above are made with full knowledge that they will be used and relied upon by one or more public servants in the performance of their official duties; and (vi) that such officer is familiar with the provisions of Article 210 of the Penal Law relating to false sworn statements made to public officials in their official capacity. In the event Tenant is unable to obtain an affidavit from a duly authorized officer of the MBE or WBE, then BPCA may in its reasonable discretion accept canceled checks, and/or other documentation in lieu of such affidavit.

- (k) Tenant shall at the execution of this Agreement and from time to time thereafter designate an affirmative action officer, satisfactory to BPCA, to represent Tenant in all matters relating to this Program and advise BPCA in writing of such designee. BPCA hereby approves William Shaw as Tenant's affirmative action officer.
- (1) Tenant shall, within ninety (90) days after Substantial Completion of the Building, provide a statement to BPCA of Tenant's Total Development Costs, certified by Tenant and a Certified Public Accountant, listing in reasonable detail the components thereof. Within ninety (90) days after receipt of such statement, BPCA may cause a firm of independent Certified Public Accountants selected by BPCA to examine and audit the records, account books and other data of Tenant used as the basis for such certified statement, and be informed as to the same by a representative of Tenant, all of which Tenant shall make available to BPCA. If such audit shall establish that the Total Development Costs were understated, then the Total Development Costs shall be increased accordingly. The audit, if any, shall be conducted at the expense of BPCA unless it shall be established that Tenant understated the Total Development Costs by more than three and one-half percent (3 and 1/2%), in which case Tenant shall pay the reasonable cost of BPCA's audit. If

any items of Total Development Costs are not yet determined at the time of Substantial Completion of the Buildings (for example, costs of tenant improvements not yet completed or paid for), Tenant may make one or more supplemental submissions of such additional Total Development Cost items, and such items shall be subject to audit by BPCA as provided in this Section 7(1).

8. Subsequent Construction and Protect Management. (a) After the Construction Period, in connection with all subsequent construction work on the Project, including interior improvements, alterations, capital improvements, structural repairs, Restoration (as defined in the Lease) and replacement of, or additions to, the Project undertaken by Tenant (including its successors and permitted assigns), whether on its own behalf or on behalf of its subtenants or other occupants (collectively, "Subsequent Work"), Tenant shall, and shall use its commercially reasonable best efforts to cause its Contractors to, provide meaningful participation to qualified and available MBEs and WBEs which submit competitive proposals for such work. Additionally, Tenant shall provide meaningful participation in all service and management agreements, agreements for the purchase of goods and services and other agreements relating to the operation of the Project (collectively, "Operating Agreements") to MBEs and WBEs. Tenant and BPCA hereby agree that the annual goal for MBE and WBE participation in Subsequent Work and Operating Agreements is fifteen percent (15%) of the total contract prices thereof, inclusive of the contract value of any contract for which a waiver has been obtained, in compliance with applicable provision of the Executive Law. In order to achieve the goal established under this Section 8(a), Tenant shall, and shall use its commercially reasonable best efforts to cause its Contractors to, (i) conduct a thorough and diligent search for qualified MBEs and WBEs, (ii) review the qualifications of each MBE and WBE suggested to Tenant by BPCA and (iii) afford an opportunity to submit proposals for all Subsequent Work and Operating Agreements to those MBEs and WBEs found qualified. Prior to the end of the Construction Period, Tenant shall

meet with BPCA as reasonably required by BPCA to review the operation and status of this Program and develop a plan for meeting the MBE and WBE participation goals set forth above. Thereafter, Tenant shall meet with BPCA on a periodic basis as reasonably required by BPCA to review the operation and status of this Program and such plan and identify measures to be taken by Tenant to ensure that the MBE and WBE participation goals are met. In addition, BPCA may require Tenant to comply with procedures similar to those set forth in Section 7 above in the event that Tenant fails to meet the MBE and WBE participation goals. Tenant shall submit quarterly reports to BPCA setting forth the nature and scope of Subsequent Work carried out and Operating Agreements in effect during the preceding quarter, all efforts made by Tenant and its Contractors to employ qualified MBEs and WBEs to perform the Subsequent Work and participate in the Operating Agreements and all contracts let to MBEs and WBEs. The obligations under this Section 8(a) shall continue until BPCA finds that this Program is no longer necessary to give minority and women-owned business enterprises opportunity for meaningful participation on contracts in connection with the construction, operation and maintenance of the Project.

