BID SOLICITATION

BASIC DESCRIPTION OF SERVICES:

Battery Park City Authority ("BPCA") seeks Design Services for an Enclosure for the Berlin Wall Section that will help protect the Section and enhance visitors' viewing experience without distracting from the integrity of this significant part of BPCA's public memorial collection

1. Scope of Work

Background

In 2004, a section of the Berlin Wall ("the Piece") was presented to the Hugh L. Carey Battery Park City Authority by the German Consulate, in recognition of the 15th anniversary of the fall of the Berlin Wall, and the Authority's commitment to education through the display of public art.

This wall section once stood in downtown Berlin in the area between Potsdamer Platz and Leipziger Platz. It was part of the inner wall designed to prevent East Germans from escaping. Today, it stands as a powerful symbol of the strength of democracy - teaching and inspiring all who visit Kowsky Plaza of the importance of freedom.

The Piece is approximately twelve feet high and eight feet wide (12' X 8') and weighs approximately two and three quarters tons (2.75 tons). The wall section is currently located in Kowsky Plaza which is just west of the terminus of Liberty Street. It has a wide base and is held in place by pins secured to the ground. Attached as Exhibit A to this document are images of the wall section and a map showing its location within BPCA's property.

Description of Work

Exposure to the environment has begun to impact the condition of the paintings on the concrete surface of the Piece. BPCA has not identified any specific cause for the deterioration. However, based on a conditions study completed in 2019 that recommended indoor protection for the wall section, BPCA is opting to enclose the Piece at its current location to protect it from direct solar radiation, wind, rain and minimize direct exposure marine environment as a way of mitigating further environmental impact on the painted wall surface. The Selected Proposer will be responsible for providing a design of such an enclosure to preserve and protect the Piece from, at minimum, those environmental elements while enhancing the visitors' experience without distracting from the integrity of this significant part of BPCA's public memorial collection.

More specifically the design shall:

- Include a roof/horizontal element(s) and transparent vertical element(s)/walls which will provide protection to the Piece without the need to include an active climate control system.
- Prevent/minimize direct solar radiation;
- Protect the Piece from damage related to wind and rain;
- Prevent/minimize direct exposure to marine environment
- Respond to BPCA's sustainability and resiliency goals by including, for example, such features as recycled materials and solar powered lighting.

The objective of this project is to develop the design of, prepare Construction Documents, and provide Construction Administration Services for, a new enclosure for the Berlin Wall Section currently situated in Kowsky Plaza within Battery Park City.

The Selected Proposer will complete the following Tasks associated with the Work:

Task 1 - Concept Design (3 - 4 Weeks)

The Consultant will perform the following services during Concept Design phase:

- Provide material palette concepts that respond to BPCA's sustainability goals and address the goals of direct solar radiation prevention, protection from wind, rain and minimize direct exposure to marine environment
- Include concepts for de-constructability for future relocation of the section and enclosure

Deliverables: Concept design presentation and report

Task 2 – Design Development & Construction Documentation (4 - 5 Weeks)

- Provide assistance to BPCA in evaluating contractor bids, including the preparation of a bid tab to quantitatively compare each bid

Task 5 – Construction Administration (6 Weeks)

 - Attend one (1) on-site pre-construction kick-off meeting and subsequent site visits as required
 - Review and respond to RFI's and proposed alternatives during the construction phase

7. Diversity

Minority-Owned Business Enterprises ("MBE"), Women-Owned Business Enterprises ("WBE") and Service-Disabled Veteran-Owned Business Enterprises ("SDVOB") are encouraged to submit Proposals. For questions on MBE/WBE/SDVOB participation, joint ventures and sub-contracting goals ONLY, please contact "Diversity Designated Contact": Mr. Justin McLaughlin-Williams at 212.417.2337 or Justin.mclaughlin-williams@bpca.ny.gov

MBE/WBE Utilization Goal Requirements for BPCA Contracts:

In accordance with Article 15-A of the New York State Executive Law and regulations adopted pursuant thereto, BPCA has established separate goals for participation of New York State Certified minority and women-owned business enterprises for all state contracts. BPCA is required to implement the provisions of Article 15-A and 5 NYCRR Part 143 for all state contracts (1) in excess of \$25,000 for labor, services, equipment, materials or any combination for the foregoing and (2) in excess of \$100,000 for real property renovations and construction. Because this procurement does not offer subcontracting opportunities, the MWBE goal is "0%." HOWEVER, MWBE firms are encouraged to bid on the project and will receive 100% utilization credit if the awarded firm is certified as an M/WBE with New York State.

