The undersigned desires to perform an inspection of the conditions of the existing below-grade Police Memorial and North Cove Marina electrical vaults associated with the Police Memorial and North Cove Marina Electrical Vault Resilience Project Construction Services Request for Proposals (the “RFP”) issued by the Battery Park City Authority d/b/a Hugh L. Carey Battery Park City Authority (the “Authority”) on or about September 14, 2015. The undersigned has been advised and understands that the inspection of the two existing vaults (the “Vaults”) can be dangerous and involve numerous risks, including death or serious bodily injury. As an inducement to the Authority, the Battery Park City Parks Conservancy (the “Conservancy”), the City of New York, the State of New York and all firms and persons related to, or involved in, the design, construction development and maintenance of the Vaults (the “Project Team”) to allow the undersigned to visit and enter the Vaults and observe existing conditions, the undersigned, for himself/herself/itself and his/her/its successors, heirs, assigns, and legal representatives, does hereby expressly agree and acknowledge the following:

1. The undersigned hereby voluntarily assumes any and all risks involved in, or in any way related to, the undersigned’s visit (including the visit of any of its employees, agents or representatives) to the Vaults and observation of existing conditions, including, but not limited to, the risk of death, bodily injury or property damage resulting from such visit or observation, including the unavailability of emergency medical care or the negligent or deliberate acts of other persons.

2. The undersigned releases and forever discharges any and all members of the Project Team, together with their members, directors, managers, officers, employees, agents, affiliates, successors, heirs and assigns, from, and agrees not to sue them on account of or in connection with, any liabilities, claims, causes of action, suits, obligations, injuries, damages, judgments, costs, or expenses, including attorney’s fees and disbursements, arising out of the undersigned’s visit (including the visit of any of its employees, agents or representatives) to the Vaults and observation of existing conditions, including, but not limited to, those based on death, bodily injury, or property damage, except when caused solely by the gross negligence of any member of the Project Team. THE FORGOING RELEASE IS INTENDED TO BE THE MAXIMUM AND BROADEST RELEASE PERMITTED BY LAW.

3. The undersigned waives the protection afforded by any statute or law in any jurisdiction whose purpose, substance and/or effect is to provide that a general release does not extend to claims which the person giving the release does not know or suspect to exist at the time of executing the release.

4. The undersigned agrees to indemnify and hold harmless any and all members of the Project Team and their members, directors, managers, officers, employees, agents, affiliates, successors, heirs and assigns, to the fullest extent permitted by law, from and against any and all liabilities, claims, causes of action, suits, obligations, injuries, damages, judgments, costs or expenses, including reasonable attorney’s fees and disbursements, which arise in any way from the undersigned’s conduct (including the conduct of any of its employees, agents or representatives) at/in the Vaults and any and all damages to property on such Site, injury to any other person at/in such Vaults, including areas located underground and/or
underwater, caused, directly or indirectly, by the undersigned, whether by inadvertence, negligence, willful misconduct or otherwise.

5. The undersigned acknowledges and agrees that he/she/it is familiar with and understands industry standard safety procedures and rules for conducting an inspection of the Site and for observing conditions at/in the Vaults. The undersigned agrees to strictly abide by all safety and other rules and expressly agrees not to approach or enter the Vaults while under the influence of alcohol and/or any drugs.

The undersigned acknowledges and agrees that he/she/it has been advised of the following nonexclusive list of potentially dangerous conditions: (1) the inherent risks associated with the nature of the inspection activity itself; and (2) the inherent risks associated with entering and exiting an underground vault; and (3) the inherent risks associated with an electrical vault.

7. The undersigned represents and warrants that he/she/it (a) assumes full responsibility for his/her/its own safety and health and for all known and unknown risks and damages in visiting the Site, and (b) has not relied on information given or not given to him/her/it by the Project Team regarding the risks or dangers present at/in the Vaults.

8. The undersigned shall provide a certificate of insurance meeting or exceeding the following minimum coverage levels:

9. The undersigned further agrees not to disclose or divulge to any person in any manner, without the prior written approval of the Authority, any information concerning the Vaults for any purpose whatsoever, except as may be necessary to prepare and submit a proposal in response to the RFP.

10. The undersigned agrees that in the event of any accident which may require immediate medical, dental or other emergency care, transportation and emergency medical services, in which no next of kin can be notified in a reasonable amount of time through reasonable means, the Authority is hereby authorized, but not required, to take all necessary actions as relates to immediate medical, dental or other emergency care, transportation and emergency medical services as warranted in the course of care of the undersigned.