- (b) In connection with Subsequent Work and the management and operation of the Project, Tenant (including its successors and permitted assigns) shall, and shall require such persons as it may employ or contract with to manage and operate the Project (collectively, the "Operator"), to:
 - (i) make good faith efforts to include Minority group members and women in such work in at least the proportion that Minorities and women are available for such work in the New York City workforce;
- (ii) in the event of lay-offs, make good faith efforts to maintain the same proportion of Minority and women employees in Tenant's (or Operator's, as the case may be) workforce as existed immediately prior to commencement of such lay-offs; and
- (iii) meet with BPCA on a periodic basis as reasonably required by BPCA to review Tenant's and Operator's compliance with this Section 8(b) and to determine specific

opportunities where Minority and women workforce participation in Subsequent Work and management and operation of the Project might be encouraged.

- 9. On-the-Job Training. Tenant shall cause its construction manager for the Project to conduct an on-the-job training program for individuals seeking career opportunities in the construction business. The program shall seek to recruit qualifiable minority, women and local community residents for entry level management positions in the construction business. The program will have a duration of at least eighteen months, during which interns shall receive on-the-job training in the following disciplines: (1) monitoring trade contractors' mobilization and performance; (2) coordinating the Project field force; (3) scheduling contractors' daily workforces; and (4) coordinating materials and equipment.
- 10. Minority and Women Business Enterprise Workshops. Tenant shall cause its Construction manager for the Project, in cooperation with BPCA, to schedule a series of workshops in an attempt to maximize MBE and WBE participation in the construction of the Project. The primary objective of such workshops is to schedule pre-bid meetings and provide assistance to MBEs and WBEs interested in bidding in their respective trades and to stimulate potential joint ventures, subcontracts and supply and vendor opportunities. The workshops shall include the use of private and public sector business resources to provide construction-related and office assistance to MBEs and WBEs in the following categories: (1) contract procurement; (2) technical matters; (3)estimating; (4) payment requisition preparation; (5) personnel evaluation; (6) computer technology; and (6) new business opportunities.

11. Non-Compliance.

(a) Tenant acknowledges that the percentages of Minority and women

Workforce Participation set forth in Section 3(a) above represent reasonable estimates of

Tenant's ability to provide meaningful participation to Minority and women workers and MBEs and WBEs, respectively, during the Construction Period. Tenant recognizes and acknowledges that the purpose of this Program and of Tenant's and BPCA's undertakings hereunder is to fulfill BPCA's and Tenant's statutory obligations in connection with the construction, management and operation of the Project by affording Minority and women workers and MBEs and WBEs an opportunity to participate in the Construction of, and Contracts for, the Project, to the end that such Minority and women workers and MBEs and WBEs can share in economic benefits and also can gain necessary training, experience and other benefits, including increased financial resources, which will facilitate their full participation in the construction industry and management and operation of projects hereafter. Tenant recognizes and acknowledges that its failure to achieve the goals set forth in Sections 3 and 6 above, or comply with the procedures set forth in Sections 4 and 7 above, with respect to the utilization of Minority and women workers and MBEs and WBEs in the Construction of, and Contracts for, the Project may result in damage to BPCA's affirmative action programs and policies, as well as to Minority and women workers and MBEs and WBEs who would be denied an opportunity to share in the economic benefits provided by the construction work and would be denied the training, experience and other benefits which participation in the Project would provide. Tenant further recognizes and acknowledges that such damage cannot be readily quantified, but that the amounts set forth below are reasonable in light of the magnitude of the harm which would result from noncompliance by it hereunder, other than to a de minimis extent, and that payments made for the purposes of the Minority Workers Training Fund and Women Workers Training Fund and the MBE Assistance Fund and WBE Assistance Fund, referred to in Section 11(e) below, are a reasonable means of compensating for that harm.