As a condition of this procurement, the Proposer and BPCA agree to be bound by the provisions of §316 of Article 15-A of the Executive Law regarding enforcement. Proposers must document "good faith efforts" to provide meaningful participation by certified M/WBE subcontractors or suppliers in the performance of the awarded contract. For guidance on how BPCA will determine a Proposer's "good faith efforts," refer to 5 NYCRR § 143.8. Additionally, Proposers must refer to Mandatory Forms of this document for a list of forms that must be provided in order to fully comply with Article 15-A of the New York State Executive Law and 5 NYCRR Part 143.

SDVOB Utilization Goal Requirements for BPCA Contracts:

In accordance with Article 17-B of the New York State Executive Law and regulations adopted pursuant thereto, BPCA has established separate goals for participation of New York State Certified service-disabled veteran-owned business enterprises for all state contracts. BPCA is required to implement the provisions of Article 17-B and 9 NYCRR Part 252 for all state contracts (1) in excess of \$25,000 for labor, services, equipment, materials or any combination for the foregoing and (2) in excess of \$100,000 for real property renovations and construction. Because this contract does not offer subcontracting opportunities, the SDVOB goal is "0%." HOWEVER, SDVOB firms are encouraged to bid on the project and will receive 100% utilization credit if the awarded firm is certified as an SDVOB in New York State.

As a condition of this procurement, the Proposer and BPCA agree to be bound by the provisions of 9 NYCRR §252.2 regarding enforcement. Proposers must document "good faith efforts" to provide meaningful participation by certified SDVOB subcontractors or suppliers in the performance of the awarded contract. For guidance on how BPCA will determine a Proposer's "good faith efforts," refer to 9 NYCRR § 252.2(s).

Subcontracting Provisions

Minority business sub-contracting goal: N%

Woman-owned business sub-contracting goal: N%

Service-disabled veteran-owned business sub-contracting goal: N%

Sub-contracting opportunities for MBEs/WBEs/SDVOBs must be considered.

It should be noted that the fifteen-percent (15%) goals for New York State-certified Minority-Owned or Women-Owned Business Enterprise (M/WBE) utilization, respectively, may be re-distributed between these categories in order to achieve a total combined percentage of at least thirty percent (30%). Such re-distribution, based on the good-faith effort of the successful proposer, may occur due to the availability of firms for performance of services. However, documentation must be provided supporting a proposed re-distribution of the M/WBE goals, and such documentation will be subject to review by, and approval of, BPCA.

8. Award

The Contract will be awarded on the basis of the Selected Proposer's relevant experience, schedule, approach to work, availability for work commencement, and cost.

9 Form of Contract

The selected Proposer will be provided with the standard BPCA Form of Contract for signature (see Exhibit B: BCPA Sample Form of Contract). Any objections to this form of contract should be noted in each proposer's submission.

2. Time for Performance

Consultant shall perform the Work as expeditiously as is consistent with professional skill and the orderly progress of the Work, and in accordance with any schedule set forth in the attached Scope of Work. If a schedule approved by Owner is incorporated into this Agreement, said schedule shall not be exceeded by Consultant, except for reasonable cause. The term of this Agreement shall begin [**DATE TERM BEGINS**] (the “Commencement Date”) and shall terminate not later than [**DATE TERM ENDS**] (the “Expiration Date”) (such period from the Commencement Date to the Expiration Date is referred to herein as the “Term”) unless this Agreement is otherwise terminated as hereinafter provided. Consultant shall complete the Scope of Work on or before [**DATE**], unless the time for performance of the Work is extended by written agreement of Consultant and Owner.

4. Increase and Decrease in the Scope of Consultant’s Work

Owner shall have the right to make changes to, increase or reduce the scope of Work, or extend the Term or any date set forth in the schedule referenced in Section 2 *supra*, at any time and for any reason, upon written notice to Consultant specifying the nature and extent of such changes. If Consultant believes that any work it has been directed to perform by Owner is beyond

the scope of Work set forth in this Agreement and constitutes extra work, Consultant shall so notify Owner within ten (10) business days. Owner shall determine whether or not such work is in fact beyond the scope of the Work and is considered extra work. If Owner determines that such work constitutes extra work to Consultant or any Subconsultant (as defined in Section 25 of this Agreement), Owner will pay Consultant any additional reimbursable expenses approved pursuant to Owner's policy for reimbursable expenses, and such additional compensation only as mutually agreed in writing by Owner and Consultant at the time of such change.

