

Project: North Esplanade Timber Pile
Inspection and Remediation Design
Services

Date: December 23, 2014

RE: Addenda # 1
of Pages: (2)

The following revisions and/or clarifications are hereby made to the RFP documents for “North Esplanade Timber Pile Inspection and Remediation Services”

Clarifications:

1. Pre Proposal Meeting sign in sheet is attached;
2. MWBE goals have been revised to 15% Minority / 15% Women per the latest mandate from the Governor’s office for all contracts commencing after January 1, 2015

Pre-proposal meeting questions:

1. Is it anticipated that the remediation work will be performed in 2015? YES.
2. Is a construction budget to be provided? NO
3. Will there be a Construction Manager on the project? There will be a CM on the project, however standard Construction Administration services will be required from the designer.
4. Has there been any ongoing monitoring of the settlement since the initial design was provided? NO
5. Is it expected that this work will be covered by the General Permit? YES

By signing the line below, I am acknowledging that all pages of the addenda have been received, reviewed and understood, and will be incorporated into the Proposal submitted. This document must be attached to the Proposal for consideration.