(b) In the case of Tenant's material default in achieving the goals set forth in Section 3 or 6 above, or in meeting the requirements set forth in Section 4 or 7 above, with respect to the utilization of Minority and women workers and MBEs and WBEs in the Construction of.

and Contracts for, the Project during the Construction Period (other than defaults resulting directly from any order of judicial authorities having jurisdiction over the Project or this Program), Tenant shall pay to BPCA compensatory damages, in addition to any other remedies available to BPCA under this Program, the Lease or in law or equity, in the ving liquidated amounts:

- (i) in the event that Tenant fails to employ, or use its commercially reasonable best efforts to cause its Contractors to employ, Minority and women workers in any trade group equal to the percentage set forth in Section 3(a) above, the product of (A) the aggregate number of person-hou of training and employment of Minority and women workers which would have resulted from achievement of the percentage set forth in such Schedul for such trade group less the sum of the actual Minority Workforce Participation and Women Workforce Participation achieved in the construction of the Project by Tenant or its Contractors in such trade group multiplied by (B) twenty-five percent (25%) of the average hourly wage (including fringe benefits) paid to journey-level workers employed in such trade group in the Construction of the Project;
- (ii) in the event that Tenant fails to employ, or use its commercially reasonable best efforts to cause its Contractors to employ, women workers equal to the percentage set forth in Section 3(a) above, the product of (A) the aggregate number of person-hours of training and employment of women workers which would have resulted from achievement of the percentage set forth in such Section less the sum of the actual Women Workforce Participation achieved in the construction of the Project by Tenant or its Contractors, multiplied by (B) twenty-five percent (25%) of the average hourly wage (including fringe benefits) paid to all journey-level workers employed in the Construction of the Project;

- (iii) in the event that, at any time during the Construction Period, Tenant fails to enter into, or use its commercially reasonable best efforts to cause its Contractors to enter into, an Approved MBE Contract or Approved WBE Contract for work on the Project with any eligible MBE or WBE found to be qualified and available to perform such work for at the lowest price bid by other qualified and available contractors, in accordance with and subject to the provisions of Sections 5, 6 and 7 above, twenty-five percent (25%) of the Contract price at which such MBE or WBE was willing to perform such work, but in no event less than \$12,500 for each such Contract, provided that if such failure is either willful or a result of a pattern of continuing violation of Tenant's obligations hereunder after notice by BPCA to Tenant that BPCA believes such a pattern exists, then such damages shall equal fifty percent (50%) of such Contract price, but in no event less than \$25,000 for each such Contract;
- (iv) in the event that Tenant fails to enter into, or use its commercially reasonable best efforts to its Contractors to enter into, Approved MBE Contracts and Approved WBE Contracts having an aggregate Contract Value at least equal to twenty-five percent (25%) of Total Development Costs as provided in Section 6(a) above ("Specified Amount"), twenty-five percent (25%) of the amount by which the Specified Amount exceeds the aggregate Contract Value of Approved MBE Contracts and Approved WBE Contracts actually entered into by Tenant and its Contractors, including the value of contracts for which waivers have been obtained in accordance with applicable Executive Law provisions, during the Construction Period, provided that if such failure is either willful or a result of a pattern of continuing violation of Tenant's obligations hereunder after notice by BPCA to Tenant that BPCA believes such a pattern exists, then such damages shall equal fifty percent

(50%) of the amount by which the Specified Amount exceeds the aggregate Contract Value;

- (v) in the event that Tenant fails to enter into, or use its commercially reasonable best efforts to cause its Contractors to enter into, Approved MBE Contracts having an aggregate MBE Contract Value at least equal to twenty percent (20%) of Total Development Costs as provided in Section 6(a) above ("MBE Specified Amount"), twenty-five percent (25%) of the amount by which the MBE Specified Amount exceeds the aggregate MBE Contract Value of Approved MBE Contracts actually entered into by Tenant and its Contractors during the Construction Period, provided that if such failure is either willful or a result of a pattern of continuing violation of Tenant's obligations hereunder after notice by BPCA to Tenant that BPCA believes such a pattern exists, then such damages shall equal fifty percent (50%) of the amount by which the MBE Specified Amount exceeds the aggregate MBE Contract Value; and
- (vi) in the event that Tenant fails to enter into, or use its commercially reasonable best efforts to cause its Contractors to enter into, Approved WBE Contracts having an aggregate WBE Contract Value at least equal to five percent (5%) of Total Development Costs as provided in Section 6(a) above ("WBE Specified Amount"), twenty-five percent (25%) of the amount by which the WBE Specified Amount exceeds the aggregate WBE Contract Value of Approved WBE Contracts actually entered into by Tenant and its Contractors during the Construction Period, provided that if such failure is either willful or a result of a pattern of continuing violation of Tenant's obligations after notice by BPCA to Tenant that BPCA believes such a pattern exists, then such damages shall equal fifty percent (50%) of the

amount by which the WBE Specified Amount exceeds the aggregate WBE Contract Value.