5. Consultant Cooperation

(a) Consultant shall work with such firms or individuals as Owner shall designate from time to time in connection with the Work, and agrees to meet with such firms or individuals at such times as Owner may require in order to maintain an ongoing review process so as to expedite determinations and approvals required to be made in connection with the Work.

(b) Consultant shall render any assistance that Owner may require with respect to any claim or action arising from or in any way relating to Consultant's services during or subsequent to the Term of this Agreement, including, but not limited to, review of claims, preparation of technical reports and participation in negotiations, both before and after Consultant has completed performance of the Work under this Agreement and without any additional compensation therefor.

6. Termination

(a) *Termination for Convenience.* Owner, at any time, may terminate this Agreement in whole or in part. Any such termination shall be effected by mailing or delivering to Consultant a written notice of termination specifying the extent to which performance of the Work under this Agreement is terminated and the date upon which such termination becomes effective. Upon receipt of the notice of termination, Consultant shall act promptly to minimize any expenses resulting from said termination. Owner shall pay Consultant the costs actually incurred by Consultant, including any Fee for Work actually and satisfactorily performed up to the effective date of the termination, but in no event shall Consultant be entitled to compensation in excess of the total consideration of this Agreement. In the event of such a termination, Owner may take over the Work and prosecute same to completion by contract or otherwise, and may take possession of and utilize such work product, materials, appliances, and plant as may be on the site and necessary or useful to complete the Work. Except as otherwise provided herein, all of Owner's liability hereunder shall cease and terminate as of the effective date specified in such notice of termination.

(b) *Termination for Cause.* Owner may terminate this Agreement for cause if:

(i) Consultant shall fail to diligently, timely and expeditiously perform any of its obligations as set forth in the Agreement;

(ii) Any representation or warranty made or deemed to have been made under this Agreement by Consultant shall prove to be untrue in any material respect;

(iii) Consultant shall make a general assignment for the benefit of its creditors, or a receiver or trustee shall have been appointed on account of Consultant's insolvency, or Consultant otherwise shall be or become insolvent, or an order for relief shall have been entered

against Consultant under Chapter 7 or Chapter 11 of Title 11 of the United States Code;

(iv) a breach of any covenant or agreement contained in Section 16 of this Agreement or any other section of this Agreement shall occur; or

(v) Consultant otherwise shall be in default hereunder;

by serving written notice upon Consultant of Owner's intention to terminate this Agreement. Such notice shall state: (1) the reason(s) for Owner's intention to terminate the Agreement, and (2) the effective date of termination, to be not less than three (3) calendar days after the date of the notice of termination. If Consultant shall fail to cure the reason(s) for termination or make arrangements satisfactory to Owner on or before the effective date of termination, this Agreement shall terminate on the date specified by Owner in the notice of termination. In the event of any such termination, Owner may take over the Work and prosecute same to completion by contract or otherwise, for the account and at the expense of Consultant, and Consultant shall be liable to Owner for all costs incurred by Owner by reason of said termination. In the event of such termination, Owner may take possession of and utilize such work product, materials, appliances, and plant as may be on the site and necessary or useful to complete the Work. Upon Owner's completion of the Work following a termination for cause, Consultant shall be entitled to such amount of the Fee that has not theretofore been paid to Consultant and that shall compensate Consultant for all Work actually and satisfactorily performed by it up to the date of termination, provided, however, that Owner shall deduct from any amount all additional costs and expenses that Owner may incur over those which Owner would have incurred in connection with the Work if Owner had not so terminated this Agreement for cause. Nothing contained in this Agreement shall limit in any manner any and all rights or remedies otherwise available to Owner by reason of a default by Consultant under this Agreement, including, without limitation, the right to seek full reimbursement from Consultant for all costs and expenses incurred by Owner by reasons of Consultant's default hereunder and which Owner would not have otherwise incurred if Consultant had not defaulted hereunder.

(c) Upon any termination of this Agreement in accordance with the provisions of this Section 6, Consultant shall, with respect to the Work which is the subject of such termination:

(i) discontinue all its services from and after the date of the notice of termination, except to attempt to cure any reason(s) for termination or as may be required to complete any item or portion or services to a point where discontinuance will not cause unnecessary waste of duplicative work or cost;

(ii) cancel, or if so directed by Owner, transfer to Owner all commitments and agreements made by Consultant relating to the Work, to the extent same are cancelable or transferable by Consultant;

(iii) transfer to Owner in the manner, to the extent, and at the time directed by Owner, all work product, supplies, materials and other property produced as a part of, or acquired in the performance of the Work; and

(iv) take other actions as Owner may reasonably direct.

