RE: Request for Qualifications to Provide Progressive Design-Build Services for the North/West Battery Park City Resiliency Project (the “RFQ”) – Shortlist Announcement

Pursuant to Section 6.5 (Notification to Respondents) of the above-referenced RFQ, the Battery Park City Authority (“BPCA”) is issuing this notification to advise that the following Respondents have been shortlisted to move on to the next phase of the selection process outlined in the RFQ. In no particular order:

1. Turner Construction Co.;
2. Kiewit Infrastructure Co.;
3. Hunter Roberts Construction Group LLC; and
4. Skanska USA Building.

BPCA, through its Designated Contact, will contact each such Respondent in the coming days with information concerning the next phase of the selection process, including the scheduled date for issuance of the RFP and access information for the secure website. As specified in the RFQ, only the shortlisted Respondents identified above will be eligible to receive the RFP and submit a proposal in response thereto.

BPCA wishes to thank all Respondents for their time and effort in preparing an SOQ and participating in the first phase of the procurement process for this critical project.