- (c) Anything to the contrary contained herein notwithstanding, Tenant shall not be liable for damages under paragraph (b)(i) or (b)(ii) of this Section 9 if and to the extent that Tenant can demonstrate (i) that it has fully complied with each and every provision hereof including Section 4(h) above and (ii) that, notwithstanding such efforts, it was unable to employ qualified Minorities or women, as the case may be, in accordance with and subject to the requirements set forth in Sections 3 and 4 of this Program. In addition, Tenant shall not be liable for damages under paragraph (b)(iii), (b)(iv), (b)(v) or (b)(vi) of this Section 9 if and to the extent that Tenant can demonstrate (i) that, subject to de minimis exceptions, it has fully and diligently performed all of its obligations under this Program and diligently complied with each and every provision hereof and (ii) that, notwithstanding such efforts, it was unable to contract with additional, qualified MBEs or WBEs, as the case may be, in accordance with and subject to the requirements set forth in Sections 5, 6 and 7 of this Program.
- (d) Anything to the contrary contained herein notwithstanding, (i) the aggregate damages payable by Tenant pursuant to paragraphs (b)(i) and (b)(ii) of this Section 11 shall in no event exceed five percent (5%) of Total Development Costs and (ii) the aggregate damages payable by Tenant pursuant to paragraphs (b)(iii) through (b)(vi) of this Section 11 shall in no event exceed seven and one-half percent (7 and 1/2%) of Total Development Costs. Tenant shall, in any event, be entitled to credit against any sums payable under paragraphs (b)(iv), (b)(v) and (b)(vi) of this Section 11 all payments made by Tenant pursuant to paragraph (b)(iii) of this Section 11.
- (e) Payments made by Tenant under paragraph (b)(i) of this Section 11 shall be deposited in a Minority Workers Training Fund and payments made by Tenant under paragraph (b)(ii) of this Section 11 shall be deposited in a Women Workers Training Fund. The monies in such Funds shall be used by BPCA to provide job training and other

assistance to Minority and women workers, respectively, as BPCA shall determine to be useful in enabling such workers to overcome the effects of past discrimination and to participate more fully in the construction industry. Payments made by Tenant under paragraphs (b)(iii) through (b)(vi) of this Section 11 shall be deposited in either an MBE Assistance Fund or WBE Assistance Fund, depending upon whether such payments resulted from a failure to meet requirements regarding MBEs or WBEs. The monies in such Funds shall be used by BPCA to provide such financial, technical and other assistance to MBEs and WBEs, respectively, as BPCA shall determine to be useful in enabling MBEs and WBEs to overcome the effects of past discrimination and to participate more fully in the construction industry.

- (f) In the event Tenant fails to fulfill any of its obligations hereunder, BPCA may, in addition to assessing damages as provided in Section 11(b) above, (i) advise Tenant that, except for completion of the Project, Tenant shall be ineligible to participate in any work at Battery Park City and (ii) apply to any court of competent jurisdiction for such declaratory and equitable relief as may be available to BPCA to secure the performance by Tenant of its obligations hereunder.
- 12. Confidentiality. BPCA acknowledges that the information to be furnished by Tenant hereunder concerning Tenant's Contracts and bidding procedures constitutes information which, if disclosed, could impair present or imminent Contract awards, is maintained for the regulation of Tenant's commercial enterprise and could, if disclosed, cause substantial injury to the competitive position of that enterprise. Accordingly, BPCA will, in accordance with and subject to applicable law, treat such information as confidential and use its best efforts to prevent the unauthorized disclosure thereof, except to the extent that (a) BPCA and Tenant shall agree is necessary in connection with the recruitment of qualified MBEs and WBEs to perform work on the Project, (b) BPCA may determine to use such information, without identifying such individual Contracts, as part of BPCA's overall

assessment of the effectiveness of this Program in overcoming the effects of discrimination in the construction industry or (c) is otherwise necessary in connection with the enforcement of this Program in accordance with the provisions hereof.