(d) In the event that Consultant, having been terminated, thereafter obtains a

determination, in a judicial or other action or proceeding, that such termination was unwarranted, without basis, or invalid for any reason, then the termination shall be deemed to have been one for the convenience of Owner and Consultant shall be entitled to be reimbursed and paid as provided in Subsection 6(b) but to no other payments or damages.

7. Suspension

Owner may, at any time and for any reason, order Consultant in writing to suspend, delay or interrupt performance of all or any part of the Work for a reasonable period of time as the Owner may determine. Upon receipt of a suspension order, Consultant shall, as soon as practicable, cease performance of the Work as ordered and take immediate affirmative measures to protect such Work from loss or damage. Consultant specifically agrees that such suspension, delay or interruption of the performance of Work pursuant to this Section 7 shall not increase the cost of performance of the Work of this Agreement. Owner may extend the Term or any date set forth in schedule referenced in Section 2 *supra*, to compensate Consultant for lost time due to suspension, delay or interruption, and such time extension shall be Consultant's sole compensation for same. Consultant shall resume performance of such Work upon the date ordered by Owner.

8. Assignment

Consultant shall not assign the Agreement in whole or in part without Owner's prior written consent; however, Owner may assign the Agreement in whole or in part without Consultant's prior written consent.

9. Ownership of Documents

(a) All material specifically prepared for the Project and excluding any intellectual property already owned by Consultant that is furnished by Consultant or any Subconsultants (including but not limited to all film, video, or digital assets, Hypertext Markup Language ("HTML") files, JavaScript files, flash files, etc.) in connection with the Work shall be deemed Works Made for Hire and become the sole property of Owner. Consultant shall provide a tangible copy of the Work to Owner in any form(s) to be specified by Owner. Such materials may be used by Owner, in whole or in part, or in modified form, for any and all purposes Owner may deem desirable without further employment of, or payment of any additional compensation to Consultant. Consultant hereby acknowledges that whatever participation Consultant has, or will have, in connection with any copyrightable subject matter that is the subject of the Work is and shall be deemed Work Made for Hire on behalf of the Owner and that the Owner shall be the sole owner of the Work, and all underlying rights therein, worldwide and in perpetuity. In the event that the Work, or any portion thereof, does not qualify or is deemed not to be Work Made for Hire, Consultant hereby irrevocably transfers and assigns to the Owner all of Consultant's right, title and interest, throughout the world, in and to the Work, including, without limitation, all of Consultant's right, title and interest in the copyrights to the Work, including the unrestricted right to make modifications, adaptations and revisions to the Work and hereby waives any so-called "moral rights" with respect to the Work. (i) Owner hereby establishes an overall goal of ___% for SDVOB participation, based on the current availability of qualified SDVOBs. For purposes of providing meaningful participation by SDVOBs, the Consultant should reference the directory of New York State Certified SDVOBs found at: http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf. Questions regarding compliance with SDVOB participation goals should be directed to Shinay Stewart at

shinay.stewart@bpca.ny.gov or (212) 336-9353. Additionally, following execution of this Agreement, Consultant is encouraged to contact the Office of General Services' Division of Service-Disabled Veterans' Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs on the Agreement.

(ii) Consultant must document "good faith efforts" to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract (see Section 26.2(d) below).

(c) SDVOB Utilization Plan

(i) In accordance with 9 NYCRR § 252.2(i), Consultants are required to submit a completed SDVOB Utilization Plan on Form SDVOB 100 (https://ogs.ny.gov/Veterans/Docs/2016/SDVOB_100_Utilization_Plan.docx) with their bid.

(ii) The Utilization Plan shall list the SDVOBs that Consultant intends to use to perform the Work, a description of the Work that Consultant intends the SDVOB to perform to meet the goals on the Agreement, the estimated dollar amounts to be paid to an SDVOB, or, if not known, an estimate of the percentage of Work the SDVOB will perform. By signing the Utilization Plan, Consultant acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOBs after the contract award and during the term of the Agreement must be reported on a revised SDVOB Utilization Plan and submitted to Owner.

(iii) Owner will review the submitted SDVOB Utilization Plan and advise the Consultant of Owner acceptance or issue a notice of deficiency within 20 days of receipt.

