STATEMENT OF BPCA PRESIDENT & COO SHARI HYMAN ON RETIREMENT OF HORTICULTURE DIRECTOR ERIC T. FLEISHER

“On behalf of the Battery Park City Authority and all Battery Park City residents, I congratulate Eric T. Fleisher – or ‘T’ as he is affectionately known – on a job exceedingly well done. T has achieved more than simply leaving things better than he found them; through his leadership and efforts, he’s helped grow Battery Park City into a model of urban sustainability, employing world-class standards of responsible land stewardship that will continue to serve as a template for open public spaces. We thank him for his distinguished 26-year tenure and wish him all the best on his adventures to come.”