- 13. No BPCA Liability. No act of, nor failure to act by, BPCA hereunder shall create or result in any liability on the part of BPCA or any of its members, officers, employees or agents to Tenant or to any other party, or give rise to any claim by Tenant or any other party against BPCA or any of its members, officers, employees or agents, whether for delay, for damages or for any other reason, unless BPCA is found by a court of competent jurisdiction to have acted arbitrarily or in bad faith in acting or failing to act hereunder.
- 14. <u>Performance under Lease</u>. No requirement of this Program, nor the assumption or performance by Tenant of any obligation hereunder, shall excuse Tenant from the performance of any of its obligations under the Lease, nor constitute a defense to any claim by BPCA under the Lease, whether for default, rental, damages or otherwise.
- 15. Persons Bound. Except as may be required elsewhere in this Program, this Program and the Schedules hereto, including any amendments thereto, shall be binding upon and inure to the benefit of Tenant and its respective legal representatives, successors and permitted assigns, including without limitation, any cooperative corporation, condominium association or similar entity for the Buildings. Tenant shall require its immediate successors or assigns to confirm and agree in writing to all terms and conditions of this Program.
- 16. Additional Requirements. In the event that legislation is enacted or an executive order is issued which authorizes or directs BPCA to carry out additional affirmative action requirements or programs with respect to Minority or women workers or business

enterprises owned and operated by Minorities or women, BPCA reserves the right to take such measures as may be necessary or appropriate to implement such requirements or programs.

17. Notices and Addresses.

(a) Any notice or other communication (except as otherwise provided in Section 7(j) above) given by BPCA or Tenant to the other relating to this program shall be in writing and sent by postage prepaid, registered or certified mail, return receipt requested, addressed to the other at the address first set forth in the Lease to which this Exhibit is attached, or delivered personally to the other at such address, and such notice or other communication shall be deemed given three (3) days after the date of mailing or when so delivered:

If to BPCA, such notices shall be sent to the attention of Vice President, Community Relations/Affirmative Action and if to Tenant a copy shall be sent to the attention of William Shaw, HRH Construction Corp., 909 Third Avenue, New York, N.Y. 10022.

- (b) Either BPCA or Tenant may at any time advise the other of a change in its address or designate a different person to whom notice shall be mailed by giving written notice to the other of such change or designation in the manner provided in this Section 15.
- 18. Separability and Invalidity. If any provision of this Program shall for any reason be held unenforceable or invalid, neither the enforceability nor the validity of any other provision of this Program shall be affected thereby. In the event that the Program is, in whole or in part, held to be unenforceable or invalid, then Tenant agrees to undertake a program of affirmative action, as directed by BPCA, which program shall not impose obligations on Tenant which are more onerous than those contained herein.

- 19. Approvals. All approvals and consents to be given by BPCA pursuant to this Program shall be in writing, and Tenant shall not be entitled to rely on any approval or consent which is not in writing.
- 20. <u>Governing Law</u>. This Program shall be construed and enforced in accordance with the laws of the State of New York.

FOOTNOTES

- ¹ Pursuant to Section 317 of the Executive Law, Section 1974d of the Public Authorities Law is to be construed as if subdivisions 5,6,7 & 8 of section 313 and section 316 of the Executive Law were fully set forth therein and are made applicable only to complaints of violations occurring on or after September 1,1988.
- ² N.Y. State Executive Law:

Section 313

- 5. Where it appears that a contractor cannot, after a good faith effort, comply with the minority and women-owned business enterprise participation requirements set forth in a particular state contract, a contractor may file a written application with the contracting agency requesting a partial or total waiver of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements together with an explanation of the efforts undertaken by the contractor to obtain the required minority and women-owned business enterprise participation. In implementing the provisions of this section, the contracting agency shall consider the number and types of minority and women-owned business enterprises located in the region in which the state contract is to be performed, the total dollar value of the state contract, the scope of work to be performed and the project size and term. If, based on such considerations, the contracting agency determines there is not a reasonable availability of contractors on the list of certified business to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the contracting agency shall first consider the availability of other business enterprises located in the region and shall thereafter consider the financial ability of minority and women-owned businesses located outsider the region in which the contract is to be performed to perform the state contract.
- 6. For purposes of determining a contractor's good faith effort to comply with the requirements of this section or to be entitled to a waiver therefrom the contracting agency shall consider:
- (a) whether the contractor has advertised in general circulation media, trade association publications, and minority-focus and women-focus media and, in such event, (i) whether or not certified minority or women-owned businesses which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and
- (ii) whether certified businesses which have been solicited by the contractor have responded in a timely fashion to the contractor 's solicitations for timely competitive bid quotations prior to the contracting agency's bid date; and
- (b) whether there has been written notification to appropriate certified businesses that appear in the directory of certified businesses prepared pursuant to paragraph (f) of subdivision three of section three hundred eleven of this article; and
- (c) whether the contractor can reasonably structure the amount of work to be performed under subcontracts in order to increase the likelihood of participation by certified businesses.
- 7. In the event that a contracting agency fails or refuses to issue a waiver to a contractor as requested within twenty days after having made application therefor pursuant to subdivision five of this section or if the contracting agency denies such application, in whole or in part, the contractor may file a complaint with the director pursuant to section three hundred sixteen of this article setting forth the facts and circumstances giving rise to the contractor's complaint together with a demand for relief. The contractor shall serve a copy of such complaint upon the contracting agency by personal service or by certified mail, return receipt requested. The contracting agency shall be afforded an opportunity to respond to such complaint in writing.