(iv) If a notice of deficiency is issued, Consultant agrees that it shall respond to the notice of deficiency, within seven business days of receipt, by submitting to Owner a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by Owner to be inadequate, Owner shall notify Consultant and direct the Consultant to submit, within five business days of notification by Owner, a request for a partial or total waiver of SDVOB participation goals on Form SDVOB 200 (https://ogs.ny.gov/Veterans/Docs/2016/SDVOB_200_Waiver_Form.docx). Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

(v) Owner may disqualify a Consultant's bid or proposal as being non-responsive under the following circumstances:

- (A) If Consultant fails to submit an SDVOB Utilization Plan;
- (B) If Consultant fails to submit a written remedy to a notice of deficiency;
- (C) If Consultant fails to submit a request for waiver; or

(D) If Owner determines that Consultant has failed to document good faith efforts.

(vi) Consultant certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOBs on the Agreement pursuant to the prescribed SDVOB contract goals set forth above.

(vii) Consultant further agrees that a failure to use SDVOBs as agreed in the Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, Owner shall be entitled to any remedy provided herein, including but not limited to, a finding of Consultant non-responsibility.

(d) Waivers

(i) Prior to submission of a request for a partial or total waiver, Consultant shall speak to Shinay Stewart at shinay.stewart@bpca.ny.gov or (212) 336-9353 for guidance.

(ii) In accordance with 9 NYCRR § 252.2(m), a Consultant that is able to document good faith efforts to meet the goal requirements, as set forth in Section 26.2(e) below, may submit a request for a partial or total waiver on Form SDVOB 200 (https://ogs.ny.gov/Veterans/Docs/2016/SDVOB_200_Waiver_Form.docx), accompanied by supporting documentation. Consultant may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by Owner at that time, the provisions of Section 26.2(c)(iii), (iv) and (v) will apply. If the documentation included with the Consultant's waiver request is complete, Owner shall evaluate the request and issue a written notice of acceptance or denial within 20 days of receipt.

(iii) Consultant shall attempt to utilize, in good faith, the SDVOBs identified within its SDVOB Utilization Plan, during the performance of the Work. Requests for a partial or total waiver of established goal requirements made subsequent to award of the Agreement may be made at any time during the term of the Agreement to Owner, but must be made no later than prior to the submission of a request for final payment.

(iv) If Owner, upon review of the SDVOB Utilization Plan and Monthly SDVOB Compliance Report determines that Consultant is failing or refusing to comply with the contract goals and no waiver has been issued in regards to such non-compliance, Owner may issue a notice of deficiency to the Consultant. The Consultant must respond to the notice of deficiency within seven business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals. Waiver requests should be sent to Owner.

(e) Required Good Faith Efforts. In accordance with 9 NYCRR § 252.2(n), Consultants must document their good faith efforts toward utilizing SDVOBs on the Agreement. Evidence of required good faith efforts shall include, but not be limited to, the following:

(i) Copies of solicitations to SDVOBs and any responses thereto.

(ii) Explanation of the specific reasons each SDVOB that responded to Consultants' solicitation was not selected.

(iii) Dates of any pre-bid, pre-award or other meetings attended by Consultant, if any, scheduled by Owner with certified SDVOBs whom Owner determined were capable of fulfilling the SDVOB goals set in the Agreement.

(iv) Information describing the specific steps undertaken to reasonably structure the Work for the purpose of subcontracting with, or obtaining supplies from, certified SDVOBs.

(v) Other information deemed relevant to the waiver request.

(f) Monthly SDVOB Consultant Compliance Report

In accordance with 9 NYCRR § 252.2(q), Consultant is required to report Monthly SDVOB Consultant Compliance to Owner during the term of the Agreement for the preceding month's activity, documenting progress made towards achieving the SDVOB goals. This information must be submitted using form SDVOB 101 available at https://ogs.ny.gov/Veterans/Docs/2016/SDVOB_101_Monthly_Compliance%20Report.docx and should be completed by the Consultant and submitted to Owner, by the 10th day of each month during the term of the Contract, for the preceding month's activity to: Shinay Stewart at shinay.stewart@bpcanyc.gov.

(g) Breach of Contract and Damages

(b) Owner or Owner's designee, in its sole discretion, reserves the right to suspend any or all activities under this Agreement, at any time, when it discovers information that calls into question Consultant's responsibility. In the event of such suspension, Consultant will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, Consultant must comply with the terms of the suspension order. Activity under the Agreement may resume at such time as Owner or its designee issues a written notice authorizing a resumption of performance under the Agreement.

(c) Upon written notice to Consultant, and a reasonable opportunity to be heard with appropriate officials or staff of Owner, this Agreement may be terminated by Owner or Owner's designee at Consultant's expense where Consultant is determined by Owner or its designee to be