8. If, after the review of a contractor's minority and women owned business utilization plan or review of a periodic compliance report and after such contractor has been afforded an opportunity to respond to a notice of deficiency issued by the contracting agency in connection therewith, it appears that a contractor is failing or refusing to comply with the minority and women-owned business participation requirements as set forth in the state contract and where no waiver from such requirements has been granted, the contracting agency may file a written complaint with the director pursuant to section three hundred sixteen of this article setting forth the facts and circumstances giving rise to the contracting agency's complaint together with a demand for relief. The contracting agency shall serve a copy of such complaint upon the contractor by personal service or by certified mail, return receipt requested. The contractor shall be afforded an opportunity to respond to such complaint in writing..

Section 316 Enforcement

Upon receipt by the director of a complaint by a contracting agency that a contractor has violated the provisions of a state contract which have been included to comply with the provisions of this article or of a contractor that a contracting agency has violated such provisions or has failed or refused to issue a waiver where one has been applied for pursuant to subdivision five of section three hundred thirteen of this article or has denied such application, the director shall attempt to resolve the matter giving rise to such complaint. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the director shall refer the matter, within thirty days of the receipt of the complaint, to the American Arbitration Association for proceeding thereon. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the director his or her award regarding the alleged violation of the contract and recommendations regarding the imposition of sanctions, fines or penalties. The director shall either: (a) adopt the recommendation of the arbitrator; or (b) determine that no sanctions, fines or penalties should be imposed; or (c) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty The director, within ten days of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination along with a copy of this article to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator shall be final and may only be vacated or modified as provided in article seventy-five of the civil practice law and rules upon an application made within the time provided by section seventy-five hundred eleven of the civil practice law and rules. The determination of the director as to the imposition of any fines, sanctions or penalties shall be reviewable pursuant to article seventy-eight of the civil practice law and rules.

The IRR is defined as

tat discount rate, r, which equates the present value of a project's expected cash inflows to the present value of the project's expected costs:

PV(Inflows) = PV(Investment costs),

or, equivalently,

$$\sum_{t=0}^{n} \frac{CF_{t}}{(1-r)!} = 0.$$
 (8-2)

For our Project S, here is the set-up:

$$\frac{-51,000}{(1+r)^0} - \frac{5500}{(1+r)^1} - \frac{5400}{(1+r)^2} - \frac{5300}{(1+r)^3} + \frac{5100}{(1+r)^4} = 0.$$

Here we know the value of CF_t for all t, but we do not know the value of r. Thus, we have an equation with one unknown, and we can solve for the value of r. This value of r is defined as the IRR.

Escrowee shall have no obligation to comply with any request that instructs Escrowee to take an action other than that contemplated by clauses (x) and (y) above.

- 2.2 <u>Destruction of Documents After December 31, 1997</u>. Upon receipt by Escrowee, after December 31, 1997 but prior to Escrowee's receipt of a request in accordance with <u>Section 3.1</u>, of a written request from either party hereto requesting that the Documents be destroyed, Escrowee shall destroy the Documents.

- 3.1 <u>General</u>. Escrowee shall act as escrowee and hold and release or destroy the Documents pursuant to the terms and conditions of this Rider. Escrowee's duties under this Rider shall cease upon the release and delivery or destruction of the Documents in accordance with this Rider.

- 2.2 <u>Limited Duties</u>. Escrowee undertakes to perform only such duties as are expressly set forth in this Rider. The parties hereto acknowledge that Escrowee is acting solely as stakeholder at the request of BPCA and Tenant, and for their convenience, that Escrowee shall not be deemed to be the agent of BPCA or Tenant, and that Escrowee shall not be liable to BPCA or Tenant, except for Escrowee's gross negligence or willful misconduct. Escrowee shall not incur any liability in acting upon any signature, notice, request, waiver, consent, receipt or other paper or document believed by Escrowee to be genuine, and Escrowee may assume that any person purporting to give it any notice on behalf of any party in accordance with the provisions hereof has been duly authorized to do so. - 3.4 <u>Resignation</u>. Escrowee may resign and be discharged from its duties or obligations hereunder by giving notice of such resignation to each of BPCA and Tenant specifying a date upon which such resignation shall take effect, whereupon a successor Escrowee (which shall be a nationally recognized title insurance company or a law firm with 75 or more members located in Manhattan), shall be appointed by BPCA by written notice to Tenant and Escrowee. Escrowee shall be entitled to deliver the Documents to any successor Escrowee so appointed.
- 3.5 <u>Indemnification</u>. BPCA and Tenant shall jointly and severally hold harmless and indemnify Escrowee from and against any and all costs, expenses and liabilities (including, without limitation, reasonable attorneys' fees and disbursements) resulting from or incurred in connection with the performance of Escrowee's duties hereunder or any dispute arising under this Rider, except for its gross negligence or willful misconduct. With respect to the foregoing indemnity, reasonable attorneys' fees shall include, but not be limited to, the fair value of legal services, if any, rendered by Escrowee to itself.
- 3.6 Escrowee Acting as Depository Only. The parties hereto acknowledge that Escrowee acts hereunder as a depository only and is not responsible in any manner whatever for the sufficiency, correctness, genuineness or validity of any instrument delivered to it, or for the form of execution of such instrument or for the identity, authority or rights of any person executing or delivering the same or for the terms or conditions of any instrument pursuant to which the parties hereto may act.
- 3.7 <u>Escrowee as Counsel</u>. Nothing contained herein shall be deemed to preclude Escrowee from acting as counsel to BPCA or any of its affiliates in any capacity,

including, without limitation, in any action or proceeding which may arise in connection with this Rider, the Principal Agreement or any of the Documents.

3.8 <u>Disputes</u>.

- Upon receipt by Escrowee of an Objection Notice pursuant to Section 3.1 (a) or if any other disagreement or dispute shall arise among the parties hereto resulting in adverse claims or demands being made for or with respect to any or all of the Documents, whether or not litigation has been instituted, Escrowee shall refuse to comply with any claims or demands on it and continue to hold the Documents until Escrowee receives either (y) a notice signed by BPCA and Tenant directing the disposition of the Documents, or (z) a final, non-appealable order of a court of competent jurisdiction, entered in a proceeding in which all of the parties hereto are named as parties, directing the disposition of the Documents, in either of which events Escrowee shall then dispose of the Documents in accordance with said direction. Escrowee shall not be or become liable in any way to any person or entity for its refusal to comply with any such claims or demands until and unless it has received a direction of the nature described in clause (y) or clause (z) above. Upon the taking by the Escrowee of any of the actions described in the notice described in clause (y) above or the court order described in clause (z) above, Escrowee shall be released of and from all liability hereunder. Notwithstanding the foregoing provisions of this Section 3.8, if Escrowee shall receive a timely Objection Notice, or if any other dispute shall arise among the parties hereto resulting in adverse claims being made for any or all of the Documents, Escrowee shall have the following rights: (i) if Escrowee shall have received a notice signed by any party hereto advising that litigation between BPCA and Tenant over entitlement to any of the Documents has been commenced, Escrowee may, on notice to the other parties hereto, deposit the Documents with the clerk of the court in which such litigation is pending, or (ii) Escrowee may, on notice to the other parties hereto, take such affirmative steps as it may, at its option, elect in order to terminate its duties as Escrowee hereunder, including, but not limited to, the deposit of the Documents with a court of competent jurisdiction and the commencement of an action for interpleader, the costs thereof to be borne 100% by Tenant and BPCA, jointly and severally (provided that as between BPCA and Tenant, liability for such costs shall be borne by the losing party). Upon the taking by Escrowee of either of the actions described in clause (i) or clause (ii) above, Escrowee shall be released of and from all liability hereunder except for any previous willful misconduct or gross negligence.
- (b) In the event of any conflict between the provisions of this <u>Section 3.8</u> and any other provisions of this Rider, the provisions of this <u>Section 3.8</u> shall control.
- 4. <u>Escrowee Not Affected by Other Agreements</u>. Escrowee, in its capacity as such, shall not be bound by the provisions of any agreement between BPCA and Tenant other than this Rider and shall have no duty to inquire into, or to take into account its knowledge of, the terms and conditions of any other agreement made or entered into in connection with this Rider, including, but not limited to, the Documents or the Principal Agreement.

- 5. As Between BPCA and Tenant. The rights of BPCA or Tenant to give a direction, request or demand to Escrowee with respect to any or all of the Documents shall be governed by the Principal Agreement. Nothing contained in this Agreement shall, as between BPCA and Tenant, be construed to detract from or enlarge their respective rights under the Principal Agreement; provided, however, that Escrowee shall be under no duty or obligation to determine or to attempt to determine such rights.
- 6. <u>Successors and Assigns</u>. Except as otherwise specifically set forth herein, no party may assign any rights or delegate any of its duties under this Rider. Re: Design Development Submission: Site 20AC

Dear Bob:

As we discussed yesterday, the final two design issues, the materials in the base, and the treatment of the northwest corner of the building have been resolved.

Robert Stern's office submitted drawings which are approved showing limestone panels replacing the brick above the first story windows on River Terrace and Chambers Street and stone jambs on the first two stories (A24, A25, A26, and A30 dated June 19, 1997.) We must see details and samples of the stone, and would like to see stone included in the mock-up before construction begins. We withdraw our objection to the polished stone water course. The building base is approved as described and the drawings submitted are part of your official submission.

The model and the plan SK-6 showing the corner of Chambers Street and River Terrace dated June 13, 1997 without a terrace and with a minimum slab projection is approved.

I am very happy that we have finally reached agreement on these issues and the design development submission is now approved. I look forward to reviewing the construction Jocument submission in the very near future.

Very truly yours,

Stephanie Gelb

General Information

REIT TRANSFER

A REIT Transfer is any deed or other instrument or transaction conveying or transferring real property or an economic interest in real property to a Real Estate Investment Trust as defined in Section 856 of the Internal Revenue Code (a 'REIT'), or to a partnership or corporation in which a REIT owns a controlling interest immediately following the transaction and any issuance or transfer of an interest in a REIT or in such a partnership or corporation in connection with such a transaction, provided either:

- the transaction occurs on or after June 9, 1994 in connection with the initial formation of the REIT and conditions 1(a), 2 and 3 below are met, or
- the transaction occurs on or after July 13, 1996 and before
 September 1, 1999 (or after August 30, 1999 if the transfer is
 made pursuant to a binding written contract entered into before
 September 1, 1999, with a REIT or a partnership or corporation
 in which the REIT owns a controlling interest, and the date of
 execution of that contract is confirmed by independent evidence
 satisfactory to the Department), and conditions 1 (b) and 2
 below are met.

For a definition of "controlling interest", see General Information for Form NYC-RPT, "Imposition of Tax."

CONDITIONS

a. The value of the ownership interests in the REIT or in the partnership or corporation controlled by the REIT received by the grantor as consideration for the transaction must be equal to 40 percent or more of the excess of the value of the total consideration received over the amount of mortgages and other liens and encumbrances on the property or on the grantor's economic interest in the property, other than mortgages and other liens and encumbrances created in contemplation of the formation of the REIT.

b. This condition is the same as Condition 1(a), except that the value of the ownership interests received as consideration must be equal to at least 50 percent rather than 40 percent of the excess of the total consideration received over mortgages and other liens and encumbrances on the property or economic interest transferred excluding mortgages and other liens or encumbrances created in contemplation of the transaction reported on this Schedule R.

Use the worksheet on page 2 of this Schedule to make this determination.

- The interests in the REIT or in the partnership or corporation controlled by the REIT may not be transferred by the grantor or owners of the grantor within two years following the date of the transaction other than transfers within the two-year period resulting from the death of an individual grantor or owner of a grantor.
- At least 75 percent of the cash proceeds of the initial public offering of REIT shares must be used for the following:
 - payments on loans secured by an interest in the real property or an economic interest therein owned directly or indirectly by the REIT, or payments into reserves therefor,
